Patriotic Degree Highest Honor of Order—Crowley

Vice-Supreme Master Points to Benefits of Fourth Degree Membership Here

BY JEROME J. CROWLEY
Vice Supreme Master, Fourth Degree

Knights of Illinois are thrilled at the announcement of Joseph A. McMahon, Master, that the next Fourth Degree exemplification and banquet will be a testimonial to His Excellency, The Most Reverend Samuel A. Stritch, Archbishop of Chicago. The exemplification of the Fourth Degree and banquet to follow will take place on February 23, 1941, in the Palmer House, Chicago.

Our beloved Archbishop has won the hearts of all by his outstanding achievements and his inspiring leadership as the administrator of this great archdiocese. The privilege of honoring him in this manner and of having him as our guest should motivate every Knight in the jurisdiction with the determination to make this event one of the most notable ever held in our Knighthood.

Highest Rank in Knighthood

The Fourth Degree is the highest rank in Knighthood and every member of the Order should aspire to attain to the enjoyment of its prestige. It is devoted to patriotism. It teaches enduring appreciation of our American institutions, and in an unforgettable manner visualizes the important part our Catholic ancestors played in the development of all the benefits we here enjoy. In a war torn world, love of and devotion to our country should be uppermost in the minds and hearts of all our members. Hence, the extraordinary importance of this exemplification at this time.

Advancement to the Fourth Degree also means membership in La Salle General Assembly. This, the largest Assembly in the Order, is recognized for its important activities, its welfare service and its delightful monthly meetings. A number of its gatherings each year are planned to bring happiness to the families of members, according to them the pleasures of delightful programs of high character and with definite appeal.

Plan Impressive Event

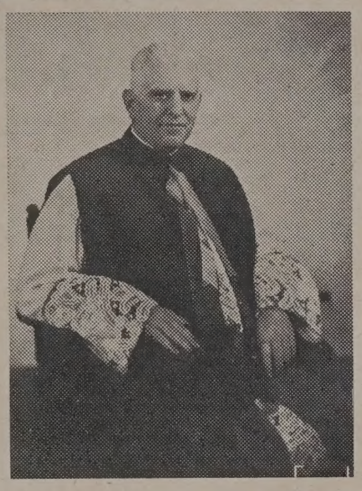
Master McMahon is receiving the enthusiastic aid of all of the Order in his district. No detail will be overlooked in the endeavor to add to the beauty and impressiveness of this event.

Council officers and members are urged definitely to aid in marshalling candidates for this honor Degree so that it will long live as an impressive tribute in the memory of our beloved Archbishop, as it will be forever treasured in the memories of the candidates and members fortunately privileged to participate in it.

Make Application Now

Application forms for membership in the Fourth Degree may now be obtained from the individual Grand Knights or Financial Secretaries.

Named Bishop



Rt. Rev. Msgr. Francis J. Magner

Members of the Knights of Columbus, particularly those associated with the suburban councils at Evanston and Wilmette, great with mixed emotions the announcement made on December 23, of the appointment of the Rt. Rev. Msgr. Francis J. Magner, Ph.D., pastor of St. Mary's Church, Evanston, as bishop of Marquette, Mich. He will succeed Bishop Joseph C. Plagens.

Monsignor Magner, chaplain of Newman Council at Evanston, has long held the esteem of the entire membership there, as well as that of Ouilmette and the several other north side units in which he has had contacts.

During Monsignor Magner's tenure as Chaplain of Newman he has constantly displayed a lively interest in all Order activities. More than one surge of enthusiasm for Order or Church activity that carried the membership efforts to real successes has been directly fired by the encouragement, wise counsel and inspiration of the beloved chaplain.

For the last thirteen years Monsignor Magner has been pastor of St. Mary's, the mother Church of the Catholics of Evanston. His deep spirituality, eminent learning and capable administration of parish affairs during the whole of this period created an indelible impression on the lives of his people and the members of his community.

All council delegates are urged to attend.

JACOB A. MUELLER,
Chapter President.

Orphan's Letters Show Extent of Xmas Cheer Work

Knights of Columbus Remembered in Prayers of Hundreds of Chicago's Needy

By Harry Gerardin

Here's a young lad out at the Ephpheta School for the Deaf named Francis Celmar who knows how best to convey his appreciation for the Christmas Cheer visit. Addressing the Knights of Columbus, he says: "We wish to thank you for the beautiful gifts and for the nice party which the pupils enjoyed. You are very kind to help make us so happy every year.

"Santa looked fine. We were very much interested in the tricks of the magician. We enjoyed the movie and everything that made the party so very entertaining.

"We pray God to bless you and reward you. A Merry Christmas and a Happy New Year to all."

Another spokesman for the children at Ephpheta, Robert Kinderknecht, adds "Every year we see if we can do the tricks your magician does but most of them are too hard and puzzling." To these, and a third letter from Lorraine Musso, was added a communication from the superintendent who said, in part, "May God reward you for your continued kindness to our little deaf pupils. Santa Claus, Mr. Kennedy, deserves a special vote of thanks for his many years of playing the part in such a genial and wholehearted way. May he be with us for many more years." And from all the Teachers and Pupils of the same school came a beautiful Christmas Card on which was engrossed the following: "100 Masses Heard. 100 Holy Communions. 100 Rosaries. 100 Visits to the Blessed Sacrament."

Similar Letters from Others

There you have, in detail, evidence of the appreciation from both the youngsters and those upon whom they depend. Similar letters are on file from other institutions. Three were just received from Mother of Sorrows Institute in Blue Island, the St. Joseph's Home for the Aged on Ridgeway Avenue and the Sisters of St. Francis on Newberry Avenue.

In every case the communications are addressed inclusively to the Knights of Columbus. Their good wishes are to all of us. Their prayers include you and I regardless of whether one or the other of us has overlooked the appeal of the Christmas Cheer committee for his personal contribution—the only sure way in which a member can express his approval of this work.

Contributions Still Accepted

It isn't too late for that concrete evidence of your good will. True, the last of the parties was held on New Year's day out in Desplaines at the huge St. Mary's Training School—and what a party it was! But that is by far not the end of the job for committeemen and your donation now is as welcome as if it had come in earlier—although, maybe you ought to

and arrangements have been made to start the meeting promptly at 8:30 P. M. Financial Secretaries should notify all waiting candidates to report at the hall not later than 8:15 P. M. They should accompany the candidates and submit a list of their candidates in duplicate to the Financial Secretary in charge.

All council officers should endeavor to be present to welcome their new full-fledged members and show them that they are interested in their membership.

fine yourself a little extra for being tardy.

Genoa to Start New Year with Meeting Next Monday Night

1-3 Mon. . . . . 7439 Cottage Grove Ave.

The next meeting of Genoa Council will be held at the headquarters on Monday evening, Jan. 6, and will be the first meeting for the new year.

Now is the proper time to start attending meetings if you have been derelict in this duty before. Every member should make an extra effort to be present and attend at least one meeting a month, if it is impossible to attend two. The officers of the council seek in every way to make every meeting interesting and attractive to all the members that are present.

Expense is incurred so that the best of programs and refreshments can be given those attending. Lecturer James Hynan and GK James F. Riley, Jr., spend many hours with the officers before each meeting planning and arranging to give the members the best that is in them. It is your duty to attend, and only by attending are you in a position to express your confidence and pleasure in the work of those responsible for the meeting.

DUES AND ASSESSMENTS

One more thought that we can bear in mind at this time is the question of paying our dues and assessments promptly so that we will not have our membship and insurance rights jeopardized. The dues and assessments are due on the first of each month and should be paid during the month they become due. The council has no right to carry its members, and therefore if the amounts are not paid when due, should the policy lapse for any reason, you have only yourself to blame.

Since your insurance policy is the only protection for your wife and family it behooves each and every one of us to see that it never lapses.

So with this thought in mind your scribe suggests that you attend to these two matters conscientiously, and closes by wishing you all a very happy and prosperous 1941.

DRUM CORPS WIN 3 TITLES

KETTELER LOOKS AHEAD TO BANNER YEAR IN '41

2-4 Mon. . . . . 3437 Ogden Ave.

Soon the holiday season will be over and we can then settle down to the normal routine of everyday life, including regular attendance at council meetings, helpful co-operation on the various committees, and in passing may we suggest a renewed vigor in obtaining those applications for members which we so sorely need. This last year, from some viewpoints has been a successful one, but we must not rest on our laurels. Make 1941 our banner year, one, at the closing of which, we can look upon with inestimable pride and joy. May we, in turn, your council and your officers, wish you an exceedingly Happy and Prosperous New Year.

MEMBERSHIP DRIVE

The drive for new members is still an active one. As we go into the new year it should, under the able leadership of Bro. Sam White, gather momentum. The next class, which shall be the Father Derwinski class, should be by far one of the biggest we have had in many a year. In so doing we honor the one man deserving of honor, our beloved chaplain, who in the discharge of his duties has given unstintingly of his time and labor. A word to the wise is sufficient, so go out and get that prospective candidate signed up.

CHRISTMAS CHEER

While the spirit of Christmas has reached its climax and is more or less receding we must not lose sight of the fact that a good many of our members have not as yet come across with that two-bit piece that goes to make a real Christmas for the unfortunates who depend on us.

CONDOLENCES

Word has reached us that the mother of our Bro. Frank Zak, a member of the council bowling league, has been called to her eternal reward. Our deepest sympathies are extended to Bro. Zak, and our prayers shall be offered for the repose of her soul.

BOWLING NEWS

The council bowling league has entered twelve teams in the Illinois Knights of Columbus bowling tournament. Our teams will bowl at the C. Y. O. alleys on December, the 26th, at 2:00 o'clock. On the following Sunday at 1:00 o'clock those of our members who are entered will bowl their singles and doubles.

It has been a rather strenuous week so a brief resume of last week's results will have to suffice.

The Ald. Sain Boosters won two games from the Art-Bilt Furniture team; Cobbsie's Open Door won three games from Stanek Press; Bona Drugs won two games from Fidelity Electric; Phil Nilles Federals won two games from Luczak Lawyers; Marshall Sq. Ballroom won two games from Fidelity Electric; Phil Nilles Boosters won two games from J. J. Jezierny Boosters; Tomera Range Oil won three games from Fruzyna Boosters; Bukowinski Boosters won three games from Judge Drucker's team and setting a new high three-game series of 2733.

The dollar winners were: Stanley Kasperski with 220; Dr. Krupa with 222; Jozwik with 204; Leo Bona with 219; John Smuda with 224; John Kosmach with 220; Harold Nowakowski with 229; and Matt Foltyn with 211.

Brownson's Santa Led Young Merrymakers in Gala Christmas Party

2-4 Fri. . . . . 4754 N. Western Ave.

Santa Claus sure kept his promise to Lecturer Wm. O'Neill last Sunday afternoon by returning with his large bag of gifts and candy to be present at Brownson's annual children's party. Close to one hundred and sixty children and grandchildren of our members, together with a like number of mothers and fathers, were present to enjoy the program arranged by Lecturer O'Neill and his committee consisting of GK Tom Casey, PGK Frank Kohler, Chancellor Frank Papke, Trustee Lawrence Ray, Tim Doody and Jack Dvoratchek.

Besides the motion pictures the following children either sang, spoke a piece or played the piano: Barbara Herdegen, Lucille Papke, Pat Sieben, Julia Spelman, Ronald Ray, Bob Frogke, Joan Sinke, Mickey Sieben and Charles Herckflick. Santa promised to return again next year, so, fathers, don't forget next year's smoker.

CHRISTMAS CHEER

This will be the last time we will mention Christmas cheer this year, so if your activities of the past few weeks have made you forget to send your contribution to the Chicago Chapter Christmas Cheer fund, do so NOW, as it is not too late. We were proud to see that PGK Tom Rudd was among the few to send in his contribution even before the annual appeal letter was sent out.

At our first meeting in January, Supreme Agent Evans will be present to tell us about the new insurance features. This should be of interest to everyone and a large attendance is expected. The second meeting in January will be fathers and sons night. Lecturer O'Neill will have motion pictures of the pro-football teams together with a number of the members of the Bears team. Don't miss this meeting.

As we go to press we just heard of the death of Past Trustee George Kasper, who died Monday, Dec. 30, and will be buried Thursday, Jan. 2. To his family we offer our deepest sympathy. May his soul rest in peace.

Gen. Sherman Council Extends Sympathy on Death of Mrs. Sullivan

1-3 Tues. . . . . 4300 W. North

It is with extreme regret that we announce the death of Mrs. Katherine Sullivan, mother of Mrs. Wm. J. Connell, Jr., wife of our Past G. K. and Past Trustee Wm. J. Connell, Jr., which occurred on Dec. 22. Burial on Dec. 24.

Your G. K., on behalf of the council, extends sympathies to Mrs. Connell and her family. May her soul rest in peace.

BOWLING NEWS BY BERNIE

'Twas the night after Christmas
And only two bowlers were amiss,
Bill Hall and George Selsky,
No doubt too much turkey.

Our foul man is complaining because Bob Shawfrank is fouling too much. Bob is complaining, too; he says he is at least a foot away from the line. He must be thinking of his nose, but those size 14 gunboats of his are worth watching.

Bill Free still says a prayer after every ball he throws. Bill Hanrahan gets stuck once or twice every Thursday and to get unstuck it costs him four bits.

Veysey, while shaving with his new Christmas electric razor, cut his nose so his wife had to finish the job. Ray Groh needs two alleys to bowl on at one time. Johnny Ruh is bowling regular with Cirone Barbers.

Twenty men will bowl in the state tournament and are willing to pay their entry fee and cost of bowling. That's the spirit, men, let's give our council a break. There will be at least four teams leaving Saturday, April 27th, for the national meet. You cannot bring your missus, not even your sister to Indianapolis.

There is still time to fill out that Fourth Degree application and be happy ever after.

We have a team bowling in the West Side Major League that every once in a while wins a game. Every one of the fifty bowlers was accounted for when the Christmas cheer envelopes were collected.

Our bowlers' party will be held Saturday evening, January 26th, at Romano's hall.

Boyda Dairy is in first place by three games. Roche-Ellgass Undertakers lost two games last week and after a strong comeback won the third game by one pin.

Jan. 7th is our first meeting of the year. Start out right by being on hand.

DE SOTO TO SPONSOR THIRD DEGREE JAN. 10

2-4 Fri. . . . . Clark and Belmont

First in the order of important business for De Soto in commencing its activities for the year 1941 will be the exemplification of the third degree on Friday evening, Jan. 10.

This event will necessarily involve the attendance of a large number of knights at our council chambers on next Friday, and to aid and assist in the conduct of a successful initiation your grand knight, Gene Scanlan, requests that every active member of De Soto be present. A very short business meeting will commence at 8:15 with the degree team going into action about 8:45 so that an early completion of the exemplification will be assured.

CHRISTMAS PARTY

Despite the fact that we are embarking on a new year which we know will encompass numerous programs replete with fun, we should be somewhat neglectful of our duty if we failed to mention the members' and children's Christmas parties. Lovely gifts were distributed at both parties, Santa doing an exceptionally splendid job at the children's party notwithstanding the many delays on his journey to treat De Soto's kiddies, who, in the interim, were pleasantly entertained by the versatile and capable one-man novelty show, "Punch and Judy" Paider. Both parties enjoyed a packed house with a spirit of fun, gaiety and mirth prevailing. Our sincere congratulations to Joe Cella and his lecturer's committee for doing such a swell job at both these parties.

LADIES' NIGHT

Well, gals, some time ago your lecturer and his committee, as well as the officers of De Soto Council, made a fervent appeal through this column for your support of De Soto's dance and card party, and your response was 100 per cent cooperation, which, incidentally, turned the trick. De Soto, however, is not an organization of mere words; like the elephant, it never forgets, and as concrete evidence of its gratitude De Soto will conduct a ladies' night on Friday evening, Jan. 24, at Belmont Hall, where all you mothers, wives, sisters, etc., can bust out for a great time.

Our lecturer, Joe Cella, has a very attractive program in the process of fermentation (this comes right from Joe personally, and we've got it in writing as he wrote last week's column—for reasons which will be later explained), and it will be ready for production at this gala event. Cards will be among the many features on the program which will also include table prizes, refreshments and dancing, not to mention many other attractions.

BOWLERS' PARTY

Just a few words to mention that on Tuesday, Dec. 16, the last night of the '40 sessions of the bowling league, John Jenkins, genial proprietor of the Lakeview Recreation Alleys, was host to De Soto's 200 bowlers. All the gang and spouses turned out to a splendid party of entertainment and dancing.

Is it the draft, or the weather, or what? Seems all the boys are getting scuttled. No details about the following, but we understand Don Cloth, our outside guard, got himself hitched recently, and that during the past week Gene Plunkett took the plunge, and now we hear that Kevin O'Shaughnessy, that "dyed-in-the-wool" bach, is on the ropes. Would like to get some info on these from you "guys in the know."

We regretfully announce the passing of one of our active members, Bro. Charlie Graff, who died on Sunday, Dec. 29. On Monday evening the members of De Soto met at Smith & Maginot funeral home to pay their final respects and offer a prayer for his departed soul. He was buried from St. Mathias Church on Thursday, Jan. 2. We extend to his bereaved family our sincere sympathies.

We were just informed of the death of Bro. Joseph Konen, who passed away a few weeks ago. Some years ago Bro. Konen was a very active member of De Soto, but in his later years he retired gracefully to his home in Glenview, Ill., after having spent some 35 years as an employe of the Chicago Rapid Transit Co. in the same department with Johnny Schageman. Our deepest regrets are extended to the members of Bro. Konen's family.

Understand there is still time to make your contribution to the Christmas Cheer fund despite the fact that the season is just about shot. You can send your contribution to Bro. Herman Stark, chairman, at 5805 N. Washtenaw Ave.

Your scribbler had his share of Christmas cheer during the past week, for kind Providence ordained that Charles Francis, Jr., would poke his rather sour and squawking appearance on the scene just a day before Christmas. Am I happy! Well, I've bought everybody and his mrother a drink—not missing any myself. And is he a handsome guy—just like the old man? Oh, he's got a little more hair, maybe, and he looks like a ball player too—7 lbs. 8 oz. Ma McCarter doing peachy.

BARRY'S SCRIBE HAS ONE OF 'THOSE' WEEKS

1-3 Tues. . . . . 2856 Washington Blvd.

This is one of those weeks when the scribe is in a quandary as to what to tell the readers. Of course, maybe that is what the column needs. Mental gymnastics of the old vocabulary lend variety to an otherwise "one-track" state. If there was a change of scenery such as sports writers enjoy there would be little chance of stagnation.

Let us say we were journeying westward on one of the crack streamliners accompanying a brace of athletic members to a spring training baseball camp. Then we could say: "Well, we're one day out of Chicago and all the athletes are engaged in card-playing, scenery gazing and searching for a fourth in a bull session. Bro. Mike Cunningham is walking through the cars giving vent to his having been traded to the "Whirlwinds" when he could have been pitching for the pennant-winning "Mugwumps."

Trainer George Bamber is extolling the merits of his new concoction for removing wrinkles from the faces of the players who roam the garden without sun glasses. Ed Morgan, second baseman supreme, is engaged in pasteboard pitching with Ed Burris, the rookie outfielder; Bill Radke, third base coach; Dan Hernon, bullpen catcher, and Maurice Flynn, traveling secretary. Joe Korty, the fifty-thousand-dollar beauty, is puffing away on a long black cigar, his feet on the seat next to where sits Right Fielder Jim O'Neill. Jim is talking shop with Phil Cullen, the clubhouse boy. In the smoker we find nappers, Bill Cantwell, "Jiggs" Donohue, Al Tierney, Matt Regan, "Terry" Boland, Bernie Cunningham, Arch McGowan and Jack Goggin (pretty crowded smoker!) dreaming of the sun-kissed shores of the Pacific. The two mountain-goat hunters, Mark Melancon and Dan Keating, are cleaning their muskets with nary a thought about shortstop and first base positions. The musical entertainment is provided by Bill Dunn and his squeeze box and Big Bill Murray and his zither. Murray is the prize rookie pitcher of last season and Dunn is the center gardener who was beaned last year but is being maintained for another try before he is farmed to the Wilmot Black Shirts.

Owner Andy Greeley is huddled in a corner memorizing averages and figuring out how to fire Manager John Chase and sign Vice-President Charlie Urbain as the next pilot. Frank Owens and Deac Ross are the traveling scribes and are beating out stories for their dailies. Out in the observation we find John Tamburrino, utility infielder; Dan Martin, third baseman; Tom Geegan, catcher, and Joe Farmar, farm manager. All are recalling how many trips they have made to the training camp. The scouts, and good ones at that, are Joe Gorskey, Andy Try, Joe Dunne and Lou Rosenmayer. "Doc" Monahan could not make the trip owing to his arranging for the opener in Chicago in April.

Now to you this may be all drivel but it is a change and gives us a chance to garner some more stuff for the next issue. So now let us turn this column over to Frank Owens and his—

BARRY BOWLING LEAGUE

Christmas played havoc with lots of the teams as many of them had to shoot with one or two men missing. Four of the teams made a clean sweep of their series and that is something. Cunningham Insurance won two from T.W.A. Air Lines but not until that clever southpaw, Sponsor Mique Cunningham, had a recount on the first game that they thought had been lost.

The T.W.A. are very fortunate in having such a wizard on love affairs as Jim Thompson. The big 134 man has been giving advice to the lovelorn, which was published in a local newspaper last week. Girls, if you need any help along this line come up any Thursday night at 9 o'clock and look for the T.W.A. Airliners, and maybe Jim can solve your problem.

Szafran had high game for the Cunninghams with 194 score and Tom (Butch) Geegan had high for T.W.A. with 201. Midwest Auto Service made a clean sweep of its series with Little Jack's Restaurant, with Bill Dunn getting high score with 210. Bill Murray had the high score for Little Jack's with 173. Senator Keanes made a clean sweep of their series with Sheehan Chilis as the latter were too tired to stoop over to pick up their spares. However, Larry Westphal had high game for Sheehans with 185 and Dr. Cella had high game for Keanes with 226.

Pat Crowley's Kedzie Coals won two from American Air Lines with Tom Ferrarini, the South Water Street Market champion, getting high game for Kedzies with 207. Frank Owens had high game for Air Lines with 201 score. United Air Lines made a clean sweep of their series with Ahern Morticians with the sky pilot, Ollie Kilineman, getting high game with 190 and Don Fornero getting high game for Aherns with a 203 score.

Smith Funeral Home made a clean sweep of their series with Recorder Kaindl, as both teams had to shoot with some of the boys missing. Leo Capuani had high game for Smiths with 203 and Joe Korty had high game for Kaindls with a 206 score. Faucher Brothers won two from De Mares Coals with Ed Faucher and his "dipsy doo" ball getting high score for Fauchers with 205. Captain Joe Crowley, the southpaw anchor man, had high game for De Mares Coals with 180.

John Tamburrino announces that the Barry squad will bowl on Sunday, Jan. 19, in the state K. of C. bowling tournament, which is being held at C.Y.O. alleys, Congress St. and Wabash Ave., and the time will be announced in the next issue along with time for doubles and singles.

We have a scoop for the boys. A large business house on Madison St. is going to give a pair of bowling shoes for the highest game shot in a certain month, and the month to be eligible for this grand prize will be announced later.

Santa Maria Requests Full Cooperation for Its Membership Drive

2nd and 4th Thurs., 9120 Commercial

With 1941 now with us, Santa Maria Council is planning a very big year. Foremost of the plans is, of course, the membership drive which will culminate in the initiation into the first and second degrees of the candidates some time in March. The class, now being organized, will be called the Father Terlecke class, in honor of our beloved chaplain.

P. G. K. James Brown, who is chairman of the membership drive, together with D. G. K. Joseph Komar, are bending every effort to get together a large-sized class. They are depending on the wholehearted co-operation af all the members and ask all to turn in names of even the most least likely candidate for membership. Then they and their committee will go out and see the persons concerned and present reasons for joining our order.

FOURTH DEGREE

Applications into the 1941 class for induction into the fourth degree, the highest in our order, are now being accepted. Every third degree member in our council ought to give serious consideration to the matter. Each year that we, ourselves, go to the fourth degree exemplification, we find being a member of La Salle Assembly more worthwhile. We wish we could convince each and everyone of you so much that you, too, would want to join. This year's exemplification and banquet will take place as usual at the Palmer House on Sunday afternoon and evening of Feb. 23.

NOTES

Just before writing this column, we received word that P. G. K. James Connors is dangerously ill at the Jackson Park Hospital. We hope that by the time this reaches you, Bro. Connors will be much better.

Bro. Patrick Crotty, Jr., has been appointed a captain of the police force. Bro. Crotty ought to find time to attend one of our meetings.

Don't forget Christmas Cheer. Chairman Joe Gerlecke is keeping his lists open until the last possible moment to give everyone a chance to make a donation. Don't be forgetful and spoil the chance of making some one else happy.

This column completes the tenth year of our scribing for Santa Maria.

St. Paul Looks to New Year for New Council Progress

1-3 Tues.....6713 Olmsted Ave.

Now that the holidays are over, we can get back to our respective tasks of sawing wood and getting done with our jobs. Some of the holdovers from last year, like Jerry O'Donohue, feel that we are entering the home stretch and are eagerly awaiting the time when we can write "finis" to the episode.

In the "Wake of the News" parlance, when I was a kid I thought it strange that graduating exercises were labelled COMMENCEMENT exercises. However, after graduating a couple of times since then, I've come to realize that on leaving one position or room you cross over the threshold into another and it is then you find out that the true meaning of COMMENCEMENT is not graduating but, on the contrary, it's only the BEGINNING. So it will probably be with most of you with expectations.

Not intending to disillusion you or anything like that, we say "lean to on your oars"; when you get out of the river you'll enter the bay and if you pull hard and long enough you'll get into the ocean —where all the really big fish are. What you really want is a change of scenery; you don't want to stop the ship so you can get off. The scenery will change as you go along or at least you will view it from a different angle. We express these sentiments because we see young kid 1941 pacing back and forth behind the scene anxiously waiting for his turn to come on the stage to do his stuff and think maybe he would be an inspiration for you to show what you can do for your council this year.

XMAS PARTY WORKERS

We now have the names of the members who made the Xmas party the success it was. Here they are: Ray Gleason, Joe McDowell, Jack Pufont, Rudy Hoffman, Steve Wren, Gordon King, Ed Simon, Walter Holl, Harold Roeser, Joe Guenther and Floyd Wren ably assisted by the following: Winifred Pufont, Mrs. H. Roeser, Mrs. Steve Wren and Mrs. E. J. Sass and, of course, d. g. k. Gene Sass himself.

BOWLING RESULTS

William Brunkhorst supplied us with the following information regarding the council keglers:

High series—F. Mount, 267—591 (honorable mention).

The boys certainly enjoyed the "steermeat" sandwiches and liquid refreshments served by the proprietor of the alleys, Bill Schneider.

Bro. Joe McDowell, chairman of the council keglers, sincerely hopes to have a good attendance at the bowling exhibition to take place at Schneider's alleys (where the council teams bowl) on the night of Jan. 16, 8:30 o'clock. Ladies are invited, so it should be an easy matter to have the alleys filled to capacity. The visiting team will consist of an aggregation of star bowlers in the persons of Rudy Boedecker, Herb Lange, Matt Faetz, Jr., Leo Faetz, Leroy Zender and Marvin Erickson, manager. If you want to see classic bowling and get a few pointers for yourself, be sure to be on deck.

WE HEAR THAT—

Wally Holl held "open house" Christmas Day and is planning to duplicate on New Year's Day. To say that Wally does a superior job as host is putting it mildly—too, too mildly . . . Gene Sass and family are contemplating spending a vacation in Florida soon . . . No doubt, they will visit with Bro. Thomas Fetter who, we are informed, is leading the "life of Riley" down there . . . G. K. Harold Roeser had a birthday on the 28th; in slew-foot fashion, we say, Happy Birthday, Harold . . . The G. K. is anticipating your appearance at the Jan. 7 meeting and requests that you do not disappoint him . . . Jerry O'Donohue promises to surprise you with a "hot-toddy" named after himself and a guy by the name of Tom . . . Hope you haven't broken your New Year's resolutions already.

Oak Park Ends Year in Communion Service for Departed Members

2-4 Mon.....641 S. Scoville, Oak Park

The last Sunday of the waning year was gladdened by the sight of many of the council members as they approached the Holy Table at Ascension church for their regular Communion reception. A seriousness of purpose was evident in this group, for this was the Sunday on which we offered our Communion for the departed members. Among those present there were none who had not been hit either through family or through friend by the spectre of death. They were doing one thing that they knew would help the soul that had passed on.

Following the Communion the members assembled at the clubhouse where a splendid breakfast was served. Our thanks to Mrs. O'Neill and Mrs. Nokes for their valuable assistance in putting on this breakfast. Following the breakfast there was bowling and pool (?).

BRIGHT FUTURE

The year of 1941 should be a banner year for our council. Thirty years ago a small body of men filled with purpose formed the Oak Park Council, piloted it through the numerous perils of infancy and today we have a going organization and our own home. Some of these men are still with us, many have passed to their eternal reward. Those who have passed on we will continue to remember in our prayers, but to those yet with us we should give a more tangible evidence of our eternal appreciation for their efforts.

The thirtieth anniversary celebration will soon be staged and at that time the founders will assume their rightful places of honor and receive the plaudits due them. This wonderful opportunity to show appreciation requires you to help. Let each member of the council show his willingness; see the Grand Knight and he will assign you a part in the work. We need every member. Step right up for your job!

One of the old-time members of the council, Bro. Thomas Reidy, writes from California of the beauty and peace out there and sends his best regards to all of the members.

How many of the members would like to take the fourth degree this year? See any of the members of the 4's. Incidentally, how about a few new members for the council? How about that son, or the boy next door? We have more to offer him than you think. We have some excellent youth material, fellows who known what they need, and want, and how to get it. Let's get some more of the same. In the clubhouse, the busy bees, Koehler and Kallal, were humming around occupied with the business of the clubhouse. Jim Wade, Bob Carraher and Tom Doane, future pool experts. Charlie Lex got in on that, too. What caused the lost look on Joe Carney's face Sunday morning? Answer: he tried balancing the Sunday Morning League collections. Frank Ertel, John Gearen, Bill Gearen, Dinny Donovan and others aided helpfully.

SETTERS DINNER DANCE AT MIDWEST JAN. 18

2nd and 4th Thurs., 4715 W. Madison St.

For the happiest, gayest and most joyous evening in your lives, all members and friends of Father Setters Council are cordially invited to attend the annual mid-winter dance to be presented Saturday evening, Jan. 18, at the Midwest Athletic Club, Madison street and Hamlin avenue.

Festivities will open shortly after 8:30 with a bounteous seven course turkey dinner which will include all the delectable viands your princely appetites can surmount. Indeed, we have the personal guarantee of the boss chef of the club that the turkey will be done to a delightful turn, the 'taters served at just that moment when their crisp, tantalizing flakiness will best appeal to your palate, and the cranberry sauce will add the precisely correct amount of tangy zest to the banquet. The numerous entrees will be up to the general excellence of the dinner which you are certain to pronounce a masterpiece of the culinary art.

To help you digest this epicurean indulgence and to help you shake down the prodigious quantities of fodder you'll have by that time packed away, there'll be some lively dancing to the tunes of Augie Schaid's band. Then a brilliant floor show will be presented and we're sure you'll be immensely pleased with the special entertainment numbers included therein. More dancing will follow and during the whole evening those hilarious impromptu shennanigans which are bound to pop up amid such a congenial crowd will add to the evening's fun.

There is one very important matter in connection with the party which requires your prompt attention. Naturally, the committee in charge wants to make arrangements for the best accommodations for all members and guests and hence must know how many to expect. Therefore it is earnestly requested that you place your reservations immediately with Grand Knight Maurice J. Kissane, 4417 Gladys avenue (phone Columbus 6623) or Lecturer J. Edmund Dwyer, 1537 N. Leamington avenue (phone Merrimac 8085). Incidentally, reservations are two dollars per person.

DADS' AND LADS' NIGHT

Eight star boxing bouts will feature the program on Fathers' and Sons' Night, to be presented on Thursday evening, Jan. 30, at the Madison Athletic Club, 4711 Madison street. Through the efforts of the Grand Knight, some of the best and most popular fighters of the C. Y. O. Stable will appear and members and guests present are certain to see some vigorous fisticuffs before the final gong. In addition, there will be other celebrities of the athletic world and several novel entertainment features, as well as a number of door prizes for the youthful guests.

Council members are invited to attend and bring with them their sons, grandsons, nephews and other young friends.

NEWS

Bro. Edward S. Rye is now residing at 1119 N. McCadden place, Hollywood, Calif. Business affairs toook Ed to the west coast some time ago and this accounts for his recent absence from council meetings. In addition to being one of the handsomest men in the organization (we don't know whether or not this accounts for his presence in Hollywood), he is one of our most active and popular Settersites. His multitude of friends join in wishing him the best of good fortune.

Members of Father Setters Council are invited to attend the testimonial celebration in honor of Marty Hough, to be held Jan. 25 at Queen of Angels' Hall, Montrose and Western avenues.

Winners of the turkeys at the meeting of Dec. 23 were Jerry Nelligan, Steve A. Sparr, Bill Hoffman, Bill Blondin, John J. Mulligan, Michael Solon, Joe Curin, Nick Rosenau, Frank J. Schima, John Bodinsky, Joseph W. Grady, Ernest Rye, Maurice J. Kissane, Joe Wuensch, F. J. Heller, Austin E. Ryan, Andrew Muzik, Thomas F. Lavin, Thomas F. Moore, Emil Fik, Mel Burge, J. B. Noonan, Dennis S. O'Regan, A. W. Risavy and James Macken.

Honored and welcome guests at the meeting were Joseph A. McMahon, master of the fourth degree; Past Grand Knight Nolan of Father O'Connor Council; District Deputy Michael Garrity, and Field Agent F. L. Murray, representative of the Supreme Office and member of Carroll Council.

O'Connell's Meeting Attendance at Head of Activity for New Year

2-4 Tues. . . . . Hill and Franklin

Now that 1941 has thoroughly been introduced to this old planet of ours, the smoke and excitement of New Year's Eve, and all the headaches and hangovers of that hectic evening are over for another approximately 365 days. Let us turn our attention once more to the affairs of the Council. There are many things to be done this year, and you are a vital part of all the plans and affairs of the Council. Make it your duty as a Catholic gentleman and a good Council member, to attend faithfully, every Council meeting. The time 8:15 p. m. every 2nd and 4th Tuesday of the month. The place, St. Joseph's Hall, 1100 N. Franklin St.. Our 1941 meetings will begin with the next one, on Tuesday Eve., Jan. 14th, and remember they start promptly at 8:15 whether there's 15 men or 150 present.

It's to your advantage to attend, first of all because your Lecturer is making it quite worth while, as you may have noticed in the past few issues, there were published the names of several winners of prizes, the prizes are usually nice, one evening we had Turkeys, another four lovely tobacco stands, and many other fine gifts. No we don't sell tickets. All those present write their names on a slip of paper and deposit it in a box, from which are drawn the lucky winners. We never know what we miss by staying away, so let's not stay away.

We missed the quota for our "Blood Donors" group, but let's not quit now, let's try to get those 50 member as soon as possible. Bro. Nathan, your group chairman, will appreciate it very much, incidentally we have no 3 type in our group, so why not join up now, there's no charge or cost involved and think of all the good you can do.

All you members who are sponsoring candidates had better get in touch first with your financial secretary and then with your candidate, so that they may take their degrees as soon as possible. For your information there will be a Third Degree class January 10th at Belmont hall, Clark and Belmont Ave.; then on Feb. 11th, at 64 E. Lake St., Chicago Council will sponsor a First and Second degree. Get busy now so we can get all our candidates through as soon as possible.

For your information the Council chambers have been recently, thoroughly redecorated, and from what I overheard, the brothers are mighty well pleased with the new surroundings.

With the exception of a couple of cases of the flu there are no further serious illness, brought to the attention of the scribe.

Oh! By the way, you all read the letter to Santa Claus in last week's issue. I hope you all got what you ordered. All the way around I think old Chris Kringle did himself up mighty proud, and we herewith extend our hearty thanks to kind, generous Bro. S. Claus.

And now with this request that you add a prayer for the return of peace to the troubled countries of the world. I bid you adios until next week.

CHAS. CARROLL HOST TO WEST DIVISION NO. 2

January 7th . . . . 6 N. Hamlin Ave.

Charles Carroll Council will be the host for the initiation of the First and Second Degree of our Order for the seven councils of the West Division Number 2 on Tuesday evening, January 7, at headquarters in the Midwest Athletic club, 6 N. Hamlin Ave.

Sponsors and the respective candidates are urged to be present promptly at 8:15 p. m. so that the degree work may begin as soon as possible. As evidenced in past initiations, Carroll Council has made it a habit to begin on time and to complete the teachings of the degrees with the least amount of interruption and delay. In view of the fact that six other councils besides Carroll will be represented with their candidates, we ask that every possible assistance be afforded that the degree work may be a sample of Carroll's traditional high standard and achievement, which has been a recognized fact in Knights of Columbus circles throughout Cook County.

TAKE INVENTORY, MEMBERS

Now that we have completed another year, which no doubt you will agree has been one of the most active and progressive in the history of Carroll Council, let us ponder awhile over the "balance sheet" and put our acts during the past year in a "trial balance." What would you have in the asset column and what would you have in the liability column? Perhaps a larger number of the members would have more liability than asset. Now then, begin a new set of books for the year of 1941 and see of you can correct a few of those mistakes which caused you so much disappointment, by attending and enjoying a good time together at the regular semi-monthly meetings and social affairs sponsored by Carroll council during the coming year. You have a great council with a "regular" staff of officers to lead it, why not take advantage of the privileges extended you? Build up your morale and good-will by taking an active part in the "machinery" of your council.

OUR PATRON

The Knights of Columbus pay honor to Christopher Columbus for his unselfishness and his sincere love for his brother man. It was purely because of these fine spiritual qualities, so strongly concentrated in the character of the Great Discoverer and so dramatically expressed in his life and achievements, that he was chosen as the patron of our Order. As Knights of Columbus, we endeavor by imitation of our patron's virtues to prove our right to bear his name.

Auburn Park Appoints D. G. K. J. Coughlin as Membership Chairman

2d and 4th Thurs., 7740 S. Emerald Ave.

We announced in recent issues of The Columbian that our present chairman of the membership committee, Bro. John H. Clausen, would relinquish the duties of this office on Jan. 1, due to his many duties as finacial secretary of the council, Our Grand Knight, Harry J. Cox, has appointed Deputy Grand Knight Bro. John Coughlin as chairman of the membership committee during the remainder of the ensuing year.

Brothers, this is one of the most important committees in any organization and requires a lot of effort, and without co-operation on the part of the entire membership it is impossible to function with any success. Bro. Coughlin is selecting a number of the active members to serve with him on this committee and will call a special meeting of the committee shortly after the first of the year. If you should be selected, please respond in an effort to accomplish the membership quota assigned to us for the year.

There is a special incentive under this new plan of insurance inaugurated by the Supreme Office in New Haven. For every insurance application you turn into the council, you will receive a $3 check from New Haven ninety days thereafter. Here's an opportunity to assist you in that budget. Should you be successful in securing three of these a year, that would pay your council dues for the entire year.

Bro. John Clausen has obtained a list of approximately two hundred prospective members, and it is expected that within the next sixty days this entire list will be contacted, with a personal visit of the committee, and with this possibility there should be no difficulty in securing the annual quota.

NEXT MEETING JAN. 9

The last regular meeting which was scheduled for Dec. 26 was postponed, so the next regular meeting will be held on Thursday evening, Jan. 9 at the clubhouse, 7740 Emerald avenue. It will start promptly at 8:30 p. m.. There is considerable business to be taken care of at this meeting, so come up early and in large numbers. Take an interest in what your council officers are doing for Auburn Park. They have really made some great accomplishments.

SEASON'S GREETINGS

Our good friend, Comrade Commander Dave McCarthy of O'Donnell Eddy Post of the American Legion, sends his greetings and best wishes for the new year to the entire membership of Auburn Park Council. He also states his organization is outlining a plan whereby closer contact may be had between the two organizations.

LATE FLASH NEWS

At our recent Christmas party some of the scouts reported that within the last month a baby boy arrived at the home of Bro. John Bartusch, and on Armistice Day Bro. John Manning's family was increased by two, as a twin boy and girl arrived to celebrate that memorable occasion. Congratulations to both brothers.

REINSTATED MEMBERS

Bro. John Clausen reported at one of the recent officers' meetings that he has secured reinstatements from a number of former members of the council. They are Bros: George A. Caley, Michael W. Conway, Samuel Falbo, Francis Renehan, Jr., and Walter Wallace. We extend our greetings to these brothers and are very pleased to have them back.

John also reports that after the first of the year he has a promise from the following former brothers to come back into the council: Harold B. Blumm, Raymond Blummer (one of the old basketball team), Edward Delaney, John J. Heelan, Frank J. Loftus, Dr. Markiewicz, Martin Morley (another basketball player), William J. Oliver, Francis O'Neil and John T. Rush. We hope these brothers sign that reinstatement application and again become active members of our council. Our financial secretary has done a marvelous job in contacting these lapsation members. Keep up the good work, Bro. Clausen, you will be setting an enviable record and one that we will be proud of.

St. James to Convene in New Quarters Next Meeting; Hayes Hotel

2-4 Mon. . . . . 64th and Woodlawn

Beginning with our first meeting of the new year, we will change our headquarters to the beautiful and spacious Hayes Hotel, at 64th and Woodlawn. At our last meeting it was voted upon unanimously to change our meeting location. So remember to be present Monday evening, Jan. 13th, at 8 o'clock.

Several treats are already lined up for the coming year. At our second January meeting "Tobacco Road," a very excellent, entertaining movie will be shown. Also a house-warming and grand opening of our meeting place will be celebrated. Then in February, the Fourth Degree Club will schedule its next cabaret dance in honor of St. James.

You can still turn in your Fourth Degree applications for the next two meetings. Bro. J. Greene gave a very instructive talk on the Fourth Degree, so get your applications in now. Christmas Cheer contributions will still be accepted at the next meeting.

Bro. Tom Groark has started the ball rolling for the new year by bringing in a new member, John Patrick Spain, for admittance to the council. More coming, says Bro. Tom.

Last meeting we were very happy to welcome Bro. Joe McGreal, who has been re-elected president of the softball league again. Joe made a fine talk on softball.

The annual exemplification will be held Sunday, Feb. 23rd, at the Palmer House. Bro. Mike Connolly is among the first to be on the list to take this high honor.

HUGHES TO SPONSOR DEGREES ON JAN. 21

1-3 Tues.....4711 W. Madison St.

Hughes Council will put on an exemplification of the first and second degrees at the meeting on Tuesday, Jan. 21. This is part of the program for the West Division Group in the current membership campaign. G. K. Louis Postilion, D.D.S., and John F. Korbel, chairman of the Membership Committee, are particularly eager that Hughes play an important role in the group activities and desire that the January 21 exemplification be one of the best and largest of the present season.

Get your membership prospects on the line; hand the applications to Fin. Sec. Daniel L. Harper or any member of the Membership Committee; have the candidate ready to have the first and second degrees conferred on him at the second meeting in January, Tuesday, the 21st. The other West Side Councils, making up the divisional group, are invited to and will have their candidates ready for the initiation ceremonies.

COUNCIL NEWS

The ladies are still talking about that "Produce the articles from your purse for $1 game put on by Lecturer Joe Ryan and Georgie Daly, Jr., at the "Ladies' Night" meeting on December 17. The first person of feminine gender to produce the article named received a dollar, and it was fun when two or more sprinted to the paymaster to be the first under the wire with the object mentioned. Mrs. H. Haney got a dollar for an Indianhead penny; Myrtle Zachata for carrying her Social Security card; Mrs. Arthur Carroll for a diary (no hot stuff, eh, Ruth?), and Mrs. Ed Gorman for a "love letter," which turned out to be an affectionate birthday greeting message from "Midge." Mrs. Gorman, by the way, later privately gave the dollar to Chancellor James A. Ryan as a contribution to the K. of C. Christmas Cheer Fund. Incidently, just a few shy of 100 pairs of ladies' Nylon hosiery were given out free to Hughes Council's feminine guests that night.

The first meeting of the new year will be held next Tuesday, January 6, in the Madison Athletic Club. Let's get off on the right foot by having a large attendance. What with a degree exemplification and the council dance coming up shortly, it's time for us all to keep busy.

Council dance Saturday, Feb. 15, in the main ballroom of the club, 4715 W. Madison St. Good music, entertainment, plenty of gay dance tunes, graceful waltz numbers, and the rhumba, conga or trucking fans will not be neglected either. Be sure you are represented in the ad program for the dance.

PGK Elmer J. O'Brien has been laid up with what an inexpert diagnosis might term the "gout." That comes of too much high living.

Sir Knight Charles Votava, chairman of the fourth degree for Hughes Council, is eager to have a representative group inducted into the patriotic degree next month. Any third degree member in good standing for two or more years is eligible to advancement. See Charlie at the next meeting.

CONDOLENCES

Regret to report that Stanley Hivon, father-in-law of Bro. Al Gilbert, ace bowler for the Ward Builder Golds, passed away Friday evening, Dec. 20. Members of the Ward squad viewed the remains. May his soul rest in peace.

COUNCIL LEAGUE SPONSOR

Bro. Erve Lauterbach

The Lauterbach Coal Co. team has been rated one of the strongest squads in the council bowling league for several seasons. Look over this formidable roster of pinmen: Bernie Dailey, John Reilly, Charles Reilly, Roy Bergeron, Tom Dailey and Erve Lauterbach. While the team has not captured any championship laurels, it is a powerhouse when right and at this time in the current race is only a couple games off the lead.

Lauterbach Coal Co. is located at 4830 W. 16th St. in Cicero, telephone Lawndale 3696. If you want the best in fuel and service you can get it from this reliable company. Incidentally, Erve Lauterbach himself anchors for the team bearing the name of the company, while his son is one of the stalwarts on the Toomey squad.

COUNCIL BOWLING

A week ago the McKeowns postponed their series with the Elmo Ward Builder "Golds," and some of the latter team shot merely for the practice. From the high scores chalked up by the Wards it appeared that it was the part of wisdom for the McKeowns to be elsewhere.

Douglas Coal Co. took two games from the leaders, Howell Restaurant, with all of the Douglas team on a pin-getting spree. Capt. Joe Postilion, Dr. Louis Postilion, GK; Chairman Nick Mulroe, Al Korbel and John Korbel all got plenty of timber, and Doc was the only kegler not stuck for a quarter. He was never the man in the hole! Jerry Traynor and John McDonald accounted for the Howells' single victory.

The Howell Restaurant team remained in possession of first because the Malone & Clancy and Votava Auto Fixers didn't win their series. In fact the rejuvenated Peter M. Kellys took all three from the rival morticians, Malone & Clancy, while the Lauterbachs took the odd game from the Votavas despite a brilliant 620 series by lead-off man John Bannon, PGK.

The Alderman Richard M. Walsh 36th Ward Boosters took the odd engagement from the Toomey Taverns, while the Elmo Ward Builder Blues provided a big upset by sweeping their series with the Flaherty Tavern. Joe Ryan, Bill Kane, Georgie Daly et al. on the Blues celebrated, but John Keefe, with something like 285, won the dollar from the Flahertys.

Ridge Nearing Quota as Preparations Are Made for Initiation

1-3 Tuesdays - - - - 8219 S. Halsted St.

Have you turned in your new prospects' applications yet? If not, do so next Tuesday, January 7th, so that your applicant can take his first and second degrees on January 21st, sponsored by your own Council. Let us all get busy on this degree as all we need for our quota is twelve new members to hang up the honor sign, and this we would like to do to show our appreciation for the hard work done by our officers and Membership Chairman, Justin McCarty, in the past year.

NEW YEAR'S RESOLUTION

If you are looking for a New Year's Resolution, here is one for you to adopt. ATTEND MEETINGS MORE FREQUENTLY. You get out of your Council just what you put into it. If you want successful and entertaining meetings, you must attend and help your officers to make them so, as they cannot run an affair or give entertainment without your help and cooperation.

Let us make up our minds to attend meetings more often and enjoy the benefits of the Council Chambers. There are numerous faces that have been missing lately; among them P.G.K. Kollman, L. McGlinn, Navin and Claffy, Brothers Sheridan, Hagedorn, Waddell, Boyce, Proctor, Casey, Fitzpatrick, Foote, N. A. Franzen and many others. Here's hoping to see you in the near future.

Brothers, let us not play slacker on that Xmas Cheer donation. There are still plenty of places to be taken care of with food, clothing and toys, and your donation will help bring joy and happiness to some less fortunate person. Those who have not made their donation, please send same direct to Chicago Chapter or Financial Secretary, Pete Oehman. This is an act of charity worthy of your consideration.

HEARD ABOUT TOWN

We are glad to hear that brother Matt Thometz is up and around after being ill for a week.

If you see two of the officers sporting new green hats, it was not a fire sale, it was just a coincidence. It occurred by paying back a debt of honor in patronizing the B & F Shop, with gift certificates received Christmas morning. At our last meeting I was wondering if Brother Ed Hyland was sporting a new wrist watch or if something else was bothering him. Myself and several other members wonder when the chairman of the Ladies Knight Club is going to announce the date of their next party.

A nice gesture on the part of Brother Fahey, Corbett, and Seivers, paying for a dance ticket, feeling as though they owed it to the Council to support the affairs it gives for their pleasure. We wish to thank these members for their faithful support. Brother Leo Marcoux gave the boys a lesson in pinochle at the last meeting. They want to know if those were your own cards, Leo? That Seibens is really tasty fluid as can be testified to by Brothers Mike Feyerer and Justin McCarty. A New Year's Resolution for outside guard, Bud Burke—give the boys a break and let them win a hand now and then, just so they will know that they are in the game too.

BOWLING

At long last K & B Tavern was dropped into second place by Sanderson Grocery, who hit them with all the canned goods on the shelves, while they were hitting plenty of wood themselves to win three games. Harry Hart Undertakers took first place by embalming Feyerer's Insurance for three games. Hopkins Service also lost three games to Standard Fuel and Fuel Oil and Joe's Standard Service took Thome Drugs for two games.

Leo Looks to '41 as Year of Much Council Activity

1-3 Fridays - - - - 820 W. Garfield Blvd.

"Ring out the Old, Ring in the New." The days of 1940 are now past memories while the days of good old '41 are afresh. Although we are unable to publicize your private resolutions, we want to impress upon you one and all the importance of the initial resolution of the officers of Leo XIII Council; namely that we exceed our quota for new members for this fiscal period.

The opening shot of our campaign will be fired at our first meeting of the year, tonight, Friday, January 3. Grand Knight Clarence P. Wagner will call the meeting to order promptly at 8:30 P. M. and will outline the plans arranged for this membership drive. Several of our Past Grand Knights will be present and will assist in our movement for increased candidates.

During the past several months the Supreme Council has comprised several plans of insurance which Financial Secretary P. Joseph McNamara will explain to the various members. To the members who will cooperate with the membership committee, we present a few pointers to guide them in procuring new applicants. During the month of January, a first, second and third degree will be exemplified at the clubhouse. The Third Degree will be held on Sunday, January 26.

Our basement quarters have been fitted out with Shuffle Board, Chinese Quoits, Table Tennis, Punching Bag, and a Golf Driving net for the convenience of our members. Our parlors and library have been refurnished and newly decorated providing one of the finest clubrooms in the city. We offer these suggestions to you to enable you to help in bringing into our organization more Catholic men who will prove worthy to our order. Don't forget to come along to the meeting tonight and get your applications.

R.I.P.

With our sincere sympathy we announce the deaths of Bro. Patrick J. Drummond and Bro. J. Frank Weyer who were visited by the Angel of Death on December 20. Both Brothers Drummond and Weyer who were members of Leo Council for over fifteen years were energetic workers in all our activities. We of Leo Council and their many friends will miss these dearly departed brothers. The officers and members of our organization extend to the grief stricken families and relatives their wholehearted condolence. May perpetual light shine upon them.

University Suggests Meeting Attendance for New Year's Vows

2nd and 4th Tues., Rogers Park Hotel

The editor's insistence on a Monday deadline this week leaves your correspondent destitute of any palpitating items of information concerning our brethren, particularly since he has resolved not to mention the name of an officer, a prominent member or a notorious member more than twice during 1941, and hence has to save these good old names for some really important occasion.

He cannot therefore tell about the G.K. sipping cocktails at his brother Lew's home on Saturday. Secretly, Tim does not enjoy such scenes of gayety, and attends only to try to recruit a few more lawyers and other wealthy men for University Council—we look for at least five gilt-edged applications next meeting. Nor can we refer so early in the year to another affair of the same sort out on Talman avenue the same evening because that would involve mentioning the names of host Judge McCormick and Phil Ryan and P.G.K. Quigley and George Lane. Here again, however, we may look on the genial judge's affair as an effort to recruit new blood for the council.

Seen Sunday at the first, we hope, of a series of housewarmings at the new Lane mansion on Glenlake avenue was Tom Hollywood and a number of good prospects for membership. The scribe unfortunately had to cut his visits short at these gatherings and was therefore unable to catalog all visiting members.

It is the desire of the officers that each absentee member resolve to attend at least one meeting a month during 1941. They promise to make the meetings brief, interesting and enjoyable and to give you sufficient entertainment to round off the evening. The next meeting is on Tuesday, Jan. 14. Look in this column next week for details.

St. Augustine Urges Council Attendance at Jan. 17th Retreat

1-3 Mon. . . . . 5209 S. Justine

AN OPEN LETTER

If you were to receive a personal letter, signed by all the officers of our Council, wouldn't you take the time to read it? Then please consider this column a personal letter to you.

As you have been told, St. Augustine Council will hold its annual Retreat on January 17th. Dr. F. N. Werner is the chairman and his committee include: P.G.K. Dr. F. G. Kuchler, O.C. Steve Sepcik, John Ossowski, John Horan, Thomas Clancy, Ray Callahan, Chas. Subr, Henry Rieger, and Michael Heinen Jr. Now these ten men are working overtime to get together the largest class ever to make a retreat from our Council. They are just plain "every day" members who have accepted a difficult assignment and are bent on making good.

By deciding to spend Sixty Golden Hours at Mayslake you will make possible for yourself that never to be forgotten feeling of spiritual enrichment and exhalted grace which only a retreat can give. The physical rest alone is worth all the effort you may expend in attending.

The entire personnel of St. Francis Retreat, Fr. Joseph Forst, O.F.M., Retreat Master; Fr. Oliver, O.F.M., Field Secy., and Father Leonard, Asst. Secy., together with the officers of St. Augustine Council, extend to you their cordial invitation to attend on January 17th. Why not phone Dr. F. N. Werner at Prospect 0230 or any member of his committee for details.

SNOWBALL PARTY

Have you made plans to be with us on January 25th? Time goes fast; don't wait until the last day. Get your party together now for the Snowball Party.

We have on good authority that there is something special on for next meeting, January 6th. Start the year right. Be with us.

Madonna Notes a Brisk Trade In YIA Memberships

2 Thurs.-4 Fri. . . . . 4522 Wallace St.

January is usually a dull month in business but in the financial department of the council it's been rather a busy one in recent years. Now is the time when the year-in-advance boys come to the fore, and we hope that January, 1941, will top 'em all. Ordinarily the y.i.a.c. business doesn't get under way till after New Year's, but three of Madonna's men have already signed up. Last week we listed Billy Webb, Bill Mulcahy and now we add Walter (Two Pants) O'Keefe. FS John Pollick has the statements in the mail now, so look in the mail box. Send in your statement with enough folding dough to cover your year's dues and assessments. Catch?

BECAUSE

of the hustle and bustle of the holiday period and, perhaps, a wee bit of Happy McCarthy's whipped cream frappes, the membership drive has been temporarily suspended. Now that things are beginning to be a little more natural, Chairman Marty Hoare makes the portentious announcement that things are going into into full gear immediately. One of the first affairs "on the ball" is a father and sons night. When, where and what it will consist of we don't know. But it ought to be good.

1940

wound up fairly well with the keglers. Barry, 600; McGrenera, 565, and Falks, 536, to make the race for individual honors closer than ever. Barry leads with 171, McGrenera is 170 and Falks 167. Jimmy McGrenera also came up with the night's high game and second high for the season with 235. Jessie's series aided the Miller Bankers in taking two from the O'Connells, who were paced by Tom Byrnes. Duke McGrath's Boyles ran into a lot of tough luck in the persons of Barry, Fiore and Pollick, as the Duffy Florals polished them off two games to one.

Hermes Boosters took the odd game from the Doodys but not without a scrap. Marty Hoare's 169 came within a few pins of taking the first game and Father Devitt and Ed Lee collaborated in taking the second. In the last game the wood failed to fall and the Hermes still ruled the roost. The scores:

	W.	L.	Avg.
Hermes Boosters	15	9	892
Duffy Florals	13	11	896
Boyle Solons	12	12	880
O'Connell Jurists	11	13	871
Doody Garage	11	13	847
Miller Banker Coals	10	14	861

THE KEGLERS

held a meeting at the club last Friday night and arranged the teams as they will remain for the rest of the season. With the addition of Wally O'Keefe, the league attains its full quota and is ready to begin 1941 in top form. Barry, McGrenera, Falks, Dr. Devitt and Parrish were selected to represent the council in the state tournament, with Kenny and Fitzgerald as alternates.

Some of the benedicts could benefit from the experience of GK George Noonan, who, as a steady bowler, received a bowling ball from the better half as a Christmas present. We always figured Gert was subtle.

MADONNA'S MUMBLING

—that two more gents took the tumble, both of 'em being officers. We've wondered why their hats were worn backward and the old glassy stare was in the eye. At any rate DGK Raleigh Kean and OG George McMahon have gone and done it—and Jo McGrath and Lucille Brankin are wearing diamonds. Congrats and congrats.

AND FINALLY

comes the dawn of a new year with its broken resolutions, and we feel secure in the fact that after years and years of writing reams of stuff, only to have half of it cut, we have at last discovered the "open sesame" of editorial approval. All we have to do is descend from our usual high intellectual (?) plane to sordid commercialism and bet the editor something WON'T be printed. It is.

Five bucks is what we lost to this gent on just such an incident some few weeks ago, and we fully acknowledge that debt in public. What we can't understand (after seeing last week's column) is why he should use Madonna's column to collect his wager.

IT SO HAPPENS

that the postal laws forbid dunning a guy on a postalcard, where at best only a few postal clerks will read it. But when you use a newspaper! We will send him his five bucks all right, but we're going to laugh lykell when we send him biscuits and woolen socks in Leavenworth.

[Intimidating the press is something I wouldn't want to get caught at—even if I did know Mr. Ickes—and, not that I'd care to "bust" any of your illusions after all these years, but what makes YOU think (?) anyone but you and me ever read this—ah—column? Furthermore, if you think (?) I'm going to hold my breath until you deliver the five bucks, you've got another bill collector coming.—Ed.]

DEARBORN TAKES SWIFT GLANCE AT PAST YEAR

1-3 Thurs. . . . . 820 W. Garfield Blvd.

Just as we step over the threshold of the new year, permit us to pause for a moment and consider 1940 in the restrospect. By this time the celebrations are fairly well out of our system, the promos having taken effect. Thus let us carry back to January, 1940. Remember the activity and meetings to stimulate ticket sales for the dance. This month also brought us our housewarming party, celebrating Dearborn's return to Leo Club House.

February was a banner Dearborn month. We saw one of the most successful dances the council ever ran. The Fourth Degree was also exemplified during February, Dearborn presenting a very large group of candidates. March was an active month for the Silk Hat Club, St. Patrick's Day being celebrated with a dinner dance sponsored by the club. April was the occasion of one of the finest events in council activity, the Retreat conducted at Mayslake by the good Franciscans and we can truthfully state that it was grand. The bowlers also sponsored a real good dinner dance at Stock Yard Inn.

In June the annual elections were held and Dearborn acquired a new G. K. in the person of John Devereaux. July brought the inductions of the new officers and special tribute to Bob DuMais, the retiring G. K. During August the annual council picnic was held and proved another Dearborn triumph. In September the softball team was feted at the league banquet. October was the scene of a successful card party as well as the concert in honor of our patron, Christopher Columbus. November brought us the Memorial Services and Memorial Mass. In December, the Silk Hat Club held elections, Jim Ivers being the new president and the annual Christmas party was given for the kiddies.

Thus we come back to greet 1941 after a rapid journey through '40 and hope that the new year will bring as many successful events, if not more, to Dearborn. We are certain that this is possible with a full measure of co-operation from each member.

MEMBER AND MEMBERSHIP

APPLICATIONS: The Third Degree, honoring Bro. John Richert, charter member of Dearborn, is now only about three weeks away. Thus we convey to you the exhortations of G. K. Devereaux and Chairman Joe Nix to sign your prospects and turn in the blanks now. Needless to say, anything that is done by us to make this a highly successful event will be a small measure of gratitude and tribute to Bro. Richert.

FOURTH DEGREE: All Third Degree members should take the Fourth Degree. The exemplification will take place on February 23rd at the Palmer House. The initiation fee is $25, but we are certain that if you contact John Feilen, Fin. Sec'y, he can easily arrange the details.

DANCE: Time certainly does fly. Here we are in January and our dance only about six weeks away. Thus we caution you to get tickets now and make early returns. For this detail, contact Dave Kerwin and for reservations see P. G. K. DuMais, dance chairman. Don't let the matter of six weeks fool you. Act now!

CURRENT EVENTS: Jan. 7th, joint meeting Silk Hat Club and Entertainment Committee at Stock Yard Inn.

Jan. 26th, John Richert Third Degree.

Feb. 15th, Council dance.

Feb. 23rd, Fourth Degree.

TEN PINS

It seems that no one can stop the Indians of Tom Maney. They took two of the three games at last session to continue their league leadership. However, the Bradys have hit a fast pace and now are about to crowd the Indians, after taking three games. The Manhattan Bevs crept into a virtual tie with the R-K's because of winning two. The R-K's, Feilens and Premier boys continue to remain in the league, although the Feilens have shown marked improvement. It seems that non-bowlers could join in the fun and frolic of the league by forming a rooters' section each Monday evening. The place is Gaynor's Alleys at 6301 South Western Ave.

	W.	L.	Av.
Maney Indians	28	11	792
Brady Morticians	25	14	755
Ruff-Kerwins	19	20	753
Manhattan Bevs.	19	20	746
Feilen's Ins.	15	24	708
Premier Cartage	11	28	655

High series: A. DeMunzio, 530; W. Sullivan, 526; Pete McLaughlin, 526; Mike Mullee, 512; and Jim Brynda, 511.

High game: W. Sullivan 202, and Mile Mullee 200.

Hildebrand's Bowlers Will Resume Polishing the Maples, Jan. 7th

1-3 Thurs. . . . . 5711 W. Chicago

Next meeting Thursday, January 16. . . . After the holiday sojourn the bowling league will resume operations on next Tuesday, the 7th . . . And the second lap promises to be more interesting than the first one . . . . So bowlers, everyone on deck next Tuesday. . . . A word of thanks to all the members who contributed even in the slightest degree during the year in making the council and its manifold activities so successful. . . . Now we look forward to another year and 1941 promises to be more successful than ever. . . . New Year resolutions are not on our suggestion list, but we might say in passing that if the members resolve ot attend more meetings during the coming year, secure at least one application each, keep talking about the council, and give the officers the same degree of cooperation as in the past, we shall write another glorious chapter in our record book. . . . And while we are in the mood, may we offer a gentle hint that all members make inquiries and inform themselves on the new forms of insurance now offered by the Order. . . . A policy for every need, and streamlined to fit every brother's purpose. . . . Keep up the good work, we're going places in 1941.

ST. CYR'S POST NEW YEAR PARTY, JAN. 11

1-3 Mon. . . . . 1609 N. Halsted St.

The gaiety and merriment of a happy New Year's Eve, the sound of Auld Lang Syne, and the wishes for a happy and prosperous new year, today is but something which has passed for a great majority of the people. But for St. Cyr members and their friends (three thousand or thereabouts), it is but an eye-opener for the greatest of all St. Cyr events, which will take place Saturday night, January 11, 1941, at the Lions Building.

Now somewhat of a tradition with St. Cyr Council, this post New Year's Eve party and dance has become an integral part of St. Cyr's social life. Werner Peete and his well known band will furnish the melodies in the ballroom, and our own Sam (la Bonano) Greco and his Yacht Boys will furnish the music and entertainment upstairs in the den. Marco DeStefano, our chairman, and Peter Stacey, the assistant chairman, together with their committee, have put all they have into it. Under their capable leadership this affair promises to be one of St. Cyr's finest successes. Tell your friends about it. There will be room for all of them, both young and old.

BOWLERS' HOLIDAY

The Christmas season has been a holiday not only for the workers but also for St. Cyr bowlers. That is, I should say, some St. Cyr bowlers. Let me relate an incident. The Geraci brothers, Sam and Joe (you know that sensation of sensations) Augie Strano, Sam Strano, Joe Strano, Tony Romano, Rynie Ranocchio, Vishe Rizzo, Joe (Pedo) Madonia, and your Scribe, got into a little bowling match last Sunday afternoon. Now were I to tell you that Joe Strano bowled an average of 110 certainly, brother knights, that wouldn't make news. BUT, and I say BUT, when Joe Geraci bowls an average of 110 then, brother knights, we have news. Here and there and everywhere, they just wouldn't go down for the old boy. But I've never seen a champ have more fun out of his own upsets. Joe. G. is angry now. And, brother knights, watch his smoke from now on. Careful, here he comes.

The standings at this time in the bowling league are as follows:

	W.	L.		W.	L.
Cancilla	27	15	Granata	22	20
Maniscalco	27	15	Bond	21	21
Cheer Up	26	16	Continental	21	21
Morreale	23	19	Rago	18	24
Archer	23	19	Rubinelli	16	26
Lucania	22	20	DeCola	14	28
Strano	22	20	Mohawk	13	29

At this writing the league leaders are as follows: Joe Geraci 183, Frank Costa 180, Sam Costa 176, Anthony Ortolano 175, Mike Mercurio 173, Domonick Doile 172, Tony Airdo 172, Sam Ranocchio 169, Joe Cannizzo 168, Vincent Lucania 167, Victor Rizzo 167, and Sam Geraci with 166.

CYRIOUSLY SPEAKING

About 400 St. Cyr children rejoiced at St. Cyr's annual Christmas party, held on Monday, December 23. There were gifts, candy and entertainment galore. True to St. Cyr spirit, we sent all our children home happy in the thought that their dads and brothers belonged to our kind of organization.

Joe Mastro, the flying milkman of West Erie St., was the proud daddy of a baby girl a few weeks ago . . . And you've never seen a prouder dad . . . Good luck, Mr. and Mrs. Mastro . . . Welcome to our ranks, Mike Cavaretta, well-known athlete, sofeball, basketball and football referee, and all around regular fellow, who was reinstated into St. Cyr Council . . . Shades of the old days . . . Joe Romano still the slick tonsorial artist that he was in the days of old.

IN A LIFE-TIME

In the rush of the Christmas season your Scribe almost permitted the Columbian, edited by that very able young man Harold DuChateau, to go through without a St. Cyr column. Came 9:30 Tuesday morning. Your Scribe called Harold up concerning Columbian deadline. "Ten a. m.," replied Harold. What to do was your Scribe's problem. Your Scribe jotted down a few words, called back, and that patient editor, who has enough problems of his own to contend with, particularly before deadline time, took a pencil in hand and took a ten or fifteen minutes' dictation from the other end of the wire. Thus your Columbian came through. Thanks, Harold. You were very accommodating and we appreciate your efforts at being of service to the readers of the Columbian. (Nothing's too good for Columbian readers, Tony!—Ed.)

FR. O'CONNOR PLANS HOUGH TESTIMONIAL

1st and 3rd Thurs., 4660 N. Kedzie Ave.

MARTY HOUGH

This is the year and this is the month when all roads will lead to the Queen of Angels' Hall to do honor to one of the greatest knights of all time. Of course we mean none other than Marty Hough. From now until then, you members sell Marty Hough night to every soul you meet, so that we can really show our appreciation to a great knight. Remember the date, the last Saturday of this month.

ARE YOU?

We mean "are tyou" delinquent in your dues? If so, you better straighten up your accounts with John Metzen. There is nothing so annoying or, let us say, embarrassing, as to find ourself on the red side of the ledger. Keep your insurance up by all means so that your family may not want, and keep your social dues so that your council may not want. A great man once said, "Only two things do I want, that my soul be saved and my family may not want."

UNCLE PHIL SAYS

There has been no bowling for the last two weeks, so if your husband has been out, it was in some other bowling alley. However, we submit the individual standings of the league:

Fr. Rausch	187	C. Clancy	167
Cronin	183	Brady	167
J. O'Brien	182	W. O'Shea	167
Fialkowski	178	Kamins	167
Jautz	176	Wilson	166
Droske	175	Gries	166
Dr. Macdonald	174	L. O'Shea	165
King	174	M. Sullivan	165
Cummings	170	McLoughlin	164
Ternes	169	Engert	164
Speck	169	Maag	163
Kotnaur	168	Johnson	163
Cunningham	168		

JUST NOTES

The other twenty-five bowlers will be named next week. . . . From Bill King, the national president of the K. of C. League, comes the information that our council will have ten teams bowling in the state K. of C. tournament on Sunday, Feb. 9, at 4:15. Doubles and singles will be bowled Jan. 19 at 9 p. m. . . . Is it true that Santa Claus dropped a bottle while making his rounds? . . . If the officers would only co-operate, this job would be a cinch. . . . Still time to contribute to the Christmas Cheer. Ed Mechinger is in a receptive mood all the year around. . . . And so a poor column comes to a close.

The name daisy was originally "day's eye," referring to the bright little eye which opens only during the day and goes to sleep at night.

Nazareth Scribe Looks Askance at Brothers' Gifts

2-4 Tues.....17 W. Harris, LaGrange

Looks like the Christmas season must have got the best of everybody in Nazareth. So much so that they have not come up for air yet. Everybody seems to be keeping under cover. Your scribe has not heard a word of news from anyone. We did get some unverified rumors in regards some of the presents that were left by old Santa. For instance, G. K. Himpler got an electric train. He says it was left under the tree for the junior Himpler, but we leave it to you. Here are the facts.

Last Sunday evening we had occasion to call the Himpler menage on the phone. The junior Himpler answered the phone. We queried: "Is your daddy there?" The answer came back: "Yes, sir, he's down under the tree playing with the train. I'll call him for you." When twitted about the incident, the G. K. stoutly averred that there was something wrong with the train and he was merely fixing it. We warn you, Joe, that's the way those trains get broken. Better leave it alone.

Some joker sent D.G.K. Francis the rain checks from one of last year's White Sox double-headers. It would not be so bad had it been a single game, but a double-header, well, that's rubbing it in. It would appear that he has seen enough double-headers to last him a lifetime. P.G.K. Simmons was seen in a vivid green shirt with tie to match. Well, anything will be a relief from some of the violent purples and helitropes he wore last summer. Doc Lalonde got a box of poker chips. A very fitting gift, indeed. We know that Tommy Collins got a tie. We saw it. At least we inadvertantly looked at it. That's enough.

F. S. Polivka says it is not too late to make him the present which he desires most of all. That would be the dues and assessments of everyone paid up to Dec. 31. He states this would be a most welcome gift inasmuch as it would enable him to close his books and prepare them for an immediate audit by the trustees. How about it, men? Possibly you might have overlooked this important item in the rush of Christmas, but now that things are setting back to normal, why not get your affairs with the council straightened out now, so that you can start the new year with a clean slate. Resolutions are in order, so make this one for the coming year.

MEMBERSHIP

Now that the new year is upon us, let's take up the subject of membership once more. We did fairly well during the year just closed, but we feel that the surface has only been scratched. There are many eligible men in our parishes who have not yet been approached. After all, this is your council. It does not belong to the grand knight or any other officer or any specific group of members. It is yours and it will be just what you make it. No council can prosper standing still. Each member should be continually on the lookout for prospects. Possibly you are associating with some men who are not members and who have not been approached. Why not bring the order to their attention.

If you feel you need some help, contact the officers of the council. They stand ready at all times to help you in every way possible. Let's make 1941 the biggest membership year in our history.

You will have an opportunity to show your prospects what the order is at our meeting Jan. 14. This is to be an open meeting. The lecturer has a movie for our entertainment that night. The main feature will be highlighted by Fred Warring and his orchestra. This will be followed by a comedy and refreshments. Bring in thise prospects and let them look us over. Meeting starts at 7:45 p. m. sharp. For your information, the first and second degrees will be exemplified at St. Anthony De Padua council Jan. 16, so get going now.

BOWLERS, ATTENTION!

The state tournament opens at the C. Y. O. alleys Jan. 11. Polish up that hook and cut in on that prize money. Under the fine leadership of Pete Johnson and Leo Kriz we will have seven teams entered in this tourney. In addition we will have entries in the singles and doubles events. This is a creditable showing and the palms should go to the above mentioned brothers who have worked so hard to bring this about.

Incidentally, the national tournament will be held at Indianapolis this year. Nazareth should be represented in this. Let the council sponsor and hand picked team to represent it. Let the country outside the confines of LaGrange know there is a Nazareth council. On to Indianapolis!

Loyola-H. P. Thanks Members, Friends for Valued Support

2-4 Thursdays - 7435 Cottage Grove Av.

The officers of Loyola-Hyde Park Council extend to all, sincere greetings on the New Year and hope that one and all will enjoy good health, and prosperity on all 365 days. We wish to thank all of you for your kind cooperation in the year just past, and hope that you will give us your continued support in the year ahead. 1940 proved to be one of the most progressive years in our history, with an increase in membership, and more faithful attendance and interest in our regular meetings.

Our program for 1941 promises to be just as interesting, if not more so, and we hope all of you will make a New Year's resolution to attend meetings as faithfully as possible. We resolve that if you will cooperate to this extent, that the meetings will be both interesting and entertaining. Once again to you and yours, Happy New Year.

The first regular meeting of the New Year will be held in our clubrooms, Thursday evening, Jan. 9th, at 8:30 p. m. This will be a meeting dealing with the formulating of our plans for participating in our Order's Five Point Program. We hope all of you will attend, so that we can start out the New Year with a capacity crowd. Refreshments will be served and there will be plenty for all. See you then.

Between the Issues: Two of our Brothers took the Third Degree of the Order last week at Perez Clubhouse. We extend congratulations to Brother Joseph Gonzales and Patrick O'Dea on their successful passing of this degree. May they long grace the rolls of our Council. Brother Dan Murphy is still laid up with a broken ankle, but progressing nicely. The return of the prodigal or Tom Golden returns, nice to have Tom again among those present after his extended sojourn down on the farm. All for now. See you next week.

Americus to Entertain Members' Families at a Gala Party, January 14

2nd and 4th Tues., 3350 Jackson Blvd.

"January has been designated by the church for special observances in honor of the Holy Family. It is appropriate, therefore, for Knights of Columbus who are particularly dedicated to serving the family, to sponsor devotions to the Holy Family and to develop projects to promote a closer family relationship among their own members."

To comply with this decree from the Supreme Office, Americus Council is planning a gala bingo affair for Jan. 14. All members, their families and friends are invited to attend.

Everyone knows the fine hospitality that Americus extends to all who attend these affairs, and I'm sure that Lecturer Jim Mooney will have plenty of refreshments on hand to keep the friendly spirit of Americus blossoming. So don't forget the night, Jan. 14, at our clubhouse. All are invited.

At this time we offer a belated thanks to District Deputy McKeown and his team from Hughes Council, who put on that first and second degree in the pinch for us. It was very well done and I'm sure all candidates got full benefit from it.

Americus Council regrets to announce the death of the father of Jack Courtney. As we understand it, Jack's dad died in the west and was brought into Chicago for burial. The heartfelt sympathy of the council is extended to Jack and his bereaved family, and may the soul of Mr. Courtney rest in eternal peace.

The Blood Donors' Club and the bowlers were shocked last Monday night when Mrs. Leo Joyce came in and announced that Mrs. Clark, wife of Bro. Walter, needed an emergency transfusion. Due to our fine system of files that Leo keeps, she had all names ready to report for the transfusion, among whom were Bill Costello, Ed Fortier, all the Taylor boys and Archie Corso. We sincerely hope that Mrs. Clark profited by the transfusion and is well on the road to recovery.

We wish to announce that Bro. Al Le Clerc, one of the old-time members, has established himself in the restaurant business at Harrison street and Sacramento boulevard, and would appreciate patronage from any of the members who might drop by. We wish him all the success in the world in his new venture.

BOWLING

The bowling season hit the half-way mark last Monday and all the teams are going strong. At the moment the O'Brien Morticians are in first place and are closely followed by the Gillespies and Al Horans. Powers Movers, with the addition of Al Stag, promise to be a real threat during the second half of the season.

The real surprise of the evening was the announcement that the high individual scorers on each pair of alleys would take home a 14-pound turkey for Christmas. Chairman Bill Costello and Capt. Joe McGuire are to be thanked for making the arrangements. To make it equal for all, each bowler was given a handicap figured on his yearly average.

The high bowlers were Bill Leahy and Ed Fortier. Harry Ryan had high game of 232 but his small handicap prevented his getting a bird as Fortier hit 231 with a five-pin handicap on Harry. Allaire's team got high game with 870 and you should have seen him smile.

ABOUT TOWN

Bro. Fred Scott confidentially told me something about Al Stagg, but I just can't remember it. Maybe next week, Fred. . . . Am Quinlan is going to sue the gym if Joe Daly doesn't leave his hat alone. . . . Bill Hogan is going to swallow that cigar if he keeps plowing those spares in bowling. . . . We understand that Welsh doesn't leave the house after dark any more. Says he has to go to work the next day. What a change! . . . Capt. McGuire will bet 2 to 1 that his team takes high series before the season is over. . . . Everyone is wondering what Harry Ryan carries in that big bag he brings around every Monday night. . . . Tom Gannon's bail carrying union went flop.

Gar. Moreno Suggests Increased Interest in All Council Activities

2-4 Tues., 155th St. and Lexington Ave.

All the celebration and holiday excitement of a new year are over, and again we carry on council activities. As we look and reflect upon the year just passed, I wonder how many of us are going to stop and consider the things our council did or didn't do during the year. Our officers are on the last six months of their present term. "Full steam ahead" should be their slogan, for to reach our goal they all must play an important part. Let's look about us and see the interesting things our council can do. Let's spend our time trying to improve the quality of it, rather than finding excuses for not doing it properly. When we do this, we play a part in knighthood that is expected of us. Always be an active knight. It pays in the end.

WITH THE BOWLERS

Wonder Bar dropped two games to the Anton Sterker Tailors, but held first place. Rev. Fr. Renklewski's 616 and Grady's 554 were the two reasons for the wins. Hilgendorf's 474 was high for the losers. O'Hara Boosters won two games, Goletz Boosters being the victims. Wisell's 557, McGee's 557 and Bruce's 524 were the main pin collectors for the O'Hara gang. Paul Maleto and Frank Walenga tied for honors with 510 apiece for the losers.

Ed Shea's gang won all three games from the Frank Ring Boosters. Jack's 573, Shea's 542, and Knoll's 513 were the three reasons for the wins. Erwin Lunn's 483 topped the losers. Home Liquor, cellar champions, won two games in their fight to get out of the cellar. Rich Walenga's 544, Paul Milash's 513 and Victor Walenga's 505 were tops for the Liquor team. Rossman's 570 and Gorski's 523 were tops for the losers, the Eagle Coal Co. Wonder Bar, first place; Shea's Corner, second place; Eagle Coal Co., third place; Ring Boosters and Sterker Tailors tied for fifth place. Why not bring the ladies out each Thursday night and let them enjoy seeing the boys in action.

KEY HOLE NEWS

Heard Bro. North is now a married man. Congratulations! If you see Frank Walenga walking around in a daze, don't get worried, the boy's in love. It won't be long now. Also slipping is Paul Powers. Romeo Begnoche, D. G. K. John Mech, John Begnoche and Ed Dehnert are all owners of new homes. How about a grand opening? The mother, sister and father of Louis Beaupre and the mother of Mrs. Beaupre were Christmas guests at the Beaupre home. Junior Obernesser, son of P. G. K. John Obernesser, has a hobby of collecting match book covers, so don't forget the lad in your travels. First council meeting of the new year is Tuesday, Jan. 14. The G. K. must be in hiding, haven't seen him for quite some time.

Christmas Cheer donations are still in order, so if you have yet to make yours, see Bro. Andy Klaczynski at our next meeting. Members of Ascension's Holy Name Society will elect officers on Tuesday, Jan. 7. A program will follow. Rev. Fr. Holloway, pastor of Ascension Church, announced Christmas morning at mass that the gold chalice, a memorial to our late chaplain, Rev. Fr. Hennessey, would be used for the first time that morning. Thanks for all your holiday greetings, and Santa put a bowling ball in your scribe's sock. Thanks to the wife and son, Clyde.

HENNEPIN-SHIELDS TO HOLD MEETING JAN. 8

Jan. 8-22 . . . . . 446 N. Parkside Ave.

A. D. Nineteen Hundred and Forty-one. Here we go again with a brand-new year, bringing hope for better things, prosperity and happiness, and, we hope, peace to the whole world.

Hennepin-Shields will hold its first meeting of the new year Wednesday, Jan. 8. With a little added enthusiasm, a little more interest and, most of all, a little more diligent effort in securing new members, we can be sure of keeping our place in the line of march. Forward with 1941!

SANTA'S VISIT

Some one hundred and twenty-five children belonging to members of the council gathered last Sunday afternoon at the Parkside Community Hall to meet Santa Claus in a post-Christmas appearance. Prior to the appearance of the jolly gentleman the children were entertained by Professor Ullrich with his Punch and Judy show and ventriloquial act and Little Carmelita and her accordion.

Following the program and the distribution of gifts by Santa himself the youngsters were served ice cream and cookies and the boys and girls were on their way home by 5 o'clock.

GK Charlie Costello, Jr., wishes to express his thanks and gratitude to those willing helpers, Frank Cash, Joe Hannon, Jim Zarcone, Charlie Quill, Frank Daley, Joe Griffin and Dr. Frank Sauer, who assisted Sunday morning in trimming the tree and packing the gift bags. And last, but by no means least, we hand the golden apple of appreciation to Ed Riley for his able impersonation of the be-whiskered gentleman of the holidays.

WILLIAM J. WALSH, SR.

Bro. William J. Walsh, Sr., of Chicago Ridge, Ill., a member of our council for many years, passed away during the weekend. His funeral was held Tuesday, Dec. 31, from the chapel at 2550 Burr Oak Ave., Blue Island, to St. Christina's Church with burial in Holy Sepulchre cemetery.

To the members of Bro. Walsh's family we extend our deep and sincere sympathy. May his soul rest in peace.

SYMPATHY

The funeral of Arthur de St. Aubin, father of Armand de St. Aubin, and a resident of the west side since 1871, was held Thursday, Dec. 26, from the chapel at 318 N. Central Ave., to St. Lucy's Church with burial in Mount Carmel.

Also the funeral of Daniel Ryson, father-in-law of John Hanrahan, was held Dec. 26 from chapel at 103 N. Laramie Ave. to St. Lucy's Church with burial in St. Joseph's.

To Bros. de St. Aubin and Hanrahan and their families we express our heartfelt sympathy in their loss. May the souls of the departed rest in peace.

THE SOUNDING BOARD

The council bowling league will resume its strife Jan. 7 and the team in the West Division starts the new year this week. Next week we hope to have the standings and averages available for publication.

The pinochle players will resume their bidding and melding after the next meeting. At the present standing, Jack Shealy leads the pack followed by Ed Quille, Tom Butler, George Green, Jim Grace, Frank Daley, Joe Hannon, Bill Orth, Jim Gibbons, Jim Oakey, Mike Gibbons and Ron McGillervray.

Jim Shealy, our Florida commuter, so we hear, went South to Florida via airplane on Christmas Day. It would be a great convenience to Jimmie if he had a pair of detachable wings to use when the spirit moved him.

Edward J. Hughes, secretary of state for Illinois, and George Lynch, retired captain of the Austin police district, have signified their intentions of becoming members of the fourth degree at the February exemplification. The busy lives of these distinguished members of our council has prevented membership in the fourth prior to now, however they will be all the more welcome in the ranks of the fourth.

Our satisfaction with life will be greatly increased if at the end of this year the salutation to that guy across he ocean is reduced to a short and derisive, "Hi, heel." G'bye.

The actual number of languages spoken in the world, according to the French Academy, is close to 3,000.

Englewood Enjoys Fine Attendance at Last Meeting

2-4 Mon. . . . . 150 W. 69th St.

What a hand was given to the boys present at our last meeting! First of all our Chaplain, Rev. F. J. Geheb, S.J., addressed them and explained to them "The Real Meaning of Christmas."

"Christmas is the time of giving," he stated. "What were we given on Christmas Day. We were given God himself. We could not get a greater gift, and we ought to remember that we should give something back to God, the most pleasing such gift would be our love."

Following Father's address we were privileged to hear a few words from Ray Lundy, County Athletic Chairman of the American Legion who praised the members of both the Junior and the Jr. Junior baseball teams for their fine showing and sportsmanship while entered in the American Legion tournament this year, and promised to return in the spring and present to the Jr. Juniors the trophy for winning the fourth district Championship.

Also in attendance was DGK John F. McGuire of Loyola-Hyde Park Council, who is not only the manager of the Champions of the Knights of Columbus Junior Baseball League, but is also the President of that league. He, too, complimented the boys on their fine work. DGK Dick Phillips also talked to the boys of his experiences when connected with American Legion Baseball, and urged the boys to continue to play hard, for who knows but that in the next few years we might find one of our boys on the roster of some major league club.

A most inspiring address came from our PGK and Financial Secretary Charles H. Huguelet, who went all the way back to 1913, when he was the star first-baseman of the Catholic League. It has been a long time since we have enjoyed any persons reminiscing as much as we did Charley's, and we can say the same for the boys, for their enthusiastic applause was their answer.

Aside to Charley Huguelet: You can help us further now by starting to line up those boys from St. Martin's that you promised last year. Aside to the other members: Why not talk to some of the younger Catholic boys in your community or parish and send me their names and addresses so that they may be contacted when spring practice starts. Any Catholic boy between the ages of 12 and 17 inclusive is eligible. Remember we have two teams, and will make more if needed. Just drop me a card addressed to 7145 S. Prairie Avenue and their names will be placed on the list.

E-NTERTAINMENT

Our Grand Knight and the Lecturer collaborated in presenting prizes to the following boys: Arthur Billie, Jack Billie, Wm. Lovell, Jos. Maley and George Schroeder. The two youngest boys in attendance, John Lyons, Jr., and Jos. Kazek, Jr., were presented with a softball, donated through the Council's Softball Team, under the leadership of Athletic Director Joseph Hannapel. Besides Lyons, Jr., winning the softball, John, Sr., was one of the recipients of a turkey. Others were W. Walter Fox (whom we were glad to see with us again), Andrew "Three-in-a-Row" Stoecker, and Raymond "Bridegroom" Budinger.

The following three members would have been lucky too if they were in attendance, for Lecturer Smith's Lucky Buck Barrel produced their names for $5.00. Not being there the award reaches $7.50 next meeting. (Ed Conley: Here's hoping you're in Detroit.) James J. White, 6319 Bishop St.; P.G.K. Wm. J. Lynch, 7667 South Shore Drive, and James J. McGuire, 7536 Perry Ave.

E-PITAPH

We sadly report the death of Agnes Schever, wife of P.G.K. James Schevers who was called to her eternal reward a few weeks ago. May she rest in peace.

E-NGLE WOOD-CHIPS

Our Treasurer Adolph Minster is now at home, 6730 So. Wabash Ave., and would be "tickled pink" to see some of the boys. . . . Bro. Joe Koch's absence at the meetings recently was noted. However, we have just found out that Joe recently took unto himself a bride. . . . Congratulations to you and Mrs. Koch. . . . The following members took their third degree at Father Perez on December 18th: Brothers Lyons, Fenwick, Dishinger, Gunkel, Malloy, Boebel, Roach, English and O'Donnell. . . . Welcome to the ranks, boys, and let's see you at future meetings.

Don't forget the Second Annual Cabaret Party and Dance to be given by the "Three-to-Four Club" of Englewood Council, Saturday evening, January 18, 1941, at the Blue Room of the Southmoor Hotel, 67th Street and Stony Island Avenue. Admission $1.00 per person which includes refreshments and dancing. Get your tickets now.

Attention: Fourth Degree members: The next meeting of the Three-to-Four Club will be held on Wednesday evening, January 8, at the home of President O'Brien.

Marquette Advises an Early Payment of All Dues Before Auditing

1-3 Thurs. . . . . 1928 Devon Ave.

Financial Secretary Joseph Sacheck advises that the books for 1940 are shortly to be audited by the Trustees of the council. So if you should be delinquent for six months, you are in danger of supension. A telephone call to the Financial Secretary at Kedzie 0701 will advise of your indebtedness to the council. Please safeguard your insurance for your dependents. They have a right to expect you to keep your insurance in force.

FOURTH DEGREE

The Fourth Degree exemplification is to take place at the Palmer House on February 23rd. If you are a Third Degree member for at least two years, you are eligible for this coming class. If you wish to join, please contact Bro. Joseph H. Meyer, who is chairman for our council.

Bro. Pat O'Donnell is sporting a new Dodge automobile. P. G. K. Art Donoghue and his Christmas Cheer Committee are still bringing cheer to the orphans and aged. Every night this committee is visiting some institution. Bro. John D. Houley and his charming bride, the former Marion McGinnis, have returned from their honeymoon and had open house on New Year's Day. Their address is 6318 N. Richmond St. Met former Marquette member, Jerome Conway (now of University), and he is looking fine.

The communities of Sauganash and Beverly Hills have always been outstanding in our city, and this year is no exception. Information reaches me that the outside Christmas trees and decorations at the homes of P. G. K. Tom Griffin, in Sauganash, and P. G. K. Jerome Graham in Beverly Hills, are about the best in the city. A trip through these communities would warm your hearts.

Attention: Next Thursday, Jan. 9th, will be the regular monthly meeting of the Holy Name Society. At this meeting the annual election of officers will take place. Our distinguished member, Pat O'Connell, is president and is seeking re-election. Next meeting will be Jan. 16th. Please show interest by attending. Start the new year right by turning in a signed application of some good Catholic friend.

ST. RITA COMPLETES PARTY ARRANGEMENTS

1-3 Thurs. . . 6048 S. Fairfield Ave.

Selection of a committee to assist Chairman Charlie Clarke in conducting the 2034 Club's annual winter cabaret party was completed this week. In case you have forgotten, the party will be held Saturday, Feb. 1, at Mike Flynn's Hall, 3236 W. 63rd st. Price of admission is $1 per person.

Chairman Clarke announced the following appointments: Jerry Healy, tickets; Peter Serone, orchestra; Matt Kaminskas, refreshments; Ted Lee, arrangements; John Vonch, publicity, and miscellaneous; Joseph Clerkin, Connie O'Sullivan, Peter Martin, Frank Small and Francis Camer.

Because the above have shouldered the task of directing preparations for the party, don't leave matters rest there. Each individual should be a member of an unofficial ticket committee. If you have not secured your tickets do so immediately, and don't let them rest in your knick-knack drawer. Take them out and sell them. Inform prospective buyers that the price of admission includes dancing, refreshments and association with a "bunch of regular fellers."

XMAS PARTY

To the shrill laughs and wide-eyed stares of a crowded hall of children of St. Rita Council, Francis Camer made a rolling entrance as Santa Claus last Sunday as a fitting climax to the 2034 Club's annual "Kiddie Kristmas Party." Before receiving their favors they were treated to a movie and took part in a program of amateur entertainment. Notable among the entertainers were the sons of Bruno Fracassi and Jerry Jayson. Roy Perell was chairman of the party and should be commended for his fine work.

CONDOLENCES

The officers and members of St. Rita Council extend their deepest sympathies to Bro. David Kelley on the death of his mother. Members of our council attended Mrs. Kelley's wake in a body the day after Christmas.

Joe Zavrel is confined to Holy Cross hospital, Room 328, with a broken leg. We'll miss "Wrong Way's" entertaining antics until he is up and around again.

The father of Roy Perell is seriously ill in Englewood hospital. All the brothers of St. Rita join in wishing Mr. Perell a speedy recovery.

THINGUMBOBS

Keep in mind the annual exemplification of the Fourth Degree to be held Feb. 23 at the Palmer House. Any Third Degree member who is interested is urged to contact our Fourth Degree membership chairman, Frank Small . . . Honore Perry is passing out the cigars—a baby boy . . . Tim Shanahan is nowing working as a detective for the Grand Trunk railroad . . . Mrs. Kehl has recently completed a six week series of health talks over the radio . . . Bro. Tom Condon is improving steadily from his long seige of illness, we are happy to report . . . Bros. Ed Greene and Bill Burke had a fine time New Year's Eve—ask their young lady friends.

Neri Has Excellent Program Arranged for Tuesday's Open Meet

1-3 Tues. . . . . 7515 Yates Ave.

Next Tuesday night, Jan. 7, St. Philip Neri Council kicks the lid off the New Year's calendar of events with an open meeting known as Our Lady of Peace Night. Chairman Ed. Burke has lined up a variety program with plenty of dash and talent. As an extra feature there will be an interesting sound movie just recently released by the Heinz people of so many varieties.

This picture is said by authorities to be one of the best movie records ever made of great historical events. Also the women folk should find this picture a real education in kitchen art. Invite them over next Tuesday night.

Full details of the program are not available at this writing, but you are assured a show of the highest caliber. You can't miss on this one. Bring your friends. Program starts at 8:45. A short business session for members will convene at 8.

FATHER BIRD NIGHT

The second meeting in January has been set aside that we might pay respectful tribute to our distinguished Chaplain, Father P. A. Bird. Father Bird has long been Neri's spiritual adviser and his friends in the ranks of the Knights of Columbus are legion. Msgr. W. J. Kinsella has been designated honorary chairman. Ray P. Duffy is active chairman. Date is Jan. 21.

DAMEN'S LADIES NIGHT AT MIDWEST, JAN. 16

Jan. 16 . . . . . 6 N. Hamlin

Our Lecturer may have been reading the department stores' advertisements and noting the expressions "Reductions are drastic," "While quantities last," and such like. Perhaps these influences have prevailed upon him to reduce the asking price on the Bingo games to 15 games for seventy-five cents with cash prizes for each game. In addition there are to be ten door prizes of folding money. And of course the midnight snack menu has been bettered, if such an event be possible.

Plan now to come to Ladies Night on January 16, at the Midwest Athletic Club, 6 N. Hamlin Avenue. Knights are cordially invited to bring their ladies and all their friends.

MERRY MEN

On an ancient letterhead of the council, the genial red-headed secretary of the bowling league, in one of his rare, expansive moods, comments on the list of officers shown and also submits the bowling notes.

We note the Chaplain of that day, Father Edward Kelly, is even yet Chaplain with the hearty approbation of the secretary. Wm. G. Hopkins is listed with the office of Chancellor crossed out and Grand Knight inserted. Wm. J. Page has the title "Anchor Man, Stack Typewriters." John J. Lee has the office "Anchor Man, McEnery Realtors." Thomas F. Brown bears the designation "One of the lucky first place team members." Closely akin is Frank Marnell. Another member "of the lucky Browns." From this list of officers nearly all are bowling enthusiasts. There are James J. Crowley, Financial Secretary; Wm. D. Berg, Recorder; Robert McBride, Warden; John I. Lardner, Treasurer; John J. Gorman and Henry Henningsen, Trustees. The executive officer of that time is now listed as Scribe—X-GK-De Luxe.

St. Pat's Youngsters Graciously Approved Santa's Entertainment

1st and 3rd Tues., Madison and Hamlin

Our annual children's Christmas party was attended by an even larger delegation than ever before, but Chairman Edw. Scully and his energetic committee handled the situation just as the marines would have done. Commencing the program with a comedy which delighted the youngsters no little, and then the side-splitting antics of those two clowns, Al Smith (without the brown derby) and Felix Chrobak, the children were hysterical with laughter.

John Kram's Boy Scout Troop from Our Lady of Victory Church displayed their usual stellar performance for which they have long been known. But, ah! The greatest thrill was still in the offing. This the children realized when Santa (Steskal) Claus appeared on the scene to greet the lads and listen to their every wish.

Refreshments and individual gifts completed a most successful party, thanks to Ed Scully, P.G.K. Charles Patterson, P.G.K. Roy Bennish, Lecturer John O'Shaughnessy, Bill Finn, Geo. Burns, Con Murphy, Jack Kram and B. S. T. No. 99, L. Micoletti, C. McFarland, E. Taglia, Sal Giunta, J. Nolan, John Steskal, J. Hartford, Dan Miller, Jas. Cullinan, W. O'Connell, W. Chappell, W. Farrell, F. Bordegon, Thos. Scully and last but hardly insignificant, Ray Hughes, at the piano. Congratulations, and may we count on you for 1941.

ABOUT THE MEMBERS

Removal of the brace on Bro. John Burke's mighty right arm is only a matter of a few days. The indomnitable spirit of this fiery Croation must be admired, because this guy refuses to be counted out. Advocate James Cullinan is confined at home with a mild siege of the flu. What did you do, Jim, change your brand? Good news indeed, is it to report to you at this time that Mrs. Catherine Bondi has left the confines of St. Elizabeth's Hospital to convalesce at her home. Chairman William O'Connell, of the Good Samaritan Group, reports receipt of a missive from Mr. Bondi, expressing his gratitude to Blood Donor Harry Piovosi and to the members of St. Pat's Council.

Illinois State K. of C. Bowling Tournament, President John Dick, wishes to announce receipt of entrees for over 400 five-man teams, by far the largest to date in its history. Also surpassing previous entrees is the number of keglers who will roll in the singles and doubles. Chairman Roy Latelle, of St. Pat's, informs us that our twelve teams will shoot the works on Sunday, Jan. 19, 1941, at 7 p. m. Two weeks later, Sunday, Feb. 3rd, our boys will roll in the singles and doubles. Watch this column for exact time and dates.

On the opening night, Saturday, Jan. 11th, at 7:30 p. m., Bishop Sheil, State Deputy John F. Bolton and Supreme Director Michael Howlett will launch the ceremony with the former throwing the first ball. The first event will be a feature bringing together all the Grand Knights from every Council in Illinois. Make it your business to see these boys in action. Remember, Jan. 11th, 7:30, at the C.Y.O. Recreation Center, Congress and Wabash.

LOCAL BOWLING NOTES

The Damato Taps quintet has all but clinched the bunting in the first half inasmuch as they have a three game lead and only one more series remains. Taking the "crack" Barry Boosters three times on Dec. 23rd, sponsor F. D. helped no little by collecting 631 pins and $1.00 for high game 262 (247-16). R. Latelle also had 247 and a 613 series so the Barry's really were sick. Other results at a glance: Deir Morticians 2-3 from McGinty Black Rocks; Allegretti Grills "starved" the Wieland Florals three times.

Freda Meats shellacked the Rex Paints 2-3; Moriarity Indians continued their streak by winning twice over the Emergency Radios, while the Cahill Printers taught the ABC's the real fundamentals by winning the odd game. The honors for the night as we saw them: Damato, 631; Latelle, 613; Garvey, 553; Galena, 532; Nolan, 522; Caprio, 506; Bennish, 502; Failla, 521; "Bale" Giunta, 506; Montedore, 518; Clune, 518; Stumpo, 534; Spero, 502; Hartford, 490 and W. Kelly, 490.

Quigley to Begin New Year with Outstanding Program Next Tuesday

1-3 Tues. . . . . 1035 W. 31st St.

The past year is now recorded in the ledger of Father Time and we come upon a new year with fond hopes and many fervent ambitions. What the ensuing year has in store for us, God only knows. Warring nations, unstable markets and our own nation's defense program undoubtedly will alter many contemplated plans. But, nevertheless, time shall roll on, and what we give to the coming year, will determine largely what we are to receive in the future.

While I am no authority in regards to the past deeds of Quigley Council, I am very well acquainted with the program outlined for the coming six months. If not the finest, it certainly ranks near the top. It is a program that can rocket our council to the head of our order. It is a well balanced program, a tribute to our untiring and brilliant Grand Knight, Leo J. Gawrych. This far reaching program will commence at the January 7th meeting, which has been studded with punches from beginning to end. Look it over.

BOB DUMAIS

Place a big red circle around the 7th of January on your calendar, for on this night you will be given an opportunity to meet P.G.K. Robert DuMais, state chairman of the Blood Donor Group, Quigley's good friend and an outstanding figure in Knights of Columbus circles.

Quigley is always honored by a visit from Bob DuMais, but on this occasion Quigley Council is proud of its record of 152 members belonging to the Donor Group, and can say, "Bob, the last time you visited our council chambers, you urged our participation in this movement, and now you come back to us, to the council that has forged to the lead in the State of Illinois." We of Quigley realize the importance of P.G.K. DuMais, work.

Every member of Quigley's Blood Group is urged to attend the Jan. 7th meeting, and receive a symbol of their affiliation with the Donor Group, awards to be presented by State Chairman P.G.K. Robert DuMais.

QUADRANGLE TREATS

Following the meeting of Jan. 7th, the Quadrangle Club will be hosts to the entire council. Outstanding speakers will be featured and refreshments will be served. A generous supply of amber fluid will be on tap and entertainment will be supplied to cap off a coruscating evening.

The Quadrangle Club, Quigley's Fourth Degree Club, have declared a "full steam ahead" policy to enlist as many Third Degree Knights of two years' standing, in the Archbishop Stritch Fourth Degree Class, to be held on Feb. 23rd at the Palmer House. If you are eligible, contact the President of the Quadrangle Club, Walter Budney, and he will give you full particulars.

VERY TIMELY

Plan now to attend the Council's quarterly communion at St. George's church on Jan. 19th. The Quadrangle Club will escort the Council from the clubhouse to the church. Breakfast will follow at St. George's auditorium.

Quigley is planning one of its finest degree classes on Jan. 22nd. Initiation fee will be but five dollars. For each insurance member you sign up, you will receive the whereabouts of three dollars. Get that gentleman signed now, or Chairman James Cherry will get you.

Illinois Gives Timely Suggestions for Real Benefits to Council

1-3 Mon. . . . . 64 E. Lake St.
By P. G. K. Edmund M. Butler

Another year is approaching its close and time should be taken to inventory our net worth. Can we answer the following questions?

Have we attended at least one meeting a month?

Have we served on any committee?

Have we secured an application?

Have we visited any sick brother?

Have we been present to pay our respects to departed brothers?

Have we paid our assessments and dues to the best of our ability?

If each of us would be able to answer all of the above questions in the affirmative what a healthy condition our council would be in at the present time.

Why not make a firm resolution for the new year so that we may be able to say "aye" on the next roll call? At the present time we have the following brothers confined to their homes: Dr. John D. McGregor and William J. Gibbons.

* * *

The Honorary Degree will be conferred upon a group of our members who have been not less than 25 years a member of the Order and who are 65 years of age or more. This will be just the second time in our history that such a degree has been conferred. The ceremony is an attractive one and the time consumed is very small.

Father Edward J. Mullaly, Paulist Father, of St. Mary's Church at 9th and Wabash Ave., will once again address us. If you heard him a year ago we know you will not want to miss him this time.

Let us keep in mind our big card party at the second meeting in January, Monday, January 20, at De Paul Hall. A most valuable gift will be given to each table. Tickets will be available within a week. Bring the ladies and friends.

As this is being dictated, Bro. George M. Boes and Miss Irene Lichtner are standing before the altar of St. Francis De Sales' Church in Chicago assisting at the holy sacrifice of the Mass and hearing the words of the marriage ceremony being pronounced by Rev. John Wester which will make George and Miss Lichtner man and wife.

Miss Lichtner comes from a distinguished Wisconsin family, residents of Milwaukee for many years. From what we learn about the bride we congratulate Bro. Boes on his good fortune and wish them both the best that this world can give. They are going South for a honeymoon and will live in their new home in West Rogers Park on their return.

Dr. McGregor, whom we visited Christmas Eve, wishes to be remembered to everyone. While he is very far from being well, he retains a lot of the fire for which he was pleasantly noted in the not too distant past.

John E. Bradley's office, as well as the whole department of Gas and Electricity, is moving from the 6th to the 7th floor of the City Hall. John, however, will be as readily accessible to you as he ever was.

We note with pleasure the announcement of the coming marriage of Miss Comisky and Duncan Rigney, son of our Bro. Thomas J. Rigney of River Forest. Miss Comisky is the daughter of J. Louis Comisky, member of the council for many years before his death.

Calumet Features Gift of New Suit at Last Meeting

2-4 Mon. . . . . 6646 Stony Island Ave.

The big event of last meeting was the drawing for the suit of clothes conducted by Assistant Lecturer Ed Motherway of the J. B. Simpson Co., Inc. The winner was Bro. Orin Cox, our energetic and capable recording secretary. He was the most pleased individual in the hall, and can you blame him? We know Orin will look like a million in his new rainment, and our wish and hope is that he doesn't spill coffee on it the first time he wears it to a meeting. We understand that the Young People's Club is going to give him a hat and the Sunday Evening Club a new pair of shoes. The scribe will donate the laces!

It certainly was gratifying to see such a crowd present. It was up to all expectations, and those present were all enthusiastic in their predictions that Calumet was going places. Many promises were given for candidates for our next joint class on Jan. 27, when Calumet will be host to the second South Division for a first and second degree. We earnestly ask that you who were at this meeting, and you who could not attend, do not let this promise lapse.

Get out and get your candidate lined up right now. You have not much time left, and we want at least 50 new applicants. It should be easy and will be if you will but just take a few moments of your time to invite some friend to join. Remember the fee is now but $5, and with the new insurance plan we have a most attractive offer. Chairman Tom Walsh of the membership committee is most willing to give you the assistance needed.

Turkeys, hams, chickens and bacon were distributed in great numbers, some of the winners being: Bros. Tom Christs, Andy Porzell, Eddie Connors (that's N. Y. C. Connors), Jack Metzger, a new member; Ed McAuliffe, J. J. Gaul, Mike Joyce, John Scannell, G. K. Birmingham, Barney Jablonski, Wilf Outside Guard Byrne, Jim Barrett, Neil O'Hanley, Roy Gaspari, Tom Brunnick, Capt. Geo. Gilmore, John Lynch and Frank Walsh. There may have been some others, but that is as many as I can remember.

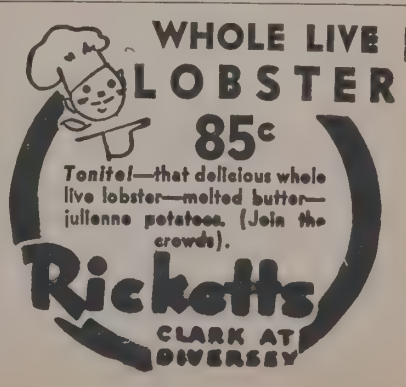
It was good to see Bro. Emmett O'Connor, who is back home on a visit during the holidays but still finding time to make the meeting to see his old friends. Harry McGrath, another who whenever time permits, is always on hand. Larry Donegan acted as warden for PGK Dick O'Connor. Also PGK's Jim Lynch, Walker Butler, Jack Roach, Jim Grant and DD Wilf Byrne. We would be amiss were we not to mention our good chaplain, Father Terrence, and to compliment him on his wonderful address to the council. His audience was most appreciative and his handling of his subject was clear and concise, leaving a deep impression with his listeners that will bear fruit.

BOWLING

The first tie game of Calumet's new bowling season occured last Thursday night when the Ray Boosters triumphed in the extra frame to down the Murphy & Son Furniture two games to one. McNichols Standard Service won three games from Wilson & Rafferty Florals. Crocombe's Korkers went on a spree and took all three games from the Cummings Morticians. O'Hanley Morticians and the James M. Whalen Boosters postponed their series.

Some of the higher series for the night were: Bob Hatton, 502; Jack Flaherty, 514; Joe Mysza, 540; Eckie O'Malley, 575; Bill Hearne, 556; John Carey, 549, and Mike Murphy, 523. Speaking of Mike Murphy, Jr., you see his name connected with bowling activities quite often, but do you know that he is the "Son" of the Murphy & Son Furniture team? Mike, Sr. and Jr., have been in the furniture business at 6416 Cottage Grove Ave. for the past 27 years and bear the highest reputation for honest dealing in good furniture and right prices. When in need of furniture, either a full set or just an odd piece, may we suggest that you give Mike a ring at H.P. 6990?

In 1926 American football was played only in the United States. Today it is played in over sixty different countries.



ST. FRANCIS TO FETE P.G.K. NEXT THURSDAY

2-4 Thurs. . . . 4711 W. Madison St.

Members of St. Francis Xavier Council will pay tribute to one of their best past grand knights, Sir Knight John Blase Meccia, at next meeting, Jan. 9. The committee, headed by Sir Knight John Pane-Gasser, has arranged an interesting program for the evening and has selected an appropriate gift to present to him. The wives and sweethearts of the members will be admitted to this affair, but by membership ticket only.

P.G.K. Meccia

With the exception of one year, John has held some office every year since he became a member of the Council in 1928. His offices, include trustee, advocate, treasurer, deputy grand knight and grand knight, to which office he was elected for the first time in 1934, when he was only 30 years old. He was elected grand knight again in 1938 and re-elected the follow-year.

The accomplishments of the Council during his two-year tenure as grand knight are numerous. More than 3,000 friends of the Council attended the two successful dances held at the beautiful Aragon ballroom. An innovation in Knights of Columbus activities was the Mother's Day ceremonies. The members with their wives and mothers received Holy Communion in a body in Notre Dame Church and each mother was presented with a beautiful gift.

Each year two ladies' nights were held. Everything was free—table and door prizes, dancing, games, and refreshments. Each regular meeting was supplemented with bank-nite drawings, turkeys, gifts, and refreshments.

Under his regime the Council ranked high in the Barbecue Sales, Chicago Chapter Columbus Day concerts, and has earned special honors and distinctions. Since the 5-point plan was adopted, we have been on the honor role. Last year we were the first Council in Chicago to complete our membership quota, doing it six months ahead of time. In 1939 we were one of two councils awarded the Star Council Certificate for successfully conducting five forms of Catholic activity and five forms of council program activity. In 1940 we were the only council in Chicago to receive this honor.

P.G.K. Meccia was graduated from Irving Park Elementary School in 1917; from the Carl Schurz High School in 1921; and in 1923 he received his diploma from Crane College. He then enrolled in Northwestern University where he received the degree of Bachelor of Science in 1925 and two years later the degree of Doctor of Jurisprudence. He is now a member of the law firm of Madden, Meccia & Meyers.

HERE AND THERE

Due to the excellent work of the committee, 250 children were royally entertained at the Christmas party. The committee, consisting of Bros. Charles Principe, chairman, and J. Schiavone, J. Caruso, B. Mele, H. Gerlich, C. Criola, and F. Vitullo wish to extend their special thanks to Bro. L. Bacigalupo for donating his chairs; Sir Knight John Pane-Gasser, who obtained the movies; Bro. A. Paterno for the Christmas tree; Bro. Torry Muro for the use of his microphone; Miss Zwieffa of the Midwest Athletic Club for the dancing girls; and the comedian Charlie Shaney. The winners of the contest were: Francis Pasquale, first prize of three dollars; Cherrill and Ronald Consoli, second prize, and Bobby and Grace Caruso, third prize.

A large number of members also attended the Christmas meeting to extend their birthday greetings to our beloved chaplain, Rev. Francis X. Breen, S.J., who was accompanied by his silver haired twin, Rev. Paul M. Breen, S.J.

DANCE COMMITTEE

Now that the holidays are over, there is no reason why the dance ads shouldn't come pouring in like hotcakes. Each member should get busy in disposing of dance tickets and attending the committee meetings as the real work is just beginning. These are the sage remarks of the chairman, Bro. "Sheik" Pintozzi. The meetings are held every Tuesday evening at the home of Bro. "Babe" Criola, 3024 W. Flournoy street.

BOWLING

The second round in the bowling league started last Friday night with the following keglers topping the 500 mark: T. Salvo, 543; F. Arrito, 504; A. Frusolone, 517; A. Vitallo, 518; A. Vacca, 524; P. Merisso, 521; J. Capparelli, 501; J. Pauletto, 567.

The high individual averages for the first round were: F. Arito, 180; F. Pasquale, 177; T. Salvo, 169; A. Frusolone, 169; A. Vitallo, 167; L. Merisso, 167; J. Durante, 165; S. Randazzo, 164; S. Cirrintano, 164; C. Speciale, 163; C. Principe, 163; J. Capparelli, 163; Curbes, 161; G. Lucca, 160; P. Merisso, 160; B. Mele, 159; P. Bruno, 157; J. Defily, 156; J. Pauletto, 156; A. Vacca, 153.

Chicago Prepares for Large Degree Class at Feb. 11th Meeting

2-4 Tues. . . . . 64 E. Lake St.

We're still within the octave of New Year's Day so it is still quite all right to wish our brother members a prosperous and happy New Year. May sickness and hard times go away from your door.

First on the list of Council projects for 1941 is our exemplification of the First and Second Degrees at our meeting of February 11th. Success in this undertaking depends, of course, upon the energy and activity of our members —you and a few others. (How about YOU?)

The next project is the February 15th Valentine Party of which Brother Sam Mercurio is impresario. Tickets are on the market. And, by the way, there are "books" out for the benefit of the athletic fund. You can help the fun by subscribing for one or more of these books. We are sure that all who attended our first Cabaret Party a year ago had enough fun to assure their attendance this year.

OUR NEXT MEETING

The first meeting for the year 1941 takes place on Tuesday evening, January 14th, at the now well-known rendezvous, 64 East Lake street. While this is a strictly business meeting, there will be some sort of diversion; so, step up. At least you may draw your name from the pot of gold and get your paid-up ticket to our Golden Jubilee banquet (which comes up in July, 1946).

FOURTH DEGREE

Chairman Frank J. Casey is gathering in applications for the exemplification of the Fourth Degree this coming February. Some of our members, in anticipation of this year's exemplification, joined our Fourth Degree club some time ago, paying in a "five-spot" every now and then until the required $25.00 was on deposit and ready to be turned over at the proper time as their initiation fee. Others who plan to make application will see Chairman Casey for their application blank and other data. Come to next meeting (January 14).

DELINQUENTS

In case you missed the paragraph in last week's notes, our financial secretary turns his books over to the trustees at the close of the year. They have to prepare the report which goes to the Supreme Council and in it they have to list all unpaid dues and assessments. We sent out the plea to all delinquents with the hope that this list might be made small. There is still a possibility to edge yours in if you heed this notice.

Ravenswood's Missive, Requesting News Items, Ignored by Mr. Claus

1-3 Wed. . . . . 1521 Wilson Ave.

Santa Claus was good to Ravenswood's scribe in all respects save one. That one is news. Despite all the letters sent to Santa by your scribe, he still failed to bring an abundance of newsy items.

Because the above mentioned, your scribe didn't get to the last meting, and because he failed to think, there has been no announcement that there was to be but one meeting during the month of January. That meeting will fall on the third Wednesday evening of the month, the day when we would ordinarily meet for the second time. Doubtlessly the majority of our members realized that there would be no gathering, for business, New Year's evening, but some might have unthinkingly gone up to the clubrooms. I hope none went to the trouble. If anyone did, I apologize for contributing to the mistake.

We've been doing quite a bit of talking about Ravenswood's membership drive. I've been told by quite reliable persons that this drive is actually going ahead at near capacity speed and that there will be definite and concrete evidence of this in the very near future.

Before forwarding this small piece to The Columbian, may I express the wish that all of you had a happy New Year's Day and especially that you had a good and fortunate New Year's Eve.

Recent invention: An air-conditioned bed in which hot or cold air can be sent flowing around the sleeper simply by turning a knob. Dr. F. K. Kirsten, aeronautical engineer of Seattle, Washington, is the inventor.

NEWMAN PARTY LAST SUNDAY BEST YET

1-3 Thurs. . . . St. Mary's Hall, Evanston

Last Sunday the most successful Christmas party ever held by Newman Council was staged by Bro. Charles Byrnes and Lecturer Pat Craig. More than four hundred were in attendance and the joyometer reading established by the children surpassed all records.

Bro. Joel Conway was on hand with his efficient talking-picture equipment and presented a very entertaining program. An acrobatic number followed and then the kiddies went wild with glee when six trained dogs were put through their tricky paces. Santa Claus was present with a bottomless bag of gifts. Everybody was unreserved in his praise for the efficient and satisfactory manner in which the program was presented. Bro. Gregory Konold was at the piano and did his usual efficient job.

THIRD DEGREE

Newman Council in conjunction with Waukegan Council will confer the third degree Jan. 19 at St. Anasatasia Hall, Waukegan, Ill. Busses will leave St. Mary's Hall at 1 p. m. We have chartered three large busses and request that you notify GK Lawson if you are going with the crowd. Our degree team will exemplify the first and second degrees at 10:30 a. m. at the same place.

NEWMAN NEWS

The officers extend to all best wishes for a successful new year. They appreciate the help and cooperation they have received from all the members during the past year. They solicit your continued support.

Our recorder, E. William Miller, has just returned from Florida and our lecturer, Pat Craig, spent his winter vacation at Hot Springs.

The bowlers are taking a two weeks' vacation and will resume operations Tuesday, Jan. 7th.

Received a card from Bro. Frank Hansen in California. Glad to hear from you, Frank.

Your scribe's task is done. His assignment being completed he thanks all who helped him.

An article on our chaplain, Msgr. Francis J. Magner, and his appointment as Bishop of Marquette, Michigan, will be found on page one of the Columbian issue.

Tonti's Tournament to Engage Its Pinochle Experts in Real Play

1-3 Thurs. . . . 4221 W. Irving Park Rd.

Our next regular meeting, on Jan. 16, will be held in the upper hall. Our worthy lecturer, P.G.K. Gus Warnesson, has a pinochle tournament scheduled to start on this evening. Bros. Joseph Wiedemann, Walter Spatz and Frank Miller are the co-chairmen in charge. There will be an array of beautiful prizes for the winners.

These prizes will be on display every meeting night, for the duration of the tournament. Everybody is invited to take part in the tournament. Each contestant will play three games. There will be three players at every table. A game consists of nine deals, and every game must be played out and the scores kept.

After the series of three games have been played, the holders of the highest scores will receive prizes. The tournament will be staged over a period of five meeting nights, to allow the brothers ample time to complete their three-game series.

After the third night of play, no new contestants will be allowed to compete in the tournament, because the time will be too short to complete the required number of games. Every contestant must play three games a night, on three different meeting nights. Be sure to enter this tournament. It costs you nothing and you may be lucky enough to win one of the beautiful prizes.

It's another baby boy at the home of Bro. Joseph Spirek! Congratulations, Joe!

Today we introduce the personnel of the Lambrecht Jeweler team, composed of Bros. J. Schmehil, W. Nichols, H. LeBeau, R. Ruzkowski and E. Deka. This team was named in fond memory of the late Bro. William Lambrecht Jr.

Brother Lambrecht, who was a Sir Knight of LaSalle General Assembly, was always a firm believer in the theory that competitive sport was a great builder of character, and for that reason always gave generously of his time and material aid to help foster all types of competitive sports in Tonti Council.

He had long headed the administration of the jewelry business of William Lambrecht & Son, established in 1892 by Mr. Lambrecht, Sr., and located at Milwaukee and Western avenues. Brother Lambrecht was president of the Illinois Retail Jewelers' Association for the past several years. One of his last acts in the order was the promise of a gavel to each of the grand knights of Tonti Council.

TEAM STANDINGS

After holding the first place position for the past eight weeks, the powerful Mayfair Liquor team was pushed back into the second place by the Spencer Coal team. By taking three games from Bob's Trailer Service the Wiedemann Insurance team is now tied for first place. Lambrecht Jewelers won two games from Mayer Tailor and are now tied for second place. Roy's Tap Room won two games from Doc Groskie's team. The team standings to date are:

	W.	L.
Spencer Coals	29	19
Wiedemann Insurance	29	19
Mayfair Liquors	27	21
Lambrecht Jewelers	27	21
Bob's Trailer Service	24	24
Roy's Tap Room	23	25
Doc Groskie	18	30
Mayer Tailor	15	33

Washington's Meeting Is Tuesday, Jan. 7th; Big Attendance Urged

1-3 Tues. . . . . 503 Main St.

Notices have been sent out for the next regular meeting of the council, which wlil be held Tuesday, January 7th, at the usual place. Time, 8:30 p. m. This being the first meeting of the New Year, we look for a large attendance. One resolution you Brother Knights should make is to attend all meetings throughout the year, and keep it.

Another resolution to be made, is to attend the regular quarterly Communions, each fifth Sunday. Announcements are sent out far enough in advance, for you to make the necessary preparations. Last Sunday, Washington Council received Holy Communion on their regular quarterly Sunday, at Sacred Heart Church, Melrose Park. A very nice group of the brothers were on hand.

BLOOD DONORS

The Officers of Washington Council are very anxious to co-operate wholeheartedly with the State Blood Donors Officers, and to this etxent, we are asking you brothers to again hand in your names to the Recorder, so that he can arrange to have you typed and listed.

It is possible, if we can get enough volunteers, to have a technician come to one of our council meetings in the near future, and type right in the hall. However, in order to do this, we will have to have from ten to fifteen donors on hand. How about it.

Ouilmette's Bowlers Enter the Spotlight for Holiday Period

2-4 Mon. . . . . 1215 Wilmette Ave.

Well, well, we're finally back in print again. It seems as though the Christmas rush and the early deadline got ahold of our column in the past two weeks.

Although I don't have last week's bowling scores, I remember some of the highlights of last Thursday's session. The alleys were in top condition and the boys took full advantage of them. There were several 200 games. Among them were a 258 game by Bro. John Holzheimer and a 257 game by Bro. Frank Schopen. Bro. Dick Murray, who has been trying desperately to get his name in the Columbian as a 200 bowler, just failed to make it. For such special endeavor he gets his name in anyway. Incidentally, Bro. Dick's team, the Brawn Bros., who bowled against Bungalow Tavern last Thursday, are plenty hot under the collar since the boner they pulled last Thursday. Bungalow Tavern had two absentees and as substitutes Bro. Carl Schwall and I were picked. Now, since Bro. Carl had not bowled enough games to maintain an average in this league, his highest current average was used to decide his handicap. After each team had won one apiece and Brawn Bros. appeared to be losing the last game by a large margin, they asked Secretary Andy Schwall not to count Bro. Carl's score but in its place use the average of the absent bowler. Bro. Andy sustained this claim and consequently they lost the game by six pins! Had they left well enough alone they would have won by two. Were their faces red!

Bro. Harry Sieren sure knows how to treat a heckler when he meets one. A couple of weeks ago while bowling in the league he got a game of 85 and a series of some 300, and all the while Harry Roemer of Bungalow Tavern stood behind and jeered and kidded him. So after the league game Bro. Harrison A. Sieren challenged Harry R. to a series of three games at a buck a game. The challenge was accepted and Bro. Harrison A. promptly rolled a 600 series with two big 200 games. Of course he won.

Blue Island Bard Greets New Year in the Verse Way

1st and 3rd Tues., Gregory & New Sts.

ARE YOU AN ACTIVE MEMBER?

Are you an active member,
The kind that would be missed?
Or are you just contended
That your name is on the list?

Do you attend the meeting,
And mingle with the flock,
Or do you stay at home
And criticize and knock?

Do you take an active part
To help the work along,
Or are you satisfied to be
The kind that "just belong"?

Do you ever go to visit
A member who is sick?
Or leave the work to just a few
And talk about the clique?

There's quite a program scheduled
That I'm sure you've heard about,
And we'll appreciate it if you, too,
Will come and help is out.

So come to the meeting often
And help with hand and heart.
Don't be just a member,
But take an active part.

Think this over, member;
You know right from wrong.
Are you an active member,
Or do you just belong?

Well, here we are brothers, embarking on a new year, and I'm sure if we keep the above poem in mind it can't help but be successful. G. K. Dan Boyd and his various committees are working out a program that will interest and entertain every member, so let's all get up to that next meeting on Jan. 7 and find out what's going on. Don't forget Blue Island is sponsoring the first and second degrees on Jan. 21, and the third degree on Jan. 26 at St. Benedict's Hall. Let's get that new members now.

Time marches on, 1941 brings to five members of Blue Island Council honorary membership: Rev. Father Gross, Bros. M. J. O'Donnell, T. J. O'Neil, Herman Jauchzer and Wm. Henning are the young fellows.

And in the near future Blue Island Council will honor these gentlemen who have given much of their time and labor to help make our council the success it is. Bro. James Cannon, who finished his years of service during the past year, will also be honored on this night.

YEAR IN ADVANCE CLUB

Two more brothers joined the Year in Advance Club this week. Bro. Jos. M. McQuaid of Chicago and Bro. Albert Courtemanche, also of the big city, are the two newest members. Nice going, boys. Who will be next?

About a hundred members attended our quarterly communion last Sunday morning. For a rainy, dreary morning this was indeed gratifying to your officers. Noticed a few boys we haven't seen in quite a while. Amongst them were Matt Chistock, Dan Neary, Frank Daly, Sr., I. Komada, F. X. Rauwolf and Pop Freddeke. Good to see you fellows. Let's see you more often.

BOWLING

With the boys on a two weeks' vacation, the Haas Tavern team is safely perched in first place, but they had better beware, the boys will be gunning for them starting this week. On Jan. 25 the bowling league will hold its annual party. Keep your eyes open for further news on this party. It's always a wow!

CONDOLENCES

The angel of death took the mother of Clio Roulo last Saturday. To Clio and his family we send our deepest sympathy. May her soul rest in peace.

Bro. Dick Walsh is confined to St. Francis Hospital. Drop in and see him. He'll be glad to see you.

La Rabida Fourths to Meet on January 9th; Dinner at Hofmann's

2-4 Tues. . . . . 6236 Princeton Ave.

La Rabida's Fourth Degree Club will hold its regular monthly meeting on Thursday evening, January 9th, at Hofmann's Grill, 821 West 69th St.

This will be the third successive month that the membership has voted to hold its meeting at Hofmann's Grill, and to partake of a delicious steak dinner that will be served promptly at seven o'clock. This fact alone augurs well for the reputation of Hofmann's foods. This is truly an occasion when we can break bread together in the festive spirit of the season. Let us hope that every member of the club will avail himself of this opportunity to be with us.

La Rabida's Bowing League will resume its weekly bowling sessions on Monday, Jan. 6th, at the Legion Alleys, 7550 Cottage Grove. Any member of the council who might desire to see bowling at its best would do well to watch the boys perform some Monday night. Play starts promptly at seven o'clock.

The individual bowling averages to date are as follows: Wm. Lyman, 179; Frank McCauley, 173; Dan. Ahearn, 168; Don Blakemore, 166; J. Kohen, 166; Ray Mahoney, 164; Richard Evans, 158; Emmett Cassidy, 157; J. Milianta, 155; Chas. Inman, 154; Harry Dion, 152; B. Carr, 152; Joe Cassidy, 146; Abe Lubaski, 146; Jerome Crowley, 144; C. Trudeau, 144; Joe Cognac, 142; James Cogan, 141; Frank Florian, 140; Richard McLaughlin, 137; Roy Capple, 136; Con Driscoll, 134; Harry Trotter, 130, and Basil Giaretta, 125.

NEXT MEETING

The next meeting of La Rabida Council will be held on Tuesday evening, Jan. 14th. Keep this date in mind, Brothers, as it will be the finest meeting of the New Year and no doubt our Lecturer, John Latchford, will divulge his plans for council activities for the succeeding six months.

FOURTH DEGREE

As heretofore mentioned, the annual exemplification of the Fourth Degree will take place on Feb. 23rd, at the Palmer House. La Rabida Council usually has three or four candidates for this degree each year and, of course, this year should be no exception. If you have a likely candidate for this degree, why wouldn't it be a good idea to bring him over to Hofmann's Grill on January 9th, and let him meet the Fourth Degree members of the Council?

Weber Completes All Plans for Extra Fine Party on Sat., Feb. 1

1-3 Mon. . . . . 4758 S. Pulaski Rd.

The first meeting of the new year of 1941 will be on Monday, Jan. 6. Let us make a New Year's resolution to attend the meetings regularly. This meeting night will be an appropriate time to get yourself off of the delinquent list if in arrears for your dues of 1940. Don't hesitate, because all of your council bills must be paid in 1940—and not the end of the year 1941. Why not act now or visit the financial secretary at his home office, 4738 S. Springfield Ave., or mail your check or money order?

COUNCIL DANCE

Plans for the third annual pre-Lenten dance are nearly completed by Chairman Chancelor Steve Jas and his diligent committee, Sir Knight John Zolna and Chester Nowaczyk. The date is Saturday, Feb. 1, 1941, at the new club hall, 4758 S. Pulaski Rd. Tickets 40 cents. Music by the new and original Art's Rhythm Rascals. Each member is asked to cooperate by selling at least one ticket a week or four tickets in the four weeks left as well as bringing in a well-wisher or a few patrons for our program book. During this week each member will have in his possession a letter with four tickets.

We overlooked that Sir Knight John Zolna celebrated his birthday Dec. 26. We hope you had a good time, Johnny.

The first night of bowling in the new year will be Wednesday, Jan. 8, 8:30 p. m.

Bro. John ("Goon") Zdziarski has played Santa to an attractive young miss, Irene Weglarski, by presenting to her an engagement ring Christmas Eve. The engagement was celebrated Saturday, Dec. 28, at the club hall. Congratulations, Bro. John, and when will the wedding bells ring?

San Salvador Expects Membership Increase During Next Year

2-4 Mon. . . . . 24 E. 114th Place

Well, here we are on the threshold of a brand new year. Many fine things were accomplished by the Council in the year just past. However, to review the occurrences in any detail, would require too much space, and thereby getting us in bad with ye Ed. In any event, we take this opportunity to express, in the name of the officers of San Salvador, our grateful appreciation to any and all who gave their faithful support to the Council in 1940. So much for last year.

As we gaze into the future and see the days of 1941 lined up to start their march, let us resolve that as the days pass, we, each and every one of us, will help in some manner, any activity the Council may engage in. First and foremost, we believe, is the matter of membership.

At this point, we would like to offer a little idea of our own for your consideration. Here it is: Each member of San Salvador take it upon himself to secure at least one member during 1941. Think what that would mean. It means that San Salvador would have double the manpower that we have today. If such a program could be fulfilled, why, there just wouldn't be any Council undertaking that wouldn't be a huge success. So, think it over, men, and promise yourself that you won't be the one who doesn't bring in at least one candidate.

We are indeed pleased to report that Bro. Walt Dreher is again back on the job and feeling fairly well, despite his long siege of illness. Fr. Chiminello extends an invitation to all, to visit the beautiful crib erected at St. Anthony's Church.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Dowling Officers Pledge Continued Success for 1941

1st and 3rd Tues., 3625 S. Hoyne Ave.

Now that we have finished the year of 1940 our Grand Knight expresses the opinion that it was a very encouraging and prosperous year for our council, both from a progressive and a social standpoint; he has nevertheless set out with the firm determination to pass our previous year's record and make 1941 one of the best years in our history. He will leave nothing undone to add to the pleasures of our members and with his committees he will strive for further success.

Grand Knight Frank J. Barker wishes to express his thanks to his fellow officers and committees for the wonderful support and co-operation they have given him for the past year. He is also mindful of the members on the sidelines and is grateful to them also and solicits their continued support.

MEMBERSHIP

We are in the midst of a membership campaign and our chairman of membership, D. G. K. John Deschner, is anxiously awaiting that real Dowling finish. We have a quota to reach and at present results are far from our Grand Knight's expectations, and he is asking that the members get behind our chairman and make our drive successful. We have plenty of territory to cover and I am sure that right in your vicinity you have some Catholic gentleman that is only waiting for an invitation to join our order, and if you would ask he would gladly join. Keep a blank application in your pocket and when the time arises you will be ready to have a prospect sign up. Have him fill out the application and then mail it to our recorder, Tom Gallagher, and he will do the rest.

It is not very pleasant to be harping on this subject, but you realize it takes new members to keep a council progressive and active, and you are just as much concerned as your officers and therefore you should become interested. It would be a great gift to our Grand Knight if we would step out and give him a class for the month of January. Let's get that real spirit and turn in at least one application per member.

FOURTH DEGREE EXEMPLIFICATION

The time for the next fourth degree class is drawing close and if you are contemplating taking this degree you should be preparing for it now. The first thing to do is to declare your intentions by signing an application for advancement.

The exemplification will take place on Sunday, Feb. 23, 1941, at the Palmer House and our master, Jos. McMahon, is desirous of having a large class and especially so from our council, of which our State Deputy is a Past Grand Knight.

If you are interested ask any fourth degree member for an application or see Bro. Geo. Spencer or John Struve for particulars.

BLOOD DONOR COMMITTEE

P. G. K. Raymond Gerber is endeavoring to have our council organize a blood donor group and would appreciate any support you will give him. Bro. Gerber is co-operating with State Chairman Bob DuMais and in the near future will have our members typed and give a report. If you wish to assist him, turn in your name and address and he will contact you.

Our first meeting of the new year will be Tuesday, Jan. 7, at St. Maurice's Hall. The meetings are started promptly at 8:30 p. m. and are finished at a reasonable hour. It would be a good idea to resolve to attend your council meetings. The chairman of entertainment for the month of January is Bro. Martin Holland, and he has had plenty of experience and I can safely predict a very interesting month under his guidance. He has plans for a past chaplains' night during the month and I will give you more details as to this affair from time to time.

We also have a drawing every meeting and you may be a lucky member. Come up and join us Jan. 7.

NOTES

Bro. Chas. Juric advises me that you can still turn in your Christmas Cheer contribution or send it to the Chicago Chapter if you have not done so as yet.

Bro. Adolph Lampa of 4511 S. Laflin street, one of the younger members of our council, is the proud daddy of a baby girl born Friday, Dec. 20, at the German Deaconess Hospital. The mother and baby are doing fine and Adolph is a little chesty. Congratulations, Mr. and Mrs. Lampa.

We miss Bro. Augie Trapp at our meetings and would like to see him occasionally. Harry Lorden is very proud of his church that he had on exhibition during the holidays. He claims he has everything in it that belongs in a church.

PIN TUMBLERS

The bowling was a little off last week because Marozana gave us new pins and this caused many railroads. We can add a new jockey to the stable, though, for last Thursday our school teacher friend, John Sheehy, surely did plenty of riding, using his Irish wit.

Art Christian had a new heart throb watching him bowl and he did not give her a very good exhibition. It seems funny that Art gets a new girl around Christmas. What is the secret? Mart Cady could not get going last week. It must have been too much turkey or because his son came to watch him. Better luck next week, Mart.

The Dunne General Tires are surely going to town. They are now in first place by five games. They won two while the Dr. Michels were losing three games. John Francis Hartnett was urging the owner of the bowling alleys, Carl Marzano, for half an hour trying to get him to reinstate in our council. Nice work, John.

SCRIBE'S NOTE

At the finish of this year of 1940 I want to thank my fellow officers, members of the council and the officers of the bowling league for their kind co-operation for my column in The Columbian and wish to advise them that I am open for criticism and welcome suggestions that would improve their column. I also wish to thank the editor, Bro. Harold DuChateau, for his kindness to me and our council during the year.

McHale Expects Good Scores from Team in State Bowling Meeting

1-3 Tuesdays - - - - - 150 W. 69th St.

Our next regular meeting will be Tuesday nite, January 7th, this will be our first gathering of the new year, there are several items to be discussed, particularly our new Insurance plans and the question of reducing our present initiation fee. There is an old saying (that the more you tell, the more you sell), get the facts so that you may be able to present the new plans intelligently to your prospective candidates.

BOWLING TOURNAMENT

Don't forget the date, January 18th, at the C.Y.O. alleys located at Congress and Wabash Ave. at 7:30 P. M. Its the annual bowling tournament and there is no admission charge to this event. We will have 45 members of our council bowling to uphold the tradition of McHale in placing our teams among the winner's, so let's have a large turnout to give the boy's some real suport. Sunday, Jan. 19th, the day following will see the Single and Doubles event, starting at 2:30 P. M. Bro. Chas. Catunas, Pres. of our bowling league, has worked hard along with P.G.K. Bill Collins to see that all our bowlers are taken care of.

Last Monday nite was no exception to those hot contests that are going on each week at the Woodlawn alley's. Moniger Jeweler's won (2), American Tailors (1), Maher's (2), Cramsie's (1), after the third game had finished in a tie, Kelly's (2), O'Brien's (1), Cronin Cleaner's (2), Mack Boilers (1), and if you don't think that Mack was boiling come up some time. Some fine score's for the nite were Berta's 213, 202, 211, P.G.K. Perona 210, 204, 214; Leo Kareiva and Johnny Cordon (200) each. This gives you an idea of what can happen Jan. 18th.

Our Dinner dance is set for Feb. 8th, at the Shoreland Hotel, 55th and the lake, a spot that has the approval of all McHale. Get up a party of friends and place your reservations early. First come first served.

Baseball Nite is February 18th, and we will have a showing of that new baseball picture "Batting Around the American League." This picture is at present packing in the fans at the loop theaters. This will be an open meeting. The Ladies are ESPECIALLY invited.

CONGRATULATIONS

To Bro. Tom Garvin, who on Saturday, December 21st, celebrated his twenty-fifth anniversary with the Continental Illinois National Bank & Trust Co., 231 South La Salle St. We of McHale wish to extend our most sincere congratulations, and wish him even greater success in the future. To our Inside guard Bro. Frank Mulroy, who on Xmas Eve presented to his very charming girl friend Miss Eileen Boland a beautiful diamond engagement ring. We hear that the Wedding Bells are going to ring some time in August. We wish good luck to you both. Frankie also broke out with a new automobile!

Past Grand Knight, Jerry Sheehan, recently received an appointment from the Governor, as Ring Inspector. "Don't rush boys for the free passes!" This is a similar appointment held by Jim Farley in the State of New York.

The Fourth Degree members of our council, recently passed up a big party and turkey award so that they could be present at our memorial service. That sure was swell of you fellows, and very much appreciated by your Grand Knight.

Your Lecturer is still pinch hitting for our scribe Jim Duffy, if you have any dope on the members or council... Call Englewood 5151.

DE LA SALLE MOURNS DEATH OF P.G.K. KANE

1-3 Tues. . . . . 1105 E. 47th St.

This council, through its visiting committee, extended sympathy to the bereaved family, presented Mass Cards and prayed at the bier of its beloved Past Grand Knight, Thomas Kane, last week. Our committee was cordially received by the lovely Mrs. Kane, Jr., and made acquainted with the incidents just prior to the death of its esteemed brother knight.

Our P. G. K. Kane died very suddenly from heart attack while preparing for an auto ride. The wake was held at the beautiful family residence, 315 Sterling Rd., Kenilworth, Illinois, and brought friends by the score to pay respect. Thomas Kane had lived in this lovely new home with his happy family for only one year when God in His infinite wisdom called his lovely wife, the late Teresa Gavin Kane, to her eternal reward. Tom had labored unceasingly to provide well for his family and had personally planned the French colonial home, with its spacious grounds and well kept gardens. He loved his flowers and all of nature's beauties.

As an exemplary father he was likewise a true follower and believer in Knighthood and had attained the highest degree in the Knights of Columbus, that of being a Fourth Degree Sir Knight. He served De La Salle faithfully for many years, so winning the hearts and esteem of its members that they elected him to the office of Grand Knight in 1910. As an officer of the council he not only gave a commendable administration, but favored it with the candid wisdom of an open minded business executive.

Tom had lived in the new home of his desire only nine years when death called. Up to the end he had been active in his business as president of the Kane Fuel Co. at 1815 North Ashland Ave., having built it from a very small coal yard to one of the finest merchandisers of fuel in the city.

The funeral was conducted from the family residence to St. Joseph's Church, where a Requiem Mass was sung, Saturday, December 28, 9:30 a. m. The church was filled with Tom's friends who attended to bid adieu in tearful reverence. Father Newman, pastor of St. Joseph's Church of Wilmette, gave the consoling eulogy. At the conclusion of these beautiful services the long funeral cortege accompanied Tom to his last earthly resting place in Calvary Cemetery.

Thomas J. Kane is survived by two sons, William J. and Thomas J., Jr.; one daughter, Camilla; two brothers, Maurice and Patrick Farrell; two sisters, Elizabeth Farell and Margaret Morgan. To the members of the bereaved family we offer our deepest sympathy and bid them be of good heart. We of De La Salle Council will offer our prayers beseeching God in His mercy to give Bro. Tom Kane eternal life.

Our committee forming the delegation calling at the Kane family was: John Husung, G. K.; John Wideman, P. G. K.; John Sullivan, Alexander MacDonald, P. G. K., and Patrick F. Clarke, P. G. K. The council appreciates the goodwill these ambassadors convey and trusts that this brotherly spirit permeates throughout the entire membership for all time to come.

THANKS TO PEREZ COUNCIL

At the invitation of D. D. Ed. Molyneaux a delegation from De La Salle, consisting of John Husung, G. K.; Alex MacDonald, P. G. K., and James Young, Warden, visited at Father Perez Council, attending their regular business meeting of Dec. 19th and their annual Christmas Party afterward. The delegates report that they were accorded regal honors, being asked to seats on the rostrum with Grand Knight Norman Northam and given further honor by floor recognition. A swell, delicious turkey dinner was served to all by the workers of Perez and our delegates were seated at the guests' table, joined by P. G. K. George Whal, P. G. K. Ed. Johnson, Editor Ed Molyneaux and Bros. Pat Murphy, and others. A unique present consisting of an automatic pencil with the name of "Father Perez Council, No. 1444, K. of C.," was presented to everyone by the Santa Claus of Perez Council. A very interesting and comical vaudeville act was presented immediately following the singing of hymns and carols by the Perez Glee Club. Our delegates had a dandy time and extended an invitation to Perez Council to call on our council, after thanking the boys for the evening of entertainment.

WANTED

A capacity crowd is wanted at our next regular meeting, January 7, 1941. It is inspiring to have a full house (in cards) or in a meeting and to insure a good start for the new year a big attendance is the right spirit and a sure sign that your membership is stimulating. Attendance award is presented at each meeting and your chance of winning is as good as your neighbor's. After a short business meeting sandwiches, relishes, cakes and coffee will be set out buffet style by Chef Bill Bardon. At the second meeting in January, on Tuesday night, January 21st, our program chairman, Joe O'Brien, has scheduled another interesting sound movie so here again is an evening of fun and companionship with boys of your faith. The officers join in wishing all a Happy New Year.

Feehan Suggests That New Year Resolutions Concern Jan. 22 Party

2-4 Tuesdays - - - Hamlin and Madison

We hope that in your list of New Year's resolutions, Jan. 22nd (the date of our big party) occupies first place. It should read like this: "I hereby resolve to make Jan. 22 the biggest date in the history of Feehan Council." If you make this resolution and keep it, then it will indeed be a big night. On Thursday night a meeting was held at the bowling alleys to put a little heat on the campaign. From now on let's really go to town with these tickets.

BOWLING

On Thursday night the bowling league took time out from its regular schedule to stage a "doubles sweepstakes." Twenty-four teams entered the competition which was run on a handicap basis. The prizes were as follows: First, $15.00; second, $7.00; third, $5.00; fourth, $3.00; fifth, $3.00, and sixth, $3.00. First prize was taken by Len. McSteen and his partner, "Man-of-the-Hour" Morrissey, who bowled 40 pins over his 150 average. Len was also well over his average as the boys, with a 253 pin handicap collected 1349 and $7.50 per each. Second money was snatched by the team of Jimmy Shea and Geo. Gleason. This outfit was red hot at the start, getting a 410 total without the handicap, on the first game. Thereafter they settled down to their usual pace, but the "early foot" was sufficient to carry them home in the runner-up spot with 1317.

Third prize went to Bill Barrett and Joe Motto who garnered 1277 pins with a 237 pin handicap. Turk Fogarty had himself a good night, hooking up with Johnny Williams to snatch fourth money with a 1271 total. Fifth prize was won by Barney Miller and Jay Gleason who totaled 1225, and the final award went to Johnny Riley and Frank Tamburrino with 1220. Big games were rolled by Ed Morrissey (221), Jim Shea (217), Bill Barrett (203) and Turk Fogarty (215).

Word has just arrived that the Feehan Majors tapped the maples for close to 2800 in the C.B.A. Tourney. This is a handicap affair and should find the boys in the money at the finish. Ed Lopina was the head man with 647.

LOST AND FOUND

Pop Edler reports having found a very fine pair of children's woolen gloves as he was leaving the Christmas Party. They are green, and may be had by giving Pop a buzz.

Dowling has been presented with a motion picture camera for Christmas. We mention this so that the other amateur "Cecil DeMilles" in the council, some of whom have shots of "Love and Kisses" in action, can get up their guard, just in case the lad is looking for revenge.

Congratulations — To Bro. Robert Mullins who took his third degree last week. And to Bros. Harry Kampf and John L. Golden, who celebrate their birthdays this week.

McMahon Charts Plans for Outstanding Fourth Degree

February 23 Class Planned as Testimonial to Archbishop Stritch Will Be One of Finest in Recent Years

Headed by Joseph A. McMahon, Master of the Fourth Degree, for the Northern District of Illinois, a group of hard-working Sir Knights is now preparing for the 38th annual exemplification of the Fourth Degree in this district on Sunday, February 23rd, at the Palmer House.

The class, dedicated as a testimonial to His Excellency, Archbishop Samuel A. Stritch, will be the first induction since the archbishop's arrival in Chicago last March when he took over the leadership of the world's largest Catholic archdiocese here.

Assisting Master McMahon in the exemplification ceremonials will be the same degree team that has so capably assisted the master for the last several years. It is composed of the following well known Knights of Columbus leaders: John M. Lee of General Sherman Council, Edward J. Sullivan of De Soto, James Murphy of Calumet, Patrick Woods of St. Philip Neri, Edmond J. Molyneux of Father Perez, Rev. William J. Gorman of Commodore Barry, and John B. McGuire of University Council.

Many Applications In

Applications for the honor of candidacy in the Archbishop Stritch testimonial class are well in advance of those of other years according to Master McMahon, who stated that "an unusual number of Councils have already submitted their lists of assured candidates. Each day these are being augmented by individual applications so that we reasonably hope for one of the largest classes in recent years."

Among the applications now on hand are two from Hennepin Shields Council which include that of Edward J. Hughes, Secretary of State in Illinois, and George Lynch, retired captain of the Austin police district.

Newman Council at Evanston still leads all local units in the number of applications submitted. Its list of candidates is expected to near fifty by the date of the degree. Kenneth Lawson, Grand Knight of Newman, and Past Grand Knights, E. Norman Muldoon, and Edward Atchison are among the large group who have filed application forms.

Other Councils throughout the city are pressing closely behind the Evanston unit with several reporting reservations for a dozen or more candidates. Twenty-three Councils have listed the applications of two and three candidates each, while a score of others have entered at least one application.

Reservations for the banquet on Sunday evening following the degree ceremonials, are also in advance of expectations, McMahon reported. It is expected that every Council in the jurisdiction will be well represented at these festivities in order to welcome their new initiates and as an honor to Archbishop Stritch.

Banquet reservations may be placed with the individual Grand Knights or directly with Henry J. Lynch, Secretary to the Master, at 155 N. Clark St., Room 1605.

Qualifications for Degree

Qualifications for admittance into Fourth Degree membership include: (1) Citizenship in the United States and at least 21 years of age. (2) Good standing in the Third Degree for at least two years preceeding the date of application. (3) A certificate signed by a priest showing the candidate has received Holy Communion within two weeks immediately preceeding the exemplification.

ST. CYR COUNCIL HOLDS POST-NEW YEAR PARTY SATURDAY AT LIONS' HALL

St. Cyr Council will sponsor its annual post-New Year's eve party tomorrow evening, Jan. 11, in the form of a huge dance and entertainment at the Lion's Hall, 4306 West North avenue.

The dance committee, headed by Marco de Stefano, Past Grand Knight of St. Cyr Council, has secured two talented orchestras to provide dance music in both halls. Refreshments and an elaborate entertainment program will also be offered.

Dancing will begin at 9 o'clock Saturday evening. All members of the Order and their friends are invited to attend.

HOUGH TESTIMONIAL PARTY IS ANNOUNCED FOR SATURDAY, JAN. 29

Final arrangements have now been completed for the testimonial party to be sponsored by Father O'Connor Council on Saturday, January 25, for veteran knight, Martin J. Hough. The testimonal entertainment and dance will be held at Queen of Angels Guild Hall, 4412 N. Western Avenue.

A Past Grand Knight of Father O'Connor Council and a leading figure in the organization of many K. of C. activities in this state, "Marty" Hough is well known to thousands of local members. As a popular degree officer of some years ago he literally enjoyed the friendship of almost every Knight of Columbus in Illinois. He has served as Chairman of the Chicago Chapter's Christmas Cheer Committee for the last several years.

Marty is also a famous lightweight boxer of some forty years ago. His ring career was conducted under the sobriquet of "Tommy Smith," a name that will recall all the fighting qualities of a champion to many a ring fan. Following Marty's ring career he became engaged in sports promotion for poor boys and was long engaged with the Hearst papers in Chicago. Recurrent sieges of ill health have increasingly limited his activities during the past few years.

All Knights of Columbus and their friends are invited to attend the Hough testimonial entertainment and dance next January 25th. Ticket orders or patrons' contributions may be sent to Wm. P. King, Treasurer, at 4849 North Lipps Avenue, Chicago, Illinois.

Christmas Cheer Asks Late Gifts to Fulfill Quota

Needs Exceed Funds in Chapter's Annual Gift Distribution to Catholic Needy

By Harry Gerardin

Even the job of writing about Christmas is a chore now, with Santa Claus safely back home and already in lounging attire. How then to catch the attention of members who have neglected to send their donations to Christmas Cheer?

If the eyes of any such light upon this final article about Christmas Cheer visits and gifts to institution poor, please believe me, your contribution to the fund is welcome and needed.

Presents Are in Use

The presents are in use. The little old grandmother at Old People's Home, all her family gone before her, is quite the peacock in her new shawl. On the men's side, there's fresh tobacco in the old tobacco pouch and also a new pipe to break in. The Knights of Columbus sent these things. The money came from individual, voluntary donations from our members. Did you contribute?

It is a satisfying thought that the baby with its bright little pull toy has to thank for it—that the kids around Johnny with his new game have gifts of their own which they prize just as highly and which they possess because you contributed to the general Christmas Cheer fund. You may still have a part in that good feeling if you will send in your donation to committee headquarters at 173 W. Madison St.

Substantial Contributions

Many have sent very substantial contributions and these I should like to list by councils by way of acknowledgment. Continuing from last week, the roll includes:

Americus Council, Michael A. McGrath; Fort Dearborn, Fred Ernst and George Ernst; General Sherman, Thomas M. Conley; Genoa, Daniel J. Conerty; Hennepin-Shields, William A. Cahill; Illinois, John T. Lillis and Philip J. Foley.

LaFayette Council was represented in this list by Dr. John F. Tenczan, W. J. Farrell, The LaFayette Bowlers, LaFourthe, F. J. Shamroski, Francis J.

ALFRED E. SMITH SPEAKS IN BEHALF OF AID FOR GREAT BRITAIN TONIGHT

Former Governor Alfred E. Smith, who observed his 67th birthday anniversary recently with a call for American "dynamic non-belligerence," will speak in behalf of aid for Great Britain in a Columbia network broadcast Friday, Jan. 10, at 9:00 to 9:15 C.S.T. The Chicago outlet will be station WBBM.

In a birthday press interview at his office in the Empire State building, Mr. Smith, political opponent of President Roosevelt for years, said he was "heartily in accord" with the administration's policy of helping Britain, according to the New York Times.

Membership Gains Prove Efficiency of New Degree System

All Districts in City to Sponsor Initial and Major Degrees During January

As if to prove the efficiency of the sectional degree work scheduled for the Cook County Councils by State Deputy Judge John F. Bolton and Chairman Guy Maccina, the Illinois jurisdiction this week spectacularly leapt into position with the leading State Councils of the nation in the Order's race for membership gains.

At the beginning of December, when the sectional degree system was put into actual operation, Illinois stood in fifth place among all State Councils with some 463 membership additions to its credit for the six month period following the start of the new fiscal year that began on July 1.

By mid-December, and as the sectional degree swung into operation, 181 new members were inducted to put Illinois in a tie for the fourth place with Michigan. Further reports from the Supreme Office, but not including first returns to December 31, show an ever increasing gain so that now only Quebec and New York, perennial leaders, top the Illinois jurisdiction. These latest returns credit the local councils with 691 new applications, fifteen more than Ohio the nearest rival.

More Degrees This Month

This month will see a quickening of all local council membership efforts.

BISHOP SHEIL AND STATE DEPUTY TO OPEN STATE BOWLING MEET JAN. 11

His Excellency, Bishop Bernard J. Sheil and State Deputy, Judge John F. Bolton will officially open the tenth annual K. of C. State Bowling Tournament at 8:30 P. M. next Saturday, January 11, at the C.Y.O. Recreation Center, Congress and Wabash.

Following the inaugural ceremonies, teams composed of District Deputies, officers of the Chicago Chapter, the Fourth Degree and Grand Knights of the various councils will roll the opening series of the tournament.

Special prizes are to be given for this opening event and it is expected that every council in the jurisdiction will have its Grand Knight represented.

Special All-Star Match

A special All-Star match will be the feature event on the schedule for the bowling Sunday afternoon. Master of the Fourth Degree, Joseph A. McMahon, will award his trophy to the winners of this event another account of which may be found on the regular sports page (page 12) of this issue.

To date 450 doubles and 900 singles have submitted entries for this year's tournament to make it the largest ever held here.

A handicap system, adopted for the first time last year, will again be used in the interest of the many "dub" but ardent bowling fans who in other years were closed out of any chance at the many special awards.

Membership Gains—

(Continued from page 1)

Every division throughout the city is scheduled to sponsor a major as well as several initial degree classes before the end of the month.

First of the January exemplifications will be the Third Degree conducted at 8:30 this evening at Belmont Hall, Belmont and Clark St., for the Councils of North Division No. 2.

At 2:30 Sunday afternoon, Jan. 19, North Division No. 1 will sponsor its Third Degree at St. Anastasia School Hall, Glenflora and Ash Streets, Waukegan. The ceremonials will be under the direction of D.D. Judge James F. Corcoran, who requests all participating Grand Knights to notify him of the number of candidates expected from their Councils.

St. Anthony de Padua Council will sponsor the First and Second Degrees to all waiting candidates of the Councils in West Division No. 3, at their meeting hall, Schiller and Gustave Streets, Franklin Park, on Thursday night, January 16th. District Deputy Marco De Stefano, who has been placed in charge of this degree, requests that the Financial Secretaries arrange to have the candidates at the hall before 8:30 P. M.

Pope Urges Youth to Work for New Society

Vatican City.—The opportunity of the youth of today to work for the future reconstruction of society on Christian bases was pointed out by Pipe Pius XII in an audience granted to a large throng of members of Feminine Youth of Italian Catholic Action.

Speaking to the assemblage in the Court of St. Damasus, the Pope said: "The present hour is the hour of devastation, but so much the more is it for you the hour of trustful and intense work for the advantage of your beloved country and of your neighbors, brothers and sisters in the charity of Christ. Tomorrow, if the world does not want to remain forever buried in the shadow of death, it must endeavor to repair and to raise itself again on its ruins. Then it will be the moment of your collaboration, O Catholic youth!

"Oh, what beautiful works await your concurrence! To reconstruct society on Christian bases; to bring back the Gospel and its moral to esteem and honor; to renew the family by bringing back the halo of its sacramental dignity to marriage, the sense of their obligations to married couples and the consciousness of their responsibility; to reaffirm—in all ranks of society—the genuine notion of authority, of discipline, of respect for the social orders, of the reciprocal rights and duties of the human person. That is your tomorrow."

Ask Large Fourth Degree Class

State Deputy Judge John F. Bolton, and Master of the Fourth Degree Joseph A. McMahon, are currently engaged in the promotion of the February 23 exemplification of the Patriotic Degree at the Palmer House here.

Master McMahon, under whose direction the ceremonials are conducted, announced recently that this year's class, his second as master for the Northern District of Illinois, will be dedicated as a testimonial to His Excellency, Archbishop Samuel A. Stritch.

Ravenswood Asks for More General Interest in Meet Attendance

1-3 Wed. . . . . 1521 Wilson Ave.

One of the things your reporter neglected to remind all the members of was the need for a general New Year resolution concerning meeting attendance. Since the writer became a member of Ravenswood Council, the turnout for meetings hasn't decreased, but neither has it increased any appreciable amount. There is a definite need for larger gatherings in order that our Lecturer, Art Collins, may plan entertainment that of necessity requires a large number of spectators or participants.

The ordinary fraternal organization doesn't expect more than a small percentage of its members in good standing to attend any one meeting, but there is no good reason why Ravenswood should be an ordinary organization. Let us hope that the "regulars" will have the pleasure this year of becoming re-acquainted with at least a few of the members who haven't been around in, oh so long. Your presence at business meetings and other council functions helps to express your appreciation to our Grand Knight, his fellow officers and committee men for the time and effort they expend in service for us.

After the holiday season there always seems to be a let-down, but our membership committee and its chairman, Dick Kenney, are putting in a lot of time going over lists of prospective members, drafting introductory letters and perfecting their selling technique. They expect every member to turn in at least one prospect who eventually will become a member or to bring in a signed membership application. In merely asking for the names of prospects, they surely aren't overtaxing anyone, when all that is necessary for one to do, is to jot down the names of a few Catholic men who would make good knights and then give the list to Bro. Kenney. Do it now.

NEWSETTES

G.K. and Mrs. Morgan entertained a large group of relatives the last Sunday of 1940. By the noise overheard on the telephone and the difficulty experienced in tearing Bro. Morgan away from the festive board, everyone must have had a wonderful time. . . . Trustee Ed Arend is still telling the fellows that married life is all the good things people say it is. You tell 'em Ed, you've got a sound subject there . . . The Friday Night Fish Fry and Gentleman's Aid Society is still meeting regularly. Holidays, seasons and politicians come and go, but the Fish Fry goes on forever. Did you ever wonder why that particular title was chosen? Could it be because the name Mr. Barnum used in describing the populace, also describes a species of marine life.

We are sorry to hear the illness that laid Doc. A. J. McCambridge low this fall has kept him from returning to his usual happy state of health. Buck up, Doc, drilling and blasting is coming into its own and I know you'll soon be good as ever . . . Joe P. Grady has been limping around for awhile on a game leg—passes all questions off with a shrug and mumbles something vague about "a fall." . . . Chancellor Clem Mawicke spent a few days at home the past week in order to give an approaching "flu storm" the go-by, but he's back on the job again.

Been wondering how Bro. Joe Gast is enjoying himself in the southland. Smart guy this Joe Gast, he believes Chicago is a fine place to spend your time, especially if you limit your stay to six or seven warm months a year . . . Haven't heard from Al Courvoisier since he went away with the Naval Reserve. Hope he's enjoying himself and not having to work too hard . . . Ravenswood's other militaristic gentleman, Bill Collins, may be off to camp any day now. Here's hoping they both get to be big-shots or brass-hats or whatever a "boss" is called in the service.

Don't forget the meeting next Wednesday evening.

Aquinas Lays Stress on Prompt Attention to Order Obligations

1-3 Tues. . . . . 6048 S. Ashland Ave.

The old year has bid us farewell and with its passing one thing should remain uppermost in our minds and that is the clearing up of our obligations to the council for the past year. A statement of these obligations will be mailed to each and every one of you by our financial secretary Ed Fennell. If any member finds his statement incorrect, contact Ed immediately and corrections will be made. Our members' wives and mothers should always be interested in these matters, as the insurance policies are for their protection and should be guarded against lapsation at all times.

All insurance laws are very strict and no council officer can disregard them to favor a member. Ed Fennell has been an efficient and loyal officer. While members must come to meetings to pay their obligations or mail them, he has at all times cooperated by accepting their dues and assessments at his home, and in many cases going to the homes of members. So in all fairness to yourselves and to him, kindly get busy on this matter.

FOURTH DEGREE

Sunday, February 23rd, there will be an exemplification of the Fourth Degree at the Palmer House, Chicago. This is the highest degree in the Knights of Columbus and in these trying times of War and Strife, this degree, being Patriotic and Religious in nature should be taken by all who are eligible. For particulars of this degree, see your Financial Secretary, Ed Fennell, or your G.K., Dr. Hebenstreit.

MEMBERSHIP

Right now is the time to get busy on that prospective new member you have been meaning to contact for so long but just haven't been able to find time. There are just a few men in the Council who have brought in applications for new members in the past few years. Let's get busy and make our slogan "For every member a new member," and just watch the applications pile up. It will remind you of the postoffices in the midst of the Christmas rush, so lend your shoulder to the wheel and push, push, push.

SANTA MARIA PRESENTS A FEW RESOLUTIONS

2-4 Thurs. . . . . 9120 Commercial Ave.

We all know that most New Year's resolutions are made to be broken, but here are a few that we managed to pick up (or make up) for some of our members. Let's just see how good we are as a seer and maybe 1941 will bring many of them true. Be it resolved by:

The Rev. Father Terlecke, our chaplain, to always be on hand to give us many of his inspirational and timely chats under the Good of the Order. GK Al Schott, to continue being the swell grand knight that he has been. DGK Joseph Komar, to be as active and ready to always lend a helping hand as he has been, and to give us many more good times with his co-helper, Lecturer James Malloy. Need Maurice Crotty tell us that he means to keep right on being the watch dog of the treasury? We know he will.

Financial Secretary John Crowe resolves to get the stick after those lagging members. Let his resolution be yours too. Your dues should always be your first consideration. Recording Secretary An. Tiller says he will cheerfully read all communications. And that he will even read them twice for such exacting brothers as Bro. John McManus!

PGK James Brown promises to be the best chairman of the membership committee we ever will have. He is the first to hold that office, as it was permanently created last June. PGK James Connors is fighting hard to combat his severe illness, and be with us again just as he always used to do.

Bro. Louis Le Marbe, one of our most faithful attenders at meetings, says he will be back again just as soon as he recovers from his recent eye operation. That's the spirit!

Bro. Joseph Dagnillo promises not to let his new florist business at 81st and Stony Island take up all of his Thursday evenings. Bro. Starcevich stands up and loudly affirms—no more burned-up alleys for him. He is one of our star bowlers and recently was ribbed for removing the finish from an alley. Bro. Hal Motz, another of our bowling stars, promises to be as habitual on Thursday meeting nights as he has been on Tuesdays at the Cheltenham alleys.

Seems like our former basketball stars, Dave Barder, the Celmers, Stowicki et al. have made resolutions to come to see us once in a while.

PGK Thomas Davey, our veteran GK, resolves to be on hand at all meetings. Bro. Davey had the disappointment of having his name drawn from the "pot of gold" and not being present to claim it. Chancellor William Jakse says he will be just as good on the degree team as he was the last time. Remember him? Bro. Jake Neville says he will be right there with the jokes. Bro. William Neville says nothing short of a Klondike snowstorm will make him give up his Wednesday golf date.

Advocate Michael McParland thinks he will try to be on time for the meetings. Many of our third degree members promise to become fourths at the coming exemplification at the Palmer House on Feb. 23. Get your applications in on time to GK Al Schott. PGK Gordon Nash promised not to be too much the proud father when he tells you about his new daughter, Julee. Son Michael is eagerly awaiting his mother and sister's return from the Little Company of Mary Hospital.

Bro. Vincent Knaus says he will divide his time equally between the Mercy Federation, of which he is treasurer, and council duties. Trustee Joseph Gerlich will attend every Chicago Chapter meeting and bring us back every note. We'll all listen, too. Trustee William Rosenbach says some day he'll mail us those bowling league scores (soon, we hope). Trustee William O'Neil wonders what he can do to improve the budget—and so do we. The Bohling brothers promise to be twice as faithful in attending meetings as they have been, and they're almost 100 per cent now.

Bros. Elmer Nash and Mickey Whalen promise not to wait just for the special meetings but to drop in on all of them. Bro. John J. Mortimer promises to talk membership in our council to his sons, Sterling and Earl. Bro. Judge George A. Rooney promises not to drop his excellent idea for a council retreat. Bro. John Brassell of the Daily Calumet and our former scribe, promises to keep on turning out those swell little editorials for his paper. And we, D. P. M., promise to be more faithful and get all the news we can get for you.

The so-called flying fox is not a fox at all but a species of bat.

St. James Will Honor Henry Woodmaster at Next Monday's Meet

1st and 2nd Mon., 64th and University

With our first meeting of the new year next Monday, St. James will meet at the beautiful Hayes Hotel, 64th and University. Lecturer Mayer will provide an evening of activity and members will honor Bro. Henry Woodmaster, who is retiring after fifty years of service on the railroad. Since the age of fourteen, when he was a water boy, he has been with the railroad.

He was a switchman for twenty years for the Michigan Central and the last twenty-one years have been spent with the Chicago Belt Railroad. Dec. 31 was his last working day. Henry is a true knight, seldom misses a meeting, never misses a La Salle Assembly and the Fourth Degree Club. He is a follower of golf and bowling. Likewise council members can acquaint themselves with the new location. Remember the time is 8:30 p. m.

AROUND THE CHAMBER

Our anuual pinochle and card tournament will begin again and prizes will be awarded. Let's enter the competition and see who's champ. Christmas Cheer donations can still be turned in to Bro. Ed Bryar. Any amount is welcome. See him Monday.

Officers, and entertainment chairman, Dr. C. J. Strobel, extend their sincere thanks to the New Year's Eve committee for services rendered to make the party such a success. Another sellout and wonderful time was had. Other council parties present at the jamboree were P. G. K. E. McGrady of La Rabida, G. K. Tom Mulroy of McHale, Wilf J. Byrne of Calumet, Chas. Collins of Madonna, Stanley Case, M. Kenny and Bro. Hickey of Dowling Council, and many others.

Fourth degree applications may be received from Bro. Tom Groark or G. K. Pete O'Connell. Only two meetings left before the deadline, so plan now to join it. Englewood Council is holding its second annual cabaret party and dance, given by the "Three to Four" Club, Satday evening, Jan. 18, at the Southmoor Hotel, 67th and Stony Island. One dollar per person includes refreshments and dancing.

The meeting night of Jan. 27 will be a special treat. A St. James dance will soon be announced. Details will be given at the meeting Monday evening. Remember to add that new member for the many activities on schedule now.

CHICAGO, JANUARY 10, 1941 100

"The Financial Report"

There is one man in your parish who dreads the New Year. He is your pastor. The days so crowded with gladness for you meant that it was time for him to make his annual report. His sleep was disturbed by the vision of the coming year's expense. The Christmas holidays have been spent in touching up last year's sermon on the Fifth Precept of the Church. Why not give him a little help in solving his difficulty, a little encouragement in his unpleasant task?

There are, in every parish, people who violate this Commandment on every possible occasion. If they can dodge or escape a collection, it is for them not an occasion of regret, or an omission to be instantly remedied, but rather a subject for self-congratulation and foolish glee. This precept of the Church and Command of God should, however, be taken as seriously as any of the others, for by it also people will be judged on the Last Day. The Scripture proofs of it are many and clear. In the Book of Ecclesiasticus we read regarding the Levites, the priests of old: "Give them their portion of the first-fruits." Again, we read: "The workman is worthy of his meat," and "They that serve the altar, partake with the altar." They who preach the Gospel should live by the Gospel.

Our Lord Himself accepted the necessaries of life from the people, and one of the Apostles was made treasurer of the moneys they received. He ate with Matthew, the Publican, and accepted the hospitality of Martha and Mary. In the Old Law cities and lands were set apart for the maintenance of the Levites, and they were entitled to the first-fruits and tithes, as we read in Numbers and Deuteronomy. In the New Law the same law existed in the early ages—lands and flocks were given to support the clergy.

Today the clergy depends on the personal contributions of each individual of the laity, and have no other means of support or of building churches. This should make every person all the more eager to contribute a little share that the work of the Church may not be hindered by recalcitrancy. Pay your dues, therefore, with generosity, and in good time, and you shall not go without reward from on high.

O'Connell Gives Sound Advice on Improving Council for New Year

2 & 4 Tues. . . . . Hill and Franklin

As we start on the first leg of our journey through 1941, why not do as every business concern in the world does? Let's take inventory. Let's get up to our next meeting Tuesday, Jan. 14, and summarize the events of the past year. Let's see how they benefited old 1048. Let's take them apart and see what was wrong with them, and then, when we put them together again for 1941 let's leave out the mistakes we made last year. This is the best way I know of to make our Council successful.

A business man at this time of the year takes count of all his stock, listing on a sheet of paper just how much of each item he has on hand. He then consults his bills of the past year, and in this manner he can observe the turnover of his stock, his bills will show him how much of each item he has purchased, and his inventory will show how much he has on hand.

From this record he knows for 1941 how much to buy of each item, so that when his inventory at the end of 1941 is counted he will not be caught with a surplus of "slow tiems." Let this apply to our Council. Let us dust off the records and see what we've done in the past year, how we went about it, and find the errors we made, and correct them. I can guarantee you O'Connell will have a successful year if everyone makes it a personal point to attend each meeting and sincerely participate in it, criticize constructively, and make suggestions and help the other members in their efforts to sponsor affairs in the name of Daniel O'Connell Council.

That's about all I've got for you this week. Yep, it's a short column, but as you will recall in order to make facts known, one must know the facts, and if you will only send a penny post card to J. F. Henricks, 659 Wrightwood, and put the item on it I'll be glad to put it in the Columbian.

Here's a little wager, for every card, letter or phone call you make to me I will contribute a like amount to our Christmas Cheer Fund. In this way, your items will appear in the Columbian and you will help swell the Christmas Cheer Fund.

Don't forget next Tuesday, the 14th. That's our big meeting night and I promise you some interesting developments.

St. Augustine Has Two Important Events for Balance of January

1st and 3rd Mon., 5209 S. Justine St.

Those of you who have faithfully followed this column from week to week must have noticed that only two activities of the council have been publicized during the past three or four weeks. It is our regret that so little time lies between these two events, thereby not allowing us to give each our undivided attention.

RETREAT

Much has been said and written in an effort to bring you with us to Mayslake Retreat House on Jan. 17. We have appealed to you in every way we know how except one, and so help you, next week we intend to write these lines directly to your wife or mother. They know how much you could stand prayer and meditation. And yet why should this be necessary? Get in touch with our retreat chairman, Dr. F. N. Werner, any member of his committee or any officer of this council and make the necessary arrangements. Phone Prospect 0230 for full particulars.

SNOWBALL PARTY

That second item of interest is our party on Jan. 25. You know, of course, that all profit from this gala event is given to the Home Association. A full evening of fun and frolic is guaranteed by the committee in charge. P. G. K. Dr. F. G. Kuchler, general chairman, reports every detail accounted for. Now what else could you want? At two bits a head we should be able to hang the S. R. O. sign up early.

BLOOD DONORS

As mentioned previously, we will have technicians at our meeting of Feb. 3 to type the blood of all members present. This is a swell opportunity to do what we have all been putting off for some reason or other. Mark this date on your calendar.

Just a few weeks ago we informed you of the birth of a little girl to Bro. Joe and Mrs. Hanozik. Now we have the unpleasant task of reporting the death of this little angel. We are truly sorry for the bereaved family in their temporal loss. God certainly must have loved the little one.

Weber Expects Plenty of Action from "Year in Advance" Devotees

1-3 Mon. . . . . 4758 S. Pulaski

Here we are on the threshold of a brand New Year. January is usually a very dull month in business, but it shall be a very lively one in the finance department of our council. Now is the time when the "Year-in-Advance Club" shall begin functioning.

They say that New Year's resolutions are made to be broken, but here are a few that will not be. Each member of Arch. Weber Council shall take upon himself to not only attend the meetings regularly, but likewise pay dues on time or join in the "Year-in-Advance Club." Each member also shall make it his responsibility to secure at least one member during 1941. And likewise we shall make a resolution to support our council affairs.

FOURTH DEGREE

Only six more weeks for the annual exemplification of the Fourth Degree, which will be held Sunday, Feb. 23rd, at the Palmer House. Weber council usually has four or more candidates for this degree each year and of course this year should be of no exception. If you have a likely candidate for this degree turn in his application with initiation fee at once, to the President, J. Nowakowski, or Secretary, Sir Knight E. D. Zytka.

PRE-LENTEN DANCE

Last meeting the dance chairman gave full details of the program. Each member receiving the special letter was asked to get a well-wisher or a patron for the program. The well-wisher's one line will be 50c, two lines $1.00. The patron's will be $3.00.

This pre-Lenten dance will be held Saturday, Feb. 1st, at Club Hall, 4758 S. Pulaski Rd. Tickets, 40c. There will also be music and entertainment in the Rathskeller, plus a door prize; anyone wishing to have more tickets may procure them by calling chairman Steve Jas, Grov. 1564, Bro. John Zolna or Bro. Chester Nowaczyk.

Birthdays: Jan. 7th, Bro. Mitchell Mazurek; Jan. 10th, Ed. Jachim; Jan. 11th, John Zdziarsk, and Jan. 12th, Matt. Figura. Happy Birthday to all.

Pinta Has Interesting Program Planned for Meeting of Jan. 16th

1st and 3rd Thurs., St. Mary's Church (Riverdale)

Well, brothers, 1941 has been thoroughly introduced to this world of ours. The smoke and excitement of Christmas, followed by a hectic New Year's Eve and all the headaches and hangovers are over for another year.

Let's all turn our attention once more to our council and its affairs. Let's make it our duty, as real Catholic gentlemen, attend meetings regularly from now on.

Brothers, let's show our Grand Knight we are still behind him 100 per cent by having a big attendance at our meeting of Jan. 16. Lecturer Paul Christeck promises surprises for that evening.

Our quota for new members has not been reached as yet, so all together now, let's get one new member apiece.

The officers of our council are holding a meeting Tuesday, Jan. 14, at the home of G. K. Stanley Prymas at 8 p. m. to arrange a schedule of affairs to take place at our meetings for the coming six months.

HEARD ABOUT TOWN

Bro. Frank Moran became the proud father of a baby girl on Dec. 20. Mother and baby are doing well. Good luck, Frank, and many of them. Bro. Frank Pietch had his car smashed on Christmas eve. Bro. Tony Stepinski's car overturned in a collision. Bros. Stepinski and Christeck suffered slight head injuries.

Bro. Stanley Strivinski's name was called at our bank night drawing Jan. 2 and he was not present, so here's a chance to win some real money at our next meeting.

It is the desire of the officers that each absentee member resolve to attend at least one meting a month during 1941. They promise to make the meetings brief, interesting, enjoyable and to have sufficient entertainment to round off the evening. The next meeting is Thursday, Jan. 16, at 8:15 p. m. If you are still looking for a good resolution for the new year, here is one to adopt:

CARROLL EXPECTS LARGE FOURTH DEGREE CLASS

January 21 . . . . . 6 N. Hamlin Ave.

A large delegation of members of Charles Carroll Council, led by our genial Grand Knight James J. Crosby, will participate in the induction ceremonials of the Fourth Degree for the Northern District of Illinois at the Palmer House on Sunday, February 23. The brilliant exemplification of this year's class dedicated as a testimonial to His Excellency, the Most Reverend Samuel A. Stritch, Archbishop of Chicago, promises to rival that of any previous exemplification held in the thirty-seven year history of this branch of Order activity.

Application forms for membership in the Fourth Degree may be secured from Financial Secretary Michael P. Martin or Chairman of the Fourth Degree Committee, George J. Hunt. Advancement to this, the highest ritual of knighthood, means membership in La Salle General Assembly, the largest and most envied Assembly in the Order. The La Salle General Assembly, Fourth Degree Knights of Columbus, has long been subjected for its gallant affairs and activities, which have been a source of admiration of every member of the Order.

The monthly gatherings are looked forward to with anxiety, bringing together social evenings of pleasure and friendly getogethers. Delightfully prepared programs, with definite appeal, are also planned several times during the year to bring joy and merriment to the families of the membership and their friends. The dividends derived from your membership in this patriotic branch of the Order, the impressive tribute visualizing the important part our Catholic ancestors played in the developing and realization of the things which we hold so dear to us; and the morale upbuilding that you will acquire, will be treasured in the memories of the candidates who are fortunately able to participate in it.

Looks like many of the "pinsters" have made a New Year's resolution to bring their averages up to unprecedented heights, and the majority have begun the habit of arriving at the alleys on time, but there are still a few (sorry to say) who have continued their old habit of delaying their teams by late arrival. The teams should be ready to start at 9 o'clock. Co-operate with your fellow-team mates by forming the habit of arriving a little before the hour. This is "only a hunch" but consideration for others may bring that "consideration for your bowling averages." Let's see if it works!

The league officers wish to notify the following "champions" that the Christmas vacation is over—Dan Loftus, Harold Crosby, Jim Hanley, J. Schuck and V. Gorny.

The "doubles" and "singles" entered in the Knights of Columbus state bowling tournament are requested to kindly pay their entry fee tonight, Friday, Jan. 10.

Carrollites

Bill "Congressman" Condon is duck hunting (or call it what you have a mind to) in New Orleans. On New Year's Day he saw Boston College beat Tennessee in the Sugar Bowl. From New Orleans, he will leave for Havana and back home about the middle of the month. Sends his regards to all. . . . A new romance has "blossomed" in our Council. John T. O'Leary, one of our newest members, is reported to have given lovely Lucille Burke a diamond for Christmas. Best of luck!

Feehan Requests Ticket Returns Be Made at Early Date

2-4 Tues. . . . . Hamlin and Madison

One week from Wednesday will see upwards of 1000 people gathered at Midwest A. C. for the big Feehan party. We hope. The time is very short and you are urged to get in your returns for tickets (as many as possible), before the party. This will make for a great deal less confusion at the door, since all tickets not paid for in advance will be collected for at the gate. Moreover, the more money we have in the cashbox before Jan. 22, the less our worries thereafter.

With the world in its present topsy-turvy condition, wars going on on all sides of us—the desperate struggle of man to keep up with his self-inflicted headache, the machine age—1941 yelling for recognition in the concrete shape of new license plates, etc., etc., we have enough on our alleged minds without the added burden of worrying about the success of Feehan's party, don't you think? Or don't you? Well, anyway, we won't have to be concerned about the possibilities, if it's a guaranteed success before the doors are opened. Let's have it that way.

It gives us great pleasure and satisfaction to be able to announce that through the persuasive powers of the Grand Knight we have secured the services of that old bingo maestro, Bro. Ray Corris. to manage our party. Ray is the guiding genius behind the famous St. Mel parties and those of several other parishes as well. His presence at our affair insures us of plenty of action, as his vast experience in conducting bingo has given him a thorough knowledge of the manner in which the players like the game to be run.

One other thought in connection with the party—bingo is a game that anyone can play, but it is particularly liked by the ladies. This is where your wife comes in. Give her 50 tickets to dispose of at her bridge club. With the generous prizes being offered at the Feehan party, they will sell like ice cubes on New Year's Eve. After their wives are enlisted, there will be little conjecture about where the husbands will be on Jan. 22. It's positively amazing how simple the whole thing is. Even leaves us nonplussed.

BOWLING

Baer Bros. & Prodie succeeded in capturing the first half honors in the Feehan Council League. But only after a hot battle. And we mean verbal battle. The bowling was only incidental. The debate began when a certain club, fearing one of its regulars who had been out of town might not return in time for the match, sent out a rush call for its sixth man. One of the opposing captains took exception to the use of this sixth man, and threatened to scuttle himself if said No. 6 bowled. Several lives and the council's honor were salvaged when the missing link, one George Gleason, sauntered into the alleys only one-half hour late.

Well, as we remarked above, the bowling was only incidental, and the scores prove it. Only two 200 games were rolled by the three competing teams, one of these being an even 200 game by Joe Collins of the victorious Baer Bros. & Prodies. The other high game was a goody, however, and provided the only thrill of the evening. In this game Pat Riley (Harmon Electrics) started off with seven strikes, spared the eight and took a beating when he picked a cherry in the ninth. He then struck out for 255.

The championship was decided by the total number of pins (3 games) including handicap. The scores: Baer Bros. & Prodie, 2496; Harmon Electrics, 2362, and N. Preib Cleaners, 2321. Old man Fogarty, still using the ancient oblong pill, was high man with 554, followed by Pat Riley, 553; Joe Collins, 541, and Bud Schoemer, 521.

Bro. Ed McQuillan took the fatal step on Saturday. The lucky girl—the former Miss Josephine Neary. The knot was tied at St. Basil's Church, where Ed was ably seconded by Recording Sec'y Bro. Frank McQuillan. Feehan Council extends its congratulations and good wishes to the happy couple.

Santa Claus attempted to fill a long-felt need when Turk Fogarty's stocking was found to contain a brand new bowling ball, complete with built-in hook. The old one was worn so small it nearly always left the Nos. 1 and 3 pins at such infrequent times as its cigar smoking propeller was able to coax it into that popular pocket. Oh, yes, we almost forgot—the card was signed "The Bowling Widow."

Auburn Pk's Program Will Offer Interesting Activities for Year

2-4 Thurs. . . . 7740 S. Emerald Ave.

A plan was adopted at a meeting of the council officers some time ago, whereby one meeting of each month would be devoted to the entertainments of members and the other meeting to be strictly for council affairs, and any important business that may come up for discussion from time to time. Because of the social activities on the program for November and December, the business of the council has been accumulating and it may be necessary to make some changes in this program.

The first meeting in January was to be under the direction of our Trustee Brother John Doherty, assisted by Past Grand Knight Brother T. A. Murray, but in view of the above condition it was necessary to make a change in the January schedule. Further details concerning the programs for the meetings from now until June 30th will be announced in this column in the near future.

COUNCIL BLOOD DONORS

Now that the holiday season is a matter of history we are again making an appeal to those of our membership who have as yet failed to visit St. George's hospital to have their blood typed in the name of Auburn Park Council. Please make it a point to take care of this obligation without any further delay. During October we had the laboratory attendant from the hospital at one of our council meetings and recorded twenty-five additional names to our roster. Since that time nothing further has been accomplished.

Make a firm resolution in 1941 that you will join up and get behind one of the most charitable activities ever sponsored by any organization. The Knights of Columbus have established an enviable record in this plan of Catholic Action, but in order to broaden its activities we need your support. You will be most welcome at the hospital any day of the week from 9 a. m. to 5 p. m., and on Sunday by appointment.

BOWLING ACTIVITIES

We have a bowling team entered in the Club House Bowling League, but have not been in a position to give you the details concerning this winter pastime, as yet we have not received any report from the bowlers, regarding individual or team standings. We should be more than pleased to write up this activity if one of the bowlers will cooperate and keep us informed.

DUES AND ASSESSMENTS

Now that the Christmas spirit is out of the air and we are entering into a new year, it is time to check your obligations. If you have not paid your dues and assessments for the period ending December 31st, please see Brother John Clausen right away. It's not too late to make your donation to the Christmas Cheer, and the Council Financial Secretary will make prompt remittance to the Chicago Chapter.

Our financial set-up has greatly improved during the past year during which, through your cooperation, all debts and obligations have been taken care of up to December 31st. This is a very enviable record and we ask that you continue to pay your dues promptly upon receipt of your statement each quarter.

ST. FRANCIS TO HOLD ANNUAL PARTY FEB. 8

2-4 Thurs. . . . . 4711 W. Madison St.

Members of St. Francis Xavier Council are looking forward to their annual dance, which will be held February 8 at the Ashland Blvd. Auditorium. The orchestra that has been engaged will be led by Bro. Torry Muro. Chairman "Sheik" Pintozzi is anxious to make the affair the best and is asking the co-operation of every member. You can obtain tickets by getting in touch with Bro. Albert Caruso, 1032 W. Taylor St., Mon. 0682.

Sir Knight Frank Pasquale, in charge of the ad book, would like to have the ads brought in this week so that they can be turned over to the printer. Another feature of the dance is the Goodfellowship list. Bro. Nick Masse is head of this department and is asking the members to bear with him in exceeding last year's record. For any information attend the committee meetings held every Tuesday evening at Bro. "Babe" Criola's home, 3024 W. Flournoy St.

We would like to remind the members to bring in those new applications. An exemplification of the First and Second Degrees will be sponsored by Hughes Council January 21 at the Madison Athletic Club. On January 26 West Division is sponsoring the exemplification of the Third Degree in the St. Philip High School gym. The initiation fee is ten dollars and the medical examination is paid by the Supreme Office.

STAR-DUSTING

It was announced at our last meeting that St. Francis Xavier Council is the first council in the Chicago area to achieve its membership quota. This marks the third consecutive year that we have been first. Keep up the good work and we'll lead again next year . . . Our deepest sympathies are extended to Bro. Carmen Trimarco on the death of his sister, Mrs. Philomena Iovinelli, and to Bro. Joseph Pintozzi, whose son, Gerard, died last week . . . Mrs. Helen Principe, wife of Bro. Charles Principe, is celebrating one of her birthdays today. She wouldn't say which one . . . One of our newer members, Bro. Sam Catania, has recently opened a "soft drink parlor" at 551 W. Arthington St. and it is rumored that he also specializes in fried chicken . . . If any of the members are looking for bargains in electrical appliances they should see Bro. Mike Mele, Jr.

BOWLING

The results of last Friday's bowling reveal a three-way tie between the Dot Pies, Izzo Undertakers and Colettas. Each has won five and lost one. Runners-up in the standings are the Mele Plumbers and Paternos, both having won three games and losing the same number. Marks Motors, Senate Electrics, Giugliano Florists and Ald. Pacellis are knocking on the cellar door with two games won and four lost. The cellar is occupied by the Bacigalupo Morticians, who have captured one game out of six.

Top keglers were: L. Merisso, 516; F. Pasquale, 586; J. Mauro, 529; S. Cirrintano, 525; N. Damore, 525; C. Gregoria, 537; A. Frusolone, 520; A. Vitallo, 501; C. Principe, 597; A. Arra, 502; Guy Lucca, 550; D. Laurino, 549; B. Bruno, 532; F. Arito, 502; J. Capparelli, 519.

On January 26 at 9:15 p. m. all ten teams will invade the C.Y.O. alleys to participate in the K. of C. state bowling tournament. Come out to root for the boys. Krand Knight C. Baptiste Mele and D. G. K. Sal Cirrintano will be present in the opening ceremonies on January 11.

This column marks the official debut of your new Scribe and he is starting by asking for the co-operation of all the members. This is your column and its quality depends on your help. Mail all communications to Louis A. Giampa, 1012 W. Grenshaw St., or phone Haymarket 5429, any week-day evening between 6 and 7 o'clock.

St. Paul's Dads and Sons Will Be Guests on Jan. 21

1-3 Tues. . . . 6713 Olmsted Ave.

Plans are under way for a Father and Sons' night at the next meeting, Jan. 21. We understand that P.G.K. Joe Guenther is chairman of the committee appointed by your lecturer to devise ways and means and formulate plans to provide the wherewith to make this evening a criterion for future dads' and sons' nights.

We haven't been in the council long enough to speak from experience but if the stories we hear about the parties these boys engineered "in the good old days" are only half true, then we really have something to look forward to. There remains but two weeks until this night and we feel that you should reserve the date and take those young stalwarts of yours to the council chambers so that they may be initiated into some of the doings of the council in which they will, some future day, be happy to become a member.

The membership committee is functioning again and with the aid of a few men who, while not seen around much, are, nevertheless, doing a real job of swelling the council roster. These men are not seekers after publicity; so we respect their wishes and let them continue their work unextolled and unheralded. We wonder what happened to all the new members many of you fellows promised to bring in at a meeting not so many moons ago.

Was that a promise which claims kinship to those new year's resolutions made in a moment when you were in the mood, only to be forgotten when you came to realize that it required a little effort to carry them through? Or were you really serious about those promises? If so, then we are happy to remind you that there is something that you have left undone. And as one on the membership committee and speaking for the others, we will be more happy to have you bring in that application with the signature on the "dotted line." Will you?

Joe McDowell has furnished me with a biography of each of the stars who will perform against a select group of bowlers from the council teams at Schneider's Edison Park recreation rooms on the evening of Jan. 16th, at 8:30 p. m. Space will not permit even a synopsis of the biographies so suffice it to say that each of these stars is exactly that in his own right and as evidence of their prowess on the alleys have sufficient medals to bedeck themselves like a general who outlived the forty years' war. We hope you make it a point to attend this match exhibition. Maybe you could learn from the pros.

LINE UP ON THE RIGHT SIDE

Vic Porazinski, that tubby and affable keeper of the accounts of the members wishes to remind you, who may have forgotten, that a brand new year and a new quarter has just started, meaning to say that, to avoid being questioned about your comparative (i. e., good, bad or indifferent) standing, you should form a line to the right and see who can get there "fustest and mostest." Vic is that way.

Next to Al Westemeier, Vic is the most "persistentist" collector of the "folding money" I know of. He really enjoys himself adding it on to his roll. I overheard him say once that the way he liked to keep accounts best was to have them all paid up and ruled off. Maybe he's got something there!

We hear that Jimmy Dalton, manager of the soft ball team is spending his evenings cloistered with himself studying the charts and records, even as the big shots do, in preparation for the opening shot in the softball classic in which (we have his word for it) St. Paul of the Cross will win the opener and never be topped during the remainder of the season. That's the stuff, Jim. Remember it's the early bird who gets the worm. It's time to start winter training.

Contrary to the opinion of most people, rabbits are good swimmers.

DOWLING IN DRIVE FOR LARGE FOURTH CLASS

1-3 Tues. . . . . 3625 S. Hoyne

Our Grand Knight is endeavoring to gather a large class of members for the Fourth Degree exemplification to take place Sunday, Feb. 23, at the Palmer House. It is his desire to have at least 15 candidates advance to the highest degree in our Order. Chairman Geo. Spencer has the applications and will give you all the details. The exemplification will be known as the Archibshop Samuel Stritch class and is an added reason why our council should go on record as having a large class.

We have many Third Degree members who are eligible for this degree but who keep putting it off, and every year let the opportunity pass by. Ask Bro. Spencer or John Struve now for an application and turn it in at once. For further information contact your Financial Secretary, Laf. 4311.

NEXT MEETING JAN. 21

Our next meeting will be Tuesday evening, Jan. 21, and the entertainment will be conducted by Mart Holland, the chairman, working under our Lecturer for January. Mart has plans made for an excellent evening. Be sure to attend.

The holidays are past and we hope our members make a resolution to attend their meetings for the new year. The meetings are started promptly at 8:30 p. m. and are completed at a reasonable hour.

COUNCIL NOTES

Mr. and Mrs. Bert Wojcik of 3851 S. Spaulding Ave. are the proud parents of a baby boy born Christmas evening at the Holy Cross Hospital. We extend our congratulations to this happy couple.

Our smiling Outside Guard, Pat Linehan, has found a new shopping district and has deserted his neighborhood merchants. I received word that our good friend went to Maxwell St. to exchange a leather jacket given to him as a present and before leaving for home he purchased some brooms at real bargain prices. The reason for buying these brooms was to be Christmas gifts to his many lady friends. Pat has been nicknamed Brooms Linehan by his real good friends.

Remember, you still have time to make your Christmas Cheer contribution if you have not done so to date; mail to Financial Secretary John Struve, 4517 S. Christiana Ave.

Past Grand Knight Ray Gerber has a group of blood donors organized and can use some more. The test is simple and only takes a few seconds. If interested contact Ray or G. K. Barker; they have arranged to have a doctor at our meeting and facilitate typing.

CONDOLENCES

Our Recorder, Tom Gallagher, received the following very nice letter of thanks from the family of our departed brother, Cyril J. Drankiewiez, who passed away a few weeks ago:

"Our sincere thanks to you and the Dowling Council members for their kind expression of sympathy and their splendid showing.

"We never realized until death took part in our home what a wonderful thing it is to belong to the Knights of Columbus.

"Tommy, we would appreciate if you would put a note of thanks in the Columbian to the Dowling members.

"Wishing you every success for many years to come and thanking you again from the bottom of our hearts."—Sincerely. (Signed) Drankiewiez family.

Michael Drankiewiez, the father of the deceased, is one of our members and our officers and members are happy to comfort the mourners of our departed brothers.

PIN TUMBLERS

We had plenty of bowling action last Thursday night as Jockey Lorden was tossing the wooden fiddle plenty. Ray Gerber, Perry Roubie and a few others dragged out their pipes and put Geo. Connelly, Sr., and Harry Lorden in a daze. Lorden wanted to call the fire department.

Dr. Joe Laibe went to town, rolling a 160 game and in a few weeks he will surprise some of the teams.

Holly Dunlap has caught up with his home work and overtime and is again on the job every Thursday. Keep up the good work, Holly. Wonder who the beautiful blond is that was having a chin-fest with Ed. Blythe.

John Jankowski could not be out last Thursday and did not bowl. The powerhouse team, the Beams, composed of G. K. Barker, W. Lorden, Green Love and their heavy captain, Coogan, are winning games by real bowling.

Clark Gable Deschner and his teammates, Santa Claus Juric, L. Fortier, Mulholland and Lepenski are really trying hard and going strong for the Zintaks.

Next week Jockey Lorden promises more dirt for your Scribe to publish. Blame him and not me.

Last week's results:
Zintaks won 3 from Beams.
Gormleys, 3 from Hartnetts.
Michels, 2 from Laibes.
Dunnes, 2 from Dalieges.

500 series shooters were: Mulholland, 578; Nowak, 557; Christin, 535; Gene Connelly, 523; Lepenski, 514; H. Lorden, 508; Deschner, 507; Wantroba, 500; Juric, 501.

200 games: Christin, 208; Nowak, 201; Mulholland, 201; John Kelly, 200.

St. Pat's Will Gladly Assist in Testimonial for Martin J. Hough

1st and 3rd Tues., Madison & Hamlin

Plans for the Marty J. Hough testimonial on Saturday, Jan. 25, have been completed. This gigantic enterprise, which will take place at the Queen of Angels' Guild Hall, 4414 N. Western avenue, is certain to prove to Marty, P. G. K. of Father O'Connor Council, that his friends have not forgotten his great work as chairman of the Chicago Chapter's Christmas Cheer. Long will his unstinted loyalty and support to every K. of C. function be remembered. It made no difference whether it was an affair of his own council or whether it was in the jurisdiction, Marty was always there to lend a hand.

Contributions to the beneficiary, who has been ailing for some time, can be forwarded to P. G. K. William P. King, 4849 N. Lipps avenue, or to G. K. Thos. Cregan of St. Pat's Council. Tickets for this spleidid cause can be secured from either of these aforementioned gentlemen and all those who can attend should do so. Friends, let us from a large delegation to show Marty the great esteem we have always held for him. Let us fill that hall to the rafters and show Marty that all his work has not been done in vain.

ABOUT THE MEMBERS

Mrs. Sal Giunta has gone to the home of the Ed Taglias to recuperate from a recent operation. Dan Miller and his inseparable buddy, James Cullinan, are showing rapid improvement in their various maladies. The former's ulcerated ear is responding to treatment, while the advocate reports that his "tummy" is about ready to do business normally. John Burke is still moaning low because he is not present to help his mates win a few games in the bowling tournament.

The "Schlitz Twins," Frank Damato and your correspondent, started off the new year on the right foot for the first time in many a moon. Called by Wm. O'Connell for blood transfusions, they came through in the "pinch." The donee was Harry Engfer, 17, son of a member of Barry Council, which has not organized a blood donors' group as yet. P. S. It was believed that these two boys were anemic, but they surprised everybody—even themselves. Baron Sam Freda has announced his engagement to lovely and demure Mary Capone. Good luck to you.

STATE BOWLING MEET

Tomorrow night at 7:30 Bishop Shiel will roll the first ball launching the 10th Annual Illinois State Bowling Tournament sponsored by the K. of C. The C. Y. O. alleys at Congress and Wabash will be the mecca for all the elite of the bowling world. Grand Knights from every council will then open the tournament officially by rolling in a special event.

On Sunday, Jan. 19, at 7:00, our twelve teams will endeavor to post some prize winning scores in the team event. Then on Sunday, Feb. 9, at 7:00, 17 doubles teams and 37 singles will resume the firing on the maples. St. Pat's will try to defend its doubles title which Wm. O'Connell and Dan Miller annexed last year. Be on hand to support your teams.

LOCAL BOWLING

The Damato Taps and McGinty Black Rocks finished in a dead heat for honors in the first half, but this tie will only remain for a few weeks when the two teams will fight it out to the finish. The results for Monday, Jan. 6, follow: Barry Boosters 2-3 from Rex Paints. McGinty won two from Emergency Radio, this deadlocking the Damato Taps for first place; ABC won two over the Moriarty Indians; Cahills defeated the Freda Meats twice; Damato Taps dropped two to the Weiland Florals, while the fast stepping Allegretti Grill continued to annihilate its opponents, this time the Deir Morticians, whom they beat three times.

TONTI FINISHES PLANS FOR PINOCHLE CONTEST

1st & 3d Thurs., 4221 W. Irving Pk. Rd.

The final preparations for the opening of our pinochle tournament scheduled to start Jan. 16 have been made and a large crowd of contestants is expected to take part. Beautiful prizes will be awarded to the lucky winners. The same rules that were in force last year will again prevail.

The tournament will be staged over a period of five meeting nights to allow the brothers ample time to complete their reequired three game series. After the third night of play, no new contestants will be allowed to compete in the tournament, because the time will be too short to complete the required number of games. Be sure to enter this tournament. It costs you nothing and you may be lucky enough to win one of the beautiful prizes.

At our last meeting our worthy lecturer passed out cigars to everybody present. In addition he also had a drawing for packages of bacon. The lucky winners were G. K. Eugene Raith, Bros. J. T. Lussem, Len Kriessl, Eugene Murphy, P. G. K. John Olsta, Walter McHale, D. G. K. L. T. Buettner, Andy Eichhorn, P. G. K. Auguste Warnesson, Ed Erickson, F. Ruzkowski, Leo Sliwinski, Ray Haar, Ed Ciessau, Walter Spatz and George Schordje.

FOURTH DEGREE

The exemplification of the fourth degree and banquet to follow will take place on Sunday, Feb. 23, in the Palmer House. The fourth degree is the highest rank in knighthood and every member of the order should aspire to attain its prestige. It is devoted to patriotism. Advancement to the fourth degree also means membership in La La Salle General Assembly. Application forms may be had from any fourth degree member or the financial secretary.

We are deeply grieved to learn of the death of the father of Bro. Tom Herrion. It was just recently Bro. Herrion also lost his mother. May their souls, through the mercy of God, rest in peace.

We hope at the time of this writing that the wife of Bro. Henry Gordon will be home from the hospital, where she has been confined for observation.

Bro. James Fitzgerald of 2856 N. Western avenue will be confined at home for some time and will welcome visitors. Bro. Fitzgerald says he owes his life to the K. of C. blood donors' group. Not one of 50 fellow workers had the right type of blood, urgently needed for a transfusion. Chairman of the K. of C. blood donors' group, Bro. Du Mais, was notified and within ten minutes a blood donor with the right kind of blood was on his way to the hospital to give the transfusion.

BOWLING

Starting Tuesday evening, Jan. 7, the members of the house bowling league will compete for bowling shoe prizes. One pair of bowling shoes for each team will be awarded to the member who improves his average the most at the end of a specified time. U. G. K. Leo Murray, who is also a past president of the house bowling league and former athletic director of Tonti Council, has been instrumental in getting these eight pairs of bowling shoes for prizes.

On Sunday evening, Jan. 12, at 7 p. m., six teams representing Tonti Council house bowling league will bowl in the tourmanent at the C. Y. O. alleys, located at Congress street and Wabash avenue. Come up and cheer for your favorite team.

Wiedemann Insurance took three games from the Doc Groskie team and slid into the first place position. Mayers Tailor team won two games from the tough Spencer Coal team. Bob's Trailer Service managed to take two games from Roy's Tap Room and the Lambrecht Jewelers took two games from the Mayfair Liquor team.

Bob's Trailer Service	26	25
Roy's Tap Room	24	27

Washington's Bowlers Will Vie Next Sunday for Tourney Honors

1-3 Tues. . . . . 503 Main St. (Maywood)

The Annual State Tournament of the Knights of Columbus will get under way next Sunday, Jan. 12th, at the C.Y.O. Center, Wabash Ave. and Congress St. Two teams from Washington Council will bowl on this date, at 4:15 p. m. There will be plenty of action to be seen, and if any of you brothers would like excitement for an afternoon, why don't you go down next Sunday, and cheer our boys along. Saturday night, Jan. 11th, to formally open the Tourna ent, all the Grand Knights of this D strict will engage in a Grand Knights Tournament. Grand Knight Ryan will represent Washington Council, and we certainly wish him lots of luck.

De La Salle Asks All Eligible Members to Become Sir Knights

1-3 Tues. . . . . 1105 E. 47th St.

May we begin by again reminding you that the Fourth Degree Exemplification will take place Saturday, Feb. 23, at the Palmer House. If your are eligible for this degree, have a talk with P.G.K. Alex McDonald who can answer or explain any questions you may ask. You may get an application from him or any of the council officers.

This class will be a testimonial of the Knights of Columbus in honor of His Excellency, the Most Reverend Samuel A. Stritch, Archbishop of Chicago, and we would like to have a large delegation taking this degree.

While on the subject of membership this council as we have said before is below its quota of new members and we are more than just bringing this to your attention. The most vital need of every council is the constant influx of new blood. This keeps it active. The more members the more diverse our activities, and our affairs are assured of success. So consider it a duty to assist on obtaining new men. If you have any suggestions please write them down and come to the meetings; we are always glad to have constructive criticism and especially at present on this vital topic.

The audit will be due in 30 days and we are taking this opportunity to notify our trustees, James Crowe, T. Howard Brennan and Dr. James Dunn to make arrangements to meet with the G.K. and Fin. Sec'y. We need their prompt cooperation to get this finished in time.

Two weeks ago one of our brothers appealed for a relative of his to the Blood Donors, for a person who had recovered from tularemia, or rabbit's fever. The Columbian responded with full cooperation by placing this plea on the first page. As yet no donor has been found, so we are adding at this time that the blood type is not important. The donor must only have recovered from the disease, as a serum is made and matching types are not necessary. If you know of any one who would volunteer please notify either State Chairman Robert Du Mais, or our G.K. John Husung.

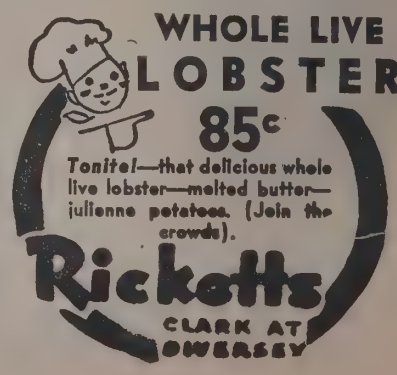
The next meeting will be on Jan. 21 for which lecturer Joe O'Brien has prepared to have entertainment and Bro. Bardon will have refreshments. We are looking forward to meeting a lot of brothers who have been irregular in attending. At our Christmas party we had the pleasure of seeing such oldtimers as John Looby, Eugene Kenny, Jim Clarke and Tom O'Connor, also two of the softball team, Joe Rossi and Joe Longo. We hope to see you and a lot more at this meeting.

OF INTEREST TO US

A testimonial of Father O'Connor Council for P.G.K. Martin J. Hough, in the form of a cabaret dance will be held Saturday, Jan. 25, at Queen of Angel's Hall, Montrose and Western. If you can attend you will have a fine time. Donation 50c per person.

Also just a reminder of the dance at the Trianon on Feb. 5th, for the benefit of St. George and St. Bernard hospitals. This is worthy of our support.

Last, but not least, open bowling every Wednesday night at the Vista Alleys, under the direction of our bowling chairman, Jack Sullivan.



Ketteler Gets an Early Start for Member Gains

2-4 Mon. . . . . 3437 Ogden Ave.

Next Monday nite is meeting night! It seems an awful long time since our last meeting but it is an awful long lane that has no turning. As matters of grave importance will be discussed you are urgently requested to attend. Your lecturer has promised an interesting evening and refreshments, both liquids and solids. Let your New Year's resolution be more regularly attended meetings.

MEMBERSHIP

Last Monday evening a most interesting and enthusiastic meeting was conducted by our membership committee. It was exceedingly well attended both by officers and members and augmented by a large delegation of bowlers.

Present at this meeting were our Worthy Chaplain, Father Derwinski; General Agent Tetzhaus, and Bro. Guy Messina, chairman of the Cook Co. Membership Committee. From the manner in which all phases of membership campaigning was discussed great and sufficient results should be their ultimate success. Let the rest of us take our cue from them and bring in that prospective candidate.

The books of the council are very shortly to be audited and any members delinquent in their dues should make it their duty to straighten up their affairs with our Fin. Sec'y. Anyone unable to bring their dues to council meetings can and should mail their remittances to Bro. Frank Estes at 1925 S. Troy St.

There has been little or no improvement in the condition of our Worthy Recorder, your scribe, a long time friend of your recorder urgently asks you to offer up your prayers for his speedy and complete recovery. We have too long missed Johnnie around the council chamber. We earnestly and sincerely want him back as soon as possible.

To Bros. Louis and Sylvester Darovic the council wishes to extend their deepest and sincerest sympathy in the hour of their bereavement. Their father Alois Darovic passed to his eternal reward, and was buried Jan. 2 at St. Adalbert's cemetery. May he rest in peace.

An orchid to Bro. Frank Bilek! He has added to a long list of blood donors who have given blood in exemplification of one of the cardinal principles of our order—Charity. God bless you, Frank!

BOWLING REPORTS

Perhaps the strain of the holidays was too great but somehow or other it was incorrectly reported in this column that our council's bowling team would bowl in the Illinois K. of C. State Tournament on Dec. 26. The correct date for the five-men teams is Jan. 26, 1941, and Feb. 2, 1941, for the singles and doubles.

The beginning of the second round was fraught with success and disappointment. Success for the all the way winners and disappointment for those less fortunate.

The Bona Drugs took the full measure of their opponents, the Jezierny Boosters. For the Druggists Leo Bona was his usual self bowling 563 for top honors while Al Bona was second with 539. For Jeziery, Harold Nowakowski was high with 529 while Ted Gomolski was second with 527. Leo Bona was good enough to win the dollar with his 220 game.

Stanek Press also good enough to win three games from Luczak Lawyers. Ray Suchocki of the Pressmen was really hot rolling 633, while Chas. Palusek was second with 525. For the Lawyers V. Wegrzyn was high with 550 while Wally Lapp was second with 530. Roy had no trouble winning the dollar with his 235 game.

Another team to go the route was St. Paul Federals, winning three games from Fidelity Electric team. For the Saints Joe Foltyn was high man with 582 while E. Wojtanowski was high for the Electricians with 517. Joe Foltyn rolled a 224 game to win the dollar.

Bukowinski Boosters won all three games from Marshall Square Ballroom. M. Bukowinski rolled 586 to lead his team while Wally Wisniewski was second with 546. For the Ballroom Boys Joe Prevender toppled them for 606 while Ralph Slaski rolled 560. Mr. Bukowinski, for his 220 game, won the dollar.

Art-Bilt Furniture won the odd game from Tomera Range Oil. For Art-Bilt, Dr. Krupa rolled 556, while John Hargarten was second with 531. The Oilers had tough going, top score being 465, rolled by Frank Karolczak and V. Laskowski. Dr. Krupa won the dollar for rulling a 224 game.

Ald. Sain Boosters won two games from J. J. Fruzyna Boosters. Matt Renn was high man for the Aldermen with 561 while Dr. Kvasnicka was second with 546. E. Bulat was high for the losers with 510 and "Casey" Wawrzyniak was second with 489. Matt Renn won the dollar for his 202 game.

Phil Nilles Boosters won their two games from Cobbsie's Open Door. V. Kremesec was high for the Boosters with 549 and Geo. Cummings was second with 535. For Cobbsie's, Eddie Ciolkowski was high with 535 and Adolph Sliva was second with 490. V. Kremesec won the dollar with a 202 game.

Last, but not least, Bil-Mar Tavern swept their series against Judge Drucker's team. Stanley Korbas was high man for the winners with 595 while Stanley Malicki was second with 516. For the Judge's team Joe Perko was high with 543. Stanley Korbas won the dollar with a 215 game.

Don't forget the Illinois state tournament January 26 at 2:00 p. m. for five-man events, and Feb. 2 at 1:00 p. m. for singles and doubles.

San Salvador Repeats Need for Individual Loyalty to the Council

2-4 Mon. . . . . 24 E. 114th Pl.

Well, folks, here we are talking about the first meeting of the year which is scheduled for next Monday. Wonder how many of you have included among your New Year's resolutions a resolution to attend your council meetings and help do the tasks which are required. Any Council is only as good as its membership.

Of course, needless to say, we are proud of the men of San Salvador. However, it does take activity on the part of each member, for all of us to derive the utmost benefits. So we urge as many of you as can possibly do so to get into that good old habit of attending your Council meetings during the coming year.

BOWLING

The league is still functioning one hundred per cent. Last Thursday saw the mid-year sweepstakes. We do not have the winners as yet, but you may be assured that the league is proving of great value and interest to many people. Incidentally, the Council has entered a five-man team in the K. of C. State Bowling Tourney. They will perform at the C.Y.O. alleys next Sunday afternoon. The team consists of Bros. Bill Kleuskins, Vince Guastalli, Stacey Rimkus, George Smith and Oscar Hines. We hope and expect the boys will bring home at least some of the bacon. As this meet is a handicap affair, we hope the boys will be bowling some hot games. Good luck, men.

CONDOLENCES

We regret to announce the passing of the Rev. Orazio D'Andrea, an old-time member of San Salvador, who passed away Sunday, Jan. 5. A delegation of members met at the clubhouse and proceeded to the wake at St. Anthony's Church, where the remains laid in state. Father D'Andrea will be best remembered by the old-timers, perhaps for his membership extended over a period of more than twenty-five years.

At the time of his passing, he was performing the duties of Chaplain at St. Francis Hospital in Blue Island. Some of the older folks will remember our priestly brother as the founder of St. Anthony's Church, of which our Chaplain, Father Chiminello, is present pastor. May his reward be great for his long and ardent work in the service of God.

MORE CATHOLIC LABOR SCHOOLS FOR CHICAGO

Chicago.—So successful have been 11 Catholic labor schools conducted in the Chicago archdiocese that additional ones will be opened this winter.

The main purpose of the schools, says the Very Rev. Msgr. Reynold Millenbrand, rector of St. Mary of the Lake seminary, Mundelein, is to teach workers proper employer-employe relations. The basis of the course is found in the social encyclicals of Pope Leo XIII and Pius XI, the pronouncements of Pope Pius XII, and the American Bishops' statement of last February.

This year's curriculum will include elementary economics, parliamentary law, and the application of the social encyclicals to economic theories. Parliamentary law will be taught so that workers belonging to trade unions can go into their organizations equipped to fight and to prevent the control of unions by the wrong persons.

An effort will be made to correct the great lack of knowledge among workers of the simple economic factors that govern the business of making a living in a highly complex society, says Monsignor Hillenbrand. He emphasizes the fact that the Holy See has insisted upon an application of morality in business dealings.

Although the pay of an American soldier in the ranks runs roughly around thirty dollars a month and keep, he is in reality the highest paid soldier in the world. According to Leland Stowe, Chicago Daily News correspondent, the monthly pay of unmarried conscripts in ten foreign armies would amount to the following sums when translated into American coin: Britsih Army, $15.17; German, $6; Italian, $1.50; Hungarian, $1.18; Bulgarian, 85 cents; French, 35 cents; Yugoslav, 30 cents; Greek, 25 cents; Rumanian, 20 cents, and the Turkish soldier, 5 cents.

COLUMBUS MEETING IS NEXT TUESDAY, JAN. 14

2-4 Tues. . . . . 6932 N. Clark St.

The first meeting of the New Year will be held next Tuesday evening, Jan. 14, and our Grand Knight Eddie Roche is looking forward to a full house. It has been five weeks since we had a meeting, due to the holiday season, and plenty of business has accumulated. We hope that every seat in our council chamber will be filled so as to lend encouragement to our officers in the fulfilling of their duties during the New Year.

It would also be a good time to bring that application with you that you have been promising our Grand Knight and Eddie Kelly. Another good New Year resolution you can make is to get straightened up with the Fin. Sec'y Frank Coffey. We know that Christmas has hit us financially and the bills are rolling in, but think of your insurance assessments as being one of the most important things to take care of. Again let me remind you that our next meeting is Tuesday evening, Jan. 14, same time, same place.

A FEW THINGS I WOULD LIKE TO CALL YOUR ATTENTION TO

To St. Cyr's Post New Year's party next Saturday evening, Jan. 11, at the Lions' Bldg. over on the west side. Our District Deputy Marco De Stefano extends a warm invitation to the members of Columbus Council to be present on that evening and a good time is assured all. Speaking from past experience, a St. Cyr party is one of the outstanding entertainments of the year in Knights of Columbus circles.

To the Fourth Degree initiation, Feb. 23. Master of the Fourth Degree Joseph McMahon, is very anxious that a large class be initiated on that date as it will be a testimonial to our beloved archbishop. Those of you who are eligible to take the Fourth Degree should consult Eddie Kelly right away and he will take care of the details for you.

The Marty Hough Night, that Father O'Connor Council is sponsoring for that Grand Old Veteran of the Knights of Columbus. This event is to be held at Queen of Angels Hall, Montrose and Western Ave., Saturday, Jan. 25, and we urge you to be present to help honor one of the greatest knights and one of the greatest degree workers in our Order.

I HEARD FROM A FEW OF THE BOYS ABOUT CHRISTMAS

And they tell me that Tom Ward gave away a diamond ring, Joe MacAlinden gave away fifty compacts to his girl friends, McBrady got a pair of ice skates from Santa, Fred Sextro received a book of instructions on "How to Keep from Losing," Art Shay received some sheet music so he can polish his technique on band leadership, Frank Schutz received a new bowling ball and now perhaps he can bowl a good game for the first time in his life.

Tony Sowizdral received a proposal of marriage, John Loesch received many beautiful gifts along his route during the holidays, P. J. J. McCarthy received a book from Doris Blake, Eddie Roche received a night detail as guardian to little Pat, Walter Nietschmann sent out the prettiest of all Christmas cards, Doc Schuler sent out none, Sextro, Senior, did not receive any candied fruits for Christmas hence no invitation to the surviving wolf, Frank Murphy received instructions on a new card game and he would like to try it on the boys.

"Hole-in-One" McGivern received an invitation to participate in the National Open Tournament this year but the sad news of all is the lack of quarters the Christmas Cheer Committee of the Chicago Chapter received from our council. It is not too late yet so get that envelope and drop a quarter in it and send it on to the Chicago Chapter.

DICK GABLER DEATH

It is our unpleasant task this week to report the death on last Tuesday morning of little Dick Gabler, son of former Chancellor Joe Gabler. Young Dick Gabler had been ill for the past few weeks. We ask that all of our members remember him in your prayers and that God will grant eternal rest to the soul of this fine young man.

The word "agony" is used only once in Scripture, in Luke xxii, 43, to designate the suffering of Christ in the Garden of Gethsemane.

St. Cyr to Enjoy New Year's Over Again Saturday

1-3 Mon. . . . . 1609 N. Halsted St.

Hail to our post-New Year dance. It is upon us.

Saturday night, as never before in the history of St. Cyr annals, St. Cyrites and their many friends throughout the city will again hail the new year in one of the most festive celebrations of its kind in Knights of Columbus circles. With the master symphonies of the well-known dance maestros, Werner Peete in the ballroom and Sam Greco and his boys in the den, St. Cyr will celebrate in a form that has become synonomous with St. Cyr Council. Happiness, gaiety, frolic and fun will be the keynote of the evening. Confetti, streamers, balloons and the rest of the New Year's Eve paraphanalia, along with "Auld Lang Syne," will resound throughout the Lions Building all Saturday (Jan. 11) evening.

The committee, headed by District Deputy Marco DeStefano, and assisted by capable Peter Stacey, has performed a marvelous task. And tomorrow, brother knights, you will behold a program book which will compare in size to one of our mail order house catalogs. At the beginning of the dance committee meetings a young progressive dynamo volunteered to assume the onerous duties of being chairman of the program committee.

To this committee the young progressive appointed as helpers Peter Stacey, Frank Perlongo, Joseph Rizzo, Anthony Brancato and Victor Priola. The chairman pledged a program book of $700.00. And true to his pledge he came through. Brother knights, we submit for your approval the name of Joseph Lucania, who has performed in the true manner of a champion.

FINEST WARDEN IN STATE

Another who comes in for a good deal of mention is that man who has repeatedly been called "the finest warden in the state." He is an oldtimer and an eighteen-term candidate in the office of warden. He is our own Sam Sanassardo, who had a one-man committee of his own which he called the patron committee. Under his capable leadership Sam was able to secure approximately $100.00 in patron contributions, another major factor in the success of the ad book. To him also we extend our hearties congratulations for taking such a vital interest in council affairs.

Heading the north side committee is Joseph Rubinelli and Victor Priola; far north, Anthony Scarpinato; northwest, Sal Greco; west, Frank Perlongo and Anthony Cancilla; far west, Charles Micucci and Anthony Desimone; south, Ed. Waytula and Joe Arcuri; far south. Mike Salvati; southwest, Tom Apicella and James Capetta. Heading the ticket committee are Sam Lupo, Saro LaRusso and Frank Angelo. But let us not forget one of the most important committees that St. Cyr has. That is the women's committee. We are proud of the very valuable assistance which all of you charming ladies have given to us and will give to us. You have given many worthwhile suggestions which we bungling men would not otherwise have thought of. Thanks a lot, ladies. We'll call on you again.

CYR-IOUSLY SPEAKING

Congratulations to Bros. Sam Leto, Anthony Gebbia and Peter Montana, who have been elected president, vice-president and trustee (in order) of the Gar-Cliff Orioles. . . . And added congratulations to Bro. Sam Leto, who was voted the most valuable player by his brothers of the Gar-Cliff Orioles and presented with a trophy. . . . Bro. Frank Corsello was married to Miss Ida Dindia on Nov. 24, 1940, at St. Philip Benizi Church. . . . Congratulations to you, newlyweds. . . . Bro. Frank Lopes, who conducts a music school in the Kimball Building, can play almost any musical instrument. . . . A member just a short while, Bro. Lopes is in constant attendance at meetings and has brought into the council his own brothers, Nick and Joe Lopes. . . . Joe LaMandella is another newcomer. . . . Charles Cali is his landlord. . . . Was going to raise his rent. . . . Got him into the council first. . . . Had him pay his initiation fee, and then raised his rent. . . . You villian!

Bill Rizzo, another newcomer, is also taking a vital interest in council affairs. . . . John DiVita was feted with a huge birthday party last week. . . . Was presented with a wrist watch by the Mrs. . . . It's no secret. . . . John said so himself. . . . He was 50 years old. . . . Among those who received new bowling balls this Christmas were Joe Madonia and Frank LaPuzza. . . . Mrs. John Lema, whose son is in the U. S. Army, has filled her son's shoes very well. . . . Has sold a lot of tickets and brought in an ad.

Joe Maniscalco a few weeks ago was laid up in a hospital. . . . He is now coming along in fine shape. . . . Joe Murglin has also been very ill with pneumonia, but latest reports show that he is doing well. . . . The fourth degree will hold an open-house smoker for prospective fourth degree men on Jan. 23 at Louie Petricca's Inn. . . . All prospective members are invited . . . James Giambrone is president.

Congratulations to Bro. Joseph Barsano, who was elected treasurer of the Justinian Society of Advocates. . . . Joe Pernice, a new initiate, is going to make a good member . . . that's my prediction, and I have known Joe long enough to predict accurately. . . . Danny DeStefano evidently belongs to the finest bowling club I know . . . girls and all. . . . Tsk, tsk, I'll wager it's not the bowling Danny is interested in. . . . Emil Francione, for many years a member of St. Cyr Council and now a permanent resident of Milwaukee and getting far in its civic life, has asked to be transferred to the Milwaukee Council. . . . We regret to lose so fine a member as Bro. Francione, but duty calls and we all know that Bro. Francione will be a great asset to the Knights of Columbus in Milwaukee.

Peter Terrara, by taking a look at him, must be happily married. . . . Bros. Sam Russo and Rynie Ranocchio are both New Year's babies. . . . Congratulations to Bros. Wittenmeier and Jim Wing, both of whom did a splendid job in raising a goodly sum in the Christmas Cheer drive. . . . And thanks a lot to those fine ladies who make our meeting nights so cheerful by preparing those delicious sandwiches. . . . Standing at attention last week were Mrs. Rose LaRocco, Mrs. Mary DeStefano and Mrs. Alice Scarpinato. . . . Remember our big dance . . . tonight, Saturday, Jan. 11, at the Lions Building. . . . You still have time to call up your friends. . . . This is St. Cyr's biggest night. . . . You'll regret missing this affair.

Blue Island's Year in Advance Club Adds 7 Members in Week

1-3 Tues. . . . . Gregory and New

New Year's eve has come and gone but your scribe has seen and heard a few things about the way some of our brothers behaved. Bill Creighton was seen with Bro. Dalton at the Legion party in a busy evening. Clarence Heckler had to take them both home. Stan. Rosaves, Judge Seyfarth and Lowell Frasor when last seen were arguing whether to tip their waitress fifteen cents or put it in the music box. Bob St. Aubin was really going to town roller skating up and down Western Ave.

Paul Paetch spent the evening preparing the new statements for each one of us. He says the only thing he heard was Frank Boyd Sr. blasting out on the Rocket horn as it sped through town.

Chas. Komada, Bob DuBoise and Joe Martin, had them standing in line waiting to get into their respective tap rooms. Frank Frasor says he had an order for a Mickey Finn from none other than Corp. Tom Donovan and Jim Ryan says the boys from the south side haven't gone home yet.

Gene Kempf put over a big deal by signing Joe Gabay Sr. to bowl with the Einhorns the rest of the year. Heard Bill Frasor shouting a bottle of milk for Miss O'Reilly. G.K. Dan Boyd had a bottle of Double Cola early in the evening and has not been heard from since.

DeStefano headed the committee in charge of tomorrow's party and assures all visitors a full evening of enjoyment.

Festivities will begin at 9 o'clock at the Lions building, 4306 West North avenue.

Englewood Pens Next Christmas Wishes in Early Plea to Santa

2-4 Mon. . . . . 150 W. 69th St.

Dear Santa: This coming Christmas Eve
Will you be kind enough to leave,
Besides the toys you have for me,
Some duplicates for Dad, that he
May tinker with his own and play
As fathers will on Christmas Day?
Then I, for once won't have to wait
For days and days to celebrate!

This was a boy's letter to Santa Claus. Our letter to you at this time is that we are starting a New Year, and on behalf of the officers of the Council I wish to extend to each member and his family the most Prosperous and Happy New Year ever.

We hope that all the fathers, brothers, uncles, etc., of the council have finished tinkering and playing with the tiny tots' toys and will find time to attend our next meeting, to be held Monday, Jan. 13, 1941, at 8:30 p. m.

This being the time for resolutions, these few came to my mind, which I thought appropriate: 1. Attend all meetings; 2. Co-operate fully with your officers; 3. Support all Council affairs and activities; 4. Pay your dues promptly; 5. Each member turn in one application, or re-instatement; 6. Join the Council Blood Donor's Group; 7. Attend the two Council Communion Sundays, and the annual Memorial Mass; 8. Make at least one Retreat during the year.

Speaking of dues, reminds us that it won't be long now before Fin. Sec'y Huguelet gives me the first list of the members to be placed on the 1941 Honor Roll. This list contains the names of all members who pay their dues a year in advance. Will you be on it?

E—NQUIRIES

Have you sent in your 25 cents for the Christmas Cheer? It is never too late to make this donation.

Didjaknow that you can now make yourself a little extra side money for every new insurance application turned in? See Fin. Sec'y Huguelet for details.

Have you purchased your ticket and made reservations for the second annual Cabaret party and dance to be given by the Council's Fourth Degree Club, to be held Saturday, Jan. 18, 1941, in the Blue Room of the Southmoor Hotel, 67th St. and Stony Island Ave.?

Didjaknow that the price for this affair is only $1.00 per person, and that this admission covers everything, including refreshments?

Have you heard that the music for dancing at this affair will be furnished by Harry Wicks Orchestra, the same band that played at our first affair?

Didjarealize that it will soon be time for the exemplification of the Fourth Degree? And have you contacted your third degree friend and invited him to join the Fourth Degree?

Will you be at the meeting Monday night?

Leo Meetings to Be Held on First and Third Tues.

SPECIAL NOTICE

Leo XIII Council will hereafter hold its regular bi-weekly meetings on the 1st and 3rd Tuesdays of each month. The next regular meeting will be held on Tuesday, January 21.—Clarence P. Wagner, Grand Knight.

At the last regular meeting of Leo XIII Council plans were discussed and details formulated which when completed will bring to Leo XIII Council one of the largest classes ever to participate in the exemplification of the third degree. With the appointment of D. D. James J. McDermott executive chairman, and P. G. K. Edward Nugent, general chairman, the membership committee will hold weekly meetings to stimulate activity to attain our objective. This cannot be accomplished by just a minority of members. What the committee desires is the cooperation of all members.

Financial Secretary P. Joseph McNamara can provide you with the new application forms and rates. There are hundreds of Catholic youths in your neighborhood who are eligible for membership in our order. Just a few convincing words from you could more than interest them in joining. We ask your help in this campaign.

Sports Chairman P. G. K. Bill Hanrahan has announced that the Leo Shuffleboard Sweepstakes will be held at the clubrooms, 820 W. Garfield Boulevard, starting Saturday evening, January 18, at 8:30 p. m. This tournament will continue every Saturday and Sunday evening until all contestants have participated. DEARBORN LAYS OUT PLANS FOR NEW YEAR

1-3 Thurs. . . . . 820 Garfield Blvd.

The New Year is here and we trust that it has great things in store for Dearborn. Before it gets too large a start on us, we'd like to set down a few items that seem to contain the hope and aspirations of the council.

We hope that G.K. Devereaux's administration is as highly efficient and successful as that of 1940; that his staff continue their usual 100% co-operation; that our committees remain as active and as efficient as the past year; that the '41 dance, under the guidance of Chairman P.G.K. DuMais and his assistants Bros. Downes, Nix, Ruff, Heilman and Linklater, be as joyous and triumphant as that of '40; that our membership drive goes on to even greater heights; that Catholic action efforts be redoubled and that the Mayslake retreat house expands before all our members assemble for the annual retreat; that the donor group continue its marvelous work; and that Unity, Charity, and Brotherly Love be our watchword.

Of course, it is not fair to enumerate our hopes without stating how we will accomplish them. The best possible manner seems to lie in a series of resolutions listed below: Be it resolved, to assist G.K. Devereaux and his staff to the fullest extent of our ability; to attend every council meeting; to attend special and committee meetings, to answer the call of the wake committee; to sell at least two tickets for the dance; to sign at least one new member; to double our quota of last year; to support all council affairs; to make the annual retreat; to be a real Dearbornite and knight. This is put down in all confidence because we are not only certain of your ability to do them but we do know that you can and you will.

MEMBERS AND MEMBERSHIPS

APPLICATIONS: With 1941 just about ten days old we are still trying to determine who submitted the first new member. Whoever the lucky brother may be certainly has every every right to be both happy and proud. Because by his action he not only pumped the gun but has lent a helping hand to swell the ranks of candidates for the Third Degree in honor of Bro. John Richert. It is such effort that Bro. Richert deserves for the many years he has served Dearborn. Those following this lead are just as great in our eyes as is everyone who brings in a new man prior to and in sufficient time to take the degree on Jan. 26th. Thus don't lose heart because you weren't first. Continue your efforts and undoubtedly you'll acquire perhaps two or three new men.

BLOOD DONORS: In the course of the past two weeks, blood transfusions were submitted by Rec. Sec'y John Downes and Bro. Frank Bicek.

FOURTH DEGREE: The next meeting in January, the 16th, will be known as Fourth Degree nite. After a short council session, the gavel will be turned over to the Silk Hatters. They will introduce Bro. Jos. McMahon, Master of the Fourth Degree, who will tell us of the advantages in joining the top degree in knighthood. In addition there will be some enjoyable entertainment and, of course, the usual delectable refreshments.

This nite is prompted by the exemplification of the Fourth on Feb. 23rd. There is no greater joy than to become a member of this patriotic degree, the Fourth, and every eligible Dearbornite should arrange to be a candidate for this degree. See Fn. Sec'y John Feilen now and he will work out the details. The cost is merely $25.00 which includes initiation fee, Baldric, Sword. Banquet and an evening of enjoyment that is unsurpassable.

CURRENT EVENTS: Jan. 16th—Council Meeting and Fourth Degree Nite; Jan. 25th—Party for Marty Hough at Queen of Angels Hall; Jan. 26th—John Richert Third Degree; Feb. 15th—Council Dance; Feb. 23rd—Fourth Degree.

TRAPPERS—The award of $10.00 was garnered by Bro. Bill Sullivan who just got in under the gun. Don't spend it all in one place, Bill! Special prizes were taken by Tony Wilhelm, Jim Kittrick, Al Riley, Tony DeBeck and G.K. John Devereaux.

IN MEMORIAM: It is with deep regret we report the death of the mother of Bros. Jim and Mike Harvey. May we convey the sympathy of the council to the Harvey family and pray that God grant her eternal rest.

OUR DANCE

Feb. 15th is to be a night of crowning glory for Dearborn, because it will be the night of our annual party and dance. Chairman DuMais and his Co-chairman John Downes, Joe Nix, Steve Ruff, Tom Linklater and Oscar Heilmann with the assistance of the G.K. are doing everything in their power to provide an entertaining as well as a successful evening. All that they ask in return as compensation for their efforts is that each member attend the entertainment committee meetings to be held each Tuesday evening at Mark White Park and procure tickets now so as to make early returns. See Dave Kerwin for your tickets and get behind the affair right away.

Gar. Moreno's First Meet of New Year Is Tuesday, Jan. 14

2nd & 4th Tues., 155th & Lexington Ave.

We greet the first meeting of the new year on Tuesday, Jan. 14, not with resolutions, but rather with a firm determination to increase our ability over the past year. We shall try to make this year a banner one for Garcia Moreno. Our first thought should be to work towards the fulfillment of our council's hopes, which would shorten the distance along the way, to a higher level in the eyes of our Catholic men who are not members of the Knights of Columbus.

Our next meeting is very important and any member who is interested in his membership and order should be present. The five new insurance plans of the order will be explained by two representatives of the Supreme Office, Bros. Joseph Tushaus and Cushing. These two visitors are both interesting speakers, and G. K. James Mann asks that all members make an honest effort to be present. You'll enjoy the program, refreshments and good fellowship. The only thing you spend is your time. Let's start the year right, and we'll then have a better chance of finishing it right.

WITH THE BOWLERS

Wonder Bar league leaders dropped three games to Ed Shea and his gang, and also moved into first place. Lemons 550, Shea 520 and Knoll 512, were the three reasons for the wins. Hilgendorf 561 and Pop White 502, were the losers' top men. Sterker's Tailors put over two wins, the victims were the Home Liquor team, the cellar champions. A team by the same name finished in the cellar last year. Could it be there is something in the cellar? Rev. Fr. Renklewski 533 and Bennie Walenga 517 were the Tailors' best pin collectors. Sterker, the boss, took third honors with 477. Rich Walenga's 509 topped the Liquor team, with Paul Milash sharing second honors.

Walter Goletz's Boosters lost two games to Eagle Coal Co. Joe Reardon's 232 game and 538 series topped the Boosters, with Paul Malito's 517 taking second honors. Sir Ryan's 552 and Rossman's 537 were the main reasons for the two wins for Joe Droelet's Coal Bin boys. Frank Ring Boosters and Bill O'Hara Boosters locked horns, and out of the smoke of the battle Matt Walenga's 568 was the only real bowling of the match. Frank Ring's 465 was second best for his team, while McGee and Wisell's 480 tied for top honors for the losers, the O'Hara gang. League standings to date: Shea's Korner, first; Wonder Bar, second; Eagle Coal Co., third; Goletz and O'Hara Boosters tied for fourth place; Ring Boosters and Sterker's Tailors tied for fifth place. So keep up the fighting spirit, gang.

BIT OF NEWS

Our sincere sympathy is extended to Bro. Steve Otrosa in the recent loss of his beloved father. May his soul rest in peace. Josephine Flaherty, daughter of P. G. K. Flaherty, spent two weeks at her parents' home. Virginia Flaherty and Joan Scully are enjoying a long vacation in Hawaii. A card from Cary, Ill., from Andy Klaczinski, who enjoyed a visit there. Thanks for the card, Andy. Bro. David Bradley of Chicago sends greetings to the members of our council. Thanks, Dave, for your kind thought. Jackie Holmes, son of Bro. Bud Holmes, celebrated his fifth birthday. Your donation to Christmas Cheer is still in order. Kindly give it to Andy Klaczynski at our next meeting. Joseph Reardon, Ted Kerkhoven, John Doheny, Larry Cairns and the scribe attended the Holy Name Society service last Sunday at Holy Name Cathedral. Fr. Renklewski, our chaplain, served as subdeacon at the service. Visited the new home of Vic Walenga over the week-end. Start the new year right by attending the first meeting. Cheerio.

Barry Provides a Brace of Handy New Year Pledges

1-3 Tues. . . . 2856 Washington Blvd.

All of you have probably made a new brace of resolutions for the next three hundred and sixty-five days, but how many of you have included the following?: "I promise to attend my Council meetings every first and third Tuesday night of the month. I also promise to be at the club house not later than eight-thirty on these nights, and I further promise to submit news items on the back of my attendance card, so the Scribe can have something with which to fill his column." (And the following is for card-players): "I promise that on meeting nights I will not mess around with the pasteboards until the meeting has finished."

These are all simple resolutions and we hope you can keep them during the year. If you do, you will help Barry Council, its officers and members, put over a very successful season and you will get a real kick out of so doing.

CENTURY CLUB

You have all received your letters from the Grand Knight regarding the Century Club for the year 1941. Many have been members of this booster organization for many years and we hope you will continue. For those who have not enrolled in this group please take the hint and help along in the cause. A list of the members who have already subscribed will be published next issue.

FOURTH DEGREE

Thanks, to the members who have already signified their intention of participating in the exemplification of the Fourth Degree, at the Palmer House, Sunday, February 23. The response is heartening and there is still more to come. By the time of the event, the representation from Barry will be one of the best in the jurisdiction.

BARRY BOWLING

In the West Side Friday night league, Brother Arch McGowan reports that Barry took two games from Chicago Council. Barry had 911-882-956 for a total of 2799. Chicago's score was 841-912 and 850 for a total of 2603. Frank Kucera was top man with games of 205-167-208, total 580. Charlie Devito had a 201 game and Bernie Boyle had 222.

Well, here is the scoop we told you about last week. Mr. S. M. Peters, manager of the W. L. Douglas Shoe Store, located at 4002 West Madison St., has agreed to donate a grand prize of a pair of shoes for highest score. The directors of the League decided to run a contest for four weeks, starting January 16th, and run on a handicap basis with 200 as scratch score. A bowler with 185 average will get a 15 pin handicap and a bowler with a 140 average will get 60 pin handicap so that all bowlers wil enter this contest on an even basis.

Barry has entered five men teams along with doubles and singles in the State K. of C. Bowling Tournament which is being held at C.Y.O. bowling alleys, Congress St. and Wabash Ave., Sunday afternoon, January 19th, at 2 o'clock. The five-men, Barry squad will take the aleys and try and bring home the bacon, so why not come down on the 19th and give the boys a good send-off.

Lot of the teams started the new year with upsets, and the biggest one was the series between the two leading teams of the League—the Cunningham Insurance and Mid-West Auto Service. The Mid-West won all three games and moved into first place with a two-game margin. The loss pushed the Cunninghams down into second place. John Foley had high score for Mid-West with 257, and Charley Svoma had high for Cunninghams with 212. We might add that part of the three-game defeat of the Cunninghams was that the boys were so busy shaking the hand of one of their bowlers, Jim Tyrrell, who had a blessed event at his home. Yes a future Barryite and bowler arrived, and we are glad to report that mother and son are doing fine. Congratulations, Jim, and next week will be time enough to bring the cigars around.

Recorder Kaindl's won three from Ahern Morticians with Milt Horan getting high score for Kaindls with 192, and Don Fornero getting high for Aherns with 194. Frank Kucera's Senator Keanes are starting to hit their stride as they won three from Sheehan Chill's and moved up from 10th to 7th place in the league. Frank Kucera had high score with 206 and Larry Westphal had high for Sheehans with 205.

Tom Murphy's United Air Liners won all three games from Faucher Brothers and are now tied with Fauchers for third place. Joe Kurtz set the pace for United Air Lines with a 570 series with high game of 219. John Tamburrino had 556 series with a 235 score for Fauchers. American Air Lines won two from Rocco Tarsitano's, Smith Funeral Home, with Rocco's 225 game in second, saving Smith's from a clean sweep. Harry Kloth had high for Americans with 188 score.

DeMares Coals won two from Little Jacks Restaurant with C. Probst getting high score of 198 for Little Jacks. Jeff Fleming had hight for De Mares with 194. T.W.A. Air Lines won two from Kedzie Coals with Captain Mort Flynn getting high for sky riders with 182. Captain Pat Crowley had high for Kedzie Coals with 179. Tom (Butch) Geegan is still on the sick list, so Bernard (Bones) Boyle filled in for what Bones calls a little workout for Friday night classic.

Prize winners last week were Foley 217, Owens 201, Morgan 211, Dunn 210, Dr. F. Cella 226, Szafran 210 and John Rose 181.

We pray for the speedy recovery of the son of Brother Ed Engfer, who is seriously ill at the present time . . . two blood transfusions were required last week and the donors were two brothers of St. Patrick's Council . . . Frank Demato and Ray De Frank . . .

Congratulations to Brother and Mrs. Sam Falcone on the birth of a baby daughter, Marian, December 30, 1940, at Grant hospital . . . Mother and child are doing well. . . .

Thanks to all the members who sent Christmas greetings to the scribe . . . and the same to you. . . .

Brother Ed Murrin, Sr., took part in a broadcast last Tuesday morning . . . we won't say where . . . but we heard him.

Chicago Hts. Asks All Possible Cooperation Be Given by Members

2-4 Mon. . . . . 1527 Otto Blvd.

New Year's Day was the day that we all looked to with great solemnity for the coming of 1941, and with it a better world from out of the ashes in the land across the water where the so-called Fuehrer believes only in a god of war and vengeance. Brothers, let us also refresh our memories a little to see if we have done our duty during the past years, particularly so to the officers and members of our council.

We, one and all, should resolve to have a perfect record by attending at least one meeting every month. Why not make it your special resolve to help make Chicago Heights Council one of the outstanding and prominent councils in our area, and remember that in order to do this we must have your cooperation in all the council's activities. The officers and members of our council take this opportunity to wish you all the joys and happiness of a new year.

Your Scribe humbly apologizes for failing to have any article in the last two Columbian issues. It was due to the fact that he has been under the doctor's care for several weeks. Having now fully recovered he will try and see all at our next meeting.

MEMBERSHIP

As you well know, brothers, our membership drive is still on, and our Membership Chairman, Joe Schmidt, is exerting every effort to get your support and cooperation. Under the new setup in the insurance plans, we should not find it very difficult to get new members.

Every member who signs up a new member makes a little extra money for himself, and with a little more energy on your part it should not be any trouble to get at least one new member. It certainly would be very nice to present G. K. Dionne with ten applications at our meeting of Jan. 27. So let's all get together and work shoulder to shoulder to help Joe bring Chicago Heights Council back as one of the leading councils.

We are glad to report that Bro. Bernard Mackler, who is still confined to St. James Hospital due to a serious accident sustained several weeks ago, is progressing nicely. It will be several weeks, however, before he can be up and around. He will appreciate a visit from any of the brothers.

The Lecturer, Oscar Fox, is planning a fine program for our meeting of Jan. 27, so plan now to be present. Your Scribe sincerely hopes that the new year will induce you to send him all news you may hear and think worth while publishing. A penny postal, addressed to me at 1906 Circle Ct., will do the trick.

Madonna Mutter and Yegg Man Is O. K. After Party

2nd Thurs.-4th Fri. . . . . 4522 Wallace St.

After a while the purple tiger got tired chasing us, and pantingly lay down in the corner where the blue elephant with yellow ears was patiently practicing on his oboe. The little green people went away, and by and by we were able to stand up to watch the walls go round. While they slowed down we picked the cotton from our mouth, but couldn't get any, so we just waited, and estimating the speed of the walls, made a dash for the door. It wasn't there, so we picked ourselves up and made another attempt.

Luck smiled as we made a quick figure eight skid and grasped the doorknob with a triumphant yell. Throwing open the door, we charged through—and then everything went black.

WE LAY THERE

Just breathinug quietly. It had come. "Don't break down," we said. "Lots of people have gone blind and still kept their chin up." Maybe we could get one of those "Seeing Eye" dogs. We could learn to weave rugs or something. People would help us across the street and give us their seat in the cars. Maybe we could have a blind pig to keep us company.

Pretty soon the better half came along and got us outta the closet and steered us into the kitchen where a nice breakfast of tomato juice and black coffee awaited us. We perked up a little and after taping the pen to our hand, started to write about Madonna's New Year's eve party.

IT WAS

A great party, no doubt of it. In fact Wally O'Keefe claims it was the best party Madonna ever had and where have we heard that before? At any rate Larry McGetrick, Duke McGrath, Raleigh Kean, John Kavanaugh, John Morrisey, George Noonan, Marty Morrison, Johnny Ivers, Pat Noonan, Bill Slavin, George Donnelly and Nick McInerny of Perez join the eminent Walter in singing its praises.

To "Two Pants" goes our trophy of the week for his efficient work. Oh happy day! Some skunk was at the party though. Who slipped us the Mickey Finn?

Y. I. A. C.

Doesn't mean your innerds are creaky. If they are, try some of Dr. Pollick's Instant Belch Tablets. They provide instant relief, come in a small envelope and can be taken with or without Four Roses. Bur-r-r-p.

Thirteen knights in chrome plated armor came charging into the column this week by paying up their dues a year ahead of time. The riders of the greenbacks being Rev. Norbert O'Connell, Rev. Harold Trainor, Rev. George Parker, Judge Harold P. O'Connell, George Foster, Frank C. McNichols, Anthony Cella, Joe Ryan, Andy Bracken, Sgt. Tom Curtin, Tom McNamee, Joe Buckley and Walter Rourke, who rode up from Florida. This boosts the total to sixteen, which isn't bad for six days.

DR. FRANK FIORE

Is making arrangements with St. Bernard's Hospital to have some more ear piercing done. And it ain't for earrings, either. Quite a few of the bowlers have yet to be typed and we understand they're going to slip over to the hospital next Wednesday night before the kegling. If you want to go with them give Frank a buzz.

Of course not, you dopes, there wasn't any bowling Christmas night, and who could New Year's nite?

WE'RE DOWN

Low enough in the column (?) now to have what is beginning to be Our Weekly Chat With the Editor. Since he moved our last week's chat from the head to the foot of Madonna's column (?) we'll string along.

We see that he used up a good inch of our space (cutting our stuff meanwhile) to stand up and scream about "intimidating the press." We don't know howinell Mr. Ickes got into our column (?) but if he sits quietly and minds his W. P. A.'s he can stay to the end of the show.

Our effervescent editor dropped quite a few question marks a round last week, mostly after the words "think." We quote: "—and not that I'd care to 'bust' any of your illusions after all these years, but what makes you think (?) anyone but you and me ever read this—ah—column?" Unquote.

We have honestly tried not to brag, after all, one Pegler in this world is enough. He also seems to object to our use of the word "column." We use it merely as a figure of speech, for while we write two columns (oops, excuse it) of stuff every week, the heat of the presses reduces it to a quarter column by the time the Columbian comes out.

Perhaps he would prefer us to use the word "notes." Notes to him—ah yes—notes to him.

P. S.—He's gonna get those five bucks. Did you ever hear such a squallerin' and a bellerin' in all your borned days?

(Play this "touch-song" over again, will you, Ralph? That last part is pretty.—Ed.)

Illinois' Honorary Knights

An outstanding piece of order ritual was administered at the last meeting of Illinois Council when the Honorary Degree was conferred upon twelve veteran order members.

Pictured above are the men who received the unusual honor. They are, from left to right, standing: John P. McDonald who joined the order Dec. 12, 1905, Joseph T. Fortin, Feb. 5, 1914, John L. Enright, Oct. 8, 1899, Harry W. Dean, Dec. 20, 1907, and Daniel F. Murphy, Grand Knight of Illinois Council, who with the Deputy G. K., the Chancellor and Warden, administered the degree.

Next to G. K. Murphy is Peter J. Hughes who joined on Aug. 4, 1906, Stephen A. Stukel, Mar. 14, 1901, and Frank J. Kelly of the class of Dec. 1, 1914.

Seated from left to right are: John E. Bradley who entered the order May 28, 1903, Edward P. Hanisch, Jan. 16, 1898, Joseph T. Barry, May 10, 1900, John T. Lillis, Mar. 14, 1901, and Harry J. Baby, May 19, 1900.

Many of these gentlemen have contributed much to the betterment of the order and of the council. All of them are sterling Catholics. And so—honorary members, your council salutes you and bid you go forward under the banner of that same Knighthood which you have helped to bring into full bloom.

We received a telegram from Dr. McGregor, regretting his inability to be present and sending best wishes to all. Thank you, Dr. McGregor. We also received a letter from Joseph G. Murphy of Altadena, California, who, of course, was unable to be present.

REV. MULLALY SPEAKER

The speaker of the evening, Rev. Edward J. Mullaly, a noted Paulist missionary, was a fitting climax to a great occasion. The great Father is one who gives great hope to anyone who will even try to discover the true faith. His talk will not soon be forgotten.

Incidentally, Father Mullaly made a great discovery. Little did he think that there was any other native Nevadian in the council chambers until accidentally it was made known that our Inside Guard, Stephen A. Stukel is a native of Gold Hill, Nevada. Father Mullaly is a native of Virginia City, and so he indulged in a little repartee with Brother Stukel.

The council was greatly honored also in the transfer of a member of one of our sister councils, who joined the ranks of Illinois, Anthony M. Turo, who, we are informed, has a tailoring establishment at 516 North Clark Street. He enjoyed the evening enormously. Welcome, Brother Turo. We hope you will enjoy long membership in Illinois Council and that you will find time to take active part in its activities.

NEXT MEETING

The council's big charity card game will be held Monday evening, January 20 in the De Paul Building, 64 East Lake Street. The space there is inviting; plenty of room for all. We suggest that you procure your tickets now and that you come early; play will being at 8:30. A valuable gift for each table and in addition thereto, yes, indeed, the door prizes. Please make return for your tickets which you will receive in the mail within a few days.

New Year's Baby

A baby boy was born on New Year's morning to Mrs. G. J. Haley, wife of Bro. Haley. The mother and infant are doing well, and the cigars are expected at an early date. Congratulations!

Newman Bowlers Look Northwards for Some Fighting Competition

1st and 3rd Thurs. . . . St. Mary's Hall

With council activity down to a midsummer low and without a meeting or bowling night of any kind to report on, we will have to take this opportunity of expressing an observation that we have been making over the past year and at the same time build ourselves up for a goodly amount of space in this publication which deserves all our council thanks for giving us an unprecedented front page spread again last week.

Anyhow, we really heard a strange west side brother give us a pat on the back the other day when his remarks were pointed to the many, many times he has seen Newman's name on the second to last page of our order's newsy paper, and he did not mean under withdrawals or suspensions, but under the applications column. And now that we have set such a high goal we must stay right in there and make a lot of points after touchdowns in order to keep that average up in that application column.

Enough rose petals have now been strewn so that we can go to work on some coming events, one of which is the much mentioned bowling match with our neighbor council, Ouilmette. It is rather hard to believe that our hard-working bowling secretary has fallen down on us and we rather are of the opinion that the boys up north are a little bit scared. Of course, we are all set for the state and national tourneys, but not until February and April, respectively, so we will leave those two events for the later scribes.

Bro. Geo. Hebson must have bribed the north side league scribe to keep last week's results out of print, as we understand Joe Zera, Hank Pollette and Will Uttenreuther got tired of carrying him and the team dropped to about sixth or seventh place. The boys do deserve a hand for helping to keep Newman's name in the sun. This also reminds us that Newman's Neversweats, those knights of the hardwood, are finding it really hard with setups at Charley Brynes Recreation League few and far between. Watch the local Index for their schedule and do your part by coming out and help carry 'em off the gym floor.

If Edw. Bell & Co. haven't pulled a "Franksgiving" in their new 1941 calendars we see that the next regular meeting, if the trustees are not too tired, will be held on the 16th, same place, same time—8:00, 8:10, 8:20, 8:30. Who cares as long as we have a good time, good crowd and good food as usual?

One event we all want to be on time for will be the third degree trip to Waukegan on the 19th. Buses leave St. Marys at 1 p. m.

Fourth degree time is coming soon, so candidates file and make payments to Doc Hynes this month. Greg Konold and his choice choristers have signe their first contract to appear at S Nicholas Holy Name Society open mee ing on Jan. 19. McNulty and Murra will do a juggling act with three dig gers and a paver or something.

AND NOW DESSERT

Now, after finishing the meaty po tion of our week-end literary repas let's see what we will have for desser On the social menu we see that Mar guerite Jans, daughter of Big Tim Jan is to be married to Robert Mueller Chicago, son of the president of th Chicago Chapter. Bro. John Remich Marguerite puts the south end back i the running for engagement honors b announcing hers to Edward Rushli Wilmette. Bro. Al Smith, Jr., found th hunting good this fall around Menash Wis., and has bagged the hand of An gela NaDonley. North Evanston come right back with the announcement tha Geo. Pestka's daughter is engaged t J. J. Reynolds of Wadsworth, Ill.

Into all writings a little rain mus fall and our lot is to announce th death of Phil Larkin, brother of Br Jim Larkin and brother-in-law of Br Chas. Cobb. As one who has know Phil since boyhood, we can really ap preciate their and our loss. If you hav any news this month, be sure to ca Davis 8479.

St. Rita Fourths Round Off Plans for Feb. 1 Party

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

Three hundred and fifty tickets have already been distributed among the members for the 2034 Club's annual winter cabaret party, to be held Saturday, Feb. 1, at Mike Flynn's Hall, 3236 W. 63rd St. Any member who has not received tickets may do so at our second meeting of January next Thursday

Chairman Charlie Clarke reported this week:

"So far our plans have gone forward without a hitch. We have contracted a fine orchestra and ordered a large supply of refreshments which, as you know, are included in the price of admission—$1.10 per person.

"Selection of committees has been completed and all the members of same are working diligently in their efforts to make the party both a financial and social success. The hall we have secured, which is the same one we had last year, is admitted to be one of the best on the south side. Parking facilities are available adjacent to the building.

"The rest is up to the individual members. If they do their best to sell their tickets, and I feel confident they will, we will be sure of a fine attendance and hence the party is sure to be a success."

Why not justify Chairman Clarke's confidence in us? Don't lay your tickets aside and then forget them. Go out and sell them. They'll go like hot cakes.

FOURTH DEGREE

Chairman of St. Rita Council's fourth degree committee, PGK Frank Small, announced this week that 15 third degree members have signified their intention of becoming fourth degree members at the exemplification Sunday, Feb. 23, at the Palmer House.

Those already signed up include William Balswick, Joseph Philbin, Raymond Sullivan, Peter Salvatori, Jerry Jayson, John Robinson, Raymond Bernoski, Joseph Shanahan, Joseph Obirek, Howard Jeffers, J. Bracken, Dr. Vincent Milas and George and Chester Kucharski and your humble scrivener.

There is still plenty of time to add your name to the list. The deadline for turning in applications is Feb. 15. If you wish to be inducted into the fourth degree, attend the next meeting and obtain an application from Chairman Small.

THINGUMBOBS

Our trustees will soon begin compiling their semi-annual report. Take care of your back dues now and make their task easier.

Damen Ladies Offered Menu Par Excellence —It Has to Be Good!

Jan. 16 . . . . . 6 N. Hamlin Ave.

It has been said that the best French cooks are Italians. But little known outside our domain is the fact that the best judges of good cooking and the connoisseurs of delectable viands are the ladies of Damen knights.

No more weighty reason exists, then, for Lecturer George Reithal to tempt the critical appetites of our helpmeets with sweet morsels and delicious viands and the nectar of the gods on Thursday, Jan. 16, at the Midwest Athletic Club.

On the evening of this memorable day the ladies are to be entertained with that captivating game of Cash Bingo so dear to feminine hearts. Cash door prizes are another feature. Then comes the midnight snack, the fame of which has brought renown to Damen Council.

Grand Knight William G. Hopkins and Lecturer George Reithal cordially invite all Damenites and their ladies. They encourage you to regard this Ladies' Night as a family affair. Bring mothers, sisters, wives and daughters.

FOURTH DEGREE

With the ominous roar of cannon and the dread hum of wings threatening to draw us closer to the brink of man-made hell, many are awakened to the spirit of patriotism while some are forced to don the cloak of superficial loyalty to country. Well may we question the love of country by such as these.

Yet there is within our shores an organization sworn to the loyalty and patriotic devotion of our America just as they revere the virtues of faith, hope and charity. Here is true loyalty, true patriotism, true love for God, Church, country. Here is real Americanism. Here is a society well able to teach the lessons that will assure the blessings of peace and liberty to ourselves and posterity.

All Third Degree members of Damen Council in good standing for the past two years are invited to join the Fourth Degree, the Patriotic Degree of our Order. The inspiring lessons of this highest rank of Knighthood will long be remembered and long be vivid in your mind.

Past Grand Knight Thomas F. Brown, chairman of Damen Fourth Degree, urges you to enlist. He is anxious to talk things over and have you a member of the La Salle General Assembly, the Chicago unit of the body.

Joseph A. McMahon, Master of the Fourth, has set the exemplification for Sunday, February 23, in the Palmer House.

Chairman Lawrence Dowd of the Membership Committee is waiting to receive that application for First Degree from your candidate. He knows that in your circle of practical Catholics there must be a number who would be of value to the Order. Sponsor them for membership.

Another candle is to be added to Damen's birthday cake during the annual Dinner Dance in the Grand Ballroom of the Midwest Athletic Club on February 8.

P. G. K. Ray McJohn, bowling league prexy, has passed the crisis and is at St. Anne's Hospital.

Spending the Christmas holidays in the same hospital, John Bowler is up and around after an operation.

Mrs. Harold Prince—such childishness—scarlet fever. Hurry up and get well.

Jack O'Shea has tickets for the Martin Hough testimonial benefit. Marty spent a lifetime helping others, advancing them in Columbianism. Let's help him now.

To Bro. Wm. J. Cassidy our sincere thanks and compliments for his annual donation of twenty-five dollars to the Christmas Cheer Fund.

Oak Park Meeting Is Next Monday Night; Big Attendance Urged

2-4 Monday. . . . . 641 S. Scoville

The next meeting of the Council will be held Monday, Jan. 13, and there will be many subjects of interest to discuss. Since this is the first meeting of the new year it would be fine if we had a large crowd in attendance. Just a few months away is that 30th anniversary party that we are all waiting for. The only way to make it a success is for each member to keep it in mind and to stand ready to devote a little of his time to helping. Be up to the meeting and learn more of the plans as they exist at present. The entertainment for the evening is still a matter of mystery.

There is another matter that should interest all members. That is the payment of dues and assessments to the Council. In a week or so the trustees will audit the books and it would be a wonderful thing if there would be no outstanding balances. If you are a little in arrears make an effort to bring your account up to date. The officers will appreciate it, especially the Financial Secretary.

BOWLING PARTY JAN. 19

Deputy Grand Knight Joe Cagney informed us of a little good fellowship and bowling party to be held at the clubhouse on Sunday afternoon, Jan. 19, a party which will be open to all members and their invited guests. Joe further states that there will be plenty on the table for those who are hungry or thirsty. Bowling will be in full blast with a number of prizes given for skill and lack of skill. There will also be an attendance prize that will be of interest to all attending. More details will be revealed at the meeting on Monday night. All old time members of the bowling league are especially invited.

Where are all of those applications for new members? Other councils are getting them, right in Oak Park, too. Some of these councils have nothing special to offer, except that they have a few energetic workers who have confidence. Just spend five minutes thinking of some one you know who might well be a member. Call on him and let us know your results.

SURPRISE

Something of interest is on deck for the second meeting in January. Lecturer Frank Holub has not released the full particulars as yet, but we are informed that the young people will be interested.

The next initiation will be held at Franklin Park on Jan. 16. This is the second of a series of initiations held under the new plan. There is no waiting of candidates for the First or Second degrees.

HEN. SHIELDS STRESSES K.C. INSURANCE VALUES

Jan. 22, Feb. 12 . . . 446 N. Parkside Ave.

Our morning mail was a little heavier than ordinarily, but as usual, not what could be called profitable. Three ads, two bills, a letter from a guy who offered to furnish my family history, at two dollars per copy, which is two dollars more than our family history is worth to us, a couple of hints from insurance agents and a letter from Acting Financial Secretary Joe Hannon sending the compliments of the season and advising that we had been reclassified and placed in an older rate group with a higher assessment rate. It reminded us that a lot of other things will go up in price before long. Taxes, rents, food, and clothing are due for increases and when they go up they will take a long time to come down. Who ever heard of taxes coming down?

With all this, K. of C. insurance remains a safe and stable form of insurance. Act. Fin. Sec. Joe Hannon hopes that his recent statements to members covering dues and assessments will receive the usual prompt consideration. Anyone wishing to pay a year in advance will have absolutely no trouble in so doing.

1941 Bowling

Individual High Three Games: Frank Daley, 694; Roy Murray, 691.

Individual Averages: Frank Gould, 182; Roy Murray, 175; Tom Butler, 175; Jack Shealey, 173; Tim Fleming, 172; J. Molitor, 171; Marty Moylan, 171; Harold King, 171; E. Hickey, 169; R. Gould, 168; Ron McGillervray, 166; D. Gleason, 165; F. Fountain, 165; Phil McNamara, 162; Julius Comyn, 162; J. Ford, 161; Jim Lynch, 161; Ed Mulholland, 160; Frank Daley, 160; G. Rogers, 158.

In the West Division, our team opened the year by winning two games from Gen. Sherman Council. Tim Fleming with 557, Al Lifka, 539 and Miley Devine, 538, led the scoring in the Friday night resumption of schedule.

THE SOUNDING BOARD

Third Degree members of the Council who are contemplating taking the Fourth Degree at the annual exemplification at the Palmer House on Sunday, February 23rd, should get in touch with Fin. Sec. Joe Hannon to secure applications and make the proper arrangements. Two years' membership in good standing and your pastor's certificate that you have received Holy Communion are among the requirements.

We wish to express our appreciation and thanks to our fellow officers and members of the council for their kind cooperation in helping us to produce this column, during the past year. Also the same to the guy with the big blue pencil, Editor Du Chateau, who hauled out the rubber type to save our life more than once during the past year.

The happiness of the Christmas holidays was increased by the arrival of an eight and a half pound baby girl at the home of Bro. Joseph Griffin on Jan. 3rd. The wee one's arrival coincided with the seventy-third birthday of her paternal grandmother, Mrs. Griffin. Congratulations and best wishes, Joseph.

Roy Cummins says he didn't make any New Year's resolutions this time as he hasn't finished breaking the one's he made a year ago.

If you keep handing bricks to someone to throw at a third party it won't be long until you will be dodging bricks yourself! G'BYE.

St. Peter's, Oldest Cath. Church in N. Y. City, Marks 155th Anniversary

New York.—The 155th anniversary of the founding of the parish of St. Peter's, oldest Catholic parish in the city, and the 55th anniversary of the consecration of the present church at Church and Barclay Sts., was observed on Sunday, Nov. 24, with the celebration of a solemn mass by the Rev. Edward Roberts Moore, pastor.

Father Moore was assisted by the Rev. Daniel L. Sullivan as deacon, the Rev. Albert A. Finckney as sub-deacon and the Rev. Joseph N. Collins as master of ceremonies. All three are assistant pastors at the church.

Parishioners and former parishioners returning to St. Peter's for the anniversary observance heard the Mass of the Holy Spirit sung by a quartet under the direction of its composer, Robert W. Wilkes, parish organist. The singers were Alfred Northman, first tenor; A. Wickens, second tenor; Harold Wiley, first bass, and Fred Thomas, second bass.

After reading the Gospel from St. Luke, xix, 1-10, Father Sullivan recounted in the sermon the growth of the parish since Father Farmer, a Jesuit, rode up from Philadelphia horseback to found it shortly after the close of the Revolution.

The original cornerstone was laid on the present site in October, 1785, and, with the first Mass on Nov. 4, 1786, "Christ the King took up residence in this church which He has never terminated."

In 1800, the "oldest and best" free school in the state was established by the parish, and in 1805 Mother Seton, founder of the American branch of the Sisters of Charity and now a candidate for canonization by the Church, was received into the Church at St. Peter's.

The present edifice, second oldest Catholic Church in the city, was erected in 1836, and consecrated "to the service of God," on Nov. 22, 1837, by Archbishop Michael A. Corrigan. A lower chapel, named in honor of Mr. and Mrs. Edward Smith, was opened in 1932.

Illustrating the progress of the faith, Father Sullivan declared that in 1785 the parish covered the entire state as well as eastern New Jersey, and had 200 parishioners. Today, he said, the same area holds upward of 4,500,000 Catholics, under the spiritual guidance of two Archbishops and 11 Bishops. The parish now covers 99 city blocks and has 180 families.

Americus Has Plans Completed for Party Next Tuesday Night

2nd & 4th Tues. . . . . 3350 Jackson Blvd.

The next regular meeting of Americus Council will be held on Tuesday, Jan. 14. All the business will be dispensed with in favor of our gala bingo party. This party has been planned for quite some time and everything is in readiness to assure all a good time.

There is no need to go into detail about the fun you will have, as everyone who has ever attended any of our affairs knows that they are chucked full of laughter. This is an open meeting and all members, their families and friends are cordially invited to attend. The date, Jan. 14; the place, our clubhouse at 3350 Jackson boulevard; the time, 8:00 P. M. Come one, come all.

The annual memorial mass for Bro. John J. Powers will be held Saturday morning, Jan. 11, at 7:30 o'clock in the private chapel of Our Lady of Sorrows Church. All members of Americus who can possibly make it are asked to attend.

Americus Council regrets to announce the untimely passing of the good wife of Bro. Frank A. Cella, on Nov. 19. The heartfelt sympathy of the entire Council is extended to Bro. Frank and his bereaved family. May her soul rest in peace. All the old-timers will remember Bro. Cella as one of their star bowlers in the K. C. League.

We were also grieved to hear that Bro. Charley Barrett is in the hospital. Charley underwent an operation for appendicitis last Saturday and is convalescing in the Loretto Hospital.

After announcing several weeks ago that Mrs. Gertrude McSweeney, wife of Bro. Johnny, had been released from the hospital, we were shocked to learn that she had to re-enter. We hope and pray that no serious complications have arisen and wish her a swift and complete recovery.

BOWLING

The bowling is progressing nicely. The O'Briens went another game out in the lead by trouncing the Power's Movers three games, while the Al Horans took two from the Gillespies. We should celebrate in some way as this is the first week that all bowlers from the four teams were present. Guess the boys were boiling out alcohol. Next week promises to be a thriller when the O'Briens meet the Al Horans, and Gillespies meet the Power's Movers. All members are invited to cheer for their favorite team.

ABOUT TOWN

Becker's lunches are still as appetizing as ever after bowling on Monday nights. . . . Stagg thinks Joe Daly is saving pennies, so he gives him two each session. . . . Bill Leahy was reprimanded by Chairman Bill Costello for roughhousing. . . . Oh boy! Does Allaire scream when he hears that foul bell. . . . G. K. Ned Kelly, who had been quite a stranger, stopped around to say hello to the bowlers.

Thackeray tells of an Irish woman begging alms who, seeing him put his hand into his pocket, said: "May the blessing of God follow you!" But when he only pulled out his snuffbox instead of the expected coin, she immediately added, "But may it never overtake you!"

Star Bowlers to Vie for McMahon Awards This Sun.

The annual all-star match game, sponsored by Joseph A. McMahon, Master of the Fourth Degree, and supervised by the Illinois K. of C. Bowling Ass'n, will be held next Sunday, Jan. 12, at 2:30 p. m. at the CYO Recreation Center, Congress and Wabash.

The participants in the match are the leading bowlers of the West Division, North Division and members of the Tri-County Major League representing the councils of Morris, Ottawa, Joliet, Streator, Seneca, Pontiac and Dwight.

The Tri-County League have not yet submitted the names of their representatives but the West Division lists Joe Sinke, Andy Schmitt and Matt Kass, all of Brownson Council, Sam Saric of Bishop Ketteler, Ben Dalton of Arch. Quigley and Al Kowalski of Hughes.

The North Division lists Ray Gleason, St. Paul of the Cross, Joe Dvoratchek and Marsh Matz of Brownson, Carl Schwall and Paul Bleser of Ouilmette and Dr. Ralph Seidl of St. Paul of the Cross.

Only five men bowl on each team but six men are listed on each honor squad. The match consists of three games, total pins deciding the winner.

At the conclusion of the match game, Master Joseph A. McMahon will present five beautiful trophy clocks, suitably engraved, to the winners.

This match game is growing in popularity, each year bringing additional interest and enthusiasm. Five series have been held previously, the North Division winning three times, the West and South Divisions one each.

The South Division did not organize this year and for the first time since its inception, they will be missing from competition.

All members are invited to attend this match as well as all other tournament games. There is no admission charge and comfortable gallery seats are provided.

Paul Shoup, prominent Pacific Oil Company and Southern Pacific executive, was at one time or another in his life a railroad mechanic, photographer, freight handler, telegrapher, stenographer, editor.

According to Warden Lawes, only twelve and a half per cent of the prisoners under him are "aggressively anti-social and dangerous."

Fr. Setters Presents Its Great Mid-Winter Dance This Saturday

2-4 Thurs. . . . . 4711 W. Madison St.

Saturday evening, Jan. 18, when Father Setters Council presents its great midwinter dinner dance at the Midwest Athletic Club, Madison street and Hamlin avenue, is just one week hence! If you haven't yet placed your reservations, it is urged that you do so at once in order that proper accommodations can be made for your party.

Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer, who are jointly handling arrangements will receive reservations up until about Wednesday night. So, if you haven't already taken care of the matter it is suggested that you get in touch with the G.K. (4417 Gladys avenue, 'phone Columbus 6623) or the Lecturer (1537 North Leamington avenue, 'phone Merrimac 8085).

The party will commence with a seven-course turkey dinner which will be served between 8:30 and 9 o'clock. Augie Schaid's Band will entertain during dinner and will provide the subsequent music for dancing. Later on in the evening, a spectacular floor show will be presented and at various points throughout the program, special novelty acts will be featured.

Tickets have been kept down to the modest figure of two dollars per person.

All members and friends of Father Setters Council are cordially invited to attend. In making up your party, however, it is again urged that you place your reservations at once.

One thousand members of Father Setters Council and their youthful guests are expected to attend the Fathers' and Sons' Night program on Thursday evening, Jan. 30, at the Madison Athletic Club, 4711 Madison street. The feature athletic event of the evening will be eight all-star boxing bouts in which favorite local C.Y.O. champions will appear.

In addition to the bouts, there will be a number of entertainment features which should prove particularly attractive to the dads and lads alike. Door prizes will be awarded to the youthful guests of honor.

Members are invited to attend and to bring with them their sons, grandsons, nephews and other young friends, all of whom are assured a cordial welcome and a pleasant evening's fun.

Fr. O'Connor Puts Final Touches to Testimonial Plans

1-3 Thurs. . . . . 4660 N. Kedzie

The Marty Hough testimonial committee is really going to town in a big way for that grand testimonial on the night of the twenty-fifth. Every wrinkle is being ironed out and this affair promises to be the best that we have ever attempted. And why not? It is being run to honor Marty, one of the greatest men that the Knights of Columbus has ever produced; to show the world the type of man who really makes the Knights of Columbus the worthwhile organization that it is to honor the man who spent his whole life in the promotion of good for the Catholic church and to bring home the value of charity and brotherly love. Yes, sir, they only come along once in a lifetime, so let's show our appreciation by promoting and attending the affair at the Queen of Angels Hall on on the last Saturday of the month.

A NEW RECORDER

None other than our old friend and former scribe, Walter Kelly, will grace the desk of the recording secretary from now on. We have no doubt that the office will be ably filled to the best of his six foot two ability. In case you wonder what Wally does for a living, he is in the insurance business. Just mention insurance and you are sunk.

ARE YOU?

We are asking you, as they say on Lawrence by Kedzie, if you are one of the members who constantly complains about the lack of this or that in our meetings and activities? If so, the council and its officers would gladly accept any suggestions that you may have for the betterment of affairs. You know that your absence from meetings does not help the council one bit, but your presence there would greatly assist in improving conditions.

We often hear it said that a man is a member but he never attends meetings. Brother, you are getting gypped, for the swell affairs the council runs are being paid for by the dues, yours and mine, so why not get your money's worth. So make a resolution for this year to become an active member of the council and promote the cause of charity amongst your fellow men.

Miss Irene Messett and Mr. Tom Kissane middle-aisled it last Saturday morning at Our Lady of Mercy Church. Irene is the daughter of Bro. Bill Messett. The wedding was delayed for about one-half hour while the Foster Ave. Shylock picked up a different pair of trousers for the wedding. It seems as how the sergeant put on about six inches across the tummy during the last few days so that the attire on hand wasn't large enough!

Ouilmette Promises Many Features for Meetings This Year

2-4 Mon. . . . 1215 Wilmette Ave.

Next Monday night we will hold the initial meeting of the year. Every effort is going to be taken to make each meeting of 1941 entertainingly attractive. A new card tournament will be held; there will be athletic nights; plenty of refreshments, good crowds, and everything to make each meeting an enjoyable event. In order to get the most out of your membership, why don't you plan to attend the majority of our meetings this year? Start with the first one next Monday night, Jan. 13, and include all the rest to Dec., 1941.

I stopped in to watch the Holy Name Society bowl tonight and met Bros. Pumpkin Braun and Larry Schaeffer, who between them contributed most of the news spots to follow. Thanks boys, it would be a simple job if every brother would remember the news and tell it to me and what a column we would have.

On our sick list we still find the names of Bro. Frank Ortegal and D. D. Jim Moynihan. Bro. Frank, as you know has been down for some time, but I understand though the going is tough and slow, he's still able to laugh as loud and as funny as always. Dist. Dep. Jim is doing as well as can be expected and the G. K. promises to pick up the D. G. K. and pay Jim a visit real soon. Doc Genster's wife, Jessie, is experiencing a slight ailment, imagine, mumps. Wonder how Bro. Tony Schimler's wife is? Tony doesn't come around and tell me any more. Fr. Sheridan is all O. K. again after his recent throat and sinus infection.

Then turning to the almost sick we have Bro. Harry Peters who along with Bro. John Witten is one-half of the partnership of Witten & Peters or Peters & Witten, or—. Anyhow, while working for Bro. Joe Alten, the undertaker, on one of his dull days, tried to give him a job by plunging down a flight of steps. Too bad though he sustained only a sore leg.

Trustee Joe Rossberger invites all to come to a christening party Jan. 19, to be held in honor of his brand new son. By the way, Bro. Frank Boudart is also the daddy of a big, new boy.

The Grand Knight would like to request that our athletically inclined Harry Sieren put on his racing pants and shoes and go out and round up the baseball uniforms. Good chance for some practice, eh Harry?

Bro. Phil Bleser, the bowling impresario, is in the midst of having his uppers replaced with store teeth by P. G. K. Doc Genster (some plug, eh Doc?).

Whatever happened to Newman Council's bowling challenge?

Chicago Assembles for First Meeting of 1941 Next Tuesday

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council No. 182 assembles for the first meeting of the new year on next Tuesday evening (Jan. 14th). This will be a business session with a bit of entertainment to send you home happy.

In anticipation of our initiation scheduled for February 11th, our Grand Knight naturally expects some applications—because without applications there can hardly be any candidates and without candidates, what have we? Of course, other councils may send in candidates to enter our class but we should have candidates of our own. If other councils can obtain candidates, why can't we? You have a couple of weeks to do some work.

Chairman Frank J. Casey (P.G.K.) is lining up candidates for the exemplification of the Fourth Degree in February. If you are eligible, why not come in? Come to Tuesday's meeting and get all the information.

VALENTINE PARTY

Impressario Sam Mercurio has worked up an attractive shindig for February 15th. Better than last year. If you attended that first cabaret party and had a good time, you may be sure that you will have more and more fun this next time. A fine orchestra, lunch, et cetera, et cetera, and so forth, says Sam.

THAT'S THE MAN

Dr. Francis E. McMahon, associate professor of philosophy at the University of Notre Dame and a member of Chicago Council, recently retiring as president of the American Catholic Philosophical Association, received a column of publicity from the Chicago Daily News last Monday (see page 6—column 1) as the result of his appeal "to Americans and particularly to Catholic Americans" to give increased support to President Roosevelt "in his program for quick re-armament and for assistance to those nations now struggling against the forces of destruction."

"The present conflict is not just a war for markets and territory. It is a battle for the possession of the human soul," Brother McMahon declared, continuing his plea to uphold our President. Brother McMahon is a member of the ethics committee of the Catholic Association for International Peace and one of 69 nationally prominent Catholics who recently joined in a statement urging all possible material aid to Britain.

LIGNUM VITAE

Now, where are those bowlers? Our special Scribe, Leo Gorski, who reports on the activities of the bowlers, and who graciously and copiously pinch-hitted for the regular Scribe during December, found himself overwhelmed with plenty of work during the Christmas rush but carried on regardless. Unable to contact him for this week we surmise that he must be doing some high-class resting, well earned. Sleep on, Leo; until Tuesday.

St. Joseph's Reports Progress Made with Blood Donor Group

1-3 Thurs. . . . . 57th and Archer

The first meeting of 1941 was held last Thursday with a fair number of members in attendance.

Bros. H. Spadoni and A. Tomlonovich made reports on the Blood Donors' Group and announced that with those typed at the Christmas Party, our council now has sixty-five members on the list.

This number includes all four types, so that we are prepared for any eventuality, although we hope it may not arise.

While we feel somewhat pleased with this phase of council activity, it is the hope of your officers that those not yet typed will avail themselves of the next opportunity.

G. K. Zurn announced that there would be a Third Degree at Blue Island on Sunday, Jan. 26, at which we will be represented by some candidates.

There is to be an "Amateur Night" next meeting, which will be open to members, their wives or children. The only requirement for entry is that intending participants be registered with Fin. Sec. Wm. Maxa. This is necessary and Bro. Maxa's address is 7416 W. 61st Pl, and his telephone number is Summit 663.

If you or any of your family are embryo stars, start on your way by entering St. Joseph's Amateur Night, Jan. 16.

The monthly attendance drawing was won on the eighth dip in the hat by Bro. A. Tomlonovich, and we must say Tony was a good sport with his winnings.

1941 is now well on its way and we hope everyone of you will pull together and let's have an outstanding year for the council.

We regret being unable to attend last Sunday's Bowling Afternoon, but we have no doubt that everyone present at the "Chevrons" had a good time.

Testimonial Planned

Members of every council in Illinois will be represented at the testimonial party being planned by Father O'Connor Council here in honor of the veteran knight, Martin J. Hough.

The party is to be held on Saturday, Jan. 25, at the Queen of Angel's Hall, 4412 N. Western avenue. All knights and their friends are invited.

Phil Sheridan Plans for Interesting Year Are Well Established

1-3 Thurs. . . . . 446 N. Parkside Ave.

Having turned its fortieth year with the slogan "Life Begins at Forty," Phil Sheridan council at its post-holiday meeting, Jan. 2, considered several applications for membership, heard the report of a couple who had recently taken the major degree, and laid plans to make every other year as interesting and progressive.

Grand Knight Edward F. Bachner read the call for applications for exemplification in the Fourth Degree, Sunday, February 23, and three members arose on the floor at the same time to announce their intention of taking the degree. Other applicants are in the offing. Phil Sheridan will be well represented in the class. Grand Knight Bachner also urged a clean-up on the Chapter's Christmas Cheer drive asking every member who had not subscribed to do so.

Having disposed of affairs in general the members took up the matter of a Valentine Day party, for which there appeared to be a demand for the people of Oak Park and Austin. The decision was: Time—February 19; Place—446 N. Parkside Ave.; Menu—Cards, dancing to the music of a good orchestra and refreshments. A good time for everybody for 35 cents.

While inviting all to come to its party, Phil Sheridan suggests that as many of its members as can attend Feehan council's party at the Midwest Athletic Club, Hamlin and Madison, Wednesday, Jan. 22. Next to its own affairs the members of Phil Sheridan council best enjoy those given by Feehan council.

Our bowlers are to be congratulated on their steady climb from the lower to the upper brackets. Now in their stride our keglers are threatening second place in the West Side Majors. Watch 'em.

The officers and members extend their sincere sympathy to Past Grand Knight Ray de St. Aubin, on the death of his father, Arthur de St. Aubin at Christmas time. This sympathy is also extended to Ray's brothers, Victor, P.G.K. Americus council, and Armand of Hennepin-Shields council. Prayers of the members for the repose of the soul of the decedent are requested.

La Rabida Meeting Is Next Tuesday Night; Business to Be Topic

2-4 Tues. . . . . 6236 Princeton Ave.

The next meeting of La Rabida Council will be held on Tuesday, Jan. 14th. The meeting will be a business session and will start promptly at 8:15 o'clock. In view of the fact that this will be the first meeting of the new year, let us all make an earnest endeavor to be present. As before stated no doubt our Lecturer, Dr. John Latchford, will divulge his plans for council activities for the remainder of the current year.

FOURTH DEGREE

Bro. Basil Giaretta, President of La Rabida's Fourths, urges all the members thereof to start an active campaign towards securing candidates for the Patriotic Degree. No doubt there are many members of the Council, who would gladly enroll for the honors of this degree, if only someone would personally seek out the member and ask him. Let's get active in this matter and do our part. The annual exemplification of the Fourth Degree will take place February 23rd at the Palmer House.

BOWLING

Well, the bowling league is again under way, the results for the session of Jan. 6th being as follows: Evans Pullets won 2 out of 3 games from the Dion Quints, while the La Rabidians won 2 out of 3 games from the Sunnyside Inn. The Wahling Wales won 2 out of 3 games from the Rock Island Rockets. The standings are as follows:

	Won	Lost
Evans Pullets	31	17
La Rabidians	30	18
Dion Quints	26	22
Rock Island Rockets	21	27
Sunnyside Inn	20	28
Wahling Wales	16	32

HERE AND THERE

Bro. Dan Laughlin, the 71st St. mortician, is reported doing well, at his home. You will remember that Bro. Laughlin was in Mercy Hospital for several weeks due to heart trouble. R. Kapple, with 186 pins bowling average last Monday evening, enjoyed his most successful evening in his twenty-five years of bowling endeavor. All it takes, Brothers, is time and effort. Yes, the social activity after the session was on Kapple. Bro. Bob Evans, last Monday evening, found out why gutters were placed on each side of a bowling alley. Too much New Year's Eve, I'm afraid.

As early as 1769, Captain Nicholas Joseph Cugnot, a Frenchman, built a three-wheeled steam driven vehicle which traveled about three miles an hour and had to be refueled every fifteen miles.

There are some 1,700,000 boxcars in operation in America, and the railroads know the exact location of every one every hour of the day in the United States, Canada, Mexico and Cuba.

De Soto's Member Drive Heads List of '41 Activities

2-4 Fri. . . . . Clark and Belmont

Immediately after the strains of the closing ode have sounded the completion of the business for our first meeting of the new year this evening, De Soto will busily engage itself, in conjunction and cooperation with several other north side councils, in exemplifying, at our council chambers, the third degree of the order. A hasty business meeting will terminate about 8:45 p. m. and the ceremonies involved in the presentation of this major degree will commence immediately thereafter so as to effect an early completion of the proceedings. Inasmuch as several councils are participating in the induction, a large class of candidates is expected, and as a consequence a substantial attendance of our membership is necessary. Your Grand Knight, Gene Scanlan, urgently requests the attendance of all members who can possibly be present.

While I am about this subject it gives your Council officers and partcularly Chancellor Mel Langenbach, chairman of the membership drive, some considerable concern when we reflect on the fact that only a very small percentage of the candidates receiving the Third Degree this evening are members of De Soto. Since the start of the membership drive De Soto boasts of only six or seven new members. This is appalling when our quota to December 1, 1940, established by the Supreme Board, was set at fifty and an additional fifty required by June of 1941.

It becomes apparent that we have been woefully neglectful of one of our most important and necessary responsibilities and that a staggering task remains from now until the Drive terminates in June of this year. It is imperative that each and every member realize the seriousness of this situation. An organization such as ours is never static—it is either forging ahead each year boasting of successful accomplishments or it is on the down-grade.

The plan of having members submit names of prospective candidates to the Membership Committee resulted in the placing of 36 names with the committee by various members. All these prospects have been contacted by mail or telephone and out of the total 12 appear to be likely and interested candidates. An intensive drive is now planned by the chairman in which all prospects will be personally contacted, and to aid and assist in this regard, Mel asks that all those who have sponsored or submitted the name of a prospect get in touch with the chairman or a member of his committee, so that definite appointments can be made.

LADIES' NIGHT

Just a short note to again remind the membership that DeSoto will play host to all the ladies of the Council on Friday evening, January 24th, at Belmont Hall. Lecturer Joe Cella and his committee aver that preparations have been completed to give the ladies a spread that will live long in their memories.

On last Tuesday evening, January 7th, DeSoto's Bowling League began its second half of the 1940-41 schedule. Many of the boys hadn't quite recovered from their holiday festivities and as a result most of the keglers didn't roll the size of their hat. Particularly satisfying, however, was the splendid response of the bowlers to Pres. Irv. Schultz' request for donations to the Christmas Cheer Fund. The collection netted a very handsome sum despite the fact that many of these men made previous contributions.

PERSONAL PATTER

We understand that Doc. Normoyle and Pat Doyle, the sage of old and past master at this art of dishing out the blarney, were cavorting around before Christmas and while attending some church affair, two bottles of champagne nestled softly in Pat's bosom. Must have been tough on Pat's constitution and we imagine he had a staggering good time during the holidays.

Speaking of luck, one hundred smackers was sent to Mrs. Helen Gorski, daughter of Al Wilson, congenial sponsor of our bowling league, who won the first prize in our recent drawing conducted in connection with the dance and card party. Congratulations, but how about that "toast" you promised me, Al?

It is pleasant to hear that the youngest son of our amiable and popular Deputy Grand Knight, Frank Fitzsimmons, is doing nicely after a recent appendectomy, which was an emergency operation necessitating a very hasty departure of Frank from the grand ball room of the Edgewater, the night of our dance, or was it the Yacht Club.

Doc Brahm, that guy who talks a great game of ten pins and who is interminably sounding off about the big muskies he catches, not to mention the big moose he swears he baged this fall, got himself an immense bundle of happiness the day before the New Year when his wife, Mary, gave birth to an eight pound baby boy. Congratulations, Doc, let's have a drink on you!

We note from the daily newspapers that young Jackie Summers, versatile son of Bro. Steve Summers, was selected as right halfback on the All-Star Catholic High School team. Young Jackie, who is the star and former captain of St. George's High School eleven, shines not only as an athlete but scholastically as well, ranking as an Honor Student in his studies. Nice work, Jack.

Clem Schorn, treasurer of the DeSoto dance and card party committee, informs me that a considerable sum is still outstanding on tickets which were used at the affair. Now, fellows, it wouldn't be nice to have to get the Sheriff marching after you, so how's about getting your ticket money in immediately. Send same to Clem at 4016 W. Cornelia Ave.

Brownson Asks Help of Every Member in Drive for Prospects

2-4 Fri. . . . . 4740 N. Western Ave.

Now that the holidays are past and the excitement connected with them has subsided we once again resume the even tenor of our ways. In our daily struggle for our bread and butter and the many details attendant thereto let us give some thought to our obligations as a member of the Knights of Columbus. We have learned the lesson of unity so we know that the strength of our Order depends on the strength of the various councils. The strength of the council is measured by the number and quality of the members on its rolls. We increase the prestige of the Order when we acquire new members for Brownson Council so brothers help your council to meet its new membership quota.

At our next meeting Jan. 10, Brother Eaton, insurance counselor for our district will address us on the new insurance features of our Order. Any problems that are bothering us in this connection will be clarified by Brother Eaton.

Our membership chairman D.G.K. Frank O'Connor who is doing a swell job has been on the sick list for a while. Frank says after a check up in the hospital he expects to be in first class shape and able to handle all the new applications he expects from the members.

Our Lecturer, Brother Wm. O'Neil who keeps things humming for Westinghouse Electric also is a power house for Brownson, Bill has arranged football pictures of the pro-league to be shown on our meeting night, Jan. 24th. This will be an open meeting for the reception of prospective members. So make your dates early.

TESTIMONIAL

Keep this date open. Saturday night, Jan. 25th at Queen of Angels Guild Hall the testimonial party for Marty Hough will be held under the auspices of Father O'Connor Council. Tickets can be purchased from the Grand Knight Thos. V. Casey or Lecturer Wm. O'Neil. A large attendance is expected from Brownson.

BENEFIT

The O-K Sportsmen Bowling Club announces a benefit dance to be held for Bill Dvoratchek, brother of Joe and Jack Dvoratchek of our Council. This affair will be held at Aldine Hall, 911 Armitage Ave. on Saturday evening, Jan. 11th The donation is $1.00 and everything will be included. Refreshments and entertainment.

BOWLING

The council bowlers resumed their play on last Tuesday evening after a lay off of three weeks. From the looks of some of the scores the vacation didn't do the boys much good. We wish to welcome into our ranks a former bowler Wm. Steinbach who is back on the job after an absence of two seasons. Also Bro. Doctor Tabaka a new bowler who graduated from St. Vincents Holy Name League and from the way these boys handle themselves we will be seeing their names in print from time to time.

St. Anthony's Is Host to West Division No. 3 in Degrees Thursday

1-3 Thurs. . . . . Gustave and Schiller Franklin Park.

Our next regular meeting will be held next Thursday, January 16th, at which time we will be host to the West Division No. 3 and hold a First and Second Degree.

Every member of St. Anthony de Padua Council is earnestly requested to be present to assist in entertaining the many visitors that are expected that evening.

The place of the meeting will be St. Gertrude's hall, Schiller Blvd. and Gustave St., Franklin Park. Hope to see you there.

2,000 LEARN OF FAITH

Brooklyn.—At least 2,000 are expected to attend the fourth annual course in Catholic belief for non-Catholics, to be held this year in 48 centers throughout the diocese. Last year there were 693 converts.

CALUMET STARTS NEW YEAR IN MEMBER DRIVE

2-4 Mon. . . . . 6646 Stony Island Ave.

Now that the holidays are over and we settle down to serious business, we are reminded again by our chairman of the membership committee, Thomas J. Walsh, that our council has room for many new members. Bro. Walsh is more than willing to assist any members who have prospective applicants in mind in getting their appplications in. GK Bill Birmingham has been busy visiting other councils on the south side, explaining the new insurance features of our order at the special request of State Deputy Judge John F. Bolton. He will at our next meeting have some interesting news for Calumet members, and we are sure that you as members should be vitally interested and make it a point to attend this meeting.

Our next regular meeting is scheduled for Monday, Jan. 13. This will be another of those delightful parties for the ladies. We promise them that we will have a more pleasant evening than the last night we entertained them with bingo. So we ask them to remember that they will have a date with us for that evening. All we ask is that they come in goodly numbers and bring the men along.

SUNDAY EVENING CLUB

The first meeting of the Sunday Evening Club in the new year was held last Sunday evening and was one of the best for attendance and was certainly tops in entertainment. The ladies, under the direction of Mrs. Byron and Mrs. Davis, took over the meeting, and Chairman Gene Davis found out that his wife certainly knew how to furnish a most entertaining and interesting meeting. Among the new members to win prizes were Mr. and Mrs. Bill Kenefick and Mrs. P. O'Connell. We welcome them and hope that they will be regulars from now on.

The next meeting will be "Mike Cleary night," on Jan. 19. Knowing Mike as we do, we can assure you that you will be in for some very fine entertainment for that evening.

BOWLING LEAGUE

Our bowlers are sure going along in midseason form. Team positions change rapidly and the rivalry is keen. We again suggest to you non-bowlers that if you want to spend an enjoyable hour or so any Thursday evening, drop around to the Woodlawn Alleys at 63rd and Cottage Grove and join with the boys in cheering or razzing as you desire. We will have three teams representing our council in the K. of C. state tournament at the C. Y. O. alleys, Congress and Wabash, Sunday, Jan. 26 in the afternoon. Make it a point to be there and join the cheering section.

At the present writing we find the standings as follows:

	Won	Lost
McNichols Standard Service	27	18
O'Hanley Morticians	27	18
Murphy & Son Furnitures	25	20
James M. Whalen Boosters	25	20
Ray's Boosters	23	22
Cummings Morticians	21	24
Crocombe's Korkers	17	28
Wilson & Rafferty Florals	15	30

COUNCIL NOTES

DGK Robt. Rafferty reports the death of Thos. J. Gallagher, a brother of Bro. Bart Gallagher of our council. We extend our sincere sympathy to Bro. Gallagher and assure him that his brother will be remembered by the members in their prayers and by our chaplain in Holy Mass. May his soul rest in peace.

Several members have made inquiry concerning the exemplification of the fourth degree. This degree will take place this year on Feb. 23 at the Palmer House. We hope to have a good representation for the class. GK Birmingham will be glad to furnish all information.

Our next meeting starts another drawing similar to the last one which closed on Dec. 23. This will be on a basis of attendance for six meetings to come. On each meeting night you will sign an attendance card and on the final night of the drawing you will have as many chances as you have attended meetings. So if you are at all six meetings you have six changes, and the more you attend the better your opportunity.

A card received from Bro. John E. Donohue advises that he is soaking up the Florida sunshine and wishes we were there (so do I). Bro. Tom Westgate Walsh, the busy president of the P.G.A., is taking time out for a sojourn in Florida with Mrs. Walsh and the children. Mrs. Walsh has been ill and we hope that the sunshine and warm weather will completely restore her to good health.

APOCRYPHAL GOSPEL FOUND IN LIBRARY

Vatican City.—A very important discovery, made in the Ambrosian Library consists of a complete text of the fourth apocryphal Gospel. The discovery was made by the Prefect of the Library, Msgr. Giuseppe Galbiati, who is now preparing a complete edition of the Codex.

The Codex is an Arabian translation of the original Syriac text of this apocryphal Gospel attributed by the compiler to the Apostle and Evangelist, St. John.

The importance of the discovery chiefly consists in the fact that it is not a question of fragments, but the complete text, which is written in excellent characters on 270 pages.

Msgr. Galbiati's researches have, at present, led to the identification of the epoch in which the Codex was written. On the last page there is a date which corresponds to the year 1342 of the Christian Era.

Gen. Sherman Prepares Two-Hour Feature for Ladies' Night Program

1-3 Tues. . . . . 4300 W. North Ave.

The next important meeting of the council will be Jan. 21, and will be known as "ladies night." There will be games and entertainment. Members are asked to cooperate and bring their wives and sweethearts with them. Your G. K., Joe Schmitz, and Lecturer Bert Welker promise a good time. Last minute report by your G. K. says there will be a two-hour de luxe feature program.

On Feb. 23, 1941, the Catholic men of Illinois, through the K. of C., will render a testimonial to His Excellency, The Most Reverend Samuel A. Stritch, archbishop of Chicago, in the exemplification of the Fourth Degree. Our council will be well represented, but a few more third degree members added to our list could possibly make our class the largest, as it should be. See Joe Deisenroth, Fin. Sec'y, or Ray Groh, about details.

The Fourth Degree will hold their dance for Fourth Degree members only on Wednesday, Jan. 22. (Your scribe's birthday, so a double celebration.)

The bowlers will have their bowling party on Saturday, Jan. 25, at Romano's hall. Three parties in one week. Whoopee!

BOWLING NOTES

Charlie Koscal has a new green bowling ball for sale cheap. With a spare up he got one pin on his first ball and committed a fault on his second. His team lost the game.

Matt Ellgass received a Lord Elgin watch from his wife for Xmas and then goes out and throws three gutter balls. Tom Tierney, Slug, Pop, Moltz, Cironne, Jim Groh and Vespey kept him company, likewise.

Bill Hall—new resolution—go home early.

Eddie Holterhoff had a head first foul. Which hit the pins first, head or ball?

Mr. and Mrs. Bernard Janco celebrated their 19th wedding anniversary on Tuesday, Jan. 7. They don't look that old. Congratulations, folks!

leri Is Pleased with Success of Meeting Program Last Tues.

3 Tuesday.....7515 Yates Ave.

Last Tuesday evening St. Philip Neri ouncil had Our Lady of Peace Night at e Caravel Club. A very good attendance rned out for the program which proved be studded with excellent talen and en- tainment. Chairman Edgar Bourke rked hard to perfect a program of tal- t out of Our Lady of Peace's parish d the results were warmly received.

There were dancers, singers and music akers of skill. One of the big features as a movie which held the complete in- rest of everyone present. After the en- tainment refreshments were served. Chairman Bourke had an excellent pro- am and is deserving of much praise.

NEXT MEETING

Neri's next meeting, Jan. 21, is Father ld Night. This is to be one of the ully big meetings of the year and plans e well underway to make it a fitting tribute to the man who has served the Council so long and faithfully. Don't for- t the date. P. G. K. Ray Duffy is chair- an.

IMPORTANT MEETING

. K. William O'Neill announces that meeting of all the officers of the Coun- will be held next Monday night in office of P. G. K. John Quigley on t St. Some very important business l be discussed and the G. K. requests t all officers attend, if possible.

NEW YEAR'S EVE

A gay crowd of revelers gathered at t Caravel Club on New Year's Eve to oy one of the most socially successful ner dancing parties ever sponsored by Council. The number of guests fell ttle short of expectations but certainly spirit and cheer was there in abun- ance. All the guests—some of whom e in formal finery—had a rousing good e as they swayed to the swing of Len- and Company.

Those who had large parties at their les were Cecil McDermott, chairman; John L. Rach, William Drew, Charles Johnson and William T. O'Neill. Walter La Gess was present with friends and other members on the scene were Ed. Howe, Allen Stephenson, Pete Kreten, Jim Lynch, Joe Rooney and Bill Phelan. Tom Griffin, P. G. K. of LaRabida Council, showed up with several friends.

Harry Bitter, of course, was the official greeter at the door in his capacity as chief accountant and over in the other end of the building was Danny Ackerman working very hard as usual.

ON THE SICK LIST

We are happy to report that Joe Juric is showing steady improvement and is now home from the hospital. Joe hopes to be around for the next meeting . . . Bill Schroeder's father is in the I. C. Hospital where he is being treated for a badly infected foot . . . John Miner and John McSweeney celebrated New Year's Eve with the Fourth Degree Club at the Hayes Hotel.

Marquette Makes Last Appeal to Members on Christmas Cheer Aid

1-3 Thurs. . . . . 1928 Devon Ave.

Attention is called to the fact that Bro. Tom M. Jordan, ace bowler, is confined at the Illinois Central Hospital. Tom went through an operation last Monday. The council hopes for a complete and speedy recovery.

CHRISTMAS CHEER

This is our last appeal to the ones who overlooked forwarding two bits to the Financial Secretary to be used in making the holidays worth while for the unfortunates who depend on us.

Last Sunday night, at the Cathedral, the annual rally of Holy Name men took place. All men of the archdiocese were invited to hear the message of their Archbishop. Grand Knight Hesse was noticed with St. Henry's delegation, and Bros. Pat. O'Donnell, Roy Egan, John Hanley, Jim Kane with your scribe were part of the delegation from St. Timothy's parish. A capacity crowd was in the cathedral. The Holy Name pledge was given by the Rev. Harry C. Graham, O. P. of New York City, who is national director of the Holy Name Society. Holy Name members remember next Sunday is Communion Sunday.

NEXT MEETING

Now is the time to start the New Year right, by attending your meetings; at least one meeting a month should be taken in by everyone.

Another matter of importance is the payment of your dues on time, so that you will always be in good standing. It is up to each and everyone of us to protect our insurance and membership in the order—the Council has no right to carry its members, and therefore should you find yourself suspended you have only yourself to blame. If you are one of the delinquents in our council there is still time for you to get straightened out, by remitting to Financial Secretary Sacheck at the meeting next Thursday night.

CONGRATULATIONS

Bro. John L. Henrics is passing out cigars (again). The stork delivered an eight-pound baby boy last week—John says he will have him in our Council later on. Baby and Mrs. Henrics are doing fine. Rumors are in the air of the forthcoming marriage of Bro. Charles Messinger. Old faithful Earl Gallagher is again a member of our bowling league, pinchhitting for some member who had to quit. Wish we had more members in our Council like "Earl." He is one you may always rely on. Confined to home this past week with bad colds in addition to our Grand Knight are Lecturer Loftus, Tom Cassidy, Jim O'Shea and Lloyd O'Toole.

'CONVENT' AUTHOR ADMITS SHE USED HER IMAGINATION

London.—Alyse Simpson, author of the much-criticized book, The Convent, says she had no intention of speaking against the Church, gained part of her information second-hand, admires nuns, and loves the Church, but confesses that her narrative was "partly romantic." She has sent a letter of apology to John Pius Boland, K.S.G., secretary of the Catholic Truth society and editor of Catholic Truth.

CONVERTED FROM CALVINISM

Her convent experiences, she says, came when as a very young girl she had been converted to the Church after a strictly Calvinistic upbringing. "I have never known any other convent and want to state emphatically that I had no intention of speaking against the Church or convent life as a whole. . . . Things that did not strike me as unusual at the time naturally appear in a different light viewed from the present with its advances in hygiene, etc. I take it for granted that the convent in question has advanced with the times. I regret having referred to 'lunatic nuns,' words I should have avoided, and have asked that they be corrected in the second printing."

Nazareth Meeting Next Tuesday Has Excellent Program

2-4 Tues. . . . . 17 W. Harris

Now that the holidays are over let's settle down to business again. Let's start going to meetings regularly once more. The next regular meeting will be held Jan. 14. This is another opportunity for each of us to bring the order and its activities to the attention of our friends and acquaintances. The meeting will be an open one for men only, and due to the program to be presented, will start promptly at 7:45 p. m., so be there early. The lecturer promises a fine evening of movies, featuring Fred Waring's orchestra, and all for nothing. Be there. We'll be seeing you.

Speaking of holidays we hope you boys behaved yourselves on New Year's eve. It is not our purpose to give away any secrets or tell tales about any one of our brothers but our secret operatives bring us word that a certain Downers Grove brother attended one of those parties and being unable to take it any longer he disappeared from the scene of festivities.

He was not missed until the shindig broke up, at which time his good wife wondered how she was going to get home. A search party found him fast asleep in the car. Pretty cold sleeping we think. We suggest that he dust off the old slippers and smoking jacket and make use of the easy chair hereafter, and leave the night life to us youngsters.

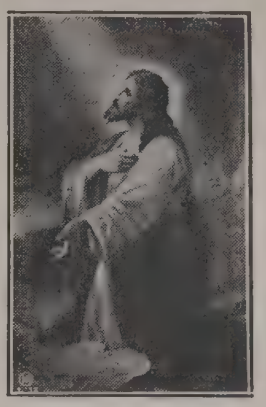
What's being done in the membership campaign? Haven't heard much from this activity lately. What about getting some eligible men to come to the next meeting with you? Let them see what the order is and just what kind of men belong to it. There will be exemplifications of degrees in the near future as follows. First and second at St. Anthony De Padua Council, Jan. 16. This council meets at St. Gertrude's Parish Hall, Schiller and Gustave Sts., Franklin Park. We understand that we have three candidates eligible for this class, so sponsors get set for it. Make arrangements to have your men on hand for the degrees. For those who may be interested there will be exemplification of the Fourth Degree in February.

Right here we are very glad to announce that another brother has got a good break from this tough old battle of life. Our former lecturer, the genial, ever smiling Chris Tenuta is the lad this time. Chris has had some tough sledding for a few years back. However, no matter how hard he got slapped around he always bounced back with that smile still intact. Now the break comes. Chris left our vicinity last Wednesday for Wilmington, N. C., where he will take up his new duties in the Quartermaster Department U. S. Army. This is a civilian position under civil service rules. So long, Chris. Our sincere wishes for your future success follow you.

The results in the west-end bowling section Jan. 6 show the following. The Triangles took three from the Western Tires. Joe Miller led the winners with a 531 series. Joe started slow but came through with a 202 and 187 in the second and third games. The Mahr team led by Noeth with a 494 series took two from the Tivoli Candy Shop. The Dieter team, sparked by Mrkvicka with 535, kayoed the Watkins Sheet Metal team three straight. Captain Watkins of the latter team did his best to keep his team in there with a 510 series but it was not quite enough.

Due to the heavy firing of Baron and Bradley the Motor Sales thumped the Britans for three. Lefty must have had this supply of Copenhagen coming through with a 526 series. He almost broke into the charmed 200 circle in the second game, a split in the last frame spoiling it, forcing him to finish with a 199. Bradley was hot with a 200 in the first game and 210 in the third finishing with a 554 series. Stacey paced the losers with a 487 series which is more near his normal pace. Stay up there fella, or we will be forced to give you the needle again.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD



Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

MONUMENT TO ONLY PRIEST TO SERVE IN CONGRESS DEDICATED

Detroit.—On the spot where Father Gabriel Richard celebrated Mass in a little log cabin church 125 years ago, the people of Michigan have dedicated a statue to his memory.

The complete statue was moved to Gabriel Richard park for dedication. It is sculptured in Minnesota granite. The figure of Father Richard is 13 feet high and the monument is 19 feet from base to tip. The sculptor is Leonard W. Jungwirth, of Detroit.

Father Richard, only priest ever to serve in the Congress of the United States, was born at Saintes, France, Oct. 15, 1767, and became a priest in the Order of St. Sulpice in 1791. Seven years later he came to Detroit and was one of the great pioneers of the west. He established the first girls' college, the first seminary, and was the first chaplain of the Michigan militia. He established the first newspaper in Michigan and imported presses to print the first books.

Insects live from less than 100 hours up to seventeen years; fish up to 267 years; reptiles up to 175 years; birds from nine to 118 years; and mammals from a year and a half to over one hundred.

Hughes Asks Full Cooperation in Its Membership Drive

1-3 Tues. . . . . 4715 W. Madison

Brother, how about that new member? Can you spare a few minutes to induce a friend of yours to join the Knights of Columbus? You must have many friends and acquaintances eligible to membership, good practical Catholic gentlemen with whom you can share the privileges and benefits of knighthood. Right now Hughes and other councils are engaged in a vigorous membership campaign.

John F. Korbel, chairman, has been putting forth strenuous effort to see that Hughes Council exceeds it quota. Your help is necessary. Don't shrug the idea off with lifting your shoulders. Don't say you do not know of any prospects. Certainly, it will require a little effort on your part, but it is something you should do cheerfully to benefit the Order as a whole and advance the interests of Hughes Council particularly. Besides, you are doing a fellow a favor when you get him to join the K. of C.

Please remember that Hughes Council is sponsoring an exemplification of the First and Second Degrees on Tuesday, Jan. 21, and the officers are eager to have a large class of candidates. This exemplification is part of the West Division Group program and affiliated councils will join with Hughes to make this most impressive. If you have a prospect and would like to have a member or officer call on him with you, do not hesitate to contact G.K. Louis Postilion or Chairman John Korbel. The utmost in service and cooperation is promised. As much is expected from every member.

COUNCIL NEWS

Regret to learn of the recent illness of Bro. Jack Rusnak, ace bowler of Hughes Council. Jack was laid low for a time about a fortnight ago, but is now back on the job, robust as ever. He is counted on as one of Hughes' crack pinmen in the coming K. of C. State Bowling Tournament.

Incidentally, when the tournament opened last Saturday, P.G.K. Elmer J. O'Brien, D.D John H. McKeown and G.K. Postilion were prominent representatives of Hughes to take part in the ceremonies. Hughes' squad of teams, one of the largest and strongest representations in the tourney, bowls on Saturday evening, Feb. 1, with many of the doubles and singles players shooting on Sunday, Feb. 2. It is suggested that members scheduled to bowl in the tournament get in touch with their team captain for full particulars.

COUNCIL DANCE

Hughes Council will sponsor a pre-Lenten dancing party on Saturday, Feb. 15, in the main ballroom of the Madison Athletic Club, 4723 W. Madison St. D.G.K. George N. Daly, chairman of the dance committee, passes along word that advance preparations have proceeded in good order and he is hopeful that this dance will be one of the outstanding social functions in Hughes' history. Everybody is invited to enjoy a big evening with Hughes Council, an evening of gaiety, entertainment, music, fun. Tickets are reasonably priced. An ad program is being prepared and if you want to be represented, see Chairman John Korbel or any of the council officers.

LAST MEETING

The Jan. 7th meeting was a snappy session, for G.K. Postilion, the other officers and Lecturer Joe Ryan have streamlined the usual business so that there are never any delays or long-drawn-out discussions. The Grand Knight emphasized the Degree Exemplification booked for Jan. 21, and Fin. Sec'y Daniel Leroy Harper proved again that he has a most pleasant way of taking your dough—for dues!

COUNCIL BOWLING LEAGUE

A deadlock for first place. When the smoke of battle cleared after last Friday's engagements in the Council League, the Howell Restaurant team was tied with the Votava Auto-Fixers for first place, each with a record of 31 wins against 20 defeats. This after seventeen nights of bowling! There is also a tie for second place, Malone & Clancy sharing this with Lauterbach Coal, these teams only two games removed from the top rung with 29 victories against 22 losses. You can expect the feathers to fly the balance of the season. The Howells have not been out of first since the bowling year got under way, but it will be interesting to see what they do now that the position is so stoutly challenged.

On Jan. 3 some of the boys were down with the flu and we do not mean too much New Year's Eve. A couple showed up so that their teams would not be short. With D.D. John H. McKeown and Trustee Robert J. Monahan rolling like the pair of champions they are, the McKeown Cartage took all three games from the Howell Restaurant, despite valiant effort by young George LaRocca to stem the tide of defeat. Biezart, Enright and young Charlie Reilly, Jr., made up the McKeown team, with young Reilly coming through with a 29 pin count in the tenth frame of the second game to win by 3 pins.

Lauterbach Coal took the odd game from the Elmo Ward Builder "Golds." The Ald. Richard M. Walsh 36th Ward Boosters copped two from Peter M. Kellys, and the Elmo Ward "Blue" squad swept the series with Douglas Coal. Over at St. Philip's Alleys, the Votavas won two out of three hard-fought games with Malone & Clancy, while Flaherty Tavern captured the odd game from the Toomey Tavern. Team standings are:

	W.	L.	High Game
Howell Restaurant	31	20	1195
Votava Auto-Fixers	31	20	1197
Malone & Clancy	29	22	1175
Lauterbach Coal Co.	29	22	1173
Flaherty Tavern	27	24	1131
Douglas Coal Co.	25	26	1144
Ald. R. M. Walsh	25	26	1128
J. H. McKeown Cartage	24	24	1144
Peter M. Kellys	24	27	1137
Ward Builder Golds	20	28	1133
Toomey Tavern	19	32	1133
Ward Builder Blues	19	32	1151

COUNCIL TEAM SPONSOR

Bro. James C. Beranek, Jim as he is affectionately known to his friends, has been a staunch supporter of Hughes Council's Bowling League for many years. It used to be that Jim shot with his team and had a great deal of fun doing it; in fact, he now keenly regrets that he does not have the time to do so, for there is nothing he would enjoy more. But despite the fact that he can't get out to bowl, Bro. Beranek has retained his keen interest and each season sponsors a "Douglas Coal Company" team in the league to represent his business interest.

Douglas Coal, 3250 S. Pulaski Road, telephone Lawndale 4492, is one of the most enterprising fuel concerns in Chicago, which is to be expected because of Jim Beranek's connection with the company. Think of Douglas Coal next time you order fuel.

The personnel of the team encompasses Joe Postilion, captain; Al Korbel, G.K. Louis Postilion, John Korbel and Nick Mulroe, the latter bowling commissioner for the Council League.

Ridge Will Be Host to South Side Units for Degrees Jan. 21

1-3 Tues. . . . . 8219 S. Halsted St.

At our next meeting Tuesday, Jan. 21, Ridge Council will be host to south side councils in the exemplification of the honors of the first and second degrees. We have arrangements made with several councils to assist in this work, and the following have agreed to serve on the team in the roles assigned:

Grand Knight Frank E. McGillen of Genoa Council, Deputy Grand Knight Chris Mathis of St. Rita Council, Chancellor Ray Gerber of Daniel Dowling Council, Financial Secretary John H. Feilen of Fort Dearborn Council, Inside Guard Richard A. Phillips of Englewood Council and Inquisitor Frank McGlinn of Ridge Council.

Four of these officers have been working in knighthood initiations over a quarter of a century, and two of them almost twenty years, so if experience counts they ought to be able to deliver the goods. An invitation has been extended Grand Knight Francis Parker of Joliet to assist as warden, and Grand Knight Ray Hallstein is awaiting his reply.

Won't you do your share and attend these degrees, starting at 9 p. m., Tuesday, Jan. 21? We have arranged with Dr. Sylvester C. Kehl of St. Rita Council to furnish the music and choir, and this will surely be an added attraction. We appreciate this service from a very busy doctor and thank him in advance for his help.

BOWLING

Team leaders, three games, are: Hopkins, 2,766; K&B Tavern, 2,698, and Hart Undertakers, 2,606. Team high single games: Hopkins, 994; Hart, 971, and K&B, 954. McHale Officers Pledge Continued Success for 1941

1-3 Tues. . . . . 150 W. 69th St.

Now that we have finished the year of 1940 our Grand Knight expresses the opinion that it was a very encouraging and prosperous year for our council from a progressive and a social standpoint; he has nevertheless set out with the firm determination to pass our previous year's record and make 1941 one of the best years in our history. He will leave nothing undone to add to the pleasure of our members and, with his committees, he will strive for the further success.

Grand Knight Tom Mulroy wishes to express his thanks to his fellow officers and committees for the wonderful support and co-operation they have given him for the past year. He is also mindful of the members on the sidelines and is grateful to them also and solicits their continued support.

MEMBERSHIP

We are in the midst of a membership campaign and our chairman of membership Chancellor Eldon McGuire, is anxiously awaiting that real McHale spirit to get behind him. We have a quota to reach and at present results are far from our Grand Knight's expectations and he is asking that the members co-operate with our chairman to make our drive successful. I am sure that right in your vicinity you have some Catholic gentleman who is only waiting for an invitation to join our order. Keep a blank application in your pocket and when the time arises you will be ready to have a prospect signed up. Chairman Eldon McGuire will go with you anytime and assist you, just call him at Stewart 7855.

FOURTH DEGREE

Knights of Illinois are thrilled at the announcement of Joseph A. McMahon that the next Fourth Degree exemplification and banquet will be a testimonial to His Excellency, The Most Reverend Samuel A. Stritch, Archbishop of Chicago. The exemplification of the Fourth Degree and banquet to follow will take place on Feb. 23rd, in the Palmer House. The Fourth Degree is the highest rank in Knighthood and every member of the order should aspire to attain to the enjoyment of its prestige.

It is devoted to patriotism. In a war torn world, love of devotion to our country should be uppermost in the minds and hearts of all our members. Hence, the extraordinary importance of this exemplification at this time. Our Fin. Sec'y Earl Edgeworth, is gathering applications NOW.

ABOUT THE MEMBERS

I received a call from Bro. Fred Berta, that he just had received some sad news regarding one of our members of many years standing, Bro. John Feeney, who resides at 7356 Harvard Ave. Bro. Feeney was driving his automobile when the front tire blew out. His auto ran into a parked car and both cars caught fire. His chest was crushed, two ribs broken, and the last report that I had was that he was in the Burnside hospital, and doing as well as could be expected; we sincerely trust that Bro. Feeney, will soon be up and around again.

Our Warden John Logstdon was called to give a blood transfusion Saturday nite, Dec. 28th, and responded in a hurry. He was at the hospital up to a very late hour, figure the distance John came, he lives at 2840 W. 40th St. to 63rd and Harvard. Nice going, Johnny. A card was received from P.G.K. Doc Loftus, Vero Beach, Florida, saying hello to all the members. This should be a grand year for Doc, he won a turkey at the last meeting, and his daughter-in-law made him the granddaddy of a pair of twins on Xmas day. Here are the turkey winners: P.G.K. Loftus, Bros Andy Kennyfi Pope, Zelinski, Gumus, Frank Cain, Leo Kareiva and Bill Morrin. It is just three years ago that Bro. Rev. Bob Degnan said his first mass, before leaving to do God's work in far off China. He is stationed several hundred miles from Shanghai. I would like to quote a few lines from a letter that Father Bob sent to the states. "When I learn the language I will go five hundred miles inland to Hanyang and preach the gospel. That will be hard work and I will need your prayer Please pray for my intentions." your prayers please remember him, a ask God to give him health and strng to carry on this wonderful work.

Archbishop to Speak at Fourth Degree Banquet

Historical Exemplification Is Planned for February 23 Ceremonials in Honor of His Excellency, Samuel A. Stritch

By JOSEPH A. McMAHON
Master Fourth Degree, Northern Illinois

The Fourth Degree Knights of Columbus of the Northern Illinois district will be signally honored by the presence of His Excellency the Most Reverend Samuel A. Stritch, Archbishop of the Archdiocese of Chicago, at the 38th annual exemplification and banquet of the Fourth Degree, Sunday, February 23, at the Palmer House, Chicago.

His Excellency will deliver the principal address at the banquet Sunday evening.

We have also the especial honor of dedicating this class in the patriotic degree of our Order to his excellency as a testimonial under the title of "His Excellency the Most Rev. Archbishop Samuel A. Stritch Class." We hope to justify this privilege by making the class the most outstanding in point of numbers and in character of initiates ever held in this area.

Date Set by Tradition

The selection of the date, February 23, is in keeping with our traditional custom of holding this patriotic ceremony on the Sunday nearest the birthday anniversary of the Father of the Nation, February 22.

Our beloved Archbishop merits highly whatever recognition there is in this testimonial, as he has won, during his short residence here, the hearts of all Knights of Columbus and of Catholics as a whole by his glorious achievements and inspiring leadership. To do him honor by making the exemplification historical in its significance should be the ambition of every one of the 40,000 members of the Order in this district.

Degree Devoted to Patriotism

The degree is devoted to patriotism. It teaches understanding and enduring appreciation of our American institutions, and visualizes in its ritual and teachings the important part our Catholic ancestors played in the development and preservation of this democracy—a heritage of personal and religious freedom and opportunity such as no other people on the face of the earth enjoy.

We cannot foresee to what extent the existence of this democracy will be threatened during the years immediately ahead or to what degree our loyalty and patriotism will be tested. Let us not be found wanting. Let us prepare by building up as strongly as possible this patriotic unity of our Order—the highest degree in the Knights of Columbus.

Expect Large Class

The induction of the candidates, which we expect will number into the hundreds, will take place in the afternoon, the ritual being exemplificated in a most impressive manner by an experienced degree team. In the evening there will be a banquet to the new members and others, with Archbishop Stritch delivering the principal address. The address will be responded to by Most Rev. James A. Griffin, D.D., bishop of Springfield, and state chaplain of the Knights of Columbus. Every one of the 75 councils in the district is also expected to be represented at this banquet.

Requisites for admission to the Fourth Degree include citizenship in the United States; minimum age, 21 years; membership in the third degree in good standing for two successive years; certificate from the candidate's pastor that the candidate has received holy communion within two weeks preceding the degree.

EXPECT CAPACITY HOUSE FOR HOUGH TESTIMONIAL SATURDAY, JANUARY, 25

Knights from every council in the Illinois jurisdiction have cherished the opportunity to aid in making the Martin J. Hough Testimonial Dance and Cabaret Party a success. The affair will be staged at Queen of Angels Guild Hall, Montrose and Western avenues, on Saturday evening, January 25th. Dancing and entertainment will be provided.

A listing of the many patrons who have already subscribed to the affair will be found on page two of this week's Columbian. Some few names, received too late for this issue, may not appear, however there is still time to send any donations to Wm. P. King, Treasurer, at 4849 North Lipp avenue, in whose name all such checks should be issued.

Membership Work Maintains Lead in Council Activity

North Division Exemplification Adds 57 Third Degree Members to Order's Rolls

In one of the largest and first major degree exemplification of the new year, fifty-seven candidates were inducted into full Order membership last Friday evening at De Soto Council's hall, Belmont and Clark street.

Thirty-five of the initiates were from De Soto Council, host to the several units of North Division No. 1, from which the balance of the candidates were drawn. An important feature of the exemplification is noted in that the degree started promptly at 9 p. m. and was over before 11. This definite schedule, it is felt, will do much toward increasing the effectiveness, popularity and attendance at all degree work.

Large major degree classes are also expected for the exemplifications now scheduled for West Divisions 1, 2 and 3 at 3141 West Jackson boulevard and for South Division No. 1 at 820 West Garfield boulevard. Both these exemplifications are to be given on Sunday, January 26.

Ketteler Starts Drive With Dinner Meeting

Another important feature of the current membership campaign is the plan evolved at Bishop Ketteler Council last week in that council's drive for ninety new members and Century Club honors by March 31.

A special dinner meeting of all Ketteler officers, including those of the bowling league and other council groups convened to chart details for the ninety day campaign. Forty-eight

They Start the Ball Rolling

His Excellency, Bishop Bernard J. Sheil, and State Deputy Judge John F. Bolton fired the opening guns last Saturday evening in the first event of the tenth annual K. of C. State Bowling Tournament being held at the C. Y. O. Recreation Center here.

The tournament will continue each Saturday evening and Sunday afternoon and evening until February 9.

Bishop Sheil Rolls First Ball in Tenth State Bowling Meet

Eight Teams of Grand Knights Are Represented in Special Opening Match

Opening ceremones of the Tenth Illinois State K. of C. Bowling Tournament, comprising all councils in this jurisdiction, were held last Saturday evening at the C.Y.O. Alleys, Congress and Wabash avenue.

The first ball was rolled by the Most Rev. Bernard J. Sheil, Senior Auxiliary Bishop of Chicago, whose friendship for and assistance to the Knights of Columbus have been demonstrated by his personal interest in the ultimate success of all Order programs. State Deputy Judge John F. Bolton tossed the second ball.

Assembled about the guests of honor were the Master of the Fourth Degree, Joseph A. McMahon, State Secretary Leo M. Flynn, the District Deputies, officers of the Chicago Chapter, and the Grand Knights of Cook County Councils, all of whom participated in the opening ceremonies by rolling in a special series arranged for their own numbers.

The State Officers' team, composed of District Deputies J. J. Sheehan, Edmond Molyneaux, Julius Altenhofen, John McKeown and Patrick Noonan, snowed under the Chicago Chapter officers, who confess to the following lineup: Pres. J. A. Mueller, V. P. George Wahl, Treasurer Ray Gleason, Sec. Frank Kane and Warden Bill Murphy. Pat Noonan was the star of the State Officers, collecting 576 pins, while Ray Gleason was high for the Chapter with 551.

The Fourth Degree Officers' team was a duplication of the roll call of the officers of the State Bowling Association: Pres. Jack Dix, V. P. Bill O'Connell, Treasurer Elmer O'Brien, Sec. John Crowe and Director George Harbert.

Gene Scanlon, G. K. of De Soto Council, and four other De Soto stalwarts, P. G. K. Frank Kennedy, P. G. K. John Thomas, Lecturer Jos. Cella and P. Offenlock, carried the colors of the State Athletic Commission. Elmer O'Brien led the Fourth Degree with 585 and Gene Scanlon topped the Commissioners with 541.

Eight teams of the G. K.'s, or D. G. K.'s, and in some instances bowling league presidents, though not bowling in teams, added quite a bit of color and distinction to the opening ceremonies.

Some dozen lucky brothers have every reason to be thankful for their presence at the opening festivities for they carried home some nice trophies and prizes awarded in a drawing conducted by George Harbert. These prize winners were: G. A. Noonan, G. K. Madonna; J. Deignan, G. K. St. Anthony de Padua; G. Wahl, V. P. Chicago Chapter; J. F. Collins, G. K. Feehan; John Hopkins, G. K. Lafayette; Chas. Nash, G. K. St. Rita; J. J. Ryan, G. K. Washington; G. E. Harbert, P. G. K. St. Paul of the Cross; John Schramer, D. G. K. Wheaton; John Thomas, P. G. K. De Soto, and Jos. Cella, Lecturer of De Soto.

members attended, including Special Insurance Agent Tuschaus and Chaplain Derwinski, in whose honor the proposed class has been named.

The Ketteler campaign earned the commendation of Cook County Membersip Chairman Guy Maccina who said the Council's plan "provides for the full organization of the Council's forces and allows this energy to be gathered for a single concentrated drive over a definite period."

Tonti Gives Pinochle Players Last Chance to Join in Tournament

1-3 Thurs. . . . . 4221 W. Irving Park Rd.

The brothers who failed to be on hand for the opening round of our Pinochle tournament still have time to enter the tournament on our next meeting night.

The date for the exemplification of the Fourth Degree is drawing near. To date a few of the brothers have signified their intention of taking the honors of the Fourth Degree. If you are contemplating taking the Fourth Degree in the future, perhaps with a little scheming and revising, you will be able to be a member of this year's class.

There is no time like the present to get your dues and assessments paid up. If you take care of this matter now, it will not become a burden.

Congratulations to Bro. Wm. A. Howard! His daughter, Betty, gave birth to a 7½ lb. baby boy, making Bill a "Grand daddy." Now that the excitement is over perhaps "Grandpaw" can stay at the meetings a little longer.

Congratulations to Bro. Rubin Manjarrez, who successfully took his major degree at Belmont Hall last week. Members of Tonti Council noticed along the sidelines were: G.K. Eugene Raith, D.G.K. L. T. Buettner, Fin. Secy. Frank Ruzkowski, Walter McHale, Frank Miller, Ray Ruzkowski, Joe Wiedemann and yours truly.

Led by our worthy Chaplain Rev. S. Ryzner, a delegation of Knights attended the wake of Bro. James R. Gallagher last week. The officers and members of Tonti Council wish to extend their heartfelt sympathies to the members of the bereaved family.

BOWLING

Last Sunday evenng, six teams of the Tonti Council house bowling league, bowled in the annual K. of C. State bowling tournament at the C. Y. O.. center. G.K. Eugene Raith, who does not bowl, or only throws gutter balls when he does, was represented by D.G.K. L. T. Buettner for the opening series of the tournament. Although G.K. Gene Raith was present for both the opening series and Sunday evening games. Lou could not get very good scores. Perhaps it's a case of who jinxed who?

Of the teams entered from Tonti Council Team No. 3 finished first with a 2887 series. Team No. 4 had a total of 2817. Tonti Council Officers Team had a 2805. Team No. 1 had a total of 2701. Tonti Council Bobs Trailer Service, 2652, and Team No. 2 finished with a 2562 series. The lineup of the winning team was John Jarotkiewicz, 530; Bob Anderson, 562; Gerard Jankowski, 649; Leo Murray, 540, and Ray Ruzkowski, 606.

The Bobs Trailer (Sunday team) outdid themselves in trying to get low scores. Sponsor and captain of his team Bob Beaugureau was high with 520. Ralph Brusko, 435; Frank Miller, 512; Joe Tadda, 509, and anchorman Ed. Ciessau, 448.

Other members of the Indianapolis Club did not fare much better. Ralph Brusko's low game was 105; Ed. Ciessau, 114; Ed. Deka, 130; Leo Sliwinski, 143; Al. Zelazny, 146, and Henry Scheffler, 148. Bill Ginsley got buck fever when he saw the crowd. The best he could do was 116-117-141 for a 374 series.

For the regular house bowling league's bowling, on last Tuesday evening, Ed. Ciessau rolled the highest game and series of the evening with scores of 154-234-213 for a 601 series. Other high scores were: S. Cwik, 214; G. Jankowski, 211; G. Schordje, 208; J. Schmehil, 202; R. Brusko, 201, and R. Beaugureau, 200.

The team standings to date are:

The story is told that a news-reel company once sent expeditions to several parts of New England to get authentic shots of an expected eclipse. Unfortunately, because of cloudy weather in every spot chosen, the effort was a failure. In desperation the technical director decided to manufacture an eclipse in his own laboratory. He succeeded beyond his expectations. The only difficulty was that when his picture of the same was examined for flaws, a tiny defect was discovered. Across the face of the sun, supposedly in eclipse, appeared the word, "Mazda."

Fr. O'Connor Hopes for Record Crowd at Hough Party

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

Present indications point to a record-breaking crowd of well-wishers and admirers at the forthcoming Marty Hough testimonial party, to be held for the veteran knight in the Queen of Angels Hall, 4412 N. Western avenue, on Saturday evening, January 25. According to the committee in charge, representatives of councils throughout Chicago will help swell the throng of knights, friends and neighbors who are expected to honor the grand old man of Father O'Connor.

With such an expression on the part of local councils, it is only fitting that our own council should have 100 per cent attendance, so circle that date, January 25, on your calendars, brothers. This includes you old-timers who were with Marty in the early years of Father O'Connor!

The affair promises to be the best ever conducted by the council, and is in recognition of a man whose entire career has been that of the exemplary knight and the true Catholic in every sense of the word. Do your part by boosting the testimonial party and by putting in an appearance that night. We promise you'll have a wonderful time.

BITS ABOUT THE BOWLERS

The maple-splitters are continuing their mad assault on the pins at Monte Cristo, with a few good exhibitions and several shoddy ones. The league-leading Shamrocks seized a commanding position last week by tripping the Gannon five in three games, while the O.K. Exterminators fell back into a four-way tie for second place by dropping three games to the cellar-dwelling Navin quint.

Taking advantage of a new scribe, Phil Doyle, custodian of the bowling records, tried to change the Big Ten keglers to the Big Eleven. In order to satisfy his thirst for publicity, we're printing the eleven top men this week, but it's the last time, Phil, unless you can boost that 513 series by several pins next week.

Individual honors went to Bill King, whose 583 series was two pins better than Dick Navin's total for the three games.

Team and individual standings:

Shamrocks	26	19
O. K. Exterminators	23	22
Furman Funerals	23	22
Widtman Meats	23	22
Ald. Ross Boosters	23	22
Gannon's Inn	22	23
Cristo Printers	22	23
Nolan's Insurance	22	23
King Coals	21	24
Navin's Inn	20	25

Big Eleven: King 583, Navin 581, Haag 550, Dr. MacDonald 547, Fr. Rausch 546, J. O'Brien 546, Cummings 534, Kamins 528, Droske 521, Fleischhauer 519, DOYLE 513.

EVENTS OF THE WEEK

Visiting dignitaries of last week-end included Mayor Moody and Mrs. Moody of the thriving metropolis of Mechanicsburg, Ohio. Hizzoner spent considerable time with his old chum, Dick Navin, the Mayor of Montrose avenue. . . . The welcome mat is out for six new members who took the third degree last week, Ed O'Connor, Joe Sheehan, Matt Brenner, Paul Maguire, Louis Knipp and Jack Reilly.

Faces-We-Haven't-Seen-Dept.: Pete Geraty, Doc DeRome, Doc MacDonald, and Fred Shields, among others. . . . Fred gets a pass through his recent wonderful act of adopting a baby boy, but you other men are long overdue at the meeting hall!

Calumet Is Host to So. Division Units for Degrees Jan. 27

2-4 Mons. . . . . 6646 Stony Island Ave.

At our next regular meeting, Monday, January 27th, Calumet will be honored by having the privilege of confering the first two degrees of our Order on a large class of candidates from the second division of the South Side including the councils of Genoa, Santa Maria, Loyola-Hyde Park, St. Philip Neri, De La Salle and Calumet. Word from the other councils indicates that a large class will be ready for the degree, and we urge you members who have candidates waiting to see that they are ready on that night. Calumet officers will comprise the degree team, and we will have several prominent state officers present. A large attendance of Calumet members is expected.

SUNDAY EVENING CLUB

Next Sunday, January 19th at 8:30 p. m. the Sunday Evening Club will convene for another of its successful evenings. Chairman Gene Davis advises that this evenings entertainment will be under the very able direction of Bro. Michael I. Cleary. To those of you who have attended parties in the past under his supervision no further word is necessary. To those who will attend for the first time, we assure you of an interesting and entertaining evening.

COUNCIL NOTES

D.G.K. Robert J. Rafferty, Chairman of the visiting committee reports that Bro. Frank J. Gallagher has just returned home from the Wesley Memorial Hospital where he has been confined for the past four weeks after having suffered a skull fracture. He is now well on the road to recovery. Another of our prominent members who was also a patient at Wesley, Bro. Chris J. Heaney, has returned home. Chris at first was supposed to have become a permanent guest of that institution, his doctors having an idea that he had a heart condition and that a long rest was in order. However, luckily it was only an asthmatic condition, aggrevated by the love of a strong pipe. A rest for Chris and the pipe too, remedied the trouble in short order and he is now back to normal and feeling fine, for which we are glad.

Bro. Pete Shannon, 9000 S. Marshfield Ave., has been ill and confined to his home for some time. We understand that visitors are welcome, so suggest that you members living in the vicinity, drop in and see Pete.

Nothing like starting the New Year right. Bro. Tom Brown and his charming wife are the parents of a boy, born on Jan. 6, 1941. Congratulations and best wishes to the proud parents.

Bro. Geo. Muellner after many years of confirmed batchelorhood has finally succumbed to Cupid's wiles and on Saturday, Feb. 22, at the Little Flower Church will take unto himself a bride in the person of Miss Virignia Roberts. Our best wishes to this couple, and may they enjoy long years of wedded bliss.

BOWLING LEAGUE

Last Thursday night, the McNichols Standard Service team was really hot and they swept their series with the Murphy & Sons Furniture Team. They not only more firmly entrenched themselves in first place, but bowled high series and high game for the year. The Cummings Morticians won three games from the O'Hanley Morticians who had been tied for first place. The Wilson & Rafferty Florals won their three games from the James M. Whalen Boosters. The Crocombe Korkers continued on their upward climb towards the top by taking three games from Ray's Boosters.

Howard Maloney had his high game of the year 233, also his high series of 582. McAvoy with a 202 game and a 542 series, Eckie O'Malley with a 526 series, Mike Murphy, Jr., 505; Ed. Mass, 541; Jack Flaherty, 552, and Bob Hatton, 526, were among the leaders for the week.

Damen's Bowlers Hit Hot Pace in Council's League Tournament

1-3 Thurs. . . . . 6 N. Hamlin Ave.

The Reliable Credit team took the odd game from the John J. Gorman's through the garrison finish of Father Sheridan and Eddie O'Toole. Mort McGinnis staged a one man assault to win the lone game for the Gorman's.

McEnery Realtors won a pair of games from the McMahon Undertakers thereby transferring the Superman role of holding up the league to more experienced men. For the McEnery Realtors—Klein and Lee were the main factors in the twin win. Captain Tom Foy and Henry Henningsen averted a whitewash for McMahons.

Cassidy Tires and Stack Typewriters hooked up in the best match of the evening. The Tiremen won the first game by two pins. The Typists won the second game by a thin margin. Lo and behold the last game ended in a tie score. After what seemed like an endless discussion a roll-off was arranged by the two captains. Cassidys were victors protem by a weird score of 77 to 74.

(Note: Rumor has it, Tom Stack will protest to President Ray McJohn, who by the way, is a Typist.)

Brown Plumbers kept pace with Cassidys by winning two from Kelly Couplers. Bill Sloan did the herculean work for the Browns; Joe Kulisky upheld his New Year's resolution to lead the league by collecting 578 pins.

DAMENEWS

Treasurer John I. Lardner is all smiles since Virginia Anne came on January 8. Mother Virginia is happy, too. Congratulations to the Lardners and may the tiny tot bless them all the days of their lives.

Damen Anniversary Party is February 8 at the Midwest Athletic Club. Make up your party of genial friends now and send the reservations to Lecturer Reithal.

RESOLUTION HONORS JESUITS

SANTA MARIA STARTS BIG MEMBERSHIP DRIVE

2-4 Thurs. . . . . 9120 Commercial.

The one thought in the minds of all of the officers of Santa Maria Council is to get members and more members into the Council during the coming months, and they hope all the membership will share their enthusiasm.

A steady stream of new members into any organization is its life-blood. Realizing this full well, the officers are not going to sit back in the assurance that our Council is going along all right and calmly wait for new members to present themselves. They're going out and look for applicants themselves!

Every effort is going to be expended and every possible plan is going to be put into use to not only fill the quota of 32 new members by June of this year, but if possible to go beyond this number.

As you perhaps already know, the Class being organized now is to be named the "Father Terlecke Class" in honor of our esteemed chaplain. This alone ought to act as an incentive to spur us all on to the maximum effort. Father Terlecke has done so much good for us all that the least we can do is to have a class large enough to honor him by bearing his name.

Remember that reinstatements and transfers to our Council count in the quota.

The First and Second Degrees for the Father Terlecke Class will be exemplified on March 27th in our own Council Chambers. Chairman of the Membership Drive, P.G.K. James Brown is already coaching a selected group of Brothers to put on the Degree ceremonies. First and Second Degrees will also be exemplified in conjunction with other South Side Councils on Feb. 2nd. at Father Perez clubhouse.

FIRST OF KIND

A mission for non-Catholics, the first one of its kind ever held in Southeastern Chicago, will be conducted at SS. Peter and Paul Church, 91st and Exchange avenue, by our Chaplain Rev. Father Terlecke and Rev. William Cousins, a missionary.

The meeting which will consist of explanation of Christian doctrine and the reasons for Catholic belief will be held February 16, 17, 18, 19 and 20. There will be no collection and the nightly gatherings will be purely instructive.

NOTE

G.K. Al Schott has tickets for the testimonial to the noted member of our Order, Bro. Martin Hough on January 21, at 4412 North Western avenue. Tickets are 50c each. Everyone can go and should.

P.G.K. James Connors is at home again after his illness and will soon be able to receive visitors. Bro. Connors has had a serious siege and needs rest before he can see his many friends again.

Don't forget the Fourth Degree exemplification at the Palmer House on February 23rd. G.K. Schott is taking reservations for all our Fourth Degree members who wish to attend.

Hen.-Shields Will Aid Educational Fund With Program on Feb. 12th

Jan. 22-Feb. 12.....446 N. Parkside Ave.

Once upon a time our Lecturer Frank Cash felt that it would be a good idea to start an educational fund. With that idea in mind he chose the meeting night of February 12 to add to the requirements. It will be Education Night, not for the old folks but for the youngsters who are trying to acquire a background for their future.

To make this evening a success, Lecturer Cash is asking that the Mrs. Emmett Hickey, William Ryan, Ray Foley, Roy Cummins, William Phelan, William Orth, James Pesak, Jack Shealy, Tom King, Jim Oakey, James Zarcone, George Green, Joe Hannon and Miss Ceil Daley act as a reception party for the evening. Bro. Knight Tom King is chairman of the affair and if the above named girls will be willing to co-operate please notify Tom King at Columbus 9612 after 6 p. m.

BOWLING

The new season started off with several startling events. After a long absence Charlie Quill returned to the alleys and shot 689, including handicap, which with the help of Gleason's 210 took two games from the E. J. Riley's, Charlie shooting for the Hayes Barbecues. With his help the Hayes Barbecues went into second high three-game team series with total of 2,566. The John J. Hayes Stores for Men took two from the Gallagher Plumber, and the Harwood Florals grabbed three from the Foley Grill outfit. Costello & Son Boosters won two games from M. C. Fogarty's Men's Wear due to some underhanded trickery.

Pete Murphy, PGK, got a new bowling ball (Christmas present from his wife) and proceeded to knock the pins for a fare thee well, afterwards putting his new ball in the bag and escorting it carefully home. If we belonged to the bowling league we would certainly put up a big howl about outside help. Harold King's 212 for Fogarty's helped but the big Christmas ball of Pete's with 201, 175 and 212 plus 82 handicap was too much for the Fogarty's. If Pete keeps up this pace, the league is going to rule out any assistance from wives.

In the West Division, our boys stole one game from the Hughes Hoisters, Tommy Butler shooting 570 and Frank Gould 552 for the evening.

Tim Fleming suggests that the boys figuring on going to the Indianapolis K. C. National Bowling Tournament start saving up their nickels. Tim would like to see at least eight teams shooting for fun and money at Indianapolis.

THE SOUNDING BOARD

The pinochle players resumed play and after the scores were counted the situation is this: Jack Shealy (why), 7,970; Jim Grace, 6,830; Ed Quille, 6,180; Frank Daley, 5,990; George Green, 5,950; Tom Butler, 5,760; Joe Hannon, 5,110; Bill Orth, 4,410; Ronald McGillivray (that O.K. Katy?), 3,320; Jim Gibbons, 2,950; Charles Costello, Jr., 2,420; James Oakey, 2,320; Mike Gibbons, 2,200; Jim Pesak, 1,040, and Tom King, 230 minus. No comments needed. Tournament continued at next meeting.

Father O'Connor Council Ball and Cabaret Party for Marty Hough is scheduled for Jan. 25 at Queen of Angels Hall at Western and Montrose Ave. Father Setters Dance will be at the Midwest Club, Jan 18.

Third Degree for West Side Sections 1, 2 and 3 will take place Sunday, Jan. 26, at 2:30 p. m., at St. Phillip's Hall.

First and Second Degree sponsored by Hughes Council for West Division No. L. will take place Tues., Jan. 21.

Bro. John Daley has been reported sick. Our best wishes for an early recovery.

Bro. Mike Gibbons smilingly admits to the fourth addition to his family which arrived Dec. 27 in the form of an eight-pound baby girl who will answer to the name of Mary Helen at a later date. Mike is in good shape and Momma and Mary Helen are getting acquainted with each other. Congratulations and best wishes, Mike.

The trustees are auditing the books this week. If you get a bill for dues and so forth, sit right down and send that F. S. of ours, Joe Hannon, a check so that everything will come out all right.

We hear that George Deasy has been ill. Hope by this time he has recovered and is just as full of life as ever.

Dictators do not last. Look at the records. G'BYE!

Loyola-H. P. Urges Applications Be in by Thursday Night

2-4 Thurs. . . . . 7435 Cottage Grove

At the last meeting, G. K. Arch Hermanns urged the members to turn in all applications for membership by the next meeting, Thursday, Jan. 23. On the following Monday, Jan. 27, the exemplification of the first and second degrees will take place in the clubrooms of Calumet Council in the Southmoor Hotel. We want to make a good showing at this degree, so please sign up your prospects immediately and turn the applications in on time.

The members who were not present at the last meeting certainly missed a good time. It was a very lively meeting with a good crowd on hand. After much discussion on various subjects with P. G. K.'s Leeland, Judge, Lawler and Advocate Fay in full swing, the meeting ended and the brothers partook of a very unusual spread consisting of a tub of cheese, accompanied by a keg of pickled herring and the usual beverage. Confidentially, it was delicious.

BOWLING

The State Bowling Tournament got under way last Sunday afternoon with 20 Loyola-Hyde Parkers competing. The Nos. 1 and 2 teams started out very well and at the end of the second game were in a very nice position to take a good cut of the prize money. In the last game, however, the boys blew up and finished with just a fair series. Bill Mahler was high bowler of the day and was followed closely by P. G. K. Bill Leeland, F. S. Bud Joyce, Tom Strasser, Recorder Ed Joyce and P. G. K. Dick Judge. The bowling, on the whole, was much improved over last year and everybody had a marvelous time.

The results of the league last Friday night: Martins 2, Reliable 1; Korkers 3, Kodakers 0; Thompsons 2, Heinz 1; Pops 2, Joyce-Hagan 1. The Martins are still in the lead by one game over the Korkers. High game of the night was rolled by Bill Leeland, 244.

Bro. Dan Murphy is still confined to his home as a result of a broken leg, but things are going smoothly since brother Hank brings his beautiful nurse over to see him at least three times a week. We have inside information that Bro. Fred Brassch will wed that little cutie, Ronnie Golden, the 26th of April. Good luck, "Peck" and Ronnie. Rumors are rampant that the nominal scribe of the council, Jack Flavin, is looking for a suitable mate before the next draft call. He likes them tall, dark and willowy. Any brother knowing a young maiden to suit Jack, please call Vin. 3721.

St. Francis Urges Full Council Aid on Dance Success

2-4 Thurs. . . . . 4711 W. Madison St.

Members of St. Francis Xavier Council, awaken! Do you realize that the dance is only a few short weeks away? What efforts are you making to make it the biggest success in the history of the Council? Get behind the chairman, Bro. "Sheik" Pintozzi, who is spending many a sleepless night trying to think up ways and means of putting over this affair. Only the night he had five committee members and ye scribe "caba-rootin'" just to get an ad. Our hard working ad chairman, Sir Knight Frank Pasquale, has set a goal of 120 pages and nothing would please him better than to reach this amount by the deadline, January 25th Sir Knight Nick Masse wouldn't complain if he reaches his goal of $100 on the Goodfellowship list, either. Tickets, selling at 40 cents each, can be obtained by getting in touch with Bro. Albert Caruso, 1032 W. Taylor street, Monroe 0682.

Just in case you didn't know, the dance will be held Saturday, February 8, in the Ashland Blvd. Auditorium (Carmens' Hall). The music will be furnished by Bro. Torry Muro and his versatile orchestra. For more details, come to the committee meetings held every Tuesday evening at the home of Bro. "Babe" Criola, 3024 Flournoy street.

COUNCIL NEWS

Well over 300 members and their wives and sweethearts attended the testimonial in honor of P. G. K. John Blase Meccia. A large number of Knights of Columbis officials were also present, including State Deputy Judge John F. Bolton, Joseph McMahon, Master of the Fourth Degree; Jacob A. Mueller, Pres. of Chicago Chapter; Robert DuMias, Blood Donor Chairman; Guy Meccina, Chairman of Membership; Michael Howlett, Jr., Henry Lynch, Supt. of Home Finding Association; District Deputies Marco DeStefano, Jack McKeown and Phillip Nilles; Joseph Maggiore, G. K. St. Cyr; Anthony Brancato, P. G. K. St. Cyr; Tom Bogan, G.K. Kettler Councils; Frank Weichbrod, P.G.K. Kettler Councils; Stanley Walsh, Chancellor Lafayette Council; Ray Benish; Al Thompson.

High-light of the program was the presentation of a movie camera and a set of silver tableware to P.G.K. Meccia by the chairman of the committee, Sir Knight John Pane-Gasser. Other members of the committee included: Grand Knight Baptiste Mele; P. G. K. Frank R. Vitullo; P. G. K. Joseph Defily; Trustees Anthony Raciti, Tom Salvo and Charles Di Giovanni.

The exemplification of the patriotic fourth degree will take place on Sunday, Feb. 23, in the Palmer House. It is the highest rank in knighthood and each member should strive to attain its prestige. Applications may be procured from any fourth degree member or from the financial secretary. The cost is only $25.00 and that includes initiation fee, Baldric and Sword, a ticket to the testimonial banquet and an unforgetable evening.

Sir Knight Anthony Paterno is motoring to Hot Springs, Arkansas, and from there he will proceed to the sunny climes of Florida. Tony's theme song no doubt is "Highways are Highways" . . . Bro. Salvatore Esposito is confined in St. Anthony's Hospital and would welcome visitors. Bro. Leo Marcantonio broke his wrist while at work last week. Friends of D. G. K. Sal Cirrintano gathered at his home on January 7 to help celebrate Mrs. Cirrintano's 25th birthday. . . . Bro. Sam Amato's daughter, Anna Marie, celebrated her first birthday January 14th.

STRIKES AND SPARES

The third week of the second round in our bowling league brought some interesting results. Led by "Doc" Vincenti, the Giugliano Florists captured three games from the Baciagalupo Morticians. Izzo's Undertakers served themselves to three helpings of Dot Pies, thus taking over first place. Mele Plumbers won two from Paterno's; Ald. Pacellis lost two to the Senate Electricians; and the Marks Motors defeated the Coletta Undertakers twice.

Highest scores were: A. Vitallo, 557; F. Pasquale, 548; C. Speciale, 514; F. Vitullo, 516; C. Gregoria, 515; A. Frusolone, 564; P. Merisso, 500; J. Caporelli, 503; D. Laurino, 526; J. Durante, 561; J. Mauro, 547; Curbes, 552; F. Arito, 572; C. Principe, 508; A. Vincenti, M. D., 562.

Design For Peace

"O come and let us worship Christ,
Of all the Nations Lord,
Who doth to them who feed on Him,
The Bread of Life afford."

In these words of a hymn, found in the Office of the Blessed Sacrament, is expressed the ultimate desire which lies in every human heart.

"Not by bread alone does man live, but by every word which proceedeth from the mouth of God." So spoke the God Man when, after His forty days' retirement in the desert, Satan came to tempt Him. Is it any wonder then, that in this age of material aggrandizement, these words of the Blessed Christ should have such a poignant meaning?

Greed, ambition, lust for power have become the sustenance of too many. Men have forgotten that real strength of clean living, fortitude of right purpose and perseverance of just spirit are only nourished by the words that fall from the mouth of God.

"Learn of me for I am meek and humble of heart." Therein lies the solution of human ills—a solution so easily bought if men would only heed His words.

CATHOLIC MEN, WILL YOU HEED HIS WORDS? Then learn of Him as He so patiently entreats you—for it is only from close and frequent union with your God that you can learn of such meekness and humility.

It was for this purpose that the Nocturnal Adoration Society was instigated a century ago—a society exclusive to men who, like Nicodemus of old, would go to Christ in the still of the night to learn of the things of the spirit. At 11:15 p. m. on the last Saturday night of each month nearly one thousand Chicago men—members of the Nocturnal Adoration Society—gather in Notre Dame Church, 1335 W. Harrison St. In a service replete with the liturgical pomp of the Office of the Blessed Sacrament, these men salute their King and receive from His bountiful hands graces which will make them strong in conscience and conviction to face a world gone mad.

Knights and their friends are extended a cordial invitation to assist at the next meeting of the Nocturnal Adoration Society in Notre Dame Church on Saturday, January 25th, at 11:15 p. m.

World's Salvation Is in Hands of Men, Rev. J. M. Gillis Declares

"The salvation of the world, the propagation and preservation of faith upon the earth is, under God, by the Divine Dispensation," in the hands of men, declared Rev. James M. Gillis, C. S. P., recently in the "Catholic Hour" radio program.

Referring to the question our Lord asked His disciples: "The Son of man, when he cometh, shall he find, think you, faith on earth?" Father Gillis said, "Our Savior was not concerned about intellectual riddles, leaving that sort of thing to the peripatetic philosophers of His day who walked up and down, back and forth upon the Aeropagus at Athens, proposing questions, suggesting answers, as if philosophy were a game—a kind of mental and verbal battledore and shuttlecock."

"Jesus was no such trifler," Father Gillis said. "If He asked a question there is an answer. But, like a wise master, He doesn't tell us all the answers. He leaves us to figure out something for ourselves. In the present instance the answer is not too recondite. We don't have to search for it very long. The purpose of that question, 'Will the Son of Man find faith upon the earth?' is, I think, rather obvious.

Obvious but tremendous. It's a startling, shocking answer. It will shake us out of our apathy and complacency. It will send a shiver of fear through us. Unless our mind and will are paralyzed, unless we are in a mental and physical stupor, it will whip us up to action. The answer to the question, 'Will the Son of man find faith upon the earth?' is that it depends on us. 'Without me you can do nothing' (John 15:5), says the Lord. But conversely, without us, He can or at least will do nothing.

"He did not stay on earth to build His own kingdom. He left it in the hands of men. The greatest compliment ever paid to the human race, and at the same time the most awful responsibility placed upon man, was when our Savior said, 'As the Father hath sent Me, I also send you' (John 20:21). 'As I have done . . . so you do also' (John 13:15): 'The Father worketh . . . and I work' (John 5:17), but now henceforth you, too, shall work. The salvation of the world, the propagation and preservation of faith upon the earth is, under God, by the Divine Dispensation, in our hands.

"And let me hasten to add that when I say 'in our hands' I do not mean in the hands of the clergy alone, but in the hands of all, clergy and laity alike. We have had, especially in recent years, a great deal of discussion and exhortation around and about the subject of 'Catholic Action.' I have heard people say, 'We don't know what "Catholic Action" means'; and I have heard even priests ask, 'Now precisely what does it mean?' I cannot see why any one should be puzzled. It means that if the faith is not to die on this earth, if there is to be faith on earth at the second coming of Christ, we must bestir ourselves."

Earl Musselman, born blind, had this to say upon recovering his sight: "There are numberless things about my new world and its sighted inhabitants that perplex me. But most outstanding is the fact that so many of you are so oblivious of all the beauty around you."

San Salvador Bowling Voted "News of Week" After Hectic Session

2-4 Mon. . . . . 24 E. 114th Pl.

In perusing our material before starting to write these notes, we find that the subject of bowling rates the number one spot of this week's "Strikes Parade." Golly, but you should have seen last week's session. All through the league, upsets were being made by the teams in the lower standings. For instance, St. Salomea, then the league leader, took on St. Nicholas, who stood second from the bottom. What happens? Bang! St. Nick rears right up and claws the Salomeans for three straight, which leaves the coveted No. 1 spot in a tangle with three teams tied for the honors.

The league this year is unquestionably one of the finest in this whole area and is arousing more than considerable interest. Don't forget, Thursday night is bowling night. Hows about stopping around some time and rooting for your parish team.

STATE BOWLING TOURNEY

The five-man teams entered by the Council in the K. of C. State Bowling Tournament did their stuff last Sunday, p. m. Bro. George Smith was the star of the team for the day, turning in a series of exceptionally fine games. His scores for the three games were 186, 215 and 175, a total of 576. P.G.K. "Bill" Kleuskens plumped out a 523 series with a 209, 148 and 166.

Bro. Stacey Rimkus had 472 with a 147, 156 and 169. Bro. Oscar Hines got started off on the wrong foot the first game with a 111, but came right back with a 210 and a 159 for a total of 480. Bro. Vince Guastelli was the most consistent of all with a 151-152-152 for a 455 series. With our handicap, the total score was 2,914, which should receive some reward. At least we hope so.

INITIATION FEE

By virtue of a recently passed resolution of the Council, the initiation fee has been reduced to five dollars, which should make it considerably easier to get that prospective member to sign on the dotted line. Why not get started right now lining up some of those men who should and would join our Order if asked. It's not too early in getting started for those Palm Sunday degrees.

LAST MEETING

At least we have the feeling that a few of our members do read The Columbian, for the first meeting of 1941, last Monday, was pretty well attended. That's getting started right and now if we could make some improvement each meeting we would have a fine record. Several important items came up for discussion. One of the most important was the discussion of the plans for our 1941 season, particularly in regard to the picnic.

We might tip you off, too, that the Council will again undertake to give away a fine automobile, a Buick or a Packard, perhaps, at this event. We tell you this well in advance because the task requires much help and we feel that the membership of the Council will respond nobly, as usual. The attendance award of one dollar was won by Bro. Arnold Schiffer. The second award of three dollars was increased to four dollars for the next meeting after Bro. Frank Brach's name was drawn. He was not present, however.

P.G.K. John O'Boyle and Mrs. O'Boyle were home during the holidays. They asked that their best wishes be conveyed to all whom they were unable to see. Bro. Emil Royer tells us that the Sea Scouts are going to put on a dress rehearsal at our next meeting. This should be very interesting. Try to be present.

'Comic Problems' Add Their Weight to the White Man's Burden

The Trib, house-organ for the employees of "The World's Greatest Newspaper," explains in a recent issue, what problems had to be solved in adding to its regular comic supplement, the smaller comic book magazine now a regular weekly feature.

"How," the article begins, "to print the comic section and the smaller comic book magazine, in color, on the same press at the same time, perforating the book and folding it into position about the main comic section, without a single additional operation—that was the problem which the press and production departments solved with the issue of Sunday, November 17.

"Because some 1,300,000 copies are required every week, it is not feasible to print and perforate the comic book separately and stuff it into the comic section later.

"When the 16 page comic book went to press in March, part of the problem had been solved. The arrangement of the printing cylinders, the design of the book, and the method of threading the web through the press, did this. Two webs of paper whirled over the yellow, red, blue, and black printing cylinders. Together they flowed over the formers, which are triangular metal shapes which guide the webs into the folders. Out they came, 36,000 an hour, the main comic section folded as usual, with the smaller comic book folded snugly about it.

"Under this system the problem of perforation was expected to be comparatively simple. But the popularity of the comic book demanded that it be increased from 16 to 24 pages on Oct. 24. This changed the problem. A perforating wheel could be placed just beyond the final comic book printing cylinder, but with 24 pages there are three strips of paper, eight pages each, feeding into the formers, rather than two as is the case with 16 pages.

"Two such strips would exert an even pull on each side of the perforator. The third strip, however, would pull out of line, traveling as it does at the rate of 1,100 feet per minute. If it sagged, tore or twisted, it would upset the whole printing schedule.

"So Otto Wolf of the production department did some figuring and solved the problem by placing a perforating wheel immediately above the formers, where it would catch the three strips just before they are guided into the folders. In this position there is no chance of mishap.

"The little perforating wheel, carrying a series of tiny knives, had to be geared exactly to press speed. If it ran too fast, it would act as a single knife blade, cutting the paper entirely in two. If it ran too slowly, it would tear the paper.

"To run off 1,300,000 copies of the comic section and the comic book on the same press requires 65 hours of press time, including make-ready, and consumes 137 tons of newsprint and 6½ tons of black and colored inks."

These figures kind of stagger us: one million three hundred thousand copies, 65 hours of press time, 137 tons of paper, 6½ tons of ink, and, we suppose, several thousand man hours—all for a comic supplement! Yes sir, "people are smarter than anybody."

Aquinas Has Special Election on Schedule For Tuesday's Meet

1-3 Tues. . . . . 5441 S. Ashland Ave.

The next meeting of Thomas Aquinas Council will be held Tuesday evening, Jan. 21st. This is a very important meeting as the Auditorium Association will hold their annual election of directors for the coming year. So let's have a very large gathering for this meeting, as it is your duty to elect the men whom you think qualified for the positions of the directors of the association. Also you can bet that our Lecturer, Dr. E. P. Bialecke, will have a very interesting evening planned for you.

MEMBERSHIP

It seems that I am always "harping" on the membership of the council, but all of you know that every organization needs new blood in it to function to its fullest ability. Without it a group grows stagnant, as does a pool that has no inflow of new water. Let's not have that happen to us. Let's all get out and bring in new members.

It should be far easier this year, as we now have the new insurance plans offered to us and to all incoming members. A person can build up a grand sales talk by looking over these plans. Put your shoulder to the wheel and show appreciation of all that your officers have done in the past and pile the Financial Secretary's desk to overflowing with new applications for membership into our Order.

FOURTH DEGREE

On Sunday, Feb. 23rd, there will be an exemplification of the highest degree conferred by the Knights of Columbus, the Fourth Degree. Catholic Colleges Share in 1940-41 NYA Student Aid

Washington.—Of the $13,713,225 alloted by the National Youth Administration to aid students in continuing their education during the current academic year $1,034,775 has been alloted to 7,665 students in 178 Catholic institutions of higher learning, according to an announcement by Aubrey Williams, NYA Administrator, released recently. More than 150,000 students are thus being assisted throughout the country.

The figures do not include Catholic high schools, which also receive allotments.

Colleges and universities have been assigned employment and fund quotas on the basis of 9.47 per cent of the total number of resident undergraduates and graduate day students, 16 to 24 years of age, inclusive, enrolled as of November 1, 1939, and carrying at least three-fourths of a normal schedule. For the current academic year, the national student quota is 101,846.

The first two weeks of the New Year have brought within our range very encouraging results in our forceful campaign for enlarging our membership. During this period eleven applications and reinstatements have put our drive well underway and will make the Leo XIII Class of 1941 the largest in the annals of our council.

Executive Chairman D. D. James J. McDermott and his committee assistants in their weekly sessions have outlined a program which will act as great guidance to all our members in their endeavor to enlist new blood for our order. Grand Knight Clarence P. Wagner invites all members to be in attendance at the next regular meeting of Tuesday, January 21. The membership appointees will explain in detail the plans that have been formulated.

St. Joseph's Finds a Lull Between Meetings and Column Is Short!

1-3 Thurs.....57th & Archer

No meeting last week, and little contact with other brothers, leaves us somewhat "up in the air" for news this week.

We just heard tonight (Sunday) of the death of W. Jeno, father of Bro. Wendel and uncle of Bro. Frank Jeno. The Council regrets this sad news and offers its sincere sympathy to the children who are now without father or mother. Mrs. Jeno passed away a year ago.

Our sympathies are also extended to Bro. and Mrs. Wesolowski, whose oldest boy is fighting a valiant battle against the serious illness of leukemia. We hope that having resisted it now for about two weeks, that he will make a good recovery.

Members will be interested in knowing that the recent drive for the Health Center was successful, an indication that our "drive" for community charitable causes will be a good move when the first one takes place next fall.

St. Augustine Members to Leave This Evening for Mayslake Retreat

1-3 Mon. . . . . 5209 S. Justine

Tonight, Friday, January 17, this Council will journey to beautiful Mayslake Retreat House to spend Sixty Golden Hours in annual Retreat. It is not too late for you to become part of this class, since we are not scheduled to leave our clubhouse until 6:30 tonight. Don't stop to eat because our first meal together will be served at the Retreat House at 7:30 p. m. You will return to Chicago in time for work Monday morning.

Aside from the spiritual graces and satisfaction, please bear in mind the physical rest you can enjoy in this ultra comfortable "house of God." For those who have not yet made a retreat let us say that St. Francis Layman's Retreat house is a 35-room edifice located on a beautifully wooded estate of some 800 acres, surrounded by three glistening lakes. Upon these grounds are the 14 stations of the cross and the grotto of Our Lady of Lourdes.

Not only is the soul provided with nourishment during the visit but the body also is nurtured with delectable, substantial meals served by the good Franciscan Sisters in the well apportioned dining room. As to the cost of all this let us say here and now that the spiritual exercises are free. The cost to defrey the expenses of lodging and meals is entirely up to you. Let your own pocketbook and conscience dictate the amount you leave in donation.

At our last meeting the Hon. D. D. Judge Joseph B. Hermes gave a lengthy talk on the part St. Augustine Council played in pioneering the retreat movement. P. G. K. M. L. Heinen, D. G. K. Geo. Copps and John Heinen aided the chairman of the Retreat Committee, Dr. F. N. Werner, by their vehement requests for members to attend this class.

Last year we had a total of 32 retreatants and ranked third in the city K. of C. standings. Let us improve this year. Certainly we can with your help. Be at our club-house before 6:30 tonight.

TEN-PIN-TAPS

After a two-week rest, the entire McCabe Booster team were in form and took over first place by taking three games from the strong Puetz Butchers. Weingart was behind the cleaver for the packers.

Paced by Mittler and Young, the Bonthron Service team won the odd game from Ted Kloeckner Florals. Feil was tops for greenhouse team.

Pete Schaack and Don Holloway drove the Mack Movers into a tie for first place by winning all three games for the Heinen Morticians. Horan almost changed the results.

The Dutchman Tavern wouldn't leave the Schaefer Barbers up for air all night. Joe Ossowski and Leitzen made sure of three wins, while Johnny Kurtz was the best man for the barbers.

Our Council has entered ten teams in the K. of C. state bowling tournament at the C.Y.O. alleys, Congress and Wabash avenue. All teams will roll on Saturday night, February 1, at 9:45 p. m. Singles and doubles will be rolled Sunday, February 2nd.

SNOWBALL PARTY

What is left to say about our big party on January 25th? Have you made the necessary arrangements to be there? This promises to be a swell affair and the cost is certainly reasonable. Twenty-five cents per person is within everybody's reach. Music will be furnished by the Royal Cavaliers and dancing will continue until - -? This is one of the few revenue making events on our calendar and you certainly owe it to the council to be present and to bring some friends with you.

Lest you forget, our next meeting is on January 20th. Don't miss it.

McHale Bowlers to Roll in the State Tourney Tomorrow

1-3 Tues. . . . . 150 W. 69th St.

Tomorrow nite, Saturday, Jan. 18, at the C.Y.O. Bowling alleys, Congress and Wabash avenue, at 7 p. m., 45 members of McHale council will start bowling for honors in the Annual K. of C. State Bowling Tournament and on Sunday they will compete in the single and double events starting at 4 p. m. Pres. Chas. Cotuno and P. G. K. Bill Collins asked that the bowlers be on hand for both events in plenty of time. Alternate bowlers are also asked to be ready, in case they are needed. We know from watching our bowlers all season that the boys are going to turn in some fine scores. We want a large turnout to watch this most popular event.

Monday Nite, January 6th. the boys started right in where they left off last week. After a tie for first place with the Kelly's, the Maher's now lead the league by one game. Kelly's are No. 2, O'Briens No. 3, Moninger No. 4, Amer. Tailors No. 5, Mack's No. 6, Cronin's No. 7, and Cramsies No. 8. The team that is hotter than a fire cracker right now is the American Cleaners' with a win of six straight. Pres. Chas. Cotuno, sponsor of this team, has the boys in fine trim, and I wouldn't be surprised to see this team climb right up to the top.

Among the fans present was the charming girl friend of Bro. Geo. Perona. By the way, Bro. Perona will be in the army very soon as his draft has been called.

NEXT MEETING JAN. 21ST

Your Lecturer has secured for our next meeting the picture just released by the Chicago Tribune, "All American Way." In this sound picture you will see all the sporting events sponsored by the Tribune, the Silver Skates, Golf School, all star baseball and football games, the Golden Gloves and others. I am sure this program will top anything we have ever had at our council. Refreshments will be served. Bring along a prospective member and let him enjoy an evening with McHale.

LAST MEETING

The first meeting of the year was very well attended and the question of reducing our initiation fee to $5.00 was accepted by the members. Here is a chance to get started right away on that prospective member and bring his application to the next meeting. D. G. K. Berleman asked all of the members who have not been to the hospital to be typed, to make a special effort to do so soon. We had a surprise visit from P. G. K. Jerry Kennelly who was G. K. of McHale in 1914. He still retains the same enthusiasm and interest he did when he was G. K. and we are looking forward to another visit from Jerry real soon.

DINNER DANCE FEB. 8TH

Dance with McHale at the Shoreland Hotel, Saturday, Feb. 8th. This is the biggest social activity of the year for our members and their friends. Line up your party now and send in your reservations. CHARLIE MONTGOMERY and his band are all set to give you a most enjoyable evening. A delicious turkey dinner will be served. Tickets are $2.50 per plate. Call Chairman John J. Kelly at Englewood, 5151 RIGHT NOW.

NOTES

We received a call from Bro. Howard Flanagan of Madonna council telling us that the wife of our Warden, John Logsdon, was taken suddenly ill last Thursday and was rushed to the hospital. We appreciate the co-operation of Bro. Flanagan and we sincerely trust that Mrs. Logsdon has a very speedy recovery.

A few weeks ago burglars visited the home of the Mathews boys (three), all members of our council. While six men were sleeping in the house the burglars cleaned up. The boys are dazed and can't understand why someone didn't wake up. Did you know that Bro. Jim Garvin is one of the outstanding billiard players in Chicago; he is head man with the stick out at Schalk's.

Each year Fin. Sec. Edgeworth has a number of members who pay their year's dues in advance, but he would like to see the membership in this club enlarged. We plan to list in this column the names of these members, so see Earl at our next meeting and get your name on this honor roll.

If you have any News for our members, call John Kelly, Englewood 5151.

KETTELER PLANS FOR LARGE RETREAT CLASS

2-4 Mon. . . . . 3437 Ogden Ave.

Last meeting night was fairly well attended. Perhaps because the holidays are not so far behind us, a good many have not as yet returned to their regular habit of attendance. As usual, Father Derwinski, our Worthy Chaplain, was present. Also present was the Rev. Regis McCoy, O.S.B., newly appointed to St. Paul's Church and quite recently transferred to our own council. A sincere and hearty welcome to you, Father McCoy, and may you grace our meetings frequently.

March 21 has been reserved for members of Ketteler Council at Mayslake for their retreat. Bro. Frank Bohler, our Retreat Chairman, because of his untiring efforts in promoting this phase of Catholic Action, deserves to reap a greater reward than in the past. Begin now to make plans for the retreat and then MAKE IT!

MEMBERSHIP

Already the zeal and energy put into the membership drive have borne fruit. Ten new applications have been turned in and all indications point to a record-breaking year. Let's keep going, brothers, and show the entire jurisdiction how it is done. The candidates proposed and their sponsors are as follows:

Candidate	Sponsor
Dr. Ray A. Olech	V. J. Kremesic
Wm. George Weiher	Geo. B. Gersch
Edw. E. Erasmus	W. J. Hycnar
Floyd F. Smith	Chester J. Zarzecki
Matthew J. Jozwik	Adolph Sliva
Jos. P. Pogorzelski	Edmund P. Bulat
Louis Carl Kral	Edward Walters
Edward S. Pazdan	F. E. Rutkowski
Albert J. Lippe	Edw. A. Oakes
Steve G. Opasinski	Edw. A. Oakes
Jos. J. Wayer	Edw. A. Oakes

Bro. Louis Daniels was seen strutting around the council chamber last Monday night and it didn't take a great deal of persuasion to get Louie to talk. It seems as though an heir, a future Knight of Columbus, was born to Mr. and Mrs. Louis Daniels on Dec. 20. Congratulations to the proud parents.

On next Monday night, Jan. 20, there will be a joint meeting held by the L. G. A. Club, the Membership Committee and the Council Bowling League. All bowlers are particularly requested to be present because matters of particular interest and benefit to them will be discussed.

Mary Queen of Heaven Parish will sponsor a smoker and supper. Bro. Geo. Gersch can supply you with tickets at $1 per person. He assures us that you can eat all the corned beef and cabbage and drink all the fluid you want for that buck.

IN MEMORIAM

It becomes our sad duty to once again report the death of one of our esteemed brothers. Lt. Edward J. Dymek succumbed to the ravages of pneumonia on Jan. 7 at St. Mary's Hospital. He was buried at Ridgewood Cemetery after funeral services at Holy Trinity Church. To the bereaved family we extend our heartfelt and sincerest sympathies.

By the way, Father Derwinski wants all brothers who have received a copy of Father Stedman's "My Sunday Missal" to come to the next meeting with his missal. There he will explain fully its use and then bless them.

BOWLING NOTES

Last Thursday's bowling results were about the lowest of the season, and that includes everybody. From a group of 80 bowlers there were only four 200 games, those of Dr. Kvasnicka with 208, Leo Bona with 203, Doc Majcher 203, and Stanley Korbas with 223. Games were won not by better shooting but by poorer rolling of the opponents.

Bona Drugs won 2 games from Phil Nilles Boosters; Ald. Sain Boosters won 3 games from Luczak Lawyers; St. Paul Federals won 2 games from Art-Bilt Furniture; Fidelity Electric won 3 games from Tomera Range Oil; J. J. Fruzyna Boosters won 2 games from Stanek Press; Marshall Square Ballroom won 3 games from Judge J. J. Drucker; Cobbsie's Open Door won 3 games from P. P. Jezierny Boosters; Bukowinski Boosters won 2 games from Bil-Mar Tavern.

The dollar winners and their scores were: Stanley Korbas 223, Frank Tadda 176, E. Wenckowski 197, Doc Majcher 207, Eddie Plewa 191, Frank Kosmach 184, Dr. Kvasnicka 208, Leo Bona 203.

Newman Schedules Good Program for Coming Meetings

1-3 Thurs. . . . St. Mary's Hall, Evanston

Lecturer Pat Craig has come to our rescue with the announcement of his coming attractions for our regular meeting Jan. 16th, which will be Circus Nite featuring Al Priddy, internationally known circus man of Barnum & Bailey and other big top companies for the past twenty-five years. He is going to let us sneak under the tent and behind the scenes with the clowns, stars, riders and trainers who awed us when we were kids.

Pink lemonade will be served to cool off the red hot chili con carne supper to be dished out by Bill Hojnacki and staff. All members attending their first meeting since 1939 will be eligible for a fine prize list so come on up and get acquainted.

Special agent Robert E. Lee of the F. B. I. will address the gathering on Feb. 6th on the latest methods in crime detection and will probably bring in his report on the cutting of our column of last week or, who but Geo. Hebson could stoop so low as to put "26" chips in the collection! Wheeeee! Wheeeee! Clang! Clang! Father Gorman, Chaplain of Chicago Fire Dept., is coming and so will all the McEnerys and Mershs.

LOCAL NEWS

Gleaned from the columns of our local papers and passed on for further editing are the facts that Ed Wallace and family are wintering in Arizona; the car of G. K. Lawson was struck hardly gently by a dark gentleman named Gently; Frank Wohlleber and the Elks club are preparing their annual show; our old friend and speaker, Gus Anderson, died on New Year's Day; Jim McNair has been appointed district manager of the Holy Name Society; Tom Hayes in rotogravure on page one selling job insurance for his boss Eddie Bell; the sorrowing news of the death of Adam Fredericks' mother; the giving of a ring by Billy Connors to whom with our poor memory for names we will have to check and report on later; also along with Italy gone Grecian and Geo. Ritzo gone the way of Karsas with his Northshore Danceland on Thursday evenings at the Norshor Hotel.

In these Columbian pages may we direct your attention to activities other than the 4th degree in which our council will be most interested and which all of us should take special care in reading. Christmas Cheer is still open for late donors, two of our members being mentioned last week. The state bowling tourney opens on Jan. 11 with Newman scheduled for Feb. 2. Third Degree at Waukegan on the 19th by bus from St. Mary's at 1:00 p. m. North division Major League results can usually be found on page 12 and Newman in 5th position.

Another column worth reading is that of our neighbor, Wilmette Council, who had a squib wondering about how badly they will lose the coming inter-council bowling match. We are beginning to wonder whatever became of that long projected Ladies' Nite. We give you the bowling standings to date:

Weiland Florals	26.19
Ridge Cleaners	25.17
Hebson Boosters	25.20
Evan. Beverages	25.20
Frank & Harry's	24.21
Alten Mortuary	24.21
Davis Candies	23.22
Corcoran Lawyers	22.23
Westmore Service	22.23
Zicco Clippers	21.24
Bell Insurance	21.24
Schaefer Unders	20.22
Fitzgerald Boost	17.28
Smith Excavators	17.28

Hi-game—Cleaners, 1069. Hi-series—Lawyers, 2998. Ind. hi-series, Hebson, 630, game, Wiltjer, 254. Ind. hi-average, Hebson, 189; 2nd, A. Zera, 187; 3rd, J. Zera, 181; 4th, H. Pollete, 178; 5th. Hayes, 175.

Keeping everything in order we have saved the bottom for our basketball team which lost its latest contest and is now in exactly this position in the league. With Ritzo and Micheletti breaking into the lineup we are second guessing Coach Corcoran in figures on saving himself for the sports banquet.

O'Connell Will Support St. Joseph's Festival on Tuesday, January 28th

2-4 Tues. . . . . Hill & Franklin

Our chaplain, the Rev. Paul Schlimm, pastor of St. Joseph's parish, announces the 1941 edition of the St. Joseph's Homecoming Festival," to be held January 28 at the Germania Club. The entire club house will be at the disposal of the revelers, with the exception of the small hall to the right, on the first floor, which means that there will be ample space and checking facilities for at least 1,200 people.

There will be an unusual array of talent present. There is to be dancing to the music of "Royal Eddy," card playing, bunco, bingo, refreshments, etc. Those of you who attended last year, know what to expect. We ask you to urge your friends to come along with you for a most enjoyable evening. The price of admission is but 50 cents and you will be well repaid. Remember the date, January 28.

Our bowling team seems to have had a two-week bad spell, but as I am informed that the boys are now in rare form, I take it that the lull was only a holiday let-down.

I'm going to start the old ball rolling by reminding all the Fourth Degree members that they had better get hot on their "Fourth Degree Club," as the time approaches when a new class will be inducted.

Here's something else. Get your candidates all lined up for the degrees. It is not enough merely to get the application signed; stick with it until he has completed his Third Degree and then keep after him to attend meetings. That's the way to impress your candidate with the importance of the K. of C. organization.

For the information of all our members, there is soon to be a new addition to our insurance phase. Several new types of policy will be introduced for your approval. Many of you may be interested in making some additions or changes, and for that reason you are hereby notified to attend meetings faithfully so that you will be informed.

Watch this space for your O'Connell notes.

Auburn Pk. to Honor P.G.K. John Corcoran at Jan. 24 Meeting

2-4 Thurs. . . . . 7740 S. Emerald Ave.

It has been the custom for many years in Auburn Park Council after one of its members has completed his term as Grand Knight, that a meeting during the following year be set aside in his honor.

At the last Council meeting it was decided that the meeting of Thursday, January 24, be known as Past Grand Knight, John W. Corcoran night, and your present officers make an appeal to the membership to turn out in large numbers on this occasion.

Brother John Corcoran transferred into Auburn Park Council over twenty years ago from Calumet Council, and has been a stalwart and faithful member having served in many capacities during that time, his first duties in the Council being as Trustee which he held for seven years. He also acted as scribe for twelve consecutive years. During the years when basketball was one of the outstanding events in Knights of Columbus circles he served for seven years as athletic director, and through his efforts was successful in getting Auburn Park's basketball team into the championship playoffs. He was selected as Lecturer during the second term of Brother John H. Clausen as Grand Knight and from there went into the office of Chancellor, Deputy Grand Knight and Grand Knight.

An invitation is extended to members of other Councils to join with us on this occasion in paying tribute to our Past Grand Knight.

With considerable improvement in the attendance at the first meeting of the new year the business became most interesting. Many topics were discussed, one of which was a report of the Council audit ending December 31, 1940, and this in itself was most encouraging, inasmuch as the Council is much better off financially than it has been in many years

Another important matter at the last meeting was the reading the changes as made in the Council by-laws, and of course this will be read at the next Council meeting.

We had as our guest the field representative on insurance from the New Haven office, Brother John L. Cushing, a member of Joliet, Ill., Council, who gave the membership in detail the outline of the five plans of insurance now in effect. With the selling features on insurance it should not be difficult to interest the young men of our community to join the Knights of Columbus.

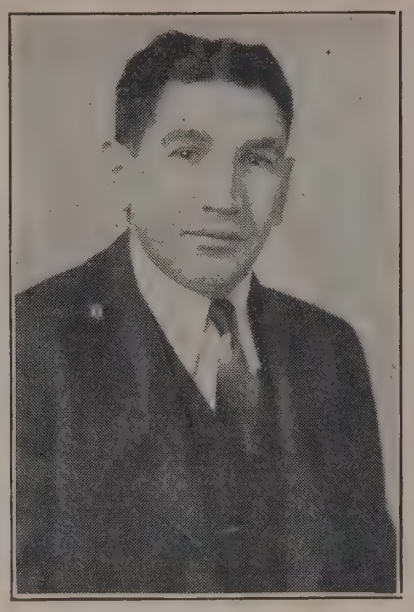
Bro. James F. McLellan, due to his many duties and uncertainty of working hours, has been unable to devote sufficient time to the chairmanship of the Lapsation Committee and has been compelled to resign from this important work. The duties of this office will be assumed by Grand Knight Harry J. Cox, who will contact those of our members who have allowed their obligations to lapse.

BOWLING

Bro. John Coughlin, our Deputy Grand Knight and bowling chairman, announced at the last meeting that the Council bowling team was in sixth place in the Clubhouse League, and that the competition was very keen. The team bowled at 9:00 p. m. on meeting night and had a flash they lost two games.

Are you figuring on taking the Fourth Degree this year? Your Council already has three candidates, but let's swell this number. See your Financial Secretary for particulars.

St. Cyr's Happy G. K.



G. K. JOSEPH MAGGIORE

1-3 Mon. . . . . 1605 N. Halsted St.

Today, brother knights, we present, rather than introduce to you, one of the happiest grand knights that can be found in and around Chicago. He is our own Joseph "Chief" Maggiore, now a veteran Grand Knight of six months. Joe is happy because he knows that the members are behind him one hundred per cent.

The finest example of this was the gay occasion which was held in the Lions Building last Saturday night. People came by the hundreds until the number nearly reached the three thousand mark, to celebrate at St. Cyr's big dance. I could see the proud and happy gleam in the "Chief's" eyes. The first big venture under his well earned leadership had met with tremendous success. And he had a just cause to be proud.

Brother members, we should all be happy at the fine demonstration which was put on by our friends last Saturday night. We can boast of St. Cyr's many friends. Let us not relax now. Shortly we will have open house to start our membership drive. Keep that prospective member in mind. Invite him to our open house. Ask him to join.

BOWLING REPORT

The second half of the bowling tournament still finds the hard hitting Maniscalco Undertakers in first place with 30 won and 15 lost. Right behind them are Vince Collura's Beverage Boys. Standings at this time are as follows:

	W.	L.		W.	L.
Maniscalco	30	15	Bond	22	23
Cheer Up	29	16	Granata	22	23
Cancilla	28	17	Continental	21	24
Morreale	26	19	Rago Bros.	20	25
Archer	25	20	De Cola	20	25
Strano	25	20	Rubinelli	16	29
Lucania	23	22	Mohawk	13	32

Frank Apicella took the high individual honors with a 226, followed by Anthony Ortolano with a 220, and Anthony Scarpinato with a 213. High individual three-game series was taken by Anthony Ortolano with 595, followed by Anthony Scully with 572. Cheer Up rolled 2,476, Cancilla 2,475, and Maniscalco 2,345. The Cancilla boys rolled a high single game of 890, the Cheer Up boys 874, and the Strano Printers 858.

We are rather late in thanking some of our good brothers who donated the various items for the Christmas party, but, nevertheless, thankful we are. The pop which all those children (and lot of you grownups) had was presented by our genial Vince Collura, the oranges by Joe Mercurio, and the bags by Sal Greco.

Gen. Sherman to Hold Ladies' Night Tuesday After Regular Meeting

1-3 Tues. . . . . 4300 W. North Ave.

Tuesday night is our regular meeting night, and also Ladies' Night. There will be a short meeting. Our Grand Knight has secured some de luxe music, and a telephone exhibit will be supplied by the telephone company.

Wednesday night is the Fourth Degree dance at the Midwest, Hamlin and Madison. This is for Fourth Degree members and candidates. See Ray Groh for particulars.

Bowlers' Party Saturday night at Romanio's Hall. Admission is $2.00 a couple. Food, refreshments and dancing will be provided.

Stanley Kolssak, brother of our Louie, has entered the medical corps of the army and is stationed at Fort Sheridan on the Reception Committee. No bowling news this week. Ed Geary is on a vacation.

SETTERS DINNER DANCE IS TOMORROW EVENING

2-4 Thurs. . . . . 4711 W. Madison

By the time you read these lines, which are addressed to all the members and friends of Father Setters Council, you will have completed your plans to attend the great Mid-winter Dinner Dance which is scheduled to commence shortly after eight-thirty on Saturday evening at the Midwest Athletic Club.

So—it is suggested that you get yourself a couple of hours' quiet slumber Saturday afternoon in preparation for a brilliant evening's entertainment and fun among the greatest crowd of cordial merrymakers you ever encountered. You needn't bother to have anything in the way of an evening meal at home, because about nine o'clock tonight you'll have the finest seven-course turkey dinner you ever tackled placed before you. (According to private sources, the chef at the Club has set about making this the greatest triumph in his long and distinguished career.)

Novelty entertainment features will be liberally interspersed at proper points in the program, and, at the end of thé dinner, there'll be dancing to Augie Schaid's music. Later on in the evening, a professional floor show will be offered for your enjoyment and, after that, more dancing and merriment.

Reservations (at two dollars per person) have been received in unprecedented numbers and the party is certain to be a complete success. A few choice places are still available, however, so, if you act at once the committee can still procure excellent accommodations for your party. Reservations can be placed with Grand Knight Maurice J. Kissane, 4417 Gladys Avenue (Columbus 6623), or Lecturer J. Edmund Dwyer, 1537 N. Leamington Ave. (Merrimac 8085).

DADS' AND LADS' NITE

On Thursday evening, January 30, the Council will entertain some thousand members and guests in a mammoth athletic program. This party, known as Fathers' and Sons' Night, is for all Settersites, their sons, grandsons, nephews and youthful friends and all are most cordially invited.

The main event will be an eight-bout boxing card, featuring some of the most popular C.Y.O. champions and runners-up. Celebrities of the sporting world will appear as an added attraction. If you haven't already done so, it is suggested that you mark the date, time (8:30) and place (4711 Madison St.) on your calendar.

Mr. and Mrs. David Kissane of 5412 Adams St. announce the arrival, on December 27, of a handsome young man. John Timothy Kissane, as the young fellow is known, has already expressed his interest in becoming a member of Father Setters Council, like his dad, his Uncle Jim and his Uncle Maurice, who is none other than the Grand Knight.

Brother Patrick J. DeVoy, one of the most popular members of Father Setters Council, has joined the growing colony of Settersites in California. Pat, who retired from the Chicago Police Department several months ago, now resides at 1085 E. Sixth Street, San Bernardino, Calif.

As heretofore announced, Brother Edward S. Rye is now living at 1119 N. McCadden Place, Hollywood. It is suggested that Ed and Pat round up the other members of Setters Council now on the West Coast some evening and have sort of a branch council meeting.

John J. Young, of 3211 Fifth Avenue, Chicago, has just returned to his home after an extended siege of illness. It is the sincere hope of all the members of Father Setters Council that Brother Young will continue his progress toward complete recovery.

Mrs. Boland, mother-in-law of Brother Nick Bell, has been ill for several weeks and confined to the hospital. We hope that she will soon be fully recovered.

DE LA SALLE NOTE ATTENDANCE INCREASE

1-3 Tues. . . . . 1105 E. 47th Street

The first regular business meeting of the new year held on the 7th of January attracted more members than any previous meeting for some time. This is indicative of more interest in our fraternal relations and points to the need of ideal companionship and renewed vigor in catholicity.

This encouraging start for the 1941 season and the renewed activity of our senior members sets a good example for the younger members. We were particularly pleased to welcome the presence of brothers: Robert Marshall, John Salas, James Marshall, Arthur Guthmann, Michael Troy, Anthony Hansen and P. G. K. T. H. Brennan.

NEW 1941 DE LA SALLER

We are quite proud of our first new member for 1941 and thank Howard Brennan for attracting him to our council. He is Brother Daniel Laughlin and he transfers from Notre Dame Council, Notre Dame, Indiana, to De La Salle. He was introduced to the members at the last meeting, taking a bow, and with a few well chosen words and a captivating smile won favor immediately. Now that we have our first new member for the new year, let us look more diligently for other candidates. The field is large and if each member will bring in one new man, our council will grow and thrive.

BETWEEN THE LINES

The house committee was authorized to provide more suitable accommodation for wardrobes, dishes, cutlery and records. This can best be done by installing steel lockers, so next time you visit the hall please note the new steel lockers in the utility room.

The trustees report that they will start work immediately on the audit for presentation the end of this month.

Grand Knight John Husung called for a meeting of officers and committee chairmen at 8:15 p. m. for Tuesday night, January 14th, to assemble at council headquarters. This is the first officers meeting for the new year and from nods of acquiescence on part of the officers this meeting should be attended 100 per cent and accomplish much good.

Financial Secretary Dick Zellar reports that more of the members had paid their dues for the full year of '41 up to this time, than at any previous similar date. This is indeed encouraging and paints a pleasing picture. The only cloud to mar this excellent panorama is a small list of brothers on the delinquent sheet. Please, brother, if you are behind in your dues come in and talk it over.

ODE TO A BROTHER

Much discussion relative to a sign for months past has flared to the fore. Lest we forget, this sign was to advertise our being to the passing world, a symbol of hospitality, so all might know that this is the home of your council. Brother Henry Miller, of Swift Ice Cream fame, a very quiet boy, if there ever was one, and who had previously donated his company's top notch brand of cup ice cream to an open house gathering, arose to the occasion and quietly volunteered to take care of the sign. This gesture of brotherly love was enough in itself, but when he made it clear that the sign would be presented free of cost and with his company's compliments, the offer was overwhelming. The sign will be placed in the window facing the street as a dignified medium of publicity. "Thanks, Henry Miller."

CONDOLENCE

The council's sympathy was extended to Brother John Salas, who lost his father. The elder Mr. Salas died on December 29, 1940, at Beaver Falls, Pennsylvania, and was laid to rest at that city amid surroundings near and dear to him. Weep not, John, he now has eternal life.

We heard with regret that Brother James E. Morgan has been ill and feel solicitous as to his condition. We hope sincerely that Jim comes along the path of recovery fully and quickly.

Council prayers were and always will be offered for the repose of the souls of our faithful departed and for the speedy recovery of the sick and distressed. The committee calling on the sick will deem it a courtesy, if you will notify the chairman of this committee, D. G. K. Emmett Markey, 7932 South Kenwood Avenue, South Shore 4319, when you know of a brother who is ill.

Our next regular meeting will be held on Tuesday night, 8:30 p. m., January 21, 1941, at the council hall. Something to learn, something of interest and something to think about; attendance award, and a good lunch by Chef Bardon with refreshments. "We will be seeing you."

Fourth Degree Exemplification, February 23, 1941; get your card of application from P. G. K. Alex MacDonald.

Feehan Ready for Record Crowd at Party Wednesday

2-4 Tues. . . . Hamlin and Madison

In the event that you've just learned to read, this will be your first opportunity to be informed of a certain big party which is being thrown by Feehan Council on next Wednesday night, Jan. 22, at Mid-West A. C. If, on the other hand, you've long since been able to decipher the printed word, then you may possibly have run across that startling piece of news in this space before. In any case this is your last warning—after Wednesday, this party will be history—and let's make it worth writing about.

All the arrangements have been completed down to the smallest detail, a recognized expert has been secured to conduct the affair in the proper fashion, and it only remains for us, the average members, to fill the hall and put the party over the top. Feehan Council is banking on this one big party to bring in the revenue for the coming year. It is this revenue which provides the entertainment and refreshments at so many of our meetings, to say nothing of the annual Ladies' Night, Christmas party and other special events.

If you share in these affairs (and you're very foolish if you do not), then this is your opportunty to guarantee their continuance in the immediate future.

Ticket returns may be made at a final rally to be held at the clubhouse Tuesday evening. Tickets not paid for in advance must be paid for at the door the night of the party.

BOWLING

The second half of the Council League got off to a slow start on last Thursday night with poor scores being rolled all down the line. Only one team managed to win a whole series —this was Illinois Laundry no less, and they now occupy first place all by themselves as a result.

Baer Bros. & Prodie, N. Preib Cleaners, Lemon King Senators, J. J. Collins Sons, and the Edw. Kaindl Boosters all won two and lost one. Judge Hackett's Pioneers, Harmon Electrics, Quinn's Inn, Malee's Irish and Harold Crotty Boosters won one and dropped two while Ed. F. Moore Boosters were 3 time victims. Pat Riley still leads the individual list with a 179 average.

Bowling Secretary, Augie Tamburrino, announces that the Feehanites go to the post in the State Tournament on Saturday nite, Feb. 1, at 7 p. m. The singles and doubles will be rolled on Sunday afternoon at 2. Bro. Tamburrino has also announced the date of the Indianapolis Tourney—Apr. 6-7. Entries must be in by Jan. 20, so sign up now if you intend to make the trip.

DISA AND DATA

Sunday, Feb. 23, has been selected for the conferring of the Fourth Degree. Any member interested is advised to get in touch with the chairman of the Fourth Degree or the grand knight.

We are sorry to learn of the serious illnesses of the father of Bro. Jos. P. Nolan, and of the mother of Bros. Pat and Byron Noonan. We hope and pray for their immediate improvement.

Birthday congratulations to the following Feehanites who celebrate on these dates: James F. Boyle, Jan. 13; Fred Salmea, Jan. 18; Bill McGrath, Jan. 19; John I. Clark, Jan. 20; Joe Malloy, Jan. 23; P.G.K. Walter Brouder, Jan. 23; E. F. Rollett, Jan. 23; Eddie Ryan, Jan. 24 and Chet Grondy, Jan. 24.

Ridge Prepares for Joint Degree Class Next Tuesday Night

1-3 Tues. . . . . 8219 S. Halsted St.

You know the most important event in our Council at this writing is the Initiation to be held Jan. 21 in our chambers. We have engaged a high grade team to put on the ritual, and we urge that you make every effort to attend. St. Rita Council is sending a splendid Choir, and we are grateful to Brother Bruno S. Fracassi for his assistance. Joliet Council is sending a candidate and loaning us their Grand Knight Francis Parker, who will handle the duties of Warden. D. D. Jeremiah Sheehan has promised candidates from Father Perez and Archbishop McHale, through advice from G. K. Norman B. Northam, and Thos. A. Mulroy.

Grand Knight Ray Hallstein has urged G. K. Harry Cox of Auburn Park Council, John Loughnane of Englewood, C. J. Driscoll of LaRabida and Charley C. Nash of St. Rita Council to have their candidates at our Council Chambers early, in order that the First Degree will get under way at 9 p. m., after a short business session of our Council to be called promptly at 8 p. m. If you have a neighbor who is a member of another Council, invite him to accompany you to the degrees.

Our Chaplain Father John Gleason has promised to attend, and we expect Father Harold O'Hara of Holy Angels Parish to honor us with his presence also. A treat of "Coffee-and" will be offered by Lecturer Russ O'Hara and his committee, headed by Mike Mulligan, Mike Feyerer and John Shemaitis, after the ceremony.

BOWLING

Tomorrow evening, Saturday, Jan. 18th, at 7:30 p. m., 3 teams from Ridge Council will go into action in the State K. of C. Tournament at the C.Y.O. Alleys, Congree and Wabash. You are all cordially invited to bring the lady friend and watch the boys knock the wood around. The Number 1 Team—Hopkins Service consists of D. Wise, C. Proctor, J. Shem, W. Barry and E. Erxleben. Number 2 Team —Harry W. Hart Undertakers—F. O'Neil, L. Hynes, R. Hallstein, Matt Thometz and J. Supple. Number 3 Team—K. & B. Tavern—Mike Thometz, C. Teipe, L. Marcoux, J. Burke, and M. Feyerer. So make up your party now, go there and cheer your favorite team. The Singles and Doubles will be rolled on Sunday, February 2nd—the time will be announced later.

INSURANCE

At our last meeting we were again honored by a visit from Special Agent, Brother Cushing, who really explained the new insurance applications so thoroughly a schoolboy could understand them, and for this courtesy we, of Ridge Council, thank him. As new phases of this insurance bob up, Brother Cushing will pay us a visit and it would be well for all to attend these meetings, and learn about the new insurance plans.

Brother Casey is still under a Doctor's care after his automobile accident and will be confined to his home for the next two months. He will welcome any visitor who will be kind enough to drop in, as will Brother Pfordresner, who has been ill for the past two years.

The Officers and Members of Ridge are glad to hear that our State Secretary, Leo Flynn, has recovered from his recent operation.

La Rabida Is Pulling for Its Two Bowling Teams in Tourney

2-4 Tues. . . . . 6236 Princeton Ave.

The tenth annual K. of C. State Bowling Tournament got underway last Saturday evening at the C. Y. O. Recreation Center, Congress and Wabash avenue, with His Excellency, Bishop Bernard J. Sheil, receiving the first ball.

La Rabida Council, under the direction of its capable bowling chairman, Harry Dion, has entered two teams in the tournament and we have high hopes of winning some of the many trophies to be awarded at the close of the tournament.

La Rabida's first team is composed of Bros. William Lyman, Ray Mahoney, Daniel Ahearn, Frank McCauley and Donald Blakemore, while those comprising the second team are Bros. Jerry Conway, Bob Evans, Joe Cassidy, Emmet Cassidy and Harry Dion.

BEWARE!

Bro. Andy Bulger, our worthy Financial Secretary, used to be a quiet and unassuming young man, but I'm afraid he has made a few New Year's resolutions, having to do with delinquent members. For on January 2nd he up and suspended eleven members for nonpayment of dues and he has suggested that I notify the membership that unless certain others, who are likewise in arrears, pay their dues they are likely to suffer the same fate. Let's co-operate with him.

ENGLEWOOD'S CABARET PARTY

On Saturday evening, January 18, our friends from Englewood Council will hold their second annual cabaret party and dance in the Blue Room of the Southmoor Hotel, 67th and Stony Island avenue. This party is sponsored by Englewood Council's Fourth Degree Club, and I can assure all who attend a most enjoyable evening. Admission fee is $1.00 per person, which covers everything, including refreshments.

TWO MEMBERS HONORED

At the annual meeting of the Federal Credit Union held at Carmen's Hall, Ashland and Van Buren streets, last Thursday, P. G. K. John Mahon was elected president for the fourth time of the 77th street group and Bro. John Farrell was elected, for the third time, treasurer of the same group. We are always glad to hear of honors bestowed on our members.

FOURTH DEGREE

Bro. Basil Giaretta, president of La Rabida's Fourths, announced at the regular monthly meeting last Thursday that four Third Degree members have indicated their intentions of taking the Fourth Degree next February 23rd at the Palmer House. With a little co-operation we could easily bring this number up to ten.

BOWLING

The bowling results of January 13th, as reported by Harry Dion, are as follows: Wahling Wales took three games from the La Rabidians, while Dion Quints were taking three from the Sunnyside Inn. Evans Pullets also made a clean sweep of its three games with the Rock Island Rockets. The standings are:

	W.	L.
Evans Pullets	34	17
La Rabidians	30	21
Dion Quints	29	22
Rock Island Rockets	21	30
Sunnyside Inn	20	31
Wahling Wales	.19	32

Chicago Enlists Two More Applicants for Fourth Degree Class

2-4 Tues. . . . . 64 E. Lake St.

FOURTH DEGREE

Chairman (P.G.K.) Frank J. Casey's list of candidates for the coming Fourth Degree has assumed a satisfying length. First on the list is Maurice Pollock, and the most recent to sign up are Lecturer Bill Pelicore and Trustee Richard Murphy and now the group is striving to convince Sam Mercurio, chairman of our valentine party, who is still on the fence.

It is particularly fitting at this time to consider entering the Fourth Degree if one is eligible—a Third Degree member for two years and a citizen of this country. There is a fee of twenty-five dollars (which some of our members have been advancing on the installment plan) which provides for the candidate his sword and baldric and his ticket to the banquet.

LAST MEETING

Walter Dooley, whose record for attending meetings is well-nigh perfect, has sat and listened night after night for the past two years while names of members were drawn from our "pot of gold." But not until last Tuesday did the name of "Walter Dooley" resound through the council chamber as the result of the drawing. And Walter almost missed it, only everybody else in the place did, so now Brother Dooley is possessor of one of the banquet tickets for our Golden Jubilee doings a few years hence. Give him a hand, boys.

THE BIG PARTY

Saturday, February 15th, that's the date. Chairman Mercurio and his committee put our party tickets (priced at $1.00 each) on sale at last Tuesday's meeting and disposed of a considerable number. The party, not quite a month away, takes place in the Hamilton Hotel, same as last year. The big ballroom has been reserved and a fine orchestra has been engaged. There will be refreshments and entertainment, all of which is included in the one charge of one dollar per each.

THE KEGLERS

Alive with wim, wigor and witality after their two-week holiday, our Intra-Council bowlers resumed activities on Wednesday, January 8th, and the roar of the balls and the pins made it seem that the enud wall back of the alleys was in danger of being blasted into Adams street. The Franz Guards administered a three-ply knock-out to the Cole Recorders and held their position at the top of the column. Ryan Coals lost the odd game to Vallee Boosters who retain their second place position.

STATISTICS

Cole Recorders	584	591	620—1795
Franz Guards	619	684	765—2066
Vallee Boosters	657	773	678—2108
Ryan Coals	637	740	774—2151

	Won	Lost	Avg.
Franz Guards	31	14	721
Vallee Boosters	21	24	731
Ryan Coals	20	25	729
Cole Recorders	18	27	705

Last Friday night our bowlers took two out of three from Feehan Council, featuring some fine shooting by Jim Minnick who got high game of 247 and a 608 series which helped put the evening over. Ketteler on January 17 and Hennepin-Shields on the 24th. Your bowling scribe, Gus Caponi, in the name of the team, invites you over.

NEXT MEETING

Our meeting on January 28th is our monthly "Social Gathering." Business will be disposed of early and quickly, if there is any to be handled. Then, through the efforts of our D.G.K. Henry Lynch, we will see a full length feature motion picture (not a "commercial") like we see at the regular theaters. We will have full particulars in next week's issue.

ST. PAT'S BOWLERS IN STATE MEET THIS SUN.

1-3 Tues. . . . . Madison and Hamlin

Launching of the Tenth Annual K. of C. State Bowling Tournament was witnessed by an overflow crowd of onlookers who cheered Bishop Sheil and State Deputy John F. Bolton as they rolled the first and second ball down the alleys, thus officially opening the meet.

Contestants comprised of District Deputies, officers of the Fourth Degree and the Chicago Chapter, and also Grand Knights from every council received coveted prizes for bowling in a special event which preceded the five-man team event. A record shattering entry list of 450 doubles teams and 900 singles was slated to fire on the maples before the tournament ends.

Members of St. Pat's Council bowling league are scheduled to bowl in the team event Sunday, Jan. 19th, at 7 p. m. Be sure to be prompt, because a penalty will be imposed on any team which rolls undermanned. Date of the doubles and singles is scheduled for 7 p. m. on the night of Sunday, Feb. 9th. Fans, let's get out there and support our teams and see if we can inspire them enough to "bring home the bacon." It's a date, friends, for Jan. 19th at 7:00, C. Y. O. Alleys, Wabash and Congress.

FOURTH DEGREE NOTICE

Grand Knight Thomas Cregan and Chairman J. E. Scully wish to announce that the Patsquads Club cordially invites all eligible fourth degree candidates to their own meeting, which is to be held at the Midwest Athletic Club on Jan. 30th, at 8:30 p. m. Master of the Fourth Degree Joseph A. McMahon has been asked to attend to impart a few facts about this, the Patriotic Degree of the Order. Refreshments will be in order after the business has been dispensed.

MARTIN HOUGH BENEFIT

Members wishing to secure tickets for the Martin J. Hough testimonial on Saturday, Jan. 25th, can do so by contacting P. G. K. Charles Patterson. Here is an opportunity to help one individual who has done so much for others that he neglected himself. Now it is our turn to assist him in his dire emergency. Let us make every possible effort to attend this show, which we are certain will leave nothing further to be asked. Tickets are 50 cents. If you cannot attend, then you can do your part by submitting your name to the patrons' list. The fee is very nominal.

ABOUT THE MEMBERS

Maurice Kavanaugh, charter member of the council, is convalescing at home after a serious illness. The daughter of Sal Giunta, Maria, is doing fairly well after an appendectomy operation performed at Mother Cabrini Hospital on Jan. 9th. Mike Zingarelli, trustee, has just baptized a new Packard. Wonder if he named it a Schick? Brother J. E. Scully wishes to thank all the Fourth Degree members who so graciously donated door prizes at their recent card party and bunco.

LOCAL BOWLING NOTES

The Rex Paints dropped three to the Moriarty Indians (darn those guys), while the Emergency Radios "grounded" the Deir Morticians in three in last week's bowling. In the other clean sweeps of the night, the Freda Meats trounced the McGinty Beach Rocks, the Barry's laced the Allegretti Grill, and the A B C's clipped the Wieland Florals.

In the only tight series of the night, the Damato Taps won two from the Cahill Printers. It was announced that the co-leaders of the first round would roll off the championship games on a Sunday afternoon in the immediate future. Present were the following ladies: Mrs. Jas. Hartford, Mrs. J. Farrell, Mrs. R. Bennish, Mrs. J. Clune, Mrs. R. Latelle, Miss A. Karg, Miss Sophie Hrycyn, and Mrs. W. Evans, wife of the Fire Chief Battalion.

Guarding Joseph A. McMahon, Master of the Fourth Degree (second from left above), are the officers of the State K. of C. Bowling Association pictured just before they went into action in the opening matches of the 10th Annual State Tournament on Saturday, Jan. 11.

From left to right the officers are: Vice-Pres., Bill O'Connell, Master McMahon who sponsored the All Star Match run off Sunday afternoon, Secretary John Crowe, Association President, Jack Dix and Secretary Elmer O'Brien.

Columbus Asks Every Member to Assist in the Marty Hough Benefit

2-4 Tues. . . . . 6932 N. Clark St.

If you are one of the older members of the Order, you remember when you would travel miles to participate in the Third Degree that was being put on by Marty Hough. His name was a magnet throughout this nation in degree work. However, the past few years have been lean ones for Marty due to an injury sustained while he was carrying on the work of the Order. We all know that one of the principles taught by Marty in his day was charity and those who have followed Marty along his work for the Knights of Columbus have seen Marty practice charity into its true sense during his life.

Marty, besides being the chairman for our Christmas Cheer Committee for many years, has taken it upon himself to do other numerous deeds that can only be recorded in the books of heaven and while his friends are endeavoring to repay in a small part the many things that he has done for them and for the Order, they send out an appeal to the membership in general to help them put over the monster testimonial to be held for Marty Saturday evening, January 29th, at Queen of Angels Auditorium, Montrose and Western Ave.

Never in my experience in this Order have I known of a worthier cause, and I hope and trust that my appeal will not fall on idle ears. If you find out that your schedule will not let you attend this affair, a donation of any sort sent to Wm. P. King, treasurer of the Marty Hough Testimonial Fund, 4849 N. Lipps Ave., Chicago, will help the cause along and we hope you will co-operate.

DUES

If it were not for the fact that this is the beginning of the quarter and Frank Coffey has asked me to remind you of an early remittance, I would have dedicated this column to Marty Hough. You know how we become careless and do not remit our dues immediately, so here I am calling it to your attention.

Those of you who have been in the Order for two years are eligible for the Fourth Degree. To you who are eligible and who do not take advantage of fthe opportunity, I can only say that you are missing one of the grandest features of our Order. The exemplification is instructive enough but the good that one gets out of belonging to the Fourth Degree is worth talking about. Consult a Fourth Degree member, read in your Columbian the activities of LaSalle General Assembly and I am sure you will hasten to see Ed. Kelly and fill out an application immediately.

Oak Park Committee Lays Plans for 30th Anniversary Party

2-4 Mon. . . . . 641 Scoville, Oak Park

Officially the 30th Anniversary Celebration committee of the council got under way after the meeting on last Monday night. A very enthusiastic committee lay the real groundwork for the celebration. Full details will follow in a later issue. Watch for it.

Our last meeting was one of which the old-time members would have been proud. A large crowd filled the hall and among them were some faces that seldom are found in the council chambers any more. Among the guests was P. G. K. Cogley of Washington Council, who made a fine but brief talk. We have our welcome sign out for Bro. Cogley any time he wishes to come over. Bro. Matt Beck and Bro. Joe Fox, two old-time standbys of the council, were with us and said a few words. Bro. Jordan, a side kick of Bros. Lex and Blair, made his initial appearance. O.K., brothers; you enjoyed the evening, we are sure, and we want you with us more frequently.

If Bro. Joseph Johnston had been there! A voice from the barrel called out the name of Bro. Johnston and he was missing. Back till next time. One more than a double sawbuck, if you understand the modern style of description.

Following the meeting the pool and pinochle tournament went into full swing with some of the best of the council's excellent players. The knights of the round table were also in full swing; in other words, the place was full of activity.

Don't forget the party at the clubhouse on the 19th. There will be instigated the new setup of doubles bowling. Come over and see this excellent game. Food and "wash" will follow.

Americus Mourns the Sudden Passing of P.G.K. Chas. Barrett

2-4 Tues. . . . . 3350 Jackson Blvd.

One of the most severe blows Americus Council members have ever received came to us on Tuesday, January 7th, in the form of a message advising of the sudden passing of P. G. K. Charles D. Barrett. Bro. Barrett was one of the organizers of Americus Council, having been previously a zealous and ardent worker in Carroll Council. Leading a group of other knights who conceived the idea of a council composed largely of men of Our Lady of Sorrows' Parish, Bro. Barrett gave freely of his time and energy over a period of years, spreading the gospel of Knighthood.

Until the time of his passing he remained a constant attendant at our meetings and all our social affairs, and entered earnestly into every K. of C. activity.

His intimate love for Knighthood, his true loyalty to its ideals of sincere integrity and truth of purpose, the vitality and energy he so generously displayed, made him one of the outstanding men who have ever been connected with Americus Council. His memory will be held sacred by his brother knights, who esteemed him so highly and who grieve and mourn his inevitable passing from our ranks. To his bereaved wife we extend our heartfelt sympathy.

We also were deeply grieved to hear of the death of Mrs. Clark, the loving wife of Bro. Walter. To him and his family the whole council extends its sincerest sympathy. May the souls of Charles Barrett and Mrs. Clark rest in eternal peace.

SICK AND AILING

Bro. James Golden, who was confined at Edward Hines, Jr., Hospital recently, has been transferred to Veterans' Hospital at Woods, Wis.

Bro. Eugene McKenna is recovering from a severe fall, and Bro. John T. Schroeder has been confined to his home for some time.

We sincerely hope that these highly valued members will recover quickly and completely.

BOWLING

The bowlers turned out in force again last Monday, all except Fred Scott being on hand at the opening bell. However, the start was very late and we would call to your attention again that the starting time is 8:30. Make the effort to get there on time.

The league-leading O'Briens lost the first two games but turned back to take the third easily. On the other alleys Allaire's team bowled their usual fine game against Harry Ryan's team. The games are getting more spirited with everyone trying for those extra pins. All are getting in trim for the K. of C. State Tournament. Americus Council has entered four teams in the five men division and quite a few have entered in the singles and doubles. The five men teams will bowl on Saturday, January 25, at 7:30 p. m. on the third floor of the Catholic Youth Organization Athletic Center. The singles and doubles teams will bowl on Sunday, January 26, at 7 p. m., on the fourth floor. The partners in the doubles are: Costello-Gannon, Corso-O'Brien, Scott-Rice, Ryan-J. Keenan, McGuire-Allaire, Fortier-Leahey. We hope that all of the bowlers from Americus make a fine showing and we invite all council members to come and root for the boys.

WASHINGTON GOES TO WORK ON FEB. DEGREES

1-3 Tues. . . . . 503 W. Main, Maywood

Many of our members apparently made a New Year's resolution to resign the STAYATHOMEANDCRITICIZE Club and attend their Council meetings as often as possible. Consequently our first meeting in January was certainly a humdinger and reminded many of the old-timers of the days when Washington Council was young.

Father O'Connor Council's invitation to Marty Hough Nite (January 29 in Queen of Angel's Hall, 4412 North Western Avenue) caused more reminiscing on the part of the members and many signified their intention of treking to the north side and paying homage to a really great Knight of Columbus.

The gracious invitation of St. Anthony de Padua's Grand Knight, John Diegnan, to join the other Councils of the far-west division when St. Anthony de Padua acts as host in the invitation of candidates for the First and Second Degrees was favorably received. It was agreed that members of Washington Council would meet at our hall at 8 p. m. on January 16 and like the crusaders of old, travel to Franklin Park a la caravan.

DEGREE CLASS FEB. 18

Of much importance is the fact that your Council will act as host to this same group on February 18 when your officers will initiate a class of candidates in the First and Second Degrees. Every Catholic man should be a Knight of Columbus, so if you have any prospective candidates, will you please get in touch with one of the following Past Grand Knights, who comprise the Membership Committee, and are well fortified with applications. They have been selected as leaders in the following parishes:

St. Bernadine and St. Luke—Cogley and Froelich.

St. Domitilla and Our Lady of Mt. Carmel—Carey, Collins and O'Donnell.

Sacred Heart and St. James—Bertsch, Dolan and Markham.

St. Eulalia and St. Simeon—Delaney, McFall, Lysen and Ruge.

ABOUT THE COUNCIL

Warden John Juff has been hospitalized but is well on the road to recovery and will be with us real soon.

With much sadness we report the sudden death of Dudley Solon, brother-in-law of John McAuliffe, our recorder. Our sincere sympathy is extended to Mrs. Solon and her lovely children.

Brothers Frank Montion and John Rotini are always glad to see any of their brother knights and we sincerely suggest a visit as these two boys really represent true knighthood.

The necessity of mailing notices to members will be a special order of business at our next meeting. Much wholesome discussion took place at our last meeting as regards this and other important matters. You miss much when you miss the regular meetings as many things are happening all around us and you owe it to yourself to keep posted.

In keeping with a well-planned program we will have as our guests at the regular meeting next Tuesday night a representative of the Supreme Council at New Haven, Joseph A. McMahon, Master of the Fourth Degree, and our own D.D. Joseph O'Neil. Refreshing discussions on all phases of our social system will be topped off with delicious refreshments, John Wyand, our Lecturer advises.

STATE BOWLING

John Joseph Ryan gave a good account of himself in the Grand Knights Tournament which opened the State Tournament and is conceitedly displaying his trophy in the living room window of his home. Our two teams in the K. of C. State Tournament, gave a very fine account of themselves last Sunday, the opening day of the tournament. It is too early to predict just what reward their efforts will receive but they certainly are going places in Brother Bosco's Major League.

For the past three weeks it's been two out of three, but last week the powerful Kannenberg Coals, the league leaders, wilted before a rejuvenated K. of C. Quintet and again it was two out of three. If this keeps up and the season is long enough we may take first place.

P.G.K. Bill Collins used good judgment in choosing Mrs. O'Rourke's well-known Corn Beef and Cabbage Dinner as a suitable reward for the super-salesmen of barbecue tickets. These wizards and their ladies enjoyed a night of merriment at the expense of the Council and a swell time was had by all.

Ouilmette Notes New Increase in Council's Meeting Attendance

2-4 Mon. . . . . 1215 Wilmette Ave. Wilmette.

Well, boys you did right proud for yourselves by the wonderful attendance you showed at our last meeting. It seems as though all the old regulars were present, besides many new faces, and I'll vouch that everyone of them had a swell time. This meeting being the first one of the year was only a starter, others will include more card tournaments for those who wish to compete (also includes poker for my students) and other diversified entertainment such as speakers, sports events and motion pictures. Try not to miss a single meeting, but if you can't make it, do like they do in the bowling league, get a substitute!

BOWLING CHANGES

In the bowling league the standings have changed considerably in the past two or three weeks. Standings of Thursday, January 9: Wilmette Battery won two from Meier's Tavern. Andy Schwall of the Electricians had high game of 199 and John Witten with 203, and Pumpkin Braun with 212 hit the honor roll for the Boozers. Wilmette Ice won two from Alten's. Geo. White and Joe Schmitz aided the icemen with games of 244 and 212, respectively, while Al Schneider did his best for the Undertakers with a 207 game. Larrip Haberdashery took the odd game from Bungalow, due to the supreme effort of Chancellor Lefty Steffens with his 245 game and 613 series. To make matters easier Pete Engels contributed one of those rare 205 games. The losers had a 201 game by Salty Kneip.

Ace Motors topped Braun Brothers 2 to 1. In this series Bro. Ed Bleser rolled the season's high game of 259 and got a series of 639. His teammate, Wally Tobin, rolled a 201 line. Paul Weiler of the opposition had one of 204. River Inn nosed out Wilmette Theater 2 to 1, with Bros. Harrison A. Sieren, Ed Hoffman and Junior Bleser reaching the select circle with games of 209, 203, 200, respectively, while Bro. Al Schaefer rolled a fine 223 game.

OUILMETTE ITEMS

I believe the man in the Council with the best head for business is Bro. Joe Alten, the mortician, he recently quoted: "I don't have much time to talk with the younger generation because I spend most of my time doing favors and talking to the oldsters, it's better for my business." Some idea, eh?

Among things I never knew before I might include that I never dreamed Bro. Emmett Duffy could play the piano as beautifully as he exemplified at our last meeting. I always thought his entire time was devoted to the cleaning establishment (which we take him to in our little session after each meeting).

To Bro. Worry Miller's troubles you might add that Uncle Sam seemed to like the number the selective service board gave him and asked him to bring it around for examination next Saturday.

Rumor has it that Bro. Larry Rrake is contemplating joining the benedicts. I don't know who she is or when or where, because that's all I heard.

Don't forget the Third degree to be held in Waukegan at the place designated in the rear of the Columbian next Sunday afternoon at 2:30. A large delegation from our Council is anticipated. Try to join them. Meet at Geo. White's between 1 and 1:30. Transportation will be available.

HOLY DAY SPARES 250 STUDENTS IN SCHOOL EXPLOSION

Cleveland.—Two hundred and fifty Catholic students were saved from death or serious injury here because they were observing one of the Church's important feast days.

If they had not been marking All Saints' Day the pupils of the new $250,000 Benedictine High School in this city would have been exposed to death and injury in the $75,000 blast that rocked the school early last Friday afternoon and damaged practically every portion of the building, which was opened only three weeks ago and is not quite completed. It is conducted by the Benedictine Fathers of St. Andrew's Abbey for American-Slovak students.

The explosion, the cause of which so far has been officially undetermined, occurred at a time when the students would have returned to their classes after the noon hour recess had it been a school day. Brother Martin, maintenance superintendent, narrowly escaped death because he had taken an earlier lunch hour. Normally he would have been in the boiler room at the time of the disaster. Four workmen in the building also were uninjured. Noise of the blast could be heard a mile away.

Although virtually the whole building was damaged, the study hall directly over the boiler room bore the brunt. On school days 125 students would have been in the room. Pieces of the floor were blown through the roof, walls in the corridors were cracked, flooring was buckled, and windows and doors smashed.

While city authorities set about investigating the blast, public school officials offered the Benedictine Fathers what assistance they could and plans are now being made to house the students pending repairs.

The explosion was declared to be the worst ever suffered by any school building in Cleveland.

State Secretary Leo M. Flynn, left above, accepts one of the special hats provided by Chairman George Harbert (right) under whose direction the program for the opening of the 10th Annual K. C. State Bowling Tourney was held.

Brownson's Guests at Father and Son Nite Will Offer Real Thrill

2-4 Fri. . . . . 4754 N. Western Ave.

Our Lecturer, Bill O'Neill sure believes in starting the new year with a bang. From the preparations already made for our next meeting on Friday, Jan. 24, which will be Father and Sons' night, your scribe is wondering if our meeting hall will be large enough to accommodate the dignitaries, sons and other guests that are expected on that evening. To begin with, motion pictures showing the highlights of all the important games in the National Professional Football League will be shown. Several members of the Bears' team have promised to be present, and our Lecturer still has hopes to have George Halas, coach and owner of the Bears, present.

Another well known figure in the sports world who has assured our Lecturer of his attendance is the sports editor of the Chicago Tribune, Arch Ward. Each and every member of Brownson is not only asked but urged to be present at this meeting and to bring his son or sons with him. As this is an open meeting, if you have no son to bring, don't come alone, but bring some friend who is a prospective member.

A FUTURE KNIGHT

The cigars enjoyed by the members at our last meeting were furnished by Past D. G. K. James (Vinc) Neary, who was the proud father of a future knight born during the holidays. Brownson rejoices with Vinc and Mrs. Neary and extend our congratulations to the happy couple.

TESTIMONIAL

Plans for the Marty J. Hough testimonial on Saturday, Jan. 25, which will take place at the Queen of Angels Guild Hall, 4414 N. Western Ave., have been completed, and Brownson hopes to be well represented. Marty, a P. G. K. of Father O'Connor Council, who has been ailing for some time, is known in every council in the jurisdiction for his loyalty and support to every K. of C. function, and his great work as chairman of the Chicago Chapter Christmas Cheer will never be forgotten. Our older members will remember Marty for his great work on degree teams of twenty years ago. Tickets for this very worthy affair can be procured from G. K. Tom Casey at our next meeting, Friday, Jan. 24.

FOURTH DEGREE

Those who have already signified their intention of taking the Fourth Degree on Sunday, Feb. 23, and any others who plan on doing so are urged to contact Fin. Secy. Wm. Erwin as soon as possible to secure the necessary applications. The exemplification this year is dedicated as a testimonial to His Excellency, Archbishop Samuel A. Stritch, and is expected to be the largest in years. Brownson, too, expects to have the largest class in attendance in years, which will be headed by Grand Knight Thomas V. Casey. Fourth Degree members who plan on attending the banquet or who will be present in Brownson's rooms to greet our new members are asked to contact P. G. K. Chas. Lannon for reservations.

BOWLERS' DANCE

Our council league bowlers will hold their annual dance on Saturday, Feb. 8, at the beautiful Gross Park Hall, 2123 Roscoe Street. This annual dance has become one of Brownson's outstanding affair each year, and this year gives promise to be even larger than ever. The proceeds from these dances are used to send our bowlers to the K. of C. National Bowling Tournament, which this year will be held in Indianapolis, Ind. Some forty bowlers are planning to make the trip over the week-end of March 29-30, and are hoping that the rest of the council members will help them realize their aim. Tickets are 35 cents and can be secured from any of the bowlers at our next council meeting.

Priest and Minister's Son Collaborate on New Motor Invention

Tekamah, Nebr.—Behind the shuttered windows of a research laboratory, a priest and a Methodist minister's son have been laboring for four years to achieve what may revolutionize automotive power—a combustion engine with far greater power than anything yet manufactured. They are Father W. J. Borer, pastor of St. Patrick's church, and Warren E. George, a graduate engineer whose father is a Methodist pastor in Juniata, Nebr.

Father Borer had long dabbled in engineering in a shop on the back porch of his rectory, being specially interested in combustion engines. This interest he shared with Mr. George. Their particular problem was the development of a high-powered engine smaller than any already in use.

One morning Mr. George came to Father Borer's rectory to report that he thought he had the key to their problem. Together, they drew plans on the tablecloth while they had breakfast. Later, in a one-story building that had been an electric shop, they made their own tools and, with the aid of friends, set up a research laboratory. Father Borer spent one summer at the Marquette University engineering school, and he and Mr. George consulted dozens of engineering experts. They made models, tore them down, and started all over again—expending in four years some $33,000 in time, labor, and materials.

Now they can see the end of their labors—a powerful engine that can be manufactured for $25. They seek to make their engine adaptable for use in motorboats, airplanes, and tanks. The main feature of their model is its replacement of connecting rods with a drive arm of secret design, planned to eliminate vibration and to reduce the wear on cylinder walls.

Their present 20-inch, 26-pound model can develop five horsepower at 4,000 revolutions per minute. The inventors believe that in an area 24 inches in diameter between 600 and 700 horsepower can be produced, and that a 30-cylinder model of their engine will produce power far in excess of anything now available.

Father Borer and Mr. George expect soon to exhibit their model before military authorities in Washington.

Clergy Divided in Opinion on Bigotry's Growth in the Nation

New York.—A cross section of the Catholic clergy in this country—1,541 from 48 States—are divided as to whether anti-Catholic bigotry is on the increase, according to the figures of the poll on anti-Catholicism conducted by "America," Catholic weekly review published here by the Jesuit Fathers.

Analyzing the figures in the final article on this subject in the current issue of "America," the Rev. Gerard Donnelly, S.J., associate editor, says that half of the clergy stated they did not notice signs of growing bigotry in their own areas, but were apprehensive over conditions in the nation as a whole in this regard.

Two questions were placed before 23,863 clergymen: "Are you personally aware of such anti-Catholic incidents or publications as are mentioned by Dr. Chapman?" (Dr. Emmanuel Chapman, assistant professor of Philosophy in the Graduate School and School of Education of Fordham University and chairman of the Committee of Catholics for Human Rights.) And: "Do you believe that there is a growing feeling of anti-Catholicism in the United States?" Only 1,496 priests replied to the first and 1,451 to the second.

To the first, 712, or 47.6 per cent, replied in the affirmative, and 784, or 52.4 per cent in the negative, the majority being 72 votes. In reply to the second question, 792, or 54.6 per cent said "Yes," and 659, or 45.4 per cent said "No," the majority being 133 votes.

"The figures are highly interesting, because they seem to indicate that two apparently conflicting beliefs are held by the American Catholic clergy," Father Donnelly comments.

"The two beliefs might be stated thus by any clergyman who voted with the majority: 'Anti-Catholicism? Well, the situation here in my own neighborhood where, of course, I am in intimate contact with events and able to watch closely is most encouraging; but in the rest of the country I am afraid things look rather bad.'"

Possibly the best answer to the unsportsmanlike attack of John L. Lewis on Vice-President Garner came in a telegram to the latter a few days after. It read: "Glad to hear you drink whiskey. There has been too much vodka drinking in Washington lately." To the latter part of that message, thousands of patriotic Americans will say a fervent "Amen!"

De Soto Advances Ladies' Night to Thursday, Jan. 23

2-4 Fri. . . . . Clark and Belmont

The much publicized and anxiously awaited ladies' night at DeSoto Council, at which all the ladies of the members—wives, mothers, sweethearts and daughters—are invited, and which was originally set for Friday, Jan. 24, has been advanced one night to Thursday, Jan. 23, at Belmont Hall. This change, which also advances our next meeting to the same date, was necessitated by circumstances which your officers believed justified the change.

An excellent program has been arranged and is all set to be offered to the ladies immediately upon their arrival, which means that Lecturer Joe Cella and his committee have arranged to entertain the ladies during the conduct of the regular council meeting. Many attractive features support the program which include cards, dancing and refreshments. With customary DeSoto liberality, a handsome prize will be awarded to each table. A very capable and talented orchestra has been retained to furnish music for those desiring to dance. A very valuable and attractive door prize will be awarded to some lucky lady whose name will be drawn from the bag of fortune.

Having first-hand knowledge of the program, I cannot too emphatically urge your attendance, and just to impress you of the change in date, let me again state that Thursday evening, Jan. 23, is ladies' night at DeSoto.

VALENTINE PARTY

We catch a faint and passing glimpse into the not too distant future when another very splendid program will engage the interest and attendance of DeSoto's members. "Valentine's Night" is the rather peculiar and appropriate appendage attached to the meeting of Friday, Feb. 14, at which your lecturer and his committee have arranged to present a very entertaining stage production. A more detailed description of the program and the participants will be forthcoming in a later issue.

BALDRIC AND SWORD

Things are definitely booming in no uncertain manner in the Baldric and Sword Club of DeSoto Council. When the new administration assumed office we were informed that no idle moments would be spent at the regular monthly meetings, and apparently the hustling and peppery Jim Kennedy and his fellow officers were not idly spouting. At the next meeting, Monday evening, Jan. 20, at Gross Park Hall, there will be presented for the entertainment of the members a very well-known movie production arranged by the Chicago Tribune entitled "The American Way," which, in addition to its serious aspects, is a pictorial resume of the most notable sports events of the year 1940. Your attendance at the meeting will be well repaid in a pleasant evening of entertainment.

LADIES OF ISABELLA

From Elizabeth Kaufmann, publicity chairman of DeSoto Council, No. 11, Ladies of Isabella, comes the following note which we quote for your information:

"DeSoto Council, No. 11, Ladies of Isabella, will install its newly-elected officers for the ensuing year at 3 o'clock p. m. on Sunday, Jan. 19, at Gross Park Hall, 2125 Roscoe St. We invite all members of DeSoto Council and their ladies to attend. Mrs. Mabel Schaefer, 4818 Christiana Ave., is the Grand Lady-elect and is the wife of Bill Schaefer, a veteran brother knight of DeSoto. Mrs. Joseph Langenbach, 3809 N. Hamilton Ave., the retiring Grand Lady, will receive a vote of praise and appreciation for her most able and successful administration."

ALEXIAN BROTHERS' FOUNDATION

Some time ago, during the course of its membership drive, the Alexian Brothers' Hospital Foundation, through its membership chairman, Bro. Al Konitzer, extended an invitation to all DeSotoans to attend a membership rally and smoker at the Webster Hotel. Your nibs together with many other DeSotoans attended and was treated very cordially. Bro. Al again informs me that this noted charitable organization is conducting another smoker on Wednesday evening, Jan. 22, at the Webster Hotel, at 8:15 o'clock, and that all members of DeSoto are invited to attend. An entertaining program will be topped with refreshments and lunch without obligation or charge.

FOURTH DEGREE

As you probably are aware, the fourth degree of the Knights of Columbus will be exemplified at the Palmer House on Sunday, Feb. 23. All third degree members in good standing are eligible for membership. Full details and applications can be obtained by contacting Committee Chairman Tom Mulcahy, George Schuster or Inno Weidner.

At our last meeting, Friday, Jan. 10, DeSoto Council, in conjunction with several other north side councils, exemplified the third degree of the order to 57 candidates, 35 of whom were DeSoto members. District Deputy John McCune presided at the degree and our old friend George Howlett was captain of the guards. GK Gene Scanlan is in possession of a K. of C. ring lost at the meeting. The owner may contact Gene for its recovery.

At the opening of the state K. C. bowling tournament at the C.Y.O. alleys this past week, it was announced that DeSoto's Bowling League lead all other Councils with an entry of twenty-eight teams. President Irv. Schultz of the Bowling League is certainly deserving of the highest praise and commendation for this outstanding piece of work.

MARTY HOWE TESTIMONIAL

On Saturday, January 25th, at the Queen of Angeles Guild Hall, a group of Brother Knights from various north side Councils are extending a Testimonal Dinner and Party to Marty Howe, Past Grand Knight of Father O'Connor Council and reputed to be one of the greatest Captains of the Guards in the history of the Order. Marty has been ill for a considerable length of time and the dinner is being extended him to aid and help mitigate his circumstances. Your Grand Knight Gene Scanlan asks that all Brother Knights make an effort to attend this affair.

G. K.'s Bowl in Special Tournament Match

Eight teams of Grand Knights and District Deputies were on hand to participate in the opening ceremonies of the Tenth Annual K. C. Bowling Tournament that got underway Saturday, Jan. 11, at the C. Y. O. alleys here.

One of the largest groups of spectators in the association's history was also on hand to participate in the evening's festivities.

St. Rita Readies Large Delegation for Degree Class at Ridge Tuesday

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

St. Rita Council will join with other South Side Councils next Tuesday night, Jan. 21, in an exemplification of the honors of the First and Second Degrees, at Ridge Clubhouse. P.G.K. Chris Mathis is a member of the capable degree team which will conduct the degrees. Our choir, under the direction of Dr. Sylvester C. Kehl, will furnish the music. All members, who are able to attend, are urged to be on hand at 9 p. m. at Ridge Clubhouse, 8219 S. Halsted St., to witness the ceremonies.

CABARET PARTY

Returns on tickets for the 2034 Club's annual winter cabaret party have already begun to come in, Chairman Chrlie Clarke announced this week. In case you have forgotten the party will be held Saturday, Feb. 1, at Mike Flynn's Hall, 3236 W. 63rd St. The orchestra engaged is one of the best; the amber fluid will flow with abandon, and from what we here, the dancing partners will have Billy Rose's hirelings of Aquacade fame looking for work. Get your party together right now and make reservations for the evening with Chairman Clarke or any member of his committee.

CONDOLENCE

The officers and members of St. Rita Council wish to express their heartfelt sympathies to Bro. Charles Hoffbauer on the death of his father. The officers of our council attended the wake in a body last Tuesday night at 8731 E. Elizabeth St.

FOURTH DEGREE

Have you filled out an application for the Northern District of Illinois' 38th annual exemplification of the Fourth Degree to be held Sunday, Feb. 23, at the Palmer House? If not you should do so immediately if you want to be a member of what Chairman Frank Small predicts will be one of the largest classes from St. Rita's ever to take the degree.

This year's class is dedicated as a testimonial to His Excellency Archbishop Samuel A. Stritch. The ceremonies will be conducted under the direction of Joseph A. McMahon, Master of the Fourth Degree, for the Northern District of Illinois.

THINGUMBOBS

Ed. Shilt joined the list of our "working" blood donors last week by giving a transfusion at Holy Cross Hospital. . . . Bruno Fracassi did the honors in the preparation of that famous Italin dish at the officers meeting last Tuesdy night. . . . Mrs. Harry P. Sullivan is chairman of an initiation to be conducted by St. Rita Circle 113 of the Daughters of Isabelle in our chambers Thursday, Jan. 23. . . . John Vonch almost burned his house down last week when the front door of his home blew open, knocking his cigar out of his mouth, and setting his overcoat on fire.

STRIKES TO "SPARE"

Five teams from the St. Rita Council bowling league bowled in the State K. of C. tournament last Sunday at the C.Y.O. Alleys. Enough said—except the teams were Egan Undertakers, Manor Radios, California Tavern, Stoellers Grocey, and Sullivan Morticians.

With the league schedule past the half-mile post Manor Radio, (how we don't know), is in first place with 28 wins and 17 losses. Other standings are:

Team	W.	L.	Team	W.	L.
Doctors	28	20	Fleming's	24	24
Cal. Tavern	26	21	Bernoski's	22	23
Sullivan's	26	22	Marq. Motors	22	26
Stoeller's	26	22	Egan's	21	27
Reiner's	25	23	Laufs'	19	29
Tourist's	25	23	Kelly-Flynn	17	31
Reids	24	24			

Individual standings: (Aver.) Lehner, 189.42; Gaynor, 189.28; Kehl, 188.38; Kiaurakis, 185.30; Sommers, 185.22.

Bond Clothes Hit New Peaks in Popularity

Foremost among the business institutions which are expected to carry retail Chicago to new heights in 1941 is the Bond chain of clothing stores. Closing one of the biggest years (1940) in their history, this live, up-and-coming organization looks forward to even better business and more sales in 1941.

GROWING WITH CHICAGO

Only five years ago there were but two Bond stores in all Chicago. Today there are five, two in the Loop and three in the outskirts, and the name of Bond has become a byword in apparel for men of all ages throughout the entire middle west trading area. Three of the five Chicago stores have been enlarged in the last two years to include hats, other furnishing goods, and shoes, thus practically doubling their former capacity. Student clothing also has been added, which has made a tremendous hit with Chicago's high school and college personnel. To the New York group has been added a new main store which is the talk of the year both in and out of clothing circles, while other Bond stores all over the country, totaling 61 for the current year, are also showing consistent growth and expansion.

WHYS AND WHEREFORES

The reasons for this almost phenomenal progress and optimistic outlook are basically simple. Since their very inception Bond stores have adhered to a rigid policy of featuring STYLE, SERVICE, and SAVINGS in men's finer wearing apparel. But equally important are the various payment plans which permit men of every income from college students up to enjoy these advantages. At Bond's you have your choice, naturally, of purchasing for cash, purchasing on a 30 day charge account—or a special 30-60-90 day account, or on the famous "Ten Pay" plan. Prices remain the same regardless of which plan you select and in no plan are there additional carrying charges. All Bond clothing is made in Bond's own factories to strict specifications of quality and style and the man who buys at Bond's is assured of satisfaction from every standpoint. Despite unusually low price ranges day in and day out Bond's feature periodical sales have become much awaited for events in every city where Bond is represented. Typical of these vast savings events on seasonable merchandise is the overcoat and shirt sale listed below where men from all walks of life can stock up on last minute styles at prices that permit them to buy two or three times as much as ordinarily.

VOLUME MEANS VALUE

Tho value has been the watchward from scratch, the constantly increasing volume of Bond stores country-wide means a constantly bigger return in savings and quality to Bond customers. Whether you buy at sale time or not you are certain to get dollar for dollar value that is second to none. Despite the difficulties of keeping replacement costs down, Bond prices will remain at low basic levels and the Chicago management looks forward to a new record year in the sale of men's clothing and furnishings.

Illinois Invites All Members and Friends to Party Next Monday

1-3 Mon. . . . . .64 E. Lake St.

The big story at the moment is the charity card game which will be held next Monday at our regular meeting place, the beautiful quarters at 64 East Lake street, in the DePaul building; not much needs to be said. We will be judged by the kind and character of the affair and we are hopeful that it will be a sell-out. Seriously you had better come early so that proper seating facilities may be available.

In reporting the honorary degree given at our last meeting we forgot to mention the part taken by P.G.K. Joseph Geilen, who spoke in behalf of the Council to the honorary members, and as is his custom acquitted himself in a very capable manner.

R. I. P.

It is with regret that we report the sudden passing of our late Bro. George Colby, who joined the Council at the dawn of the 20th Century, and in spite of his many duties gave it a fair degree of attention—a man of the very highest character. He was in service with the United States Government in the capacity of superintendent of mails; at the time of his retirement he was an authority on such matters.

At one time he served as Deputy Grand Knight of Illinois Council. His good wife preceded him in death by three years. The council attended the wake and your Grand Knight and Bro. Phillip J. Foley attended the funeral services which were from Blessed Sacrament Church Tuesday morning. To his seven surviving sons the Council extends its sympathy. May his soul rest in peace.

COUNCIL ITEMS

It is with pleasure that we note the fact that Bro. Harry Dean was recognized as being one of the outstanding poets of America. He was one of 300 whose contributions appeared in "Poets of America" edited by Margaret Nelson, Avon House Publishers, New York, $4.00 per copy.

Now, brothers, we are having a very, very short business meeting Monday evening. Play will start promptly at 8:30 p. m. Come down with your friends.

Professor Ernest Weekley of Richmond, England, nominates a Liverpool lady as being the possessor of the oddest collection of Christian names. Professor Weekley says her surname is Pepper and that she was christened alphabetically: Anna, Bertha, Cecelia, Diana, Emily, Fanny, Gertrude, Hypatia, Inez, Jane, Kate, Louise, Maud, Nora, Ophelia, Patricia, Quince, Rebecca, Starkey, Teresa, Ulysses, Venus, Winifred, Xenophon, Yetty, Zeno.

DEARBORN CANDIDATES TAKE DEGREES TUESDAY

1-3 Thurs. . . . . 820 Garfield Blvd.

Dearbonites Attention! Next Tuesday evening, Jan. 21st, the First and Second Degrees will be exemplified under the sponsorship of Quigley Council at Quigley Clubhouse. This means that all of your prospects must be properly enrolled prior thereto. It also means that your candidates in these degrees will be in readiness for the John Richert Third Degree Class, which degree will be exemplified on Sunday, Jan. 26th, under the sponsorship of all Councils in our unit at Leo Clubhouse.

No sense in beating around the bush, we do want the largest group of candidates at these degrees. It is to our own interest, then, to contact our applicants and we have them on hand for the First and Second Degrees at Quigley preparatory for the Richert Third Degree. Of course, need we remind you, that it is extremely necessary that they be at Leo on Jan. 26th.

This membership drive is no small matter, brothers, and cannot succeed without the fullest co-operation from each one of us. We are all agreed that we want Dearborn to lead the field. This is only possible if each of us will work day and night in garnering new men.

ANNUAL DANCE

Dearborn's annual pre-Lenten Party Dance, as you probably guessed by this time, will be held on Feb. 15th at Stock Yard Inn, 41st and Halsted St. The price of admission (and well worth it) is merely $1.00. The brothers in charge of this affair are: P.G.K. DuMais, chairman and Bro. John Downes, Joe Nix, Steve Huff, Tom Linklater and Oscar Heilmann, Co-chairman. The reservations chairman is Mike Mercury and Ticket Chairman, Dave Kerwin.

Tickets are distributed at each council meeting and at entertainment meetings held each Tuesday night until the dance at 5818 South Peoria. (Thanks to Chas. Gray and Mrs. Vogt.) This is a change from previous announcement. However, if some of you are unable to attend these meetings because of an extra-ordinary excuse, contact Bob DuMais, Vic. 8780; John Downes, Bev. 7475; Joe Nix, Ste. 2692; Mike Mercury, Fai. 3797; G. K. Devereaux, Hay. 3891; Lecturer Ivers, Bou. 9559 or Dave Kerwin, Har. 1250 and Bou. 2070. For reservations call Mike Mercury and call him soon for the best ones, at Fai. 3797.

Thus the general plans are in your lap. It's up to each brother to co-operate so as to insure success. This can be accomplished by acquiring tickets now, making prompt returns, arranging parties, calling Bro. Mercury for reservations, attending the meetings each Tuesday at 5818 South Peoria and talking and selling Dearborn's dance to your host of friends.

S O S

The orchids this week belong to John Bernard Kelly, alias Baldy Kelly, who provided the story of the year by his daring rescue of two youngsters from the Ogden Park Lagoon. It seems that they were trying out new sleds on the ice and broke through. Bro. Kelly jumped in and saved them. Congratulations, John, for your prompt thought and action.

Hildebrand Begins New Year in Drive for More Members

1-3 Thurs. . . . . 5711 W. Chicago Ave.

The good ship Hildebrand has been launched on the 1941 program and Grand Knight H. J. Leddy is certain that our aims and objectives will be realized . . . Undaunted by some past small disappointments, our worthy G. K. is determined to put across the many constructive programs now being advanced by the Order . . . Incidentally, his first thought is that the meetings will be started promptly and these sessions will be interesting and instructive . . . His second major objective is the increase in membership, which is inevitable because of inroads made by lapsations and the angel of death during the past year . . . Recouping our temporary losses is an easy task when we consider the simple fact that each one doing his bit will more than offset it . . . Next meeting Thursday, February 6th . . . George and Mrs. Brewer have joined the exalted ranks of grandparents by the arrival of a baby boy at their son's home last week . . . Congratulations to them and son Ray and wife . . . The major bowlers competed in the State Tournament play last Sunday evening . . . With a galaxy of beautiful women on hand to cheer them on, and an enthusiastic audience of members, no high scores were registered . . . But they never ceased trying and perhaps the good fellowship prizes might gleam upon some of them . . . Last Tuesday evening at the Council League, the O'Hara Undertakers captured the entire series from the J. P. Ryans, while the O. J. Dean Steel were having a difficult time to take the rubber game from the Modern Cafe.

St. James Filled Its Clubrooms at Meeting for Henry Woodmaster

2-4 Mon. . . . . 64th and University

Every chair was filled at Monday's meeting of the Council to do honor to Henry Woodmaster. The chairmen of the evening, Bros. Strobel and Burke, presented a fine program of entertainment and refreshments. Bro. John Hand acted as master of ceremonies and presented the guests.

Principal guests were the president of the Belt Railroad and the Chicago-Western Indiana, Michael F. Stokes, and also the superintendent of these railroads, Charles Poole. They were the main speakers of the evening and the members of the council enjoyed their presence immensely. Likewise, Bro. Herbert J. Deany of Calumet Council and of the legal department of the Illinois Central Railroad, and our worthy District Deputy Pat Noonan, were special guests.

A fine suede jacket was presented Bro. Woodmaster by Tom Groark, who told us of Henry's golfing abilities. Through the efforts of the Fourth Degree Club, St. James desires to thank them for the splendid cooperation and fine performance of the evening's activities. Refreshments were served in true fraternal spirit and everyone was happy to enjoy this occasion which marked the special tribute to our Brother Knight, Henry Woodmaster.

Other visitors were Bro. Walter J. Snook, of Commodore Barry; Bro. Joe McGreal of Leo; Bros. Paul Sink, Joe Gallagher, Ray Earhart, Capt. Gilmore, John Shannon, Mike Murphy, Jr., John Sullivan, Rus James, Frank Demaris, J. McGiness, Bro. Kosback and others from Calumet Council. Bro. Hand must be commended on the fine job as master of ceremony.

SICK

Bro. Frank Donoghue is in a very serious condition at Queen of Angels Hospital. Also Bro. John Flavin has been ill for seven weeks at Mercy Hospital. Any member who can should pay them a visit.

FOURTH DEGREE MEETING

The next meeting will be held at the Hayes Hotel Clubrooms on Monday evening, January 20th. Plans for the Fourth Degree banquet will be discussed. Henry Steffens has been selected as chairman of the day. Tables are now being reserved and you may contact Bro. Dr. J. C. Strobel on this at 6315 South Halsted street. Officers of the council are expected to attend also.

Bro. John Greene reports that the Blood Donors Group is coming along in fine shape. Also that all books are to be turned in to him by January 23rd or phone him at Triangle 6690. The next meeting is January 27th at the Hayes Hotel at 8:30 p. m. Next Monday evening a brief officers' meeting will be held at the Hayes Hotel, to discuss our important activities.

NAZARETH CONTINUES TO HOLD FINE MEETINGS

2-4 Tues. . . . . 17 W. Harris St.

As stated before so many times in this column Nazareth meetings are really things worth attending. No more long drawn out discussions or long winded oratory. This business of the meeting is brought up in the proper order, discussed snappily and then disposed of so as to pass on to the entertainment of the evening. At our meeting last Tuesday the entertainment was a movie news reel, followed by a comedy and then the showing of a broadcast of Fred Waring's Orchestra program. Those of you who have not been attending meetings regularly are missing something.

Lecturer Robinson has promised interesting doings for future meetings. For example, he has lined up a battle of forensics. To you who cannot assimilate those two-bit words it is a debate. The negative side will be captained by that master of billingsgate D.G.K. Francis with an able supporting cast. The affirmative forces will be led by none other than your more or less worthy scribe. He will be ably assisted by the great "Balbo" Tenuta, Il Duce himself, commonly known as the lawyer of the railroad yards. The momentous issue is to be decided at the meeting of Feb. 11th. You like Chili? You do. O. K., then be on hand at the next meeting at which time the Lecturer promises a chili supper with the proper cooling refreshments to wash it down. This will be the meeting of Jan. 28th.

We have heard from time to time, rumors to the effect that Brother Dignan, now a resident of the state of Florida, had in a weak moment promised to send a case of Florida oranges up this way for the enjoyment of the boys. Right here and now we call that promise. How about it, Dignan? Haven't we waited long enough?

CATHOLIC ACTION

In the line of Chatolic Action we bring to your attention two items. First comes the annual council retreat. This year it is to be held on the weekend commencing Saturday, Mar. 15th. Maybe this is a long way off, but remember tempus does fugit and before you realize it the day will be here so make your plans now.

Another movement in this line is placing Catholic literature in the hands of someone who might need it. For instance those unfortunates in our various institutions. If you have any Catholic literature that you have read and which might be lying around the house get in touch with Ed Bessler who will see that good use is made of it.

We understand Mrs. Krawulski, wife of Walter Krawulski of Westmont, has been sick. Hope it is nothing serious. By the way we haven't seen Walter at a meeting for some time. How about it, Walt?

Everybody please note. Some time back we organized a blood donors' group. It is now proposed to purchase blood donor emblems for each of these men at a total cost of six dollars. This cannot be done without a vote of the membership. This vote will be taken at the next meeting. Be on hand to express your desires.

The state bowling tournament is under way. We have eight teams of five men each entered. The Kartje Bakers, the Palen Drugs, the Peabodys, a major team, the Tivoli Candy's, The Mahrs, the Watkins, and team number eight. Quite a creditable showing. These teams are to bowl Feb. 2nd, at 4:15 p. m. In addition we have six doubles teams which which will bowl Jan. 19 at 7 p. m. We also have eleven men in the singles events. Good luck to each of you.

Englewood's Fourth Degree Club to Hold Party Saturday Night

2-4 Mon. . . . . 150 W. 69th St.

The "Three-To-Four Club" of Englewood Council will open the social activities of the Council for 1941 by staging their Second Annual Cabaret Party and Dance in the Blue Room of the Southmoor Hotel, 67th St. and Stony Island Ave., Saturday evening, Jan. 18, at 8:30 p. m.

Admission to this affair is only $1.00 per person and this includes admission, refreshments, entertainment and dancing for the entire evening. The scintillating rhythms of Harry Wicks Orchestra will accompany those who desire to trip the light fantastic. Tables will be available for all who attend.

It is not yet too late to make up your mind to attend. If you already have your tickets, well and good, use them. If not, just come up anyway and you can purchase tickets for you and your entire party at the door. The slogan of the "Three-To-Four Club" is "A good time or your money back" and we have yet to refund a single penny. A very enjoyable evening is assured all who attend.

I almost was going to close this little announcement without saying a word about the entertainment. Those who attended the first affair need only to hear that it will surpass the entertainment they witnessed on that evening, and they will feel satisfied. To those who are attending their first affair of the "Three-To-Four Club" we need only say, "As the man who saw the first one" and he will be given the assurance that he need not worry about seeing one of the best floor shows ever presented at one of Englewood's affairs. The show goes on promptly at 11 p. m.

E—VERY

so often we have been urging the members of the Council to join the Blood Donors Group, but it seems to be like talking to a brick wall.

The response to this charitable and humanitarian project has been really terrific. Yes, immensely terrific. In fact, we have exactly TWELVE members in this group who have been properly typed and registered.

If it were necessary to post a high fee for registration to this group there might be reason for such a small quota for members enlisting, but this is one group where the entry fee for membership is absolutely FREE. All that is necessary is to visit St. Bernard's Hospital at 63rd St. and Harvard Ave. and ask for Sister Loughlin, who will see that you are properly typed in three minutes!

Chairman Jack Cullian has worked hard and diligently to get this project started in Englewood Council and deserves your wholehearted support and co-operation.

Suffice it to say that already FOUR transfusions have been given by the TWELVE members of the Englewood Council's Blood Donors Group. Who knows but that these four transfusions were responsible for saving four lives. Even if only ONE life were saved would it not be worth the little effort expended?

E—NGLE WOOD-CHIPS

Anyone of the following three would have been $7.50 richer if they had attended the last meeting . . . their names were drawn from Old "Lucky Buck Barrel" by 324 President Charles J. O'Brien, in the presence of Lecturer Joseph Smith . . . 1st: Louis Sink, 220 W. 61st Pl.; 2nd: Anthony Wiemeler, 1712 W. 89th St.; 3rd: J. M. Hart, 8731 S. Carpenter St. . . . A special drawing of $2.50 for the members in attendance was won by P.G.K. and Fin. Sec'y Charles H. Huguelet, Sr. . . . who said that Ed Conley was the only lucky guy in the council . . . that makes No. 3 for Charley . . . Don't forget . . . TEN BUCKS at the next meeting . . . If you are in the neighborhood of 6730 S. Wabash Ave. drop in and see our Worthy Treasurer Adolph Minster . . . he would really appreciate the few minutes you would spend with him . . . We have made entries for two teams in the State Tournament . . . All those interested call Charley Huguelet . . . It was nice to see P. J. O'Connor with us again at the last meeting . . . and it was also gratifying to hear him stress the value of activities within the council . . . especially in the athletic line for the younger members . . . This is what we need and we hope that P. J. keeps after it so we can get this started again . . . athletic Chairman Joseph Hannapel is another member who is greatly enthused about reviving this athletic competition . . . That's all for this week . . . See you at the Southmoor Hotel tomorrow night.

K. C. Huts Are Popular with Canadian Soldiers

Ottawa, Can.—"All Soldiers Welcome—K. of C. Canadian Army Hut—Everybody Welcome!"

This sign or a variation carrying the same joyous greeting is to be found across Canada or in England in 46 military centers.

Veterans of the first great war have spread the fame of these recreational and restful centers, and there is not a man in the Canadian Army but knows that he is welcome there, be he white or black, Catholic, Protestant or Jew, or whatever be his tongue.

There are at present 32 Huts in Canada and overseas for the Canadian Active Service Force, including eight in the permanent military camps in the Dominion besides Huts in the larger urban centers such as Halifax, Quebec, Montreal, Ottawa, Toronto, Winnipeg and Vancouver.

In addition to these 32 Huts the Knights of Columbus have 14 of the total 39 Huts in the Non-Permanent Militia camps, where obligatory part-time training is carried out. Of these Huts eight are in Quebec, four in Ontario, one in New Brunswick and one in Saskatchewan.

As the war progresses the Huts are steadily being increased in number. They are a rendezvous for thousands of soldiers each day.

Hand-picked, trained personnel, many of them figures prominent in various parts of Canada, are in charge of these Huts. There are 14 men in England working under the direct supervision of Lieut. Col. Dr. Claude Brown of London, Ont., Canadian Supreme Director of the Knights of Columbus.

The K. of C. supplies writing paper, cigarettes and athletic equipment free of charge for the troops overseas. Just one of many items, 150,000 cigarettes are sent overseas each month. To date more than 1,000,000 cigarettes have been distributed without cost in England.

PLAN TO FOUND BOYS TOWN IN ALASKA IS REVEALED

Boys Town, Nebr.—The Rev. Bernard R. Hubbard, S. J., famous "Glacier Priest," on a visit to Monsignor E. J. Flanagan's boys' home here, revealed that this widely known institution may serve as a model for an Alaskan Boys Town, which Father Hubbard wishes to establish.

Father Hubbard said that Monsignor Flanagan's work is well known in Alaska. The noted priest-scientist went to Boys Town from Omaha, where he was sojourning in connection with the showing of his film, "Oomiak Adventures in Arctic Alaska."

Win McMahon Trophy in All-Star Event

The boys from downstate, representing the Tri-County Major League, a combination of Councils from Morris, Ottawa, Joliet, Streator, Seneca, Pontiac and Dwight, visited Chicago for the first time in quest of bowling laurels last weekend at the State K. of C. tourney and humbled the best that the Chicago Major Divisions had to offer.

Pictured above are the members of the winning squad as they received their booty from Joseph A. McMahon, Master of the Fourth Degree. From left to right the victors are: Micke Malloy, Wm. O'Brien, James Riccolo, John Steichen and Lou Vargo. Clem Steichen, President of the Tri-County League, is shown kneeling.

Master Joseph McMahon sponsors the annual All-Star Match between the local major teams from all sections of the city. This year because the South Division was not organized, the officers of the Illinois K. of C. Bowling Assn., who supervise the match, invited the Tri-County League to participate as they are the only league outside Chicago that is made up of four or more councils.

Their winning total of 2953 is ample proof of their ability to represent any league or section. The match was hotly contested and the winner's last game of 1027 decided the contest.

Wm. O'Brien was the top man for the winners with 627, Lou Vargo 614, Joe Ricollo 602.

Joe Sinke was high man for the West Division aggregation with 643. Ray Gleason led the North Division with 640, Marsh Matz 620.

At the conclusion of the match, Master of the Fourth Degree Joseph A. McMahon presented five beautiful trophy clocks, suitably engraved, to the winners. After the usual congratulatoins, Master McMahon paid high tribute to the officers of the State Assn., complimenting them on the present record-breaking tournament and predicted greater successes in the years to come for this major activity of the Order.

Scores of the All-Star Match were:

BARRY BOWLING LEAGUE

We must see that all Barry boosters are present at C.Y.O. bowling alleys, Wabash Ave. and Congress St., Sunday, Jan. 19th, at 2 p. m. At this time the Barry squad will take the alleys in the five-men event, so be there to give the boys a big send off.

The contest for that grand pair of shoes donated by S. M. Peters, manager of the W. L. Douglas Shoe Store, located at 4002 W. Madison St., started on Jan. 16th, and will continue for four weeks. Every man in the league has the same chance, due to the handicap basis. If you want to sport a nice new pair of shoes for Easter, pick up all those hard spares and hang up a string of strikes and maybe this grand prize may be resting on your feet. "Who can tell."

Barney Fornero says he is going to donate $1.00 in trade as prize for highest score of the week, and since a lot of the boys were well taken care of by Barney last year, we want to thank him for his kind offer. Barney's barber shop is located at 3943 W. Madison St.

Ahern Mortocians won two from T.W.A. Air Lines with Geo. Rose getting high for Aherans with 185 and Mort Flynn getting high for Skyriders with 198. Sheehan Chili's made a clean sweep of their series with DeMares Coals with Al. O'Malley getting a 556 series with 209 high game. Newlywed southpaw Lou Racine had high score for De Mares with 198.

Faucher Brothers won two from Uinted Air Lines. Ed. Kurtz had high for United Air Lines with 179 and John Tamburrino was high for Faucher with scores of 180, 185 and 189.

Jack Grisim's, Mid-West Auto Service, kept their two game lead in the league by taking two from Senator Keanes, with John Foley getting high with 198 and Captain Frank Kucera getting high for Keanes with 208. UNDER THE WIRE

The date—January 25, 1941—is very important. Please bear it in mind. On that night one of the real friends of Barry Council, P.G.K. Martin Hough of Father O'Connor Council, will be honored at Queen of Angels' Hall, 4412 N. Western Ave. Brother Hough was a member of the famous degree team, with our late P.G.K. Charles L. Chambers, many years ago. Marty spent many a day with the great ball players whose names in Barry are legend.

All members of Barry and their friends are invited to attend the Hough testimonial entertainment and dance, Saturday night, Jan. 25th. Tickets may be purchased at the clubhouse, or from Grand Knight Jim Curran at the next meeting.

Brother Arch McGowan Sr., is now working at the new munitions plant in Elwood, Illinois. Arch has been one of the faithful members to all council activities and his reporting on the west side bowling league was superb. Congratulations to Arch, and good luck on his new appointment.

Father J. J. Hines of Mohall, North Dakota, and brothe-in-law of Brother Joe Crowley, will visit at Barry Council at the regular meeting next Tuesday night, also the friends of Father Hines are holding a card party and bunco, Wednesday evening, Jan. 22, 1941, at St. Philomena's Parish hall, Cortland and Kedvale Ave. All Barry members and their friends are invited.

Captain Tom Duffy was a visitor at the clubhouse last week, likewise Brother Jim O'Connor both have been away too long.

Brother Ed Faucher's son, Ed, is in County hospital recovering from an operation on a knee injury, sustained last fall while playing football. Brother Angelo Cozzola is in Sacred Heart sanitarium, Milwaukee.

Congratulations to Brother and Mrs. John Callaghan on the birth of a baby girl recently.

Marquette Sends Best Wishes to Their First New Arrival of 1941

1-3 Thurs. . . . . 1928 Devon Ave.

The stork's first trip this year to a Marquette member was at the home of Jerry Heiman. Yes, the former Virginia Horn and Bro. Jerry Heiman were blessed on January 6th (little Christmas day) with the arrival of little Carol Ann, their first born. The little girl weighed 6 pounds and 4 ounces. Mother and baby are doing well, and Marquette Council offers congratulations to this happy couple.

Our council would like to have several more of its members in the Fourth Degree class. This degree will be exemplified on February 23rd at the Palmer House, and is open to brothers who have been a Third Degree member for at least two years. If you wish to take this high degree, please contact Bro. Joseph H. Meyer, who is chairman of the Fourth Degree for Marquette Council.

Watch for your copy of January Columbia and read "Democracy," by Wilfred Parsons, S.J.; "Color Goes to Mass," by James J. Farrell; "High Class Swabs," tops in navy stories, by Pat O'Neill. Bros. Walter Pettis and Tom Murray read this navy story and they now will be telling you how to win the war.

NEWS

At the Holy Name election of St. Timothy's Parish, held last week, three Marquette members were elected to office, namely: President, Patrick J. O'Donnell; first vice-president, Jas. J. Buckley, and second vice president, John D. Hanley.

Now is the time to bring in applications for new members. Won't you please cooperate with G. K. Hesse, and do your part by sponsoring some good Catholic to joint Marquette Council?

CARROLL LAUDS WORK OF FINE DEGREE TEAM

Jan. 21 . . . . . 6 No. Hamlin Ave.

Last Tuesday evening Charles Carroll Council exemplified the First and Second Degrees of the Knights of Columbus, attended by candidates from the seven councils of the West Divison No. 2. Despite the holiday distractions, a fine sectional class of initiates were represented.

Carroll's "famed" degree team which has for many years assisted in the workings of degree teams throughout the Cook County jurisdictions, presented the teachings of the degrees with the same capability and splendor and in record time. It was composed of the following well-known Knights of Columbus leaders: Grand Knight James J. Crosby as Deputy Grand Knight; Deputy Grand Knight Robert J. O'Day, Chancellor; Past Grand Knight Joseph V. Lang, Grand Knight; Past Grand Knight Edward Murphy, Past Grand Knight Daniel J. O'Connell, Warden Joseph J. Bradley, and Financial Secretary Michael P. Martin.

PILLARS OF KNIGHTHOOD

A "pillar" as defined in the dictionary is that which is a chief support of something, as a monumental shaft. True enough, the following Knights are worthy of this title, for without them Carroll Council could never have grown to such a great strength. A few of the Carrollites who might be classed in this category include Past Grand Knight P. J. Murphy, a charter member, state delegate for many years, philanthropist, and a shining example of "true knighthood"; Trustee James J. Walsh, Past Grand Knight, Trustee for many years, member of past degree teams, and an outstanding leader in Knights of Columbus circles.

Trustee Joseph V. Lang, Past Grand Knight, popular degree officer, and an active member of all council affairs; Trustee Daniel J. O'Connell, Past Grand Knight, well-informed advisor of council activities, and a leader of distinction; Recorder George F. Rauh, a man who needs no introduction to the membership, for as "the man of the minute" he holds his council office in trust, devoted to his duties as he is beloved by his family—no one could possibly step in his footsteps without giving up all of one's leisure time besides devoting full-time to the job; fortunate it is that we have an asset like George. May God bless and keep him in health.

District Deputy John F. McNamara. Past Grand Knight for five consecutive years, popular leader in Knights of Columbus activities not only in Chicago but in Cook County and Illinois jurisdictions; has given generously of his time and effort toward building up a council that ranks second to none; Warden Joseph J. Bradley, well-known for the capable handling of his office, an athlete, and sponsor of every affair of the council.

Financial Secretary Michael P. Martin, Sir Knight of the Fourth Degree, carries enthusiastic support of his council and executes the duties of his office with grandeur and efficiency; Deputy Grand Knight Robert J. O'Day, better known as "Bob," was instrumental in organizing a blood donor group for the council, popular degree officer, and an active committee worker; Chancellor Edward Joseph Whelan as past council scribe, "Joe" has literally enjoyed the friendship of every member of the council; as present Membership Chairman, our quota has swung into the upward march and as Barbecue Committee head he has made Carroll Council proud of his leadership.

Grand Knight James J. Crosby, "genial Jim" as all know him, has kept the interest of the individual member an important factor in his leadership of our council; a leading figure in K. of C. activities throughout the county and outstanding degree officer, he has many times been solicited by other councils to act in degree work. As a future Sir Knight of the Fourth Degree, he will lead a large delegation of our membership through the ceremonials on Sunday, February 23.

From time to time other members of Carroll Council will be publicized for their achievements in this column of The Columbian. At the next regular meeting, January 21, make it a point, you new members (and old as well) to get acquainted (if you are not already) with your brothers and enjoy the friendship they have to offer you.

Sheil, auxiliary bishop of Chicago, a member of Carroll Council, rolling the first ball, the tenth annual Knights of Columbus State Bowling Tournament opened at the CYO Recreational Center, Congress street and Wabash avenue, at 8:30 o'clock Saturday evening. Four hundred five-man teams, 450 doubles and 900 singles have been mobilized for the attack on the "maples" which will be continued for five weeks, closing February 9. Carroll's singles and doubles will enter the match on Sunday, January 26, at 12 noon and the five-man teams will roll off on Saturday, February 8, at 7:15 o'clock in the evening.

CARROLLITES

Hal Neibergall came up to the bowling alley all "plastered" last Friday evening. He has been suffering from an attack of lumbago. . . . Jim Sullivan, a nephew of G. K. J. J. Crosby, was joined in holy matrimony to Miss Loretta Madde on Saturday afternoon, January 11, at Saint Francis of Rome church. . . . Another one of your scribe's predictions comes true with the arrival of a baby boy, Thomas Joseph, to Mr. and Mrs. Dan Loftus, Saturday, January 4, weighing 7 pounds and 6 ounces. Congratulations to the mother and father and may their happiness strengthen with the growth of this lovely child.

Quigley Will Receive Communion Sun. at St. George's Church

1-3 Tues. . . . . 1035 W. 31st St.

Quigley Council will repair to St. George's church, 33rd St. and Lituanica Ave., this coming Sunday, Jan. 19th, and receive the Blessed Sacrament. All members are requested to convene at Quigley clubhouse at eight o'clock Sunday morning from where the entire body will be escorted by the Quadrangle club to the nine o'clock Mass at St. George. Be sure to wear your member badge and sign the card mailed to you and return to the warden at the church.

Immediately following Mass and Communion, the Quigley contingent will proceed to St. George's auditorium where breakfast will be served, followed by an interesting program. A technician will also be present to type any member who wishes to join Quigley's Blood Donor Group.

The Communion date coincided with the First and Second Degree Exemplication to be held on Jan. 21st in honor of Msgr. Krusas, pastor of St. George's church. To appropriately honor a churchman of Msgr. Krusas' distinction, a large turnout for the quarterly Communion and sizable class on the 21st is urged.

You still have a few days left to get your candidate's application to Fin. Sec'y John J. Jankowski. If an insurance applicant, the Fin. Sec'y will only be too glad to explain every detail. Time quickly passes so see him at once.

SUNDAY NITE

Sunday nite, Jan. 19th, at 7 p. m., the singles and doubles representing Quigley Council, will swing into action in the State K. of C. bowling tournament at the C.Y.O. alleys, 31 E. Congress St. A large crowd of Quigleyites are expected to be on hand to cheer our bowlers on to greater heights. Our group will bowl on the fourth floor and are scheduled as follows: Alley 36, W. Brown and R. Buckley; Alley 37, H. Buckley and B. Dalton; Alley 38, J. Janecko and A. Berny; Alley 39, K. Knasiak and A. Mlyner.

Other schedules of later bowlers representing Quigley Council will follow in coming issues.

The Home Bowling League continues to swing and sway. The Finucane Boosters posted a 1019 game last Thursday, while the Jeff's "32" Club had two bowlers bowling 100 and 101 respectively in their opening game.

The Quadrangle Club, Finucane Boosters, Jeff's "32" Club and the Dr. Prominski Boosters each won two respectively from the Dr. Pierbzynski Boosters, Smidowicz Bakery, Bridgeport Realty and the Pomierski Morticians. Hughes Prepares for Large Degree Class Next Tues.

1-3 Tues. . . . 4711 W. Madison St.

Exemplification of First and Second Degrees will be held at next Tuesday's meeting, January 21. Hughes Council is host to the group of councils making up West Division No. 1 in the current membership campaign. All eligibles can receive these two degrees and we can promise you most impressive ceremonies. G. K. Dr. Louis Postilion and the other officers urge the members to attend.

You have been reading of plans for making the coming Fourth Degree Exemplification of the La Salle Assembly one of the best and largest of recent years. Master Joseph McMahon is perfecting every detail to assure the success of the ceremonies, and the various members of the councils in this jurisdiction can help by signing up members for the Fourth Degree. Sir Knights should impress on eligible Third Degree K. of Cs. the fine privilege of this advancement in knighthood and explain that the Patriotic Degree of the Order is something that should be enjoyed by every Third Degree member.

Sir Knight Charles Votava, Sr., is chairman of the Fourth Degree committee, and he will be glad to see that necessary applications and all particulars are furnished those interested. In addition, Fourth Degree members who intend to be at the exemplification and attend the banquet in the evening should make reservations through Chairman Votava.

COUNCIL DANCE FEBRUARY 15

When the Council Dance for Saturday, February 15, was announced some months ago, it seemed a long time off, but now it's less than a month away and there are still some things to be be done. Principal, of course, is to dispose of tickets to friends, relatives, etc., the people you want to have enjoy this evening with Hughes Council.

D. G. K. George N. Daly, general chairman of the Dance Committee, announced: "The main ballroom in the Madison Athletic Club, 4715 W. Madison St., has been reserved for Hughes Council's Pre-Lenten Dancing Party on Saturday evening, February 15, and every appointment in this fine ballroom will be exactly right that evening. The music? Well, if Guy Lombardo hadn't originated that "Sweetest Music this side of Heaven" phrase, we'd tell you that the orchestra will be tops and there will be melodies of every tempo for everybody to enjoy.

"We also want to put the dance ad program over in a big way. Bro. John F. Korbel, chairman of that committee, has been doing a swell job, but let's give John some help and make this Ad Program not only a business directory of the members of our council, but a who's who for the entire West Side of Chicago."

BOWLING NOTES

With the proper fanfare, the Illinois K. of C. State Bowling Tournament got under way last week. Hughes Council will be defending the championship won last year by P. G. K. John H. McKeown's "McKeown Cartage Co." team. The night reserved for Hughes is Saturday, February 1, and if you haven't already received full particulars from your team captain, get the dope this week. The seating arrangements for spectators at the CYO alleys, Congress at Wabash, are excellent, so all the boys, whether you're bowling or not, and all the girls, too, are invited down on February 1.

Hughes Council will have a large representation going to Indianapolis, Ind., for the National K. of C. Bowling Tournament. P. G. K. Elmer J. O'Brien is to be congratulated upon his selection of date, for according to latest word Hughes Council and one or two other West Side units will go to Indianapolis the last week-end of the tournament. The bowling trip to the National is always a most enjoyable affair, with the social aspects not neglected, so make your plans now.

COUNCIL NEWS

Congratulations to Bro. and Mrs. Bernard (Mickey) Dailey upon the birth of a fine young son. A seven-pound plus baby boy came on Monday, January 6, and mother and baby are reported to be doing excellently. Dorothy was confined to St. Ann's hospital, but by the time this sees print will be home again with her lovely baby.

Dame Rumor has spread the story that Bro. George Daly, Jr., and lovely Miss Helen Butler are altar bound. The nuptials are scheduled for the latter part of April, we understand.

COUNCIL BOWLING LEAGUE

It was no idle prediction when a tough fight was forecast for the championship in the Council League, because right now no less than half-a-dozen teams are engaged in an all-out battle for first place. With about half the season gone, the Howell Restaurant team, which had been in first place since the very first night, was forced to relinquish that lofty position when the Ward Builder Blues took all three games from the leaders last Friday. That brought the record of the youthful Blues to fifteen victories out of the last eighteen games, and sent them soaring out of the cellar. Tom McGivney got a 210 final game, but the Blues actually had little trouble with the Howells, who were missing Ed (Midge) Gorman and Capt. John (Shadow) McDonald.

The Malone & Clancy Undertakers went into undisputed possession of first by whipping Flaherty Tavern all three games, Bob Tipman and Frank Keough leading the M & C assault on the pins, while Red Flaherty tried to stem the tide. Votavas, deadlocked with Howell for second place now, took it on the chin in all three from the McKeown Cartage Team, and the McKeowns insist they are just warming up for the defense of their State Championship. Bob Monahan sparked the McKeowns, while Bannon was high for the Votava Auto-Fixers.

The Lauterbach Coals had a chance to pick up some ground, but succeeded in winning only one game from the Ald. Richard M. Walsh 36th Ward Boosters. Jerry Wall, Hamilton and Doc Ganey paced the Ald. Walsh attack, while Erve Lauterbach had a big series for his team. The Peter M. Kelly Morticians swept their series with Douglas Coal, W. Ray and A. Kreutzer getting the pins, while Jennings took care of the conversation end. Al Korbel led the Douglas team.

The Ward Builder Golds showed a flash of their true form in winning the entire series from last year's champs, Toomey Tavern. George Daly, Sr., had a big series, topped by a 244 game, and Ed Hustoles was nearest George's pace. John Fahey rolled well for the Toomeys.

Look at this lineup of won and lost for the top teams: Malone & Clancy, 32W-22L; Howell Restaurant, 31W-23L; Votava Auto-Fixers, 31W-23L; Lauterbach Coal Co., 30W-24L; McKeown Cartage, 27W-24L; and the others are bunched behind.

Ravenswood Asks for Active Cooperation in Its Membership Drive

1-3 Wed. . . . . 1521 Wilson Ave.

In keeping with Ravenswood's drive for new members, you are again being asked to turn in the names of those whom you think good prospects. This subject has been harped upon a lot during the past few weeks, but as yet there has been no flood. If we don't start turning in the names and addresses soon, the membership committee will be forced to dig up their own prospective members. Such a state would not be definite evidence of a live-wire council.

All of you undoubtedly will be surprised to learn that Mrs. Earl Stewart, wife of our popular Advocate, is seriously ill. At this writing she has been in the hospital for over a week and has had two blood transfusions. The one bright spot in her illness was the willingness with which two of our council brothers, Lecturer Arthur Collins and Guard Joe Grady, Jr., volunteered to give blood to repay the blood bank that had supplied Mrs. Stewart.

Bro. Ben Sullivan is confined in Ravenswood Hospital. His illness was learned of at such a late hour that your reporter was unable to find out the nature of his ailment, but did learn that it is not serious. Perhaps the prayers and well wishes of relatives, friends and most of all our council members will move the Almighty to bring Mrs. Stewart and Bro. Sullivan back to good health soon.

CONGRATULATIONS

Several times in the past few months ye scribe, goaded by a certain few, has poked fun and made light of the romance of one Eddie Glennon. Now, as you all know, Eddie Glennon was one of the most popular men in the council, but he moved to Milwaukee, so was seen only infrequently thereafter. Nevertheless his popularity was not a mere fog that was soon left behind, for seldom is there a gathering of Ravenswooders that Eddie's name is not mentioned.

Some time ago our principal informant on matters relating to Mr. Glennon received in answer to the direct question, "When are you getting married?" the retort, "The first, the first one that will have me!" Well, boys, "the first" has arrived. Following the ceremony January 18th in Immaculate Conception Church in Milwaukee, the bride will be known as "the former Miss Laverne Timm, now Mrs. Edward Glennon." Much happiness and success, folks. Wish the entire council could attend the wedding. Ed.

FEBRUARY 19TH

Lecturer Art Collins has planned a big evening for us to enjoy after the Feb. 19th business meeting. He has scheduled one of the finest sport films available for the evening's entertainment and sincerely hopes everyone will be able to take advantage of the opportunity to see this movie.

Welcome to Bill Tobin as a full fledged member of the Knights of Columbus. Bill took the third degree last Friday night, so he is now a member of the select inner circle maintained by the younger council members. If you've had your third, you belong, and Bill belongs, and how.

Madonna to Hold Housewarming at Clubrooms Sunday

2nd Thur.-4th Fri.....4522 Wallace St.

Concluding six weeks of thorough, back-breaking work, the Clubhouse Committee has completed the renovation of the Council's clubhouse. On next Sunday night, January 19, the lads are holding an Open House to which all of you are invited. Confronted with the problem of making over a 45-year-old mansion into an up-to-date Council quarters, the committee, in our humble estimation, has done a marvelous job. A personal inspection of their work is the only way to judge, so we again invite you to attend the "housewarming" Sunday nite from 8 p. m. to 1 a. m. Dancing and refreshments are free, of course.

FULL CREDIT

For the restoration of the building goes to John Horan and Harold Kane who have borne the brunt of the work. For their unceasing and unselfish labor and sacrifice of their time, we, as chairman of the committee, can only offer our sincere thanks for a job well done. Without their counsel and guidance we would have had a much harder road to travel

Aiding our two engineers were G. K. George Noonan, D. G. K. Raleigh Kean, Frank Hubert of Fort Dearborn, Charlie Scannell, Ollie Kenny, John Pollick, Jim Ryan, Howie Flanigan, Bill Slavin, Wally O'Keefe, Joe Boardman, John Morrisey, Joe Halloran, Marty Hoare and Frank Jackson.

To them also we wish to express our deep thanks.

ROLLING ALONG

Like snowball, gathering momentum each week, is the Year In Advance Club. Seventeen new members within the past seven days has boosted the total to thirty-four, or just one-third of our goal in only eleven days.

The accommodating gents were Capt. Eugene Barry, Eugene Barry, Jr., Emmett A. Fitzgerald, John M. Collins, George L. "Red" O'Brien, John E. O'Neill, Harold Storie, Harold "Curly" Meagher, James F. Neeman, John Burns, Charles DuBrod, Daniel L. Madden, John J. Thulis, Jim Heany, Lt. William H. "Packy" Doyle, Luke Flanagan and Harold Sigafoose. Thanks, men.

Wouldn't YOU like to learn the secret of success? Would you like to know how to increase your salary? How to tell the boss where to go? How to strike up an acquaintance with a good-looking ba—er, girl?

Well, baby, you're in the wrong department. But we can tell you how to get one of those genuine Siberian Unkskay card cases. Just send John Pollick a check for your dues of 1941. And then —you got it. See, Paw?

BOWLING ALONG

	W.	L.	Ave.
Hermes Boosters	17	10	888
Duffy Florals	15	12	893
Boyle's Solons	14	13	881
Doody Garage	13	14	847
O'Connell Jurists	11	16	866
Miller Banker Coals	11	16	859

Whether it was the new wood, the long holiday lay-off or too much New Year's, we don't know, but the bowlers were ice-cold as they swung into the second half of the season. The notable exception was Duke McGrath (is Flanagan trying to get in good with him? Every week we see his name) whose 517 led the Boyles to a sweep of the three-game series with the O'Connels. "Tommy come lately" Byrnes, arriving during the second game, was hailed with open arms by the B's, altho he's supposed to twirl for the O'Connells.

The Miller Bankers made a vain attempt to vacate the cellar as they tangled with the Hermes, but no soap.

In the first game every one, including George "In the Gutter" Noonan with his new ball, was off form and the Hermes got away. The second was a heart-breaker, as the cellar tenants built up a commanding lead only to see it fade as they all blew the ninth frame and their Jesse Folks, needing only a marker in the tenth, ran into a 4-6 railroad and they lost by three pins. In a comeback they took the third game as Noonan, O'Keefe and Ryan refused to let the breaks discourage them.

"Two pants" O'Keefe brought along a beautiful cheering section—and why don't the rest of the lads—after seeing his scores on the last two games, i. e., after she arrived. In the other set Jim Parrish led the Doodys as they took the odd game from the Duffys who were paced by Barry and Pollick. Bob Fitzgerald also received a new ball from Sandy Claws, but he evidently forgot to order one with a hook because the one he got has the sweetest back-up you ever saw.

FEB. 9TH

Which is a Sunday, is the date set for the first mixed doubles tourney. You're all invited to bring the wife or g. f. and you're supposed to heave the ball AT THE PINS. Four in the afternoon is the time and a phone call to Sec'y Howie Flanigan at Vin. 5134 will reserve you a spot. Wednesday, Feb. 5, is the deadline.

Garcia Moreno Urges Council Support for Membership Campaign

2-4 Tues. . . 155th St. & Lexington Ave.

Opportunity presents itself so often, yet the people whom it surrounds often fail to take advantage of it while others desire it without the driving force behind their desire to make anything of their chances. Our Order has given us five new plans of insurance which present an opportunity that every live unit of our Order will accept with all of its enthusiasm. Every member who is interested in the Order should follow through and read page 23 of the January issue of the Columbia. It will assist all members in answering the many insurance questions that will be asked. Get this information, it's worth knowing.

The holidays are now past history, and our vacations are over, so let's get back in the harness and start those applications coming in. We have a large size quota to fill, and P.G.K. Joseph Reardon and his committee on membership have a big job ahead of them if Garcia Moreno Council is going to fill its quota.

Eagle Coal Co. won all three games from Wonder Bar and go into a tie for first place with Shea's Korner. Siebelt, Jr., was the star for the Coal team with 540 pins. Rossma's 521 took second honors. Pop White's 475 was high for the losers who have lost eight of their last nine games. Walter Goletz's Boosters won two games over Ed Shea and his gang. Siebelt, Sr., with 552 was tops for the Boosters while Malito's 503 took second honors.

Home Liquor, cellar champions, won two games in the fight to leave the cellar position. O'Hara Boosters were the victims. Paul Milash for the winners with 213-189-200, a 602 series, was the star pin-getter for the Liquor team. Richard Walenga's 543 and Vic Walenga's 539 shared second and third honors.

Anton Sterker's Tailors added two wins over Frank Ring Boosters. Rev. Fr. Renklewski's 516 and Sterker's 498 were the Tailors' best scores, while Matt Walenga's 554 and Erwin Lunn's 530 were the main pin collectors for the Ring gang.

League standing up to Dec. 10: Shea's Korner and Eagle Coal Co. tied for first place; Wonder Bar third place; Goletz Boosters fourth place; Sterker's Tailors and Bill O'Hara's Boosters tied for fifth place; Frank Ring Boosters seventh place, and Home Liquor in the cellar.

At the last meeting of Ascension Parish Holy Name Society it was announced the election of officers will be held in May. St. Susanna Parish Society held their meeting the same night, and Richard Walenga, Henry Hilgendorf and the scribe were late but enjoyed their social hour very much. At St. Susanna Hall last Sunday the south side units held their first organization meeting. Organization Chairman Wm. D. O'Hara conducted the meeting.

The flu had Bro. Pat Nilon down for the count, but Pat wouldn't stay down. Visited the new home of John Kerkhoven along with Ted. Kerkhoven. Mighty fine. To Dick Walsh of Blue Island Council who at present is at St. Francis Hospital, our sincere wish for a speedy recovery. Nothing in the mail this week, so all must be well. A penny post-card will hold lots of news; your scribe will be very happy to print your news. Cheerio.

Blue Island Bowlers to Sponsor Party at St. Benedicts Jan. 25

1-3 Tues. . . . . Gregory and New

After a two week layoff the bowling league is back in action once more. After the boys got through bombarding each other last week there were a few changes in the standings but the Haas Tavern managed to hold first place by one game. The standings are as follows:

	W.	L.		W.	L.
Haas Tav...	27	15	Music Box....	19	23
Gerdes Bldrs.	26	16	Hickeys	19	23
Ryan's	26	16	Mark's	18	24
Komada's ...	23	19	Landgrafs ...	17	25
Einhorn's ...	21	21	Hallinans	14	28

On next Saturday night, Jan. 25, the bowling league will sponsor its annual party at St. Benedict's Hall. Donations 40c, includes dancing, sandwiches and a darn good time. All members of Blue Island Council and their friends are invited.

Our last meeting was indeed very interesting to say the least. Through the generosity of our Chaplain, Fr. Gross, we saw a very interesting movie on marble. Many thanks to our Chaplain.

Don't miss our next meeting. The First and Second Degrees will be exemplified. Refreshments will be served after the meeting.

Membership of the Year-in-Advance Club took a sensational leap during the past week and now totals 24. Insurance members who joined the club almost unanimously remitted also for their year's assessments. They include Bro. Anton Puttkammer of Harvey, who when this is read will be well on his way to California for a vacation; Bro. Joseph Mayer of Evergreen Park, where he works at St. Mary's Cemetery; Bro. Frank Bloom of Chicago Heights, a perennial member of the club; Bro. Felix Puttkammer, who is in line for congratulations as a result of his new year promotion; Bro. John Pacyga, a new and young member of the Council; Bro. Bob St. Aubin, who has our best wishes for a mishapless year, and Bro. Pete Feldner of Oak Lawn.

Associate members who again joined the club early are Bros. Lawrence Lusson, John Downing, Hans Hansen, the portly mortician, Jim Hickey, and Ed. Kempf of Joliet who recently missed a visit because the boys couldn't locate his residence. Bros. Charlie Wolf, local tavern owner, and Lt. Fred Mulhausen of the county police and Palos Park, started a club of their own when they paid their dues well into 1942.

It was nice to hear from a lot of brothers in the past week whom we don't see often. They include Brothers Les Konley, Ed. Boliske, John Haffey, Val. Mislich, Ray Arl, Dan Neary, Julian Poutry, John Lejo, John Grandchamp, Al. Weinberg of Midlothian, Wally Cure, Paul Bohmeier, Frank St. Aubin, Jim Conlan, Frank Daly, Jr. and Sr., John Knaub of Peoria, Joe Gordon, John Labedz, Frank Kissell of Markham, Oscar Asquine, George Gaertner, Jim Trombino, Frank Ulrich, George Wilder, Mike Vranyak and Nor. Jauchzer of Oak Lawn. To all of you we send our heartiest greetings.

Bro. Phil Murphy was seen making slow progress down Western avenue with a cane. Hope that foot gets better soon, Phil.

Trustee Dick Walsh returned home from St. Francis Hospital during the past week and Trustee Joe Tragnitz is expected home from I. C. Hospital this week. Get well in a hurry, you fellows, we'd like to get the semi-annual audit out of the way.

Weber's Next Meeting Dedicated to Chapter; Judge Bolton to Speak

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Next Monday's meeting will be called "Chicago Chapter Night." It will be sponsored by Chapter Delegate, Bro. James Swientek. The program is well arranged, with speakers being Judge John F. Bolton, State Deputy; Jake Mueller, president of Chicago Chapter; Phillip C. Nilles, District Deputy and Bob DuMais, State Blood Donor Chairman, along with many other prominent guests. The main topic will be the foundation of the Chapter and its development. Your presence will be a means of support to our Delegate Bro. Swientek and it will be to your benefit to hear these speakers.

Tuesday evening, Jan. 21st, our Council will take our candidates to Quigley Clubhouse, 1031 W. 31st St., to receive their First and Second Degrees together with the Quigley class. Every sponsor should make an effort to see that his candidate is present for these degrees. We will meet in our own council chambers at 7:30 that evening.

Sunday, Feb. 23, the Fourth Degree Exemplification will take place at the Palmer House. At present we have two candidates, Bro. Mitchell Mazurek and Frank Kendzior, and we are hoping for two more so that we may continue our record of four for each class. How about it, brothers, let's all be Sir Knights.

Since every member has received the four dance tickets, Chairman Steve Jas asks for your cooperation in their early returns as well as the patrons and well-wishers names, so that the latter two will be in before press time.

It is only two weeks until Feb. 1st, our dance date, so let's hurry.

MAPLE MASHERS

On Wednesday, Jan. 8th, Krafts Boosters, vieing with the K. of C. Boosters, came in with two games, rolling an 1820 series. Of course, the heavy man, Bro. Wieruszewski, rolled a mean 488 pins. Dr. Dziubski Boosters took two away from Wegzyn Realtors. The standings are:

	W.	L.	H.G.
Dziubski Boosters	17	10	654
Kraft's Boosters	16	10	670
K. of C. Boosters.....	13	14	624
Wegzyn Realtors.....	8	19	634

Neri Will Honor Its Former Chaplain, Rev. P. A. Bird, Next Tues.

1-3 Tues. . . . . 7515 Yates Ave.

Next Tuesday night is Father Bird Night at St. Philip Neri Council. So, at long last, after many years of faithful and inspiring service, Chaplain Father P. A. Bird is about to have his day. Certainly no man is more deserving.

Of late years his location has made it extremely difficult for Father Bird to get to meetings. But come he does. Not as often as we would like, naturally, but when the occasion warrants you can count on Father Bird. As you know, he is now the pastor at Precious Blood parish on the West Side. Previous to that he was pastor at Wadsworth, in northern Illinois. And way back when he first became Chaplain of Neri he was the handsome young assistant pastor to Father William Kinsella at St. Philip Neri Church.

And therein, gents, you may see the portrait of your Chaplain. Up the ladder of ecclesiastical sucess he has risen through the years but yet not so far that he doesn't still enjoy coming to meetings and meeting new and old friends. Father Bird's friend in the order are by no means limited to Neri Council. He has lent his support wholeheartedly to K. C. affairs at every opportunity.

Msgr. Kinsella is honorary chairman with Ray P. Duffy assuming active control. Assisting Ray are Thomas Daly, Leo Walsh, Herman Sumner, William Phelan, M. J. McCaughey, Pat Woods, William P. Carroll, Paul Doyle, John F. Bird, Mike Cherry and J. V. Roche. This is to be an open meeting for men. Bring your friends. Proceednigs start promptly at nine. A business session for members convenes at 8:15. Come early.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

A POSTPONEMENT

The card party scheduled for the Caravel Club on Jan. 31st has been postponed until Wednesday, Feb. 12th. The change in dates was made to avoid conflicting with a similar party being sponsored that same night by the women of St. Philip Neri parish.

R. I. P.

Last Sunday night Dr. George Nye Hiskey, father of Bro. Morrison Hiskey, passed away suddenly in his home. Dr. Hiskey's passing was a distinct shock not only to his family but to his many friends in Neri Council. He had just returned to his residence on East 76th Pl. late Sunday evening when death came. Dr. Hiskey had lived in South Shore for many years while maintaining an office at 91st and Commercial.

The funeral services were held last Wednesday morning in St. Bride's Church. Interment was in St. Mary's. Besides Morrison, Dr. Hiskey is survived by his widow, Stella E., and two daughters, Elizabeth and Marylyn. Marylyn, you will recall, is the talented young violinist who has entertained at Neri on numerous occasions. All the officers of Neri as well as many other members attended the wake on Monday evening to pray for his eternal rest. To the bereaved family Neri Council extends its sincerest sympathy.

Dowling Changes Meeting Dates to 2nd-4th Tuesdays

2-4 Tues. . . . . 3625 So. Hoyne

At our last Council meeting, Jan. 7th, it was voted that instead of meeting on the first and third Tuesday we will change to the second and fourth Tuesday. This change was made to facilitate matters both for our council and St. Maurice Parish. The motion was carried unanimously for the new date. This change will take effect at next meeting, which will be held Tuesday, Jan. 28th, instead of Jan. 21st, as previously announced.

FOURTH DEGREE NIGHT

Our next meeting, Jan. 28th, will be Fourth Degree night and is set aside to entertain prospective members to the highest degree of our order. Our Lecturer and his chairman for the month have arranged a program I am sure you will enjoy.

The time is drawing close for the exemplification and if you have any inclination to join, you should declare your intention with a signed application. You can get full particulars and applications from Bro. Geo. Spencer, John Struve or any Fourth Degree member.

The cost is very reasonable and will not be a hardship on any member. Plan today to be a candidate for this class, to be held Sunday, Feb. 23rd, at the Palmer House.

FIRST AND SECOND DEGREES

We will hold a First and Second Degree in conjunction with Quigley Council at Quigley Club House on Jan. 21st and our Grand Knight would like a fair representation to welcome our new members.

On Sunday afternoon, Jan. 26th, at Leo Club House we will join with Leo Council in sponsoring a Third Degree. The following Second Degree members are eligible and should be on hand on Jan. 26th: George Balaski, Walter Banas, Stanley Gorz, Eugene O'Rourke, Rev. John Jordan, John Kawnis, Thos. McGurn, Leo Michuda, Perry Roubie, Edward Aluzas and John Manning.

COUNCIL NOTES

Edward O'Donnell, formerly of 5740 South Honore St., is now living in Seattle, Washington. He is there due to business as he is connected with the All State Insurance Co. He flew back to Chicago to be with his family for the holidays and also returned to Seattle by air.

John J. Cunningham, 5324 Congress St., transferred to our council from Feehan by a reinstatement. This member is a police officer and the credit for his membership goes to our new member, Tom McGurn. That's the spirit, Tom, keep it up. Another hard worker is our inside guard, Pat Linehan, who turned in an application last week.

We are happy to report that two oldtimers that were always active in the past are back in active service again and we expect to hear from Bro. Joe Cusack and Bro. Jim Hyland often.

The attendance prize for last meeting was won by Harry Lepinski, 3; Chas. Hochbaum, 2; C. Frawley, 1.

During the month of February we have four members who will receive their honorary degrees. This is quite an honor and if you know any of these brothers, you should be present to pay them homage. They are John Frey, James Flynn, Henry Boyd and Frank Bruen, Sr.

Dr. Roman C. Michels, our popular dentist from 35th and Archer Ave., is vacationing in Mexico. Doc and his wife are motoring and we wish them a pleasant trip.

Our membership quota for the first six months of 1941 is 97 new members and the Grand Knight is anxious to meet our quota and solicits your help. If you have a prospect, sign him up.

St. Francis Laymen's Retreat League is busy trying to raise money for the construction of new buildings at Mayslake. The drive started two months ago and they have collected about five per cent of the amount needed and have many pledges. The money must be in before actual start of construction and the hope is to build in the spring.

We have been an outstanding council in the retreat movement and our chairman, Tom Gallagher, would like to keep our record by having our members assist in this drive for funds. All past retreatants have been contacted through the mail and it is his desire that they respond as they have in the past.

Brother Gallagher and Father Oliver wish to express their thanks to our members for their cooperation and interest in the past and solicit your wholehearted support in this drive.

There are more names to follow and some will be published on the financial secretary's Honor Roll.

PIN TUMBLERS

The boys are really getting serious about their bowling and are beginning to set individual and team records: (Clark Gable) Deschner was induced in a pot game by Pot Game Christin. The results were amazing. The reason might be that an installment is due on Deschner's new home or something, as he took everything home by the alleys. He set a sizzling high game series of 658 with a 244-218-196, which is high for the year.

Beautiful railroads were picked up by Ed Blythe, Mart Cody and Bob Green. The Pipe Smokers were outclassed last week by New Baby Deterick, who brought 12-in. cigars along and the aroma was wonderful.

On Jan. 11th, Harry Lorden, George Spencer, accompanied by their better halves, and Bill Klemkowski our Grand Knight and Mrs. Barber went to the C.Y.O. alleys to witness the opening of the State K. C. Tournament.

Our council teams will bowl in the state meet on Sunday, Feb. 2, at 4 p. m. Get down to the C.Y.O. alleys and root for our seven teams.

Genoa Will Honor New Chaplain, Father King, Next Monday Evening

1-3 Mon. . . . 7439 Cottage Grove Ave.

The next meeting of Genoa Council is scheduled for Monday night and the entire evening will be devoted to honoring Rev. Joseph King, Assistant Pastor of St. Joachim's Parish, who has accepted the appointment as chaplain of the council.

G. K. James F. Riley, Jr., in cooperation with Lecturer James Hynan, has prepared a most interesting and attractive program. It is therefore suggested that every member of the council make a very special effort to be present at this time to become acquainted with Father King and to reacquaint themselves with activities and affairs of Genoa.

Lecturer James Hynan, together with the Censor Board, has passed on the films taken on that famous trip to Champaign and with the consent of the officers of the council has agreed to show the film just as it was taken. No interesting parts are to be deleted. In addition to this, other entertainment and refreshments are to be the order of the evening.

CABARET DANCE

G. K. James F. Riley, Jr., has appointed Bro. Wm. Condon as chairman of the Cabaret Dance and Bro. Condon is picking his committee. Soon the members chosen to aid on this committee will take their parts and start to work to make this affair the finest event in Genoa's social history.

NEW INITIATES

The most recent initiates of the council are expected to be present Monday evening to make themselves acquainted with Genoa members and to share in the evening's fun and refreshments.

Every older member of the council is asked by the officers to contact by phone at least one other member of Genoa to make sure that they are going to attend the meeting. It is up to the membership to make this one fine event equal to any that Genoa has ever given to any Chaplain or honored member of the Council.

D. G. K. Robert Stadler is aiding Catholic Action by acting as usher at St. Laurence's church. However, the fee of fifteen cents is still demanded; but Bob has promised the council that if any of them has enough pep to get to church during the week there will be no seat money required. The small charge on Sunday is just to keep the people from rushing the doors too strongly and thus preventing the usher from taking their weekly exercise.

The world's largest Swiss cheese factory is in Wisconsin.

ST. PAUL'S COMMUNION SUNDAY IS APRIL 27TH

1-3 Tues. . . . . 6713 Olmsted Ave.

According to a decision reached at the last meeting, the annual Communion for the council will be on April 27th. It wasn't decided where we will convene for this, our 17th public manifestation of our faith and our membership in the Knights of Columbus, but the date is definite, so you can mark your calendar accordingly. We will enlighten you further when the place is finally decided.

Interest is being shown in the blood donor group now being formed in the council. Dr. Eddie Meyer is in charge of the "sampling" of the stuff that runs through your veins so that each member of the group may be properly classified. He asks that all members of the group contact him as early as possible so that arrangements can be made to complete the work.

Doc says that it only takes a few seconds to perform this test and assures you that you won't know anything happened. It would seem that every member would be happy to join our blood donor group and place himself in a position whereby he could be ready to perform one of the greatest acts of charity for a fellow member or one of his family if the necessity arose.

P. G. K. Joe Guenther, chairman of the committee in charge of the Father and Sons night coming up next Tuesday, just phoned and informed me that he has completed all arrangements for the entertainment, which will consist, in part, of a double feature film about football as Northwestern played it this past season. The second half of the double feature, in colors, lays particular emphasis on the "touchdown" plays, which should be of special interest to the sons of the dads and possibly to those dads who rate as "I told you so's" or even "second guessers."

The committee has also arranged to have two of the coaches of Northwestern present, who will describe the plays and otherwise explain the theories of good football. We haven't said anything about refreshments, but you can rest assured that detail will not be overlooked.

University Tells of Important Functions of Chicago Chapter

2-4 Tues. . . . . Rogers Park Hotel

It is the scribe's privilege to be a delegate to the Chicago Chapter, meetings of which are held once a month. Many members have no conception of the importance of this central organization, but your "Columbian" is one of the results of unifying the efforts of all the Cook County councils. If you want a real answer to the question sometimes asked you by prospective members, "What good do the Knights of Columbus accomplish?" you should attend one of the Chapter meetings.

The report of the Christmas Cheer Committee, for instance, and the letters from the grateful recipients of our bounty would give you a glow of satisfaction. You would be amazed to know that the Catholic Literature Committee distributed 2,700,000 papers and magazines during 1940 and could trace 302 conversions to the reading of this literature. You would be surprised to learn that the Education Committee is carrying on a free adult evening school in languages and other subjects of collegiate character.

You would learn that the Blood Donor Committee has saved numerous lives by sending volunteer donors out for transfusions. You would be mentally and spiritually enriched to hear a talk by someone like Father Edward J. Mullally, the noted Paulist missioner, who at the January meeting spoke of his thirty-seven years of effort in the American mission field. You would learn that through the efforts of the Retreat Committee, 771 knights had made retreats at Mayslake in 1940—one-third of the total retreatants during the year.

MISSIONS FOR NON-CATHOLICS

Father Mullally's interesting and inspiring talk on the missions for non-Catholics, to which we referred above, told of the great help given to the missionaries by the Knights of Columbus. He mentioned, as an example, the noonday mission sponsored by the Duluth (Minn.) Council, which was given in a downtown theater and resulted in 110 conversions.

Fr. Mullally pointed out the great difficulty experienced at the present in making converts because of the fact that so many non-Catholics have lost all belief in God. A mission to non-Catholics will be given at St. Mary's Church beginning on Sunday, Feb. 16. Fr. Mullally urges all Knights to come and bring their non-Catholic friends.

MATT HARRER'S BOWLING NOTES

University Council's five-man team at the State Bowling Tournament did themselves proud, as the following scores testify: Marv Boersinger 602, Jim Dolan 585, Tom Mackey 520, John Rohr 518, and Phil Ryan 495, a total of 2,720. More later as to the prizes won by University.

On Jan. 10 the Keenan Boosters took two games from Jeffers Coals, McGovern Meats took three from Fenlon Directors, Moran Printers took two from Innisfails, and Joyce Movers took two from McGraw Tailors. The team standings as of Jan. 10 are as follows:

	W.	L.
Keenan Boosters	31	14
Moran Printers	25	18
Fenlon Directors	22	23

FOURTH DEGREE, FEB. 23

John McGuire, our Chairman for the Fourth Degree, is anxious to have the applications of all candidates for the exemplification on Feb. 23 as soon as possible. For information and application get in touch with John at 6302 Winthrop Ave., Sheldrake 0840.

The scribe regrets the absence of notes in last week's "Columbian." The effort of getting notes in for the early deadline the two previous holiday weeks seems to have so sapped his strength that he was unable to gallop over to the "Columbian's" office until late Wednesday afternoon.

Members Swell 4th Degree Class to Honor Archbishop

Bishop Griffin, Ill. State Chaplain, Expresses Warm Tribute to Great Leader

An appreciative and thrilled membership of Chicago Knights of Columbus is turning its full attention to the opportunity of paying tribute to His Excellency, Archbishop Samuel A. Stritch on the occasion of the exemplification of the Fourth Degree here next February 23. The degree class and the banquet to follow are being offered by the Chicago Knights as a testimonial to His Excellency. Present reservations indicate that it will be one of the best attended affairs of recent years.

Reason for the extra-interest in this year's class is to be found in the whole-hearted admiration expressed for the man the exemplification is intended to honor. Few persons have so quickly earned the warm regard of their contemporaries as has Archbishop Stritch, and the Chicago Knights are eager to make full use of this opportunity to do him honor.

State Chaplain Lauds Archbishop

The Most Rev. James A. Griffin, Bishop of Springfield, and chaplain of the Knights of Columbus in Illinois, gives eloquent voice, in the following communication to Columbian readers, of some of Archbishop Stritch's outstanding characteristics.

"When the Most Reverend Samuel Alphonsus Stritch was consecrated Bishop of Toledo, November 30, 1921," Bishop Griffin's communication reads, "the consecrating Prelate, handing him the pastoral staff, said, in the words of the liturgy: "Receive the staff of pastoral office, that, in correcting vice, thou mightest be loving while stern, pronouncing judgment uninfluenced by anger, in encouraging virtue, winning the souls that hear thee, in all the gentle way not abandoning the censorship of due severity.

"Really knowing the gentle, youthful Prelate, as I did, as a man of meekness, kindness, humility and simplicity, he could not be stern, he could not be impatient, he could not be severe. Therefore, we might change the ancient words of the ritual in his case and when he received the pastoral staff to rule the flock entrusted to his care we might read: "Receive the staff of pastoral office that in correcting vice thou mightest be loving by your gracious kindness, pronouncing judgment according to your well-known meekness, in encouraging virtue, winning souls that hear thee in all thy gentle ways not abandoning your saintly humility.

Loved For Kindness

"Winning souls that hear him in private, in public, in conversation, in the pulpit—that embraces the whole life of Archbishop Samuel Alphonsus Stritch. No one can hear him without being deeply impressed. Everywhere he has ruled as shepherd he has won people by his meekness, kindness, and saintly humility.

"A brilliant intellect, of course, he has but what illumines all his life is his truly Christ-like character and child-like simplicity. While he has the intellect of a Saint Augustine or a Saint Ambrose, he has a simplicity

of soul, rich, indeed, to a rare degree and fresh as the morning sun. In Rome, as a student, we admired him for his brilliant attainments but what is more, we loved him for his beautiful personality. He was born to the purple. Nature and Providence predestined him to wear the mitre.

Is Inspiration for Clergy and Laity

"As Archbishop of the great See of Chicago, my native city, I feel certain that Archbishop Samuel Alphonsus Stritch will bring a new and fresh luster to the Church and will bring to

Knights from Every Council in Illinois Are Expected at Hough Testimonial Saturday

Thousands of people from every walk of life will flock to Queen of Angels Guild Hall, Montrose and Western Avenues, this Saturday evening, January 25th, to pay tribute to this city's outstanding Knight of Columbus. The occasion will be the Martin J. Hough Testimonial sponsored by Father O'Connor Council.

Practically every council in the State of Illinois has lent its support to the affair. The Patron listing for the Testimonial bears the names of the leading political and business executives of the city as well as hundreds of others, who, at some time in the past thirty years, have associated with Marty Hough.

Every Knight of Columbus in Chicago is urged to attend the Testimonial Saturday evening. It will be a fitting expression of appreciation to a man who has devoted his entire life to exemplifying the principal purpose of the Order, that of Charity.

The affair will be a Cabaret Party and Dance. Many well-known entertainers will appear. Admission is 50c per person. Tickets may be obtained from any Grand Knight, or at the door on the evening of the Testimonial.

Two Third Degree Classes Scheduled for Sun. Afternoon

Sheridan, Newman, St. Francis and St. Anthony's Councils Earn Honor Roll Rank

The two Third Degree exemplifications scheduled for this Sunday afternoon, January 26, will bring to a climax one of the most fruitful months of K. of C. membership activity that most local councils have experienced in many years. Both of Sunday's classes are expected to be of record size since no further major exemplification will be held until early March.

Participating in the exemplifications Sunday will be all councils of the three western divisions whose candidates will be inducted at St. Phillip's Hall, 3141 W. Jackson Blvd. Candidates from all councils of South Division No. 1 will meet at 820 W. Garfield Blvd., for their degrees.

The fact that Sunday's classes will be the last of the major degree exemplifications until March does not mean that any lessening of membership efforts is expected. Councils will, during the next several weeks, renew their attempts to get the major portion of their June quotas in hand before the start of other spring activities.

Four Councils on Honor Roll

Four local councils have in the half year since July 1st already added enough new members to their rolls to account for their entire year's membership quota. These councils are Phil Sheridan, Newman, St. Francis and St. Anthony's. Enough other councils are so near the realization of their quota, that it is expected at least a dozen more will be added to this Honor Roll during the next few weeks.

An important factor in the increasing popularity of the degree work conducted over the last month, is the real effort being made to see that the initiations start on time and are administered efficiently. A strict adherence to a definite schedule, it is felt, will let candidates and guests know that they may feel free to attend the ceremonials and yet be able to get home at a reasonable hour.

CLEMENT A. BERGHOFF ELECTED PRESIDENT OF RETREAT LEAGUE HERE

Clement A. Berghoff, Chicago business man and a member of St. Francis Xavier parish of Wilmette, was elected president of St. Francis Laymen's Retreat League at the annual meeting held a few days ago. Mr. Berghoff has been active in the lay retreat movement since 1932. Daniel E. Morrissey and J. Arthur Shay were elected vice-presidents and William J. Delany was re-elected secretary.

The following were elected members of the Executive Board covering twelve districts in the Chicago area: Judge Lambert K. Hayes, Fred P. Hansen, Franklin Hassmer, Julius T. Skrydlewski, Clifford Theriault, John Dahm, William G. Devers, William Dooley, Thomas Finnegan, Thomas W. Gallagher, G. J. Gaul and Joseph Goergen.

Fourth Candidates Invited to Attend Assembly Meet

'Get Acquainted' Program Is Listed for Next Wednesday Evening at Palmer House

On Wednesday evening, January 29th, La Salle General Assembly, Fourth Degree, will hold its annual "Open House" meeting in the Red Lacquer Room of the Palmer House. On that particular evening all Third Degree members of the Knights of Columbus who are eligible for advancement to the Fourth Degree are invited as the guests of the Assembly.

This occasion, sponsored as it is each year during the month of January, affords an opportunity to all of the Sir Knights to invite Third Degree friends of the various councils within the jurisdiction to one of the organization's fine programs. The meeting gives these men (all of whom are possible candidates for the Fourth Degree in February) a first-hand look at the Assembly in action. They may become acquainted with the officers and members of the Assembly, and see for themselves the nature and extent of the activities, programs and features that are made available to the members of the Fourth Degree.

Faithful Comptroller Theodore E. Cornell has announced that the January 29th program will be one of exceptional brilliance. Several very talented performers will entertain the members and their guests throughout the evening. Sir Knight Joseph A. McMahon, Master of the Fourth Degree in the Northern District of Illinois, will be on hand to announce the program for the Fourth Degree Exemplification and Banquet which will be held at the Palmer House on Sunday afternoon and evening, February 23rd.

New Attendance Mark Seen for Nineteenth Annual K. C. National Bowling Tourney

The 19th annual tournament of the K. of C. National Bowling Association scheduled to get under way in Indianapolis, Indiana, on March 8th, 1941, is expected to top all previous K. C. tournaments in the matter of entries. With three weeks remaining before the closing date on February 15th more than 500 teams have already made reservations for the popular event.

Chicago is well out in front in the matter of interest, having no less than six Special Trains scheduled to leave here for the Tournament. Each special will carry 300 K. of C. keglers and their rooters.

Specials are scheduled as follows:
March 22—Cardinal Council Special.
March 29—The North Side Special.
April 5—Father Perez Special.
April 5—The West Side Special.
April 19—The De Soto Special.
April 26—The Hughes-Commodore Barry Special.

President Bill King, who can be reached at Pensacola 8008, will be pleased to answer any inquiry concerning this year's meet.

the clergy and laity inspiration by his saintly simplicity. The Holy Scripture says that the meek shall possess the land. Because of his meekness Archbishop Samuel Alphonsus Stritch shall possess the hearts of both the clergy and the laity, Catholic and non-Catholic, of the city of Chicago. Under his sweet and kindly rule the Church will prosper and true charity shall brighten the hearts of all people."

Concluding his eloquent tribute to His Excellency, Bishop Griffin adds, "As his old classmate and close friend, I most heartily pray God to spare him for many years to rule the See of Chicago and I am certain that under his sweet and saintly rule the Church will flourish throughout the whole State of Illinois."

Nat'l Bowling—

ment, with its entries now in excess of 600 teams, it has become increasingly difficult to select tournament cities. Many towns do not have sufficient alleys to accommodate the large entry over the several week-ends, during which the tournament must be run. For this reason the Officers and Directors of the Association voted at the annual meeting here last June, to conduct two tournaments in 1941.

The Central Division tournament, including teams from Illinois, Ohio, Indiana, Wisconsin, Missouri, Iowa, Michigan, Minnesota, Nebraska and Kentucky, will be held at Indianapolis, while the Eastern Division, comprising the states of New York, Pennsylvania, New Jersey, etc., will hold its tournament at Utica, New York, commencing March 22nd and concluding on May 4th.

Each division will have its own champions in 1941. There will be no roll-off to declare the national champions this year. The directors are of the opinion that since this is the first attempt of any national organization to conduct divisional tournaments, one step should be taken at a time in order to arrive at the wishes of the members of the participating councils in both tournaments. Should a demand develop for a roll-off between the two divisions, the matter will be given careful consideration at the next annual meeting of the board.

INDIVIDUAL PRIZE FUNDS

Individual prize funds will be created for each division and the entry fee will remain at $3.00 per man for each event. This fee includes bowling. Both divisions will be under the supervision of Wilfred G. Albert, national secretary, and all entries should be mailed to him at 402 Recreation Building, Detroit, Mich., not later than midnight of February 15, 1941. William P. King, Past Grand Knight of Father O'Connor Council, No. 887, of Chicago, is president of the association.

The Knights of Columbus have always conducted their tournaments under a moral support sanction of the American Bowling Congress. This year's events will prove no exception as applications have already been made and approved for a moral support sanction for each of the two divisions.

St. Joseph Gives Its First Transfusion to Member's Young Son

1-3 Thurs. . 57th St. and Archer Ave.

We were unable for the first time in years to be present at the regular meeting held last Thursday, due to a week's illness which we are just about getting over. Bro. Jack Flaherty will have had the rare opportunity of marking the D.G.K. "absent" from a meeting. Tough, isn't it Jack?

We understand that the meeting passed off well, despite the fact that the weather was bad, but not being present naturally cannot enlarge on it.

It was heard that the amateur bowlers gathered last Sunday at Times Square Alleys and that so successful is this venture proving, that it will now be held twice a month. We will advise you next week of the next location.

Our Blood Donors Group was able to perform its first work of Catholicity recently for the oldest son of Bro. Wesolowski and the honor of being first to give a transfusion went to our G.K. Zurn.

We have not had recent news, but we hope that it proves of benefit and helps the boy in his valiant fight for recovery. Our encouragement and our prayers are offered for Bro. and Mrs. Wesolowski during this trying time.

Chicago Members Will See Feature Length Film Tues.

2-4 Tues. . . . . 64 E. Lake St.

Next Tuesday's meeting is the regular monthly "Social Gathering." If there is any business to be transacted it will be disposed of promptly in order to give Lecturer Will Pelicore ample time to put on his show.

As announced in last week's column, we are to have a special private showing of a full length feature motion picture, the name of which we (according to agreement) may not tell you at this time. Be assured, however that it is not a so-called "commercial" or advertising film nor is it on the narrow width film (16 mm.). The picture is being put on as a result of a deal made by our D.G.K. Henry J. Lynch.

Members will be permitted to bring gentlemen guests and prospective members. We are preparing to accommodate a large attendance. Accept the word of the sponsors of this program (Brothers Lynch and Pelicore) that you will be amply entertained.

FOURTH DEGREE

Last week's heading ("Two more applicants enlisted for Fourth Degree") is a trifle misleading in that one may be led to believe that the class now totals to three, a fine commentary on Chairman Frank Casey's field work. The class from Chicago Council will be large this year—is large at this writing, with a few more still to be signed up due to hesitancy on their part.

The Fourth Degree is referred to as the "Patriotic Degree" and the candidate never fails to be deeply impressed with the beauty of the ceremony and the forcefulness of the lessons provided. The degree is particularly appropriate at this time and no eligible Knight of Columbus should pass up the privilege of being included in this year's class. Consult with Chairman Frank J. Casey next Tuesday night.

HAPPY VALENTINE

How time flies! Pretty soon you'll be getting into your best bib-and-tucker for Chicago Council's big Valentine Party—February 15th (a Saturday night) down at the Hamilton Hotel. Remember last year's shindig? Didn't you have fun? Nice crowd, too. Well, this year it's going to be better in more ways than one. Wait until you hear the orchestra. And see the decorations. And bite into the succulent sandwiches (how about that, Leo?) And the—er, coffee or whatever Chairman Sam and his committee will provide.

Even if you do not dance, you can enjoy a pleasant evening, meeting everybody from Chicago Council—and their wives, sweethearts, daughters, and friends. And they'll be glad to see you, too.

PINS

On Wednesday of last week, our pin-dusters held quite a festival. The Cole Recorders, holders of the cellar-position, came up a-roaring, with vengeance in their eyes, and smote the Ryan Coals twice in their three-game series and hanging up a new high single game record for the season, shooting a sweet 904 for the series. In this they were aided by a 218 game by Leo Gorski in his 550 series (his first 200 game and 500 series for the year). Nice going, Leo (say we), and keep up the noble work. Al Reuland of the Ryan Coals assisted the losers with a 213 game and 531 series while Dick Mazurk turned in a 205 game.

In the other match the league-leading Franz Guards downed the Vallee Boosters two out of three. Cack Caponi assisted the winners with a 502 series while Gus Caponi did his best for the losers with games of 227 and 202 (and a 615 series).

MAJOR BOWLING

Last Friday our major leaguers lost two games to Ketteler Council. Last night we met up with Henepin-Shields and next week our competition will be Quigley.

We had two teams in the Illinois State K. of C. Tournament. Our major-league team rolled a total of 2911 which put them in 10th place at the time. The other team, made up of a picked group from our Intra-Council Wednesday night gang, did not fare so well.

In the doubles Mike Bonahoom and Gus Caponi got a spot in the standings with their score of 1209 and in the singles Gus rolled 628 to land in the show. In all events Brother Caponi totaled 1862 and Frank Parenti listed 1860. (To be cotinued in next week's issue.)

THAT TEN-CENT CHARGE

Some of our members who missed our autumn meetings have been asking the reason for an item of ten cents on their bills. Well, it is a pro rata contribution asked of every member of the Order in this jurisdiction to foot the taxi bill incurred by Chicago Chapter in connection with the convention in November of the National Catholic Charities at the Stevens Hotel. Rather than permit visiting nuns to vie with the city's traffic Chicago Chapter undertook the responsibility of providing transportation to and from the convention. The expense, large in the lump sum, worked out at about a dime per member. It's worth your dime (and more) to relieve these visitors from bewilderment and worry.

And, by the way, there's a two-bit Christmas Cheer contribution that some may have overlooked. Please, do not omit these items when you pay your bill.

Newman Continues to Set a Fast Pace in Its Membership Campaign

1-3 Thurs. . . . . St. Mary's Hall Evanston

Grand Knight Ken Lawson again opened up his little black bag at last meeting before 125 homecomers and drew forth a fast and efficient business meeting followed by much entertainment and food. For their fine voices, we predict a great future for Bill Connor and Dennis O'Mahoney. Frank "Fink" Moran went home from the Circus Man's talk with a few pointers for the little woman, which will reinforce his arguments to keep and increase his dog pack. A communication, we are happy to announce, was read off from Bro. Sackrider from Techny, a Homecomer we would have been happy to see. We also had a newcomer, Father Witmanski, of Ascension Church from whom more should be seen and heard.

COUNCIL ITEMS

Head scribe, Tom Steigelman, wishes to compliment last month's scribber, Jim Corcoran, on his columns. We can only hope that they don't talk about us when we are gone.

For a well spent Saturday evening may we recommend the Marty Hough celebration tonight, details on page one of this issue. Chairman Nellessen, after embarking with 45 Third Degree initiates for Waukegan, issues orders that there will be no let-up on his membership drive but a renewed effort for 1941. He had as guest at last meeting the Grand Knight of Waukegan Council.

We have decided to just glance over the bowling scores, since we were unable to attend ourselves, and note the gory details of our team, Ridge Cleaners, losing two games to the leaders, Weiland Florals. For more minute standings see the sports page of the News-Index and also come up with the recommendation for Bill Leary to hurry up and practice real hard in the St. Nicholas league so that he can become efficient enough to be eligible for a place on the Cleaners K. of C. team, who's owner, Steve Doyle, was fortunate enough to be out of town as his team dropped from first to third. Steve has gone west from Arizona to California in search of sunnier climates for his health. Wonder if he will meet Joe Schaefer out there and wonder if he will stay away two months like Mrs. Schaefer said she was planning.

Other movements about town are G.K. Lawson into his new home in Niles Center and Jack McEnery into his in Glenview. The transfer by his company of Barney MacGowan to Minneapolis means that we will be missing good company up at meetings and are hoping for a speedy return. The slack is somewhat taken up when we hear that Jack Kinsella is back in town. If elected constable, Bro. Vin Ratcliffe promises to serve summons on Coach Marty Corcoran to appear with an application for his new basketball star, Al Cafone, who scored 12 points to lead Newman to their initial basketball victory last week.

R. I. P.

Mary Ellen Hayes, sister of P.G.K. Con Hayes, passed on to her eternal reward the day after John Geishecker, brother of Bro. Peter Geishecker died.

Bowling Sec'y John Wiltjer's father-in-law met his death last week as did Anna Hayes, mother of Bro. Dan Hayes an wife of Bro. Steve Hayes. May the divine assistance remain always with the living and may perpetual light shine upon the departed.

In conclusion we wish to extend our very grateful thanks to all our brother knights upon their many expressions of sympathy and kindly visits to our own family at the beir of pioneer resident and grandfather Joseph Borre who spent most of his life providing and cutting the tender meats upon which we gained life's sustenance.

Englewood 3 to 4 Club Entertains Council at Party

2-4 Mon. . . . . 150 W. 69th St.

YIPPEE!!! THE SPIRIT OF ENGLEWOOD COUNCIL HAS BEEN REVIVED! And it took the "Three-To-Four Club" to do it.

Everywhere you went around the Blue Room of the Southmoor Hotel last Saturday night you heard the same story: "Say, this is just like old times!" or "This is the way Englewood Council affairs used to be" or "I thought Englewood Council was dead, but this doesn't look like it," and then you heard "When are you going to run another affair like this? Be sure to let us know. The next time we'll have a bigger group at our table."

Well, to say the least, this is a good sign, not only for the "324 Club" but for Englewood Council itself. It means that we again have the support that once was ours. Members and their friends are again interested in Englewood Council and its affairs. And that, primarily, was the purpose of the "324 Club." Not only to be a separate unit for the fourth degree members of the council but to instill a little spirit amongst its members, get them active, impress upon them the importance of cooperation to the officers and activities of the council. This seems to have been accomplished, and therefore the "324 Club" feels it is on the road to success.

E-XALTATIONS

should be bestowed upon President Charles J. O'Brien and General Chairman James A. Clarke and his committee for the splendid party.

However, their efforts would have been futile had it not been for the large delegations of Charles Bernard Aloysius Sink, Andrew Stoecker, Ed and Bill Corcoran, Joe Nolan, Ed Powers, "Dick' Phillips (who, I believe, had the second largest crowd), Charles Huguelet, Tom Mcguire, Ed Mullooly and my two brothers, Fred and Francis. Also by the attendance of such personages as James B. Poynton, Wm. J. Cleary, P. J. O'Connor, Tom Groark and Dr. Strobel of St. James Council, PGK John Houlihan of Madonna Council, and PGK John Mahon, PGK Geo. Griffin and Past President Farrell, all of LaRabida Council. To all we say, "A hearty welcome, and be with us at our future affairs. Thank you for coming."

The floor show was again obtained by General Chairman Clarke, who again showed his ability to go out and get the best.

It was furnished by the pupils of the Evelynne Maree School of Dancing and Dramatic Art, through the courtesy of Mrs. LaFrancis, 6351 S. California Ave., and included such young artists as Charmaine Casey, Doloris Odekirk, Gloria Kral, Joan LaFrancis, Patsy Kirby, Rita Farrell and Ruth and Doris Korinek. Miss Rita Farrell gave us a very gne exhibition of song and dance and, as I predicted last year, she is on her way to stardom. In fact, she has already been engaged to perform at the Civic Opera House.

But, as usual, the hit of the evening was our little fan dancer, Joan LaFrancis, who again captivated the hearts of all in her daring exhibition. And wait until she gets that Hula number down pat, then watch her! Patsy Kirby also gave another stellar performance.

To all the others, many thanks for coming out, and we hope to have you with us again in the near future.

I tried to get the name of the master of ceremonies, but he had another engagement to make and got away before we could contact him, but we can say that he did a creditable job, as did Mrs. Metzger, who was the piano accompanist throughout the entire show.

E-XCEPTIONALLY

pleasing was the smooth, haunting rhythms of Harry Wicks and his orchestra, who are improving every time we hear them. Here is another organization that will soon reach great heights, and should dreams of last Saturday come true we may be able to say that we started them on the road to the top.

Well, that just about winds up the report of the party. However, President O'Brien just phoned me and asked me to announce that there will be a SPECIAL MEETING of the "324 Club" Wednesday evening, Jan. 29, at 8:30 at his home. This is a VERY IMPORTANT MEETING and all are urged to make every effort to attend.

Also don't forget our regular council meeting next Monday, Jan. 27, at 8:30 p. m. "Old Lucky Buck" is going to give away $10.00 to some lucky member . . . that is, if he is in attendance when his name is drawn. Come on, you TEN BUCKS . . . Pappy needs a pair of shoes . . . and a hat.

P. S.—Attention! I had quite a few requests last Saturday night for the return of our tickets to be kept as a souvenir. I am sorry that I could not give these tickets until late in the evening, and by that time some of them might have forgotten about it. However, if any member asks for one or more of these tickets for souvenirs and will kindly send the request to me I will see that the tickets are promptly mailed.

ILLINOIS PLEASED AT CARD PARTY SUCCESS

1st-3rd Mondays . . . . 64 E. Lake

Dear Reader: You will be glad to know that the card party given by Illinois Council last Monday evening was successful in every sense, a very fine attendance midst harmonious surroundings.

Deserving of special mention is Brother Harry Dean, who lead the field in the number of his guests who were present. This is an old habit of his. Door prize contributors—and we hope were are overlooking no one—were Brothers Harry Dean, Joseph T. Barry, William J. Savage, Joseph H. Geilen, John T. Lillis and Daniel F. Murphy.

Special services were rendered by Brothers Ferdinand Pasbach and Daniel O'Rahilly. We hope to give you the names of the door prize winners in toto at some future date; and so goes down in history of Illinois Council one more successful social adventure. We were especially pleased with the presence of so many of the wives and families of our members.

ABOUT THE COUNCIL

And now, lest we become too self-sufficient, you are advised that Brother James P. McParland is in the Oak Park Hospital, but expects to return to his home in a day or so, and Mrs. Pasbach is in the Wesley Hospital after undergoing an operation; her condition, however, is said to be excellent. Brother William Gibbons continues to be confined to his home at 320 West Huron street. Our best wishes go for the speedy recovery of all of these.

If you were not in attendance at the last Chicago chapter meeting, you missed an outstanding talk by our friend, the Rev. Edward J. Mullaly, Paulist Missioner resident at St. Mary's Church. Seldom have we noticed such a uniformly profound impression created as on that occasion. Surely the good father has drunk at the seat of wisdom, piety and understanding.

Brother Phil Sharkey, Sr., was among those present at our card party. He will celebrate his 80th birthday anniversary on Monday, February 3rd, which is our next meeting night. However, the Boiler Manufacturers' Association, in which business Phil was engaged for many years, is giving a special dinner at the Towers Club on that evening as a special tribute to the affection in which they hold Phil. To the boiler manufacturers we say that we are envious that you have taken him from us on the anniversary of his 80th birthday and on the occasion of our first meeting in February. Perhaps you can do more by way of demonstrating your affection than our humble council can, but you can not surpass us in the affection and esteem in which we hold him. Yes, Phil said when asked if his wife will be in attendance. "She will if I have to take her down in my pocket."

And now what of the future, both as to meetings and the general good and welfare of the council? We have promised you a memorial exercise which would appear to fit in the Lenten season and so we will hold that until March. In the meantime, we have not mentioned new members to you for so long that we may be pardoned if we remind you to get ready for something definite in that particular before the next meeting, which will be held Monday, February 3rd. We know we will have your good wishes and we hope to merit your active interest.

Damen Congratulates the Henry Forsters on 55th Anniversary

1-3 Thurs. . . . . 6 N. Hamlin Ave.

Congratulations, Trustee and Mrs. Henry Forster on your 55th wedding anniversary. May He who joined you together and sent you the joys and sorrows of closely united married life, bless you and grant us the power and example of your happiness for many long years to come.

Well can we imagine the thoughts that have come into your minds since that memorable day 55 years ago, Jan. 27, 1886, in old St. Patrick's when you promised to take each other, "to have and to hold from this day forward, for better, for worse, for richer, for poorer, in sickness and in health, till death do us part."

What sublime faith and courage and trust in God must be yours for you have seen your promises tested in richness, in poverty, in sickness, and health, but you have been privileged in a union for the better, a union that is dearer and closer in the closing years of life.

In a holy way you have marked each anniversary with Mass and Communion. Every fifth feast was especially marked with High Mass in Thanksgiving. Then what joy was yours when Father McCarthy of Presentation Parish made your 50th anniversary an occasion of parish rejoicing, signally honoring you during Solemn High Mass.

And now as you count another festive day on Monday, January 27, with High Mass and Communion at 8:30 in Presentation church, please accept the congratulations, best wishes and prayers of Damen Council and your host of friends. "And now, O Lord, make them bless Thee more fully for in Thee have they hoped and their times are in Thy hands."

St. Augustine's Party for Home Association Is Tomorrow Evening

1-3 Mon. . . . . 5209 S. Justine St.

This is our last opportunity to appeal to you to support your council on next Saturday, Jan. 25th. St. Augustine's Home Association is dependent upon the revenue from this annual event to pay the taxes and current bills of our clubhouse. When funds are solicited for other purposes we hear the usual cry "charity begins at home." Then let it be so. The charity we ask of you is for our "home." In years gone by the members of this council labored every night for a week at a carnival and now all that is asked of you is your presence for a night of enjoyment.

Certainly the nominal fee of twenty-five cents will not stand in your way. G.K. Phil Kushenbach, together with Chairman P.G.K. Dr. F. G. Kuchler, have labored long and hard to make certain of all preparations for next Saturday. Committee meetings were held (and we might add well attended) and every detail has been arranged for your enjoyment. Now we wait to see how much you care for your clubhouse. Don't get the idea that the money isn't necessary because it is, and your quarters will help a great deal.

TEN-PIN TAPS

Paced by Young Dubrock and Mittler, the Bonthron Service team won two games from Schaefer Barbers. Johnny Kurtz was high man for the barbers.

Al Feil and Capt. Ed. Witry led the Ted Kloeckner Florals to two wins over the strong Puetz Meat Market. LaPrise, Labuhn and Weingart paced the attack.

Dan Burke 536, Jim Burke 569 and F. Putz 535, were too much for the Heinens as they lost three games to the McCabe Boosters. Tony Kloeckner and Johnny Horan led the losers.

Led by Leitzen, John Ossowski and Novak the Dutchman Tavern took two games from Mack Brothers Movers. Don Holloway 531 and Sefcik 513 paced the Macks.

Don't forget that ten (10) teams from our council will bowl in the State K. of C. tournament at C.Y.O. alleys, Congress and Wabash on Saturday, Feb. 1st at 9:45 p. m. The single and doubles will be rolled the following day at 3 p. m.

Anyone wishing to enter the National K. of C. tournament, kindly get in touch with our secretary, Steve Sefcik, 2115 W. 52nd Pl or phone Rep. 2468.

Brother Henry Forst recently became a grandfather when a little boy was born to his daughter, Clara. Congratulations, Hank, and by the way, where have you been keeping yourself?

THIRD DEGREE

Sunday, Jan. 26th, at 2 p. m., the Third Degree will be conferred on our new candidates at Leo Clubhouse, 820 W. Garfield Blvd. We all know the good times we have at this affair and we suggest all members who are able, to attend.

Don't forget that on Monday, Feb. 3rd, technicians for the typing of blood donors, will be present. If you have been unable to go to Little Company of Mary Hospital, come to this meeting and join the army of blood donors.

CALUMET TO SPONSOR TOP RANK CAGE MEET

2-4 Mondays . . . 6646 Stony Island Ave.

One of the greatest treats for basketball fans of Chicago is to be presented by Calumet Council in conjunction with Mt. Carmel High School on the evening of Feb. 7, 1941. Thru the good graces and kindness of our Chaplain, Father Terrence Fitzgerald, a member of the faculty and director of athletics of Mt. Carmel High, together with Michael Patrick A. Murphy, President of the Fathers' Club of Mt. Carmel, and a trustee of our council, the season's most outstanding basketball game is being presented.

This game will bring together the high scoring fast moving Mt. Carmel team, recognized as the probable champion of the Catholic High School League, and that famous team of colored stars from Du Sable High, who recently won the University of Chicago tournament, meeting the best teams from some forty participating schools.

Du Sable team is the talk of the south side. It is rated as the best that ever has represented a school in the public high circuit. They are led by their 6 foot 5 inch center, one of the greatest young stars ever produced. To see him perform and the show that he puts on is worth twice the price of admission.

Mt. Carmel has a smooth, fast-working, high-scoring team, one capable of coping with the best, and we feel that they will return the winners in spite of the build-up that Du Sable has received. Calumet will participate in the profits of this game. We ask every member of the council to support this event not only by his attendance but by taking a block of tickets and selling them to his friends. The price will be but 50 cents and we guarantee that you will see the best game of basketball you have ever witnessed between high school teams.

The feature game will be preceded by a fast preliminary game between two picked teams, assuring all not only one thrill but two. Complete details as to the site for the game will be announced at our regular meeting next Monday night, Jan. 27.

FIRST AND SECOND DEGREES

The principal business for our meeting next Monday night will be the induction into the first two degrees of our order of a large class of candidates from the councils comprising South Division No. 2—Genoa, Santa Maria, Loyola-Hyde Park, St. Philip Neri, De La Salle and Calumet. The business meeting will begin at 8:15 p. m. and we ask all officers of the council to be present not later than 8 p. m. so that we can get under way. It is the promise of GK Bill Birmingham that the degree work will begin not later than 9 p. m. so that all will be over at an early hour to give everyone a chance to participate in the luncheon and be home at a reasonable hour.

To all members we make a special plea: Come to this meeting if you possibly can. It is a duty you owe the council and these incoming members to show by your presence that you appreciate their entrance into the council that has been such a vital part in the protection of your family in the carrying of your insurance and that their entrance is the assurance of your insurance always being sound and stable. We are the hosts to these other councils. Do not let it be said that Calumet had fewer members of its own than the visitors. This cannot happen if you do your part. Come to the meeting and bring a friend.

COMING EVENTS

At an officers and committee chairman meeting held last Monday evening an outline of future activities was prepared. We have many most interesting events coming up now in rapid order. These are some of the events and dates to remember:

Council meeting—Monday, Jan. 27.
Sunday Evening Club—Feb. 2.
Basketball game—Friday, Feb. 7.
Party, cards and games—Friday, Feb. 14.
St. Patrick's dance—Monday, Mar. 17.

We particularly call your attention to these dates as they represent real activities in the council. This year Calumet celebrates her 40th anniversary. No more fitting celebration could be planned than one of our old-time St. Patrick's dancing parties. That is what we offer our members this year. The committee will soon name the place and tickets will be ready. We want you to know now that Calumet is celebrating St. Patrick's Day as we have in the past, and that we want you there. So we give you this early notice.

SUNDAY EVENING CLUB

The meeting of last Sunday was the biggest and best of the season. The ladies completely captured the meeting with their joviality and charm. Games were played and Financial Secretary Walter Popjoy seemed to be courting "Lady Luck" as he carried off the major part of the prizes. The next meeting will be Feb. 2 and tickets to the big basketball game will be offered as prizes as well as for sale. For the meeting of Feb. 16 a great surprise! A real quiz program with Outside Guard Wilf Byrne as guest chairman. Don't forget the St. Patrick's dance March 17.

Four of our teams will roll in the state tournament Jan. 26 at 7 p. m., which is being held at the C.Y.O. alleys, Congress and Wabash. Rooters are welcome, and we hope that everyone who can possibly get down will be there to help the boys along. Ten of the bowlers participated in the singles and doubles on Jan. 19, but we understand that the big money winners have not yet been named.

Santa Maria Prepares Typing Arrangements for Volunteer Donors

2-4 Thurs. . . . . 9120 Commercial Av.

G. K. Albert Schott is sending out another call for Blood Donors to be added to the council list of volunteers. He is not sending in the list to Bro. Du Mais, chairman of the Blood Donors Group, until all brothers who want to join are typed. At the first typing, completed before Christmas, 36 members were typed. Since then, many others have signified their desire to also be Blood Donors.

These later volunteers can either go to the South Chicago Community Hospital 93rd street and Oglesby avenue, and be typed immediately or they can wait until the meeting in the near future when a nurse will be present to complete the work. In any event, the list is being held up to give everyone a chance to take part in this great humantarian work. You've no doubt been reading of the splendid service of the K. of C. Blood Donors Group, or perhaps you or your loved ones have already been able to use this great convenience.

SERIES OF LECTURES

A splendid opportunity to know and learn more about things Catholic is being offered by our Chaplain, Father Terlecke, in conjunction with Father Will Cousins, in their series of lectures to be given in St. Peter and Paul Church, starting Feb. 16th. This series is the first of its kind to be offered in these parts, and is open to non-Catholics also. The aim of these two priests is to make their talks so all embracing that they will present many new phases and angles of the Catholic religion to Catholics themselves and other tolerant minds as well. Both priests are splendid speakers, and we know you will enjoy them. Let's cooperate and help them put this over.

NOTES

Bro. Florenz Gordon, one of the new members, was officially welcomed into the Council at the last regular meeting. We hope Bro. Gordon will be able to be with us every meeting night from now on, as he seemed to be keenly interested in all the proceedings.

We see Bro. Dave Barder at De Paul on Monday and Thursday evenings. We'll have to see that he comes to meetings once in a while instead of making a dash for home after classes. Plans are under way for St. Patrick's Church carnival at the Masonic Temple on Feb. 24th. Many of our brothers will serve on the various committees.

P.G.K. Gordon Nash is back at work after a slight spell of nervous exhaustion. Contrary to the many reports circulated, the siege was very slight. Bro. Nash needed a rest, which he wisely took. Chalk up Inside Guard William Henry's name of the Honor Roll. He has brought in the name of Le Roy Powers for membership. The officers are hunting for a new clubroom. Suggestions appreciated. Where will we move to?

"First Learn to Creep"

The Michigan Councillor, in an editorial published recently, says:

"The most difficult task that faces any organization is maintaining enthusiasm. The history of all sorts of organization work is full of proofs of this fact. Many an organization has started out with a splendid rush of progress only to dwindle away into nothingness because enthusiasm died out. Indeed, perhaps the best test of worthiness is found in the survival of a group after this first flush of interest is over. The story of K. of C. councils gives abundant evidence of the fact that this Order has a well-defined place and fills a very pertinent need, because it has, in hundreds of communities, passed through the stages of initial enthusiasm into the calmer period of steady constructive effort—through the downs as well as the ups, to a permanent place of service.

"Quite a considerable share of the difficulties of councils, too, may be traced to over-estimation of abilities in this period of enthusiastic beginnings. When a new council is formed, with a hundred or two of men who have found themselves fired with zeal for the cause, it is very easy to set marks too high and to tax the future with obligations and debts, that are beyond the normal reach of the succeeding period of sustained effort. The writer knows of more than one instance of the sort. When the first big gatherings are held, with hundred per cent attendance and everybody on their toes, it is easy to see visions of big new club houses, splendid equipment and large financial receipts to meet all obligations. But the safest way is to nurse this enthusiasm through a longer period to get the feet solidly on the ground before the head goes into the clouds, and to make plans that call for slow growth and a solid one, rather than a sudden flash.

"The easiest way to kill enthusiasm is to get the council into a financial swamp. Once let that happen and one by one the ardent spirits are cooled, the attendance falls, the man-power is reduced and the inevitable result is a period of the doldrums with obligations growing instead of assets."

Auburn Park Enlists Aid of All Members in June Quota Drive

2-4 Thurs. . . 7740 S. Emerald Ave.

At the last regular Council meeting the Membership Committee asked for volunteers and the following brother offered their services: John Doherty, James Sheil, Charles Connelly, Vincent Flynn, John Clausen, Neil Houtsma, and John Dillon. These men with Chairman John Coughlin and the Grand Knight, will function one hundred per cent in increasing the membership of Auburn Park Council.

There is now a big incentive in securing applications in the Knights of Columbus, particularly Insurance applications, as under the new plans the proposer of each insurance application obtains, after a period of ninety days, $3 per $1,000 of insurance. That is if the applicant takes out $5,000 insurance you receive a check for $15. This should make it interesting for all to get back of this campaign and to help make your Council's quota of ten per cent increase by June 30.

According to the present laws all new applicants between the ages of 18 and 26 years must take out insurance. There are now many attractive and very reasonable policies to select from, the same as those put out by old line insurance companies.

Remember your Council is sponsoring a First and Second Degree on Thursday evening, March 27th. Let's get these applications rolling in. Also might mention that within the next week there will be a Third Degree held in Leo Clubhouse, 55th and Halsted Sts., full particulars may be obtained by referring to page one of this issue. Let's turn out to these degrees, they are much more impressive if the hall is packed with members.

Brother Joseph A. McMahon, Master of the Fourth Degree, is making an appeal at this time for one of the largest classes in the history of our Order in Illinois inasmuch as the Degree this year is in honor of our beloved Archbishop Samuel A. Stritch. Up to this writing we have three applications from our own members.

The requirements for taking this degree are that the members shall have been a Third Degree member for two years in good standing in his Council, and the initiation fee for this occasion is $25, which includes the Baldric and Sword.

Your president of the Auburn Park Fourth Degree Club Brother John H. Clausen is making arrangements for the reservation of a headquarters in the Palmer House on Sunday afternoon Feb. 23rd, for the Fourth Degree members of the Council, and would like a good turn out for the dinner. John will welcome your reservation.

We are going to let you in on a little secret, our Reverend Chaplain Leo A. Smith is contemplating taking the Fourth Degree this year if at all possible, and you may be assured he would be pleased with a large delegation of Auburn Park's members at the Degree and Dinner.

LITHUANIAN SEMINARIANS FIND REFUGE IN ILLINOIS

Chicago.—With the approval of Archbishop Samuel A. Stritch of Chicago, the Marian Hills seminary in Hinsdale, Ill., has been thrown open to refugee seminarians from Lithuania. For the past 20 years the Marian Fathers have been centering their activities on the care of people of Lithuanian descent in the U. S. The seminarians are only part of a large group of refugees that the Marian Fathers are attempting to aid.

Among the metals silver is the best conductor of electricity. Copper is generally used for that purpose because of its comparative cheapness.

Forty-five Illinois Councils Organized for Donor Activity

There are in Chicago today nearly three hundred persons who look upon the Order of the Knights of Columbus with an added measure of goodwill and friendliness. They are the men and women, the youths and children, who, recently ill, have regained their health through the assistance of some one of the thousand local Knights who have valunteered to give their blood in transfusions whenever called upon.

Under the direction of State Chairman, Robert Du Mais, these thousand K. of C. donors in Chicago are officially organized in units from among forty-five of the 161 councils in the state. Some forty other units have all but completed the organization of their separate groups and will soon be ready to provide donors for all emergencies.

ALL COUNCILS EXPECTED TO ORGANIZE

According to the State Chairman, every council in the jurisdiction is expected to organize for the work. Services of the donor group are provided free of charge to all fellow members of the Order and their relatives, as well as in cases of emergency or in instances where the individual could not afford the services of a professional donor.

In terms of dollars and cents, the donors have, since their organization in 1938, saved patients approximately ten thousand dollars. This is in consideration of only the actual cost of the transfusion. If the amount saved by shortening the patient's stay in the hospital and his quicker return to work could be computed, the sum would undoubtedly be doubled or trebled.

MANY LIVES SAVED BY GROUP

There is no way of knowing how many lives have been saved through the assistance provided by the local donors. Sometimes a spectacular improvement is recorded after a single transfusion. In other instances, several donors may be called upon before the patient begins his slow recovery. Sometimes the transfusion is made with seemingly only seconds to spare and in another case, the donor may not be called upon for hours.

In the recent airplane crash at the Municipal Airport, Donors George Mange and John McNally, of St. Rita Council, were called from their homes to provide transfusions for two of the victims, both of whom were among the few who later recovered from their injuries.

The services of the Donor Group were also offered to the firemen who were burned in the chemical explosion and fire of some months ago on the north side of Chicago. While the Fire Department has a donor group of its own for such emergencies, the Knights were standing by to aid if their help was needed.

No recent activity of the Order has offered so much in the way of opportunity for humanitarian service.

MANY VOICE APPRECIATION

Letters of appreciation are received almost daily from the people who have benefited by the various K. C. Donor Groups. These expressions of gratitude are not only from Catholics, for many a donor has answered his call to service only with the thought of aiding a fellow being, regardless of race or creed. Catholic and Protestant alike have thus come to look upon the Knights of Columbus with a new interest and even a favorable prejudice.

It is a matter of record, according to the State Chairman, that the donors have also been instrumental in securing the reinstatements of many lapsed Order members, as well as the enlistment of new applicants.

"In several instances," Du Mais said, "the work has even been the means of bringing back to their church, people who had fallen away. Certainly this one objective alone should be cause for every Knight of Columbus to lend his assistance to his own council unit."

Arch. Weber Pleased with Meeting Reports on Varied Activities

1-3 Mon. . . . . 4758 S. Pulaski Rd.

A good crowd was present at our last meeting, which was dedicated to the Chicago Chapter. Bro. Jake Mueller, chapter president, explained thoroughly what the chapter is accomplishing and how we can benefit through its program. Chairman of the blood donors' group, Robert Du Mais, congratulated our council on the large percentage in the donor group. District Deputy Phil C. Nilles also congratulated our council on the splendid affairs we are sponsoring. Special thanks is due to our president of the fourth degree, who has four applications on hand and possibly more for Feb. 23 exemplification.

Last Saturday and Sunday two Weber teams bowled in the state K. of C. tournament at the C.Y.O. alleys. The following are the results: Bro. Joseph Rudcki is leading with 1,971 pins. Bro. W. Figura, Bro. L. Wnek, Bro. J. Kedrowski and Bro. Rudcki are in first place with 3,018 pins. Bros. S. Rudcki, John Goleck, E. Szymanski, John Rozewicz and Richard Szymanski rolled 2,503 pins for seventh place. Doubles: Bros. L. Wnek and W. Figura, 1,252 pins.

Gen. Sherman Knights Enjoyed Fine Program at Last Ladies' Night

1-3 Tues. . . . . 4300 W. North Ave.

Ladies' night was a howling success. The "crackpots" went over in a big way. Our GK, Joe Schmitz, did himself proud in finding such delightful entertainment. The telephone company gave a demonstration with four of its staff and a life-size board. Next meeting will be Feb. 4. More on that next week.

Your prayers are asked for the recovery of Mr. George Kolssak, father of our Bro. Louis Kolssak, who was seriously hurt in an automobile accident and is in St. Anne's Hospital.

BOWLING NEWS BY BERNIE

Bowlers, ex-bowlers and any Sherman knights who might be interested: This Saturday evening, Jan. 25, we will hold our party and dance at Romano's Hall, 4201 Armitage Ave. Come up all set to spend a pleasant evening. The committee has made all necessary arrangements for your pleasure. Plenty of good food and refreshments (Hoff Brau and setups). Don't forget the little woman.

Our boys will bowl in the Illinois State K. of C. bowling tournament (five teams) Sunday evening, Feb. 2, at the C.Y.O. alleys, Congress and Wabash, at 7 o'clock. You men who are not entered in this tournament, come up and root for the bowlers. How about our council officers—we never see them. Don't you like us, Mr. Officers?

It is with double pleasure that I report William ("Billie") Hall of the Tremko Judges, and my captain, has won the wrist match offered by a west side jeweler (sorry I don't know who he is) to the bowler with the highest game of the month. This offer was for all bowlers at Lions.

Geo. Kohl, Jr., threw a perfect strike ball and after the dust cleared one pin, half standing, remained. By half standing I mean it looked like the Leaning Tower of Pisa. Mattie ("Cannon Ball") Ellgass, our presie, snapped his new ribbon suspenders because his chest got so big after flinging a 251 game.

It sure was a beautiful sight to see Tom ("Papa") Tierney mother all the little children Thursday night. He had four of them on his lap at one time. Some spilled pop over his trousers and rubbed chocolate on his shirt. but Papa didn't mind; he loves the little angels.

Geo. ("Lindy") Lindenschmidt had everyone on their toes for a while with six strikes in a row. Result: 214. Then Dr. Henson, with six beautiful misses in a row, gets 103. I bet it's easier pulling teeth than getting strikes, eh Doc? John Fieri starts his game by dropping his ball on his toe. Hope they don't have to cut it off, John.

Karl Brefeld is showing a very marked improvement, especially in his spares. Now Mrs. Brefeld hasn't a chance to take his place. Toe-knee (Bar-fly) Ficht is slipping. Maybe we can get Mrs. Ficht to take his place. Our boy from Hubbard Woods, Gene Trott, is another much improved bowler.

Geo. Kopacz will be a Sir Knight after February. He is the fifth candidate among the bowlers this year. Out of fifty Sherman knights bowling there will be thirty-one Sir Knights. Isn't that something! Mrs. Vesey is not going to Indianapolis with her husband. Reason: Climate too wet. John Selsky, a former Sherman knight and father of our George, was a welcome visitor at the alleys.

Mr. and Mrs. Jerome Gerlach, the parents of our Al and in-laws of Bernie Janco, will celebrate their golden wedding anniversary Feb. 1 by renewing their vows at solemn high mass at St. Ferdinand's Church, Mason and Belmont Ave., at 10 o'clock.

ST. FRANCIS PUTS ALL ENERGY IN FEB. PARTY

2-4 Thurs. . . . 4711 W. Madison St.

Members of St. Francis Xavier Council, are you aware of the fact that the dance is only two weeks away? What have you done to make it a success? Did you get any ads and well-wishers? How many tickets have you sold?

Saturday, January 25th, is the deadline for ads and well-wishers. If you have any ads that haven't been turned in, call Sir Knight Frank Pasquale at Monroe 0046 and he will pick them up. Chairman "Sheik" Pintozzi requests all the members to make a big drive on the tickets these final two weeks. You can obtain them by calling Bro. Al Caruso at Monroe 0682 or from any committee member. There is a lot of work to be done that evening to handle the crowd and each member should plan to do his share for an hour or so. For your assignment, come to the committee meeting Tuesday night at Bro. "Babe" Criola's home, 3024 W. Flournoy street. You will not be asked to do more than you are able to do. But come and do your share.

MEMBERSHIP

Our membership drive is still in full swing. Do not hesitate in bringing in new members. Pocket sized insurance rate cards with full particulars on the five new plans of insurance are being distributed by Grand Knight Baptiste Mele and Fin. Sec'y Alex Coletta. Be sure to get yours.

Members, we want to remind you that the West Division Councils are sponsoring an exemplification of the Third Degree in St. Philip Gym on Sunday, January 26. If you have any eligible candidates, see to it that they are present. All Third Degree members are urged to attend.

The Franfours will hold an open meeting January 29 at Orlando's Buffet. Jackson and Wells. Dinner will be served at 6:30 p. m. At 8:30 p. m. they will attend an open meeting in the Palmer House in conjunction with the La Salle general assembly open house. All prospective Fourth Degree members are invited to attend. For more information, get in touch with the Franfours Secretary, Sir Knight Anthony Raciti.

Salvatore Corrado on the recent death of his brother-in-law, Henry Roscieski.

RAILROADS AND SPLITS

Izzo Undertakers increased their lead to four full games by giving the Coletta Morticians a triple shellacking last Friday night. Triple victories were also scored by the Marks Motors and Paternos over the Senate Electrics and Ald. Pacelli, respectively. Dot Pies recovered from last week's set-backs by taking two games from Tony Giugliano and his Florists. In doing so, the Dot Pies won a ton of coal from the "Sheik." Mele Plumbers took another two games from the Bacigalupo Undertakers, plunging them deeper into the cellar.

Bowlers to enter the select circle were: G. Lucca, 531; D. Laurino, 594; F. Pasquale, 572; J. Pauletto, 514; C. Speciale, 538; B. Mele, 541; A. Vitallo, 524; J. Caruso, 507; Curbes, 570; T. Salvo, 535; F. Arito, 580; J. Capparelli, 559; C. Principe, 570; S. Frusolone, 519.

The entire ten bowling teams are scheduled to appear Sunday, January 26, in the C.Y.O. alleys, Congress and Wabash, to participate in the State Bowling Tournament of the Knights of Columbus. They start rolling at 9:15 p. m. Get up a party and come out to root for the boys.

Carroll Stresses Timely Value of Patriotic Degree

February 4th . . . . . 6 N. Hamlin Ave.

The 38th annual exemplification and banquet of the Fourth Degree, Sunday, February 23rd, at the Palmer House, will be especially honored by dedicating the class of initiates in the Patriotic Degree of our Order to His Excellency, Archbishop Stritch. Evidence has already been recorded that this will be the largest exemplification in the entire history of the Order, and the finest example of patriotic celebration with each candidate renewing his dedication to the United States, creating and welding together both Nation and Church in patriotic unity.

Can you recall what our place in history has been, and what we are and what we may be? These questions and a lot more will be answered for you and the many other candidates at the exemplification ceremonials on February 23rd. Be American, think American, and act American as Catholic gentlemen, by joining the highest degree in the Knights of Columbus. Application to the Fourth Degree requires that each candidate be a citizen in the United States; minimum age, 21 years; membership in the Third Degree and in good standing for two successive years; certificate from the pastor of the parish in which you reside that you have received holy communion within two weeks preceding the degree; and twenty-five dollars, which includes the emblem of the Order, baldric and sword, and banquet reservation.

Wearing apparel for the candidate is full dress, including tails, white bow tie, and white vest. Patent leather oxfords are not essential. Any black shoe may be worn, providing they have been highly polished. A complete outfit from head to toe can be rented at any full-dress or tuxedo rental establishment for a small sum.

CARROLLITES

From gay Havana, Cuba, we hear from our good friend, Bill Condon, where he had been the guest of Senor Valiente at the Famous House of Bacardi. He sails for home in another week. Lucky guy! Hope he brings back some of that 89 proof "suff" and some cigars, too. . . . At the last bowling night, Tom Ryan came up to the alleys in the official capacity as "private detective" on a very important assignment—checking up on the Ryan boys and reporting back to their wives. The following is the official report now in the hands of the respective wives (God bless them, I mean the boys): Ed Ryan, nice shoes, nice shirt, nice form, no ball; Vin Ryan, nothing will help, should stay at home and mind the baby; Tim Ryan, nice form, nice ball, nice shoes, no guts; Tom Whelan, new shoes, new ball, no support. . . . A large delegation of Carrollites will be represented at the Martin J. Hough Testimonial Dance and Cabaret Party staged at Queen of Angels Hall, Montrose and Western Avenues, on Saturday evening, January 25th. Dancing and a fine bill of entertainment will be provided. Let's be "all out" for this grand opportunity to aid in making this worthwhile affair a complete success. Tickets are fifty cents.

St. Paul to Send 14 Squads to State K. C. Bowling Wars Sun.

1-3 Tues. . . . . 6713 Olmsted Ave.

Now that we are in the throes of winter with its icy blasts and coated streets and sidewalks, not to mention the frigid atmosphere, we find ourselves becoming more satisfied to stay at home and let well enough alone. Which is the reason why more personal news isn't forthcoming. At least that is one of the reasons; another is that we find ourselves staying late at the office to get out the multitudinous reports and the mountains of work that have a habit of making their appearance at our desk about this time o' year.

As we cannot work under difficulties, we have always made it a policy not to permit ourselves to become engulfed with our work (like the man in the cartoon working on his income tax report) and that means that we have to "saw wood" or "make hay" (not hey! hey!) while the sun shines, or something. Anyway, we hope you will overlook the meagerness of an occasional column during the "rush season."

BOWLING REPORT

Chapin & Gore's team of experts gave an excellent exhibition of bowling last Thursday night and we feel sure that the crowd, who made up the galleries, enjoyed the match immensely and probably obtained a pointer or two about the game.

Don't forget that the fourteen council teams are scheduled to bowl on the C.Y.O. alleys, Congress and Wabash Ave., January 26th. We hope that there will be a large audience to cheer the boys on to some good scores. Chairman P. G. K. Geo. Harbert has everything in readiness and is only hoping that there will be no last minute cancellations. Remember the day is next Sunday.

WE HEAR THAT—

P. G. K. Herb Clark has been ill with the flu or some similar ailment . . . we hope that by the time he reads this, it won't be no more . . . also "leave me out of the column" Tony Zillner has had the misfortune of breaking an ankle . . . we sympathize with Tony for we know what agony he must be suffering to know that all that work is piling up at the office while he probably sits at home unable to do anything about it. . . . Al. Rominski's son is recovering from a serious auto accident which necessitated taking 32 stitches in the boy's face and head. . . . D.G.K. Gene Sass is visiting in Florida—nice work, if you can get it. . . . Hope you have a swell time, Gene, and get in your spring golf training. . . .

Jimmy Dalton is up to his neck in work on the soft ball team . . . he says that he has a "coupla" good trades in the offing . . . guess what he means is that he has a couple of good prospects for the council who will fit in well on the team . . . anyway, we hope that you will round up those other youngsters we've been talking about, Jim . . . Ruddy Hoffman, one of the younger members, is showing the boys how in the council bowling league; he has high average. . . . Edwin G. Frank is a sure bet for the Fourth Degree, unless (as he says) Uncle Sam needs him down in Jacksonville before then. . . . Steve Luczak gets the credit for signing up the other bowling Luczak brothers for membership in the council. . . .

Chairman Geo. Ellwanger of the membership committee wears a continual smile on his face these days. . . . He's going places this year and hopes to put the council way over the top before the year ends. . . . A little help from the "rest of you guys" wouldn't be amiss right in this spot . . . there is less "noise" from the Neuman-Ziegler's bowling team this year . . . guess they burnt themselves out in the previous season. . . . No, they are not the "Yankees" among the council keglers. . . . The Verunac motors will see to that.

HOLY CHILDHOOD CLUB IS BLESSED BY POPE

Pittsburgh.—Expressing his desire for the continued growth of the Holy Childhood association, Pope Pius XII, through Luigi Cardinal Maglione, Papal Secretary of State, sent his blessings to the newly appointed national director of the association, the Very Rev. Richard Ackerman, C.S.Sp.

The association was founded in 1843 and in a short time was established in every country in the world. Raised to the status of a Pontifical mission society by the late Pius XI, it became the official agency of the Holy See through which the Catholic children of the world make their contributions of prayer and alms toward the spiritual and temporal welfare of children in mission lands.

TONTI PINOCHLE MEET OPEN TO ALL MEMBERS

1-3 Thurs. . 4221 W. Irving Park Rd.

All the brothers are invited to take an active part in the pinochle tournament now in progress. The committee, composed of Chairman Frank Miller and Bros. Walter Spatz, Ray Ruzkowski and Joseph Mayer, as co-chairman, have selected a wide variety of beautiful prizes which are now on display at our council chambers.

The three major prizes consist of a bathroom scale, a bridge table and a sport bag. The holder of the highest score will have his choice of any one of the major prizes, and so on down the line. Besides the three major prizes there will be ten lesser prizes for the ten next highest scores.

Everyone who finishes the tournament will receive a deck of cards as a souvenir. You still have time to enter this tournament on our next meeting night.

TONTI TIPS

Noticed along the sidelines at our last meeting were Bros. Ed and Steve Sobey, Joseph Sears, H. Le Beau, Len Francis, George Finfrock, Julius Kool and John Lussem.

The members of the Indianapolis Club will have their "Bowlers' Smoker" on Saturday evening, Feb. 8, at 4221 W. Irving Park road. For the sum of one dollar you can play your favorite game of cards and partake of as much refreshment as you want. The boys who have attended any of these smokers need no further invitation, and anyone who attends for the first time will be a confirmed repeater. Your gentlemen friends are also welcome.

Mrs. A. Eichhorn, wife of our worthy chancellor, invites you and your friends to attend an anniversary card and bunco party on Saturday evening, Jan. 25, at 8:30 p. m. at St. Benedict's Social Center, Irving Park road and Bell avenue. There will be a prize for every table, besides a multitude of door prizes. A musical frolic will take place after the card and bunco games. Admission is fifty cents. Sandwiches and refreshments at a nominal cost.

We are sorry to learn of the death of the mother of P. G. K. Joseph R. Smith. The officers and members of Tonti Council extend their deepest sympathies to Joseph in his bereavement.

BOWLING

Despite the loss of two games to the Lambrecht Jewelers, the Wiedemann Insurance team still holds the first place position by a safe margin. Winning three games from Doc Groskie's team makes the Mayfair Liquors tied for second place and concedes the "cellar championship" to Doc Groskie's team.

Spencer Coals maintained their third place position despite the loss of two games to Roy's Tap Room team. Winning two games from Bob's Trailer Service helped the Mayer Tailor team climb out of the cellar on their long way to the top.

The high game of the evening was 238, bowled by Ed Deka. Hank Scheffler's 214, 210, 157 games gave him a 581 series, which was high for the evening. Other high games were: Al Richter 212, Frank Miller 210, Ray Ruzkowski 203, Al Zelazney 202, Bob Beaugureau 210, and Louis Schmitz 201.

The team standings to date are:

Team	Won	Lost
Wiedemann Insurance	36	21
Lambrecht Jewelers	33	24
Mayfair Liquors	33	24
Spencer Coals	31	26
Bob's Trailer Service	28	29
Mayer Tailor	20	37
Doc Groskie	19	38

For the information of the newly initiated brothers your scribe is George Schordje (pronounced Shore-jay), phone Lakeview 5279. Any news of interest to the members of our council will be greatly appreciated. Thank you.

COLUMBUS TO RENEW MEMBERSHIP EFFORTS

2nd-4th Tues. . . . 6932 N. Clark St.

At our meeting next Tuesday evening, January 28th, plans will be mapped out for an extensive membership campaign to take in all of the parishes on the north side. Upon looking over the list of our active members we find a live wire in each of the north side parishes, and if each one of these members would form a committee to become active in their parish affairs and solicit Catholic men who do not belong to our order we could increase our membership about twenty per cent within the next month or two. We have a large field to work on in St. Jerome's and St. Margaret Mary's Parish but it seems that our members in these two parishes are very slow in inviting their fellow parishioners to join the Council.

If you will only let Past Grand Knight Eddie Kelly know of any prospect that you may deem fit to join our Order he will send a committee to visit him and you can rest assured that they will do the rest. Let us all get behind Eddie Kelly and our Grand Knight and see if we cannot get at least fifty new members during the first six months of this year.

MARTY HOUGH NIGHT

Next Saturday evening, January 25th, is the night for the REAL KNIGHT. All roads lead to Queen of Angels Auditorium, Western and Montrose, to pay our respects to one of the greatest of all knights. Remember the lesson of Charity, brother knights and if it is at all possible come over to the Queen of Angels Auditorium Saturday night and help make it a big night for our good old friend, Marty Hough.

JUDGE GRIFFIN

We were pleased to have with us at our last meeting our Past Grand Knight, Judge John F. Griffin, who delivered one of his masterpieces on Council Activities. It was really too bad that the hall was not crowded on this particular night as John gave a wonderful talk and those who were fortunate enough to hear him went home full of the I WILL spirit. The talk was very timely being our first meeting of the New Year and we are sure that the members went away making their New Year resolutions accordingly. Thanks very much, Judge, and we hope that you will visit us quite often.

HERE AND THERE

Eddie Roche was seen fraternizing with some real Irishmen last Thursday evening along Sheridan Road. The whole Roche clan were present and any one from Belfast did not have a chance. . . . Henry Malone is thinking about joining up again, the old urge gets the old vet every now and then. . . . The Schulers entertained their friends from the Joyce Kilmer Club last week and Frank Coffey horned in—results, Doc and Frank could only be found in the kitchen—doing what . . . The Trustees held another meeting last week and they are sharpening up the axe again, better look up that dues and assessment book. . . . Enos Hamer has bought himself a bob sled to ride over to Maywood every day, it seems the roads are too ick for him. . . . Fred Sextro, Sr., said he would like to hear from Art Shay before Lent comes around again. . . . Doc Courtney is seen daily filling up his window at Broadway and Devon, cannot see much of the office when Doc is in the window. . . . Bill Cooksley is now commuting on the Devon Avenue car line daily since his auto accident. Play it safe, Bill. . . . See you all Saturday night at the Marty Hough Testimonial and at the meeting Tuesday, January 25th.

Setters Busy Planning New Treats for Famous Dads' & Sons' Program

2-4 Thurs. . . . . 4711 W. Madison St.

A gala entertainment program has been arranged for the annual fathers and sons' night to be presented by Father Setters Council next Thursday evening, Jan. 30, at the Madison Athletic Club, 4711 W. Madison St.

The party will start off with eight star boxing bouts between leading C. Y. O. fighters, including several champions of their respective divisions. This will be followed by a number of sure-hit vaudeville acts.

Celebrities of all divisions in the world of sport will be present to greet both the dads and lads and to act as official distributors of the generous supply of door prizes to be awarded.

Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer take this occasion to invite all members of Father Setters Council to the party. This invitation includes the sons of members and their grandsons, nephews and other youthful friends, all of whom will be the honored guests of the evening.

DINNER-DANCE SUCCESS

Two hundred and sixty-two (by actual count) members and guests of Father Setters Council attended the dinner-dance last Saturday evening at the Midwest Athletic Club, and each and every one of them pronounced the party a magnificent success. Every item on the program took place exactly as scheduled. Proceedings began shortly after 9 o'clock with a splendid turkey dinner which was truly a delight for even the most seasoned epicure present.

Brief addresses of welcome were then made by Grand Knight Maurice J. Kissane, the Rev. Timothy Sullivan, chaplain, State Secretary Leo Flynn and Master of the Fourth Degree Joseph A. McMahon.

Master of Ceremonies William Bob Smith and Orchestra Leader Augie Schaid then took over and produced a really brilliant floor show which featured such artists as Olivene Johnson of the Civic Opera Company, the dance team of Garland and Frawley, the talented and popular Mary Jane Lavin, radio favorite and daughter of PGK Edward J. Lavin; Virginia Anne Ruggio of the Hollywood Ingenues; Miss Long, accomplished soprano and daughter of former Treasurer Frank W. Long; Luke McGuff, community song leader (he was the Santa Claus at our Christmas party). Johnny Hickey, who offered his intricate and difficult sword dance, was enthusiastically received by the audience.

At the conclusion of the floor show Augie Schaid's orchestra went into action and from then on until 3 a. m., when "Home, Sweet Home" brought the party to a close, the merrymakers frolicked in hearty, hilarious revelry.

The gratifying success of the dinner dance is directly due to the careful planning and management of Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer and to the splendid cooperation of such stalwart and loyal Settersites as Past Lecturer Roy P. Bedore, Past Grand Knight Edward J. Lavin, Warden Bill Blondin, Financial Secretary Thomas A. Lavin, Past Treasurer Frank W. Long, Bill Hoffman, Frank Cmunt, Johnny Noonan, Jim Macken, Trustee Austin Ryan, James P. Dwyer, Tom Judge and a host of others.

Particularly welcome at the party were the following officers of neighboring councils: Grand Knight James Crosby of Carroll, Past Grand Knights Al Thompson and Roy Benish of St. Patrick's, Grand Knight Jim Kearns of Commodore Barry, Past Grand Knight John McCarthy of De La Salle and Past Grand Knight Gerber of Daniel Dowling Council.

Pinta Plans Unusual Valentine Party for Feb. 6th: Men Only!

1-3 Thurs. . . . . St. Mary's Hall

On Feb. 6th, the meeting of Pinta Council will be an enjoyable, surprising, and entertaining Valentine Party, (you won't have to worry, the ladies will not be present). If everyone turns out for this meeting as they did for the last one, we will certainly have a good time for we can roll more people into the aisles with a full house.

BENEFIT

Pinta Council is sponsoring a benefit to aid the Lecturer in planning more enjoyable entertainment than ever before, both in the meetings and all social events. We think that Bro. Paul Christeck did a pretty good job in 1940, and we hope that it will remain that way this year with the cooperation of all members in selling tickets. One hundred tickets to every book.

Buy as many tickets as you wish, for you will help by buying either one or more. After all, you are the one who has the chance of winning a beautiful new 1941 RCA Victor Table Model Radio. All proceeds and books must be in on the 20th of February, because the radio will be given away on Feb. 21st.

MEETING SCHEDULES

The following is a resume of the meetings your Lecturer has planned for your utmost enjoyment: Feb. 20—First Degree initiation, with refreshments served afterwards. Tickets for the car must be in on this date. March 6—Baseball night should be vitally interesting to you all. March 20—St. Patrick's meeting at which Bro. Dan Perry is going to present his conception of the Wearin' of the Green.

April 3—April's Fool's Night. Competition will be stiff as we single out the leading trickster, jokester, and liar in our membership. April 17—Open House, at which Bro. Joe Cole will introduce you to the new game of Whoopee. 100 prizes will add to the interest. May 1—Polish Night. Bro. Anthony Stepenski has promised a big blow-out, which will be well worth your while. May 15—The sky will be the limit as we bestow tribute on our Past Grand Knights. Fine entertainment and plenty of refreshments will be in order.

Our last meeting proved to be short, sweet and snappy. Bro. John Torpy was the losing man to the tune of four dollars, the attendance prize. Next week it's five greenbacks. Brothers Pete Opyt, Bill Reich and John Lau walked off with prizes in the bingo game.

The number of pores in the human body has been estimated at more than two billion.

Dearborn Degree Class Will Honor Founding Member

1-3 Thurs. . . . . 820 Garfield Blvd.

Next Sunday afternoon, Jan. 26th, the Third degree will be exemplified at Leo Clubhouse. Insofar as Dearborn is concerned, we will take a most important part because we are honoring one of Dearborn's founders and charter members, Bro. John Richert.

Approximately 25 years ago, Bro. Richert with some six or seven others decided to form a council in the order. After surmounting many difficulties Dearborn was formed and has since grown to its present top rating. Through all this, Bro. Richert has been a guiding hand and steadying influence. He has worked these years sincerely and wholeheartedly for the good of the council and of the order. In addition to his council work, Bro. Richert has reared a large family and served the city as an alderman for some twenty years. During his many terms he served as chairman of the Finance Committee and became an expert on the Budget workings. Today he serves as an advisor to the Finance Committee, and aids in the preparation of the annual Budget.

Thus it readily may be seen that he has served his council and his public for many years and has worked to his utmost for both. He is still a very active member and gives complete co-operation to all council activities. Is it any wonder, then, that when the idea of an honor degree was fostered, John Richert was chosen as first in Dearborn to receive such an honor? He richly deserves such tribute, which will be only a small recompense for his tireless work and activity to aid Dearborn to attain one of the best records in the Order. We anticipate a large class for Bro. John and also expect a very large turnout of Dearbornites to witness the ceremony and acclaim a real Knight and Dearbornite.

In passing, let us add that the membership drive continues. There will be more honor degrees. Thus, let's gather momentum and really garner applications for this last half of the fiscal year. In doing this we will be successful in surpassing our quota and be prepared to pay tribute to other worthy members like Bro. Richert. Act now! An application from each member will certainly swell the ranks of Dearborn as well as the Order and insure peace and democracy in America.

FOURTH DEGREE NITE

Last meeting was designated an open meeting in honor of all fourth degree members. A large turnout was on hand to witness the program prepared by G.K. Devereaux and Jim Ivers, lecturer and president of the Silk Hat Club. It included a very interesting movie shown through the courtesy of Bro. Joe Conway, Newman Council, and manager of the Loop Camera Co., 188 W. Randolph St. In addition there were many inspiring talks on the advantages of joining the Fourth as well as the Silk Hat Club. Also there were those usual delectable refreshments and an interesting session with the pasteboards. It was a real evening of enjoyment and the best may to explain is the desire of the members for more of these nights.

MEMBERS AND MEMBERSHIP

DANCE: Just four weeks from tomorrow night, Feb. 15th, Dearborn will conduct its annual pre-Lenten Party and Dance at Stock Yard Inn. The time is certainly slipping by quickly, and before we notice the dance will be upon us. We feel that it is unnecessary to give the members any sales talk about how good a time is in store for us because last year's event will live in our memories and sell this dance.

However, we feel that your attention should be called to that small matter of ticket distribution. The tickets are in the hands of Dave Kerwin, ticket chairman, and his heartiest wish is to get them into your hands so that you'll dispose of them and make prompt returns. That is the main basis of a successful affair and we feel that each Dearbornite is vitally interested in this dance. Thus we urge that each of you procure tickets now, sell them, and make immediate returns.

Therefore, we beg of you to start your stretch drive earlier, in fact now, and make certain that Dearborn achieves one of its greatest successes. We are confident of this because we know our brothers' characteristics for hard work and cooperation in Council activities. Start now. We Can and We Will. Also make reservations early so as to make certain of your places in good position. In order to do this call Mike Mercury, Chairman, Fairfax 3798. To acquire tickets phone Chairman Du Mais, Victory 8780; John Downes, Bev. 7475; Joe Nix, Stew. 2692; G.K. Devereaux, Hay. 3891; Lecturer Jim Ivers, Bou. 9559; or Dave Kerwin, Har. 1250.

While on the dance subject, Chairman Bob DuMais has requested that we issue the call for "Help Wanted." By this he means that waiters are needed to serve at the affair and rather than hire outsiders first, he feels that members should be asked if they wish to occupy these positions. Thus if interested phone Bob at Vic. 8780 and make application. "Attend meetings each Tuesday at 5818 South Peoria Street."

BLOOD DONORS: Dearborn started off with a bang the first of the year. Transfusions were given by the following brothers: Frank Hubert, Edward Seiben, Joe Halik, Joe Fitzgerald, John McCormick (twice), Jim Brynda, Hubert Manzetti, John Carroll and Ted Engeln. Such real Christian charity is certain to be rewarded.

SICK AND VISITING: Chairman Charley Gray reports that Fr. Galla is now in Sacred Heart Sanitarium. Ray Flynn will be home this weekend, recovering from a recent operation. Joe Nix is now home recuperating from a recent operation. And Mike Fahey is ill at home. New additions to Dearborn's family include a lovely baby girl born to the wife of Trustee Bill Quinlan. May we extend our heartiest best wishes.

CURRENT EVENTS: Jan. 24th St. Ethelreda's Holy Name Society will give its first annual card party and dance tonight. There will be cards, bunco, music and dancing. The admission is 50c. Father Woods is in charge of this event and will be assisted by Rec. Secy. John Downes.

Jan. 25—Marty Hough Nite at Queen of Angels Hall, 4310 North Western Ave. Get behind this affair, Dearbornites.

Jan. 26th—John Richert Third Degree.

Jan. 28th—On Tuesday at Leo Clubhouse, Leo Court No. 113, Catholic Daughters of America, will entertain their newly elected chaplain, Rev. Charles Burke, asst. pastor at St. Gabriel's. All members and friends are invited.

Feb. 15th—Council dance.

Feb. 23rd—Fourth degree.,

TRAPPERS: The following missed $5.00 by not attending the last meeting: Bro. William Moore, Steve Laketek, John Eichlen, Aug. Miller and John F. Ryan. $10.00 at next meeting.

St. Anthony's Confer Degrees with Dispatch Before Many Visitors

1-3 Thurs. . . . Schiller and Gustave

Last Thursday evening, St. Anthony de Padua Council was host to the West Division No. 3 for the exemplification of the First and Second Degrees. The class, although not as large as expected, was a very good one.

We wish to thank our Worthy District Deputy, Marco De Stefano, for securing such a fine degree team. We also wish to extend our thanks and appreciation to the team for the splendid and efficient way they exemplified the degrees. Many of our members were due to go to work that evening, and because of the efficiency of the team they were able to witness the degrees and still be to work on time.

Our Council was honored by the presence of many visitors, among whom was a delegation from St. Cyr Council, led by D.D. Marco De Stefano and including Joseph Maggiore, Grand Knight; Joseph Centanni, Chancellor; Sam Saunsardo, Warden; Henry Phoenix, G.K. of Chicago Council; J. J. Ryan, G.K. of Washington Council; R. L. Lovejoy, Fin. Sec'y of Washington; J. W. Himpler, G.K. of Nazareth Council; our old friend Bob Powers, scribe of Nazareth Council; Pete Stoefel, Fin. Sec'y of Cardinal Council.

Also present were Bro. McGlinn, who traveled all the way from the south side to assist on the degree team and incidentally did a very fine job; James Wiedemann, Insurance Field Agent, and many others whose names we were not able to secure. We wish to make special mention of the delegation from Lafayette Council Glee Club, led by our good friend, Mike Lux, who furnished the very appropriate music.

THIRD DEGREE

The members of St. Anthony de Padua Council are hereby notified that our candidates will receive their Third Degree next Sunday, Jan. 26th, at St. Philip's Hall, Jackson Blvd. and Kedzie Ave. The degree will start promptly at 2:30 p. m.

Our Worthy Grand Knight, John Deignan, and his committee are to be congratulated on the very fine refreshments that were served after the closing of our meeting. We hope that everyone enjoyed themselves and to our visitors we extend a cordial invitation to again be our guests in the very near future.

Americus Guests Vote Last Party Worth Repeating

2-4 Tues. . . . . 3350 Jackson Blvd.

Tuesday, January 14th, Americus Council had the first of a series of Bingo Parties. All who attended had a very pleasant evening. Although the weather was very bad, a wonderful crowd turned out. Laughter and gayety filled the entire evening, and the best part of it all, everything was over at a reasonable hour so all arrived home early.

In the future we plan to have these affairs oftener. Just now arrangements are being made for the hall so we may have at least two of these parties a month. Cash prizes for the games are given and also we have ten cash door prizes for a minimum entrance fee. So when our next party is announced we hope to see all who were at the last one and all our friends who missed it.

We were very sorry to hear that Eileen Burns, wife of Bro. Tommy, was confined in the Columbus Hospital last Saturday. This is doubly hard for Tommy to take as they were to have celebrated their first wedding anniversary on Monday. We hope things will be different next year, Tom, and we'll all help you celebrate.

BOWLING

O'Briens still lead the league with the Al Horan's and Powers Movers very close behind. The Gillespies have hit a stride now and are taking everything that comes on their alleys. There was really some sharpshooting Monday, as everyone was getting in real form for the tournament Saturday and Sunday. From all indications we are going to come home with a lot of prizes.

The four teams that Americus entered, bowl tonight, (Saturday, January 25th), and the singles and doubles tomorrow night at 7:30. All members of the Council are invited down to watch and cheer for our gang. The place, C.Y.O. Center, 31 East Congress St., 3rd and 4th floors.

ABOUT TOWN

Fred Scott spends all his time down in the morgue "looking for a live one." . . . Al Stagg parts his hair in the middle now, but the part's about two inches wide. . . . Little Jim Costello won $18.00 at the Bingo Party. . . . Leahy made about as much confusing Archie Corso on change. . . . Jim Hogan kept one of the trays for a souvenir. . . . Bet Jack Crawford detours around Cicero from now on. How about it Jack. . . . Jim Mooney makes the cutest little cashier. . . . Wish Tom Gannon would keep his ball on the alley instead of under the bleachers.

The next regular meeting of Americus will be held in our clubhouse on Tuesday, January 28th. All members should attend as some important matters are to be taken up.

McHale Shocked at Sudden Death of Two Well Loved Members

1-3 Tues. . . . . 150 W. 69th St.

Archbishop McHale received a double shock as the news reached its members that two of our most beloved members had been called to their eternal reward over the past week-end. First was the news of the death of our medical examiner, Bro. Dr. Edward J. Devine who one hour previous to his death was called to pronounce another dead. He returned home and half an hour later was found dead by his daughter, Catherine, slumped over a chair in the parlor, death apparently came from a heart attack. Fire Department rescue squad No. 5 worked over Bro. Devine for thirty minutes to no avail.

He was the husband of Catherine Shea Devine, fond father of Catherine, Edward J., John, William and Robert. A large group of our members lead by Grand Knight Tom Mulroy and D.D. Ed. Molyneaux attended the wake.

P.G.K. DR. E. E. LOFTUS

As the members of our council gathered on the corner of 74th and Perry Ave. to attend the wake of Bro. Devine, word was received that our beloved P.G.K. Dr. Edward E. Loftus had just passed away at St. Bernard's hospital. This news was a terrible shock. We had known for some time that Doc wasn't his old self, we saw him at our Dec. 17th meeting looking fine, a few days later he left for Florida.

At our last council meeting Bro. Sullivan reported that he had received a card from Doc, stating that he was enjoying the Florida sunshine; we all were under the impression that by spring we would be seeing Doc back in fine health.

Doc entered St. Bernard's hospital Tuesday, Jan. 14, took a turn for the worst last Friday and was in a coma until the time he passed away late Sunday afternoon. P.G.K. Loftus was the beloved husband of the late Margaret Jordan Loftus, fond father of Mrs. Eleanor Allemand, Edward J., Mrs. Agnes Karstens, James R., Florence L., Margaret Mary, Robert J. and the late Virginia. P.G.K. Loftus was G.K. of McHale in 1918-19 the year that McHale made that important change, moved into their new club house at 63rd and Harvard Ave. Doc. was a true believer in Knighthood and had attained the highest degree in the Knights of Columbus. Doc. was a member of that famous Pitch Club of McHale, an outstanding figure in his profession, Dentistry and had his office in the loop for many years. Please remember these brothers in your prayers. To the families of both members, our officers and members extend their most sincere sympathy, we can assure you that they shall never be forgotten. May their souls forever rest in peace.

BOWLING TOURNAMENT RESULTS

Last Saturday 45 members of our council started rolling at the C.Y.O. alleys and right off the bat one of McHale teams, Mack Boilers rung up a high score of 3002. Goonan rolled 575 including a 222, Kirkhoff 574, including a 208. Con Kelly's 2884 with Collins 526, Owens 516; American Tailors 2831—Cotugno 512; Mahers 2774—F. Trunk 554 including a 233; Cramsies 2699—A. Retinger 600 including 200, 227; O'Briens 2697; Moninger Jewelers 2652; Cronin Cleaners 2573.

The high teams for our council in the doubles are as follows: Jack and Jim O'Connell—1295, including a 274 for Jack; Berleman and Father Mulroy 1282—including 259 for Mulroy; Diament and Hackett 1217—including 240 for Tommy; Jerry Hogan and R. Ryan 1214—including 241 for Jerry; E. McGuire and Leo Karieva 1212; including 234 for Leo.

SINGLES—Grand Knight Mulroy hit the jack pot for 672 including 226, 224, 222; Kirkhoff 670, including 247, 226; Holm 629 including 228; Karieva 603 including 220. Let's hope that the grand scores that you fellows made stand up for a grand prize. I would like to at this time thank P.G.K. Bill Collins for the fine co-operation, in helping me get the coverage for our members, as chairman of this event he did as always, "A grand job"; his side kick came in from Fort Wayne, Ind. (Larry Frank). Nice going Larry.

NOTES

The Dinner Dance Feb. 8th, Shoreland—line up your party. Saturday, Jan. 25th, Perez Council is having their 9th Annual Cabaret Party and Dance, at their clubhouse. Dancing and refreshments entree $1.10. P.G.K. Jerry Sheehan is D.D. at Perez; P.G.K. Ed Molyneaux of Perez is our D.D. St. James Honors Henry Woodmaster

St. James Council's meeting of January 13th was dedicated to Henry Woodmaster upon the occasion of his retirement from the Chicago Belt Railroad after over 40 years of service.

Seated in the photo from left to right are: Charles Poole, Superintendent of the Belt Railroad; Brother Henry Woodmaster of St. James Council; and Brother Michael F. Stokes, President of the Belt Railroad and the Chicago & Western Indiana Railroad.

Standing, from left to right: Brother Herbert Deany (Calumet), attorney for the Illinois Central Railroad; District Deputy Pat Noonan; Grand Knight Peter O'Connell of St. James Council; and Brother John P. Hand, who was toastmaster of the evening.

St. James Will Hold Grand Opening Next Monday at Clubrooms

2-4 Mons. . . 64th & University Ave.

On next Monday evening the Grand Opening of our new clubrooms will take place. It will be an open house meeting for visitors and friends, with special events on the program. Likewise it will be an excellent meeting to bring that new member around too. Details on the entertainment are not quite known but we believe that moving pictures will be one of the features and refreshments to top the evening's fun. Be sure to attend and have that new applicant out to meet our membership. The time 8:30 p. m.

Only two meetings left to turn in that application. Act now on this important degree.

AROUND THE CHAMBER

Seen at the last meeting were the following old-timers: Martin Reidy, Bill DeVeney, John McFadden, who has been among the missing for several years; Dan J. Kinsella, John McKean, Jim Sweeney, John Kolar, and many others.

Our sincere congratulations to Bro. Clifford O'Neil, who was the proud father of a baby boy. The new arrival came during the Christmas holidays so a more than usual happy yuletide was the result in Bro. O'Neil's home. Best of luck from all of us.

What's become of Paul Cummings, Joe Kemmerling and Hugh Duffin? How about a meeting soon?

Bro. Tom Groark again is showing the members how to do it with two more applications, those of Richard Rourke and John W. May.

Our best wishes to our newest transfer, namely, John J. Buster, who was duly admitted to membership at our last meeting.

A complete report of Monday's officers meeting for the spring activities will be given at at our next meeting. A spring dance is being planned.

Our Wednesday night bowlers are going very good with Joe Schneider and Bud Corrigan in fine shape.

See You Monday at 8:30 p. m.

According to J. Gonzalez, O.M.I., writing in the May issue of "Mary Immaculate," the atrocity record of the Reds in Spain runs something like this: Innocent people murdered, over 70,000; priests murdered or burnt, 17,000; members of religious orders assassinated, between 28,000 and 30,000; churches destroyed or shamefully desecrated, no less than 28,000.

Fr. O'Connor Host to Marty Hough's Friends This Sat.

1-3 Thurs. . . . 4660 N. Kedzie Ave.

Tomorrow nite's the nite, brothers! The most expressive testimonial ever tendered a Knight of Columbus in Chicago is confidently expected when the members and friends of Father O'Connor Council gather to honor that grand old knight, Marty Hough, with a dance and cabaret party at Queen of Angels' Guild Hall, Saturday evening.

You've made plans, of course, to attend this affair. But don't forget to bring with you those other old-time friends of Marty's. They too want to pay tribute to the man who has more than any other individual been the guiding spirit and exemplary knight not only of our council but of councils throughout Chicagoland. This is your opportunity to show him the high regard in which he is held.

Representatives of councils from all parts of Illinois will be on hand to greet Marty, and the committee in charge expects to hang up the SRO sign very early in the evening. We promise you a good time, with dancing for the younger set, professional vaudeville entertainment for the oldsters, and plenty of refreshments for everybody. See you tomorrow night at 4412 N. Western avenue!

WITH THE KEGLERS

A late flash from "Pin-Boy" Doyle reveals that the Shamrocks have solidified their grasp on first place in the bowling league. As a result of last week's maple-splitting they're now two full games ahead of the Furman Funeral quintet. Another game behind, in third place, are the Alderman Ross Boosters. Firmly entrenched in last place are the Navin Tigers, whose feats on the alleys are faintly reminiscent of last season's softball nine.

Team and individual standings:

	Won	Lost
Shamrocks	28	20
Furman Funerals	26	22
Ald. Ross Boosters	25	23
Widtman Meats	24	24
Cristo Printers	24	24
Gannon's Inn	23	25
O. K. Exterminators	23	25
Nolan's Insurance	23	25
King Coals	23	25
Navin's Inn	21	27

The Big Ten:

J. O'Brien, 598; Droske, 571; Dr. MacDonald, 541; Metzen, 538; Engert, 525; Jautz, 520; Speck, 514; Cunningham, 510; Fialkowski, 508; King, 507.

DIS 'N DAT

Bro. Bern Kamins won the quiz contest at the last meeting, but we still question his smartness . . . particularly after his recent hunting trip. Following a visit to a local emporium, he tried to sell his wife on the idea that rabbits' feet stuck in coca-cola bottles and wrapped in bar towels were the result of a day's shooting in the field . . . Applications are being taken for the exemplification of the Fourth Degree on February 23 . . . This class is dedicated to His Excellency, Archbishop Samuel A. Stritch . . . In your spare moments the following sick-bed inhabitants would appreciate a visit . . . Brothers Lambert Young, Julius Reich, and Eugene Peters . . . Also convalescing from a serious operation is Bro. Joe Nolan's mother.

Seen paying fifteen cents for fifteen cent cigarettes at Michael, Todd's theatre Cafe (adv.) were those gay young blades of the council, Johnny Golden, Fran O'Grady, Matt Needham and Bob Nierman . . . George McLoughlin is doing just a little bit too much niteclubbing to convince us that he's arranging all that talent for entertainment at future council meetings.

Aside to Gus Smith: Mary will be on hand tomorrow nite in the company of your scribe to honor Marty Hough . . . which of itself will insure a capacity house . . . Eddie O'Connor attributes his remarkable physique to Sunday morning breakfasts of warmed-over spare-ribs . . . Paul Borck attributes his to a certain calendar which he keeps around the house.

The cold which Walter Kelly is currently giving to his friends is variously credited to the cool lake breezes he's encountering since moving east to the lake shore, and to the debutantes who creates a lusty draft in avoiding him along Lake Shore Drive . . . Johnny Golden is reported keeping late office hours.

University Views Unusual Movie on Fr. Damien's Life

2-4 Tuesday . . . . Rogers Park Hotel

Our Lecturer had a most delightful surprise for us at the Jan. 14th meeting, but we wish for the sake of those brothers who did not attend that he had not made the event a surprise party. Rev. Joseph A. Wagner, M.A., S.T.L., assistant director of the propagation of the Faith, and a member of our Council, presented the intensely interesting and dramatic film, "Father Damien," depicting the life of the Apostle to the Lepers at Molokai.

Father Wagner went the double-feature houses two better by presenting also three colored movies—the funeral of Cardinal Mundelein, the election and coronation of Pope Pius XII and the enthronement of Archbishop Stritch. The Cardinal Mundelein and Archbishop Stritch films were photographed by Father Wagner himself, and he certainly did a fine job on them.

Other councils who want a wonderful evening's entertainment should get in touch with Father Wagner.

MEMBERSHIP DRIVE

Now that the holidays are well over, all of us should go through the accumulated Christmas cards and drag out Membership Chairman Edward B. Dwyer's Dec. 20th appeal for help. Brother Dwyer is extremely modest in his request. He wants only forty new members—so each of us has to bring in only one-tenth of a member each. The able vice-chairman of the committee, Bro. Michael J. Brown, has helped us off to such a fine start that it shouldn't be hard for the rest of us to come through with a tenth or even a half a member each. Send in your card today to Edward B. Dwyer, 1433 Highland avenue, or phone him for quick service at Sheldrake 8155.

At the officers meeting Sunday, a check-up of those present indicated that at least twenty applications would be ready for reading at the next meeting Jan. 28th. Let's see if the rest of us can't get in the other twenty. And don't forget that the new insurance plans make it possible for us to satisfy almost any type of insurance requirement. The value of the new insurance may be seen by the fact that seven members of the Omaha council recently took out a total of $60,000 worth.

Don't forget that now is a good time to bring back that former member of this or another council who lives upstairs or next door. Get them in now so that they can partake in the reception of the new candidates into the First and Second Degrees on Feb. 25th.

FOURTH DEGREE, FEB. 23D

Our neighbor on the north, Newman Council, reports that it will have a class of fifty candidates for the Archbishop Stritch Memorial Class. Let's see if we can't beat them. Bro. John B. McGuire is working hard with the other Fourth Degree members in the council to work up enthusiasm, and he has the promise that Master McMahon of the Fourth himself will be present at our Fourth degree night, Tuesday, Feb. 11th.

Get in touch with John at 6302 Winthrop, Sheldrake 0840, if you have a prospect or if you want an application for yourself or would like to have more specific information about this patriotic degree.

MARTY HOUGH NIGHT

As you have no doubt read elsewhere in the Columbian, Fr. O'Connor Council is to celebrate Marty Hough night next Saturday, at Queen of Angels Hall, 4412 North Western avenue. Marty is known to all the knights in this jurisdiction as the chairman of Christmas Cheer for many years. He is well known to many of our members also for his work on degree teams, though of late years illness has prevented active participation in degree work.

LAYMEN'S RETREATS

Father Oliver, our good brother of University Council and secretary of the St. Francis Lay Retreat League, is again working from St. Anthony's Hospital but hopes to be back at headquarters soon. His report on the attendance during 1940 shows 771 Knights of Columbus in attendance, of which 19 were from University Council. That is less than five per cent of our members though we stood eleventh in the list of councils for the year.

Let's make our attendance at least ten per cent this year. The retreat to be sponsored by University is set for Aug. 8th. That is late enough so that those who would like to make two can get the first in during January or February. If you feel it will be difficult to get to Mayslake Aug. 8th, you will find G. K. John Hesse of Marquette leading the Chicago Chapter group out on Feb. 7th, and the Father Valerius Memorial Class will begin on Feb. 14th.

It is interesting to note that the two parishes from which most of our members come stood high in the parish list of attendance—St. Gertrude's seventh with 38 and St. Ignatius fourteenth with 29.

LEO COURT D. of A. to SPONSOR PARTY TUES. HONORING FR. BURKE

On next Tuesday evening, Jan. 28th, Leo XIII Court No. 135, Catholic Daughters of America, will tender a reception and entertainment at Leo XIII Council, K. of C. clubhouse, 820 West Garfield boulevard, to honor their newly elected Chaplain, Rev. Charles Burke.

For the past six years Father Burke has been assistant pastor at St. Gabriel parish, and by his genial disposition and pristly zeal he has endeared himself not only to the members of the local branch of the Holy Name Society, of which he is the spiritual director, but to all those with whom he has come in contact.

A committee consisting of Mrs. Ann Hofer, Chairlady; Mrs. Wm. S. Mullally, Publicity Chairlady; Mrs. M. McInerney, Mrs. Edw. J. Moran, Mrs. M. Fox, Mrs. C. Conlon, Miss Rose Knechtges, Mrs. M. Harrigan and Mrs. S. Conway has completed arrangements for a most enjoyable evening, and members of the Court and their friends are cordially invited to attend.

Mrs. Louise McQuaid is Grand Regent.

Oak Park Candidates to Receive Honors of the Third Degree Sunday

2-4 Mon. . . 641 So. Scoville, Oak Park

On Sunday, Jan. 26th, the Third degree will be exemplified at St. Philips Hall at 2 p. m. All of the candidates and their sponsors will meet at the clubhouse at 1:00 sharp. There will be a fine class taking the degree and Oak Park will be well represented. Following the degree the candidates will be guests at an informal lunch to be held in the clubhouse.

Every member who can possibly find the time should be with us at this, the major degree of the order. It is only through a good showing at such times that the candidate is impressed with the importance of the occasion. If the member already through the Third does not show interest then the candidate at least is given cause to wonder. Let us unite in a good showing. Remember, this is the thirtieth anniversary class.

OPEN MEETING NEXT MONDAY

On next Monday night the council will hold its regular meeting, following which there will be shown the excellent pictures through the courtesy of the Forest Preserve District. This will be a show that will interest all of the family, and they are all invited as guests of the Council and of the Forest Preserve District. The open meeting will begin promptly at the hour of nine. The regular meeting will commence at 8:00. Be on time, the meeting will be!

BOWLERS' PARTY

Last Sunday was the great party of the bowling league. It was more or less informal, and afforded the members present many laughs and plenty of fun for one afternoon. Two distinguished visitors not members of Oak Park Council paid us a visit. These two were Bill Churchill, and Joe Triner. We were glad to have them and extend an invitation to visit us again, and to stay longer. Some of the members not of the bowling fraternity were John Murtaugh, Mike Ryan, John Donovan, Ed Breen, C. Lex, R. Carraher, L. Rekamp, Joe Kamin and a few others that we missed.

The loving cup went to Brother Frank Veron. It was donated by Brother Frank Holub and was indeed a work of skillful artistry. Under the terms of the win the cup must be displayed in a prominent place in the home of the winner and it only becomes his property after winning it three times. The winner's name is engraved in the beautiful scroll supported by the two bowlers.

The winners in the doubles were: First, Veron and Burke; second, Kallal and Murphy; third, T. Steil and Donovan; low, E. Steil and Brady. RAVENSWOOD SHOWED ACTIVITY AT LAST MEET

1-3 Wed. . . . . 1521 Wilson Ave.

The council busienss meeting preceding Christmas was a very short one, for that was the night Santa came to visit Ravenswood's youngsters; New Year's Day on a Wednesday eliminated the first meeting in January and added that night's work to the pile left over from the old year, all of which, added to the regular business, made last Wednseday's conclave a very busy one. It would make an extremely lengthy column to recant everything, so you'll get just the highlights now.

Ravenswood is to have a representation at the Fourth Degree initiation and dinner, February 23, at the Palmer House. If there are any Fourth Degree members that would like to go and haven't as yet made arrangements with either G.K. Morgan or Fin. Sec'y Blesius to attend the party, and the same goes for any eligible Third Degree members who would like to take the Fourth, they had better get in touch with one of these two officers at once.

The Knights of Columbus national annual Holy Communion Sunday is to be May 4th. Just keep that day in mind so that when plans for our participation are announced they won't come as a complete surprise.

Following is a communication from Membership Chairman Dick Kenney: "For many months we have been working on a completed list of Ravenswood members, with the idea of fostering the spirit of acquaiting each member with the name of fellow members, where they live, and what business they are connected with. While many members returned the cards that were sent them, many failed to return these cards.

"We intend to cover the entire list in this and issues to come of those members from whom we failed to hear. The requested birth date are to be used only for confidential information in connection with conferring honorary degrees. We are waiting to hear from Brothers E. B. Arend Jr., P. J. Barrett, James J. Barret, Chas. M. Boudinet, Arthur, Dennis, John and Edward Bresnahan, Chas. L. Brotherson and Thomas Byrne. Won't you send in that card or come up to the meeting so we can get the dope?

"Following is the lits of council brothers living out of town. We hope to have them visit us whenever they visit Chicago. Happy New Year wishes to you from the council; E. J. Bouchards of Bradley, Ill.; John R. Fox of Villa Redeemer, Glenview, Ill.; Edw. F. Glennon of Milwaukee, Wis.; Edw. A. Gregor of New York City; Arthur T. Lee of Carroll, Ia.; L. J. McCambridge of Manitowoc, Wis., and Chas. L. Stewart of Kansas City, Mo."

COUNCIL NEWS

Add Clem Morgan to the list of worthy blod donors. He did his most generous bit this past week. The council has reason to be proud of fellows like that. It is not often that we have occasion to laud brothers for this activity on successive weeks. Last week it was Lecturer Art Collins and Guard Joe Grady Jr.

The council hastens to urge you to support the testimonial for Martin J. Hough sponsored by Fr. O'Connor Council on Saturday evening, the 25th of January, to be given at Queen of Angeles Hall. Many fellows from our council know Marty Hough personally and the rest of us know him by reputation. Try to get over to his party.

Bro. Jos. Weideman, jurisdictional insurance director, came to our meeting the other evening and expanded upon the information he has given us before. The dope on the new insurance plans and regulations are very interesting and it would be well worth your while to get over to a meeting so that you might learn more about them.

Bro. Ed Korn, who had been among the missing for quite some time, was up to the club rooms last Wednesday. Ed said that he could be counted from now on to be regular in attendance and that he's itching to be put to work. Ravenswood has a lot of jobs to be done and when a fellow offers to help do them, there's no doubt as to his K. C. loyalty.

Aquinas Votes O'Hern, Sheehy, Clifford to Head Building Assn.

1-3 Tues. . . . . 5441 S. Ashland Ave.

Last Tuesday evening the Thomas Aquinas Auditorium Association held its annual election of directors and the three new directors elected were Jack Sheehy, Leo Clifford and Joe O'Hern (all for three-year terms. For the fine work that the association has done in the past year I believe that we should give them a rising vote of thanks and wish them well for the coming year.

After our regular meeting we went in a body to pay our last respects to one of our dear departed brothers, David Hickey, who passed to his eternal reward last Saturday. We extend our sympathy to the bereaved family. May his soul rest in peace.

FIRST FORUM FEB. 4

We are resuming our forum activities for the new year, and the first will be held Feb. 4 at Carpenters' Hall, 5441 S. Ashland Ave. We hope to procure the services of Dr. Adolf Carlson of the University of Chicago. The topic under discussion will be the war situation. He is a very qualified man in his field and a very interesting speaker. Cards will notify you of this coming event and there will be more about it in this column in future issues.

Our financial secretary has informed me that there have been many letters returned to him because of the change of address of many members. Drop Ed a card informing him of your present address if you have moved recently. Thank you.

Next Saturday, Jan. 25, the Visitation Alumni Association will hold its annual dance at the new community center, 55th and Peoria Sts. Many of the wives and girl friends of members belong to this association, so let's have a well represented body in attendance from Aquinas.

Our past chaplain, Father Conway, is recuperating from a throat infection in the sunny clime of Florida on orders from his doctor. Speedy recovery to you, Father.

At our last meeting we had quite a turnout and many old members graced the council chamber, including Harry Griffin, Charley Crowley, Hillard Seiger, Jack Sheehy and others. Keep up the good work, boys; it certainly was a treat to see all of you.

PRAYER SAVES YOUTH WITH FATAL ILLNESS

New York.—Anton Wrba, 17, was dismissed from the Metropolitan Hospital here after he was given a 500,000-to-1 chance to survive an operation performed after a bullet passed through his heart on September 20. The youth's mother declared that it was strong faith and fervent prayer that resulted in his recovery. "He started to get well the day after I put a St. Therese medal around his neck," she said.

The same deep faith in prayer, she contended, brought Anton's sister, stricken with 13 illnesses, back to health 22 years ago in Austria and took Mrs. Wrba's father unscathed through the World War. The Wrbas, despite their great faith, are none the less grateful to Dr. S. T. Glasser, who performed the difficult operation.

Prisoners will make pets of dogs, cats, spiders, ants, indeed any living thing. The reason probably is that even the most hardened have some affection in their system which cries out for expression.

HEN.-SHIELDS TO HOLD BENEFIT PARTY FEB. 12

Feb. 12-26. . . . . 446 N. Parkside Ave.

As one shining example of American patriotism, the name of Abraham Lincoln stands clearly outlined among those who helped make our country the nation it is. His background of poverty and struggle to gain an education through borrowed books read by the light of the cabin hearth fire make epic reading of a man's rise to national fame. Lincoln realized early that knowledge was necessary and therefore he labored toward that end with all the sources available to him. We all know his rise to immortality in the list of a nation's heroes.

Education today is as necessary as it was in the time of Lincoln. More so, in fact. Then, with a few tools and a few head of stock, a man could establish himself and make a living for himself and family. Necessities of life were fewer and most of those were manufactured by the wife in the cabin kitchen.

Although we may sometimes wonder if humanity has improved, today life presents a multiplex picture of activities. New improvements and inventions have stepped up the tempo of life to a point where an uneducated person is totally lost in the maze of problems that confront him on every side. The ability to think and the gift of reason were granted to us by Almighty God, to set us aside from the beasts of the field. Education is the means by which these gifts are sharpened and strengthened to the end that we may understand and enjoy life properly in this existence and look forward with unwavering faith to life hereafter.

It is a happy stroke of chance that Lecturer Cash picked Feb. 12 as the date of our Educational Benefit Party Night. On that night we hope to see our hall filled to capacity with guests whose donations will assist in the education of, perhaps, who knows, another Lincoln.

BOWLING LOG

C. J. Costello & Son Boosters continued their hold on first place by taking all three games from the Frank M. Hayes Barbeques. This is the place for a perfect wisecrack, but you can make up your own. Jim Lynch of the Costellos got over the wire with 203.

Gallgher Plumbers stopped the Foley Grills for two games. The Plumbers let one of the games go through the Grill work. Walsh of the Plumbers twisted one for 221. The Harwood Florals kept going with two wins from the John J. Hayes Stores for Men, McGillivray's 210 and J. Ford's 204 helping the Florals. The M. C. Fogarty Men's Wear had some difficulty, but they did take two from Ed Riley's Insurance Writers, with Yulius Comyn of the Fogarty's cheering about his 209.

In the West Division our team had to call in two substitutes, Frank Daley and Marty Moylan, and while the first game was lost by only ten pins to St. Paul of the Cross, the other two were "Gone With the Wind." Gould fought hard and got 583. Next Friday they meet "Che-caw-go!"

THE SOUNDING BOAD

After many years the council will return to the scene of former happy scenes. Leaving the Graemere Hotel for the first time since its completion, the council will hold its annual St. Patrick's dinner and dance party at the Oak Park Arms Hotel, Washington and Oak Park boulevards, Saturday evening, March 15, 1941. The defense fund tax will be six dollars per couple, rain or shine, sleet or snow, high wind or calm. Start saving for your reservations now.

The auditors, or trustees, if you will, got together on Jan. 13 and went over the financial secretary's books with a fine tooth comb with the result that F. S. Joe Hannon is sending out statements as fast as he can make them out and if he doesn't get favorable replies in the way of cash, money orders and good checks it will be bad news for a few of the delinquent members. Take good heed, my good men, and hie thee quickly to yon treasury before thy head is lopped off.

We see by the papers that our good friend, Jim Shealy, caught himself a 103-pound white marlin on his recent trip to Florida, while fishing from his cruiser, Jacqueline Ann. His fellow members at the Stayms Club are claiming Jim caught this fish five years ago and has his picture taken with it every year following. All we know is that it makes a very pretty picture.

Roy Winterhalter's return from Springfield to civil life was given an added note of welcome encouragement by the announcement of the First National Bank that he had been promoted to the position of assistant cashier. Lots of congratulations and best wishes, Roy, and we are very glad to see you back in Chicago once more.

Tom Tyrrell's holdover party (no double meaning, please) from New Years', a sort of house warming he had been threatening for some time, finally crystallized last Wednesday with twenty some couples admiring his new permanent (so he hopes) home. A highly enjoyable time was claimed by all present.

When we enlist for this war we will have to join a Scot's regiment. We just discovered that our pants from the last war are missing! G'bye.

Ouilmette to Feature Sports Movie at Meet Next Monday Eve.

2-4 Mon. . . 1215 Wilmette Ave., Wilmette

Next Monday night there'll be another meeting. The Chicago Tribune has graciously promised to show its annual sports talking motion picture at this meeting. This is an unusually interesting picture and commentaries will be given by Bob Elson of WGN fame. Chancellor Lefty Steffens, also chairman of the sports committee, will try his best to have some other sport celebrities there too.

The third degree at Waukegan, where four of our men received the major degree last Sunday, was quite a success, as I understand there were 76 men from Ouilmette, Waukegan and Newman Councils in the class.

Our quarterly communion Sunday definitely will be held Feb. 2 at a time and place to be named later. Feb. 2 is also the date that our teams will bowl in the state tourney.

I believe that our bowling league is setting some kind of a record in the state tournament this year, that is its 100 per cent entry. Every man on every team in our league will bowl in this event. We have eleven teams entered and a sizable amount of singles and doubles entries.

The following Sunday our teams will accept Newman Council's challenge. Of course, this match may not seem quite even, but we'll take it easy and not beat them too badly. (Newman, please note.) While on the subject of bowling I might add that now is a good time to start saving for that fund which you'll need to go to Indianapolis. It's not so far off.

Remember the meeting and join the regulars.

Ridge Bowlers Chalk Up Interesting Scores So Far in Tournament

1-3 Tues. . . . . 8219 S. Halsted St.

Ridge Council's three teams rolled in the K. of C. state tournament last Saturday evening, Jan. 18, and gave a very good account of themselves, getting enough wood to give them hopes of finishing in the money. Expect them to go places in the singles and doubles. G. K. Hallstein with a 670 series, W. Barry 627, Matt Thometz 595 and D. Wise 580. No. 1 Ridge team: Erxleben 473, D. Wise 580, J. Shem 512, C. Proctor 505, W. Barry 627—total 2,697. No. 2 Ridge: F. O'Neil 546, L. Hynds 481, Matt Thometz 595, R. Hallstein 670, J. Supple 516—total 2,792. No. 3 Ridge: Mike Thometz 575, M. Feyerer 506, J. Burke 564, C. Teipe 551, L. Marcoux 561—total 2,757.

The singles and doubles will be rolled on Sunday, Feb. 2, at 9 p. m. The brothers who bowl the team events will be joined by Bro. Landgraff, a new member, in the singles and doubles. Next Thursday evening, Jan. 30, will be sponsors' night for the Ridge K. C. Bowling League at the Legion Alleys, 76th and Cottage Grove Ave. All sponsors are cordially invited to attend and enjoy seeing their teams lose.

The Perez special leaves Friday evening, April 5, for the national bowling tournament to be held at Indianapolis, Ind. They have graciously invited Ridge to ride with them. Any member or brother wishing to make this trip can do so for an approximate cost of $11.00, which includes room rent, train fare, refreshments on the train and a real swell time.

HEARD ABOUT TOWN

PGK Phil McGuire left Chicago last Thursday on the C&EI "Flagler" for a three months' vacation in Lake Worth, Fla. Also on the same train, bound for an extended vacation in St. Petersburg, were Mrs. Mary Bergin, mother-in-law of our DGK, "Speedy" McGlinn, and Mrs. Peter Fox, sister of DGK Dick Phillips of Englewood Council.

At the post-mortem held in K&B's after our last regular meeting, Bro. Justin McCarty, Sr., announced the marriage of his daughter, Betty, during the Christmas holidays. You can dish out the cigars any time, "Mac."

DGK Frank McGlinn attended the governor's inaugural ball at the Springfield Armory last Monday, Jan. 13.

In a "'There-Ought-to-Be-a-Law" contest, sponsored by one of our papers, the following were some of the pet peeves registered: doughnut dunking, out-of-order doorbells, talking baby-talk to St. Bernard's dogs, crashing ticket lines, tar on streets, slapping sunburn sufferers, munching popcorn in theatres.

Dowling to Aid in Third Degree This Sun. at Leo

2-4 Tues. . . . 3625 S. Hoyne Ave.

On Sunday afternoon, Jan. 26, our council, in conjunction with other south side councils, will hold a third degree exemplification at Leo clubhouse, 820 W. Garfield boulevard, at 2 p. m.

This will be a large class and our Grand Knight Frank J. Barker is anxious to have a good representation from our council. We have not held a third degree in some time and we have many brothers that took their degree but have never witnessed a degree from the sidelines. This is their opportunity.

FOURTH DEGREE NIGHT

Tuesday evening, Jan. 28, our lecturer, Dr. Laibe, and our chairman for the month, Mart Holland, are putting on a night for the fourth degree and they would like to fill our hall to capacity with third and fourth degree members. They are working very hard to give you an evening of entertainment that you will long remember. They will have one speaker for the evening. Set this date aside and be with us at the next meeting.

COUNCIL NOTES

Mr. and Mrs. Edward Slattery of 3622 S. Blake street are the proud parents of an 8-pound baby boy. Bro. Ed Slattery has made quite a name for himself in motorcycle races in the past years and is the possessor of many cups, plaques and trophies.

Mrs. Slattery and baby are doing nicely at St. Luke's Hospital. We congratulate this happy couple.

Bro. Harold Dowling of Oneida, N. Y., a member of our council for years, is back home with his family at 1247 Granville avenue and is very ill. The last report we received he has turned for the better and we pray that he continues to improve. His brother William is also one of our members, as was his dad, Daniel Dowling. He presented to the council a painting of Father Daniel Dowling which is still in our possession. Harold is general manager of the Line Material Co., Oneida, N. Y. We pray for his speedy recovery.

Bro. Thos. Moran, Sr., of 3420 S. Oakley avenue is back home from the hospital and the report is that he is feeling a little better. We pray for Tom's speedy recovery.

Get into that membership drive stride and sign up that prospect for a new class for the first and second degrees. Remember our slogan, "Every member get a member."

I just received a card from Doc Michels. He is down in the tropics, 2,500 miles from home, temperature 100 degrees, Acapulco, Mexico, and he advises me that he took plenty of colored movies and will show them at one of our future meetings.

MEMBERS, ATTENTION

It is the intention of our Grand Knight to co-operate with all the pastors of parishes in our territory. We want to help publicize, through our column, any affairs that may be taking place in your parish. Mail your news items to me, Dick Kelly, 2856 W. 36th street, and I will be at your service.

The first Tuesday in February will be the election of officers in the Patriotic Club. The meeting will be held at the Stock Yards Inn, Feb. 4, at 8.30 p. m. This meeting is very important and Pres. Jim Ryan would like to see a large attendance.

A cabaret party and dance in honor of our old friend, Marty Hough, will take place tomorrow night at Queen of Angels Hall, Western avenue and Montrose avenue. Marty has many friends in our counci land would like to welcome them next Saturday night. You are cordially invited.

PIN TUMBLERS

Last Thursday night sounded like Europe as our playboy jockey H. Lorden, brought some firecrackers to the alleys and frightened the bowlers to many railroads. Harry Lorden is staying away from cigarettes; he has a holder three feet long.

The Cong. Beam team went crazy last week with a total of 2,633, establishing a new second high for the year. They won three games from the Dr. Laibes, who shot three good games, but the Beams were too hot, with Geo. Love breaking loose in old style and Jim Coogan breaking pins for strikes and it had to be the Laibes.

We will have seven complete teams roll in the state tournament at the C. Y. O. alleys on Sunday afternoon, Feb. 2, at 4 p. m. Our president, Harry Lorden, invites you to come down to watch and root for your council teams.

Our Grand Knight, Frank J. Barker, rolled with the G. K.'s two weeks ago and did a nice job, rolling 448 without the handicap. Of course, there is a reason—his wife was on hand to root.

Pres. Lorden held a short meeting between the second and third games and made an announcement of the national bowling tournament at Indianapolis, Ind., and asked how many would go and about 20 bowlers said they would.

The results last week were: Dalieges took two from Hartnetts. Dr. Michels took two from Gormleys. Zintaks took two from Dunnes. Beams took three from Dr. Laibes.

Bowlers in the 500 class bracket: Deterick 547, Coogan 547, Love 534, Christin 514, Riley 511, Spencer 509, Wantroba 509, Mulholland 504.

Chicago Hts. to Meet Next Monday Evening; Big Attendance Asked

2-4 Mon. . . . . 1527 Otto Blvd.

After being absent for the past three meetings, and also not having any columns for The Columbian, I feel it my duty to apologize. The reason is due to illness and although I'm feeling somewhat better today, the doctor is still around. While ill, I have been trying to find the cause for the lack of attendance at our council meetings and its affairs. It surely cannot be the fault of our Grand Knight and his staff. Lecturer Oscar Fox is trying hard to make all meetings entertaining. He has arranged a very nice program for the next meeting which will be Monday, Jan. 27th, so we urge all of you to be there. Our G. K. will transact the business matters as rapidly as possible, so that the members may have more time to enjoy the social program. We again urgently request you to be present, because we think that if you will participate more frequently in council activities you will be amply repaid for any efforts you make.

Chicago Heights Council should not be on the stand-still list, for every year is a critical year. By showing your interest in our council affairs, you will make it possible for others to rise to even greater heights of accomplishments. If we all work a little each year, we will not face any losses, but we shall have marked gains to our credit.

Your Grand Knight, Joe Dionne, is most anxious to have the largest crowd possible present, both for the reason that it is most befitting that the membership should for once respond to this invitation and because he has a very important message for all. What about our membership campaign? There surely must be a lot of good material in our district. Let's get on the trail of some of these boys in your parish. Give them the old pep talk and then have them put their John Hancock on the dotted lines. How about those former members, whose memberships have lapsed. Why not get them back in line again?

SICK AND VISITING

We are glad to announce that Bro. Bernard Mackler, who met with a serious accident two months ago, has been able to leave the hospital and is at home at 1535 Chicago Road. We hope Bro. Bernard will be able soon to visit us again. We would be honored to have some of our members visit him.

At our last meeting, Jan. 13th, Bro. Wm. O'Neal was elected trustee to fill the vacancy of Bro. Doloway who resigned due to business pressure. Congratulations, William, we know you can fill the bill.

LAST MINUTE FLASH

The following brothers of C. H. Council participated in the K. C. Bowling Tournament in Chicago: Bros. Mat Walwer, Ed J. Lux, Elmer Newquist, Wm. Mathews and Walter MacMurray, composing team No. 1. Those in team No. 2 were: Bros. John Holwell, Richard Connolly, Bud Whiting, Emmet Hand and George Hardina. Although their presence may have helped to color the festivities, they were unfortunate in not being able to carry home any of the trophies, although George Hardina having high score of 668.

Monday night a number of our members gathered at the West End Undertakers Chapel, where they paid their last respects to Mrs. Whalen, who passed away Saturday, Jan. 18th, after a long illness. Thos. Whalen, one of our members and G. K. for a number of years, passed away last May. May their souls rest in peace.

HUGHES DEGREE CLASS SPEEDS MEMBER GAINS

1-3 Tues. . . . 4711 W. Madison St

Hughes Council played host for the West Division Group No. 1 at the exemplification of the first and second degrees on Tueseday last, Jan. 21. G. K Louis Postilion, D. D. S., was particularly eager that this exemplification be not only large, but the most impressive of the season, and it goes without saying that the lessons of these two important steps toward ultimate knighthood were most effectively emphasized for the candidates.

There is always new beauty in these ceremonies even for the knight who has witnessed such initiations many times. The degree team was in exceptional form, it might be said en passant, and West Division No. 1 can be properly proud of this particular achievement.

COUNCIL DANCE FEB. 15

Hughes Council, No. 1005 K. of C., cordially invites the knights and ladies of Chicagoland and their friends to the annual dancing party to be held on Saturday evening, Feb. 15, 1941, in the Madison Athletic Club, 4711 W. Madison street. All the attractive features of previous balls will be rolled up into this great big wonderful party. Bill Rohter and his popular orchestra will dispense the dance tunes — dreamy waltzes, snappy fox trots, fast one-steps, fantastic rhythms for rhumba, conga, and you can improvise your own steps if you feel so inclined.

General Chairman George N. Daly, D. G. K. of Hughes, has been busy as a bee extracting all the fine features of other dances to be sure that this Feb. 15 pre-Lenten party will be the best in a long time. Which is saying a lot.

Bro. John F. Korbel, chairman of the dance ad program, says the deadline is fast approaching and beseeches anyone who desires representation in the program to contact him at once, or let him know of any prospects who would like to be contacted. The attractive ad program is decidedly an important part of the annual dance, so give a hand.

COUNCIL LEAGUE BOWLING

Malone & Clancy maintained a grip on first place by winning two games from the Toomey Tavern team last Friday, copping the first by the narrowest of margins when Bob Tipman added a strike in the tenth to one he had chalked up in the ninth frame. The Toomeys roared back in the final with a big game. Lauterbach Coal moved into second place by virtue of sweeping their series with Flaherty Tavern.

Deadlocked for third are Howell Restaurant and the Votava Auto-Fixers, with others challenging their position. The Peter M. Kellys, led by "Fitz," and Advocate Art Kreutzer, who won the odd game from the Howells despite a fine series by Ed (Midge) Gorman. The Votavas had a brilliant 1.145 count in their opening game against the Ward Builder Blues, but fell from that lofty estate in the next two engagements, dropping both of them. Dietz paced the Blues. Bill Benes showed the way for the Votavas.

The Ward Builder Golds took all three from the Alderman Richard M. Walsh 36th Ward Boosters, the Golds having a ripsnorting big game in the final. The McKeown Cartage team is in the thick of competition by reason of winning two from the Douglas Coal Company.

The Council League boys bid a fond adieu to Bro. John (Shadow) McDonald, captain of the Howell Restaurant team. John was slated to be drafted in a few weeks, but volunteered and was called for service last Wednesday. He would be quarantined at Fort Sheridan, he said, for several weeks, and then assigned to a particular camp. He aspires to the aviation branch of the service. John has some 200 hours in the air to his credit, for it will be remembered that he was an aviation student several years ago and just about got his commercial pilot's license.

Sunday, Feb. 9, 9 p. m.—T. McDonnell and W. Brown.

MAJOR LEAGUE BOWLING

Although the G.K. and D.G.K. gave moral support to our star-studded Majors last Friday, the boys dropped the first and last games, but shot brilliantly to win the middle setto, a 1033 game showing: O'Brien, 242; Pender, 181; Kaminski, 204; Slanina, 215, and Kowalski, 191. O'Brien had a 601 series.

Last Sunday the Majors rolled a postponed series with Bishop Ketteler Council and Hughes took two games. Jack Rusnak, bowling for Al Kowalski, got 564 series. O'Brien was again high with 582 and Anthony Slanina duplicated Rusnak's 564.

Another postponed series was shot—this in the Council Bowling League—with the Ward Builder "Golds" winning the odd game from John H. McKeown Cartage Company.

DANCE ADDITION

Get your ads in to Chairman John F. Korbel. Sell those dance tickets which have been distributed and ask for more. It's going to be a big job to put across this affair in style befitting a Hughes' success. The ballroom provides plenty of dancing space, and tables will be available for those who desire to rest their elbows for improved aim! Genoa Mourns Passing of First Grand Knight; Bro. Thomas W. Fullem

1-3 Mons. . . . . 7439 Cottage Grove Ave.

With this issue of the Columbian comes the sad news of the passing of Thomas W. Fullem, Genoa's first Grand Knight. Tom was one of the organizers of the Council and played a commendable part in the growth of Genoa Council. He was always actively interested in the future of the Knights of Columbus and was a splendid example of Catholic manhood. Practicing its principles not only while in the confines of Catholic Societies but also at his home and in his business transactions, P.G.K. Fullem has done much for the huge gain of membership in the Knights of Columbus. Always when an opportunity presented itself to secure a candidate for the Council, Tom was more than anxious to see the man through and to follow him through all his activities while a member. When advice of importance was desired, the officers and members would seek the knowledge and experience of Tom.

Genoa has lost a splendid member of Knighthood. We who knew Tom intimately know that his loss can never be replaced. To the members of the family, we express our sympathy. May his soul rest in peace.

FATHER KING'S NIGHT

The last meeting of the Council was dedicated to Father King, Genoa's new Chaplain, who succeeds Father Walsh, who resigned due to being transferred to the North Side. A splendid showing of members graced the Council chambers and as Brother Mulcahy, so well stated: "There are as many, if not more, present at the meeting tonight to honor Father King, then there were at the bier of Genoa's first G.K. Tom Fullem last night." A very large attendance being present at the mortuary the night before.

Father King expressed his happiness at being the new Chaplain of Genoa and stated that he would try to be active in all the affairs of the Council.

We assure you Father King that the membership is well pleased with your acceptance and shall try to do everything to make your stay with us a very happy one.

G.K. James F. Riley, Jr. called upon various chairmen to give reports on their activities. Bro. Getty, reported on the Membership Drive; Bro. Condon reported on the Cabaret Party which is scheduled for the near future. All the reports augur well for the future success of Genoa.

ST. CYR TO WORK FOR CENTURY CLUB HONORS

1-3 Mon. . . . . 1609 N. Halsted St.

On to the Century Club, is the theme of St. Cyr men. For the next four months our main efforts will be directed toward the achievement of a goal which St. Cyr has come close to a number of times.

To inaugurate this great drive, Lecturer Anthony Scarpinato in conjunction with the membership committee, has designated our second meeting in February as open house night. Thus on Monday night, February 17th, St. Cyr will be host to your friends and prospective member. Ask that good Catholic men to join the Knights of Columbus. Invite him to open house. Point out the advantages of belonging to the most selective group of Catholic men that can be found.

You won't have to sell the Knights of Columbus. It sells itself. But a man will not join if he is not asked. Bring in that son of yours, or close buddy, or your dad or any one of a dozen men that you can think of right off hand.

BOWLING REPORT

Our last meeting was dedicated to the seventy men who are now in the most heated bowling tournament that our council has seen in a good many years. Our past President Frank Perlongo who did such a splendid job last year in piloting the brother members through a very successful season, was presented with a belt and buckle with the Knights of Columbus insignia. A small reward for the responsibilities assumed, but nevertheless appreciated by the genial little Frank who so dearly loves his council.

The Illinois State Tournament saw our five top ranking teams invade the C.Y.O. Alleys last Sunday night. Upsets, low bowlers, high bowlers, etcetera, ad infinitum was the keynote of the evening. Ever mindful of their duty to their sponsor, Joe Maniscalco, boys last Sunday night, took the honors with a series of 2889 (with a spot of somewhere in the neighborhood of 500 of course). Results are posted on Page 12 of this issue.

Al Apicella, that financial genius in the mirror works had reflections of himself down at his shop as a 265 bowler. Many a night did he picture himself as the man whom every bowler in America hailed. But lo and behold Brother Knights you know what he did one game? Promise not to whisper a word of it to anyone. NINETY-TWO.

The other prize of the evening went to that other sensation of sensations, that all around, or should I say that all round, cigar smoking athlete of the easy chair and the house slippers, Tony Scarpinato. Congratulations Al and Tony. I suppose you want to know what he rolled? Aw shucks, NINETY-NINE.

COUNCIL BOWLING

The Strano Printers at the last session rolled a high series of 2485, to knock down all opponents with three wins and no losses. Right behind them came the Cheer Up boys with a 2416, and the Granata Undertakers with a 2391. The team high single game was copped by Cheer Up with a 903, followed by Mohawk with an 868 (which incidentally has been my home address for the last twenty years, but which will shortly be changed) and right behind them the Morreale Oilers with an 867. Vic Rizzo rolled a high of 616, followed by Rynie Rannochio with a 561, and right behind them Sam Piraino with a 556. The individual honors went to Marco Destefano with a 233, and sharing the spotlight, again we see the name of Rynie with a 222 and that sensation of sensation who rolled a NINETY-NINE last Sunday night, with a 222.

The league standings at this time are as follows:

	W.	L.		W.	L.
Maniscalca	32	16	Bond Clothes	24	24
Cheer Up	30	18	Granata	24	24
Cancilla	28	20	Rago Bros.	22	26
Strano	28	20	Continental	21	27
Morreale	27	21	DeCola	17	31
Lucania	26	22	Rubinelli	17	31
Archer Glass	26	22	Mohawk	15	33

CYRIOUSLY SPEAKING

Jim Priola, brother of Vic Priola, has been ill for some time but is now on the read to recovery. . . . Likewise with Joe Murglin. . . . Brother Mike Abbinanti, old time St. Cyr member, a little bald headed or should I say quite a bit bald headed, was last week the beaming pappy of a little baby girl. . . . Like the Mamma, who is doing very well, the little one will be named Christine. . . . Congratulations, Mike and Mrs. Abbinanti.

Remember brother members. . . . We hold our meetings on the first and third Mondays of the month at the Prudential Hall, Halsted St. and North Ave. . . . Many of you attend meetings regularly. . . . Many of you manager to take in one every two months or so, many of you once a year, and many of you just pay dues and have another member come to the council chambers with your dues or mail a check in. . . . Try coming sometime, those of you who have been negligent in your duty and get acquainted. . . . In all the meetings which I have attended I have never yet come to a meeting, where there have not been enough refreshments, for all present, and on many occasions, delicious sandwiches, and other choice bits of foods, which I am sure you will all enjoy. . . . But most of all Brother Knights, present at all meetings, and at all times is that spirit of fraternity, brotherhood and good cheer which no money in the world can buy. . . . Won't you attend our next meeting?

With bowed head, trembling hand and uivering smile we reverently bid a final arewell to our senior brother Knight, dwin D. Brough, who passed to his eteral reward January 12, 1941. Funeral ervices were held from St. Thomas the postle Church on Tuesday, January 14, ith burial at Mount Olivet cemetery. ather Hemrick sang the requiem high lass and paid tribute to this noble son, numerating a few of the personal incients, common in Mr. Brough's life, that dicated so clearly what a fine father, sterling Catholic gentleman and gracious benefactor he was.

Brother Brough had been sick only bout ten days having just returned from Biloxi, Mississippi, with his daughter, rs. Boone, when he became ill and went the Illinois Central Hospital for treatent. Arthritis and bronchitis finally eakened his resistance so that pneuonia set in and caused his death.

He was a retired locomotive engineer rom the I. C. R. R., with a meritorious ecord. He celebrated his 85th birthday st Christmas, traveling in style on oard the streamliner to the southland. p to the last, he had enjoyed the best f health, had the use of all faculties nd was alert, neat, dignified and good ooking.

This good brother had been a Knight f Columbus for the past 35 years and ad attained the highest degree, that of ir Knight. He was a keen advocate of he St. Francis lay retreat, having atended the last eight De La Salle reeats at Mayslake and had contributed enerously to the support of this movent. He attended all of the council's ommunion gatherings; most of its social vents and a great many of its regular eetings. He was so regular in attendnce that the boys would always inuire, "where is Brother Brough?" He ad the keenest kind of wit and could ffer valuable counsel to any brother at ny time.

We will miss Brother Ed Brough most ncerely. He is survived by one daughter, Mrs. Mae M. Boone, and two sons, Edwin S. and James A. Brough. To hese members of the family, we offer our eepest sympathy and trust they will deive consolation by knowing that the ouncil will offer prayers for his eternal fe.

Brother Howard Brennan volunteered to take over the chairmanship of the Membership Committee for the balance of this fiscal year. This is a personal favor to the grand knight and a needed requirement of the council. Thanks to Howard. It is certain he will lend every effort to the job of attracting new members. Our new motto, "Every Member Get a Member."

Brothers Dick Zellar and James Sheehan have volunteered to act as co-chairmen of the program and entertainment committees, thus assisting brother Joe O'Brien who is quite sick. Zellar and Sheehan deserve our gratitude for their sense of duty and with a little work and worry will plan some fun and relaxation for the members.

The council is sorry to learn of Joe O'Brien's sickness and did not know until just a few days ago that he had been at St. George's Hospital for treatment. It is reported he is home again convalescing and is able to have a few visitors. We hope and pray for his speedy recovery. Come on, Joe, let's go; we need you badly.

Brother James McGinnis of 844 E. 40th street, is ill, as is James Morgan of 7245 Prairie avenue. To these members we again extend our sympathy and pray for their speedy recovery.

Solicitous brothers appointed by the grand knight will soon call on a few of our delinquent members who are in danger of being suspended and it is hoped that these members in doing a Christian and brotherly duty can bring the erring members back into the fold and at least secure their promse to come in and talk over their trouble with the financial secretary or grand knight.

Marquette Will Have Technician at Next Meet of Donor Club

1-3 Thurs. . . . . 1928 Devon Ave.

Grand Knight John E. Hesse has made arrangements for the presence of technicians at our next meeting to type the blood of any member who will volunteer to act as a blood donor whenever a transfusion may be required. Our Grand Knight has expended much time and energy in making this arrangement so heed the necessity of attending this meeting. It will be nice for any member to have his blood typed anyway regardless of whether you ever act as a "donor" or not.

CONDOLENCES

Miss Mary Cassidy, sister of our baseball manager and well known brother knight, Tom Cassidy, was taken in death last week. Funeral services were held last Monday from St. Timothy's church with burial at Mt. Carmel. Officers and members of the council extend their sincere sympathy to Bro. Cassidy in his hour of sorrow.

Warden Walter Pettis last Thursday was a member of a class being initiated in the American Legion; it was a solemn and beautiful ceremony. . . . Police Sgt. Tom Meagher is on the sick list convalescing at home. . . . Frank Wilhelm is entitled to much thanks from the council for his untiring efforts in always having our refreshments prepared for us following the meeting—wish there were more members of his type. . . . Chancellor Driscoll was present last meeting after a long absence—the council was glad to see him back in his chair. . . . Also present after a long absence was Ned Kempf, who was very much acclaimed by all. Bro. Kempf, you know was our champion member getter last year.

FOURTH DEGREE

Our Fourth Degree—Bro. Joseph H. Meyer advises he has not sufficient applications for the Fourth Degree class of February 23d and hopes the Third Degree brothers will avail themselves of this opportunity by signing up at next meeting Feb. 6th.

BOWLING

The bowling results of Jan. 14th as forwarded by League Secretary Frank Loderbauer are as follows:

The McGuire Wildcats won all three from the Delana Demons. High for the McGuires was Bro. Walter Bergen with 486, and high man for the Delanas was their Capt. D.G.K. Chas. Schmal with a score of 459. On this same evening the McGuires also won out on the playing over of a previous two-tie games, giving them a blitzkrieg (so to speak) of all five games over their adversaries.

On the other alley where the Donoghue tricks and the Griffin Tigers were playing it out it was not so onesided — the Donoghues won two of the three game series. High man for the Donoghues was Bro. Tom Murray and high for the Griffins was League Secretary Frank Loderbauer.

Standings up to date are:

	Won	Lost
Delana Demons	25	20
Griffin Tigers	23	22
McGuire Wildcats	23	22
Donoghue Tricks	19	26

ST. RITA'S 2034 CLUB HOLDS PARTY, FEB. 1

1-3 Thurs. . . . . 6048 S. Fairfield Ave.

"I've got a lady here, doctor."

"Well, what's she doing Feb. 1?"

That was the good word today as the single members and friends of St. Rita Council began a last-week drive for "dates" for the 2034 Club's annual winter cabaret party, to be held on that date at Mike Flynn's hall, 3236 W. 63rd St.

The above isn't the gospel truth, of course. We're "jest jestin'," as the saying goes. How could any lad, even "Jumbo Jack" McNally, have any difficulty getting a beautiful young lady to squire on that eventful evening, what with the super-super attraction the affair promises to be. In fact, the "objects of our affection" (please excuse, Pinky Tomlin) are so plentiful—rumor has it that Ray Sullivan has made two dates for the party. Let's see him bowl out of that one.

Speaking "cereal" though, brothers, reservations for the party are pouring in to Reservation Chairman Ted Lee in such quantities that be asked General Chairman Charlie Clarke for an assistant. Among the brothers intending to bring large parties are GK Charlie Nash, Harold Hilbert, Pete Martin, Dr. Hoffman, Joe Shanahan, Ted Ranicke, Ray Bernoski, Pete Salvatori, George Kucharski, Connie O'Sullivan, Pete Serone, Chris Orsinger, M. Kaminskas and a host of others.

If you have a party of ten or twelve people, enough to fill a table, you may reserve same by calling Ted Lee at Rep. 2116. For more tickets call Jerry Healy at Pro. 5219. With what the party has to offer—dancing, amber fluid, orchestra, entertainment, huge dance floor, free parking, and all for $1.10 per person—Mike Todd's Theater Cafe, which we will personally vouch for, resembles a Keokuk barn-dance.

2034 MEETING

The last meeting of the 2034 Club before the cabaret party will be held Thursday, Jan. 30, at the clubhouse at 8:30 p. m. President of the fourth degree, John McGowan, and chairman of the cabaret party, Charlie Clarke, urge all members to attend in order that any eleventh-minute changes in plans may be ironed out. As a special feature Doc Hoffman will prepare a spread of clam chowder. ALL PROSPECTIVE MEMBERS OF THE FOURTH DEGREE ARE INVITED TO ATTEND.

More than 70 members attended last week's entertaining meeting, highlighted by a movie titled "Know Your Money." Lieut. Grover of the Secret Service explained some of the workings of his organization and gave the members some tips on how to outwit counterfeiters. He was tempted to arrest John Vonch and John Barnoski on suspicion of their many questions but fortunately Lecturer Gus Hilbert intervened.

Strange faces at the meeting included Tommy Byrnes (senior and junior), Wm. Fleming, Rev. Eugene McCahey, Bert McCarry, Martin ("Tiny") Seneca, Tom Gay, Frank Boyd and Bernard Nilles.

THINGUMBOBS

Jack Devlin had a birthday Jan. 18. He refused to give the number but we understand he isn't eligible for the draft. . . . Frannie Nash threw two balls in the gutter in the bowling league last week. Reason: his team was bowling on alleys adjacent to those used by two girls' teams. . . . Edwin and Paul Apida are passing out the cigars. A boy was born to Mrs. E. Dec. 23, 1940, while Mrs. P. is the proud mother of a girl born Jan. 17, 1941. . . . Roy Perell, at this writing, is confined to his home with a throat infection. . . . Jimmy Leonas—remember him?—has moved to Homewood, Ill., rural route No. 1, Box 124C. . . . Have you filled out the application for the fourth degree? Why not contact Chairman Frank Small, and do so immediately?

CONDOLENCE

St. Rita Council expresses its most heartfelt sympathies to the family of Bro. Charles E. Tucker, who passed away to his eternal reward Tuesday, Jan. 14. The officers of our council attended the wake in a body. Funeral services were held Friday, Jan. 17.

STRIKES TO "SPARE"

With the first five teams so close together that you could cover them with an oversized pancake, the St. Rita Council Bowling League race is one of the closest in the history of the league. Standings of the first five, including last Friday, with the win figures first, are: Manor Radio, 30 and 18; California Tavern, 29 and 22; Sullivan Morticians, 28 and 23; Doctors, 28 and 23, and Tourist Motors, 28 and 23.

In special fields:

High team single game: Lauf Pharmacy, 1,029; Reid Pharmacy, 974, and Egan Undertakers, 973. High team series: Sullivan Morticians, 2,756; California Tavern, 2,700, and Egan Undertakers, 2,669.

Individual high for one game: Sommers, 264; Fracassi, 258, and Sullivan and Kiaurakis, 257. Individual high series: Sommers, 684; Sullivan, 681, and Fracassi, 663.

Nazareth Stresses Constant Efforts for Member Gains

2-4 Tues. . . . 17 W. Harris, La Grange

Well, where are those membership applications? It seems like we are very spasmodic in our efforts along this line. We show a sudden spurt and bring in one or two applications, then for a long time we crawl back into our dens and hibernate for a period.

It's the steady plugging that does it, men. It's just like selling. You call on your customers today and one after another they give you the same old story. Result: no sales. Tomorrow is the same story, and the day after, then all of a sudden you pick off one or two and then a couple more and eventually you have the proposition tied up all along the line. Now supposing you had stopped calling on these people after being rebuffed once or twice, you could easily lose the entire business.

Let's apply the same principles to our efforts to obtain members. If a prospect turns you down today it doesn't necessarily follow that he is a dead issue for the future. Try him again next month or later. Look around you in your parish and make a list of the eligible men that you know. Approach them either directly or indirectly on the proposition and if you don't get results the first time don't drop them cold. Let it rest for a time then bring it back again. Above all, don't let the other fellow do it. Remember it's your council and the success or failure of your council depends entirely on your efforts coupled with those of the other fellow.

While on the subject we give welcome to Bros. Bates of Brookfield and Stacey of Downers Grove, who received the honors of the second degree recently at St. Anthony De Padua Council chambers. To you we say: Let's see you often at council affairs. Make yourselves active. You will get more out of your membership that way. We would like to see a big turnout at the third degree exemplification to be held at 3141 W. Jackson Blvd. Sunday, Jan. 26, at 2:30 p. m.

BOWLING RACE TIGHTENS

The race in the west section bowling league is tightening. Mahr Roofers, who have been in the lead consistently, are being given a merry chase by the Watkins team. Only five games separate the two teams now. Standards: Mahrs won 35, lost 13; Watkins 30 and 18; D. G. Motor Sales 24 and 21, Triangle Service 24 and 24, Dieter R. E. 22 and 26, Brottans 20 and 25, Tivoli Candy 17 and 31, Western Tire 17 and 31.

From the state tournament we have the following results of games bowled so far: The team of Stacy and Kriz turned in scores of 520 and 689 respectively for a total of 1,209. The east team composed of Thuma and Shellenberger scored 639 and 644 respectively for a total of 1,283. In the singles Stacey scored 243, 239 and 179 for a 661 total. Kriz scored 185, 196 and 183 for a total of 574. Thuma came through with a 218, 207 and 173 totaling 598 while his partner, Schellenbaum, scored 188, 186 and 200 for 574. These figures include handicaps. All five-man teams are scheduled to bowl Sunday, Feb. 2, at 4:15 p. m. on the third floor alleys of the C.Y.O.

"CHILI" NIGHT—BUT HOT MEETING

Our lecturer promises us a treat for the next meeting in the form of a chili supper with appropriate refreshments. Judged by the standard of recent meetings this ought to be a good one, which reminds me we do not see enough of some of the brothers. Without taxing our mental capacities we can think of several we would like to see again. For instance Bob Kinnare, the legal light and master of ceremonies par excellence; Bro. Farrell of La Grange; Walter Rosemeyer, quiet and unassuming but a fine chap nevertheless. Ben Martin is another absentee. Wish he would stop building trucks long enough to drop in on us. We will overlook that evil smelling thing he calls a pipe. Tom Canty of Downers Grove is another. Howdy, Tom. How about a little visit? Some people say that the membership as a whole does not always read this column. We say they do. We'll prove it to you doubters in this way. Come to the next meeting and you will see some of the brothers mentioned above. Hey, you guys! For the "luvvapete" some of you be on hand. Don't make a liar out of your scribe. 'Bye now.

Don't forget that third degree. Let's be on hand to see Stacey and Bates receive the honors. Be seeing you there.

Big Guns Begin to Boom in State K. C. Bowling Tourney

The heavy artillery was set in motion last Saturday and Sunday at the State K. of C. Bowling Tournament at the C. Y. O. Alleys, Congress and Wabash Aves., here.

Eighty odd teams took their turn in the firing, and at the close of Sunday's play, United Airlines of Barry Council was perched on top of the team standings with a magnificent score of 3095, T. Murphy contributing 650, Ed. Kurtz 643, Dan Keating 618, J. Kurtz 616, and O. Klineman 568. That count rates tops in any man's tournament.

Archbishop Weber Council turned in a 3018 for second spot and Mack Boilers of McHale had 3002.

Ray Leick and Joe Sinke of Brownson led the two-man event with 1317, Sinke doing the heavy work with 742. C. O'Connell and J. O'Connell of McHale are next to the leaders with 1295, followed by E. Berleman and F. Mulroy, also of McHale, with 1282.

J. Sloan, Jr., of Peoria, sporting a maximum handicap, leads the individuals with 722, followed by T. Mulroy of McHale with 672.

J. Rudcki of Arch. Weber is on top of the heap in the All Events with 1961, Joe Sinke 1946, Wally Bergen 1919.

Barry's twelve teams, St. Patrick's eleven, McHale eight and Elmhurst seven, were the largest delegations. McHale also had fifteen doubles and thirty singles representing their council.

rownson Cites Many Reasons for K. C. Insurance

Fri. . . . . 4754 N. Western

At our last Council meeting Special ent Eaton of New Haven, Conn., out- ed the new insurance features of our der. With the new forms of insur- ce and the low rates offered, our mbers have another fine selling nt and incentive to aid them in our ve for new members.

The new Knights of Columbus insur- ce is attractive to present insured mbers, as well as to prospective mbers, because fraternity is made il and practical through the opera- n of the insurance feature; the finan- l stability of the Order is attested the fact that for every dollar of in- rance liability (actual and contin- nt) it has one dollar and nineteen its of insurance assets; and in no tter way can an estate of from one ousand to ten thousand dollars be readily created than by taking out surance on one's life in the K. of C.

The Knights of Columbus has been iting insurance on the lives of its embers for over fifty-five years. It s not only the experience that comes th years, but has withstood the test time. It has the best actuarial ad- ce. State laws govern its operation, d insurance commissioners speak in e highest terms of the K. of C. step te plan. Besides the step-rate plan, ur new plans are now offered. Life, id-up at age 70, twenty-year pay- nt life, thirty-year payment life, and dowment at age 65.

Another feature of the new insurance that double indemnity and disability iiver of payments can be had for a ry small additional charge. Insurance written from eighteen to sixty on the st two above mentioned plans, and om eighteen to fifty on the others. idea of the attractive rates can be t from the following: Life, paid-up 70—Age 18, $14.62 a year; age 25, 7.35; age 35, $24.42; age 45, $39.03; venty-year payment plan—Age 18, 2.63; age 25, $26.18; age 35, $33.14; e 45, $43.98. Thirty-year payment an—Age 18, $17.45; age 25, $20.06; e 35, $26.02; age 45, $36.42. Endow- nt at age 65—Age 18, $16.73; age 25, 0.55; age 35, $30.98; age 45, $52.86.

Our Financial Secretary has a rate ok which gives full information ncerning contribution rates, non- reiture values and occupational rat- gs as well as detailed explanations each form of certificate. Brothers, surance is something that should not put off until tomorrow. Tomorrow u may not be able to get any. If you ve no insurance now, or can afford carry more, now is the time to see r F. S.

Do not hesitate to speak to your friends about K. of C. insurance. You will be doing them a great favor, and the day will come when they will be thanking you for giving them that feeling of security that one possesses who has by insurance taken care of the welfare of his loved ones. The foregoing is just one of the reasons why all Catholic men should be members of the Knights of Columbus. Other reasons will be published in subsequent issues. Look for them, and be sure that members of your family read them. The Columbian and the Columbia should be read by all Catholic people.

BOWLING

The Gartner Tailors, with the pep of Bill Erwin and the good bowling of his teammates, L. Vernick 545, Sam Ciesinski 553, Bill Herdegan 540, Ben Baucaro 576, totalled 2,777 for high series last Tuesday. And still, better for them they won three games and first place from Alderman John J. Grealis' team. Capt. Wm. O'Neill of the Grealis team with 622, backed by Frank Kelley's 585, tried to stop the blitzkrieg but to no avail. John (Jackson) Leech rolled high series for the individuals with 637, to help his team, the Northbrook C. C., take two games from the Best Furniture team. Yes, the best team is still in last place. The Cullom Club boys took the odd game from the Doose Studio team, and the Norman McPhee's took four games from Sunnyside Inn. Jack Duignan tried hard with his 576 to turn the tide, but Lannon let the team down with 439. Standings:

	W.	L.
Gartner Tailors	25	17
Ald. John J. Grealis	23	19
Doose Studio	22	20
Cullom Club	21	21
Norman J. McPhee's Undertakers	21	21
Northbrook C. C.	20	22

Individual average — O'Neill, 187; Dvoratchek, 186, Baucaro, 175; O'Byrne, 173; Lannon, 172; Pauls, 171; F. Papke, 170; G. Vernick, 170; Laske, 170; F. Kelly, 168.

St. Pat's Joins With the Major Degree Class Next Sunday, Jan. 26th

1-2 Tues. . . Madison and Hamlin Ave

Exemplification of the major degree of the Order will be conferred to candidates J. Bousk, A. De Blasio, M. Fiorita and F. Garvey in conjunction with West Division No. 2 program which is set for Sunday, Jan. 26th, at 2:30 p. m., at St. Philip's Gym, 3141 W. Jackson Blvd. Sponsors are urged to remind these Catholic gentlemen that it is imperative that they be very prompt. A full house has been assured and the officers are hopefully expecting a large delegation from our council to give these boys a grand send-off to Knighthood.

HOUGH TESTIMONIAL

If you haven't already made plans to attend this testimonial in honor of one great guy, Marty Hough, do so at once. This splendid Cabaret Party and Dance, and added entertainment, will take place at the Queen of Angels Guild Hall, 4414 N. Western Ave., tomorrow night, Jan. 25th, at 8:30 p. m. Your support of this worthy cause has been asked by the committee in charge of all arrangements and by your own officers.

Predictions that a capacity crowd will see one of the greatest shows ever sponsored by the K. of C. should lure many friends of ailing beneficiary to this affair. If you wish to make a donation, send it to Wm. P. King, 4849 N. Lipps Ave. Let us show Marty that when he needed a friend, he had many indeed in the K. of C.

ILLINOIS STATE BOWLING

Too many changes in alleys proved detrimental to the keglers, and so the results were anything but lucrative. Some of the poor showings could be attributed to too much Sunday dinner, but the rest—well, use your own alibi. Only one team, Damato Taps, made a creditable showing garnering a total of 2867 pins, including handicap. There were so many of the ladies present that to enumerate them all would require more space than we are allotted. Well, let's hope that the singles and doubles will be more successful than the 5-man event. See you all on Sunday, Feb. 9th, 7 p. m., at C.Y.O. alleys.

ABOUT THE MEMBERS

Maria, daughter of Sal Guinta, is showing signs of improvement after her recent appendectomy. Dan Miller, athletic director, has fully recovered from his recent affliction of an ulcerated ear and simultaneously, Jas. Cullinan, advocate, is feeling normal these cold January days. The "scoop" and best news of the week however, is the announcement that Bro. John (take it or leave it) Burke has finally departed homeward after seven weeks' confinement at Alexian Brothers Hosp. The members are asked to pray that his arm grow strong again.

The officers and members of St. Pat's Council join the bereaved family of the late Mrs. Catherine Bondi, in their moment of darkest sorrow. May her soul rest in peace. Our sympathy also goes to the Anthony Orlandos upon the recent loss of their new born baby. There is always a place in heaven for these angels.

KEGLERS NOTES

In the second week of the second round, the situation is somewhat changed. The teams so familiarly close to the top in the first half are now holding up the rest of the league, if you get what we mean. This week's results follow: Deir Morticians 2-3 from Freda Meats; Rex Paints won only one from the ABC's; McGinty's trounced the Allegretti Grills three times while the Weiland Florals clipped the Cahill's for the same number; Damato Taps met up with a drought, being tapped three times by the Moriarity (hell-bent) Indians.

In the last tussle of the evening, the Emergency Radios tuned out the Barry Boosters for a perfect evening. Some of the high scores were: Latourette 543 (212), Stumpo 515, Racine 537, Galena 508, Schmitt 588 (212), Hartford 505 (199), McCarron 494, Nolan 528 (212), R. Latelle 466, Bousk 547 (195), Spreitzer 510, Piovosi 505, E. Scully 451, Koerner 547 (244), Garvey 498, Vertucce 503, Chappell 512, Failla 507 and Fitz 519. The championship roll-off between the McGinty Black Rocks and the Damato Taps will take place on Sunday, Feb. 2nd, at 2 p. m., at the Madison and Kedzie Arcade. Don't miss it.

Feehan's Doubles and Singles Roll in the State Bowling Meet Sunday

2-4 Tues. . . . . Hamlin & Madison St.

The deadline of "The Columbian" prevents our making a report on the degree of success of the Feehan Annual Party, but we hope to be able to give a glowing account of it next week.

BOWLING

In the Council league the N. Preib Cleaners found Malee's Irish soft pickings, and swept their series to step into a tie with the league leading Illinois Laundry, with 5 wins and only one loss. Quinn's Inn, J. J. Collins Sons and Lemon King Senators are tied for third with 4-2. Baer Bros. & Prodie follow with 3-3, after which Judge Hackett's Pioneers, Harmon Electrics, Edw. F. Moore Boosters, Ed Kaindl Boosters and Harold Crotty Boosters are all bunched with 2-4. The basement tenants are none other than those old subterranean stalwarts, Malee's Fighting Irish.

Pat Riley still leads the individual parade with an average of 179. Frank McQuillan has 176, Jimmy Collins, 174; Pop Edler, 173; Joe Collins, 172, and George Becker, 170. No new high games or series were rolled this week. Honor rollers were Joe Malley, 213; Len McSteen, 206; Ed Condon, 204; Jimmy Shea, 203; Turk Fogarty, 203, and George Becker, 203, 201.

Bowling Secretary Augie Tamburrino announces a change in the dates for the state tournament. The doubles and singles will be rolled on Sunday, January 26th, at 9:00 p. m. The five-man event for Feehan Council will be held on Saturday, February 8th, at 7:00 p. m.

LAST MEETING

At the conclusion of last meeting a feature known as "Amateur Night" descended upon the assembled brethren. Organist Elmer Speigel was put to work beating those keys for a flock of heretofore suppressed vocalists, and a noble job he did, too, keeping pace with some of those wayward tenors and bassos. The highlight of the evening was a rendition of "Remember, Boy, You're Irish," by that noted night-life chanteuse, graduate of the Spa School of Music and protege of that leading operatic baritone, Barli-Corni, Lemon King Wingfield. When he finished, everybody called for another—and we don't mean song. After this, it was quite evident that it was now every man for himself, and if you could have heard the functioning of the quickly formed quartets, you would know what we mean. It was a very fine party, by and large, and Lecturer Joe Collins has promised many more like it in the immediate future.

Just a reminder that on February 11th, Feehan Council is sponsoring a First and Second Degree. We should have a good representation at this degree, but so far, we have only a few. NOW is the time to go to work on that prospect.

BACK SCRATCHING DEPT.

We are given to wondering, every now and then, just how much return our friends (that is, the friends of the council), get from their kindness to us. It occurs to us that it might be apropos on occasion, to reacquaint ourselves with these friends and benefactors, and to practice a bit of reciprocation. From time to time, therefore, we are going to mention some of our Bowling Sponsors, their businesses, and the location thereof, in the hope that you might pay them a visit in the course of your ramblings. Which reminds us, next time you are in Baer Bros. & Prodie's (Crawford & Madison), ask for Bro. Danny Donohue, who will see to it that you go out looking like a page out of Esquire.

Bro. Joe Malley roped some innocent citizen into a little match game at the Lorraine Alleys last Sunday, and then proceeded to roll a mere 715 series—223, 235, 257. He has an affidavit signed by two council members in good standing. For lessons, call Austin 1717. We still say he should have saved them for the State Tournament.

CONGRATULATIONS—

To P.G.K. Art Harmon who became a grand-daddy again, when the stork paid a return visit to his daughter, Mrs. Kay Sullivan. And to Bros. Irving A. Kennedy, Edw. A. Tompkins and Johnny Kovacek, who celebrate their birthdays this week.

Ketteler Members Will Be Fortunate Next Monday Nite

2-4 Mon. . . . . 3437 Ogden Ave.

Our regular council meeting will be held next Monday night, January 27th. Bro. Geo. Gersch, our Worthy Lecturer, promises a bag full of groceries to lucky attending members in addition to the regular attendance awards. Make it a point to be present Monday night and perhaps you may be the one to replenish your larder.

The all important phase of council activity is the present membership drive. The membership committee is bending every effort toward a successful conclusion of the campaign. They are not having an easy time of it by any means. If only those of you who are surrounded with a virgin forest of potential candidates would take a few minutes of your spare time to seek these men out, your committee wouldn't be tearing out its hair to reach our goal.

No successful organization ever rested upon its laurels. In our early years we built better than we knew and we grew and expanded and became one of the greatest councils in the state, with the largest insurance membership in the state. Then we paused, perhaps to gaze in retrospect, or to reminisce and in so doing we stood still.

In our smugness was the answer to our succeeding failures. Our mortality rate grew by leaps and bounds. Today we are faced with a serious problem. To each and everyone, it is his own personal problem and worry. Snap out of your lethargy. **Get busy and get us a candidate.** We need him. Perhaps he needs us a great deal more.

The Fourth Degree which will be exemplified on Sunday, February 23rd, invites all eligible candidates to join their ranks. The qualifications for membership are: You must be twenty-one years of age, a citizen of these United States and you must have been a member in good standing for two years. Your initiation fee of $25.00 covers the cost of banquet, baldric and sword. It also entitles you to membership in our own L.G.A. Club.

DANCE PLANNED

Last Monday night a joint meeting of the L.G.A. Club, the Bowling League and the Membership Committee was held at Lawndale Hall. It was an exceptionally well attended meeting and after some very lengthy discussions one big idea took form and shape. A CABARET PARTY AND DANCE! This party will be sponsored by the Ketteler L.G.A. Club and the Bowlers.

For the sum of one dollar, you can eat or drink or dance to your hearts content. The date! Oh yes! February the 15th, at Lawndale Hall. It's a Saturday night boys, so get out your best bid and tucker, and take your wife or your sweetheart, or your whole family, to an evening of pleasure. We'll promise you more fun and enjoyment that night, than you have had in many a year.

Dr. S. Koziol, an old and faithful member of our council, has been on the sick list. On the staff of St. Elizabeth's Hospital, he has been forced to bed for a rest. He is now convalescing nicely.

Incidentally our Worthy Recorder, Bro. Johnnie Koscak is still more or less confined to his home because of his recent illness. It goes without saying that a visit to our sick brothers is greatly appreciated and means a great deal to them.

Casmir Wawrzyniak, (Casey to you!), was seen walking around in a daze. Asked what the trouble was, he stammered and stuttered and finally managed to blurt out—"It's a boy!" A great big bouncing boy, a future "Casey" in more ways than one. Our heartiest congratulations to Bro. and Mrs. Wawrzyniak.

Who is this young fellow around the council chambers and the bowling alleys that they call "Young Burns"?

Bro. Tom Hayes, one of the young "old timers" of the council dropped in to say hello. It seems as though Tom will now have a few evenings to himself since making a new connection with Montgomery Wards. Glad to see you again, Tom.

BOWLING NOTES

Before reporting last week's bowling results, let us remind you of next Sunday's tournament date. At two o'clock at the C.Y.O. Alleys twelve of our teams will start rolling in the Illinois Knights of Columbus Tournament. Remember, January 26th, 1941, at 2:00 p. m., but be there ahead of time.

Bona Drugs took the measure of St. Paul Federals two games out of three. Leo Bona, as per usual led his team with a 556 series, while his brother Al. backed him up with 539. Frank Kosmach was high for the Saints with 548, while Steve Dusek was second with 487. Leo Bona's 203 game won the dollar.

Tomera Range Oil, after dropping the first game to Cobbsie's Open Door, won the remaining two. Matt Foltyn rolled high for the Oilers with 527, and Stanley Mixa was second with 525. Eddie Ciolkowsik was high for the losers with 559 and Adolpf Sliva was second with 510. Stanley Mixa copped the dollar with a 202 game.

Bil-Mar Tavern more than took the measure of the Luczak Lawyers by shutting them out entirely. Stanley Korbas with 596, a mile in front of his nearest team mate. Myles Dolan got 461 for second place. For the Lawyers, V. Wegrzyn rolled 506, while John Szostek was second with 480. Stanley Korbas won the dollar with 214.

In spite of a beautiful 628 series by Geo. Gersch, the Truzyna Boosters dropped all three games to the Marshall Square Ballroom. Doc Majcher was second with 477. For the Ballroom Boys, Eddie Wenckowski was high man with 525, while Roman Kacmarski was second with 523. Geo. Gersch took a little consolation from winning the dollar with a 222 game.

Judge Drucker's team, perhaps somewhat encouraged by the return of Dick Martin to the line-up, won two games from Stanek Press. Eddie Walters was high man for the winners with 570 while Joe Perko was second with 549. For the Pressmen, Clem Bates was high with 562, while Ray Suchocki was second with 543. The high game was rolled by Clem Bates, a 223 game to win the dollar.

In order to win two games, Bukowinski Boosters had to stage a roll-off with Ald. Sain Boosters. For the winners, M. Bukowinski was high with a 612 series, while Stanley Klaczynski was second with 543. For the losers, Ray Schaber was high with 540 and F. Rybski was second with 521. They even had to split the dollar here, Stanley Klaczynski and M. Bukowinski each rolling 213.

Phil Nilles Boosters won all three games from Art-Bilt Furniture. Geo. Cummings was high for the winners with 528 and Joe Koscak was second with 526. For Art-Bilt, Adam Szott was high with 517. Geo. Cummings was the dollar winner with a 205 game.

The P. P. Jezierny Boosters won two games from Fidelity Electric. Ted Gomolski was high man for the winners with 580 and Harold Nowakowski was second with 529. For the Electricians, Eddie Plewa was high with 569 and E. Wojtanowski was second with 513. Eddie Plewa rolled 232 to win the dollar.

San Salvador Members Will Be Entertained by Sea Scouts Next Mon.

2-4 Mon. . . . . 24 E. 114th Pl.

At our regular meeting on Monday next, an innovation insofar as entertainment is concerned will be on the program for the evening. This is just another way of saying "Come on up to the meeting, men. There is to be something different." That's correct, for Chancellor Emil Royer has arranged for the Sea Scouts of the S. S. "Northern Light" to board ship after the meeting and give us all an idea of the workings of the Sea Scouts. Many of you, no doubt, have often wondered just what these boys can do on dry land and in a meeting hall, at that, when obviously, they would require a body of water for their maneuvers.

Here is your opportunity to find out, so, under the circumstances, better come up Monday night. If any of you should get sea-sick, Bro. George Mason has arranged to have a suitable remedy available. Incidentally, some very important business will come up for discussion on which all of you should be present to give your ideas. The Council as a unit, can function considerable better when a large attendance is present at the meetings to express their individual ideas on the different questions.

BOWLING NOTES

Golly, how some of those bowlers can murder the maples when they have to win to maintain their standing in the league. The race is still wide open for that coveted first place with a good chance that whoever does get to the front, won't be able to stay up there long before some other team decides to knock the spots off them. Although this is practically midway of the league schedule, practically every team, even the lowest, still has a chance of forging to the top.

STATE TOURNAMENT

Well, what do you know about that? San Salvador's entry in the State Tournament winds up in second place and then by only fourteen pins. (Darn that 111 gang of mine, anyway.) Of course, the standing is not final until all the teams have bowled, but somebody will really have to get hot to do much damage to our standing. So, for now, at least, it looks like good old San Salvador will finish in the money. This week's issue of The Columbian should give us a pretty good idea of how we should finish up after all the scores are in. Here's hoping, anyway.

Your scribe finds is difficult at times to find any items of interest that may occur from week to week. Any item that should be reported in the Council's notes will be included, so we ask you to please leave whatever bit of news you may have with Bro. George Mason. Will you do that? Thanks. See you Monday aboard the "Northern Light."

STUDENTS OF GERMAN DECREASING

Newark, N. J.—The decrease of students studying the German language, as shown in New York public school figures, was deplored by the Rev. J. Ninian MacDonald, O.S.B., of the Delbarot school for boys, Morristown.

De Soto's Bowlers to Shoot in State Tourney Feb. 8-9

2-4 Fri. . . . . Clark and Belmont

Much to my chagrin, your Bowling League has been to a certain extent neglected; but we might assure those from whom we get an occasional rib that it is certainly not in forgetting this grand unit of De Soto Council, but rather in just laying down on the job. At this time it is indeed a pleasure to report that the League is functioning in first class shape under the able and competent guidance and direction of that dynamic personality, President Irv. Schultz, and is making vast and progressive strides in maintaining its enviable reputation.

More particularly, we refer to the fact that De Soto has entered thirty teams in the State K. of C. Tournament which is being conducted at the C.Y.O. Alleys and are scheduled to shoot the five-man event at nine-forty-five p. m. on the evening of Saturday, February 8th. The entry is the largest ever enlisted by De Soto Council or by any other Council in the history of the State tournament. It is certainly a compliment to our diminutive President to boast of this splendid representation. Doubles and Singles events will be rolled on Sunday afternoon starting at one p. m.

We urge all those who are interested in De Soto's Bowling League to drop down to the C.Y.O. Alleys on these occasions to aid and abet our spirited, enthusiastic and hopeful kegelers in their efforts to blast a path to the top prize money. While I'm at it, I might mention that De Soto's Majors, composed of Brothers Nick Greisch, Pete Greisch, Tony Printen, Art Booz, Joe Idstein and Harvey Dohm, have won nine out of their last twelve games rolled in the North Side K. of C. League. Nice work, fellas, keep pitching.

BLOOD DONOR UNIT

Because of other news, and, yet, by no means of any greater importance, we have not graced this column with the many fine accomplishments of our Blood Donor Unit. Brother Frank Wohlleber, chairman, informs me that close to fifty per cent of our membership has been typed and the names, addresses and 'phone numbers, together with the members' classification, now on file in the Council records ready for service when the occasion requires. Every other meeting during the past few months, since the institution of the Committee at De Soto, the young and personable technicians who have been doing the typing have received a hearty response from all De Sotoans present.

In the meantime while this splended job has been in progress, many stricken individuals have been the beneficiaries of blood donations by members of our council. Several of our Brothers were donors to Mr. John J. Hennessy, President of the Loyola Community Theatre, who was gravely ill recently, and the following Brothers were donors or standing by in the recent serious illness of George Connell, son of Ed. Connell; Vinc. Braband, Joe Cella, Ed. Connell, Jr., Emmett Harrington, Jerry Horn, Jim Kennedy, Lou Lechler, Joe Merki, and Clem Schorn.

Words of deep and sincere appreciation come from Mr. and Mrs. Ed. Connell and Mrs. Hennessy for the invaluable aid and assistance extended and rendered their afflicted kin by the Blood Donor Group. For such a great work, we of De Soto are mighty proud. It is the manifestation of charity in its most concentrated and exalted form.

THIRD DEGREE MEMBERS

The membership extends a hearty welcome and congratulations to the following members of De Soto who recently received the Third Degree of the Order: H. J. Acheson, R. T. Allen, Robert Birren, R. T. O'Keefe, Dr. H. R. Casolary, Chas. F. Gutsmiedl, Robt. Hofherr, Walter Jeschke, Jos. Kirchen, John J. Newman, John N. Scanlan, L. H. Mertes, H. A. Linke, Wm. Braun, O. T. Dullaghan, Fred A. Endrees, Jos. J. Linke, Ed. J. Mahoney, F. W. Garrity, Geo. J. Linsner, E. C. Wemlinger, Ed. A. Wemlinger, Jos. N. Welter, R. A. Schurr, Wm. A. Paschke and Wm. J. Nolan.

Attending the exemplification at De Soto were the following Grand Knights: Henry Phoenix of Chicago Council; Capt. Daniel Murphy, Illinois Council; Gene Reiff, Tonti Council; Joseph Maggio St. Cyr Council; Tim Clifford, Dan O'Connell Council; Bill Cunningha Father O'Connor Council, and Jo Hesse, Marquette Council. To date K. of C. ring found at our council cha bers the night of the initiation is unclaimed.

At the opening of the State K. of Tournament, which is termed Gra Knights' Night, the following compo the team of our own G. K.: Gene Sc lan, Phil Ofenloch, Joe Cella, Frank K nedy and Jack Thomas. Couldn't h been much bowling with that outfit, we understand Joe Cella and J Thomas each won loving cups. I could possibly venture a guess as to the reas

Gar. Moreno Will Give Increasing Effort to Its Membership Drive

2-4 Tues. . . . 155th St. & Lexington Ave.

The oblivion state of life is reached when we come to the point where ambition lapses and will power vanishes. The only way to immunize ourselves to this is through work. Constant work builds ambition and overcomes mental attitudes that destroy will power. We members of Garcia Moreno are stepping into the oblivion state, or at least the report of PGK Guy Macina, Cook county membership chairman, at our last meeting showed that our council has a long way to go to fill its membership quota.

For five years Bro. Macina reported that our council held the honor post of number one position, and to again this year hold that honor much work will have to be done. We hope our council officers will keep this report in mind and, as the sparkplugs of the council, will meet this membership campaign as part of their work. We must admit that we are in a rut and nothing proves it more conclusively than the lack of interest shown by many of our members.

At the first meeting of the new year fifty members attended. These men are to be congratulated for their fraternal spirit and perhaps from them we will receive the strength to keep our council in its honor position. Our field of action is a large one, and with a little effort on our part we can bring many new members into our council. But we have to contact and invite them in. That is where the effort comes in. Turn in your prospective candidates' names to Joseph Reardon or GK James Mann. Let's all help put Garcia Moreno over the top by Palm Sunday.

LAST MEETING NOTES

The new plans of insurance were explained by Bros. Joseph Tushaus and Cushing. Their interesting talks were well received. Guy Macina, Cook county membership chairman, was on hand to report his record of the council, and urged full speed ahead on membership program. Other reports were by Lecturer Clyde White on the books of the $50 and vacuum cleaner and Simon Ryan reported for the bowling league.

Chicago Chapter report was not heard due to Andy Klaczynski's late arrival. No report on membership. Wm. E. Powers, Sr., Chas. Moran and the scribe appointed on committee to recommend or find a suitable picnic grove. Our lecturer announced a dancing party on Washington's birthday, Feb. 22. After meeting refreshments were served. Our thanks to Mrs. E. Lunn and Mrs. L. J. White for making the sandwiches and helping to serve them. Andy Curzydel, Erwin Lunn and Jackie Lutz were the other kitchen boys who also deserve our thanks.

BOWLING NEWS

Eagle Coal won two games and tied for first place with Shea's Corner. Ryan's 512 and Gorski's 504 topped the winners. Anton Sterker's 471 was top for the losers. Shea's Corner won two games and bowled 921 for high games of the season. Jack's 568 was tops for the Shea gang, while Bruce's 527 and Wisell's 507 were O'Hara Boosters' top men. Ring Boosters won all three games from Goletz Boosters. Matt Walenga's 549 was high for Ring's gang, while Paul Maleto shared top honors for the losers with 525. Home Liquor won two games from Wonder Bar. John Kerkhoven's 529 topped the Liquor team. Al Binette's 480 was high for Wonder Bar.

BIT-O-NEWS

PGK James Monro was presented with a beautiful pen and pencil set by General Thomas Hammond, president of the Whiting Corp., for his 32 years of service. Congratulations on your splendid record, Jim! Nick Ardean showing signs of missing his wife. He found the hamburgers at the last meeting very good. Mrs. Ardean is in Forida. Romeo Begnoche is now in his new home. Leonard Broderick under doctor's care, but report is nothing serious. Albert Berner is confined to Ingall's Hospital, Harvey. He was injured in an auto accident. He'll appreciate a visit, gang. Louis Beaupre and wife spent a weekend at St. George, Ill. Cheerio.

Blue Island Bowlers Hold Party Tomorrow at St. Benedict's Hall

1-3 Tues. . . . . Gregory and New

Tomorrow night's the night, boys! That big date has rolled around once again, Jan. 25, to be exact. The event—the Bowlers' Annual Party. This is one affair that does not need much ballyhoo, as year after year the boys pack the hall. Incidentally, once again as in past years the site will be St. Benedict's Ballroom at Gregory and New Streets.

This year's shindig promises to be one that will not be forgotten for quite some time, according to the plans the league has forwarded to your scribe. There will be plenty of refreshments, sandwiches, square dances, circle dances, games and also the annual jitterbug and waltz contests. The fine part about it is that the bowling league has invited every Brother of Blue Island Council and his friends to attend.

The cost is a mere thirty-five cents per person. Our advice is that you get there early to avoid a shutout. On the floor show, arranged by those well known entertainers Creighton and Dalton, the feature of the evening will be a spring dance by the thin man, Judge Seyfarth. This alone should be worth the price of admission. See you all tomorrow night, 9:00 o'clock sharp, at St. Benedict's Hall.

Anyone interested in going to Indianapolis to the National Bowling Tourney can contact Bros. Bill Creighton or Tom Parsons.

Don't forget that new member you were going to get. Palm Sunday will soon be with us!

Bro. Joe Meehan and daughter were visitors in Blue Island over the weekend. They came up to see grandpa. Brother Justin Boyd has been confined to his home for the past week with the flu. Hurry back, that Mark's team needs you, Justin. Bro. Stan Zamaituck is back at home after his recent operation. Best luck for a quick recovery, Stan. Bro. Ed. Martens entertained members of the Fourth Degree Club last week at a very interesting meeting. I understand it was especially interesting to Dr. Vincentti. How about it, Doc?. How about sending that news item in, boys?

YEAR-IN-ADVANCE CLUB

The Year-in-Advance Club increased its membership by ten in the past week to bring its total to 34. Insurance members again included their assessments for the year in joining this select group. These brothers are Bill Leydorf, who, we are certain, is much warmer in Chattanooga than we up here; Dr. L. T. Rowland, who has filled and pulled more teeth than we care to count; Trustee Joe Tragnitz, who joined immediately upon leaving his bed in I. C. Hospital; and, Banker Ed. Maroney, a perennial member from way back when.

Associate members included Brothers F. X. Rauwolf, whose gracious accompanying letter made us feel very good; Leslie Johler, now a resident of the big city; Bob Newhouse, Beau Brummel of all railroad men; Frank Carey of Midlothian; Edward "Pop" Fredette, who like Bro. Rauwolf is convalescing from a recent illness; and Art Keefe, railroader and Chicagoan.

The past week also brought word from quite a few brothers and a visit from others. To the above brothers and the following we extend sincerest greetings.: Fred Stieglitz, Myles Fitzgerald, Jim Ballard, Harry Hartmann, M. F. Quinn, George Karg, John Shannon and Ralph Kintz, all of Chicago; Doctor Patnaude, Tom Hayes, Emil Silhavy, John Gabor, Charlie Kysiak, Marty Potoski, Johnny Meehan, Jim Burke, Frank Mulderink, Norm Seidel, Hugh McEvoy, Joe Glim and Wally Labeots, all of the home town; Walter Brown of Ottawa; Roman Matuszonek and Paul Jankowski of Posen; and, E. R. Kooken of Peoria.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

LAST MADONNA PARTY FORECASTS MANY MORE

2nd Thurs., 4th Fri., 4522 Wallace St.

Oi, oi, vot a potty! The housewarming affair at the clubhouse last Sunday night was worth all the effort expended on it, and the appreciation voiced by the members will be a little pepper-upper for the remaining work on the game room.

One thing is certain, everyone enjoyed themselves and if only the same crowd would show up for the Sunday night parties everything would be rosy. Quite a few of the "old" regulars were on hand, among them Marge and Joe Boardman, Kay and Jim Ryan, Mr. and Mrs. Tom Keenan, Emily and John Pollick, Mr. and Mrs. Harold Kane, Marie and John Horan, Gertrude and George Noonan, Mr. and Mrs. Charlie Scannell, Mr. and Mrs. Frank Jackson, Mary and Pat Noonan, Mr. and Mrs. Bill Dinneen, Mr. and Mrs. Del Kean, Mrs. "Bud" Malloy and Mr. and Mrs. Ed Kean. We can just about class Jo McGrath and Raleigh Kean, and Lucille Brankin and George McMahon in this bunch. And didn't Jim Powers wed a certain sweet thing not long ago?

AMONG THE SINGLES

Were the Morrison girls, that gay gal, Marge Kean, and aren't we the old meany—we don't remember any more of the femmes. There were plenty of lads to take care of them, though. Marty Morrison, Wally O'Keefe, Duke McGrath, Joe Du Bray, Ed Goeing, Marty Hoare, Tom Carmody, Charlie Kennedy, "Judge" Houlihan and, in a class by himself, Pat Morrison. Two of the boys deserve special attention. Solemn as bank examiners at other times, they let their hair down Sunday night and really beat it out. Yessir, Joe Halloran and Howie Flanigan went eight to the bar—and came back seven times.

We were especially glad to have Fathers Charles Burke and John Kennelly stop in to say hello—if they'd only do it more often.

Extremely disappointed were we when a certain chappie who edits The Columbian (three guesses, a dime and a box top) did not show up. And we had the five bucks ready for him. In fact, we were going to make a public presentation. Vot's de mattah?

(The stingy cockles of my French heart will stand just about this () much more of your double talk about paying off those five bucks, Donegan, then they'll collapse in frustration. Already Mrs. Ed has ordered real butter for our Sunday dinner, Master Ed (gee, he's cute) has his eye on an electric train, and I've made out an order for some new soles for the woolen sox of mine that were in here before some place.

And, just to keep the record clear at my house, if I wansn't at your housewarming, who, in the hall, do you think that was? Or do you call it an antechamber?—Ed.)

NEXT PARTY (PARTY, HE SAYS)

Of the Sunday night variety will be held on the second Sunday of next month, Feb. 9. You're all invited to come and have a load of good, clean Miller Banker coal delivered to your home. Hey! Hey! (Think we'll make everyone register so we'll get all the names.)

Y. I. A. C.

May stand for Yiddish International Accountants Club, but we doubt it. To us it means just good old-fashioned release of moths from the pocketbook. The Terrible Twelve came in this week, thereby boosting the total to forty-six in three weeks. A new all-time high. In the post position was Maurice Leen, followed by a close field composed of P. G. K.'s John L. McInerney and Ald. John Duffy and Joe O'Neill, Louis Bunker, Kyran Bergen, Hughie McGuire (of overalls fame), Jos. J. Flynn, Bill Loftus (Two Pants' boss), Dan O'Sullivan, Joe Gallagher and Walker J. Smith, manager of General Motors of New York City. Hiyah, boys, walk in and take off your shoes.

CONGRATS

To Marty Gentlemen, who was recently installed as trustee of the Bakery Drivers Union. (What's the local, Marty?)

To John E. Conerty, who became an honorary member as of Jan. 1. At the ripe young age of seventy, John can now relax and take it easy.

The David-Goliath matches were a repetition of the original, when the O'Connells rose up and took two out of three from the leaders. They just missed grabbing the third when Miller got hot and helped avert a shut out, 916 to 906. The Doodys, led by Jim Lavin, took the first two games from the Boyles, then weakened when Marty Morrison arrived in time to help Duke's boys salvage a game. In the other match the air raid shelter boys, the Miller-Bankers, gave the Duffys a scare but were only able to win one game, and in so doing rolled their high game for the season, 999. Sounds like a cough remedy. O'Keefe and Storie were their high men, while Barry and Pollick led the Duffys.

In the O'Connell-Hermes tilt Byrnes rolled games of 196 and 185 and John Morrissey had his year's best series, while Miller held the leaders together with his best effort so far. Lavin, Jackson and McGrath distinguished themselves mightily. (Sorry to cut it, Howie, but space is limited.)

MIXED DOUBLES

Party will be held Sunday, Feb., 9, at Ray Schalk's Beverly Recreation, 5 p. m. Bring out the wife or girl friend to bowl and then adjourn to Madonna's clubhouse for the Sunday night party. Get exercise, relaxation, entertainment, dancing and refreshments all for a buck a noggin. Even Michael Todd can't tie that. Reservations are limited, so call Howard Flanigan, Vin. 5134 immediately.

R. I. P.

We wish to extend the council's sympathy to Bro. Justice Rice, whose son, Harold, passed away recently.

And to Bro. Jim Mitchell, whose sister, Mrs. Hannah Corcoran, died last week.

May their souls rest in peace.

La Rabida Bowlers to See Action in the State Tourney This Week-End

2-4 Tues. . . . . 6236 Princeton Ave.

The Tenth Annual K. of C. State Bowling Tournament which got underway Saturday, January 11th, at the C.Y.O. Recreation Center, Congress St. and Wabash Ave., is proceeding rapidly towards one of the most successful meets in the history of the State Council.

La Rabida's two teams will see action over the week-end for on Saturday, January 25th, La Rabida's first team will take over the alleys at 7:30 p. m., while on Sunday, January 26th, the second team will strut its stuff at 2:30 p. m. You are cordially invited to be present and each member of the Council should make an earnest endeavor to be present.

NEXT MEETING

The next meeting of La Rabida's Council will be held on Tuesday evening, January 28th. After the regular business session, the gavel will be turned over to Bro. Harry Dion, chairman of the council's league, which body will duly honor Bro. Jerome Conway who has been called for service in the U. S. Army. Let's have a large attendance at this meeting, Brothers, and help the bowling league make the affair a success.

The Martin J. Hough Testimonial Dance and Cabaret Party will be held on Saturday, January 25th, at Queen of Angels Guild Hall, Montrose and Western Ave. The affair which is being run to raise funds for this outstanding member of our Order, who has been incapacitated for some time, should attract a large gathering. I might add, that La Rabida Council at its last meeting voted to become a Patron to this splendid cause.

BARRY VS. JONES

Bro. James Bulger, brother of our Worthy Financial Secretary, was present at our last meeting and rendered an intellectual and historical discourse on the question, "Who Is the Father of the American Navy?" Jack Barry vs. John Paul Jones? Bro. Bulger dwelt at great length on this interesting question and displayed correspondence between himself and Robert Ripley of "Believe It Or Not" fame, who dared to say that this honor belonged to John Paul Jones. I believe from the evidence submitted that Jack Barry is the father of the American Navy, and if you have other ideas about the subject matter, I would suggest that you see Bro. Bulger, who probably has the most complete files in this matter that can be found in Chicago.

MRS. CURLEY INJURED

Mrs. Daniel F. Curley, Sr., widow of one of La Rabida's early Grand Knights, and mother of P.G.K. Daniel F. Curley, Jr., and Edward Curley, is confined to St. Benedict's Hospital as the result of a fractured hip suffered in a fall in her home.

BOWLING

The bowling results of Monday, January 20th, are as follows: Wahling Wales took three games from Evans Pullets. La Rabidians took two out of three from Dion Quints, while Rock Island Rockets took three from Sunnyside Inn. The standings are:

	W.	L.
Evans Pullets	34	20
La Rabidians	32	22
Dion Quints	30	24
Rock Island Rockets	24	30
Wahling Wales	22	32
Sunnyside Inn	20	34

It was a good answer which a poor woman gave to the question, "What is faith?" "I cannot answer well," she replied. "I am ignorant, but I think faith is taking God at His word."

Barry Team Rolls Into First Place in State Tourney

1-3 Tues. . . . . 2856 Washington Blvd.

Another star in the banner of Barry Council history was added on Sunday, January 19th, when the United Airlines team of the Barry bowling league rolled into first place in the Illinois State K. of C. tourney, with the brilliant score of 3,095. Captain Tom Murray set the pace with a score of 650. Then came Ed Kurtz with 643, Dan Keating, 618; Joe Kurtz, 616, and Ollie Klineman, 586. From the scores made it can be plainly seen that the Barry five was out to roll up a large score, and by their feat may win the five-man event when the tourney ends some two weeks hence.

Second in the standing of the Barry squads, which, in all, composed twelve teams, was the quintet sponsored by Recorder Edward Kaindl. Their score was 2,945. Milt Horan was high with 658. The Little Jack's Restaurant quintet was third in the Barry standing with 2,880 pins, Captain Jim Rose having high score of 659. This high series was worth a prize, donated by Chancellor John Tamburrino. Another prize winner was Frank Malone, of Kedzie Coals, who rolled high game of 259 with handicap.

In the singles and doubles events of the tourney, Charles DeVito and Frank Kucera had a doubles score of 1,277. Kucera had 661 series in the singles. This should be among the high scores of the tourney.

In the Thursday night Classic league, the Senator Keanes won two games from the American Airlines with Frank Kucera getting high score of 256. This neat score won the $1.00 in trade offered by Brother Barney Fornero. Mid-West Auto Service won two from the Aherns Morticians, with Bill Dunn having high series of 558 and a 212 game. George Rose led Aherns with 224. T. W. A. bested Little Jack's Restaurant two games. Probst was high with 213 game for the former, and Jim Thompson's 200 game, was high for the latter. Paced by Jeff Fleming's 225 game, the DeMares Coals won two games from the Smith's Morticians despite Rocco Tarsitano's 252 for the Smiths.

By the way, Brother Bill Smith reports that he is getting along well from his recent illness, which is good news, indeed. United Airlines took a pair from Kedzie Coals. Joe Kurtz, was high with a 262 game. Pat Crowley was high with 188 for the Coals. Faucher Bros. Cartage grabbed a pair from their arch-rivals the Sheehan Chili, with John Tamburrino the high man with 192. Larry Westphal topped Sheehan's with 190. Charlie Svoma's 245 game was not good enough for the Cunningham's Streamlined Insurance five so they dropped a pair to the Recorder Kaindl's. Captain Frank Lahey had high of 189 for the latter.

The list of names for the first ten bowlers in the standing of the W. L. Douglas Shoe Company's contest, will be published shortly.

Last Thursday books were distributed to members of the Barry Bowling league. The officers of the league hope that you will fill these books because all returns will go into the league to be used to pay entry fee and other expenses for the teams, to go to the National K. of C. Bowling Tournament in Indianapolis, April 26th and 27th. Barry will be part of the West Side Special on that occasion, so the more books sold the more fun all will have.

In the west side league which bowls on Friday night, at Cascade Alleys, Barry won two games from the strong Hughes five with scores of 958, and 925. The odd game, Hughes took with 1033, against Bary's 830. Frank "Duke" Lane was high with 567, Bernie Boyle trailed by one pin, Charlie DeVito had 558, John Foley, 531, and Frank Kucera, 491.

IN MEMORIAM

Brother James L. Prindiville, a member of Barry Council for twenty-one years and also a member of the La Salle Assembly Fourth Degree, passed away January 16th after a short illness. To the family of Brother Prindiville, the officers and members of Barry extend sincere condolences.

Also a note of condolence to Brother August Serio and his family on the recent death of Mr. Serio's father-in-law.

UNDER THE WIRE

Last meeting was a corker . . . members attending received packages of bacon and other lucky members received a slab of bacon and a ham . . . our guest of the evening was Father J. J. Hines, a very interesting speaker who told us of the conditions in the great northwest . . . also at the meeting Chairman George P. Bamber of the Blood Donor Group, reported on the activity which is about to be launched to make Barry the ranking council in this great program of charity . . . All candidates for initiation in the Fourth Degree, which will be held at the Palmer House, Sunday, February 23rd, 1941, are asked to make application at the office of the Financial Secretary, in the clubhouse, as soon as possible. . . . The 1776 Club, made up of members of the Patriotic Degree of Barry Council will have a reception for all candidates in one of the rooms . . . at the Palmer House, on that day. . . . Don't forget the Marty Hough Testimonial party this Saturday night at Queen of Angels Hall, 4412 N. Western avenue . . . there will be door prizes, dancing and vaudeville all for fifty cents per person . . . a large delegation of Barry members will be on hand to pay tribute to the P.G.K. of Father O'Connor Council.

O'Connell Will Hear Report on Feb. Dance at Tuesday's Meeting

2-4 Tues. . . Hill and Franklin Ave.

At our next meeting, which incidentally will begin at 8:15 sharp on the evening of Jan. 28th, your dance committee will have a report to make. I am sure from the enthusiasm shown at the last meeting that the dance, which is to be held Feb. 22, will be successful. It is therefore the duty and obligation of every member of the council to get behind this dance now and put it over with a bang, and I do mean BANG.

Our Chaplain at the last meeting extended a special invitation to all the members to attend the annual Homecoming Dance, Card and Bunco Party to be held next Tuesday, Jan. 28th, at the Germania Club. He noted the fact that although this is our regular meeting night, it would be very nice if all the members would come up to the party in a body after the meeting, which I am advised is to be as short as possible. He also promised a grand time to all those who attend, and stated that there will be beautiful prizes. Let's all make it a point to drop our wives, sweethearts, etc., off on our way down to the meeting, and then to meet them there later for a good time. The price of admission is only 50 cents.

R. I. P.

It is with regret that I must make this announcement. Mrs. Bondi, beloved wife of Bro. Leonard Bondi, passed away during the course of last week. It was impossible due to the intervention of the week end, to notify the brothers by mail, but in response to numerous phone calls made by the G.K. and the Lecturer, O'Connell had a fine representation at the wake which was held at Luccania Undertaking Parlors, 409 W. North Ave. To you, Bro. Bondi, and to your bereaved family, we, the officers and members of Daniel O'Connell, extend our heartfelt sympathy.

BOWLING NEWS

Our bowling team is coming along fine, we now have seven men on the squad, and by the time next year rolls around we expect to have one of the best teams in the league. The boys are bowling in the State Tournament next week as reported by Bro. Jos. Meier. Let's all come up and watch them bring home the bacon (we hope).

The Blood Donors Group is now the proud possessor of a class No. 3 man, so that now our group is complete. Bro. Nathan urged, however, that as many as possible should be typed so that the burden does not always fall on the same few. To date we have 31 members in the group.

At the next meeting I am told that the council will be visited by a member of the Chapter, who will at that time make known to the members the new insurance plans and enlighten those present in as short a time as possible, the current method of securing new members. Here's another reason why you should not miss the next meeting.

Don't forget the date Jan. 28th.

By the way, how about sending those notes to your scribe: J. F. Henricks, 659 Wrightwood Ave.

FATHER KEANE HONORED FOR NOVENA WORK AT TESTIMONIAL BANQUET

At least 1000 persons attended the farewell banquet and reception in honor of Father James Keane, O.S.M., retiring national director of the Perpetual Novena in honor of Our Sorrowful Mother, Sunday afternoon at the Stevens hotel here.

Since Father Keane founded the novena four years ago at Our Lady of Sorrows' church, Jackson and Albany avenues, it has grown to reach 119 churches in Chicago and more than 1,000 churches in 13 countries.

Father Keane retired from the directorship of the novena on account of ill health. He left Chicago Monday for Portland, Ore., where he will recuperate in a Servite father's house. Bishop Bernard J. Sheil paid high tribute to Father Keane's leadership and expressed hope of his early recovery and return to a place of active leadership in the novena.

Howlett Stresses Need for Strong Fourth Degree Unit

Necessity of Force to Combat Spiritual and Patriotic Decay Is Cited

By MICHAEL J. HOWLETT
Supreme Director, Past State Deputy

Arrangements for the annual exemplification of the Fourth Degree of the Order, under the jurisdiction of Sir Knight Joseph A. McMahon, Master, Northern District of Illinois, now under way, promise in their culmination the most interesting, edifying and enjoyable ever sponsored by the Fourth Degree in all its splendid record of achievements.

It is a privilege for me to have this opportunity to importune the members of the Third Degree to embrace the invitation of their brother knights to advance to the Fourth Degree. Particularly do I admonish those members eligible for advancement to this Patriotic Degree of the Order, because all about us today are signs of spiritual and patriotic decay, which if not deterred may strike at the very foundation of our country and homes.

Stresses Catholic Patriotism

As Catholics and Knights of Columbus, our members have exemplified in the highest terms their love of country and church, and give way to none in patriotic fervor and Christian manhood. But world conditions are changing over night, and it is not enough that our affiliation should be the badge of such virtues, but also that we are grounded in the essential knowledge of the deeds of valor of our Catholic ancestors who explored and evangelized this land we love so well. Affiliation with and membership in the Fourth Degree will bring to each of you a deeper realization and richer appreciation of the part you and I must continue to play and the service we must render under confused and chaotic conditions as they exist today.

The theme of the Fourth Degree is Patriotism. Its ritualistic work is of extraordinary beauty and power, conceived in a determination to assist in making the Catholic American citizen truly the most zealous, conscientious and patriotic citizen of our country.

Master McMahon announces as the guest of honor, and to whom this year's class is respectfully dedicated, Chicago's great Churchman, Archbishop Samuel A. Stritch, who, since his arrival in our midst, less than a year ago, has won the acclaim of all men and women, regardless of religious creed. Our beloved Archbishop is a forceful, brilliant and convincing speaker, and we humbly acknowledge the great honor he accords us. Candidates will be privileged to advance to our highest degree with the words of that great Prelate urging them to continue to defend their great Catholic American heritage.

Perpetuates Civic Ideals

The perpetuation of the glorious ideal of liberty, freedom and tolerance for all mankind—that is one of the greatest missions of our Order, strongly emphasized in the Fourth Degree. Certainly, one of the greatest services which our Order, with all its advantages for the spread of light and knowledge can render to mankind, is the eradication of those elements of religious bias, racial prejudice, and above all, the menacing influences of Atheistic Communism, which are vexing our country and impeding her in the complete fulfillment of her destiny.

Possessed of such knowledge as you will gain, and imbued with the spirit and patriotic fervor which the degree naturally provokes, you will be better informed Catholic citizens and loyal sons of whom Holy Mother Church may well be proud.

You are urged and invited to embrace this opportunity to associate with your Brother Knights in this great Patriotic Degree, Sunday, February 23rd, and receive the highest honors of Knighthood in the class dedicated to our beloved Archbishop, the Most Reverend Samuel A. Stritch.

February Meeting of Chi. Chapter Delegates Called for Wednesday Evening

The regular monthly meeting of the Governing Board of the Chicago Chapter will be held on next Wednesday evening, February 5, at the Elk's Club, 57 W. Monroe Street. The meeting will be called to order promptly at 8:15 o'clock.

Jacob A. Mueller, President of the Chapter urges all delegates to attend.

Good Attendances Mark Degree Work at Recent Classes

136 Candidates Advanced to Honors of Third Degree Here Sunday

One hundred and thirty-six candidates advanced to full Knights of Columbus membership in two exemplifications of the major degree here Sunday afternoon at Leo clubhouse, 820 W. Garfield Blvd., and at St. Philips Hall, 3141 W. Jackson Blvd.

Eighty-three candidates, from councils of the three west sections, were inducted at St. Philips under the direction of George Howlett and his degree staff. Michael Howlett, Jr. headed the inducting team for the 53 south divisional candidates at Leo.

At both inductions a large attendance of guests and sponsors was on hand to welcome the candidates. Particularly well represented were the Grand Knights and other officers from the supporting councils. Such attendance, it is felt, presages the re-awakening of genuine interest in membership work so that wide-spread increases in council intakes may be expected.

Six Brothers in Major Class

Waukegan council, in conjunction with Newman council of Evanston and the other neighboring councils of North Division No. 1 conferred the honors of the Third Degree on 71 candidates at the St. Anastasia Hall, Ash and Glen Flora Ave. in Waukegan, Ill. on Sunday afternoon, January 19th. The very famous Murphy-Garrity team officiated.

Six brothers, Reverend Father Michael Cepon, August Cepon as well as brothers Joseph, Rudolph, Louis and Andrew all took the major degree, a picture of the family group will be found on page two of this issue. Waukegan council also conferred the degree on Bernard Drew and his brother Thomas Drew, making a total of five Drew brothers in the council, Richard, Stephen, Daniel, Bernard and Thomas. Ketteler's Cabaret Party and Dance All Set for Feb. 8

2-4 Mon. . . . . 3437 Ogden Ave.

Coming events cast their shadows before them; and so we again remind you of our coming Cabaret Party and Dance to be held Saturday night, Feb. 8. Remember that date. It is very important because your scribe unwittingly announced the date of the party incorrectly last week. Come one and all that night, bring your family and a host of friends with you because it will be a night of complete relaxation and a round of fun and merriment.

The complete co-operation of the Ketteler L. G. A. Club and the bowlers in sponsoring this party is enough to insure its success. To those brothers who have allowed themselves to become weaned from council activities, let us extend a special invitation. Your ticket, costing you $1.00, will be all you can spend. Everything else will be on the house. So again, remember the date, Saturday, Feb. 8. Come early or come late, but by all means come!

Last meeting was fairly well attended. Quite a few brothers, through the courtesy of the Worthy Lecturer's office, took home a large bag of groceries. Several other brothers were enriched by virtue of the attendance award.

At the close of the meeting our Worthy Chaplain, the Rev. S. A. Derwinski, gave a thorough instruction on the use of "My Sunday Missal." This is the book which the Council gave to those brothers who attended our Christmas meeting. Incidentally any brother desiring additional copies can, for a nominal sum, get them through our Lecturer, Geo. Gersch, at the close of the instruction. Father Derwinski blessed the Missals.

The date of our annual retreat has been set up to March 21. Because the date previously set conflicted with Easter, this move was necessary. The time is short and our retreat chairman, Bro. Frank Bohler, would greatly appreciate an early response to his plea for many retreatants.

They describe your stay at Mayslake as "Sixty Golden Hours." Once within the portals of the retreat house, time actually loses its significance. Those sixty hours diminish to one solitary moment—a moment that stands still, a moment of heavenly preciousness, and before one knows it, he is leaving behind him, and somewhat reluctantly, too, the haven of refuge, deep religious fervor offers to the world.

In this wartorn world mad with frenzy and hate and irreligion, only the united effort of Catholic Action can stem this tidal wave of "isms." The means to this end can be greatly accomplished by the retreat movement.

MEMBERSHIP

Under the direction of Bro. Sam White, the membership committee has already shown splendid results. Some of the applicants not yet reported in this column are: Rev. John J. Mackin, sponsored by Thos. D. Bogan; Chas. J. Vodicka, sponsored by Geo. B. Gersch; Frank P. Koporc, sponsored by Jos. A. Koscak; Chas. A. Sechen, sponsored by Jos. Prevender; John C. Lozanski, sponsored by Dr. S. A. Majcher; Thaddeus J. Lozanski, sponsored by Dr. S. A. Majcher.

Bro. Sam White wishes it announced that on next Monday night he will hold a meeting of his committee. All brothers interested in this membership drive are earnestly requested to be present.

The next regular meeting of the Bishop Ketteler Ladies' Auxiliary will be held on Wednesday evening, Feb. 5, at 8:15. In conjunction with this meeting, a valentine party will be held, and everyone is asked to bring along a comic valentine. Refreshments will be served. All members are urged to attend because business of importance will be discussed, and a great deal of fun is in store.

To Bro. Harold Nowakowski and his wife, Mildred, same a bundle of joy on Dec. 29 at Mary Thompson Hospital. It was a beautiful baby girl and to Harold and Mildred we say: "Congratulations, and may your tiny daughter be always a source of job and happiness to both of you."

Bro. and Mrs. Jos. Milas recently celebrated their fifth wedding anniversary. Joe says that it seems like it were only yesterday. We hope that they will celebrate many more years of martial bliss and happiness.

It has been called to our attention that the wife of Bro. Otto Peska is seriously ill. May the prayers we offer to Almighty God for her recovery be answered before long, and she be returned to perfect health again.

BOWLING NOTES

It is with the greatest of pleasure that we are able to announce to all of our brothers and fellow bowlers that our Worthy Deputy Grand Knight, Edw. Oakes, will assure the managership of the Major Recreation Alleys this week. To any one who knows Eddie, his success is unquestionable. Gifted with a tireless and zealous energy and also a beguiling and friendly personality he will go far in making the Major Recreation Alleys a proud adjunct to the neighborhood.

The Grand Knight of Waukegan council, Frank Dery, presented a Knight of Columbus ring to the past Grand Knight, Jerome Muth and dedicated Waukegan's largest class of several years to him in behalf of the council's appreciation for his work and leadership during the past year.

ELECTRICAL EMPLOYEES BRING THIRTY-FIVE MEN TO 6TH ANNUAL RETREAT

Sponsored by Patrick M. Graham and George Albiez, thirty-five employees of the Englewood Electric Company made the closed retreat at St. Francis Laymen's Retreat House, Mayslake, ending Monday morning, January 27.

This group has been making retreats for six years. They began with five retreatants and this year's class numbered thirty-five men. The retreat was given by the Rev. Joseph Forst, O.F.M., retreat master.

Six Brothers in Third Degree Class

Six brothers, all from Waukegan Council, were inducted to the honors of the Third Degree in the exemplification sponsored recently at Waukegan by Newman and Waukegan councils.

The six brothers are shown in the picture above. From left to right are: Frank Dery, Grand Knight, Waukegan Council, Father Michael Cepon, Assistant Pastor St. Joseph's, Joliet, and August Cepon. Shown standing are Brothers Joseph, Rudolph, Louis and Andrew Cepon.

Rev. Peter Witmanski, Pastor of Ascension Parish, Rev. C. J. McGillicudy, Assistant Pastor of St. Mary's, and Rev. Thomas Holbrook, Assistant Pastor of St. Athanasius, all of Evanston, were among the initiates from Newman Council.

St. Francis Dance Committee Breaks Previous Records

2-4 Thurs. . . . 4711 W. Madison St.

Members of St. Francis Xavier Council have broken two records in preparing for their 23rd annual ball, according to chairman "Sheik" Pintozzi. Through the tireless efforts of Sir Knight Frank Pasquale our ad-book is the biggest in the history of our council. The Goodfellowship list, with Sir Knight Nick Masse in charge, has exceeded last year's by a two to one margin. But you still have time to dispose of tickets. If you haven't any, you can obtain them from any committee member or by phoning Monroe 0682 and Bro. Al Caruso will be at the other end of the wire ready, willing and able to take care of your needs.

There is a lot of work to be done the night of the dance and each member should volunteer part of his time. Come to the committee meeting Tuesday night at 3024 W. Flournoy street to get final details. Just in case you've forgotten, the dance will be held Saturday, February 8, at the Ashland Blvd. Auditorium, Ashland and Van Buren. Bro. Torry Muro and his orchestra will furnish the music.

Due to the forthcoming dance, our next regular meeting has been moved up a week to Thursday, February 6, at 8 p. m.

St. Francis Xavier Council is one of the four councils in the State of Illinois to make the Honor Roll of councils succeeding in securing their membership quota. Keep up the good work. Our goal now is 25 members for the March exemplifications.

The Fourth degree membership drive is also in full swing and St. Francis Xavier Council is counted on for a big representation at the exemplification February 23rd at the Palmer House. For more information see any Franfour and he will be glad to assist you. The initiation fee is $25 and it includes the Baldric and Sword, pin, and a ticket to the testimonial dinner.

KNIGHTS AND NOTES

About fifty council members are expected to attend the induction of Bro. William Iacullo as president of the Alleanza Reciglianese Society. The induction will take place Sunday at a dinner-dance in the Knickerbocker Hotel. The council will be officially represented by Grand Knight Baptiste Mele; Bros. A. LaRose, N. Damore, J. Caruso, V. Candice, A. L. Vincenti, M.D., J. Mangano, D. Meccia, A. Arra and ye scribe . . . "Sheik" Pintozzi's wife, Rose, celebrated her fifth wedding anniversary last Saturday and she would like to know when "Sheik" is going to celebrate his anniversary . . . Personal to Doc. Vincenti: Where did you get those suspenders?

The other night Bros. Eugene Belmonte, James Varchetta and an unindentified friend were playing a friendly game of pinochle. Everything went along smoothly until Bro. Belmonte produced 800 kings. That spoiled the evening for Bro. Varchetta . . . True Council boosters are Bro. Charlie Principe's children, Raymond and Joan. Two weeks ago, at a local dance, they spent the evening distributing folders advertising our dance . . . Two new members took their Third Degree last Sunday. They are Al DeBartolo and Anthony Spinato . . . Bro. Rocco DeCristofaro has joined the legion of Florida vacationists . . . Sir Knights Anthony Raciti was a three-day victim of the flu.

Pacellis and the Senate Electricians won double victories over the Bacigalupo and Colletta Undertakers, respectively.

Santa Maria Hopes to Have Every Eligible Member in 4th Class

2-4 Thurs. . . . . 9120 Commercial Ave.

It is hoped that every third degree member of our council has been giving the approaching exemplification of the Fourth Degree at the Palmer House on Sunday, Feb. 23rd, a serious thought. Reaching the highest degree of our Order should be the aim of every member, and this year more than any other, since the class is dedicated to our Most Right Reverend Archbishop Stritch of Chicago.

The Fourth Degree, for both distinction and ceremony, is the ultimate of all of the ceremonies of our Order and is well worth any sacrifice you may have to make to attain it. G. K. Al Schott has all the necessary applications, and if you are contemplating being one of the class, see him without delay, as there are several steps to be taken before the 23rd, and the sooner the better. A word to our Fourth Degree Club—we will as usual have our own private party preceding the banquet at 6:30, and G. K. Schott is anxious to make the proper number of reservations. See him without delay.

BOWLING

By William Rosenbach

Walter Goebel of the Horan's Markets in the Santa Maria K. of C. League, bowling at the Cheltenham Alleys every Tuesday evening, shot a total of 693 for three games. In the last game of this trio, Walter shot 298, two pins less than a perfect score. Eleven strikes in a row and eight pins on the last ball made the grand total. His scores were 181-214-298, making a total of 693. Other scores for the Horans were: Joyce, 465, H. Rosenbach 514, B. Horan 536 and Chesney 497. Making a total of 2,882, including handicap. Congratulations, Walter, keep it up both for yourself and the team.

Standings of the other five teams in the Santa Maria league are:

	W.	L.
Horan's Markets	34	20
Conners News	34	20
Higgins Boosters	27	27
Brown's Morticians	26	28
Motz Sports	24	30
Blasel Coals	17	37

A new spirit is very evident among the teams and it is doing a great deal to create interest. Come on out and watch the boys in action.

NOTES

Keep in mind Fr. Terlecke's and Fr. Cousins' Catholic information classes in SS. Peter and Paul Church on Feb. 16, 17, 18 and 19. Here is that chance you've been wanting, to brush up on things Catholic. You know Father Terlecke's ability as a speaker and teacher, and he himself vouches for Father Cousins.

Keep plugging away at membership. We still want to make the Father Terlecke class of candidates the biggest ever.

These gentlemen have tickets, so they will be able to fix up a table for you of any number from ten to fifty. It is going to be a grand party so get in early.

Any Fourth Degree members wishing to attend the Fourth Degree exemplification and banquet at the Palmer House, Feb. 23rd, notify F. S. Joe Hannon.

Put a mark on your calendar for these coming events: Educational Benefit Party, Feb. 12th; St. Patrick's Dinner Dance, March 15th; Fourth Degree Banquet, Feb. 23rd. Annual Communion Sunday, May 4th, and Mayslake Retreat May 16th.

John McNeill, making a belated appearance at the last meeting, advised he had been on the sick list. Sorry we didn't hear about it, Johnny, but we are glad to see you out and around again.

Bill Cooney's faith in human nature is unlimited apparently, as one of his relations discovered when he was called on to put Bill's car away when Bill was suffering from a slight attack of flu. The relation discovered, after stumbling around in a lightless garage for some little time that the garage locked all right, but on the outside, by merely dropping a rusty nail through an equally rusty staple. There's some psychology mixed up in this, but we don't know what it is.

G. K. Charley Costello, Jr., proudly announces the arrival on Friday, the 24th, of Miss Marilyn Costello, weight six pounds six ounces, at St. Anne's Hospital. Everybody is thriving, so to speak, and Charlie is wearing a big grin. Congratulations and best wishes to the parents and new baby.

Ernest Burns, a veteran member, made his appearance at the last meeting, after a long absence. After his daughter, Mary Catherine, is married in February, we expect to see him at meetings oftener.

Roy Cummins and Bill Phelan left last Friday for a Florida vacation. Len McGee, the Madison St. real estate man, has just returned. They come and go just like commuters. Tom Butler was sent to Rochester, N. Y., by his bank.

Once upon a time there was no income tax. Brother, if you can remember that far back you are no spring chicken. G'bye.

Thos. Aquinas Looks to Continued Increase in Meeting Attendance

1-3 Tues. . . . . 5441 S. Ashland

The next meeting of the Council will be Tuesday, Feb. 4, and we hope to see the splendid turnout we had at the last meeting increased. Call one of your friends who has not been attending regularly, remind him of the meeting, and if possible bring him along with you.

We learn with regret that Michael Grace, Sr., has been on the sick list. He is much improved at this writing.

Joe O'Hern is in South Bend and points East this week.

OPEN FORUM

On Wednesday, Feb. 5, at 8:30 p. m., Thomas Aquinas Forum will present Emeritus Professor Anton J. Carlson of the University of Chicago. Dr. Carlson will discuss our relation to the European War. We feel that Dr. Carlson is well informed on international affairs, having been in Europe in the service of the United States during the World War.

His work in rehabilitation, with relation to the starvation problems following that war, gave him an opportunity to see the horrible back wash of war and to travel in all of the countries of continental Europe and England. We invite you to bring your friends. The place, 5441 South Ashland avenue. Admission free.

University Casts About for Ways and Means to Provide New Quarters

2-4 Tues. . . . . Rogers Park Hotel

The issue of a new meeting place for the council is up again. At the recent offcers' meeting the committee headed by Emmett McHugh was jazzed up with a couple of new members who had some possibilities in mind. The only thing lacking apparently is an angel who will finance the alterations and equipment necessary to get started in new quarters. Applications for the angel's job will be received at any time during the day or night by Chairman McHugh. In the meantime, if you have any constructive ideas on the subject, the committee will listen with all ears.

Is your application in? The meeting called for the University Fourth Degree members last Thursday night unfortunately was missed by your scribe, and his efforts to locate John McGuire for information have up to now been fruitless. However, you can reach John at 6302 Winthrop, Sheldrake 0840. And don't forget that our next meeting on Tuesday, February 11th, will be Fourth Degree Night. John promises an entertainment that will convince you of the desirability of making your application immediately for the Archbishop Stritch Memorial Exemplification on February 23.

How about those applications from new members? The First and Second will be put on Tuesday, February 25. That brother or son or neighbor can be secured by a little work on your part. And if you need help, call up Ed Dwyer at Sheldrake 8155—he'll come running or send one of his most persuasive assistants.

REGRETS

It is our sad duty to inform those who did not attend the January 14th meeting that the scribe was criticized (he wasn't there himself early enough to hear it as he was helping Jack Garrity to advise Selectees at Board 76) for failing to get his notes into the January 17th issue. While the omission is to be deplored, the notes prepared for that issue would not have lightened the soul or served to pass an entertaining hour—they were dull, uninspired and brief. The ideal scribe should be a young man of vim, vigor and vitality, a literary expert, and a man with lots of time to travel around from officer to officer and from member to member. If the choice falls on a broken-down, day-and-night worker such as the present incumbent, it is up to his sympathetic and charitable brothers to gather around with news items, suggestions and stories. Help! Help!

FLASH—FOURTH DEGREE

As an added attraction to the Fourth Degree Night, February 11th, Chairman John McGuire is including the ladies. There will be dancing and refreshments in addition to a sparkling entertainment. Mark this night on your calendar now and tell the wife or sweetheart to get ready for a big date.

St. Paul Bowlers Do O.K. in Tourney Except for No. 39

1st & 3rd Tues. . . 6713 Olmsted Ave.

In spite of the bad weather last Sunday, the keglers were out en masse at the C.Y.O. alleys to do their stuff, and you will find a complete account of their work on page 12 of this snappy little paper. Just like big time, eh?

The following participated in the State Bowling tournament:

P. Leonertz, M. Perz, P. Kasper, W. Gregory, J. Pufurt, V. Fowler, H. Pfeiffer, H. Cronin, C. Masters, R. Gleason, E. Simon, H. Clark, G. King, G. Jeschke, A. Kreir, S. Preglow, G. Harbert, T. Meehan, L. Vicini, R. Kopinski, R. Hoffman, G. Ellwanger, E. Ossman, A. Cook, V. Callaghan, A. Kremer, C. Faerber, C. McCormick, F. Urban, J. Guenther.

F. Loftus, B. Daleske, W. Kreir, M. Kuehn, M. Kuehn, Jr., J. Lynch, S. Cerbin, V. Porazinski, F. Wrzeszcz, Dr. R. Seidl, W. Bronkhorst, H. Blim, J. McDowell, D. Kelly, G. Sass, V. Zeigler, H. Strass, R. Donovan, A. Westemeier, P. Vandenberg, B. Champion, A. Holl, M. Kennelly, G. Berresheim, W. Holl, Stanley Luczak, Casey Luczak, Frank Luczak, Steve Luczak, Phil Luczak, H. Shea, Father Kiley, S. Czapalski, M. Georgen, G. O'Donoghue, J. Sebastian, F. Sebastian, J. Back, F. Holtz, J. Lenhart.

OUR—ER—SCORE

We didn't do so well ourselves; yet we're not ashamed of the result under the circumstances—you wouldn't expect much from No. 39 anyway. Yea, one after another of the council keglers come up to me and ask who No. 39 was. It finally dawned upon them that, excepting the ex-officio scribe in the person of the g. k. (dog-gone him, anyway), only the scribe could make it possible to hide himself under a nom-de-plume or an anonymous.

Gene Sass says that while it was nice to visit in Florida, there really is no place like good old Chicago; he made his arrangements so that he got back in time for the tournament.

FATHER AND SONS' NIGHT

Father and Sons' night was well attended. I think that it could honestly be said, without "puffing," that it was all that one could expect. The talks were interesting and the pictures exciting. Every "red blooded" kid just couldn't help getting excited viewing the pictures of games that time or circumstances make it impossible to witness in person.

Our thanks go to P. G. K. Joe Guenther and his committee for arranging a swell performance and an entertaining evening.

Information comes to us that three of the council keglers are "going about, spreading the good news and work" of St. Paul of the Cross Council in a manner in which they are most adept. We refer to Ed. Wolff, Frank Mount and the treasurer, Al. Westemeier who do their good work in match bowling games with other church organizations, Holy Name Societies, etc. They took on a three-some from St. Cornelius's Holy Name Society in a match game in which they "took the opponents down the river" and later, in a return series, showed the opposition some more of the same stuff and made them like it. These boys are as good company as you'll find anywhere and we are happy to pass on to you some of their exploits.

WE HEAR THAT

Greetings of "hello Pop" were bestowed upon P.G.K. Herb Clark as he sat down to a little repast after bowling last Sunday. Herb must be showing his age these days. . . . Tony Zillner, ankle in cast and all, was seen at the Father and Son's night affair. . . . Val. Ziegler opines, after adding up his near 400 series in the five men events. "I know I'm a better bowler than that." . . . Guenther (P.G.K. Guenther) still claims that "he hits 'em while others get 'em." . . . Charlie McCormick claims that "if he only could take bowling seriously, there would be nothing to it."

H. S. Happ is to be chairman of the committee in charge of a card party which will be officially announced soon. . . . The G.K. has acquired an hour glass so that he might watch the time trickle down through space; watching, as it were, those precious moments slip by.

DE LA SALLE ACTIVITY INDICATES PROGRESS

1-3 Tues. . . . . 1105 E. 47th St.

With the advent this year of officers' meetings once a month, the council has taken on a definite air of "up and at 'em." This was reflected in our last meeting, which we could well review as it transpired. First there were more members attending than usual and the business was transacted with dispatch and enthusiasm.

In the future if a member passes away the GK or the financial secretary should be notified. They, in turn, have five or six key men to phone who, in turn, will each phone a certain group assigned to each. This should provide for a rapid and accurate notification of brothers so we may attend and be there as nearly as possible at the same time.

At this time DGK Emmett Markey tells us Bro. James Morgan of 7245 Prairie Ave. is convelescing and would be happy to have you call on him.

MEMBER DRIVE

Our new year membership drive is under way. Many suggestions were offered at our officers' meeting and the consensus of opinion is that we should have more activities. Bro. Zellar and Sheehan have taken over this job because, unfortunately, our lecturer, Bro. Joe O'Brien, is ill.

Bro. Zellar has assured us that in addition to these parties and affairs he will have something interesting for each meeting, especially at the second monthly meeting each month. The last one in February he has arranged with our chaplain, Father Riordan, to give a talk.

At the officers' meeting we were happy to see the active part Father Riordan took in the discussion. It wasn't just the ordinary "pep" talk, but he had a keen analysis of his reasons and a helpful suggestion for our future.

Just to show you that the membership drive is started we have had one transfer, Bro. Dan Loughlin from Notre Dame Council; one new application up for first reading and a promise from Bro. Bardon of an application at our next meeting. The ball has started rolling, so let's get behind and push.

FOURTH DEGREE

By the way, Bro. T. Howard Brennan, who is now chairman of the membership committee, has done some good work for Bro. Alex MacDonald, chairman of the fourth degree committee. Howard has received four candidates. Don't forget, too, if you are in a position to take this degree get in touch with Bro. Alex as time is getting short.

Our brother, Dr. Welch, put his shoulder to the wheel and obtained the list of those who had their blood typed, and this is now on file and a copy is being forwarded to the state chairman, Robert Du Mais. The meeting concluded with entertainment by Bro. Metz of Father O'Connor Council. He did some sleight of hand for us and everyone enjoyed his art very much. Then came the surprise luncheon by Bro. Bardon, which was, as always, what we wanted.

After this our trustees went to work with Dr. Dunn, rolling up their sleeves and beginning work on the audit.

Lastly we would like to remind you that our lease is expiring soon and if you have any suggestions please make them known. There is the idea of renewing it just as before or taking on the hall exclusively and perhaps abandoning one of the offices or even moving if we can better ourselves. Our grand knight is always open to suggestions and wants to have the action of the council do the most good for the most members. This matter is up now so if you have a suggestion come to the next meeting and make it known.

CHICAGO, JANUARY 31, 1941 100

The Layman's Retreat

During the twelve months of 1940, seven hundred and seventy-one Knights of Columbus attended the weekend retreats conducted by the Franciscan Fathers at the St. Francis Laymen's Retreat House at Mayslake, Illinois.

Seven hundred retreatants is a goodly number even when spread over the fifty-two weekends of the year, and there is little doubt that the good Franciscan Fathers at Mayslake appreciate the support of these loyal members. However, in the light of full order membership here and in consideration of the outstanding features of Catholic Action that are a part of the retreat movements, it is surprising that only one Knight out of every hundred in the Chicago area has availed himself of the opportunities afforded at Mayslake.

Every progressive business takes stock of its resources and its liabilities at least once each year. It is subjected to a thorough inspection, its advancements are weighed against its failures, and measures are set up to avoid the mistakes of one period to strengthen the successes of the next. If such an introspection were not conducted periodically, no business would long continue in operation. Sensible individuals also make periodic check-ups of their affairs, in order to measure their progress in the accumulation of life's goods.

If we translate this interest in material things into the spiritual domain, we may obtain a fairly accurate idea of a retreat. It is simply a period of withdrawal from our ordinary occupations, and the devotion of "sixty golden hours" to the important business of setting our spiritual house in order and of balancing our individual accounts in life's golden book.

Certainly if we can devote the time and energy of a periodic inventory of our business in order to discover some mistake, the effect of which can only be temporary, we can as easily afford the time to check up on our spiritual development where an error will carry through to eternity!

Phil Sheridan Plans Real Valentine Party for Wed., Feb. 19th

1-3 Thurs. . . . . 446 N. Parkside

After an absence of a couple of weeks Phil Sheridan is again back in the news. And believe me we have some real news for all the members and friends of Phil Sheridan Council.

Don't you think its about time for another one of those good old-fashioned Phil Sheridan Parties? Well, you're right and its all set. The date is Wednesday, Feb. 19th, at 446 N. Parkside Ave. The date is midway between the beginning of Lent and Valentine's Day, so we'll call it a Valentine Party. A night of entertainments that every one enjoys.

We urge you to talk this up among your friends and see that they all come. At the end of the evening some of our more fortunate guests will go home more prosperous than they came. We know this sort of entertainment will appeal to all our friends so see that they are all notified of this party and make sure they come early. You know the capacity of our hall is limited, and first come, first served.

We remind you that the date is Wednesday, February 19th. Tickets will be mailed to all the members and we urge them to distribute them among their friends. Do not sell them, just give them all out and inform your friends that all tickets are payable at the door. Many door prizes will be given away to the lucky persons. No doubt this will be our last affair until after Lent so we cannot urge you too much to advertise this party, especially among the ladies.

NEXT MEETING

The next regular meeting of Phil Sheridan Council will be held next Thursday, Feb. 6th, at 8:30 p. m. sharp. Many matters of importance are scheduled to come up at this time so we urge all members to be present. Refreshments will be served.

One of the matters of importance will be the special election of a trustee to fill a vacancy caused by the death of Bro. M. J. O'Leary. We urge the members to come up and signify their choice for this important office.

Any members wishing to pay dues or receive any information regarding the new K. of C. Insurance will find Gus Flashing in a very receptive mood.

SHERIDANEWS

No doubt, all the members read last weeks' issue of The Columbian and noticed on the front page the name of Phil Sheridan Council as one of the four Cook Co. Councils on the Honor Roll. It is indeed a great honor to be on the Honor Roll and G.K. Ed Bachner and Frank Weaver, chairman of the Membership Committee, are to be complimented for their untiring efforts to keep Phil Sheridan in the front rank where it rightfully belongs.

We hope G.K. and Mrs. Bachner are enjoying their vacation in Florida. We know that upon his return Ed will have renewed vim, vigor and vitality.

St. Lucy's Holy Name Society is holding a night of entertainment and amusement for all on Tuesday, Feb. 11, in the School hall. We urge all members and friends of Phil Sheridan to attend.

During the last meeting our worthy Treasurer was called home on account of the illness of his daughter. We are all glad to hear, George, that she is better and back in school.

"RELIGION BY MAIL" IS WELL RECEIVED

Altamont, N. Y.—The inauguration of correspondence courses of religious instruction by the students of the Seminary of Our Lady of La Salette here is being well received by Catholics and non-Catholics throughout the East. The course is part of a missionary activity program being carried out by the Father Cote Mission circle, seminary unit of the Catholic Students' Mission Crusade. The correspondence method of catechetical instruction has been successful at Kenrick Seminary, Webster Groves, Mo.

Are you a Fourth? Attend the exemplification banquet, Feb. 23.

LAST MEETING

We of McHale are always proud of the large turnouts at all of our council meetings and this was no exception. The movie that we saw "All American Way" was truly the best ever. Before the meeting a large group of our members led by our Grand Knight Tom Mulroy attended the wake of our most beloved P.G.K. Dr. Loftis. We were glad to see so many of the old timers at the wake and later at the meeting such as Dan Manning, Tom Cronin, Bernie Kline, Pete Holm, Dave Hennessey and P.G.K. Joe Webber. After the meeting there were plenty of refreshments on hand. The second meeting in February is to be Ladies' Nite at our council. We will have for the ladies the latest baseball sound pictue "Batting Around the American League" and some very delicious refreshments, so bring the girl friend, also have your daughter bring her boy friend or have your son bring his girl friends. Let's have them all enjoy an evening with McHale.

COUNCIL NOTES

St. James Movie Fare Receives Approval of Visitors and Members

2-4 Mon. . . . 64th and University

Last Monday evening the members were highly entertained with the showing of "Tobacco Land," a Chesterfield moving picture. Also seen were short comedies, including how Chicago looked fifty years ago. The boys got a real kick out of this, especially the bathing beauties contest. It was an hour of enjoyment and it was very interesting. Card playing followed to wind up the evening's fun.

Among the members and visitors were: Bros. Joe Gallagher, J. Bird, John Hand, Reidy and Elliott of Calumet Council; Joe McGreal and Joe Ferraro of Leo Council; P. G. K. Joe Blum, Al Fashingbauer, Ed Muellner, John McKean, Chris Davis, Ed McBride, Tom Groark and many other old-timers. Several ladies also attended the movies and several new candidates were present. During the course of the meeting, Bro. O'Day visited us and spoke on the latest insurance phases.

SICK

The sick committee reported the following on sick leave and we express our wishes for a speedy recovery: Bro. John Green, who is at South Shore, will be with us soon. We missed you at the meeting, John! Bro. Ray Steffens is at St. George's for an appendectomy and will be out in ten days. Bro. Frank Prindiville, P. G. K., is at St. Luke's and will be on hand soon again. Best wishes, Frank.

FOURTH DEGREE

The following brothers are listed to take the Fourth Degree on Feb. 23rd: Bros. Mike Connolly, Robert Lee, Raymond Socha and Thomas Butler. Henry Steffens and his committee have arranged the usual fine quarters for the Fourth Degree Club.

AROUND THE CHAMBER

Bros. Tom Groark, Dr. C. J. Strobel and several others attended Englewood's fine dance. They had a wonderful time. On Saturday evening, Feb. 8th, McHale Council will hold a dinner-dance at the Shoreland Hotel, and a wonderful event is promised to all those attending. G. K. Tom Mulroy promises you an unusual evening and tickets may be procured through him. The fine photograph that appeared in the last issue was taken by Bro. Ambrose Burke of the Everett Coal Co., and Dr. Gregory Strobel, the dentist. Thanks for the good work, brothers. Remember the Fourth Degree and that new member. See you soon.

Propagation of Faith Society Traces Start to Early Church Life

New York.—The work of the Sacred Congregation for the Propagation of the Faith dates back to the first years of the Church, "since the propagation of the Faith—the dissemination of Christ's teachings was the primary reason for her existence," says a statement issued by the national office of the Society for the Propagation of the Faith.

"The work of the Sacred Congregation was begun actually in the first years of the Church since the propagation of the Faith—the dissemination of Christ's teachings—was the primary reason for her existence," says the statement. "It motivated and financed, through the help of the laity, the travels and fondations of the Apostles themselves. It was this undesignated phase of Church administration which made possible the work of Boniface, of Augustine, of Patrick of Ansgar, of Cyril and Methodius. However, it was not until the onslaughts of the reformation and the expansions consequent upon the great era of exploration that the continental character of the Church's activities became changed and enlarged.

"Vast and hitherto unknown peoples and nations loomed upon the horizon of the hardy explorers of that period. On June 22, 1622, after years of careful study and preparation the Sacred Congregation for the Propagation of the Faith began its functioning as it operates today. For almost 300 years our own United States, beset with the problem of territorial expansion and development, prospered under this Congregation. Even today while removed from the status of mission territory, large sections of the Americas continue under the jurisdiction of this most important department of the Catholic Church.

"As at the time of its foundation, the Sacred Congregation for the Propagation of the Faith embraces in its care all that concerns the spiritual and material well-being of the missions."

Feb. 23 is the date of the next Fourth Degree class. If you're a Third join up — if you're a Fourth — attend the banquet.

Dowling Bowlers Join Tournament Sunday Afternoon

2-4 Tues. . . . . 3625 S. Hoyne

Sunday afternoon, Feb. 2, at 4 p. m., our boys will go into action and try to bring home the bacon for our council. The tournament is being held at the C.Y.O. bowling alleys, 31 East Congress street. Our team will roll on the third floor and the bowlers welcome you to root and give them that moral support that always prevails in our council.

We have seven complete teams signed up and our chairman of bowling deserves plenty of credit for the wonderful job he is doing as he has 35 of our 40 bowlers for this tournament and 20 for the national to be held in March at Indianapolis, which speaks well for our league and its officers. President Harry Lorden, John Hartnett, Geo. Spencer, John O'Rourke and Geo. Love.

FOURTH DEGREE DRIVE

At this date we have eight applications for advancement to the Fourth degree, and Bro. August Trapp has signed up five of the eight. Chairman Spencer would like at least four more and if you are figuring on taking the Fourth, contact either Geo. Spencer or John Struve within the next two weeks.

The Patriotic Club will be host to our new candidates on Sunday, Feb. 23, at the exemplification and they also will present them with a membership for the year gratis.

The Patriotic Club will hold its election of officers for the year on next Tuesday. night at the Stock Yards Inn. It is a very important meeting and merits your attention.

RETREAT NOTES

Our Council again made the papers, and the Columbian, under a special news item last week, published our council as being the retreat champions once more. We have held that record for years and we have only our little dynamo Tom Gallagher to credit for this honor.

Tom hopes to keep this record and can only do so by your help. He is sponsoring another Dowling class on April 25 and is soliciting your support. He has many signed up but needs plenty more to live up to his reputation among retreatants.

The Mayslake Retreat League has a drive on for funds to complete a new wing on the present building, and Father Joseph and Father Oliver would appreciate any help that you can give. See Tom Gallagher for particulars.

NOTES

The bowling league is contesting for a bowling ball or $15.00 in cash by means of chance books at 5 cents a chance. The purpose of the contest is to raise money to send our bowlers to the national tournament at Indianapolis, Ind., without a drain on the Council. All the bowlers have books and a chance is cheap at 5 cents for $15.00 prize.

Bro. Augie Trapp is surely a proud daddy as he is continually boasting about that young son and he says he will be a knight in a few years. We were surprised to hear that Augie has a twin brother in the Council. Bring him up, Augie, so we can see you both together.

Bro. Pat Lenihen is doing some great detective work trying to find out who sent in the news about his broom purchases. Pat claims revenge is sweet, so you better watch your step.

I was present at the Third degree exemplification last Sunday afternoon with your Grand Knight and several members from our Council. We had four candidates—Thos. McGurn, Eugene O'Rourke, Stanley Gorz and Perry Roubie. We welcome these gentlemen as Brother Knights and in our opinion they will be real active members. The degree was put on by D. D. Jerry Sheahan and Michael J. Howlett, Jr., and team. We congratulate them on their wonderful work. We were well represented at the degree and our Grand Knight is very thankful to those who attended.

CONDOLENCES

Bro. Thomas J. Flanagan, one of our old-time members, met his death very suddenly last week due to an automobile accident. He was buried last Saturday. On Friday night a large number of our members turned out to offer their prayers. Tom leaves a widow and two children. We extend our sincere sympathy to his family and pray for the repose of his soul.

Our Lecturer, Dr. Jos. E. Laibe, has been laid up with the flu for the past week, but he is up and around now.

PIN TUMBLERS

We are informed that a big deal in trades is on in the league between Cong. Beams and the Ald. Hartnetts. The Beams want to swap G. K. Barker and another bowler not yet named for Mike Dore of the Hartnetts, but the Hartnetts want two more bowlers thrown in. Harry Lorden will give more dope on the trade later.

We miss Doc. Laibe and hope he comes to the rescue of his team in the near future.

Santa Claus Juric was absent once more and it looks as if we will have to send G man Riley after him on bowling night. Ed Blythe was absent and supposed to be attending a banquet, but we wonder.

Jerry Wollschlager was also absent and we are waiting for an excuse.

If you cannot bowl well, our advice is to just trail Marty Labuda on Sundays, and he will lead you to an alley for practice. The Dunne Tires lost their first game last week and were on the way to a complete foldup, until their sponsor, Earl Dunne, put in an appearance, and they pepped up after hearing that Earl was for trading his team for a team of washwomen or a few broken bats, and after that they had to produce or else.

We are wondering why "Clark Gabel Deschner" only rolled 401 intsead of 658 on the same pair of alleys. We wish to inform Tom Jankowski that we start bowling at 9 p. m. and not 10 p. m. and we bowl three games and not two games.

Jockey Harry Lorden came to the alleys prepared last week and was hiding behind his wife's skirts. When a shot was difficult he would consult his wife and it showed who was the boss of the Lorden household. He shot as she suggested and after making a good shot he came back to his wife for comments.

Art Christin was busy with his chance book and nailed Earl Dunne for 20 chances.

The results for last week were as follows:

Dalieges won three from Zintak; Beams won two from Dr. Michels; Dunnes won two from Hartnetts, and Dr. Laibes won two from Gormleys.

Bowlers in the 500 bracket: Christin, 555; Deterick, 549; G. Connelly, Jr., 529; Riley, 526; Dunlap, 515; J. O'Rourke, 514; Mulholland, 511; Hartnett, 505.

Don't forget we roll in the state tournament Sunday at 4 p. m. at C.Y.O. alleys, third floor.

Auburn Park's Meeting Honoring P.G.K. Corcoran Brings Crowds

2-4 Thurs. . . . 7740 S. Emerald Ave.

A short business meeting was called by the Grand Knight Harry J. Cox on last Thursday evening promptly at 8:15 p. m. and shortly after 9 p. m. the gavel was turned over to our own State Secretary Leo M. Flynn, who acted as Master of Ceremonies, at a special session to pay tribute to our Past Grand Knight John W. Corcoran.

A very good attendance was in the hall for the business meeting and additional members and guests arrived later. An invitation was extended to our State Deputy, Brother John F. Bolton, but due to a previous engagement he was unable to be present but sent a telegram of congratulations to the guest of the evening.

The following officers and members of neighboring Councils were present to pay tribute to our retiring Grand Knight, John Deveraux, G.K. of Fort Dearborn Council, and three P.G.Ks from McHale Council, Brothers B. A. Perona, William Collins, and District Deputy Jeremiah J. Sheehan. Past Grand Knight Guy Macina of San Salvador represented the far south end of the city while Past Grand Knight John Hasty and Deputy Grand Knight Dick Phillips came from Englewood. LaRabida's officers attended a meeting of their own earlier in the evening arrived a little late, and were led by their Grand Knight, Con Driscoll, D.G.K. John Farrell, Fin. Sec'y Andy Bulger and Past Grand Knights John Mahon and George Griffin. Our faithful friends from the west side, St. Patrick's Council had Past Grand Knights Roy Bennish and Al. Thompson on hand while Loyola's delegation was headed by past Grand Knights Dick Judge, Bill Leeland, Charley Lawlor, DGK John McGuire, Chancellor Bentley Baker and Past Recorder Jack Flanagan. Our own Past Grand Knight M. A. McDermott was also one of the speakers of the evening, going back to the Old Days in the Council and its activity.

We of Auburn Park are extremely grateful to those members of neighboring Councils who attended as it is this cooperation that makes our Order outstanding in good fellowship. We hope they were all rewarded by a very pleasant evening.

As a token of appreciation Grand Knight Harry J. Cox after a very well timed speech, presented Brother John Corcoran with a check, and after this order of business refreshments were served.

IMPORTANT ANNOUNCEMENT

The next Council meeting to be held on Thursday evening, February 13th is one of great importance inasmuch as the By Laws of the Council will be read for the third time and voted upon at this meeting. No doubt you will be advised through the mail as to complete details.

The officers and members of McHale Council extend an invitation to our membership to attend their Anniversary Birthday Dinner Dance to be held on Saturday evening, February 8th, at the Shoreland Hotel, 55th and Lake. Dinner to be served promptly at 8:30 p. m. A very popular dance orchestra has been secured and the tickets are $2.50 per plate.

Let's continue to keep our record clear in having a representation at McHale's Annual Affair. Reservations may be made with Lecturer John Kelly, Phone Englewood 5151.

Grand Knight John Devereaux of Dearborn, in attendance at our last meeting extended an invitation to attend Fort Dearborn Council's Valentine Card Party to be held at the Stock Yard Inn, 41st and Halsted street, on Saturday evening, February 15. Here's an opportuntiy for a very enjoyable evening and participate in some very attractive prizes.

SICK COMMITTEE REPORT

We have a report that our old basketball player, Brother Geo. Saunders, is laid up in Englewood hospital after an operation for appendicitis, and is now well on the way to recovery. Drop in and cheer up George if only for a few minutes. He will be more than pleased to see you.

It was reported recently that one of our old time members, John A. Noonan who was very active in Auburn Park Council twenty years ago passed away on Thursday, January 16. We extend our deepest sympathy to members of his family.

Washington's Guests Offer Timely Pointers on Various Activities

1-3 Tues. . . . . 503 Main St.

Our last meeting can truly be called Celebrity night. Bro. Joseph McMahon, Master of the Fourth Degree in this jurisdicton; Bro. Henry Lynch seperintendent of the Catholic Home Finding, and Supreme Agent Bernasek were our distinguished guests for the evening. After listening to Bro. McMahon tell all about the fourth degree, we are sure Washington Council will be well represented this year on Sunday, Feb. 23, at the Palmer House.

If you are interested in this degree and are eligible, see Bro. Bob Lovejoy, who has a supply of applications, and arrange for your reservation now. This year's exemplification is dedicated to Archbishop Stritch, and from what Bro. McMahon tells us, there will be quite a gathering of bishops, priests, etc. Bro. Henry Lynch told quite an interesting story of the doings of the Knights of Columbus, and gave some very good reasons why we should be proud of our membership in the order.

Bro. Bernasek gave us a few interesting facts regarding the new insurance features of the Order, and has promised to come again in the very near future to give us more information on this all important subject. In addition to these three brothers, Washington Council welcomed back to the fold our own brothers, George Andrews, Gus Giacinti, P. G. K. Max Bertsch and Tom Dolan, Tom Lynch, Al Tuttle and Jos. Osiol. We certainly hope that these brothers were impressed and that they will come back often.

IN MEMORIAM

We regret to report the death of Bro. Frank Montini. Frank has been on the sick list for quite some time. The prayers of the officers and members of the council are offered for the repose of his soul.

NEWS

Bro. John Rotoni of Melrose Park would appreciate a few visitors to help him while away the time. Bro. John has been ill for the past few weeks.

We understand Bros. Ed Murphy, Dominick Sanservino and Barney Nunziato have filed applications for the Fourth Degree.

Bro. George Baynes has been called to New York on account of the death of his brother-in-law.

February 18th is Washington Council's big night. We are to be hosts to our neighboring councils in a joint First and Second Degrees. We still have time to bring in several new applications for this event.

Congratulations to P.G.K. Wm. Collins, Sr., and Mrs. Collins on the event of their fiftieth wedding anniversary, which will be celebrated on February 6th. An invitation is extended to all brothers of Washington Council to attend open house.

Are you a Fourth? Attend the exemplification banquet, Feb. 23.

SETTERS PREDICTS BIG MEMBERSHIP INCREASE

2-4 Thurs. . . . 4711 W. Madison St.

The entire membership of Father Setters Council, under the leadership of Grand Knight Maurice J. Kissane, is now engaged in a vigorous program of selective membership work which is already producing most gratifying results. Present indications are that the next few months will see a substantial increase in the roster of Settersites and an even more active participation in Council affairs by all members.

This upswing in interest and activity is largely attributed to the comprehensive calendar of fraternal and social events sponsored by the organization. The interests and tastes of all members have been taken into consideration in planning the program and it is the intention of the officers to enlarge upon this during the spring and summer seasons. The goal is to have every member an active member.

In carrying out this plan, the officers cordially invite the cooperation of all Settersites and extend to them the assurance that their suggestions and support will be enthusiastically received. Incidentally, an excellent time to get on the band wagon will be the very next meeting, Thursday evening, February 13.

NEW INSURANCE PLAN

The Supreme office has frequently commented on the fact that Father Setters Council is composed of about ninety-eight percent insurance members. Therefore, it is expected that the insurance facilities of the Order will be stressed by members when discussing the organization with new candidates.

Grand Knight Maurice J. Kissane and Fin. Sec'y Thomas A. Lavin have suggested that every one familiarize himself with the new insurance plans recently released. Under the new arrangement, candidates are offered a choice of five different forms of policy: (1) Life, paid up at age 70; (2) 30-year payment life; (3) 20-year payment life; (4) Endowment at age 65; (5) Modified five-year step rate plan. Provisions are also available for double indemnity in case of accidental death and waiver of contributions in event of total and permanent disability.

It is to be noted that no provisions are yet available for these features for present policyholders, since the substantial accumulated equities in most cases would make it unwise for older members to adopt one of these forms of coverage. For the new member, however, anyone of the five plans heretofore mentioned should prove ideal.

Brother Adam Podkrivacky of 8721 S. Wood St., member of Father Setters Council since 1920, was in Washington, D. C., on Inauguration Day attending the ceremonies at which President Roosevelt was formally inducted into office. On a previous visit to the Capitol last autumn, Brother Podkrivacky had the pleasure and honor of a personal interview with the Chief Executive.

Incidentally, interviewing presidents seems to be a habit with Brother Adam. Several years ago he visited President Coolidge at the White House.

Brother William P. McLean is indeed a man of many accomplishments and titles. During his hitch in the United States Nacy he was universally known as "Shorty" and, later on, he bore the title "Mayor of North Austin." The climax came at our Council Dinner Dance a week ago Saturday night, when at the invitation of one of the professional entertainers of the dance team of Garland and Frawley, he took the floor and participated in a fast and furious exhibition of that newest form of art, known as "jitter-bugging." Bill actually stole the show from the professional talent of the evening.

FOURTH DEGREE

Joseph A. McMahon, Master of the Fourth Degree, announces the annual exemplification ceremonies, to be held this year in honor of His Excellency the Most Reverend Samuel A. Stritch Archbishop of Chicago, on Sunday, February 23, at the Palmer House. Members of Father Setters Council desirous of advancing to the Fourth Degree, as well as Fourth Degree members themselves are urged to communicate with John F. Hickey, President of the Patriotic Club, 5104 W. Monroe St. (Austin 3112) so that group reservations can be made for the Exemplification and Banquet.

CARROLL LOOKS TO NEW GAINS IN MEMBERSHIP

Feb. 4 . . . . . 6 No. Hamlin Ave.

To meet the June membership quota, Chairman Edward J. Whelan has called for a membership mobilization to recruit additional members to the council ranks. The record of growth of our council has once again demonstrated the intrinsic appeal the Order has to the Catholic manhood by the last quota and recognizing the responsibility placed upon it by the enrollment of this constant increase in new members, Charles Carroll Council will evermore increase its effectiveness in the efforts of the Order.

With this inspiration, the council's efforts in meeting the next membership goal can have but one possible result—complete success. The Catholic heart needs no special training or social affiliation to practice charity, and yet through unity of membership and of purpose, many, many things can be done that would be impossible for the individual. Helpfulness in sickness and in death, in trouble and in distress, is something too sacred to be exploited. In Unity the Knights of Columbus seeks to gather together men of the Catholic faith, with a view of giving to that Faith the support which unity means and exemplifying to the public by the union of members the value and virtue of the Catholic faith to citizenship.

The spirit of fraternity among Knights is strong because it is grounded on the bedrock of their Catholicity. Fraternity in the Knights of Columbus amounts to much more than a habit of exchanging favors. No form of fraternity is finer. The Knight is, truly, his brother's keeper. It seeks to find the good only and to bring out the helpfulness that every man has if he would only find it.

MEMORIAM

It is with saddened heart that we report the death of William S. Tidd, late of 1216 North Parkside, on January 21st. May he forever find eternal rest and happiness. The officers and membership of Charles Carroll Council extend their deepest sympathy to the members of the family of our departed brother, who bore his cross through life as a true Catholic gentleman and Knight of Columbus.

STATE BOWLING TOURNAMENT

In the Illinois State K. of C. Bowling Tournament now underway at the C.Y.O. alleys, Congress and Wabash Aves. here, our doubles teams did pretty well for themselves. Of the twelve council pairs, that headed by M. O'Connell's 653 and O. Baumgartner's 544 topped the list with 1197. Bro. E. Burke was the best man in the singles with a score of 644.

A complete listing of all our double and singles scores will be found on page twelve, the regular sports page of our weekly Columbian.

Captain Jim Vannelli of the council team in the West Side League, had the unique experience of having fourteen consecutive strikes in the series against Sherman Council, and not obtaining the coveted 300 score. He finished the first game with five in a row and strung nine straight strikes in the second game, leaving up the six pin on his tenth shot and spared for 279. His 676 series was the highlight in three victories over Sherman.

Last Friday the leading Brownson team took the entire series from our club by margins of 30, 8 and 39 pins. A cherry pick by Carroll and a double by Brownson was the losing and winning of the middle game. Chick Heslin helped his individual average with a 616 series.

CARROLLITES

Many of the members have inquired what has become of Bob Powell! Why haven't we seen him up at the council meetings? Bob, we hope that you are enjoying the best of health and do look forward to seeing you soon. . . . D.D. and P.G.K. John F. McNamara is leaving Edward Hines Memorial hospital soon, where he has been under observation for a stomach disorder. The council looks forward to an early visit from Jack. His happy smile has been missing from our gaze for quite some time now. . . . Buck Private Joe C. Powers will leave for the "front" (Tennessee) in the near future (exact time is still a military secret). We look forward to seeing you before you leave, Joe.

Deputy Grand Knight Bob O'Day advises that all those who have not already received their blood donor identification cards to call at the council hall for them at an early date. A beautiful emblem also awaits them. . . . John S. Clark is reported confined to his home in Oak Park but is not permitted visitors as yet. . . . Joe Mate is the new "prima donna" singing in the choir at St. Mel's church.

Bill Condon has reached American shores and is now at St. Petersburg Beach, Florida. Bill has completed a very exciting trip, circling from Chicago to New Orleans, then to Cuba, and now Florida, where he will rest before his return trip to Chicago on the first. . . . The Testimonial and Cabaret Dance to Marty Hough, last Saturday evening, certainly was a wonderful example of true gratitude for the time and energy he so generously gave to the activities of the Knights of Columbus.

DE SOTO ASKS GREATER EFFORT ON MEMBERSHIP

2-4 Fri. . . . . Clark and Belmont

As previously reported, Brothers, our membership drive is meeting with many obstacles and reversals and now appears to be bogging down despite the steady and determined efforts of the chairman, Bro. Mel Langenbach.

Mel has put in a considerable amount of time endeavoring to whip up a sufficient amount of interest and enthusiasm upon the part of the membership in order to guarantee enough action on their part to assure the success of this most important campaign. To date, however, results have been very discouraging and your officers are at somewhat of a loss to explain the apparent lack of interest and co-operation exhibited. Several members have been asked to aid the chairman in visiting prospects, but most have begged off with various and sundry excuses, despite the fact that the effort involved would have consumed very little sacrifice.

Most of the preliminary work has been accomplished and it would only be necessary for the members to make a personal visit to some prospect located in close proximity to his home, probably within the confines of his parish. Mel has approximately forty-two bona-fide prospects and finds it impossible to call upon all of them personally, and is therefore requesting volunteers to assume the responsibility of contacting at least one lead. Volunteers are particularly needed for the following parishes: St. Michaels, St. Sebastians, Mount Carmel, St. Ignatius and St. Mathias.

Brothers, never before has the membership of De Soto Council neglected a responsibility or an obligation. When the circumstances required a supreme effort, the membership responded without hesitation. Our Council has always been known to meet every situation with courage and determination. It has never understood the word failure, but unless a tremendous impetus is given this drive by the full and united support and co-operation of the members, our attempts to meet the quota established by the Supreme Council will be destined to dismal failure.

We, therefore, urge your every effort to seek out among your acquaintances eligible Catholic men who can fill the gaps in our Council occasioned by deaths, suspensions and transfers, and to contact Chairman Mel Langenbach offering your assistance in contacting one of his prospects. Phone him at Bittersweet 6455.

LADIES' NIGHT

Well, the much heralded and publicized ladies' night at De Soto was presented at our last meeting and from the way the gals stuck around we would say that they enjoyed it immensely. Evidently some of them take a squint at this column occasionally, as the house was packed from stem to stern.

A spirit of gaiety and merriment prevailed as the ladies engaged in cards and bunco, each table garnering a prize, after which they were treated to coffee and sandwiches (provided they were quicker on the trigger than some of our fast maneuvering members), from whence they repaired to the dance floor for a few spins with the old man.

It was a splendid party and our congratulations to Bro. Joe Cella and his Lecturer's Committee.

BALDRIC AND SWORD

It comes from most reliable authority that the members of the Baldric and Sword Club of the Fourth Degree were overwhelmed with satisfaction at the fine program presented to them at their last monthly meeting, and particularly did they enjoy the showing of that currently popular and entertaining production, "The American Way."

Watch your column, Fourth Degree members, for bigger and better events at your meetings, as President Jim Kennedy has great plans in the hopper.

NEXT MEETING

At our next meeting, Friday, Feb. 14, De Soto Council will entertain its members with a program evolved around St. Valentine's Day, the celebration of which is commemorated on the same day. Originally it was planned to present a stage production, but because of certain circumstances a change was necessitated. What is now proposed is somewhat enveloped and shrouded in mystery, but something attractive is being cooked up; possibly that Apologist of the Amorous Art and his Cherubic Aides will be on hand to toss affectionate darts from their trusty and rusty slings at the elusive and happy (though not married) bachelor species in our midst, but I'm afraid that with the draft having driven all our eligibles to the shelter of marital protection, old St. Val will be sorely disappointed.

Sounds like a lot of nonsense—guess it is; at any rate, our next issue will contain definite information as to what might be expected.

MARTY HOUGH TESTIMONIAL

On last Saturday night, Jan. 25, at the Queen of Angels Guild Hall, the testimonial dinner extended to Marty Hough, Past G. K. of Father O'Connor Council and one of the finest, sincerest and staunchest Knights ever to profess membership in the Order, turned out to be a splendid success. Hundreds of brothers were present from various Councils throughout the city.

Many DeSotians attended, among them being our G. K., Gene Scanlan, District Deputy Jules Altenhofen, Ed. Sullivan, Steve Summers, Frank Kennedy, Phil Ofenloch and Lou Craft. State Deputy Judge John Bolton presented Marty with a beautiful testimonial plaque, illustrative of his brilliant service to the Order.

PERSONAL CHATTER

The G. K. informs me that a K. of C. watch charm was found after the last meeting and will be returned to the owner upon request. Gene avers he's going into the second-hand jewelry business if things continue "picking up."

Many of the vets took note of the recent reinstatement of Bro. Charlie Heinz who has been away from active participation in Council matters for the past ten years. He is presently manager of the Evanston branch of Bowman Dairy Company, and it is our guess that Bro. Jerry Horn probably exerted the pressure in effecting Charlie's return. He is quite a congenial fellow and we extend him a hearty welcome.

Someone asked, what's happened to Candy Strehlow? Well, we don't get to talkin' about him very much these days, but we certainly remember the brilliant job he did as Lecturer of De Soto. We do know, however, that he's sporting a big "six-shooter" in his new task as Deputy Sheriff of Cook County.

We regretfully announce the death of Bro. Jacob M. Delles, 72-year-old veteran member of De Soto. A group of De Sotoans paid their final respects to his departed soul on Monday evening, Jan. 27, at his residence, 4847 North Claremont avenue, from where he was buried on Wednesday, Jan. 29, to St. Mathias Church. Our sincere condolences are extended to Mrs. Delles and his bereaved family.

CATHOLIC FILM SCORES BIG HIT

Los Angeles.—The interest of Catholics in spreading their faith through the media of films and the radio is intense, according to Louis P. Jennings, editor of the Catholic Film and Radio Review, announcement of the publication of which has been greeted by letters from every state except five.

The magazine's first issue of 2,500 copies was exhausted as a result of requests resulting from one Catholic news service release.

Neri Mourns Death of Msgr. Kinsella, Charter Chaplain

1-3 Tues. . . . . 7515 Yates Ave.

St. Philip Neri Council suffered a great loss last week-end with the death of the Very Reverend Monsignor William J. Kinsella, pastor of St. Philip Neri Church. Father Kinsella was one of the founders of St. Philip Neri Council twenty-five years ago and was Council Chaplain for several years.

A large turnout of members gathered Tuesday night at the church, where the body lay in state, to offer up prayers and pay their respect to a man who has been a real friend through all the years. Father Kinsella was the first pastor of St. Philip Neri parish and many of his warmest friends are members of the council. He has always maintained a keen interest in the affairs of his council and he has long championed the interests of Knighthood. His passing will be keenly felt.

The Solemn Requiem High Mass celebrated on Wednesday by the Most Reverend Emanuel B. Ledvina, Bishop of Corpus Christi, Texas. The Very Reverend Monsignor Peter Shrewbridge, pastor of St. Leo's Church, preached the sermon. Both were fellow assistants of Father Kinsella in old St. Patrick's parish in South Chicago. P. G. K. Raymond P. Duffy and William P. Carroll were two of the pallbearers. Honorary pallbearers from Neri Council were G. K. William T. O'Neill, District Deputy Pat Woods, Tom Daly, Charles Girsch, Harry Bitter, John P. McGoorty, John P. Quigley and Ed. Howe.

NEXT MEETING

Neri Council will honor past officers at the meeting of next Tuesday night, Feb. 4. It is hoped that all former officers of the council will be on hand as some very important subjects in connection with the jubilee program are to be discussed. Your attendance at this meeting will be very much appreciated. P. G. K. John P. Quigley is chairman.

LAST MEETING

A very fine crowd turned out at the last meeting to pay tribute to Chaplain Father P. A. Bird. Chairman Ray Duffy presented a novel quiz program with the board of wizards including the honored guest of the evening. Quizmaster Pat Woods conducted the examinations with customary finesse and, somehow, some way, the worthy Chaplain carried off the prize of twenty silver eagles, suitable for banking. By coincidence, it was remembered that Father Bird has been a member of Neri just that many years—ever since his ordination into the priesthood. Father Halligan, good friend of Father Bird, was present to enjoy the proceedings, as was Father Bird's father and brother. Paul O'Toole rendered a solo.

MEMBERSHIP COMMITTEE

There will be a special meeting of the membership committee at the office of P. G. K. John P. Quigley on 71st St. next Monday night, Feb. 3. All members of the committee are urged to be present.

BUSINESS IS GOOD

Charley Girsch, chairman of the Grandfathers' Club, has announced that this exclusive organization has been reorganized, effective January 24th. The new stipulation in the by-laws, says he, requires that members must have reached the grandpa stage on at least four counts to qualify. A strong protest from three-times-a-grandpa Bill Carroll may be expected at the next meeting of the club. Charley's fourth grandchild was born on the above date and has been christened Robert Joseph Girsch . . . The Roy Caseys are the proud parents of a baby girl born early this week. This is their first child and all are said to be coming along in style . . . There is also a new arrival at the Emmett Burkes . . . Congratulations.

YEAR'S VACATION

First member of Neri to be enrolled in the army through the Selective Service Act is John McMurrough. John was up at Fort Sheridan for a while but is said to be in Kentucky now.

Dearborn's Degree Work Puts Council Near Year's Quota

1-3 Thurs. . . . 820 Garfield Blvd.

On Jan. 21 Dearborn joined in the exemplification of the First and Second Degrees sponsored by Quigley at their clubhouse. After a warm welcome and an interesting meeting the work of the degrees commenced under the guidance of D.D. Pat Noonan assisted by G.K. Loughnane (Englewood), G.K. Garwryck (Quigley) and Dearborn's Fin. Sec'y John Feilen. These men conducted a very impressive degree and we wish to extend our heartiest congratulations to the team and thank them for their efforts.

Dearborn is pleased to extend its congratulations and warm welcome to the following new men. Bernard Hoffman, Nick Hoffman, John O'Neill, Chas. Read, John Houlihan, Ray Melrose, Chas. Jacobs, Chas. Lyons, Richard Golden and Cyril Lynch. Incidentally, Bro. Lynch has been afflicted with blindness but responded admirably to the ritual and deserves the plaudits of each member.

At the close of the ceremonies, those in attendance were treated to a quantity of delicious refreshments. We must commend Quigley as being an ideal and gracious host.

JOHN RICHERT DEGREE

January 26th was a memorable day for Dearborn. It brought the exemplification of the Third Degree in honor of our charter member, John Richert. It was a marvelous class, a real testimonial to a true Dearbornite. The turnout was splendid and the degree team, headed by D.D. Jeremiah Sheehan (McHale), functioned perfectly. He was assisted by Mike Howlett, Jr. (Americus), Ed Waibel (University), Joe Gill (Feehan), and many others. We thank them for a fine portrayal of the lesson in this degree and commend them for devoting their time and energy to so worthy a cause. We also wish to convey our appreciation to Leo and its G.K. Clarence Wagner for the splendid courtesy and hospitality extended.

We now present the following as your full pledged brothers, deserving of your commendations and applaus: Bros. John Moore, John O'Neill, John Houlihan, Chas. Read, Chas. Lyons, Cyril Lynch, Bernard Hoffman, Steve Bechina, Santo Naselli, Ray Melrose, Chas. Jacobs, Richard Golden and Rev. Edw. McDonnell.

As we said at the outset, it was a grand turnout and fitting tribute to so outstanding a Dearbornite as John Richert. He was in attendance and was joined by his fellow knights in celebrating this auspicious occasion. In addition to being an honored event, this degree together with the previous First and Second served to illustrate the results of effort spent in securing new men. Classes such as Dearborn presented Sunday typify what Dearborn can do in this drive for our quota. Keep up the good work, brothers.

HOUGH PARTY

Dearborn presented a large attendance at the party in honor of Bro. Marty Hough last Saturday. This exceptional delegation included G.K. Devereaux, Tony Pidone, Dick Kerwin, John Feilen, Tom Tynan, Tony Wilhelm, Jim Kittrick and party of friends, John McGuire, Elmer Dunlap, Oscar Heilmann, P.G.K. Bob DuMais and nephew, John Walsh, Tom Linklater and of course, their escorts. A real party and a happy evening was reported.

MEMBERS AND MEMBERSHIP

DANCE—Again we issue the reminder of Dearborn's Pre-Lenten party and dance on Feb. 15th at Stock Yards Inn. This is going to be a real affair and a certain success, so we warn you to procure tickets immediately and make reservations early.

For tickets call Dave Kerwin at Boul. 2070 and for reservations call Mike Mercury at Fair. 3797. In addition, the following members of the committee may be contacted for additional details: Chairman Bob DuMais, Vin. 8780; John Downes, Bev. 7475; Joe Nix, Stew. 2692; G.K. Deveraux, Hay. 3891; and Steve Ruff Har. 1250. Acquire your tickets now, distribute them and make immediate returns. Attend entertainment committee meetings each Tuesday evening at 5818 South Peoria. It is at these meetings that the details are planned, and your presence and aid is needed.

SICK AND VISITING—Lecturer Jim Ivers is suffering from a kidney ailment and has been confined to the Evangelical hospital. Geo. (Shorty) Hanus is also ill, being confined to the Englewood hospital. Last week John Logan, Jr., submitted a blood transfusion.

FOURTH DEGREE — A committee composed of Oscar Heilmann, chairman, and Tom Linklater, Dick Kerwin, John Logan, Jim Reilly and Jim Ivers, president, is now functioning for the Silk Hat Club. They are laying plans for the club's annual St. Patrick Day party. Due to the fact that St. Patrick's feast falls on Monday the affair will be held on Saturday evening, March 15. More details later.

TEN PINS

The last bowling data that we have at hand indicates that the leaders, Maney Indians, were treated roughly by the Ruff-Kerwins. The R-Ks took three. This helped the Bradys creep up in as much as they took two from the Manhattans. The premiers won two from the Feilens. John Feilen, our financial secretary, set some sort of record by bowling six strikeless games.

"Mama Darling" Tierney, another fighting Swede, had a weak spell as she entered the Midwest Athletic Club, but wouldn't go home. BOWLING NEWS BY BERNIE

Special Flash—Aurora Council bowling team challenges Gen. Sherman's six teams to bowl at Aurora February 9th at 2:30. We accept!

Our bowlers' party last Saturday evening was a striking success socially, but financially it was a grand flop. If the bowlers would only realize that this little affair was for their pleasure and the trouble Bert and Matt went through to arrange this party it would have been a success both ways.

Frank Callero of our Major League is in line for a medal or something. Last Friday he shot a 600 series. Of course, that can happen to anyone, but getting 200 in each game, that is something. Snowplow, what's the odds on a repeat of that sort? Ted Penoski is sick. If any of you boys get a chance, pay him a visit. Here's hoping to see you real soon, Ted; we miss you.

Two of our bowlers rolled off their doubles and singles at the K. of C. Bowling Tournament. Geo. Selsky, 634-582—not bad, George, not bad; C. Koscal, 486-511—not good, Charlie, not good. Have you fellows noticed that contented look on Les Janco's face the past three weeks? Maybe he is living right.

Don't forget we all have a date Sunday, February 2, at 7 o'clock, at the C.Y.O. alleys. Five of our teams will bowl in the Illinois State K. of C. tournament. Bring the ladies.

Just a reminder: Don't forget the nineteenth annual K. of C. National Bowling Meet at Indianapolis, Indiana. If any of you Sherman knights who do not bowl would like to take a short vacation and make this trip we would be glad to have you. The more the merrier.

This last item is not bowling news, but it's good news. I believe most of you noticed in last week's issue of the New World a picture of our own John (Red) Hogan. Jack is a member of De Paul Moot Court team. In the very near future he will be a great lawyer, without a doubt.

Blue Island Bowlers Display Fine Spirit at Successful Party

1-3 Tues. . . Gregory & New, Blue Island

Wow! What a party! When those bowlers put on a party they really put it on right. Anyone who might think that Blue Island Council hasn't the vim and vigor that it used to have will have to change his mind after last Saturday night. Many of the leading bands in the country poured forth their selections from one of Stan Rosave's swell musicboxes.

The crowd stayed until the wee hours of the morning. When they weren't watching Creighton's floor show they were dancing; when they weren't sipping SODA POP they were eating. It was just one thing after another, with a packed house enjoying every minute of the evening.

To the officers and members of Blue Island Council's bowling league we say: Congratulations and may you continue to have the success hard work deserves. Your council can not help but be a success with the spirit you possess. Keep up the good work, boys.

FOURTH DEGREE

Once again Blue Island's Thirteen Club has been hard at work and this year it has five candidates ready for knighthood's highest honor, the fourth degree. President of the club, Deputy GK Ed Hansen, announces that the following brothers are ready to take their final step: Dr. Vincentti, Dr. Patnaude, Harold Schwartz, Joseph De George and Financial Secretary Paul Paetsch. Hats off to the Fourth Degree Club and its candidates!

SILVER ANNIVERSARY

One of our younger members and his wife (you know them by the names of Charley and Caroline Hawker) celebrate their twenty-fifth wedding anniversary tomorrow, Feb. 1. To Charley, who has always been faithful to Blue Island Council, and to his amiable wife, who has always been a staunch rooter for our bowling league, we send our heartiest congratulations and best wishes for many more years of happiness.

SICK

Bro. Dick Walsh is still confined to his home but is coming along in fine shape.

Bro. Gus Vail, Sr., is up and around again.

Bro. Stan Zamaituk expects to be back at work in a couple of weeks.

YEAR-IN-ADVANCE

The influx of members into the Year-In-Advance Club was at a slower pace this week as five new entries boosted the total membership to 39. These additions included insurance members, Norman Blouin of Harvey and Stanley Myszkowski of Chicago, and associate members, W. L. Sullivan, Bill Gerdes, Sr., and Jim Rigoni. All are regular members of this select group.

Heard, too, from some of the boys we see too seldomly—Ralph Groskopf of Chicago, Frank Frasor, Lawrence Jostes, Phil Murphy, Tony Sisco, Matt Keller, Fred Horwath, John Dwyer, Steve Gura, Tony and Jiggs Krizik, the Joe Gabays and Ambrose Reardon. Greetings to all of you.

DEATH

The Angel of Death struck suddenly last Friday morning and took with him Bro. Paul Parsons. Known to most of us as "Perk," the boy with the genial smile. It is hard for us to realize that "Perk" has been taken away, but we know that he is being rewarded in heaven. To his family we send our deepest sympathy. Paul was the son of Bro. Otto Parsons and a brother of Bro. Tom Parsons.

Watch closely for two outstanding social functions to be held by Blue Island Council in the near future.

Will all of you brothers who were at the dance last week be kind enough to look at your hats and see if you took the right one home. If you didn't, please call me at 1611. Someone got the wrong hat by mistake.

BLOOD DONORS

Last Wednesday night four brothers of Blue Island Council were called to St. Francis Hospital and all offered their blood to save the life of George Hackett, son of our late Bros. James Hackett. The following brothers offered their blood: Jim Ryan, whose blood was used; John Reuss, Al Klein and Lowell Frasor. Although the transfusion was unsuccessful in saving George's life, we wish to congratulate the above for their generosity and speed in answering this call. To Mrs. Hackett we send our sympathy.

RIDGE'S DEGREE CLASS VOTED BEST IN HISTORY

1-3 Tues. . . . . 8219 S. Halsted St.

Our last meeting, on Jan. 21, will be one that long will be remembered by the brothers who attended, as it will go down in council history as the finest exemplification of the first and second degrees ever sponsored by Ridge. The hall was taxed to capacity by our members and visiting knights, and the sight of these 125 men was very impressive to the eleven candidates who took their first and second, and to the two who took their second degree, namely, G. H. Fitterer, C. J. Shemaltis and J. D. Landgraf of Ridge, James H. Yonkers, Russel D. Ryan, Paul Terry of McHale, Stanley Krysinski, William B. Haas, Jr., Frank J. Haas of Perez, Robert J. Duffy and Alphonse J. Fournier of St. Rita, and Leo T. Nape, a transfer member from Moline to Ridge, and Alfred Nelson of Joliet—their second degree.

The degree team consisted of the finest officers in degree work—PGK Frank McGillen of Genoa, as grand knight; PGK Chris Mathis of St. Rita, as deputy grand knight; PGK Ray Gerber of Dowling, as chancellor; DGK Frank McGlinn of Ridge, as inquisitor; DD William Lowry of Joliet, as financial secretary; GK Francis Parker of Joliet, as warden, and DGK Dick Philips of Englewood, as inside guard. The sterling work of these officers was well noted by the rapt attention paid by the candidates when they were charged. The work of GK Parker of Joliet was particularly noted as his sharp commands snapped the candidates to attention and they hung on to every word he delivered.

State Secretary Leo Flynn was a welcome visitor and gave high praise to the degree team as well as words of wisdom and encouragement to the candidates, as did the Cook county membership chairman, Guy Macina, who was also a visitor to our chambers. DD Jerry Sheehan, GK Mulroy of McHale, GK Cox of Auburn Park, GK Northam of Perez, GK Driscoll of LaRabida, GK Nash of St. Rita and many PGK's and visiting brothers were there.

At this time the officers and members of Ridge Council wish to express their sincere thanks to the degree team, the councils who sent their candidates, and, last but not least, Dr. Kehl and Bruno Fracassi and choir from St. Rita Council.

YEAR IN ADVANCE CLUB

consists of five members so far—T. Ginane, P. McGuire, J. Goergen, P. W. Byrne and C. Zitnik. Who will be the next five—why not you? Bro. Paul N. Radtke, 1301 W. 97th Pl., is now one of us again after reinstating last week. We hope to see him at our meetings in the future.

On Feb. 25, our second meeting of the month, we will have a pre-Lenten party and it will be open house with refreshments and cards, so come on up and bring your friends and prospective candidates, as we are just getting warmed up on our membership drive. Let's go to town!!!

On Saturday evening, Feb. 8, 9 o'clock, McHale Council invites you to help celebrate its 34th anniversary at a dinner dance at the Shoreland Hotel, $5 a couple. Our DD, Jerry Sheehan, is on the committee and assures you a good time, so date your best lady and make reservations now with GK Hallstein or yours truly.

HEARD ABOUT TOWN

What's this we hear about Mike Feyerer and Smitty leading two sheep into their own back yard to be shorn and, instead, getting "clipped" themselves? John O'Neill and Fred Geis suggest giving you a 66-pin handicap or, better yet, have you two take an afternoon off and they will teach you the fine points of bowling. No side bets as they claim they do not need your charity. Something should be done about this with the members as an audience.

15th Successful Season

ST. CYR NAMES MAKE NEWS; SO HERE'S NEWS

1-3 Mon. . . . 1609 N. Halsted St.

Beginning March 10th "You're in the Army Now" will be the theme song of Frank Collura, John Lema, and Dave Falzone who joined the service. And as time goes on, more of St. Cyr's young men will be called to the colors. The eligibles are many. More than half of St. Cyr's group are in the age bracket, including Joe LaRocco, father of four children. . . . Anthony Brancato, Sam Russo, and many others who served their country in 1917 can give the boys a lot of tips.

Dr. Bruce Zummo is now interning at St. Mary's hospital . . . Anthony Soluri, thinks that his wife should lay off the Columbian until he reads it . . . Dr. Anthony Nicosia has not been seen in a long time . . . And something which should have been mentioned long ago . . . Joseph Pecoraro, bashful confirmed bachelor, went out and bought a ring and asked her to marry him . . . Yes she said . . . Congratulations Joe. When is it coming off? . . . Another who is shopping for a ring, or who shortly will, is a young American Eagelite . . . Don't say I didn't tell you.

Zeno's correct name of the Mohawk Cartage Company, is Joseph Philip Zeno, 1303 Mohawk St. He's in the hauling business, brothers . . . And so are the Rizzo Brothers . . . Mrs. Anthony Cancilla should be made an honorary member of our council. She is as active in the promotion of our affairs as any brother member . . . Phil Formusa (the lucky stiff) is going to New Orleans for the Mardi Gras . . . Joe Bane, I wonder if you're still saving every issue of the Columbian . . . Did you know that John Manisco is in the photography business—located at 1410 Cleveland Ave.; he operates the Midwest Photo Service. Specialist in home photos; he will guarantee you the finest of service. Michigan 3011 for any type of photograph service.

Frank Dussone, one time scribe (and a good one, too) is missed at our meetings. Business keeps him away. . . . John Cangelosi, the artist, is in attendance occasionally . . . James Capetta has lost some weight . . . Joe Arcuri has put some on . . . Louie De Cola is five feet two of dynamite and ambition in his own quiet way . . . Joe Epifania and Anthony Dina (don't know why I mention both their names in one breath) are training for the softball season, by eating six meals per day. Joe is a freshman at Loyola, and nephew of that famous athlete, Frank Angelo. Bet he can still show his nephew what it's all about on the softball field.

Newcomer into St. Cyr circles: Fred Romano, director of the North Side Civic Committee Activities . . . The big Owl Indian dance, which is a branch of the North Side Civic Committee will hold it's annual dance at the Lions' Den this February . . . Young Madonia, son of Anthony Madonia is going to turn in his application to St. Cyr. Sam is the name, boys, and a recent graduate from St. Philip Benizi high school.

Names in the news—Nick Masaracchia. has now been on the Campbell's Tomato soup hour for the past six weeks. Understand that NBC wants to put him on a life contract . . . Carl Scarpinato, who's the girl you dated up some time ago?

Membership should be kept in mind. Get your friends to join, and maybe next year we can have a twenty-team bowling league. Interest in the sport is increasing by leaps and bounds . . . St. Cyr through the sponsorship of Sam Rannochio has started something new in the league. It's called the pot. The following men are now participating: The sponsor, Vic Rizzo; Joe Geraci, Sam Geraci, Frank Costa, Sam Costa, Sam Strano, Tony Airdo, Joe Murglin, Henry Maggio, Joe Barsano, Mike Mercurio, Pat Gutilla, Vince Lucania, Joe Canizzo, Vic Priola, Jim Giambrone, Saro La Russo, Frank Angelo, Dominick Donile, Anthony Scully, and Joseph Rubinelli.

Last week's winners: Vince Lucania, first prizes with a 574; Frank Costa 561, and Joe Geraci with a 545. Notice that most of these bowlers have high averages. Why not start one for the low average bowlers, so that fellows like Jim Giambrone, and Joe Rubinelli, can join these low bowlers and quit throwing their money away.

The individual high three game series last session was taken by Vince Lucania with 574, followed by Tom Apicella with 570 and Frank Costa with 567. Joe Geraci bowled a high single game of 224, Tom Hickey 215, and believe it or not, J. Strano 213. DeCola's copped the team high single game with 866, Stranos with 861, and Cheer Up with 858. The team high three game series was copped by the Stranos with a 2527, Cancillas second with a 2485 and Cheer Up with a 2460 . . . Here are the team standings:

	W.	L.		W.	L.
Cheer Up	32	19	Bond Clothes	24	27
Maniscalco	32	19	Granata	24	27
Cancilla	31	20	Continental	24	27
Strano	31	20	Rago Bros.	24	27
Morreale	28	23	DeCola	19	32
Lucania	27	24	Rubinelli	19	32
Archer Glass	27	24	Mohawk	16	35

Are you lining up the men you are going to invite to St. Cyr's open house? Remember the night, Monday, Feb. 17.

Columbus Cites Many Advantages in Being a Fourth Degree Member

2-4 Tues. . . . . 6932 N. Clark Street

During the past few weeks much has been written in the Columbian about the exemplification of the Fourth Degree on Sunday, Feb. 23rd. As yet, Eddie Kelly has not heard from one member of our council who is desirous of advancing to this degree. Surely the conditions under which applicants are eligible should be no drawback. If one would only stop and think of the many advantages connected with this degree, he would not hesitate in calling Eddie immediately for this year's class.

The Fourth Degree, being a patriotic one, is held in this jurisdiction once a year, either the Sunday before Washington's birthday or the one after. This year the class promises to be one of the largest in the history of the Order and it is dedicated to His Excellency, Archbishop Stritch, who will be present on the occasion. The initiation fee for this degree is $25 and includes a year's dues in the La Salle General Assembly, banquet reservations for that evening, the Fourth Degree emblem and the Baldric and Sword.

Other requirements of the degree are that you be an American citizen, 21 years old, a third degree member in good standing for at least two years, and a certificate from your pastor that you have received Holy Communion within two weeks of your initiation into the Fourth Degree. While you are a member of La Salle General Assembly you will be able to participate in the many entertaining and social affairs that they present to member of the Assembly during the year at no additional charge. It would be wise for you to consult some of the Fourth Degree members of our council and obtain from them personally the many advantages this degree offers you.

MARTY HOUGH'S NIGHT

It was a grand sight to see so many members of our Order turn out and pay their respects to one of the grandest of all Knights, Marty Hough, last Saturday evening at the Queen of Angels Auditorium. Our Grand Knight was seen hobnobbing around with Tom Madden and Charley Finley, while Johnny Hayes was trying to reduce on the dance floor. I heard that the pride of Belfast dropped in for a moment, but having his attorney with him, he could not stay long. Surely Marty must know by now that he did not labor in vain for the Order after seeing the response that was given to the call, "A Testimonial for Marty Hough."

JUST HERE AND THERE

Eddie Roche can be seen riding the street cars and buses these days as the result of a tie one day at one of our busy street crossings. Results—a busted machine and the good looking officer having the last word. I wonder what has become of Phil Geimer? We have not seen him around lately. Surely the poultry farm is not getting the best of you, Phil. Tom Ward and the lady friend was seen trying to keep up with the mouse at the Hough shindig last Saturday. Jim Fitzgerald, Jr., was seen hobnobbing with the elite at the Green Inaugural last Monday. Dope has it that he is on the in and we will be seeing his name in big print one of these days.

What are the round table veterans doing to bring Matt May and Gus Pellicore back to our sessions? Met Gus the other day and he seems interested. Father Hayes promises to bring a few eligible candidates around to our next open meeting, the results of his work around St. Jerome's Holy Name Society. Exception was taken to the statement that Doc and Frank spent their time in the kitchen at that last gathering of the Joyce Kilmer. Their defense is that they have not gone back that far even if they have a family. Well, I will see one of these nights when I take you out in the open.

Genoa's Cabaret Party Is Now Scheduled for May 3rd at Southmoor

1-3 Mon. . . . . 7439 Cottage Grove Ave.

The next meeting of Genoa Council will take place Monday evening and will commence promptly at 8:30 o'clock. G. K. James F. Riley, Jr., and the officers of the council have been working hard trying to get the schedule for the coming months in shape so that the activities will be varied and of interest to all the members.

A very fine delegation of Genoa's membership was represented at Calumet Council last Monday evening for the exemplification of degrees for several Genoa candidates and the candidates from several other South Side councils.

Definite arrangements have now been completed for the cabaret dance under the leadership of Bro Wm. Condon, which is scheduled for May 3rd in the Venetian Room of the Southmoor Hotel. More will be revealed about the party at a later date.

Bro. Jerry Getty has secured several new applications and asks the members to see what they can do so that another large class can be put through the degrees in the near future.

The auditing committee is still looking for the details concerning the bill submitted at the last meeting by P. G. K. Thomas Moore. Certain necessary information is needed before the committee feels justified in expending such a large sum of money where the results attained do not warrant such expenditures. It is hoped that the matter will be cleared at the next meeting.

Illinois Thanks Many Knights Who Aided in Success of Card Party

1-3 Mon. . . . . 64 E. Lake St.

The next meeting of the Council will be Monday, Feb. 3, at 64 East Lake street. We hope that you will keep up your splendid record of attendance.

We are receiving many compliments about our card party held on Jan. 20, which makes it unanimous. We desire to acknowledge contributions towards door prizes from the following brothers: Theodore E. Cornell, Gerald E. Hornidge, Rudolph Diblik, John P. McDonald and P. W. Walsh. Thank you, gentlemen.

Through the Columbian we have secured photographs of the honorary membership class held Jan. 6, and at Monday's meeting we will give to all those who took the degree a very fine photograph. Keep in mind the Fourth Degree and the banquet which follows, Sunday, Feb. 23. For full information call Comptroller Theodore E. Cornell or Harold B. Ericksen.

Do you listen to Mons. Fulton J. Shean over station WMAQ at 5 p. m. every Sunday on the Catholic hour?

THE MOST UNSELFISH MAN

He was born in a small town in Wisconsin some 67 years ago. He attended business college in Milwaukee and worked there for a short period. He came to Chicago some 45 years ago and shortly thereafter entered the service of the City of Chicago as a Civil Service employee, department of gas and electricity.

Promotional examinations advanced him to the position of chief clerk, a position of great responsibility, which he filled with entire satisfaction to the commissioner. He has served the City of Chicago all through the years in a most thorough manner and was beloved by all those with whom he was associated for being capable, modest and always had a kind word for those people whose lives he was able to influence.

He joined Illinois Council, K. of C., in 1903 and has been a faithful member all these years, being elected Grand Knight in 1929 and 1930 and served with a remarkable degree of success. His advice was sought by the leaders of the Council as well as by the leaders of those men with whom he worked as an employee of the City of Chicago. Of course, you know, his name is John E. Bradley. He lives with his wife at 1445 Dover street.

We learn that he has tendered his resignation to the City of Chicago to be effective Feb. 1, 1941. We are glad John is resigning. He deserves the best. He should be able to find substantial satisfaction in reviewing a life such as his in which he has done so much good for a fellow man by a soft word spoken when others of us would be harsh in our criticism; by a small contribution of money when others may be justified in turning aside; but above all by his great unselfishness, his willingness to think of himself after everyone else has had attention.

Thus ends a career with the City of Chicago of which we all may boast. Illinois Council hopes that with the added time which John E. will find on his hands he may be able to give us, Illinois Council, a little attention and thus make it easy for us to seek his advice from which we have profited so much in the past.

John, we salute you. May your star continue to shine and the happiness which you have helped to scatter find its way home to comfort you in the many years which your friends hope lie ahead.

This is the fiftieth anniversary of the Pan-American Union, through which 21 independent republics in North, Central and South America collaborate in international matters. The headquarters of the Pan-American Union are in one of the most beautiful buildings in Washington, D. C.

Feb. 23 is the date of the next Fourth Degree class. If you're a Third join up — if you're a Fourth — attend the banquet.

WEBER'S THIRD ANNUAL DANCE NEXT SATURDAY

1-3 Mon. . . . . 4758 S. Pulaski Road

It is not too late to set a date
With your wife or sweetheart, or some other mate.
If you have no wife or sweetheart, or any friend for mate,
Don't forget tomorrow's dance, even though you come alone or late.

Yes, indeed! It is the third annual pre-Lenten dance sponsored by our Council on Saturday, Feb. 1, 8:30 p. m., at Clubhall, 4758 South Pulaski road. Tickets are 40 cents. Dance to the music of Art's Rhythm Rascals, and sing to the tunes of the strolling troubador, who will entertain in the Rathskeller where the kitchen mechanics will be on hand. To top the evening off, a fine door prize will be awarded to the holder of the lucky ticket. Let us all co-operate by giving aid to the chairman and his committee, and bring this affair to a successful conclusion.

MEET NITE

Monday, Feb. 3, at 8:30 p. m., and don't forget to check your dues-book for 1940 and have the Financial Secretary take you off of the delinquent list.

SOCIAL GAMES

The first of the series of bingo games was very successful. The wives, mothers and lady friends of our members turned out in large numbers. There were twelve winners in the game and four lucky winners of door prizes. Let's have more brothers attending these series of games. The committee extends a word of thanks to the donors of the door prizes. They are: Financial Secretary Jos. Nowakowski, G. K. Julius Martynowicz and yours truly, the scribe. Watch for future dates to spend these social evenings together. The names of Jan. 28 donors of prizes, and the ladies who have helped will be published in next week's issue.

The following brothers have taken their First and Second degrees: Mike Zagorski and Jos. Opoka. Last Sunday at Leo Clubhouse, Walter Bryta received his Third degree. Congratulations to all.

MAPLE MASHERS

"Believe it or not." It does happen once in a life time. The second place team and the third place team tied the first place team, placing automatically the last place team in second place for one week. The K. of C. Boosters, Secretary Steve Jas, 525 pins, swept three games away from Dr. Dziubski with a total of 1,827 pins against 1,536 series. Kraft's Boosters, despite the handicap of 61 pins given each game to Wegzyn Realtors, captured two out of three games with a 1,803 series against series of 1,754 pins, thus placing three teams in first place as follows:

	W.	L.	H. G.
Dr. Dziubski	19	14	654
Kraft Boosters	19	14	670
K. of C. Boosters	19	14	628
F. Wegzyn Realtors	9	24	634

Honor roll: Steve Jas, 181; James Swientek, 173, and A. Mlynek, 185.

BIRTHDAYS AND ANNIVERSARIES

Tuesday, Jan. 28, Bro. Boles Martynowicz, and tomorrow, Feb. 1, Bro. John F. Murphy. Yes, indeed! Ye old scribe's happiest day will be Sunday, Feb. 2, when Mr. and Mrs. Frank K. will celebrate their sixth wedding anniversary. Happy birthdays to all, and many thanks for the congratulations, brothers.

NEWS FLASH

Tomorrow, Bro. Jos. Zytka will say "I do" to Miss Harriet Dacey at St. Rose of Lima Church, 48th and Ashland avenue, at 3 p. m. D.G.K. Ed Zytka will be best man with Miss Florence Tyros, daughter of Bro. John. Congratulations to the bride and groom. Bro. Stanley Kocielski, of Posen, picked a warm spot to spend his vacation during the winter months. What route did you take to Florida, Stanley? Many brothers are interested in knowing. The last meeting "Gold Pot" winner was Bro. Jos. Trzyna. Bro. Frank Chromik, Jr., has received his classification as a draftee—Class 3A.

Pres. Jos. Nowakowski adds three more Third Degree members to the list for the Feb. 23 exemplification at the Palmer House. They are: Bro. Dr. J. Patka, Bro. L. Bragiel, and Bro. F. Balka, Jr. The deadline is nearing and if you have not filed your application, do so at once. $25.00 covers everything.

Are you a Fourth? Attend the exemplification banquet, Feb. 23.

COUNCIL NOTES

At our meeting last Monday, Calumet degree team did a splendid job in carrying on the work of the first and second degrees which were conferred on a very fine class of candidates of the South Division No. 2. Our council led with twelve candidates. This makes a total of twenty new members taken into our council in the last thirty days. We already have several applications in for the next class, and if all the members will just take a few minutes of their time, they can submit a name of a prospect to Chairman Tom Walsh, and he will do the rest. There is no reason why Calumet cannot reach the goal of over one hundred new members in this drive. Let's all get behind the Grand Knight and other officers and show them that Calumet can again be first.

Many visitors were present, among them being G. K. Jim Reilly from Genoa, D. G. K. Guy Maccini San Salvador, Bros. Henning, De La Salle, Munger, Genoa, Ryan, Leo and Egan, Fr. Perez. All were loud in their praise of the work of the degree team and the fine spirit in Calumet.

Applications for the Fourth Degree Exemplification to be held Sunday, Feb. 3rd may be had at the council office. G. K. Birmingham has appointed P. G. Bs. John B. Roach and James E. Grant to take charge of Calumet's interests in this affair. Calumet should have a good representation and all third degree members eligible should arrange this year to take this, the Patriotic Degree of our Order.

Bro. John J. Tierney, chairman of Catholic Activities has announced a question box for our lenten season meetings. Such questions pertaining to our religion as the members may desire to ask will be read and answered at the meetings by our Chaplain Father Terrance.

Bro. Frank J. Walsh, our newly appointed lecturer was unable to be present at the last meeting being confined to his home with a mild case of the flu. His work was carried on by those able assistants, Arch Mahoney and Capt. Geo. Elmore who saw to it that all were provided with plenty of good things to eat.

Bro. John J. Hayes of the Chancery office has been barred from home. His son, Edward, disrupting the family life by contractnig a case of Scarlet Fever. We understand that it is not serious but requires a four-week quarantine. We also best learned of the illness of the wife of Bro. Marsh Doody who has been confined to Mercy Hospital for the past two months. Our best wishes and hopes for early and complete recovery. Our sympathy is extended to Bro. Chris O'Connor in the loss by death of his brother Cornelius. The council will remember him in their prayers.

A bachelor dinner will be given in honor of Bro. George Muellner on Tuesday, Feb. 11th at the Wedgewood Hotel at 6:15 p. m. In addition to dinner plenty of entertainment and refreshments. Tickets are $2.00. Contact Bros. Arch Mahoney, chairman, Fairfax 1707, or Bro. Jack Walsh, Pat O'Brien, Tom Brown, Lee Conry, Joe Walsh, John Dillon or Norm Beamish for reservations.

Best wishes to his many friends in Calumet comes from Bro. Mariano V. del Rosario in the distant Philippines. We are glad to hear from him and say that many of us remember him as an active member when he was in the states and are glad to hear from him. He is now a married man and the Mrs. joins in best wishes.

Chicago Heights Has Interesting Plans for Regular Meeting Nights

2-4 Mon. . . . . 1527 Otto Blvd.

The next meeting of our Council is scheduled for Monday, Feb. 10th. Every member is urged to be present. You will find it very interesting and inspiring. The G.K. and the Lecturer have promised a year replete with activity for your enjoyment and all we can do is invite you to participate in the affair. Your failure to respond is your loss, and only shows your lack of interest in the council, which is very discouraging.

You should do your share by taking an active part in Catholic Action. There is no better way of doing this than by attending your council meetings, and by having your friends join the Order. In case you haven't attended a meeting in a long time and feel a little embarrassed about coming up Monday, the 10th, just call one of your brother knights and come along with him.

We assure you that you will get in the swing of things again and will enjoy the benefits obtained in all the activities. Come back and renew old acquaintances. The regulars will be on hand, and will be highly pleased with your presence and you should realize that your attendance is an example of service, aid and encouragement.

MEMBERSHIP

Some of our members by this time, no doubt, are getting tired of repeated calls for new members. Well, for that matter, we are too. Nevertheless, if we don't keep on reminding you of the fact that at the present time the main activity of our Council is membership, some of you may think that we do not need any more members.

In a short time it would be taken for granted that the Order was getting along well enough and would last forever without increasing the ranks. That isn't so, therefore, we keep giving you a dig now and then. Membership Chairman Joe Schmidt wants Chicago Heights to increase its membership by at least forty to fifty by the end of the fiscal year, June 30th. He says that with a little of your cooperation and the new insurance rates, this could be accomplished so let's give Joe a hand, and his hopes will become a reality.

DUES

Bro. E. J. Lux, our financial secretary, is spending a lot of time and effort checking up on dues and he would appreciate a little cooperation from the members. Things have been on the pick-up for some time now, and he feels that many of our members' accounts are delinquent simply because they fail to remember their dues. You will find Ed at every meeting and long before the meeting starts. Drop in and help him balance his books.

Still convalescing, but full of courage, is our good friend, Bro. Bernard Mackler. We miss you, Bernard, and we pray that you may rapidly return to normalcy and be able to come and see us soon again.

AMERICUS' BOWLERS ENJOY STATE TOURNEY

2-4 Tues. . . . . 3350 Jackson Blvd.

We will have to spend a great deal of time telling you about the K. of C. state tournament in which we competed last Saturday and Sunday. The boys, with the exception of Jim Rice, went down to the C.Y.O. center filled with enthusiasm and high hopes of victory, only to pay $5 for two nights of exercise. Were it not for some of the entertainment supplied by our boys the evenings would have been very dull. Sliding down the alleys on their noses and bowling in the wrong direction were mild compared to some of the other happenings. Pin boys hollering, scorers cursing and our serious-minded gang laughing kept everyone amused. Bet we get a special invitation next year (to stay away).

Seriously now the gang really went down and tried hard to further Americus in the sporting line but bad breaks kept us from getting more men in the money. Railroads and splits tagged our boys all night. Some of the gang got several good games but could not combine them in the same event, and with a few bad games they were not high enough for all events.

Of all our boys who went down we can say that one of them was the class of the tournament. Americus Council wishes to congratulate Jim Rice on his fine game and series. Jim bowled with one of the teams and after a bad first game ended up with a series of 601. In the doubles (which Jim almost missed) he was teamed with Scott and rolled a series of 597. In the singles was where Jim really shined, hitting a series of 720. All of Jim's events came to 1,918. When we left the alleys Sunday Jim's places were as follows: Second in the high three games, second in all events, second in high singles. We sincerely offer all praise and good wishes possible, Jim, for bringing yourself and Americus Council into the limelight.

Now, fellows, a list of all our bowlers and what they did:

ABOUT TOWN

Quinlan drove everyone crazy running around asking where he was to shoot the all-events. . . . Jim Rice cordially thanked McGuire's team for the tips he got all season. . . . Pop Cawley also said something about the help he got from Costello's team. . . . Father Tom Keenan was very fortunate in wearing shock absorbers at the state tournament as some of the boys missed spares. . . . Scott had better not ever argue with that India rubber man he brought down to watch him in the tournament. . . . Many thanks to Eddie Alyward (the old war-horse of bowling) for coming down and rooting for us. . . . Al Stagg came down, not to root, but to look for playmates. . . . We were very glad to see all the ladies down to root for us. . . . Ed Kennedy likes to wake people up at 2 o'clock in the morning. . . .

Newman Lists Its Coming Events for Handy Reference

1-3 Thurs. . . St. Mary's Hall, Evanston

In an avalanche of coming events we have borrowed Lecturer Pat Craig's calendar for the coming months and are passing it on to you with the suggestion that you all cut it out and keep it for a handy guide of future references. The first few dates we note on Pat's schedule are in the past tense, but of such importance that they must be mentioned before putting them away in our book of beautiful memories.

Tuesday, Jan. 14—Bowling league in which Ridge Cleaners lost two to Weiland Florals to set their grip on first place more firmly mostly because I (Pat) was rather flustered trying to keep my mind on the pins and thinking of ways and means to pin down Betty Kramer and talk fast enough to dispose of the engagement ring in my pocket. (As a last resort he must have broken down the resistance out at McCarthys because we are extremely happy to report the wearing of said diamond.)

Sunday, Jan. 19—Third degree at Waukegan Council. A real degree with outstanding Newman men like Bill Connors, the brothers Smith and Manning. . . . Murphy-Garritty team at the usual above par. . . . Over thirty new members—Rev. P. Holbrook, Rev. C. McGillicuddy, Rev. P. Witmanski, George Amidon, Jr., John J. Durkin, James A. Brienen, Dr. Ed Keefer, Peter Ledenbach, William P. Luby, Chester Najdowski, Corrado Bachechi, Francis J. Burke, Edward P. Najdowski, John Newton, Nicholas J. Ney, Frank J. Pompillo, Reid Ratcliqe, Martin H. Schmitz, Anthony Szepaniak, Daniel P. Toomey, Aloys J. Waterloo, Napoleon Waterloo, Dr. Theo. Wippel, Dr. Chester Osajda, Dr. Valko, Edw. J. Atchison, Jr., James Lord, and Walter Doepp. . . . All were given a hearty meal and welcome at country club dinner along with six blood brothers initiated into Waukegan Council. . . . Missed very much was our Grand Knight because of Mrs. Lawson's serious illness from which a speedy recovery is asked as is also that of John Fairlee who was unable to take degree due to operation previous day.

Monday, Jan. 20—Basketball team again in action as on all future Monday nights, standing at writing .500, won 2 lost 2.

Tuesday, Jan. 21—Not much change in temperature of Weiland Florists, still hot and will continue weekly at Main Recreation for the balance of the season. M. Steiner, 246-207; J. Mellody, 205; M. Jans, 203; C. Manning, 201; T. Yeogel, 200; R. Decker, 212; R. Richman, 209; H. Pollette, 206; J. Corcoran, 202; P. Pennochia, 221; E. Hebson, 203; O. Menke, 235.

Wednesday, Jan. 22—A good time at bimonthly meeting of Glee Club in St. Mary's Hall. Give yourself a break and be up to next.

Sunday, Jan. 26—Our final column on account of the four fouls and your out rule imposed by censor Tom Stigleman.

Monday, Jan. 27—On this date we gaze into the crystal and see that the odds on Newman's Northside Bowling team have gone up to 7 to 1 because it is an eight team league and Hebson has a sure thing for last place.

Sunday, Feb. 2—State bowling tourney at C.Y.O. alleys, Chicago, rooters needed at 3 p. m.

Thursday, Feb. 6—Next regular council meeting and the yearly event at which we honor work well done at Past Grand Knights Evening, all of whom are reminded to be on hand with their annual 100 per cent attendance. Vol. 1, No. 3, of Newman News will carry full details if it can turn away from the others members of the family.

Sunday, Feb. 9—Wilmette Council is supposed to show up on this date for a Newman bowling lesson, stand by for confirmation.

Sunday, Feb. 16—Probable date of projected Fourth degree Communion Sunday in honor of Chaplain Monsignor Magner's elevation to bishop of Marquette.

Thursday, Feb. 20—Regular meeting, regular place and time, regular fellows and a regular picnic.

Sunday, Feb. 23—Not so very far away now so see the good Dr. Hynes for applications, instructions and fees of Fourth degree class.

Monday, Feb. 24—Father Magner becomes Bishop Magner at his consecration in Holy Name Cathedral with all Newman in attendance to show its joy and sorrow. Marquette's gain and Newman's loss.

Saturday, March 1—Sec. Arnold mails out third notices.

ST. RITA'S 2034 CLUB PARTY TOMORROW NITE

1-3 Thurs. . . . 6048 S. Fairfield Ave.

After weeks of preparation all is in readiness for the 2034 Club's annual winter cabaret party tomorrow night at Mike Flynn's Hall, 3236 W. 63rd St. And from all indications the party should be one of the best affairs ever sponsored by St. Rita Council.

Under the capable direction of Chairman Charlie Clarke all the necessary arrangements have been completed—the rest is up to you. The hall is one of the best, the orchestra is excellent, the refreshments—they need no description. All that is needed is a good attendance. And that attendance depends on each individual member.

Don't let anything deter you from attending. The weather man promises to be a little pesky but the 2034 Club will make things plenty warm. Get the missus or girl friend ready, organize your party, crank up the old bus, and head for Mike Flynn's Hall.

At the door you will be greeted by the cherubic countenance of Jerry Healy, secretary of the Fourth Degree, who is in charge of tickets. If you already have your tickets, kindly pay for them. If you haven't, then pay at the door.

Ted Lee will then take you in hand and make sure you are seated. The rest is up to you. Just relax and have a good time.

FOURTH DEGREE

The Fourth Degree and prospective members of same met at the clubhouse last night. President John McGowan and chairman of this year's class, Frank Small, addressed the meeting after which everybody dined on clam chowder prepared by Doc. Hoffman.

Chairman Frank Small told of plans for the exemplification of the Fourth Degree to be held Sunday, Feb. 23, at the Palmer House. Third Degree members wishing to take the degree, who have not filled out an application, are urged to attend our next meeting and get the necessary blanks from Frank. We want to make this year's class the largest ever to come from St. Rita Council.

THINGUMBOBS

Arthur Michael Patrick Manfredi, commonly known as "Ghandi the Furrier," is down in Florida getting the sun. We hope he doesn't overdo it or his bowling team will be a little sensitive about that pet nickname they have given him. . . Dave Roach attended our last meeting, and believe it or not, didn't have a word to say. . . The daughter of Bro. John McNeill is still confined to Holy Cross Hospital. . . Roy Perell is up and around again. . . Wonder if "Wrong Way" Zavrel will be able to make tomorrow night's party. . . George Kucharski may have a little argument with his draft board. . . Eddie O'Connor, the midnight mayor of Seventy-ninth st., promises to be with us tomorrow night.

Have you heard the draft story going the rounds:

One feller says to the other feller: "Two marshalls went to 1234 Bowling Alley Ave. the other day to investigate a draft dodger. They knocked on the door and nobody answered. They tried the door, it wouldn't open. Smelling gas they walked to the side of the house and climbed in a window. In the kitchen was the young fella they were seeking, over the kitchen stove.

The other fella: "Was he dead?"

First fella: "No, just frying eggs."

Quigley Asks Members to Assist in the Work of Busy House Committee

1-3 Tues. . . . . 1035 W. 31st St.

To further beautify the interior of Quigley's clubhouse and to embellish the clubhouse with ping pong, pool and billiard tables, card rooms, trophy room and library, has been the job designated to John "Morgan" Berny. Bro. Berny has appointed a committee to work with him, and whose names you can find on the list posted on the clubhouse wall.

A beautiful $75.00 Radionas console radio has been procured through Jos. F. Dudrik of 3409 S. Halsted St. and will be offered as a prize Feb. 25th at the clubhouse. Tickets sell at five cents with entire proceeds being used to make the building more clublike. If you are interested in this activity drop around to the clubhouse on any evening and secure available tickets. Those who already have sold tickets are urged to turn the money over to Joseph Simikowski as soon as possible.

LAST MEETING

It can be readily seen how the new degree setup will aid each council tremendously. The degrees exemplified at the Jan. 21st meeting were very impressive with a class of thirty passing their first threshold of knighthood.

Dignitaries present at this meeting included the following: D. D. Patrick Noonan; George Noonan, G. K., Madonna; John Devereaux, G. K., Ft. Dearborn; John Loughnane, G. K., Englewood; Frank Barker, G. K., Dowling; Phil Kuchenbach, G. K., St. Augustine. Also present was Rev. Stanley Gaucias, who represented Msgr. Krusas, and thanked the council for so honoring Msgr. Krusas. The degree team performed exceptionally well, and every one present agreed that the degree was the finest yet presented.

Ravenswood Planning Its Entertainment for Open House, Feb. 19th

1-3 Wed. . . . . 1521 Wilson Ave.

Lecturer Art Collins and his number one assistant, Bill Collins, are planning an extra special night of entertainment for Ravenswood members, their prospects and friends. This "whooper-dooper" evening will be Wednesday, Feb. 19th. The main attraction will be two films prepared and exhibited by The Chicago Tribune. The first one to be shown will be "From Trees to Tribunes" and the second, "The All-American Way."

This second mentioned movie is the one that in all probability will be the most interesting to the majority of the fellows. This movie has been released only recently, so consequently has been seen by few people. It pictures a year's activity in most all the sports engaged in by Americans and includes parts of several all-star games and contests. Make plans now to attend the Feb. 19th meeting and bring your friends, both young and old, along. There may be more information on this party in succeeding issues, so you'd better keep a weather eye open.

NEW DONOR

Last week it was Clem Morgan that we praised for volunteering to give a stricken person aid in the form of a blood transfusion, the week before it was Lecturer Collins and Guard Grady, Jr. This week the council is taking off its respective hats to Ed Korn, who recently returned to meetings after quite a long absence. Ed moves to the front as one of our most loyal members by reason of his deed of good samaritanism performed last Sunday in helping one of our members who was in need of a blood transfusion. Ravenswood is proud of its blood donors. Next week I'll have a few words for those who have volunteered but were not accepted because of illness.

This writer is pleased to announce that improvement has been shown in the condition of Mrs. Earl Stewart, wife of our popular Advocate. Remember, Mrs. Stewart and our ill brothers in your prayers.

Charter Member Peter Kransz is ill at his home and has been so for some months past. It is sincerely hoped that some of the members who know Peter well, will drop over to his home to lend a cheery word.

Brother Ben Sullivan is still ill and we have no definite word as to his condition, but will have next week.

(We're just getting over the effects of alking through another scribe's column d should have learned our lesson by w, but we would like to know if Scribe ll Brown thinks he's fooling us about news. Why only the other day, he nded his lovely lady friend, the popular iss Vonne Windchy, a sparkler indica-ve of an early trip down the "center sle." IMPORTANT ITEMS

he Degree Exemplification on Tues-, January 21, was, as intimated pre-isly, most impressive. Congratulations Dr. Louis Postillion, Hughes' enterpris-Grand Knight, and the officers and nbers of the Degree Team.

he Fourth Degree Exemplification at Palmer House on Sunday, February promises to be the most successful of nt years. Archbishop Samuel Stritch be the principal speaker at the ban-quet in the evening. Fourth Degree Chairman Sir Knight Charles Votava is eager to have a large group of candidates from Hughes Council, so if you're eligible for advancement to the Patriotic Degree, get your application in at once, for we want to help Master Joseph A. McMahn fulfill his ambitious plans for this ex-emplification.

Bro. John (Shadow) McDonald, mighty bowler, expert golfer, star softball player, and long a tireless worker in the interests of Hughes Council, is now enlisted in the army of Uncle Sam. Shadow aspires to the aviation branch. His many friends gave him a send-off party at Napoleon resturant, 3953 W. Harrson St., Thursday evening, January 23. Papers with those big headlines in bold, black type were passed around — "Shadow" McDonald Joins Army—Hitler Worried!" Good luck and God bless you, John.

P.G.K. John Charles Bannon has been setting the Council Bowling League on fire with his spectacular shooting. John has been blasting away at 600 series each week and his brilliant bowling is one of the chief reasons the Votava Auto-Fixers are battling for the lead.

COUNCIL LEAGUE SPONSOR

"Flaherty Tavern" has been one of the friendly teams in the Council League this season. It is a new sponsorship, but the boys on the team have rolled together for several years. Dick (Red) Flaherty is the leadoff man for his brother's "Flaherty Tavern" in Austin, on Division St. Dick is a mighty good bowler, just as you will find "Flaherty Tavern" tops as a host. Also on the squad are "Red" La-Rocca, Charlie Stuart, Frank Boland, John Keefe. Stuart is said to be a sort of silent partner.

The Flaherty Tavern team has been in the thick of contention and are now about midway in the team standing, with an approximate .500 percentage. In other words, the Flahertys have won at least as many as they've lost!

St. Augustine Justly Proud of Financial Report on Clubhouse

1-3 Mon. . . . . 5209 S. Justine St.

At the close of our last meeting the Board of Directors of our Home Association took over the rostrum and Chairman D.D. Judge Joseph B. Hermes called their annual meeting to order. We who were present felt a quickening of our hearts when Secretary P.G.K. Wm. Boettger read the financial statement. Let us give you the proper setting.

As you do or most probably do not remember, we purchased our present clubhouse in October, 1928, and took out a $7,000.00 mortgage. This, as you will recall, was just a few short months before the crash. We can all remember the lean years that followed. Members resigning or being placed on the A.A.L. Tenants for our clubhouse became fewer and a fire almost ruined the building.

In the face of these things the taxes had to be paid, and the building decorated inside and out. An oil burner was installed and many other expenses were incurred that would take too long to tell. Now let's see how much we have accomplished since October, 1928, according to the financial statement compiled by Sec'y P.G.K. Boettger and read by him last meeting. Our present mortgage is down to $2,500 and an additional $1,000 will be paid off in March this year. Do your own substracting brothers, because then you will remember the figures better.

It is only fitting and proper that we pause here to thank each and every one who has ever been a member of the board of directors of the St. Augustine Home Association. This remarkable showing is not the work of one man but rather the result of the combined effort of each and every member. Let's pull together just a little harder, brothers, now that the end is in sight. What greater joy could we ask than to have the burning of the mortgage papers at some meeting within the next two years.

COMING ATTRACTIONS

Next meeting, February 3rd, technicians will be on hand to type our blood. We have arranged for and expect quite a large attendance for this occasion. Here is your opportunity to practice an act of charity.

February 13th, first and second degree. Between now and then would be a good time to sign up that friend you have been talking to. By getting his signature now you will avoid any long wait for the next initiation.

Home talent show by the children of our members. Many of our brothers have talented boys and girls of whom they are rightfully proud. We suggest that you get in touch with Lecturer Joe Ossowski, phone Republic 4633, and tell him what your youngsters can do. It will be worth your while.

TEN-PIN-TAPS

Paced by Bill Strauch and Ed. Witry the Ted Kloeckner Florals swept the three games from the Dutchman's Tavern. Bill Sutterlin was high for the Tavern.

Bill Schmidt shot his first 200 game of the season and helped his team to win three games from the Schaefer Barbers. Joe Handzik was the best barber there.

Led by Joe Putz and John Putz, the McCabe Boosters dropped two games to Bonthron Service. Roland Young and DuBrock paced the Bonthrons.

Pete Schaack and Don Holloway set the pace for the Mack Brothers Movers as they won two games from Puetz Meat Market. Al Labuhn led the butchers.

BOWLERS ATTENTION! By special arrangement those bowlers who are participating in the Illinois Bowling Tournament at the C.Y.O. alleys next Saturday or Sunday may park in the Electric Garage, one block south on Wabash for 35 cents. Just have your claim check stamped at the Secretary's desk.

All those desiring to participate in the National K. of C. Tournament at Indianapolis, kindly get in touch with your secretary.

Gar. Moreno Starts Committee Work on Feb. 22 Dance Party

2-4 Tues. . 155th St. and Lexington

What's the score? In athletic contests and games there is always a record kept, which is the incentive that makes the game or contest interesting.

In the game of life we may not know just how many years the game will last. We can, however, separate this game into periods of years. Check your years of membership as an active knight. We know your membership has given you much fraternal happiness, and your council will always continue to make your years happier if you do not lose your enthusiasm.

Now look back to the score! At the beginning of a new year, it should be interesting to know what our score is to date. We may not be able to know just how we stand on the scoreboard of others, but it is highly possible that the most accurate record could be kept by ourselves, based on our own knowledge of ourselves. Of course it is not an easy job, this totalling things up, but it can be done.

Let's also check the score of our council now and again at the end of 1941 and see if it is losing or winning. We do have certain goals to win in membership, charity and fraternity. We should be able to be happy over the results we gain.

With the Bowlers

Eagle Coal Co. won all three games and tied for first place with Shea's Corner. Simon Ryan's 567 and Gorski's 504 were top scores for the coal team, while Wisell's 548 and Bruce's 485 led the way for the O'Hara Boosters, the losers. Shea's Corner also won three games from Anton Sterker Tailors. Jack's 543, Knoll's 507, Shea's 504, and Lemon's 495 were Shea's top bowlers. Bennie Walenga's 499 and Obernesser's 498 were the Tailor's best scores.

Goletz's Boosters added three wins over the Home Liquors. Paul Malito's 580 and Frank Walenga's 493 topped the winners, while Rich Walenga's 591 and Paul Milash's 497 were the Liquor team's best pin collectors. Wonder Bar won two games from Frank Ring Boosters. Pop White's 512 and Hank Hilgendorf's 499 were high men for the winners. Frank Ring's 527 and Matt Walenga's 526 did the heavy work for Ring and his gang.

BIT O' NEWS

Al St. Aubin, Felix Dask, Marty McGee, Jackie Lutz, L. Beaupre and Andy Curzydel met at the home of Lecturer Clyde White to arrange plans and committees for the dancing party of Feb. 22. Committees appointed are: Publicity—Leo J. White; Tickets—Al St. Aubin and Louis Beaupre; Orchestra and Hall — Simon Ryan and Clyde White; Refreshments— Andy Curzydel, Anton Sterker and Leo J. White; Waiters—Jackie Lutz, Paul Malito, Marty McGee and Irwin Lunn; Patrons List—G.K. Members who attended the above meeting extend their thanks to Mrs. White for the repast of the evening.

Al Binnette joined the Blood Donors Group this week-end, by going to Aurora to give a transfusion to his niece. Jack White has enlisted in the Air Corps. To Mrs. A. Biggerstaff the scribe apolgizes for omitting her name from the last Columbian, as it was she who helped serve the lunch. To Al Binette, the Hilgendorfs, the W. E. Powers, Sr., the Lawson Robertsons, the Louis Beaupres, the Biggerstaffs, and to Mrs. Olga Gibson, the scribe extends his sincere thanks for the surprise party on my recent birthday. To my other brother knights and friends, Mrs. White joins in extending with me, our thanks to all for such kindness.

On the sick list are John Kline, at home, and Elmer MacManus, at the Hines Hospital. Hope you're up real soon, folks.

Fr. O'Connor Votes Hough Testimonial Deserved Success

1-3 Thurs. . . . . 4660 N. Kedzie Ave.

The Marty Hough Testimonial party is now history, and from all reports and from what your Scribe was able to observe, it was one of the most successful affairs ever conducted by the council. It was a fine tribute from the brothers and friends of Marty to one of the most deserving men in the Knights of Columbus.

Among the innumerable men whose work helped make the party a success, the following came to our attention. Undoubtedly there were many others whose co-operation and energy contributed largely to it, and to them we apologize for the omission. Thanks to Dan Smith, Jim Magan, George Fitzmaurice, Fran O'Grady, Carl Knipple, Harry Brown, Ed Heckinger, Lloyd Lewis, Joe O'Brien, Bill Cunningham, Wally Kelly, Frank Graft, Bill King, Eddie Zeleski, Johnny Golden, and Chief Touhy.

In the beverage department, yeoman work was done by Marty and Bill Sullivan, Bill Gleagh, Jack Grice, Tony Neubar, Skipper Smith, Tom Mahoney, Bill Bloom, George Haig, Bill Fialkowski and Bud Stevens, among others.

Gratitude, too, must be expressed to the several Chicago councils whose representatives helped swell the attendance, and to the state dignitaries of the Knights of Columbus. To the Chicago Herald-American's Leo Fisher, Jimmy Corcoran, and to Editor Harold Du Chateau of The Columbian, thanks for all the publicity.

PARTY HIGHLIGHTS

Naturally in a crowd of the size that turned out Saturday we missed much that took place, but we did see Fran O'Grady turning on the charm for the hired help . . . lightning does strike twice, eh, Fran, or don't you remember that trip to the south seas? . . . Somebody framed Eddie Wilson with a collapsible stool . . . so he claims . . . What popular Gold Coast resident was in the doghouse most of the night?

The wolfpack was running again that night (McLaughlin, Needham, Golden & Co.) and if it happens again your Scribe will personally put a bounty on their respective pelts . . . Another aside to Gus Smith . . . Hope that difficult situation was cleared up satisfactorily . . . The consensus of opinion gave first prize in the floor show to that little Swedish boy and his marble act . . . Best sight of the night: . . . The look of concern on Bill Cunningham's face gradually turning into a great big smile as he realized that the party was a success.

BOWLING NOTES

Only two games off the pace are the O.K.s and the King Coals, with four more quints a scant game behind them. Navin's Inn won two last week but are still firmly entrenched in the cellar.

During the World War mail carriers were ordered by the German government to deliver all parcels returned from the front, on account of the death of the soldier, to the pastor of his widow or mother, so that the sad message might be conveyed by the one best fitted to offer consolation. How different the Germany of today!

Top Scores Still Stand in 2nd Week of Bowling Wars

Quigley Squad Takes Second Place With 3,043 in Five-Man Team Event

Plenty of good bowling scores were set up in the State Tournament during the past week-end, but no changes were made in the top spots.

Finucane Boosters of Quigley Council rolled the best total in the team event, scoring 3043, good for second place in the five-man standing. Izzo Undertakers and Senate Electrics of St. Francis Xavier were next in line with 3012 and 3000, respectively.

The team event also witnessed a very unusual sight, when a team representing St. Paul of the Cross Council, all answered to the man of Luczak. Five brothers bowling under the name of Luczak Plasterers. Their team total of 2693 won't bring them any prize money, but they can sit back and rest on the laurels of being the only one family team in the league.

In the two-men event, Jack Dix, president of the State Association and Emil Baumhart of Lafayette Council, went to town with a 1305 count, good for second place. J. Schoemer and H. Edler of Feehan scored 1292, L. Rosenmayer and T. Ferraini of Barry 1279, and R. Kopinski and L. Vicini of St. Paul of the Cross, 1273.

J. Rice of Americus Council turned in a fine count of 720, just two pins less than the leading score in the individual event. Bill Crowe of Lafayette Council is leading the parade for the Judge Harold P. O'Connell trophy, for high game of the tournament, including handicap, registering a beautiful 272 game and coupled with his 18-pin handicap, makes his score read 290.

The tournament has two more weeks to go, closing Sunday, Feb. 9th.

Lafayette had 17 teams, St. Paul of the Cross 15, Ketteler 12, Quigley 10, St. Francis Xavier 9 and Aurora 7 in the week-end matches. In the doubles and singles Lafayette had 30 entrants, Feehan 28, Barry 26, Carroll 26, St. Paul of the Cross 24, Americus 12 and La Rabida 10. Other councils were represented with a few teams apiece.

Chicago Has Large Class for Degrees at Feb. 11 Meeting

2-4 Tues. . . . . 64 E. Lake St.

At the next meeting of Chicago Council, Feb. 11, we will confer the honors of the first and second degree on a fine class of candidates. Members who are sponsoring insurance candidates should be on the alert so their candidates are on hand in plenty of time.

FOURTH DEGREE

Chairman (PGK) Frank J. Casey is quite optimistic about the size of Chicago Council's class for the coming fourth degree. He confidently spoke of twenty candidates, which will be one of Chicago Council's largest groups.

The matter of raising the money for the initiation fee of $25 was a major problem in a number of cases but several potential candidates early last year commenced to make advance payments or deposits to Financial Secretary Reuland when they had the spare cash, so that when it became time to file applications their initiation fees were completely paid up.

The fourth degree is referred to as the "patriotic degree," and we can say that it is highly inspiring and beneficial to all who participate. The basic requirements are: two-year membership in the third degree, in good standing, and a certificate from one's pastor that the prospective candidate has received Holy Communion within two weeks prior to the date of the exemplification. Nothing hard about that. You can become accustomed to the full-dress suit and it imparts a feeling of well-being you will enjoy. There is still plenty of time to put in your application. The degree ceremony is set for Sunday afternoon, Feb. 23.

VALENTINE PARTY

Two more weeks intervene before Saturday, Feb. 15, when we gather in numbers with our fellow members, our wives, sisters, daughters and lady friends (as well as our non-member gentleman friends) at the Hamilton Hotel for Chicago Council's gala Valentine party. Chairman Sam Mercurio and his busy committee are doing something each day toward providing a pleasant evening for all who attend. Little remains to be done except the securing of your tickets (if you have not already done so) and dating up your ladies (if that still remains to be attended to).

Dancing and refreshments are all included in the one admission charge.

LAST TUESDAY

We were invited in last week's column to come and see a movie at last Tuesday's meeting. We did not know at the time what the movie was about or we might have raved a bit. You who did not attend missed a fine picture show. Lecturer Bill Pelicore presented the Arch Ward Chicago Tribune film, "The American Way," which presented the year in athletics in a most thrilling manner right down to the All Star-Green Bay Packers football game. A second reel depicted the manufacture and transport of the newsprint paper right from the forests down to the mills, vividly picturing the many phases of the paper-making process and ending up in the Tribune plant editorial, composing and press rooms.

A collation was then served by the entertainment committee under the culinary sponsorship of Bro. Mercurio.

SICK

PGK (DD) Edward O'Connor, still confined at the Alexian Brothers' Hospital with the "No Visitors" sign hanging on his door, shows slow but steady improvement. Spring is not so far away now and with the arrival of fine weather we will probably see Ed moving about in a moderate way. The council is pulling for you, Ed.

Bro. Serritella was given another blood transfusion this week, the donor being Bro. Jim Pennino, one of the intracouncil bowlers. Bro. Serritella picked up three pounds after the transfusion.

BOWLING

The big league bowlers in last week's session with Hennepin-Shields cleaned up all three games and went home happy. Joe Aurvek rolled 257, 242 and a 691 series. This week Quigley is on the list. Let's hope.

In the intracouncil Wednesday night excitement Vallee Boosters dropped three to the lightning-like Cole Recorders and are in a tie for cellar "honors" while the Recorders took over second place.

And the Franz Guards, by taking the odd game from Ryan Coals, strengthened their hold on the top place. In the Vallee Boster session Herb Le Resche paced the victors with 525 while Gus Caponi featured for the losers with a 588.

Vallee Boosters	680	758	749	2,187
Cole Recorders	687	771	764	2,232
Franz Guards	701	700	781	2,182
Ryan Coals	647	746	756	2,149

ENGLEWOOD'S VERSE AND BOWLING TIED

2-4 Mon. . . . . 150 W. 69th St.

When Huguelet or Charlie Sink
Leave the rack with their ball,
You can sit and rest assured
That all the pins will fall.

Which is just a way to get into the opening of our column this week, of which bowling must take the headlines. Last Saturday evening, January 25, 1941, to be exact, and at 10:04 p. m., to be more exact, at the C.Y.O. alleys, to be sure, two teams representing Englewood Council took the field . . . or I should say, the alleys. And after what we did, the alleys is what we should take.

Now, maybe I'll have to take some of this back because I am writing this before I find out what happened in the singles and doubles Sunday night, but so far all that is being discussed is what the Englewood Majors and the Englewood Juniors did on Saturday night.

We won't go into much detail except to say that we thought we were going to see the highest individual game of the evening bowled by Oswald Len Servatius, bowling with the Juniors. He started off the second game with five, yes, FIVE, consecutive strikes, and even though he had to be content with a seven pin first ball, and a spare for the sixth frame, it still looked like a good game coming up. BUT . . . then the lump came up in Detroit, for he left three pins standing in the seventh, came back with a strike in the eighth, again only garnered seven in the ninth, spared in the tenth and then finished with a nice railroad, good for one six pins. However, his 195 game was the highest of the Junior team.

The Majors high game and series went to Captain Charley Huguelet, with 210 and 579, respectively. He also had a run of five consecutive strikes in his last game, but they came after a somewhat shaky start, with a blow, two spares and a railroad.

Here's the lineup and the scores:

Majors	1	2	3	Hdp.	T'l
Peter Lenz	170	148	171	51	540
Walter Zeeb	137	182	146	51	516

E-XEMPLIFICATIONS

Grand Knight John P. Loughnane and Warden Roy J. Murphy participated in the First and Second Degrees at Quigley Counsel, with myself and John Lyons on the sidelines. D. G. K. Dick Phillips acted as Inside Guard at Ridge Council.

E-DITORIAL

Our compliments to Editor DuChateau for his marvelous editorial on the Nocturnal Adoration Society a few weeks ago. (Laurels where laurels are due, Hank; you missed the by-line. Father Belanger, himself, wrote that at our invitation.—Ed.) You may remember we have been advocating membership in this group for several years, and many members of the council have joined. There is nothing more we can add that has not been covered in this editorial.

E-PITAPHS

One of our old-timers, Bro. Thomas P. Smith of 6516 S. Artesian Ave., was called to his eternal reward last Sunday. The council attended the wake in a body on Tuesday evening.

We also wish to report that the father of Bro. Thos. H. Garrity and the mother of Nick Christian were also summoned by the Angel of Death in the past week.

To the bereaved families of all we extend our deepest sympathies. Absolve, O Lord, the souls of all the faithful departed from every bond of sin, and by the help of Thy grace let them enjoy the full beatitude of the light eternal.

E-NGLE WOOD-CHIPS

We wish to report the following brothers who are on the sick list: D. G. K. Phillips, confined to his home at 7916 S. Morgan St. . . . John J. Hurley of 7146 S. Prairie Ave. is in Room 230 of the Mercy Hospital following an operation . . . Treasurer Adolph Minster still is convalescing at his home, 6730 S. Wabash Ave. . . . And as far as we know, Bro. Any Third Degree member contemplating taking the Fourth Degree on February 23rd is asked to contact Adolph Minster at Normal 0001 . . . He will arrange to have you supplied with an application . . . BROWNSON GRIEVES IN DEATH OF REV. AHERN

2-4 Fri. . . . . 4754 N. Western Ave.

The members of Brownson Council together with his thousands of other friends in Chicago were deeply grieved to hear of the tragic death of the Rev. Howard J. Ahern, C.M., of De Paul University last Saturday morning, Jan. 25. Father Ahern joined Brownson back in the days when we held our meetings in the De Paul Lyceum building, and had on a great many occasions endeared himself to all Brownsonites with his splendid talks.

Just two short months ago a large delegation of our members attended St. Josaphat's Holy Name Society meeting to hear Father Ahern give a wonderful address on the value of the parochial schools. Our Catholic Action chairman had planned on having Father Ahern address our second meeting in March. To his bereaved mother; his brothers, Rev. Maurice Ahern, C.M., and Capt. John R. Ahern, U.S.A., we offer our deepest and most sincere sympathy. May his soul rest in peace.

Again we wish to remind our members of the Brownson bowlers' dance to be held on Saturday evening, Feb. 8, at the beautiful Gross Park Hall, 2123 Roscoe St. Each year the bowlers of our council run a dance to help them defray some of the expense of sending a large delegation of our bowlers to the K. of C. national tournament, which this year is being held in Indianapolis, Ind.

Unlike other councils, our bowlers never ask the council to help meet these expenses and for that reason the members of our council who are not members of our league should give the bowlers a hand and help them put over their dance. These dances have been held for the past ten years and never yet has anyone who attended gone home saying that he did not have a good time. Tickets are 35 cents and can be secured at the door.

A SKIING KNIGHT

Last Sunday morning Bro. Alex (The Great) Ciesinski attended midnight mass and then caught a train at 6 a. m. for Wausau, Wis., where he spent the best part of the day learning to ski. We have it on good authority that the Milwaukee Road, which ran the special snow train, is thinking of hiring Alex as an entertainer on future specials. Alex himself says: "I never had such a good time." Alex is now trying to form a skiing club among our members.

BOWLING NEWS

The Cullom Club team trimmed the leading Gartner Tailors two games and, believe it or not, they lost one game in which GK Tom Casey got the league high game of 266. His total was 604. Bill Herdegen was high for the Tailors with 522. McPhee Undertakers won the odd game from the Doose Studio with John Mooney getting 510 and Jack Donlan 500, while George Gaffke got 545 for the Undertakers.

Bill O'Neill's 600 series and John Moran's 182 game helped the Alderman Grealis team win two from the golfers from Northbrook C. C. Charlie Lannon made amends for his poor showing of the previous week by getting 619 and helped his team, the Sunnyside Inn, take three games from the game but luckless Best Furniture Store boys. The Best team shot 942 their last game but still lost by nine pins. (Note to Bro. Nick Buriegi, owner of the Best Furniture Store: We're trying.) Standings:

GOOD ENTERTAINMENT

At our meeting on Friday, Jan. 24, we had the pleasure of hearing Howard Barry of the Chicago Tribune sports staff talk on the composition of a sport article, headline writing, cutting and the various phases each story goes through before it emerges as the finished article you read on your way to work in the morning.

Main feature of the evening—the National Professional Football Leagues' official pictures showing pre-season training, all teams in practice, their pet scoring plays in slow motion and high-lights of all the big games. A football picture that was perfect from beginning to end.

The meeting was well attended, attested to by DD O'Reilly. We were also pleased to have with us many guests and Father Fitzgerald of Queen of Angels' parish, who spoke briefly before the picture started.

Finally, our sincere thanks to Arch Ward for sending his representative.

Nazareth Meeting Program Pleases Large Attendance

2-4 Tues. . . . 17 W. Harris, La Grange

Another fine meeting has gone down into history. We refer to the one held Tuesday. Many subjects were covered and much lively discussion was had on the various subjects, but it was all done with smoothness and dispatch.

With the business over, we repaired to the ante-chamber for a fine chile supper. If the chili was hot, the freshments were cold, so it all came out even. You don't know what you are missing by not attending these meetings. Incidentally, we proved somebody is reading this column. After our plea of last week we saw many whom we have not seen for some time. Karl Knudsen, Ollie Kugel and Pete Johnson, those Irishmen from the east end, were there, as was Trustee Martin from Western Springs. Jimmy Henderson put in an appearance in time for the eats!

The meeting was honored by the presence of Brother Ben Bernasek, field agent, who gave us a very fine talk on the insurance features of the order. Bob Lester of Downers Grove is our newly appointed inside guard, and did a nice job. He is taking the place of Chris Tenuta, who is now in the government service at Wilmington, N. C. Chris is now located with P. G. K. Sweeney, and their new address is 313 N. 4th St., Wilmington, N. C.

George Tenuta, brother of Chris, is away on vacation touring the west coast. His trip is taking him to Los Angeles and down the west coast into Meheeco. How do you like that Spanish? We get that way from eating onions.

CATHOLIC ACTION

On the subject of Catholic Action we have several movements on foot. One of the projects is the erection of a shrine at Bethlehem Academy at La Grange. It has been agreed that the cost of this shrine will be sponsored by the Past Grand Knights of the council. However, anyone may contribute, and your contributions will be gladly accepted by P. G. K. Halm, 4479 Lawn Ave., Western Springs, or P. G. K. Simmons, 4902 Washington St., Downers Grove.

In this field we also have the distribution of Catholic literature. If you have any such material at home which is no longer of service to you, please notify Ed. Bessler, who will see that good use is made of it. Brother Bessler also announces that he is still available for any donations you wish to make for the Christmas Cheer fund.

The annual council retreat this year is to be held March 15. It is hoped that we will send the largest group ever to Mayslake this year. Remember the date and lay your plans accordingly.

COUNCIL ITEMS

We welcome into the ranks of the third degree Brothers Stacey of Downers Grove and Emmard of Brookfield, both of whom received the honors last Sunday at St. Phillip's. You who may be interested in the Fourth Degree should get your applications in to the Financial Secretary without delay. This degree will be given Feb. 23 at the Palmer House.

It is with great regret that we must tell you of the death of the Rev. Father Schroeder, Chaplain of Nazareth Academy, who passed from this life Friday afternoon, Jan. 24. Father Schroeder has been a member of our council since last May and was well liked by all who knew him. A Mass will be said for him at St. Francis Xavier Church at La Grange Wednesday, Feb. 5.

We hear that Brother Tom Kelly of Downers Grove is sick. We hope it is nothing serious.

D. G. K. Francis announces that a membership meeting will be held in Downers Grove next Sunday evening. If you were at our last meeting you will know where it will be held. If not, we suggest you ask the D. G. K. We suggest you make every effort to attend. He will need all the help he can get.

There was a terrific upset in the west end bowling league last Monday. The league leading Mahr Roofers were treated shamefully, being beaten three straight by the Triangles. Other results were: Watkins Sheet Metal two, Tivoli Candy one. D. G. Motors took two from the Western Tire, while the Dieters took three games from the Brittans.

In the state tournament our five-man teams will bowl at the C. Y. O. alleys Sunday, Feb. 2, at 4:15 p. m. Let's get down there and give the boys a little encouragement.

ST. PAT'S TAKES ACTIVE PART IN DEGREE WORK

1-3 Tues. . . . . Madison & Hamlin

Braving a cold, wintry blizzard, which swept through Chicago over the weekend, was a capacity crowd which witnessed the exemplification of the third degree at St. Philip's gymnasium on Sunday, Jan. 26. Six of our local boys, namely, J. Bousk, A. De Blasio, M. Fiorito, F. Garvey, Wm. Dolan and Michael Conroy, were included in the near record list of candidates. Inspired no little by the presence of their sponsors, these candidates displayed the real spirit of Columbianism.

The memory of this major degree imparted a great lesson to them, one which they will always remember. On behalf of the officers and members of St. Pat's Council, therefore, this correspondent wishes to congratulate each and every one of you new brother knights and cordially extends an invitation to attend our next meeting, Tuesday, Feb. 4, at 8:30 p. m. Members who attended this exemplification were: GK Thomas Cregan, DGK William O'Connell, Catholic Action Chairman Jos. Gentile, Financial Secretary Geo. Altier, Chas. Basile, Tony Palotta, Frank Damato, John Schmitt and Thomas Cregan, Jr.

CARD PARTY AND DANCE

Although the date for the annual homecoming party and dance sponsored by old St. Pat's Church, Adams and Desplaines, is some three weeks hence, the sale of tickets is moving very briskly. This affair promises to be even more gay and eventful than that of last year, and, believe you me, that's quite an assertion.

The background for this function is the Hotel La Salle and the date Saturday, Feb. 22. The patrons' list will be handled by GK Cregan and publication of individual names will be $1. W. O'Connell will again head the agate ("ads") department while convalescent John T. Burke will be in charge of tickets, which are reasonably priced at 75 cents. Music by Augie Shea and his celebrated orchestra. Don't miss this, boys. Bring your wives or your sweethearts and show them a good time.

ABOUT THE MEMBERS

A speedy recovery to Bro. John Mitchell, who is ill at a local hospital suffering from the "flu." John McLaughlin, charter member and also benefactor to Lecturer John O'Shaughnessy (he's the guy who pays the latter his weekly stipend), was present at our last meeting, and did he have a 'ellofva time! So did the rolypoly gentleman.

By the way, Eileen O'Connell, that winsome little miss who is one of the prides of the W. J. O'Connells, was recently crowned queen of the freshmen's cotillion at Providence High School. Congratulations! Peter Gregoria has been conscripted into the service and is now "limbering up" at Camp Custer, Mich. Drop us a line, buddy.

Our sincere expression of deep sympathy goes to the family of the late Michael McDonald, brother of Bernard, who passed on to his eternal reward. May God have mercy on his soul.

BOWLING NOTES

The classic of the year, men, so don't miss it. In a special event which will take place on Sunday, Feb. 2, at 2 p. m. at the Madison-Kedzie Arcade, the co-leaders of the first round, Damata Taps and McGinty Black Rocks, will settle an old score. They will roll three games, total pins counting, and when the shouting has died down and all the debris has been cleared, then and not before will be know who rules supreme.

Here is a splendid chance to pick up some knowledge of this "easy" game, free of charge, of course. (A warning to Capt. W. Farrell: Sponsor Damato has planned to have a rooting section of his own for this special occasion, so don't be a fool, do ye likewise.) May the better team win. In the third week of the second round the boys are methodically mowing the maples down. It is true that some have "spared" the lumber, but that is purely coincidental.

The scores for Monday, Jan. 27, were: Freda Meats, 2-3 from Barry Boosters; Cahills, 2-3 from Moriarty Indians; Wieland Florals, 2-3 from Deir Morticians; Emergency Radios, 2-3 from Damato Taps; Allegretti Grills, 3 from the ABC Parcel Delivery, and Rex Paints, 2-3 from McGinty Black Rocks.

High scores and games: Jas. Koerner, 509 (217 and 10); W. Chappell, 575; O'Connell, 541; Fitz, 502; Fiorito, 500; Stumpo, 560; Montedore, 554; Holmes, (215 and 28); R. Latelle, 218, 201 (574); Elsa, 483; D. Miller, 532 (201); Spreitzer, 545 (203); Catalano (519); Hartford, 544; Clune, 504; Burns, 511; Racine, 497, and Galena, 510.

The standings after the first nine games of this round follow:

	W.	L.
Emergency Radios	8	1
Moriarty Indians	7	2
Freda Meats	6	3
ABC Parcels	5	4
Weiland Florals	5	4
Barry Boosters	4	5
McGinty Black Rocks	4	5
Damato Taps	3	6
Rex Paints	3	6
Deir Morticians	3	6
Cahill Printers	3	6
Allegretti Grills	3	6

O'Connell Has Large Member Attendance at M. Hough's Party

2-4 Tues. . . . . Hill and Franklin

At the last meeting our Lecturer distributed to each member who wished one a ticket to the testimonial given for our very good friend and brother, Martin Hough. His many active years in Knight of Columbus affairs has endeared him in the hearts of nearly every K. C. in the State and many others out of the State. The members were eager and glad for this opportunity to pay homage to this fine man.

To date, thanks to the negligence of the "Columbian Note Committee," your Scribe hasn't had to put one cent in the Christmas Cheer Jar. This means that not one penny postcard was addressed to J. F. Henrichs, 659 Wrightwood Ave. I've been threatened that I would receive scores of letters and cards, but as yet nary a penny postcard. We can't blame Uncle Sam's carriers and we can't blame the depression. (I am informed the depression is over.)

We can't blame the postage rates because all it will cost you is ONE CENT. There's only one place to lay the blame, and if you will examine your conscience you will find that you forgot to put the card in the mail box. So before another week-end passes please drop that note in the mail box. In this way I can keep you posted on how your friends are, and what they are doing, and your Columbian will always be interesting.

Your council's last meeting was not as well attended as it might have been. We should like very much to see you old timers come up to the meetings. This would give us all a chance to rehash old times, we'd get a lot of laughs out of our meetings, we'd create a new spirit of joviality, and our group would be bonded closer together by a stronger friendship. Come up to the next meeting and be received by your old friends.

Remember, 1100 North Franklin St., every second and fourth Tuesday of the month, and meetings begin promptly at 8:30. Here's something to remember: If 25 members will come up to the Scribe's desk and just say these words as they are here printed, "Don't forget the Christmas Cheer Jar," I will jam a $1.00 bill in the Christmas Cheer Jar. Officers of the council are not to be included. Get your friends up to the meeting and help the cause along. Let's pack the hall and stick the Scribe. Just remember the six magic words.

Loyola-H. Pk. Points to Need of Co-operation for Council's Success

2-4 Thurs. . 7435 Cottage Grove Ave.

Are you an active member, the kind that would be missed
Or are you just contented that your name is on the list?
Do you attend the meetings, and mingle with the flock,
Or do you stay at home and criticise and knock?

Do you take an active part to help the work along
Or are you satisfied to be the kind that "just belong"?
Do you ever go visit a member that is sick?
Or leave the work to just a few and talk about the "clique"?

There's quite a program scheduled, that I'm sure you've heard about,
And we'll appreciate if you too, will come and help us out.
So come to the meetings often, and help with head and heart
Don't be just a member, but take an active part.

Think this over, member, you know right from wrong,
Are you an active member, or do you just belong?

We were going to spend a great deal of the column this week, trying to tell you what we wanted you to do in order to help our Council along. However we believe that the above poem tells the story much better than we could. If the answer to the Title question is "no," than you are doing your part, if not let's try to improve our standing in the Order. We have some very interesting and informative meetings coming up, and if you'll only do your part by coming over we guarantee you one of the most interesting and pleasant evenings you could expect.

Here is an early warning the next meeting is Thursday, Feb. 13th. All meetings from now on will start promptly at 8:30 p. m. Make it your business to be there.

To the large group of members who took the First and Second Degrees at Calumet Club last Monday, we bid you welcome. We know you will find our meetings interesting. May you enjoy a long and pleasant association.

Our last meeting was very lively, and we compliment D.G.K. John McGuire, for so ably filling in when our G.K. Arch Hermans was called away by some important business. Brother Art Jacobs won the radio given by the Junior baseball team. We know Patsy will enjoy it very much, just keep it off the radiator.

HERE N' THERE

Congratulations to Brother Ed Manion on his recovery from the illness that had him laid up for so long. How about coming to the next meeting? Nice to see our new Brother, Pat O'Dea at the last meeting, Pat just returned from San Francisco where he was hobnobbing with many prominent Knights. Paging Brothers Jim Carlyle, Junior and Senior; Ben Tansey, Bill Cardwell and Jim Shaughnessy, how about coming to the next meeting, we miss you guys. Nope Brothers Art Borgeau and George Porter have recovered by the time this hits the press.

The bowling league rolled again last Friday night at the Crocombe alleys and as a result we find the Korkers still in first place with the Rich Martins, Joyce-Hagans and Bernard Thompson teams in close pursuit. The Joyce-Hagans knocked over the Korkers for 2 out of 3 while the second place Martins were losing 3 to a spirited Thompson Floral outfit. The Reliable Packers, playing off two games beside the three scheduled games, took 4 out of 5 from the Pops Coffee Pot team. The Kodakers took two out of three from the Dr. Heinz Dentists.

Ouilmette's Quarterly Communion on Sunday to Commence Busy Day

2-4 Mon. . . . . 1215 Wilmette Ave.

Next Sunday, Feb. 2, is to be one of the most important dates on the council calendar. In the early a. m., at 8 to be exact, we will hold our quarterly annual Holy Communion, together with as many of our fathers and sons as we can induce to join us, at St. Joseph's Parish, Ridge and Lake Aves., Wilmette.

In the p. m. our entire bowling league will journey to Chicago to take over the C.Y.O. alleys at Congress and Wabash and participate in the K. of C. State Tournament. The team event will be rolled at 3 o'clock and the doubles and singles at 7. Those of you in the council who do not bowl are cordially invited to join the teams in the alleys and root for their favorite. It should prove to be an enjoyable evening for all.

If the aforementioned events do not prove sufficient for a complete day you may take a run over to Peterson's Bowling Alleys and watch Phil Bleser take a crack at the richest reward in bowling—the "Peterson Classic." First prize pays $4,000. After shooting nine games in the State tourney he should be well practiced. Get up a party and go pull for Phil. It's worth seeing, anyway.

At the meeting last Monday night something definite was done about a Fourth Degree Club for our council. The plan was for each potential Fourth Degree candidate to pay one dollar per meeting toward the initiation fee necessary to become a Fourth Degree knight. The plan was received graciously by the members present and 15 members consented to pay the one dollar per meeting to double on the second meeting should they miss one.

Those who have given definite promise are John Winands, Harry Sieren, Norbert Miller, George White, Frank Schopen, Paul Weiler, James Hoffman, Harry Leis, Joe Lechner, Russel Flood, Peter Thalman, Thos. O'Rourke, Ray Meier, Larry Schaefer and John Bell.

Anyone who desires to join this club may do so by paying his buck or bucks to Bro. Larry Schaefer. The dollars due commence with our last meeting. In this manner we should have a large class next February (1942). Bros. Nick Miller and Joe Lechner are chairmen of the club and Bro. Larry Schaefer is treasurer.

Bro. Larry says this club will not be run the same as his suit clubs; that is, should you change your mind and discontinue your payments, your money will be refunded; you will not be urged to take it out in cleaning.

I'm sure all those who attended our last meeting were thoroughly entertained by the two motion pictures so graciously shown us by the Chicago Tribune Public Service Bureau and by the star halfback of the Chicago Bears' professional football team, who was brought by Chancellor Lefty Steffers and who entertained us with intimate secrets of pro football.

Bro. Joe Kneip still is ill at home. He wonders why someone doesn't come around and see "The Old Lefthander."

Guess this is all for now. See you Sunday.

Tonti Will Hear Donor Activity Explained by DuMais Next Thursday

1-3 Thurs. . . . 4221 W. Irving Park Rd.

On Thursday evening, Feb. 6, Tonti Council will lend its aid to the greatest humanitarian cause ever undertaken. On this day Tonti Council will have for its honored guest PGK Robert Du Mais, state blood donor chairman. Bro. Du Mais has been very instrumental in building the membership of the K. of C. blood donors group to the fine body of men it is today. These men cheerfully answer all calls for blood donors at any time of the day or night. During their short term of existence they have made an enviable record of lives saved.

In fact, one of our own members, Bro. James Fitzgerald, says he owes his life to the quick action of the K. of C. blood donors' group in supplying a blood donor on very short notice for a much-needed blood transfusion. Bro. Du Mais will explain to us the requirements expected of a volunteer blood donor, and also how to organize our own blood donors' group. He will tell us of a few of the cases where through the action of the K. of C. blood donor group, a human life was saved.

All members, PGK's and officers are urgently requested to sidetrack everything and be on hand for this special occasion. Our worthy lecturer has promised to have a hot luncheon on the menu as an added inducement. You owe it to yourself and your family to be on hand and learn how you can do your bit toward helping your fellow man in this charitable cause. Remember the date, Thursday, Feb. 6.

You still have time to enter the pinochle tournament now in progress. There are a number of beautiful prizes on display at our council chambers which will go to the lucky winners.

GK Eugene Scanlon of De Soto Council reports that a K. of C. ring was found in their council chambers after the exemplification of the third degree. The loser may claim same by getting in touch with GK Scanlon.

The Tonti Council K. of C. bowlers will hold their fourth annual party and bowlers' smoker on Saturday evening, Feb. 8 at 4221 W. Irving Park Rd. For the sum of $1 you can play your favorite game of cards and partake of as much refreshment as you want. The boys who have attended any of these smokers need no further invitation, and anyone who attends for the first time will be a confirmed repeater. Your gentlemen friends are also cordially invited.

BOWLING

Bob Beaugureau bowled the high game of the evening with a score of 223. Ralph Brusko bowled the high series of the evening with scores of 203, 215 and 228 for a 638 series. Damen's Reservations Are Stacking Up for Dinner Party, Feb. 8

1-3 Thurs. . . . . 6 N. Hamlin

Matt George and his crowd know Damen Council's thirty-eighth anniversary dinner-dance is to be the big event of the year. Already Matt has over thirty reservations held for his group. Last year he had twenty guests.

Lecturer George Reithal, Jr., and Grand Knight William G. Hopkins are only too glad to take your requests for reservations. Get your crowd in the mood; bring them to the gayest pre-lenten affair, Damen's birthday party.

Contracts are signed for the nine-course dinner, floor show, favors, and Augie Schaad's orchestra.

An innovation are the invitations, which you may have from the Grand Knight or the Lecturer, inviting your friends to the dinner-dance. Just say how many are needed and you get them pronto.

MERRY MEN

These bowling notes are from your genial Red Head, who is sort of tired taking a rap like that one in the last issue, when you know and I know the notes were in the scribe's hands on time. These notes had been written, sealed and mailed in the presence of three witnesses, so, scrib, be on your guard.

Last Tuesday might well be called a night of upsets.

Upset No. 1—The league leading Cassidy Tires lost two games to McMahon Undertakers. John McMahon set the pace for the Master's team with 201 and 521. Charley Kuhter was high for the Tiremen with 200—510.

Upset No. 2—The second place Brown Plumbers lost two games to the John J. Gormans. Martin (Merely) McGinnis, fiery powerhouse for the Gormans, had 204—521. John Caulfield, the Indianapolis kid, hit high for the Browns, 204—480.

Upset No. 3—The Kelly Couplers trimmed the fast traveling Reliable Credit, taking all three. Homer Shaver was high for the Kellys, and Jim Crowley led the Creditmen.

Upset No. 4—Stack Typewriters won two games from McEnerys. William Page was high for the Typists, with Jack Lee for the Indians.

Heard the following rumor at the alleys Tuesday: The reason the Kellys have so many of the fair sex watching them every week is not so much on account of their bowling nor because of the fact that Little Joe, the smiling Indian leader, is a member of their team, but (here it comes) the main reason is one George Reithal, Jr., Damen Lecturer, and most sought after bachelor of the whole West Side.

Listen, scribe, Damen does bowl at 7 p. m., Sunday, Feb. 2, in the State Tournament. But how you found out I really do not know since you lost the rest of the bowling notes.

(All right, "Red," Upset No. 5—I did not receive the notes. Upset No. 6—You gave me your copy of the handsome program schedule of events when we were talking our chores over at Damen Ladies' Night.)

DAMENEWS

Damen Council will be nearly 50 per cent strong when they attack the maples in the K. C. National Tournament at Indianapolis. Here's hoping we make a sizable dent in one or both tournament prize lists.

We are sorry to hear the mother of Mrs. Kieran Phelan passed away last week. May God grant eternal peace to her soul.

Welcome to third degree membership in Damen Council: Richard Hickey and Leo McCann. We invite you to take active part in our affairs and to outdo that sponsor of yours, Lecturer Reithal.

Master of the Fourth Degree, Joseph A. McMahon, says the Archbishop Stritch Exemplification of the Patriotic Degree on Sunday, Feb. 23, will be most impressive from a candidate's and member's viewpoint. All third degree members who are qualiefid are invited to take the highest step in knighthood. All members are invited to witness the ceremonies of the day.

Hildebrand Promises Special Surprise at Meeting Next Thurs.

1-3 Thurs. . . . 5711 W. Chicago Ave.

Next meeting, Thursday, Feb. 6th . . . And you can't afford to miss it . . . Grand Knight, Harry Leddy, promises a novel surprise for everyone on that evening . . . Something you can take home with you and have for many years as a memento from the Council . . . Really, it will be an attractive attendance prize, worthy of display to your friends . . . The mail brings in three more "year in advance" members in the persons of Umberto D'Antonio, Charlie Kletz and Paul David . . . Our thanks to these fine members, and we hope others will follow their splendid example . . . Those bowlers are having the time of their young lives with the contests getting hotter each week . . . Rivalry of intense proportions is to be noted between the glaring captains who strain every muscle to bring their respective teams to the lead . . . Last Tuesday evening the J. P. Ryans captured the rubber from the Modern Cafe while the O'Hara Morticians were on the winning side of two games from the Dean Steel . . . Clarence Reuter captains the Ryans, George Brewer the Moderns, Bill Murphy the O'Haras and Eddie Krook the Dean Steel . . . And do those guys want victory . . . Thanks to those who have remitted for this quarter dues and assessments . . . We appreciate the prompt response . . . It helps with the annual audit which is now under way . . . Fourth Degree exemplification and banquet on February 23rd should be of interest to several of our prospective candidates for that honor . . . Applications may be secured from the secretary . . . And the Fourths should not miss the opportunity to attend the banquet.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

MADONNA'S Y.I.A. CLUB SETS JANUARY RECORD

2 Thurs.-4 Fri. . . . 4522 Wallace St.

Moving along at a pace we haven't seen in many a year, the year-in-advance gang is breaking all records for the month of January. The halfway mark has been passed only three weeks after the opening gun, and using this as a yardstick and subtracting the number of one-legged men who work on hop farms, it looks like our goal is going to be reached long before April 1.

Twelve more men came into the corral this week, bringing the total to fifty-eight. Pat Doyle, Dr. Frank Fiore, Jeremiah Griffin, Sgt. Joe Graney, Charlie Dwyer, Mike Clark, PGK Bill Flaherty, Father John and Sgt. Dan Kennelly, Tom O'Keefe, Ed Brennan and George Lowe all reported for duty.

Of course, if you want to join these heroic lads and have your neighbors enviously say, "Wish I had one o' those genuine Siberian skunk card cases like Gus has," all you have to do is roll up the carpet, lift up the loose board, spring the bear trap and take out some of the folding. Send it to John Pollick, who'll return your receipt with the card case and three views of the Columbian Exposition. Confederate money not accepted. Sorry.

CLUBHOUSE RULES

At the last regular council meeting action was taken to establish a standard of closing time regarding the clubhouse. After lengthy debate a compromise was reached and the following schedule adopted unanimously. Paste it in your hat so you'll be able to remember it. Weekdays, excepting Friday and Saturday, 7 p. m. to 1 a. m.; Fridays, 7 p. m. to 3 a. m.; Saturdays, 7 p. m. to 2 a. m.; Sundays, 2 p. m. to 1 a. m.

KEGLER KOLLEGE

	W.	L.	Avg.
Boyle Solons	18	15	885
Hermes Boosters	18	15	883
Duffy Florals	17	16	887
Doody Garage	17	16	857
O'Connell Jurists	16	17	873
Miller Banker Coals	13	20	867

The Boyles finally proved that they can bowl as good a game as they talk, when they posted the season's high series, 2,890, taking three games from the leading Hermes and taking over top spot.

Our bowling reporter has used a certain big, jovial southpaw's name in the column every week, and for fear our readers would get the impression that it's a one-man league he promised to omit it this week. So what happens? The boy comes up with a great series! But daisies and we won't tell.

The second-place Duffy Florals backed into a hornets' nest as the O'Connells rolled their best series to secure all three games, dropping the Duffys into third place. Larry Kean was high for the O'Connells followed by Tom Byrnes, who came near giving the boys a stroke by arriving on time.

THE COALMEN

Seem to meet all teams when those teams are bowling their best. Last week their high of 2,773 was topped by the Doodys' 2,794, who won the odd game. Father Devitt's 214 in the final game was the clincher. GK George Noonan, whose new ball is beginning to pay dividends, had a 535 series, but even this didn't slow the Doodys, who have yet to be shut out.

Jim Ryan of the Miller Bankers is demanding an audit of the books to show why his team should have to give a handicap to all comers. The secretary says he'll do it after his team plays the Millers this week. In the mean time he suggests that Jim and his lads start winning the close ones.

MARTY HOARE

opines as how those applications aren't coming in as fast as he'd like them. He's polishing up plans for a father and son night at the clubhouse during the early part of February. We don't think it necessary to harp on the reduction of initiation fees and the excellent new forms of insurance. In our humble opinion it's the greatest step taken by the order, and certainly the wisdom of such a move should be reflected in an increased membership. Before it slips your mind, grab the phone, call Bou. 4099 and leave the name and address of that young fellow you'd like to see in Madonna. Hi-yo, Silver!

WE'RE HIGHLY HONORED

to be the scribe selected by the eminent Ed. to present his family to The Columbian public. (As far as Madonna's concerned, that's him and us.) And it grieved us greatly to read of his wartime rationing of butter, socks, etc. How patient and long-suffering Mrs. Ed. must be! He claims he's French, but we've never seen a Gallic gent who didn't like to eat. (Maybe he does, too, but was just tossing a broad hint to the publisher, eh, kid?)

And so, with our poor old heart dripping compassion for the sockless, butterless gent, we hereby wish it spread of record that today, Monday, Jan. 27, 1941, we sent Hon. Editor the five bucks he's been crying for the last three weeks. They'll provide him many a toothsome morsel to chew on, and we'll get along somehow.

And about attending the party last week—it certainly isn't an Irish trick to scoot into a guy's house, drink his be——milk, and eat his food and zip out again without saying hello. An Irisher might drink all the be—— milk, eat all the food, but he'd let you know he liked it. Better read up on Emily Post, bud. And there'll be a Sunday-night party at the club on Feb. 9. We dare you.

AND THEN WE SAID

[We've just finished calling Bob Du Mais, requesting all available blood donors to stand by for action, and as soon as we locate the other half of our index or "envelope-opening" finger we're going to see a lawyer!

The five bucks we got, along with Madonna's notes this week, were five of the prettiest buck TEETH that ever snapped at man or beast. We know there were five; four of them lie in an unholy grin on our desk, and the fifth is somewhere between the first and second joint of our index diget! This is the first time that we literally had the bite put on us by long distance.—ED.]

Feehan's Annual Party Voted 'Very Successful' by Pleased Attendance

2-4 Tues. . . . Hamlin and Madison

The Feehan Annual Party has come and gone, and it can only be described as having been "very successful." The attendance ran close to 900 people, which was about one hundred less than had been hoped for. The council did quite well financially, however, and since the evening proved a social and artistic success, there can be little reason for any dissatisfaction.

Those members who helped, did so unstintingly, and the party chairman, yours truly, desires to thank them, one and all: the vice co-chairmen, Jimmy and Joe Collins; the ticket committee headed by Len McSteen; the reception committee; the checkers, and the special committees who gave their all.

Our thanks, too, to Bro. Joe Garzonetti who wired the hall with an excellent P. A. system. The technical details were expertly handled by Ray Coriss and crew, to whom we are likewise greatly indebted. Working with so co-operative a group was indeed a great pleasure and to them must go whatever credit is due for the success of the affair.

By dint of long hours of effort, ticket chairman Len McSteen evolved a system which gives us an excellent breakdown on the ticket sales. We found the figures very very interesting. Here's the story:

(a) The council members averaged a ticket sale of 3.6 tickets per member.

(b) All of the tickets sold were sold by a total of 155 members. This means that about 145 members failed to support or attend their own party. Considering the broad appeal of the game, this seems to us an inexcusable defection. Let's call it treason.

(c) The 155 who sold tickets averaged 6.12 per each. Nice going, lads.

(d) Of the foregoing 155, thirty-four sold over the average. These are the men who really did the work.

Well, the figures speak for themselves and you are allowed to make your own deduction and draw your own conclusions. If, with only half of the membership working we were able to stage a successful party, it seems rather disheartening to us to contemplate greater success the affair might have been, had we been able to stir the balance of the members to active support. "The saddest words of tongue or pen, etc."

BOWLING

Illinois Laundry continues to set the pace in the council bowling league with eight victories and but one defeat. Preib Cleaners are in second place with 7-2. Harmon Electrics, Quinn's Inn, J. J. Collins Sons and Lemon King Senators are bunched for third, 5-4. Next with 4-5 are Judge Hackett's Pioneers, Baer Bros. and Prodie and the Crotty Boosters. Malee's Fighting Irish have 3-6 and Edw. F. Moores and Edw. Kaindl Boosters hold down the cellar with 2-7.

In the battle for individual honors, the charmed "170 or better" circle grows smaller every week. Ed Riley still occupies the top spot with a 178 average. Frank McQuillan is second with 176. Jimmy Collins 174, Joe Collins 173, and Pop Edler 173. Honor bowlers last week: Joe Collins 238, Joe Motte 215, Frank McQuillan 211, Ed. Morrissey 207, Ed Condon 202, Ed Kelly 202, and Turk Fogarty 282 (2 games).

CONGRATULATIONS to Ed Julius and Rev. James D. Gleason, who celebrate their birthdays this week.

BARRY TO ORGANIZE HOME DEFENSE UNIT

1-3 Tuesdays . . 2856 Washington Blvd.

Since its beginning, Commodore Barry Council has always risen to the occasion to create or endorse a program of national significance. Its initial step was the formation of our great council, then followed huge membership drives, national indoor and ABC bowling championships, as well as the National Bowling League organization under its first president, William Radke, Sr., P.G.K.

There were the great spectacles in the entertainment field, the minstrel shows, the musicals and vacation trips for members and friends. All these activities made history. Then came the patriotic spirit with the formation of Commodore Barry Post of the American Legion, all members banding together with the common purpose of carrying out the principles of American freedom and democracy.

Now, once again, the bells of patriotism are ringing and our council is organizing the Commodore Barry unit of National Home Defense, under the capable direction of Bro. Paul Branks, past commander of George Bell Post, Veterans of Foreign Wars.

At the last meeting Brother Branks explained that the National Home Defense is an organization of men between the ages of thirty-five and forty-five, who will meet at our clubhouse one or two nights each week for drill sessions and the study of military tactics. Also, a part of the program will be the training of the younger members of Barry, who will be called to one year of service under the Selective Service program.

This National Home Defense program is strictly voluntary. Members who join will not be asked to engage in warfare on foreign soil, should such a thing come to pass. They will be called upon, as will all good Americans, to protect our shores against an invading force.

The organization is strictly patriotic. There is no pecuniary remuneration for drill sessions, but all members between the ages of thirty-five and forty-five years of age, whether or not they have had previous military training are heartily invited to join. Assisting Brother Branks in the organization of the unit is a committee composed of Bros. William Kennelly, P.G.K. Michael Cunningham, Louis Quintali and John Love. The program is heartily endorsed by Grand Knight Jim Curran, who, this issue, becomes a bit of news himself.

THE G. K. ENLISTS

James T. Curran, member of the Council and of the Order for the past six years, has enlisted in the 33rd Division, Illinois National Guard, for three years. Jim will depart for training with the division about the end of February or the first part of March at Camp Forrest, Tullahoma, Tenn. He is assigned to Headquarters Detachment, Special Troops.

BARRY BOWLING LEAGUE

Last Sunday afternoon Barry shot their doubles and singles in the State K. of C. tournament, and Lou Rosenmayer and Tom Ferrarini shot among the first ten in the doubles with a 1279 score. Toots DeLabadia and Charley Intrieri were second high on the squad with 1173. In the singles, Jim Tyrrell was our high man with a 687 score, which is right up near the front lines, John Szafran shot 646 and Tom Ferrarini shot 630. The United Air Lines of Barry is still resting in first place in the five men event, with 3095. We hope that this score will stand up under the heavy barrage of the next three weeks.

We hope all the boys will get those books filled in a hurry and then come back for more, as our good friend, John Tamburrino, has a big supply on hand. The more books we sell the more we will have for that big Barry Special, on April 26-27. The officers of the league are anxious to have the biggest entry in history so by selling more books can help make this possible.

Our hard working secretary, Charley DeVito, says he will have the standing of the first ten in the contest for that grand prize of a pair of shoes, donated by S. M. Peters, manager of the W. L. Douglas shoe store, 4002 West Madison street, next week.

The first three teams in the league took it on the chin last week as they lost two games and this makes the standing a little more interesting. Smith Funeral Home won two from Mid-West Auto Service with Captain Rocco Tarsitano getting a 199 score and John Foley high for Mid-West with 179.

Ahern Morticians won two from Faucher Bros. with Geo. Rose facing off with a 558 series and high game of 224. We see that John Tamburrino has been shooting a steady series of around 556 with a 203 high score.

Tom Murphy's United Air Lines, after going into first place in the State K. of C. Bowling Tournament, kept up their good work by taking two from Cunningham's Insurance. The two captains of the teams set the pace for the boys as Captain Tom had high score of 204 and Charley Svoma had high f Cunninghams with 196.

Senator Keanes won two from Kedz Coals with Frank Kucera still on th hitting barrage with 576 series and 2 high score. Tom Ferrarini had high f Kedzie Coals with 195. T. W. A. made clean sweep of their series with R corder Kaindls and moved up to eigh place in the standing. Bernie Boy pinch hitting for Tom (Butch) Geegs had high score for sky riders with 2 and Milt Horan had high for Kaind with 170 score.

American Air Lines made a cle sweep of their series with Sheeh Chili's as the boys were not themselv and this is better evidenced by the hi score of Larry Westphal, who had a hi score of 170. Little Jacks won all thr from De Mares Coals with Captain J Rose getting high for Little Jacks wi 195. Joe Crowley had high f DeMares with 173.

Prize winners last week were Kuce 256, Geo. Rose 224, Jeff Fleming 225, Probst 213, Dr. F. Cella 208, J. Thom son 200 and Jim Rose 199.

Insurance Men Predict Fall in U. S. Populatio

New York.—A picture of declini population in the United States is paint by statisticians of the Metropolitan L Insurance Company. The number women able to bear children will ha dropped by the year 2000 to such an e tent that the birth rate will be inadequa to maintain a stationary populati against the death rate that will prev then. The size of the average family h fallen from about eight children in 18 to about three today.

The percentage of women between t ages of 20 and 49 has risen to about but this figure is only temporary and w drop to about 39 per cent by 2000. A average family of three children at th time will not even keep the population a stationary rate. The percentage children, which was about 58 in 1800 a is about 34 now, will drop in 60 years about 25 per cent.

The Metropolitan experts say tha while their forecast cannot be exact b cause it is dated so far ahead, it is ce tain that the general picture of a decli ing population is correct.

Brilliant Fourth Degree Ceremony Seen for Feb. 23

Exceptional Program Will Welcome New Members and Guests After Exemplification.

General preparations to accommodate a record class of Fourth Degree candidates in the annual exemplification of the Patriotic Degree here next February 23, are progressing so efficiently as to indicate that the approaching ceremonial will culminate in one of the most brilliant displays of Order activity in recent years.

Dedicated as atestimonial to His Excellency Archbishop Samuel A. Stritch, the class has attracted the support of every council in the jurisdiction. Almost every unit has pledged representation in varying numbers of candidates. These range from one and two prospective Fourth Degree Knights to over a half-hundred.

Newman Council at Evanston now lists nearly sixty applicants, more than half of which have forwarded their full initiation fee and application blanks to Henry J. Lynch, Secretary to the Master.

Build for Fitting Tribute

During the last several weeks both Master McMahon and Secretary Lynch have visited the various councils throughout the Chicago area in order to enlist every possible candidate. Each visit has been punctuated by the enthusiastic pledges of both officers and members so that, as McMahon stated, the Order here "can count with a very reasonable degree of assurance upon the offering to His Excellency on the day of the exemplification a genuine and representative expression of our esteem for his great leadership in the archdiocese and for his interest in the particular welfare of our organization.

"It would be a very sad thing," McMahon continued, "if we failed to turn out an exceptional class in tribute to our Archbishop. Both the times and the occasion of this exemplification offer particular advantages to the interested Third Degree member. All should be enrolled in the cause of patriotic Catholic activity and no finer organization dedicated to these prin-

ST. FRANCIS COUNCIL TO SPONSOR PARTY TOMORROW AT ASHLAND AUDITORIUM

A record crowd of members and friends is expected to attend the 23rd Annual Ball sponsored by St. Francis Xavier Council tomorrow evening, Saturday, Feb. 8. The party will be held at the Ashland Blvd. Auditorium, Ashland boulevard and Van Buren street.

The advance sale of tickets now indicates that the records set for the previous annual parties, which were held at the Aragon Ballroom, will be shattered.

Dancing will begin at 8:30 p. m., with Bro. Torry Muro and his orchestra furnishing the music. Tickets are priced at forty cents the person and include tax and wardrobe fee.

All Knights of Columbus and their friends are invited to attend.

Busy Knights in the News

Joseph A. McMahon, Master of the Fourth Degree for the Northern District of Illinois, can confidently look forward to February 23 for one of the most brilliant Fourth Degree exemplifications in Order history, according to all present indications.

Dedicated to His Excellency, Archbishop Samuel A. Stritch, the testimonial class already exceeds in size, in program, and in preparations, the attainments of any other class in recent years. Many members of the church hierarchy are expected to be among the visiting guests.

Ludwig A. Streck, executive chairman for the 1941 Knights of Columbus Barbecue in benefit of Bishop Sheil's Underprivileged Youth Fund, will from now until June 18th, the date of the annual outing, be one of the busiest Knights in Chicago.

This year's affair, to again be held at Riverview Park, 3400 N. Western Avenue, will be the fourth such enterprise sponsored by the local councils. A grand total of $56,368.17 has been donated to the Underprivileged Youth Fund as a result of the three previous barbecues.

Job for Every Youth in Need of One Is Slogan of C.Y.O. Employment Bureau

"A job for every boy and every girl in need of one," is the declared objective of the C. Y. O. Employment Bureau during 1941, according to an announcement issued through the Social Service Department of the Catholic Youth Organization this week.

Reorganized and expanded along scientific procedures under the supervision of Miss Regina J. O'Connell, director of the C. Y. O. Social Service Department, the employment division of the Catholic Youth Organization has functioned efficiently and speedily since its reorganization last July. In the course of the six months that have elapsed since the introduction of new techniques and standards, the efforts of the C. Y. O. Employment Bureau to find jobs for Catholic boys and girls have met with highly gratifying success.

The December report, for instance, points out that of 119 youthful applicants interviewed, 41 were placed in some kind of work. Of these, 38 were boys, the remaining three girls. Applicants came from every section of the city.

In charge of employment for the C. Y. O. is a 23 year old Loyola University graduate in sociology, Charles D. Ryan, who was appointed to the C. Y. O. staff by the Most Rev. Bernard J. Sheil, D.D., founder and director of the organization. Mr. Ryan replaced a young but veteran member of the C. Y. O., Albert (Bert) Schevers, who had headed the employment division prior to his leaving the C. Y. O. for special duties in the local office of the U. S. Navy.

Look for Banner Year

It is the hope of Mr. Ryan that 1941 will be a banner year in so far as finding employment for Catholic boys and girls is concerned. "However, the chief trouble is that many boys and girls who need work are afraid to come down to the C. Y. O. or apply to one of the other free employment agencies for fear that their family and personal background will be investigated unfavorably," Mr. Ryan observed.

"We at the C. Y. O. make it a fundamental policy to interview every applicant in private and to keep all information secret. There is, of course, no charge or fee of any sort involved. The service rendered is absolutely free."

Knights of Columbus may look upon the employment service with some degree of personal pride, for undoubtedly some of the funds provided through the efforts of the Knights here in the promotion of the annual barbecue benefits have brought about the increased efficiency of the employment facilities. All young people in need of the bureau's services are urged to make use of them. The C. Y. O. Employment Bureau's phone is Wabash 1114.

.. Streck Named to Head Committee for K. C. Barbecue

Wednesday, June 18, Selected as Date of Fourth Annual Benefit at Riverview Park.

Ludwig A. Streck, Past Grand Knight of Cardinal Council at Cicero, will head the general committee in charge of the fourth annual K. of C. Barbecue in benefit of Bishop Sheil's Underprivileged Youth Fund, according to the announcement made last week at a meeting of local Grand Knights held at the Palmer House here.

State Deputy Judge John F. Bolton, at whose invitation the officers were gathered, also made known that Wednesday, June 18, had been selected as the date for the barbecue and that Riverview Park, 3400 N. Western Ave., locale for all three previous affairs, had again been picked as the site for this summer's outing.

Is Veteran in Activity

Streck will assume leadership of what has come to be one of the most spectacular K. of C. activities in the state, with abilities proved through active leadership in previous barbecue campaigns.

In 1939 he led his council, one of the largest in the Order, to a place among those units whose ticket sales per member were well above the general average. Cardinal's membership accounted for nearly four books per man during that campaign. Last year Chairman Streck headed a divisional group of eight West Side councils, and accounted for a considerable increase in ticket sales for that section.

Other members of the executive committee will include past Chairmen Julius Altenhofen (1938), Jeremiah J. Sheehan (1939), and Henry J. Lynch (1940), as well as State Secretary Leo M. Flynn, Supreme Director Michael J. Howlett, George Bamber, Marco De Stefano, Wm. Lowrey, Joseph A. McMahon, Joseph O'Hern and Frank J. Small.

James B. Carney will again serve as secretary and George E. Harbert as auditor.

Honor guest of last weeks meeting was the Most Rev. Bishop Bernard J. Sheil, auxiliary bishop of the Chicago

BLUE ISLAND KNIGHT TO JOIN FRANCISCANS SOMETIME THIS MONTH

Edward Duffy, senior clerk in the savings department of the Continental Illinois Bank here and a member of Blue Island Council, will resign from his banking duties shortly to become a Brother in the Order of the Franciscan Monks.

Mr. Duffy, who recently suffered the loss of his wife, told friends that he had been thinking of joining the Order for some time and had finally made up his mind to enter the Franciscan Order.

Only forty years of age, Mr. Duffy has earned a remarkable reputation in the banking and business fields. He expected to leave his home at the Drake Hotel for the Franciscan house of studies shortly after the first of this month.

ciples exists than our own Fourth Degree."

Fine Banquet Program

An exceptional attendance of Fourth Degree members is also looked for at the banquet to follow the initiation Sunday evening. Archbishop Stritch will deliver the principal address at this function and will be followed by other eminent figures in ecclesiastical and civic life, including the Most Rev. James A. Griffin, D.D., Bishop of Springfield, and others.

An appropriate program of music and similar entertainment will also be offered as a part of the evening festivities. An elaborate decorative scheme for the main banquet hall at the Palmer House, where both the initiation and the degree work will be held, has also been provided.

archdiocese, who addressed the Knights in behalf of the thousands of underprivileged Chicago youngsters who have been assisted through the funds provided by the last three K. C. barbecues.

In explaining the wide scope of the assistance made possible by the local councils, Bishop Sheil stated that "over 300 young boys and girls had been served a warm meal every single day since that first barbecue.

"Shoes, clothing, food, as well as educational and vocational training has been supplied for 14,789 other youngsters through the fund built up by the Knights of Columbus.

"I cannot tell you, and you cannot know," the bishop said, "what real love lies in the full hearts of those youngsters for the Knights of Columbus, but their thanks are expressed for you every day in the lisp of a Hail Mary, or the faltered offering of an ejaculatory prayer."

Audit Report Made

In addition to the business of the barbecue, a complete audit report on the funds donated to provide transportation for the sisters attending the recent Catholic Charities Convention here in November was made and copies were distributed to the Grand Knights. Each Council was also returned a portion of its donation from the surplus remaining after all expenses had been met.

The total rebate returned to the councils amounted to $1,152.53, and represented approximately 45 per cent of the original donation.

Loyola-H. P. Meeting Next Thursday Eve., Well Worth While

2-4 Thurs. . 7435 Cottage Grove Ave.

Save this, don't throw it away. "The next regular meeting of Loyola-Hyde Park Council will be held this next Thursday night in the Clubrooms, 7435 Cottage Grove Ave., at 8:30 p. m. sharp." The meeting will be transacted in short order, and will be very interesting and informative. You will find it one of the nicest periods of recreation in the whole week. We will have plenty of good food and beverage for all, and entertainment by our own home talent. We want each and every member to make a strenuous effort to be with us as much of interest and importance is happening within our Council. We want you to help us decide as to policies, measures and other things.

For the past weeks a lapse in attendance has been very noticeable at the meetings, we blamed it on the carry-over of holiday weariness, but we are long since past the recovery period, so it begins to look like some of you have let us down. We need everyone's cooperation if we are to maintain our position and reputation as one of the most up and coming councils in this jurisdiction. All of you helped us attain this enviable position, now please help us maintain it. There is no more important duty assumed by a knight than that which requires he support his Council. In these trying times, the Catholic manhood of our land cannot be bound too close together. The meetings of our Council cannot be a complete success if you are not there. Let's see you next Thursday, Feb. 13th, the meeting starts at 8:30 sharp, and we do mean 8:30 sharp.

Good news to report is that our P.G.K. Charles Lawler, who has been confined in the Little Company of Mary hospital with a very bad cold, returned home early this week. He is reported well on the road to recovery. Take care of yourself Charlie, we can't afford to lose you.

Record Recorder Party

The party given in honor of our Recorder Ed Joyce was a howling success, and you can accent "bowling." A big delegation of the brothers attended and when last heard from, they still thought it was one of the best parties of the year. Ed will leave on or about March 5th, for Camp Peay, near Knoxville, Tenn., and after about six months there he heads for Alaska. The boys surely gave him a warm sendoff.

We were glad to see our newest brothers, Bill Geary, tripping the light fantastic with some of our lovely feminine guests. Dr. and Mrs. John Heinz, G.K. Arch Hermanns and Christine, Bernie and Eleanor Thompson, Bud and Millie Callahan, Tom McNicholas and Rita Vetter, and our Tonsorial kind, Carlo Jiamara. There were a lot more of the lads and lassies but space won't allow for all the names. Suffice to say that John and Ann McGuire won the waltzing honors, and a great time was had by all.

Chairman of the Unemployment Committee, Bernard Thompson, has a job for a boilermaker in a railroad shop. He must be under 45 years of age. Contact Bernie at Stewart 0208.

HERE 'N' THERE—The visitor of the month has unanimously been chosen, the winner is Lt. Francis Burke, U.S.N. He has gone back to his home base after spreading much joviality, happiness and good cheer. He came, he saw, and boy, did he conquer. Our Navy must be in good hands if they are all as good as Frank. Here's hoping he sails this way soon again.

All done for now, but don't forget our next meeting, Thursday, Feb. 13, let's see you there.

Genoa's Donor Group Builds Up a Record of Notable Service

1-3 Mon. . . . . 7439 Cottage Grove Ave.

A meeting of the council was held last Monday evening and G. K. James F. Riley, Jr., presided. A good attendance was present and various reports were read.

Several very interesting incidents were related by D. G. K. Robert Stadler relative to the Blood Donors' group which is of recent origin in the council. Recently D. G. K. Stadler was called upon to supply blood donors of a rather rare type. He called upon Bros. Ben O'Neill, John Powers and Joe Munger to report to the Little Company of Mary Hospital. Within half an hour both Bros. O'Neill and Powers were at the hospital ready to perform this notable service for a relative of a Genoa member. Bro. Munger, who was not at home at the time, called Bro. Stadler later in the evening and offered his services. This act on the part of the three members bespeaks the fine calibre of men that Genoa Council has in its ranks and without doubt deserves commendation from every true Catholic.

FOURTH DEGREE

The Fourth Degree group of Genoa Council, under the chairmanship of P. G. K. Harry Dorigan, is making plans to attend the initiation at the Palmer House on February 23. This class will be in honor of Archbishop Stritch and all Third Degree members that have been in the council two years or more are eligible to take the degree. Those desiring to do so should contact P. G. K. Harry Dorigan or G. K. James F. Riley, Jr.

CABARET DANCE

Bro. Wm. D. Condon, chairman of the Cabaret dance, reports that the Venetian Room of the Southmoor Hotel has been secured for the dance which is scheduled for May 3rd. Arrangements are now under way to secure one of the outstanding orchestras in the city for the occasion.

An outstanding meeting of the counis scheduled for February 17th, at which time Dr. Hugh McDonnell, D.D.S., is making arrangements to be present. Dr. McDonnell is the attending dentist for the institution called Boy's Town. He has an intimate first-hand knowledge of the boys at Boy's Town and is going to give some very interesting sidelights on the type of boys that are of this great institution. Dr. McDonnell is one of the guest speakers for the dental convention that is to be held in Chicago at the Stevens Hotel around the 17th of the month. Dr. John A. Higgins, Genoa's Will Rogers, is chairman of the Research Section Program for this convention and it is through this contact that Genoa is being accorded this most unsual privilege.

Arrangements to attend this meeting should be made at this time. Do not let anything interfere. It is Monday, February 17, at 8:30 p. m.

COUNCIL NEWS

Bro. Tom Murphy is scheduled to walk down the middle aisle with a certain Miss Mary Murray, the latter part of the month of November. This is quite a ways off, but it is due notice to all beautiful women that there is no use trying to capture this young man. The sign "Hands Off" is now being posted.

Bro. Dick Moran still is confined to Little Company of Mary Hospital. Bro. Dick Moran still is keeping up the good spirit of Genoa and we in Genoa certainly wish for him to be well and on his feet in the very near future.

University to Welcome Members and Friends in New Home Monday

2-4 Tues. . . . . St. Ignatius Auditorium

The Scribe struck a rather mournful note last week in speaking of the efforts of Chairman Emmett McHugh's Housing Committee to find new quarters. But our gloom has turned to joy, as will be noted from the new name flying from our masthead. Through the kindness and cooperation of our long-time member and former Chaplain, Fr. FitzGeorge Dinneen, S.J., pastor of St. Ignatius Church, we have been given the use of the clubrooms of St. Ignatius Auditorium.

Not only is our new home more centrally located, but its facilities are greatly superior to the former hall. The Catholic surroundings of the new meeting place will also be appreciated by all our members. Congratulations and many thanks to Father Dinneen, Chairman McHugh, and his committee.

4TH DEGREE NIGHT, FEB. 11

Bro. John McGuire's Fourth Degree Night will be made even more enjoyable by reason of the fact that we shall meet for the first time in our new quarters. You will be glad to bring your ladies to this beautiful clubroom with which many of them are already familiar.

An appropriate added attraction to this "Patriotic Degree" night will be the presentation of a new flag to the council. Let's make this first meeting in the new rooms a tribute not only to Bro. McGuire's Fourth Degree Committee but also to Bro. McHugh and his group, and most of all to Father Dinneen who has climaxed his long years of friendship to the council by giving us a fitting home.

ST. PATRICK'S PARTY

You have already received your first announcement of the banner party of the season, the St. Patrick's Dinner Dance, on Saturday, March 15th, dedicated to Past Grand Knight Barth. S. Quigley. Put this date down now and tell the good wife, sister or sweetheart to begin preparations without delay. The place, Lake Shore Athletic Club, 850 Lake Shore Drive, where the grand ballroom has been set aside for us.

There will be room for every member and his partner and his friends, and the tables won't take up the dancing space. And you can park your car (free) in the club's own lot. D. G. K. Jimmie Brown, who is chairman of the committee, is gathering to himself some of the best workers in the council so that everything will be taken care of in the best possible manner.

MEETING, JANUARY 28TH

The business meeting on the 28th was not noted for a capacity crowd, but by the time your correspondent had finished assisting Bros. Donahoe and Garrity and Lane advise selectees at Board 76 and had arrived at the North Pole headquarters of the council, the air was still heated and the building rocking with the vociferous shouts of our perennial conscientious objectors.

A suggestion to the worthy Lecturer—why not put on a regular debate now and then and let the boys show what they can do when not hampered by the G. K.'s gavel and the necessity of keeping to the subject? The non-participants always enjoy these verbal scuffles.

Welcomed at the meeting were P. G. K. Frank Marnell, back after a considerable absence; Mike McGreevy, one of the new Mike Brown recruits; and Frank Weitakamp, who has transferred to University from Morrisonville, Illinois, Council.

More Effort Urged for Public Help for Catholic Schools

Washington. — The Department of Superintendents of the National Catholic Education Association at its annual meeting at the Catholic University of America, recommended that Catholic school authorities "continue their efforts to secure for Catholic school pupils a just share of the funds which are annually expended by the Federal Government and the individual States and subdivisions thereof for the support of education in the United States."

"The Department of Superintendents views with great satisfaction the fact that a growing number of States are recognizing the rights of Catholic school pupils to free transportation, free health services, free textbooks and other just services to which they are entitled as American citizens," the resolution declared.

The Department also urged the establishment of mental clinics under Catholic auspices "wherever possible and the use of public mental hygiene clinics where and when advisable." "We further recommend that provisions be made to carry out the various remedial measures suggested by a clinical study of the problem child," the resolution stated, adding that "in the Catholic philosophy of education the individual is paramount" and that since "each child is an immortal soul with an eternal destiny" the "subnormal child demands special attention and care."

The Department urges "all teachers and Catholic educational leaders to take advantage of the tried and successful methods that the sciences of psychology and psychiatry have developed for the study and education of problem children," the resolution added.

The other resolutions pledged continuance of support to the Civic Education Program being sponsored by the Commission on American Citizenship under the direction of the Catholic University of America and recommended that "all Catholic schools heed the increasing demand for guidance and that an endeavor be made to give our teachers a better understanding of this important work."

The Most Rev. Joseph M. Corrigan, Rector of the Catholic University of America, welcomed the superintendents at the opening session of the meeting yesterday, which was presided over by the Rev. John M. Duffy, Diocesan Superintendent of Schools in Rochester, N. Y., and President of the Department.

REVOLT FACES GERMANY PROFESSOR DECLARES

Dr. George E. F. Breuer, professor of chemistry at Rosary College, River Forest, Ill., and a former member of Chancellor Kurt von Schuschnigg's Catholic Democratic party in Vienna, in an interview with a "New World" representative here said he saw only revolution ahead for Hitlerized Germany. "Should Hitler be defeated," said Dr. Breuer, "the people will revolt against the conditions they have been bearing even before the war. A Hitler victory in Europe will see the eventual revolt of the peoples conquered by Germany since they will no longer be able to bear the conditions imposed on them by the Reich, which will have to drain them not only of their foodstuffs and materials in order to pacify the long suffering people in Germany, but as well of their treasures, their private fortunes and, above all, of their religious and political freedom.

Aquinas Hears Plans of New Insurance at Last Tuesday's Meet

1-3 Tues. . . . 5441 S. Ashland Ave.

At our last meeting on Tuesday, Feb. 4th, we were given an added incentive to go out and bring in new members for the Council, and that was the new insurance plan of the Knights of Columbus. A representative explained the plan and guaranteed that it is the best insurance available for the members of the Knights of Columbus. The plan can better any insurance offered by the major companies, and for full particulars see our Fin. Sec'y Ed Fennell. These new plans give us an added attraction to offer our candidates for membership into the Order, so contact them and point out the wonderful benefits that are offered by membership into the Council.

Next meeting, Feb. 18th, our Lecturer has a fine program planned. The movie "Tobacco Land" will be shown and also "How a Broadcast Is Made" featuring Fred Waring and his Pennsylvanians. I believe that all of you have listened to the Chesterfield Broadcast on the radio at 10 p. m., and it should be very interesting to note just how this broadcast is brought about. Well to find out, come up to the meeting of February 18th and the mystery will be revealed to you.

Brother Frank O'Hern is recuperating from an operation in the Norwegian American Hospital at 1044 N. Francisco Ave. Any members or friends who are out that way may drop in and visit Frank. He will be very glad to see you.

As this column goes to press, our First Forum will be a thing in history, but I predict that it was a huge success as the speaker was Professor Anton J. Carlson, and his subject one that is on everyone's lips right now, "The United States Should Stay Out of War."

This was the first forum of the new year. There will be more of them and to get a better understanding of what is happening, listen to these speakers scheduled for the near future.

The Angel of Death has called Mrs. John Brady to her eternal reward. She was the wife of Brother John Brady. To the bereaved family, may I offer the heartfelt sympathies of the Council and may God forever keep the guiding light upon her soul.

Just as a matter of record, we quote the following from the London Universe: "The first airman and first army officer to win the V. C. in this war, the first to receive a war knighthood, the first to win the D. S. O., and the first chaplain to be decorated, were all Catholics." Seems like the World War all over again.

De Soto Sponsors Valentine Night at Next Meeting

2-4 Fri. . . . . Clark and Belmont

In previous issues of this mumble and jumble of words I attempted, after a fashion somewhat akin to a Chinese puzzle, to apprise you of the entertainment setup for our next meeting, Friday, Feb. 14. Not being very informative with the hodge-podge which was jotted down as it occurred to my rather befogged brain, I opined it might not be a bad idea to get some information first hand, so I ups and calls our worthy lecturer, Joe Cella, for the dope. Being somewhat of a bashful and retiring gent, no less when you inquire as to what's on the menu for the next meeting than if you asked him for his last buck, he was a bit on the stingy side.

I did learn that on Friday, Feb. 14, St. Valentine's Day, the Valentine School of Music will aid and assist the lecturer and his committee in the presentation of Valentine night at DeSoto. It appears like I have a goodly share of Valentine matter there, but come up and get one, as Joe avers there will be one for each member attending. The institution aforementioned is providing a coterie of especially talented artists who will present several attractive and entertaining musical features and acts. It will definitely be worth your time, so jaunt up and enjoy the program.

BLOOD DONORS' NIGHT

Jot down immediately in your diary an appointment at DeSoto Council for Friday evening, Feb. 28, when DeSoto will present blood donors' night to its members. A fine program is being prepared by the lecturer and his committee in conjunction with Bro. Frank Wohlleber, chairman of the blood donor unit.

In addition to a number of other attractive features which will then be offered for your enjoyment, all members who have been typed will receive a badge or insignia indicative of membership in the unit.

FIRST AND SECOND DEGREES

On next Tuesday evening, Feb. 11, at 8 p. m., at the headquarters of Chicago Council, 64 E. Lake St., all DeSoto candidates eligible for admission to the order will receive their first and second degrees.

In order to avoid the lapse of several months between the approval of applications and induction into the order, which has been somewhat of a mistake in the past, your grand knight, Gene Scanlan, deemed it advisable to take advantage of the initiation being conducted by Chicago Council and effect the immediate admission of all qualified candidates. Therefore all members who have sponsored candidates are requested to contact the proposed member and insure his presence at the above location not later than 7:45 p. m. on next Tuesday, Feb. 11.

BOWLING

Just a reminder to all enthusiasts and boosters of DeSoto Council's bowling league that the next weekend, Feb. 7 and 8, will bring the hustling and hopeful kegelers of DeSoto to the C.Y.O. alleys, Congress and Wabash, to shoot in the state K. of C. tournament.

Bro. Irv. Schultz, hard-working, peppery and popular president of the league, informs me that thirty teams from De Soto, the largest council representation ever to participate in the tournament, will shoot in the five-man event on Saturday evening at 9:45 and on Sunday beginning at 1 p. m. the trundlers will shoot their doubles and singles. Your attendance at either of these events as a good old DeSoto booster will pep the buys up.

We understand Bro. Howard Lally recently picked up the 7-10 pin spare. Always thought this impossible, yet having played a little golf with Howie, we learned that nothing's impossible.

We have been requested to mention that the Holy Name Society of St. Alphonsus parish is conducting its second annual dance on Wednesday evening, Feb. 12, at the Aragon Ballroom. The price of admission is 50 cents per person. An invitation is extended to all friends of the parish to attend. Bro. Walter Lorman is president of this very active unit of St. Alphonsus parish and Bro. Al Even is vice-president.

A request has also been made to note the fact that on Monday evening, Feb. 10, the Evanston Elks are presenting their annual show at the Norshore Theater, 1791 W. Howard St., the proceeds to go to the Elks' charity fund. Bro. Frank Wohlleber, who is chairman of the enterprise, informs me that the affair will be a musical review together with a first-run motion picture, which is a departure from the usual annual minstrel conducted by this organization. There will be two performances, the first at 6:45 p. m. and the second at 9:15 p. m. Frank promises all who attend a very entertaining show for the very nominal admission price of 55 cents per person.

CONDOLENCE

We regret to announce the death of Mr. Emil H. Wemlinger, father of three of our very active DeSotoans and members of DeSoto's bowling league, Bros. Joe, Ed and Carl Wemlinger. In this, their hour of sorrow, we extend to them and their mother, Mrs. Mary Wemlinger, our deep and sincere sympathies.

COUNCIL ITEMS

Our congratulations and best wishes to Bro. Joe Stevens and his wife, Evelyn, upon the recent birth of a seven-pound baby girl which they have named Mary. This is their first youngster and I know they are very, very happy.

Who is it asked? Was it Frank Pikrone or Steve Summers: What happened to their old partners in fun, Mike Lane, Ben Taylor and Jack Madden, who, although being up to snuff on their obligations to the council, never seem to get around to a meeting. How about it, you fellas, do you want a gilt-edged invitation?

Hildebrand Grateful For Excellent Prizes Given at Last Meeting

1-3 Thurs. . . . 5711 W. Chicago Ave.

Our grateful appreciation to the Grand Knight for the beautiful attendance gifts awarded at last meeting . . . Way beyond our expectations, say we . . . Father Dougherty, O.S.M., our beloved Chaplain, is in New England on Novena and Missions . . . Word reaches us that some new applications are in the making, and we anticipate with pleasure reaching our goal in the present program . . . Somehow it seems slow in that particular field, but we are not discouraged as we always meet the issue and win out in the end . . . The bowlers wax enthusiastic about their spirited contests each Tuesday, and they certainly exude happiness galore . . . No down hearted or melancholy lads in that group . . . And the spectators become infected with the spirit also . . . Last week the Dean Steels showing unusual form and precision snared the entire series from the Modern Cafe, while the J. P. Ryans were on the close end of a two game victory over the O'Hara Undertakers . . . The barbecue program is ready again, and the G.K. will announce the entire resume of plans soon . . . Joe DeFilippo is making ready for an early advance on his potato and produce farm in Warrenville . . . Brother William Thompson, one of our charter members, is confined at West Suburban hospital with the flu . . . His many friends wish him an early recovery and a complete return to his former good health.

Your next chance is your best chance —join the Fourth Degree, Archbishop Stritch Class, Feb. 23.

KETTELER ASKS GOOD PARTY ATTENDANCE

2-4 Mon. . . . . 3437 Ogden Ave.

As you read this column, the big day of the CABARET PARTY and DANCE WILL BE ONLY A MATTER A FEW HOURS AWAY. It really has been a very long time since some council group has staged an affair of this kind and the L G A Club and the bowlers who are undertaking this enterprise want it distinctly understood that the party tomorrow (Sat., Feb. 8) is for the sole pleasure and benefit of the rest of the council members. It then behooves the rest of us to throw our support wholeheartedly behind their efforts and make it the success that it deserves to be. See you all tomorrow at the hall then. Don't be late!

MEMBERSHIP

Applications are coming in steadily and regularly, but it is necessary that many more be had before we have enough to put on a Third Degree. Those applicants who have been voted upon will be inducted into the First and Second Degrees at our next council meeting, February 24. Incidentally, Dr. Ursich, our medical examiner, informs us that there are many applications on file that have not as yet been examined. The proposers of these candidates are urgently requested to ascertain the reason for this condition. If a candidate finds it difficult to get to the doctor during his regular office hours, an appointment can be made to suit the convenence of the candidate.

The Financial Secretary wishes it to be known that all remittances for dues should be mailed to Frank Estis, 1925 S. Troy St. It seems that some members are still sending their dues to Bro. Frank Kosmach, our past Financial Secretary.

PERSONALITIES

After each council meeting the "Chinese Missioners" go into executive session. If you want to see some real zeal and sheer love of giving, see how these brothers vie with each other in the giving of their nickels and dimes. It is really marvelous to behold.

Bro. Joe Milas, our worthy Recorder, is still indebted to Bro. Joe Koscak, acting Recorder, and to your Scribe to the extent of one glass of ??? Ask Bro. Milas what it is all about.

There are times when your Scribe is hard put for something to write about. Any one knowing something worth printing get in touch with the writer and he will be only too glad to oblige. Maybe it is some brother's wedding anniversary, or perhaps a blessed event from heaven or some amusing incident in the complicated lives that we lead.

BOWLING NOTES

Perhaps one of the high lights of last Thursday's bowling was the rather touching tribute paid to Bro. Eddie Oakes by his fellow knights upon the assumption of the managership of the Major Recreation Alleys. Taken completely by surprise, Eddie was somewhat overcome with emotion at the display of high regard and esteem accorded him. But Eddie deserves every bit of it, and the best wishes of everybody walk hand-in-hand with him.

Among those present at the presentation of a floral tribute to Eddie were Grand Knight Gawrich of Quigley Council, Financial Secretary Joseph Nowakowski of La Fayette, our own Grand Knight Tom Bogan, District Deputy Phil Nilles, Past Grand Knight Sam White and a host of friends.

Phil Nilles Boosters won two games from Marshall Square Ballroom. Joe Koscak was the high man for the Boosters with a 576 series, while George Cummings was second with 544. For the losers, Joe Prevender rolled a nice series of 560 and "Mooney" Wenckowski garnered in 528 pins. Joe Koscak's high game of 225 won the dollar.

Luczak Lawyers went on a spree and took the entire series from Art-Bilt Furniture. V. Wegrzyn was high man for the Lawyers with 537, while Johnnie Szostek was second with 534. For Art-Bilt, Dr. Krupa was high with 511 and John Hargarten was second with 455. A 218 game by V. Wegrzyn won the dollar.

Ald. Sain Boosters took the odd game from the Peter P. Jezierny Boosters. Ray Schaber rolled a very good series of 613 and a 237 game to win the dollar. Dr. Kvasnicka was second for the alderman with 550. Harold Nowakowski was pretty good, too, rolling 570, while Al Ivanski was second with 508.

Bil-Mar Tavern, the league leaders, also won the odd game from Tomera Range Oil. Myles Dolan sparked his team to victory with 533, while Tony March rolled 480. For the Oilers, Stanley Nixa was high man with 543 and V. Laskowski was second with 523. Myles Dolan won the dollar with a 203 game.

Stanek Press had little difficulty taking the St. Paul Federals for two games. Ray Suchocki was high man for the Pressmen with 548, while Roman Kujawa was second with 510. For the Saints, Frank Kosmach was first with 503. Steve Dusek was second with 489. Ray Suchocki won the the dollar with a 201 game.

Fidelity Electric had to extend themselves to win two games from the last place Judge Drucker's team. Eddie Plewa rolled a high series of 620, while E. Wojtanowski turned in a nice 596 series. For the Judge's team Dick Martin rolled 580 and Carroll rolled 541. Eddie Plewa won the dollar with a 226 game.

Bukowinski Boosters' long winning streak was broken by the Bona Drugs, who won two games. For the Druggists, Leo Bona was high man with 583, and Al Bona was second with 578. These Bona boys make a tough pair to beat. Wally Wisniewski was high for the Boosters with 589 and M. Bukowinski was second with 563. Leo Bona's 257 game was plenty good eonugh to win the dollar.

Cobbsie's Open Door finally swung open and they won two games from Fruzyna Boosters. Eddie Ciolkowski rolled 521 for the winners. For the losers, Edmund Bulat was high with 555 and George Gersch was second with 526. Eddie Bulat won the dollar with an even 200.

Sixty of our bowlers have signified their intention of making the trip to Indianapolis to the National K. of C. Tournament. Any bowler or any member of the council desirous of going along notify Pres. Stanley Kasperski or the secretary within the next two weeks.

Family of 19 Children Gives the Lie to Claims of Moral Decadence

Chicago.—Mike Latorra decided early in his married life that he was man enough to take care of whatever family God would be good enough to give him and that he would never have to rely on charity or relief. And Mike meant it! Today Mike and his good wife, Rosa, are the parents of 19 children, probably the largest Italian family in the United States, and the Latorras have yet to spend a day on the relief rolls.

Mike always has managed to support his children, though his weekly income has hardly ever passed the $20 mark. Until recently, when some of the children married, Mike figured that the family used 5,638 gallons of milk, 400 pounds of spaghetti, a ton and a half of pork, over 5,000 pounds of flour, and 700 dozens of eggs a year. Supplying this on $3 a day was almost impossible, but Mike did it by selling surplus vegetables from his truck garden, and he finished every fiscal year without debt. It cost about $16 a month to keep a roof overhead, $25 for clothes, doctor bills, drugs, and gas for the truck. The rest went for groceries, etc.

The story of Mike and his wife, Rosa, is a tale of hardship and faithful perseverance. About 1920, Mike gave up the excavating business and bought a 50-foot lot. On this he built a 14-room house, leasing 66 acres nearby for his truck garden. In this he planted tomatoes, peppers, and green beans. He began to raise chickens.

In 1921 only 11 of the children were around to feed, and the firstborn was only 13 years old. With no big sons to help out, Rosa worked in the fields whenever possible. Mike got a job in the Milwaukee railroad's repair shop and for seven years he held down two jobs—repair man and truck farmer. He simply had to do it to keep the children fed.

Most of the time he got a scant two hours' sleep. He was making under $20 a week at the shop, and many winters the family lived on spaghetti, bread, butter, and milk. No one complained, and all remained in good health. Spaghetti, flour, sugar, and salt had to be purchased, but Rosa canned 600 quarts of tomatoes, 150 jars of green beans, and eight bushels of peaches and pears in one season, besides doing most of the cooking and baking. Baking every other day, she used over 100 pounds of flour a week.

Mike later took over a job at $30 a month on a forest preserve. Without the truck garden, the family could not have survived. Thirteen hogs, each weighing 300 pounds, were butchered, and there was a cow that gave two gallons of milk twice a day.

Rosa buys clothes for her family in large quantities, getting overalls, shirts, sox and underwear by the dozen. When she sews, Rosa uses entire bolts of material.

Mike, now 61, still looks like a young man, and Rosa at 56 still does her share of the work in the big white house.

CHICAGO MAN SUPPLIES FONT OF GAELIC TYPE

Chicago. — The editors of "Novena Notes" scoured Chicago, the printing center of the world, for Gaelic type and were unable to find it. They finally discovered it in the home of Robert O'Reilly. Six years ago Mr. O'Reilly heard an address in Gaelic and was deeply impressed. He took a course in Gaelic in Chicago and later spent five years in Erin, where he lived in Gaelic-speaking districts. He returned from Dublin with a font of Gaelic type.

HEN.-SHIELDS' PARTY SCHEDULED FOR WED.

Feb. 12-26 . . . . . 446 N. Parkside Ave.

For the last time we call your attention to the Lincoln's Birthday Educational Party which will take place Wednesday evening, Feb. 12th. The officers and the Lecturer especially, want to see a full house. Most everybody likes to play bingo or bridge, so why not expend your efforts where they do the most good?

Ray Corris, the expert wheeler from Feehan Council, will be present to assist Lecturer Cash in seeing that all numbers follow each other in their consecutive order. Door awards will be distributed for good looks and your presence at the party. The contribution for the benefit party is fifty cents per person per each. It is not a big contribution but you will have a lot of fun. Next Wednesday evening is the time and we hope to see you in person.

BOWLING

Costello & Son Boosters kept their hold on first place by winning two games from the Harwood Florals. The John J. Hayes Stores for Men took two games from the Ed J. Riley Insurance Writers. Foley's Grill won two from the Fogerty's Men's Wear and the Frank M. Hayes Barbecues won two from the Gallagher Plumbers. Good shooting for the evening was done by Ray Foley with 201, Hickey 205, Butler 204, Gould 221 and Shealy 206.

SYMPATHY

Our sincere sympathy is extended to Bro. Martin Moylan in the recent loss of his father, Mr. Patrick Moylan, whose funeral was held last Friday at St. Nicholas of Tolentine Church, with burial in St. Mary's Cemetery. May his soul rest in peace.

THE SOUNDING BOARD

By an accident of date, February 12th, when the council is holding its Educational Benefit Party, is also the thirty-sixth anniversary of the installation of General James Shields Council, the other half of our council name. The enthusiasm and hope that fostered the beginning of Shields Council still lives and will continue to brightly shine in the future as it has in the past.

Gerald Griffen, one of the founders of the Catholic Actors' Guild of America, and a member of our council, has written a new song entitled, "I Talked with God," published in New York by the Remick Music Corporation. In commenting on his song Bro. Griffen says: "In these days, in a world of chaos and economic hardship, I believe there is a definite need for such a song. Possibly, if people 'Talked with God' a little more conditions might be a little better." Bro. Griffen is right. If people followed the Ten Commandments and the Gospels as a design for living, present day conditions would not exist.

Most people are honest. It is the few that are dishonest that make us suspicious of the whole works. G'bye.

Newman Members Get Last Invitation to Join the Fourth Degree

1-3 Thurs. . . . St. Mary's Hall, Evanston

We wish to thank Joe Flynn for his masterful handling of the job as scribe last month.

Any member who wishes to sign up for the fourth degree and who has not already done so, see PGK Dr. E. J. Hynes at once. This is your last chance.

The Rev. Father W. J. Mockenhaup, pastor of St. Nicholas Church, invites the council to join with the Holy Name Society to receive communion and attend breakfast at the school hall after the 7:30 mass on Feb. 9. Federal Judge Campbell will be the speaker. This will also be an opportunity for candidates for the fourth degree to have their communion certificates certified.

The officers of St. Nicholas Holy Name are: Bones Nellessen, president; James Breen, treasurer, and Dan Hayden, secretary. (As usual, it takes the Irish to lead the Dutch.)

DGK Wally Gehant has been appointed A. and S. A. chairman for the Public Service Co. This office has charge of the educational and entertainment programs for the company.

The council wishes to congratulate Bro. Joseph Kehoe upon his promotion as executive manager of the Public Service Co.

Bros. Geo. Hebson and Bill Connor have prominent parts in the Elks' show at the North Shore Theater Feb. 10. PGK Frank Wahleber of De Soto is busiess manager of this show.

Don't forget the meeting of Newman's Glee Club Wednesday evening!

On our sick list are Bros. John Fairbee and Walter Kerr. Bro. Jos. Schaefer has written he is seeing California from a rowboat. Has just left San Francisco for Los Angeles. Wants to know if the council is being fed.

We will hold a Bishop Magner night at the meeting of March 6. This meeting will be devoted in a small way to show our love and esteem to the finest chaplain any council has ever had. A kind counselor in all things temporal and spiritual, a devoted Knight of Columbus and a true shepherd in the vineyard of the Master, we should all be on hand to pay tribute to our beloved chaplain.

Schaefer Undertakers won three from Alten Mortuary; Evanston Bev. won three from Menkes Westmore; Bell Insurers won two from Davis Candies; Ridge Cleaners won two from Corcoran Lawyer; Hebson Boosters won two from Smith Excavators; Zicco Clippers won two from Geo. C. Weilands; Fitzgerald Boosters won two from Frank and Harrys.

B. Nellesen finally found his way into the 200 club. He rolled games of 234 and 204. Other 200 or better bowlers were R. Nilles, 226; H. Polletti, 217 and 202; T. Feeley, 214; J. Zera, 211; A. Zera, 211 and 209; W. Connors, 207, and J. Krejci 201.

On Sunday, Feb. 9, Ouilmette Council will send five teams to the Main Recreation Alleys to challenge five teams from Newman Council. Time: 2 o'clock. The date for our trip to Indianapolis for the national tournament is March 29. The secretary has been requested to send in the reservations as soon as possible. Will everyone intending to make this trip turn his name in to Jack Wiltjer as soon as you can so he can cooperate with the national officers? Getting everything in shape for a trip like this is quite an undertaking, but if everyone will help it can be made very simple.

Team standings to date are: Evanston Beverage and Geo. C. Weilands tied for first place; Ridge Cleaners and Frank & Harry tied for third place; Hebson Boosters and Schaefer Undertakers tied for fifth place while Zicco Clippers are in seventh place and Davis Candies and Alten Mortuary are tied for eighth place. Corcoran Lawyers and Fitzgerald Boosters are tied for tenth place; Menkes Westmore and Bell Insurers are tied for twelfth place. Smith Excavators are in fourteenth place.

St. Augustine Host to South Division No. 1 on Monday, Feb. 17th

1-3 Mon. . . . . 5209 S. Justine St.

Our next meeting Monday, Feb. 17, will be short and to the point. Members are requested to be present at 8 p. m. sharp because First and Second degree initiations will follow immediately. The first two degrees will be conferred not only on candidates of our Council but on candidates of all councils in our division. This means that a goodly number of visitors will be present and we ask that you make arrangements now to be in on the fun. There will be refreshments and all in all it looks like a big night.

Another feature attraction on our social calendar is "Home Talent" show. Any member who has a talented offspring should get in touch with Lecturer Joe Ossowski by phoning Republic 4633. Let us see what your son and daughter can do.

BLOOD DONORS

While our own little Blood Donor group is small, it is not insignificant. Last week Bro. John Kolmodin became the first donor to function directly from our council. The recipient of his blood was the mother of Bro. Frank Drews. This act of charity by Bro. Kolmodin signifies the good that can be done. We congratulate you, John, for being the first of us to give your blood.

We are awaiting complete reports before giving you the results of our Retreat and Snowball party. As for the former we can state that some 32 members attended and returned better men. And as regards our recent party we must await the figures from Fin. Sec'y Al Labuhn, who in turn is awaiting retunrns for tickets used at the door. A word to the wise is sufficient.

TEN PIN TAPS

Led by Sutterlin 636, Leitzen 564 and John Ossowski 584, the Dutchman Tavren swept three games from Bonthron Service. Dubrock's 628 and Mittlers' 578 were high for Bonthron.

Andy Foertsch was in rare form as he led the Ted Kloeckner Florists to two wins over the McCabe Boosters. Dan Burke and Frank Putz led the McCabes.

Peter Schaack was "on" last night so Mack Bros. won the odd game from the Schaefer Barbers who were led by Charley Subr.

The Heinen Morticians turned on the heat as they won two games from the Puetz Meat Market. Elmer Weingart, Al Labuhn and Ed La Prise pased the Puetz attack.

MADONNA TO COMPLETE DONOR TYPING TONITE

2-Thurs. 4-Fri. . . . . 4522 Wallace

Tonight will be Friday night and as usual the weekly card party will hold forth at the clubhouse. But it will differ slightly (?) from the regular gathering, for F.S. John Pollick is planning on having a couple of nurses from St. Bernard's hospital on hand to complete the typing for Madonna's Blood Donor Group. Within the past few days all of you have received notice of this occasion so here's a beautiful opportunity to have a little fun, beer and blood-letting. Let's get it done with one full swoop (whatever that is) and besides the're both blondes.

LAST WEEK

Eight Madonna knights were invested with the Third Degree and they're all here to tell of it. Tom Carmody, Frank Jackson, Howie Meagher, Harold Storie, Bill Cassidy, Pat O'Brien, Gerald Finnegan and Leo DeRuntz, all thought it was great. Each of them is an extremely active member which is fortunate for us—they're news! Keep it up men.

Quite a crowd of the members were on hand to watch Madonna's contingent. John Goldrick took the day off from work to see his candidates go through. "Jerry" Finnegan's dad who is an honorary degree member of Dowling got a lot of pleasure watching his offspring get the works.

THE GOLDRICKS

Are news this week. They lead the list of Year-In-Advance Club with Father Tom, and Brothers Mike and John. Along with them are D.D. Pat Noonan, Harry Watson, Tom Carroll, Richard Begley, Martin Barrett, Mathew Queenan, and Stanley Dwyer. This raises the total for the month of January to sixty-eight, which kicks the gong.

It begins to look like the goal of a hundred members by April is going to be reached long before the tulips stick their necks outta the mud.

Pollick just received a fresh batch of Siberian Skunk skins so's he can make the card cases. He didn't have any room at his place so we stored the skins in our basement. We've a lotta wealthy neighbors, all right, everybody in the building left for Florida next day. There must be a dead mouse in the walls somewhere, we're going to raise 'ell with the landlord.

LAST SATURDAY

Under the skilled supervision of Sec'y Howie Flanigan, the bowling league held their informal You Lie About Your Game get-together at the clubhouse. We haven't had any sick calls yet, so it musta been good.

LOOK-LOOK

	W.	L.	Avg.
Boyles' Solons	20	16	887
Hermes Boosters	20	16	880
Duffy Florals	18	18	883
O'Connell's Jurists	18	18	872
Doodys' Garage	18	18	857
Miller Banker Coals....	14	22	870

Nope, the type didn't slip in the won-lost columns, those are the actual standings. Ed Barry got back in stride with 230—569, but the Duffy's were able to win only one game from the Hermes who refused to let the Boyles shake them off. Jimmie McGrenera with 527 paced the Hermes. Bob Fitzgerald returned to the wars and led the O'Connells to two wins over the Doody's, while Jim Parrish was high man for the losers.

In the other set, the hapless Millers again encountered a hot team in the Boyles, losing the first game, 940-938, then coming back to split the last two. Jesse Folks started with 219, finished with 199 but missed his chance for high series when he sandwiched in a 149 game in the middle. Modesty forbids our mentioning who led the Boyles but Morrison, DuBray, Kenny and McGrath also performed creditably to give their team 2723 high series for the night. (That mysterious lad must've been Howie). He certainly worked hard on the bowling party, what a cook! Girls, there's your chance.

FEBRUARY 9TH

That's Sunday isn't it? Of course, you dope, it's the date of the mixed doubles at Ray Schalk's Bowling Alleys. And after the maple knocking (girls—no formals while bowling—please) the gang will repair to the clubhouse to mix with the rest of the boys and gals. Dancing, eats, and jackal juice, fifty cents for four feet.

WE HAVE TO

Hand it to Ye Eminent, Ed., who can take it like a (French)man. We waited for weeks for him to yell for five bucks instead of five dollars, and then we give 'em the business. Next day we received a beautiful little gift from him all wrapped in white tissue with red ribbon and silver seals (Mrs. Ed's work we'll bet). After soaking it in water two hours (it coulda been a bomb) we opened it, found the five food cruchers, samples of tooth paste and a sizable chunk of alum which looked pretty good for pegging.

We quickly perceived its commercial value though: Alum, you know, puckers the mouth if touched to the lips. So far we have collected $23.75 from the shy lads who thus feed their girl friends our "rock candy." Pretty good investment for five bucks, eh?

St. Anthony Has Good Cause for Pride with Membership Quota In

1-3 Thurs. . . . Schiller & Gustave

If you should see any of the members of the Membership Committee walking around with their chests thrown out, there must be a reason. There is, and how! St. Anthony de Padua Council is on the nation's Honor Roll for having secured its entire year's quota within the last six months. Nice going, fellows. Let's give them three cheers, and better still, let's give them our cooperation so that in the remaining five months of the fiscal year we may double that figure. It can be done if we try.

In the recent major degree exemplification at St. Phillip's gym, four of our boys were included in the very large list of candidates. They were Richard Maley, Dominic Palmere, H. D. "Stub" Edwards and Paul Kearney. We are all proud of the way they conducted themselves.

Some of our members who attended this exemplification were: Grand Knight John Deignan. F. S. Ed Scheitler, rec. sec'y; Gene Flynn, Mike Flynn, Ed Barton, Joe Broker, Charlie Maley, Joe Capato, Ralph Gohrsch, Tommie Doyle, John Boris, Alex Asta and your truly.

This is the last call for candidates to the Fourth Degree, which will be exemplified on Sunday, Feb. 23rd, at the Palmer House. See Bro. Ed Scheitler at once and make the necessary arrangements.

Washington Council will sponsor a First and Second Degree on Tuesday, Feb. 18th, in the Odd Fellows Hall, 5th Ave. and Washington Blvd., Maywood. The degrees will start promptly at 8:00. Grand Knight J. J. Ryan has invited us all to attend.

We are sorry to hear that Bro. Frank Schulze has been confined to his home with a throat infection. We hope that he has fully recovered.

Thought for the week: "Good News is Paid Dues."

Barry's Scribe Job Open; Incumbent Enlists in Army

1-3 Tues. . . 2856 Washington Blvd.

WANTED—Council member, 18 to 60 years of age; fill position as Scribe for Council column in The Columbian. Present scribe leaving city on or about March 5. Applicant (s) please call Nevada 0304 or write Barry Council, 2856 Washington Blvd.

There brothers, is a real opportunity. You will notice we take in a wide range of age so that somewhere along the line some good member might volunteer to take up the torch and carry on in this work. All that is required of the scribe is that he run around to bowling alleys, softball fields, meetings of all kinds, etc., then sit himself down on any Monday night and write his findings. It is a great indoor sport.

It is also stated that the present scribe is leaving the city, that is why this call is a cry of desperation. It is a must, that we find the man to assume the duties. The bowling information writer, Brother Frank Owens, wishes to continue only writing the pin gossip, wanting no part of the rest of the events that must be recorded. We put the word "applicants" in the singular and plural. There is a little irony there. If only one good brother would volunteer it would solve everything. Won't someone please answer our plea? The hours are short and the work is pleasant.

BLOOD DONOR GROUP

We cannot tell you the result of the last meeting because of the deadline, but at the previous meeting, plans were set to type as many as volunteered for the Blood Donor group in Barry Council. Let us make this a major activity in the council and we ask that every man express his willingness to be typed so that his brother member and members of his family, will not have to be denied a blood transfusion when the emergency call goes forth.

NATIONAL HOME DEFENSE

Commander Paul Branks of the Commodore Barry Unit, National Home Defense, is making plans to hold a get-acquainted meeting of the Unit, Friday evening, Feb. 14th. Colonel Edmund Burke, of the Home Defense, will be the principal speaker. Mr. Burke is a noted lecturer and will tell the story of the organization of this patriotic group. Also on the program will be a crack drill squad which will give a smart performance of drill routine. All members of Barry Council are invited to be present at the clubhouse, 2856 Washington Blvd., on that night. Set that date aside now, so you will not forget.

IN MEMORIAM

We extend sincere sympathy to the family of Brother Joseph Breen, who passed away during the week. Brother Breen was a member of our council for twenty-three years and until a few years ago was a regular attendant at meetings.

BOWLING STANDINGS

Last week little Jack's Restaurant won two games from American Airlines. Louis Rosenmayer was high man for the eatery with a 217 game. Jim (Ten-Pin) Landrigan topped the members of the A.A. with his 172 game. Capt. Tom Murphy's United Airlines took two from Midwest Auto Service which cut the latter's lead somewhat. Don Masciola was high for the victors with 184. George Minick led the Service with 223. The De Mares Coals received a setback at the hands of the Senator Keanes dropping two games to the Solons. Charlie DeVito did the most damage having high game of 205. Capt. Joe Crowley led De Mares with 199.

You are urged to fill up your books as rapidly as possible so that returns can be made at an early date. Remember it is not so far away until the Barry Special will be leaving for Indianapolis and the National K. of C. bowling tourney. Barry's dates are April 26-27. And don't forget that party the boys will hold later on this month.

The Century Club is responding nicely. Another list of members will appear in the next issue. Don't forget the exemplification of the Fourth Degree, Sunday, Feb. 23rd, at the Palmer House.

Are you a Fourth? Attend the exemplification banquet, Feb. 23.

RIDGE IN PRE-LENTEN CARD PARTY, FEB. 18

1-3 Tuesday . . . . 8219 S. Halsted St.

Ridge Council will hold a pre-lenten party at our next meeting Tuesday, Feb. 25. Refreshments and cards will be offered, and you are urged to invite a guest or prospective member. The officers hope for a large turn-out.

BOWLING

On last Sunday, Feb. 2, Ridge Council bowled in the single and double events at the C. Y. O. alleys and did themselves proud. Brother Matt Thometz, at the end of the evening's events, stood in 12th place in all events with a score of 1868, which is a lot of wood and should get him up in the money, also W. Barry 1838, J. Burke 1816, and G. K. Hallstein 1778, which was below his par, due to a heavy cold and a cumbersome sweater. A complete account of each man's standings will be found on page 12 of this issue.

The Perez special, which will carry the Ridge bowlers to the national tournament at Indianapolis, leaves Saturday morning, April 5. Anyone wishing to join the party at an approximate cost of $11.00, may do so by contacting Brother Mike Feyerer. From all reports heard of previous tournaments, you will not lack a good time.

HEARD ABOUT TOWN

When Fred Geiss and John O'Neill turned the clippers on Mike Feyerer and Smitty, they must have clipped too close and aroused the bowling instincts of these two, for from the tale of these scores they will be looking for charity from now on. Feyerer, 199-167-172-538, Smitty, 133-187-163-483. Total 1021. O'Neill, 137-136-142-415; Geiss, 140-140-124-404. Total 819; 202 compared to 66 pins last week. Who wants a handicap now? Just to give O'Neill and Geiss revenge, the boys rolled one extra game; losers to set up refreshments. Feyerer 198, Smitty 189, O'Neill 148, Geiss 128. No revenge there.

The ladies, knights and members of Ridge Council attended the basketeers' party at Perez on Jan. 25, and had a grand time. Two of our new members, Brother George Fitterer and wife, and Jim Landgraf and friend, were present and really went to town.

John Shem, the "iron-molder," squiring Fitterer's sister-in-law at the dance and other places lately; how serious is it, John? Matt Thometz with his face all shiny and his nose all aglow, caring not at all, and having a grand time doing it. How about the girl who lost track of her escorts and asked her little son what became of them, some party, eh Loretta? How about the green hat, "Bee"? Bud will buy you a new one after the next meeting, when he sits in to teach the boys how to draw them.

Don't forget Ridge's cabaret party on Saturday evening, May 24, at Perez clubhouse. This little announcement just leads up to more about this later on.

Ouilmette Bowlers Do Right Well with Maples in Tournament Battle

2-4 Mon. . . . . 1215 Wilmette Ave.

The turnout for our quarterly Holy Communion last Sunday was very commendable. If I counted right there were eighty-five of us that received in a body.

Our trip to the 21st annual K. of C. state bowling tournament was highly successful. When we left we took seven very happy boys with us. Among these seven we now find Bro. Larry Schaefer to be the happiest because he and the team he bowls with and also sponsors under the name of Larry's Haberdashery had managed to shoot 3077, which at that time was good for second place.

Those on Larry's team include Leo Gallo, John Froelich, Pete Engels, Lefty Steffens and Larry himself. All of them bowled well. The other two lucky and happy guys were Bro. Freddy Ludovice and Paul Weiler, who rolled 1307, which was good for second place in the two-man event.

Don't forget the match with Newman Council at the Main St. alleys, Evanston, next Sunday afternoon.

DANCE PARTIES

So sorry that I had to miss the biggest part of our last meeting, and thereby missed the plans, etc., of the proposed "ladies night," which will be held tomorrow (Sat.) night at the lodge hall. It's supposed to be a gala, super-colossal affair, carefully arranged by Trustee Tom O'Rourke. There'll be loads of fun, so bundle up the wife or sweetheart, and come and raise cain.

You are also reminded of the bowling league dance, which will be presented Feb. 24 at the Bungalow Tavern. This is our regular meeting night, but the meeting will be suspended and no notices will be sent, so remember, no meeting Feb. 24. Just attend the dance at the Bungalow. We will have a regular meeting next Monday night at 8:15. Plan to attend and learn the facts from "one who knows."

One week from today, Friday, Feb. 14, to be exact, will be St. Valentine's day and each one of us has someone to remember on this day. Now let me give you a couple of suggestions. If it's candy she likes (what girl doesn't?), why don't you run over to Bro. Leo Menghenelli's confectionery? You know it's the one right next to the bank in Wilmette.

He's got the finest selection of those heart-shaped boxes and other beauties that will catch your eye and fit your pocketbook, and the boxes are filled with nothing but the choicest of candies. "Mac," as Bro. Leo is better known, is kinda new in the council, and if you don't bowl, he's likely not to know you are a K. of C., so then just tell him and watch him fix you up.

You may prefer to give flowers. If such be the case just call up the West End Florist and you'll see how swell Bro. Ed Hoffman will take care of you. It'll be good to remember these two brothers.

The parents of two of our brothers celebrated memorable wedding anniversaries last Saturday. I refer to the silver anniversary celebrated by Mr. and Mrs. Walter Tobin, parents of Bro. Wally, and to Mr. and Mrs. John Schinler, parents of Bro. Tony. By the way, Tony's wife is well on the road to recovery now and let's hope she stays on it.

I saw Bro. Tony Marini today and asked him how come he missed the last meeting and its subsequent games. (Tony very seldom misses you know.) He said that he wanted to go very much and see the fine program of sports we had planned, and the Mrs. wanted to go to a dinner, but he put his foot down and she went, so, he took care of the kids. But we'll all see him next Monday night at our next meeting.

Ravenswood Gives Pat on Back to the Donors Who Have Offered Aid

1-3 Wed. . . . . 1521 Wilson Ave.

Since the pore little groundhog didn't see his wee shadow last Sunday, it is not a bit too early for ye scribe to feel the symptoms of an approaching attack of spring fever, is it? A few might call it laziness that keeps the writer from digging up piles and piles of news, but methinks it's just tiredness.

Last week you were told that this week a few words would be spoken for those of our brothers who were willing, even anxious, to help during the last three-week period when we had so much need for blood donors. It isn't entirely fair that those who were unable to donate because of circumstances beyond their control should not be praised as much as those who were able to and did.

For one call three of those who volunteered were not taken. They are Dave Heelon, a hay fever sufferer, and Ed Moorman, who just recently had an attack of pleurisy. Another call found Dick Kenney, who had been holding himself in readiness, confined to his home with a severe cold and according to the latest word he still is unable to go to work.

There may have been other members of the council who have been rejected or who have given transfusions that I have not heard about. If so, it is the honest wish of this column that we may be able to write about it. There are other fellows on our donor list who are not in the best of health and were not asked beccause of that reason, and still others who have given blood so recently that it wasn't advisable to ask them again.

Recorder Barr and D. G. K. Mike Citti are two that recently donated and Joe Grady, Sr., is on the list but has been bothered by recurring sessions with the flu bug. I havn't all the records with me, so someone might have been overlooked. If so, they have been done an injustice which I hope I may have the opportunity of righting.

Your writer believes that he did not mention some weeks ago that Advocate Earl Stewart was the first one to be used when donors were needed for Mrs. Stewart.

Mrs. Stewart still is in the hospital and insofar as is known, her condition remains unchanged. Bro. Ben Sullivan's condition is much improved. He will be leaving Ravenswood Hospital this week and will return to his home.

Brownson Promises Strong Finish in Membership Drive

2-4 Fri. . . . . 4754 N. Western

As followers of the ponies well know "a driving finish can often make up for a slow start." And that is just what our membership chairman, P. D. G. K. Frank C. O'Connor, hopes to do. For months Frank has been busy dividing the territory in which our members live into ten districts, with a team in each, and a captain in charge of each team. Last week each captain and the members of the team received from Frank a letter outlining our membership drive and asking for cooperation and assistance to help complete our membership quota of forty new members by June 30.

Frank has also asked your scribe to use the medium of the Columbian to ask the help and cooperation of all our other members, who are not on the various teams, to assist us.

In nearly sixty years of its history our Order has produced organized effort in the field of charity, fraternity and patriotism that will remain for all time an honor and glory to Catholic unity. But never before has there been such a need for the ideals embodied in Columbianism. There cannot be passive resistance to the evils of this day. Rather, like any army, we must constantly recruit our membership to its fullest possible strength. The object of point 5 of the program of progress is to maintain the membership of each council at a level which will guarantee the effectiveness of its work and make Columbianism a potent and worthwhile factor in Catholic community and national life.

In the past Brownson has always rallied to the appeals of both supreme and state councils, and we intend to now, more than ever before. If our members would only stop for a moment and recall the wonderful lessons taught in the first and second degrees that spirit of true knighthood would soon be rekindled and our task made easy.

During this drive the initiation fee has been lowered and the re-entrance of former members made easy. A first and second degree will be exemplified in our council chambers at the first meeting in March, and others will take place each month in neighboring councils, so that no applicant need wait more than thirty days before receiving his degrees. So, brother knights, if Brownson is to be entered on the Order's honor roll it's up to all of us.

CATHOLIC PRESS MONTH

February is Catholic press month and as Catholic laymen and especially as members of a fraternal society having available the machinery of organization and the opportunity to use it we should make it our business to support the Catholic press. Our motto should be "Read—Spread—Subscribe to the Catholic Press."

FOURTH DEGREE

Four of our third degree members have already filed their applications to take the fourth degree on Sunday, Feb. 23, and we're sure that if more of our members would read the appeal of Past State Deputy and Supreme Director Michael J. Howlett that appeared on the front page of last week's Columbian, more would join them.

Applications can be secured from F. S. Wm. Erwin and must be in by Feb. 17. Fourth degree members are again asked to contact P. G. K. Charlie Lannon if they plan on attending the banquet or will be in attendance in our reception room.

BOWLERS DANCE

Saturday, Feb. 7, is the big and long-looked-for dance given by our council bowlers at Gross Park hall, 2123 Roscoe street. Tickets are 35c and if you have not already secured your tickets you can still get them at the door. If you find it hard to attend meetings to meet your brother knights, do so at the dance. They will all be there.

The gasoline consumption per car for one year in the United States is about 650 gallons.

DAMEN'S DINNER DANCE IS TOMORROW EVENING

1-3 Thurs. . . . . 6 N. Hamlin

You're coming, aren't you? We hope you are. We want to see you at Damen Council's thirty-ninth Anniversary Dinner-Dance in the main room of the Midwest Athletic Club, 6 N. Hamlin Ave., on Saturday, February 8. Even if you have not made reservation, come anyway.

You know all about the floor show, the favors, the dinner of nine courses, the music, the dancing and the congenial company. So there's nothing to keep you away. Come and be with your friends Saturday evening.

THE MERRY MEN

A report of Damen Council's Bowling League scores by Secretary M. McGinnis:

Another night of bowling has been added to the Damen records and despite four teams improving their average, no dent was made in the League standings. Four teams, including the two leaders, won two games.

The Stack Typewriters won two games from the McMahon Undertakers, both close ones, only six pins the winning margin in each game. W. Page high for the Typists with 498. W. Hopkins high for the McMahon's with 522.

The League Leading Cassidy Tires won two games from the Tailenders, McEnery Realtors. Al McGuff showing some of that "ole" N. D. spirit to roll like an inspired demon, was high for the Cassidy's with 553. E. Klein high for the McEnery's.

The John Gormans won two games from the Kelly Couplers. The two "C's," Cullen and Cooney, were the winning battery for the Gormans, who won the first game by ten pins and the last by two pins. The New Indianapolis Doubles Champs, Speyer and Kulisky, collected 586 pins each for the Kelly's.

The Brown Plumbers with the addition of a new Damenite, Mr. Hickey, beat the Reliable Credit two games. Tiny Tom Brown was high for the Plumbers with 517. Bill Sloan's new Christmas present was also a big factor in the Brown's twin killing. E. O'Toole was the lifesaver for the Creditmen staving off a whitewash.

THE STANDINGS

	Won	Lost	Avg.
Cassidy Tires	30	18	767
Brown Plumbers	29	18	783
Kelly Couplers	27	21	778
Stack Typewriters	23	25	757
J. J. Gorman's	22	26	767
Reliable Credit	22	26	758
McMahon Undertakers	20	28	755
McEnery Realtors	19	29	750

This humble reporter took quite a ribbing from some of the bowlers due to your touching item of about two weeks ago. You know—the week you lost the Bowling Notes. It seems the following items were omitted from Damen's Notes in The Columbian of that issue:

Tom Foy shot his highest series since joining Damen League—538 pins.

McMahon Undertakers had upset all the dope by winning all 3 games.

Tom Stack had advanced from the 135 average class to the next highest bracket of 136.

Wm. Page rolled the highest game of the year to date—256 pins.

John McMahon has a new title since last Sunday's Tribune made its appearance. It's now "Downwind" McMahon. (Get it, John—see Smiling Jack Comic Strip.)

Will mail you the duplicate copy of Damen scores in the State Tournament Sunday evening. Please save the same for me and bring them to the next Damen meeting Thursday evening at what stacks up at the present writing to be a big bowling meeting. Don't miss the fun.

STATE TOURNAMENT

With a large gallery of about twenty of Damen's fairest, the bowlers showed their respect by rolling very nice scores. They gave the ladies plenty of chance to use their vocal chords.

Cassidy Tires had one game of 985 and series of 2903 with the aid of a 210 by Kuhter, a 212 by Bowler, 222-603 by Marti.

Brown Plumbers totaled 997 in the third game. Tom Brown had 212 and 214 while Parke Brown got 233-208-621.

Kelly Couplers' high game was 944. Joe Kulisky hit 200-221, John Speyer 236-223-640 and Reithal 206.

With 957 for high in the second, Jim Crowley had 201-212-588 and Kieran Phelan 209, in spilling the wood for Reliable Credit.

Stack Typewriters went to work and Pat Stack turned out 214, Tom Stack 227, McCann 228 and 222 for 607, and Wm. Page 228. High game was 982.

McMahon Undertakers were Henningsen 202, H. O'Connell 221-594. Best game was 949.

John J. Gorman's had Tom Cullen picking up 200 and Walter Fitzgerald 221-596.

E. Klein went to town for McEnery Realtors with 217-232-216 for 665 and left the rest of the gang far behind.

St. Joseph's Scribe Hits One of Those 'In Between' Weeks

1-3 Thurs. . . . . 57th and Archer

We understand that last Sunday was the usual bowling Sunday, but due to the fact that we missed the last meeting we did not know at what place it would be, hence the reason for it not being in these columns.

Since there has been no meeting for three weeks, news is somewhat scarce.

Beginning on Friday, Feb. 7th, is National Boy Scout Week. Local scouts will take part in this celebration by appropriate ceremonies. Tonight and tomorrow (Friday and Saturday) there will be a public Merit Badge exhibit which will take place at the Hudson Showrooms, 6115 Archer Ave, through the courtesy of Mr. Peter Paganelli, who showed the same generosity last year.

On Wednesday, Feb. 12th, there will be a public Court of Honor at the Community High School beginning at 7:30 p. m. To both of these events, everyone is invited. Our council has previously shown its interest in the Boy Scouts and it is hoped you will evince interest again by being present.

Next Saturday, Feb. 8, St. Joseph's Holy Name Society will sponsor its annual dance for the benefit of the church at Agnes Ballroom, Archer and Rockwell. By being present you will be helping the church and at the same time assuring yourself of a pleasant evening of enjoyment.

Oak Park Concentrates on Anniversary Party Scheduled for March

2 & 4 Mon. - - - - - - 641 S. Scoville

The next meeting of Oak Park Council will be held at the clubhouse on Monday, the 10th. There will be a large crowd of the members up on that night for more than one reason. Many of our fellows are just awakening on the proposition of the 30th Anniversary. Besides that the little barrel of mystery still is trying to call out the number that sends some member home very happy.

Everyone should buckle down to the task of putting our thirtieth anniversary party over with a real bang. Get your reservations in early. Get your ads for the program in the hands of Joe Cagney as soon as possible. This is really going to be an affair that is an affair. Help all you can. You are invited to sit in with the committee handling the affair on next Sunday at 11:00 at the clubhouse. Here the 30th Anniversary Program Committee and the Building Association and the officers of the Council will meet for the purpose of ironing out the loose ends in connection with the arrangements.

So far the response has been very gratifying and the Grand Knight, the Deputy Grand Knight, the Lecturer, and the many others who have been working for the success of the affair, once more extend an invitation to those who can help in the program to turn in their names.

Now for publicity. The best way to advertise is to show a little enthusiasm yourself. Think, eat, talk this affair. Remember the place is the Carleton Hotel in Oak Park, the date is the 15th of March, just after you have filed your income tax. The price is $1.50. The affair will consist of a dinner dance and floor show. You, and you alone, can make this the finest affair that Oak Park has seen in many years. Do your part.

Having been out of town your scribe begs your indulgence. Last week's copy, written by a real writer of the Council, our own Bill Schaefer, got tangled up in the mails and arrived beyond the dead line. You'll see more columns by Bill later.

RETREAT MEETING

A large and enthusiastic meeting was held in the Ascension Church hall with the object of swelling the ranks of the retreatants at Mayslake in the latter part of February this year. Fred Hansen, John Kallal, Joe Cagney, John Gearen, and many of the others of the Council are actively interested and urge all of the Council members who can to take advantage of this opportunity to get a spiritual housecleaning.

Carroll Outlines Plan to Attract Young Candidates

Next Meet Feb. 18 - 6 N. Hamlin Ave.

Officers of Charles Carroll Council met Tuesday evening, January 28th, at the Midwest Athletic Club to discuss ways and means for increasing the Council's influence with the younger members. With a planned program of activities that is not too top heavy or unbalanced, but with attention being focused on activities which will arouse and hold the interest of the participants, a fuller interest in our Council affairs is expected. Such activities will indeed have strong religious, social, cultural, civic and sports keynotes, and thus attract widespread participation, not only of the members, but their families as well. Much good will should grow from such a program.

Carroll Council has annually featured Father and Son nights, dinner-dances, sports' nights, open meetings of various kinds, bowling and golf tournaments, ladies' nights, Christmas parties, and the like—all having met with tremendous success and attracting a great many of the membership. Further, activities along these same lines, designed chiefly for the younger member, are expected to be added to our program for the year.

MEMORIAM

We regret to announce the sudden passing of the dearly beloved father of our worthy Treasurer Frank O. Hubbard on January 27. The officers and members of Carroll Council wish to extend their deepest sympathy to the Hubbard family. May God have mercy on his soul, and peace and happiness be his eternal reward.

CARROLLITES

Our "wandering boy" Bill Condon has returned to the city this week and little has been seen of him. Understand the senoritas were too much for him. He has lost a great deal of sleep trying to see "everything" at once. . . . It has come to the attention of the officers of Carroll Council that a number of the members are being qualified in the draft under the selective service act. Should you be one whose "number is up" soon let it be known so that we may know our heroes. Your Council is interested in you and you should be interested enough in your Council to let this fact be known at an early date. Joe V. Powers leaves for Tennessee on February 8. John O'Leary anticipates an early departure, too. Who is next?

District Deputy Ed O'Connor is still confined to his bed at Alexian Brothers Hospital and would appreciate a visit from you. . . . D.D. and P.G.K. Jack McNamara is reported to be discharged from Edward Hines Hospital. . . . Past Grand Knight Tom O'Connell is now in Florida recuperating from his seige of illness . . . John Clark has checked in at the Montrose Hospital, 2544 Montrose avenue and would be glad to see the "boys" when they're anywhere in the vicinity of the hospital.

Weber Determined to Expend Real Efforts on Membership Drive

1-3 Mon. . . . 4758 S. Pulaski Rd.

At our last meeting G.K. Julius Martynowicz stressed the words, "more gratifying results in membership and active participation in our affairs is necessary." Despite the steady and determined efforts of the chairman, we have not thus far reached our goal, and therefore failed to place our Council on the honor roll. The G.K. announced that the membership drive is under way, and his constant pounding for mobilization of new members will not cease until our quota is filled.

To date the results are discouraging. Very little sacrifice has been made on our members' part in contacting or visiting prospective candidates. Some of the members are growing tired of the repeated calls for new members and so are we. Nevertheless, if we don't remind you that the main activity of the Council must be membership, some of the brothers might think that new additions are not necessary, but this indeed is not the case. With your cooperation we can and we will realize our goal.

SOCIAL GAMES

The third series of bingo games will take place Tuesday, Feb. 11th, at 8:30 p. m., at our clubhall, 4758 S. Pulaski Rd. The last series was well attended and successful, through the cooperation of the following ladies: Mrs. J. Martynowicz, Mrs. J. Nowakowski, Mrs. C. Nowaczyk, Mrs. F. Szykowny, Mrs. S. Czurylo, Mrs. Piasecki and Miss Wirtel. The donors of the door prizes were: Bro. C. Nowaczyk, Frank Szykowny, H. Zabelski and V. Lelewicz. Many thanks of appreciation to all.

Last Saturday's dance was another success for Weber Council. The music, dancing and refreshments were enjoyed by all. The $5.00 door prize was won by Bro. Jos. Nowicki. The following were among our guests: D.D. Phillip C. Nilles, G.K. Leo Gawrych and wife, D.G.K. Mike Sinsko and fiancee, Bro. Edward Bulat of Ketteler Council, and Bro. Pete Kezon of St. Augustine Council. The committee thanks you sincerely for the cooperation given them

BIRTHDAYS AND ANNIVERSARIES

Feb. 7.—Mr. and Mrs. Thomas Dalka, 8th; Feb. 4th—Walter Kotorba; Feb. 8th—Frank Dalka and John Siedlecki, and next Sunday Bro. Chas. Schlamadinger. Happy birthday and congratulations to you all.

MAPLE MASHERS

The three way tie for first place has been divided proportionately. With Bro. Steve Jas' 543 game, the K. C. Boosters took three games from Kraft's and Dr. Dziubskis took two from Wegzyn Realtors. The standings are:

LEO WORKS FOR LARGE FOURTH DEGREE CLASS

1-3 Tues. . . . 820 W. Garfield Blvd.

The exemplification of the Fourth Degree will be held February 23 at the Palmer House. This degree class, together with the banquet, is being offered as a testimonial to His Excellency, the Most Rev. Samuel A. Stritch. Evidence has already been received that this will bring out the largest exemplification in the history of our Order. Our own Leo Council has always ranked among the leaders on this day in the number of candidates.

Although our Fin. Sec'y P. Joseph McNamara, has already reported seven applications, the officers hope that Leo Council will be better represented in this ceremony of honor of our new Archbishop. Applications may be secured at the clubhouse. To arrange all Fourth Degree members of Leo Council at the same tables, will be an easy task if plans can be made in advance. To avoid any little misunderstanding as has occurred in the past, we ask you to contact Sec'y Michael Higgins for reservations as soon as possible.

The next regular meeting of the Leo Fourths is for Monday evening, Feb. 10, at 8:30 p. m., at Leo Clubhouse. In the custom of former years, this meeting will be an open one. All members of the Third Degree are cordially invited to attend. President Bill Dempsey will introduce one of the outstanding leaders of the order to explain the merits of the Fourth Degree. Entertainment and refreshments will follow the regular business session.

MEMBERSHIP DRIVE

In the membership drive of this year to date our quota of new members and reinstatements has advanced to sixteen. Are you doing your part in cooperating with the committee in our campaign for new blood into our organization? The officers of our council earnestly request that you devote a little effort in producing one or two applications. New application forms and insurance rates are at the clubhouse. For a period of sixty days, the initiation fee has been reduced to $5.

R. I. P.

With our most sincere regrets we report the recent passing of Mrs. Theresa Cunningham, beloved mother of Bro. Aaron Cunningham. To our bereaved friend and Brother Aaron, the officers and members of Leo XIII Council join in expressing their heartfelt sympathy at this hour of sadness.

NON-CATHOLIC GIVES $5,000 TO CATHOLIC HIGH SCHOOL FUND

New York.—A gift of $5,000 by an anonymous non-Catholic who wanted to share in the cost of erecting the new $3,000,000 Cardinal Hayes Memorial High School for Catholic Boys was announced by the Most Rev. Francis J. Spellman, Archbishop of New York, at the laying of the cornerstone of the huge high school for 3,000 students.

Samuel Vauclain was selling steam locomotives in dozen lots while in his seventies.

Old Only in Years of Service

The accompanying picture of Chicago Council's treasurer, Samuel J. Taylor, attending to business, is presented through the courtesy of Swift & Company in whose January issue of the "Swift Arrow" the pictures were originally published with the following notation:

"Oldest meat peddler in Chicago from point of age, years in business, or any other measure you may select, is Sam Taylor, shown in our picture as he drives away from the Packing House Market with a load of Swift products to start his route.

"Mr. Taylor is an ex-Swift employe who started with the company on the sheep-dressing floor in Chicago 53 years ago. When he left us in 1894 to open a meat market he was foreman of the department in which he had been working seven years. Sam is past the age when men working for Swift & Company retire but he has no intention of quitting his job.

"He has a fine horse that knows every stop on the route, a wagon that is in first-class condition, and customers who are reliable—so why should he quit?"

Well—Sam Taylor has been treasurer for Chicago Council since 1911 (which, we think, is another record for service.) He told his age on a recent birthday but his youthful appearance and quick wit suggest that he is much younger than he claims. A real conserver of the Council's cash, he is quick to contest any expenditures he considers unwise; and what Sam says, goes. (He never misses a meeting.)

Illinois Lays Plans Early for Party on Saturday, March 15

1-3 Mon. . . . . 64 E. Lake St.

This article of yours might well be headed "There I go, leading with my heart again." Yes, your council is once again taking the lead for you. We have thrown down the gauntlet of adversity and have picked the one which beckons to enjoyment on the evening of Monday, March 17.

This is your notice now that we want you to spend the evening with your Brothers of Illinois Council, their family and friends and at the moment of writing it looks very much like the Knickerbocker Hotel, the Oceanic Room, 7th Floor, where privacy and harmonious surroundings reach the zenith of satisfaction. There will be dinner, songs and dancing as well as entertainment.

Those present at our last meeting were just about unanimous in their approval of St. Patrick's Night festivities. Accordingly your Grand Knight appointed William Groden as chairman, Harold B. Ericksen as vice chairman with the following Brothers as their supporting cast: Frank J. Kelly, Adolphe Stecher, Spaulding John Robb and Gerald J. Haley. So, gentlemen, there we go.

Special agent, Brother Joseph Tusshaus, gave a splendid explanation of the new insurance features. District Deputy, Arthur Donoghue, boosted the barbecue and the Fourth Degree La Salle Assembly dinner.

We didn't expect to see Brother Sharkey there but he did break in on his 80th birthday. We learn that he was entertained royally by the Boiler Manufacturers' Association last Friday. Phil, we say to you "Hail to the Chief."

CONDOLENCES

The Angel of death has again visited our membership and taken from our midst a man who had a charmingly rugged personality. A man of great dignity and practicality in all ways which makes for a successful life. Such a man was William J. Gibbons, who passed to his reward Sunday morning and will be buried from the Holy Name Cathedral in Calvary Cemetery. Your council furnished the number of pallbearers needed, and attended the wake last evening. Brother Gibbons left a brother and a son surviving to whom we offer our sympathy. May his soul rest in peace.

"GOOD" FOR K. OF C'S.

You know, "The good that men do lives after them." Speaking of good, it might be said that many of us would have different interpretations of what would be good. Just what has the individual man to offer as a member of the Knights of Columbus? What good can he do? We recall the question in our Catechism many years ago: "What shall I do that I may have life everlasting?" Answer: "If thou would enter into life," said Christ, "Keep the Commandments."

What can a man do on being received into the Order? He can join with fellow Catholic men in advancing charitable works of all kinds, favored by the Order, and by the Church and this will include educational and spiritual works as well as those of a charitable nature. He can proclaim his Catholicity in an outstanding manner by giving his support and encouragement to worthy causes promoted by the Order and the Church. His work as one of a large group is so much more effective than if he were to race through life alone furiously contending with the forces of evil or heroically endeavoring to produce great results for the Church and the State. He becomes a link in a very strong chain, forged to shield the weak and make bolder the strong and assure for our children, that freedom of worship which is so essential to the welfare of Christian people but even more so to the existence of the State.

Bond of Faith With S. American Nations Is Cited by Senator

New York.—The Catholic Church "occupies a strategically important position in fostering and cementing improved South American relations," declares Senator Dennis Chavez of New Mexico in a recent issue of "America."

Writing on "Hemisphere Peace by Catholic Culture," Senator Chavez, a Catholic, asserts that "expansion of our relations with South America is a sure way of advancing the peace of the United States and South America."

Senator Chavez says Pan-Americanism is the only recourse of the United States to avoid involvement in the troubles abroad, because, he adds, "if we are thrown into a European war, it will be because our commercial and political relations are almost exclusively concentrated in Europe." Declaring that "exclusive political and economic relations with Europe are dangerous," because the history of those countries "show them to be always involved in warfare," the Senator says, "expansion of our relations with South America is a sure way of advancing the peace of the United States."

Senator Chavez stresses, however, that "if we are to have success in Latin America, there must be a change in the state of mind of the American towards the dedicating the 20,000,000 communicants of the Catholic Church of the United States to spreading sympathy and good will for South America in the United States."

He emphasizes the important differences between Latin Americans and North Americans—distance; language; Latin civilization; religion; and agricultural economy. Thus, he adds, "you will see why it is so hard to bridge the tremendous cultural abyss between their civilization and ours. The 20,000,000 Catholics in the United States represent the strongest and most effective link with South American goodwill," he writes. "Through them the bridge can be crossed.

"South America is Catholic. They feel their religion strongly. Because of this they will recognize the close affinity between the American Catholics and themselves. They cannot help but be won to sympathy if approached on a ground which is common to them and to the United States.

Santa Maria Has Full Program Planned for Balance of February

2-4 Thurs. . . . . 9120 Commercial

February is going to be a month full of activity for members of Santa Maria Council in many ways. Not only will there be the two regular monthly meetings on the second and fourth Thursdays of the month, but there will be other important events to take up many of the other evenings.

On the fourth Tuesdays of the month, Santa Maria's own Council Bowling League will be busy knocking over the pins at 9:00 o'clock at the Cheltenham Bowling Alleys. The league has been going along at a great pace and has been attracting a great deal of interest among our bowling fans.

The six teams entered are neck and neck and the weekly upsets bring new leaders to the front. It's too late to become a regular team member, but Chairman Wm. Rosenbach tells us there's always room for an extra player for replacement. Why not show up if you'd like to play? There's plenty of good fun and fellowship and the players are always ready to welcome a new hand at the game.

From Feb. 16 to the 24th our chaplain, Father Terlecke, is putting on his Catholic information classes at the parish church, SS. Peter and Paul, 91st and Exchange Ave. Father Terlecke is having Father Cousins as his assistant lecturer and both priests are planning on giving a great deal of information to their audiences concerning things Catholic. Non-Catholics are also invited, so bring along anyone you know who might be interested.

Sunday, Feb. 23rd, the La Salle Assembly is giving a huge banquet in honor of our own Archbishop Stritch to culminate the yearly exemplification of the Fourth degree. We hope many of our Third degree members have been giving serious thought to taking this degree. There is still time so see Fin. Sec. John Crowe for the necessary applications and information.

On Monday evening, Feb. 24th, many of our good Council workers will act on the various committees for the Annual Homecoming for the parishioners of St. Patrick's Church at the South Chicago Masonic Temple. Foremost of the chairmen are: P.G.K.'s James E. Brown and Hon George A. Rooney, ace general chairman and co-chairman; James Malloy, chairman of the entertainment committee and your scribe, D.P.M., chairman of the arrangements committee.

On Friday evenings, the Better English and Public Speaking Classes instituted by our council at SS. Peter and Paul school hall, under the tutelage of Prof. Kundrat, are still in session. One lesson proves invaluable and may help to solve some of your speech problems. For those off-evenings in February, give membership a thought.

St. Francis' Party Tonite to Climax Three Months' Work

2-4 Thurs. . . . . 4711 W. Madison St.

Members of St. Francis Xavier Council are all prepared to swing and sway tonight at their 23rd annual ball. Three months of hard work on the part of the committee and the members will come to happy climax. Chairman "Sheik" Pintozzi, the dynamo of energy, will once again have a smile on his face and we'd like to add that it's a long time since we have seen him smile.

Ad Chairman Frank Pasquale is happy to report that the souvenir book has reached the amazing total of 130 pages, thus breaking all previous records. The Goodfellowship drive, with Nick Masse at the helm, totaled more than twice the amount of last year. From all indications, tonight we should break the previous attendance records.

"Sheik" would like to request of all the members to make all returns on ads and tickets as soon as possible so as not to delay the final report any more than it is necesasry. Returns can be made at the regular Tuesday evening committee meetings, 3024 W. Flournoy street.

FOURTH DEGREE

The Fourth Degree will be exemplified on Sunday, February 23rd, at the Palmer House. The qualifications for membership are: You must be twenty-one years of age, a citizen of the United States, and you must have been a member in good standing for two years. The initiation fee of $25 covers the cost of the testimonial banquet, baldric and sword. For further information see P.G.K. Frank R. Vitullo, president of the Franfours, or any other Fourth Degree member.

The membership committee is also working hard to secure twenty-five new members for next month's exemplifications. Make their work a little easier by bringing in a member. Tell the prospective members about the five new plans of insurance.

COUNCIL NOTES

The Cavallo Boys' Social Club, of which our Grand Knight, Batiste Mele, is a member, are holding their annual dance, Saturday, February 15, at the Lions Ballroom, 4300 W. North Ave. Each year as the anniversary of Father Cavallo's death, the boys have a Requiem Mass celebrated for the repose of his soul. That alone is reason enough to deserve the cooperaiton of the council . . . . Members of the council extend their heartfelt sympathies to our beloved Chaplain, Rev. Francis X. Breen, S.J., and his silver haired twin, Rev. Paul M. Breen, S.J., on the recent death of their nephew, Joseph Breen.

Congratulations were in order last Saturday for Mr. and Mrs. "Scotty" Frusolone. It marked twenty-one years of marital bliss . . . Financial Secretary Alex Coletta became another victim of the recent epidemic of bad colds. He was kept indoors for three or four days . . . About fifty council members and some of their wives witnessed the induction of Bro. William Iacullo as president of the Alleanza Riciglianese Society last Sunday. It was a swell affair and everyone had a good time . . . Bro. Patsy Gallo's mother is seriously ill and we should pray for her speedy recovery . . . Bro. Henry J. Kohlmann, Scribe of Englewood Council, became the proud father of a seven pound girl the other day.

TEN-PIN CHATTER

The Ald. Pacellis, after taking it on the chin week after week, finally came to life at the last bowling session and won three games. Their unhappy victims were the high-riding Izzo Undertakers. Marks Motors pulled up to within one game from first place by winning two games from the Mele Plumbers. Dot Pies held third place even though they lost twice to Coletta's Morticians. Dr R. Nigro came up with a good series but that could not stop the Giugliano Florists from losing two games to Paterno's Boosters. The Senate Electricians helped to keep the Bacigalupo Undertakers in the cellar by defeating them twice.

High series were: C. Principe, 541; M. Mele, Jr., 508; C. Speciale, 572; Dr. R. Nigro, 551; A. Raciti, 506; J. Capparelli, 551; P. Merisso, 528; Curbes, 514; T. Salvo, 501; F. Arito, 578; C. Gregoria, 533; F. Pasquale, 529; D. Laurino, 500.

CHICAGO TO SPONSOR DEGREE CLASS TUES.

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council No. 182 will have a large class of candidates for the exemplification of the First and Second degrees which will take place at next Tuesday's meeting (Feb. 11). If we are permitted to make a helpful suggestion at this point, may we not ask that all members sponsoring candidates assure themselves that their men are on hand bright and early so there will be no delay. The ritual, properly followed, takes some time and Chicago Council prides itself in impressive ceremonies. Be prepared also for the curtailing of unnecessary speech-making.

FOURTH DEGREE

Chairman Frank J. Casey (P.G.K.) points with satisfaction to the large number of Chicago Council members who are entering the Fourth Degree this year. There is still time to file your application if you are still trying to make up your mind.

If you have been a member of the Third degree for a period of two years and are a citizen of the United States you are eligible for this Fourth degree. The initiation fee is twenty-five dollars which includes your sword and baldric and your admission to the Fourth degree banquet.

THE PARTY

Chicago Council's big Valentine Party is only a week away. Set for February 15th (a Saturday night) in the ballroom of the Hamilton Hotel, Dearborn and Madison Sts., this informal gathering of council members and their ladies provides opportunity for our newer members and our prospective candidates to become acquainted with the rank and file of the oldest council west of the Alleghenies.

The tickets, selling like hotcakes at one dollar each, admit you to the party; and there you will find dancing to the music of one of our best orchestras, plenty of chair-space for those who prefer to sit and swap conversation, a tasty lunch, and other attractions.

We have been asked by members of other councils if they could come to our party. By all means, certainly, and welcome.

BOWLING

Our major league team continued along the winning streak in their meeting with the strong Quigley squad, taking two out of three. Aurvek contributed a 603 series and 242 game while Caponi and Minnick scored 228 and 231 respectively. This week General Sherman planned to march through us (details next week) and on next Friday we are rolling with Hughes Council.

Our Wednesday night leaguers continued to enjoy plenty of excitement. The Cole Recorders, continuing their onslaught from last week, trounced the Franz Guards in two out of three; a 532 series by Herb Le Resche featured.

In the other match, Ryan Coals smothered Vallee Boosters two out of three. Gus Caponi, with a 524 series, tried hard to win for the losers while the victors hung up an unusual scoring record when every man shot between 480 and 490. Scores:

Cole Recorders	795	749	753—2296
Franz Guards	803	712	711—2226
Ryan Coals	823	818	767—2408
Vallee Boosters	707	769	773—2249

RYAN COALS

P.G.K. Matt Ryan, whose bowling team has been booming along at these Wednesday night frolics, was missing at last meeting so the Scribe had to call him anent some bowling dope. His phone at the Princeton Coal Company was busy for some time but finally we got him, received the information we needed—and gave him an order for coal. (Go thou and do likewise.)

It is time now to begin talking about Chicago Council's annual retreat at Mayslake. Scheduled for March, just about a month away, those of us who never have attended must do a little thinking in order to rouse ourselves to the desirability of the annual retreat.

FOURTH DEGREE

Arrangements for the annual exemplification of the Fourth Degree under the jurisdiction of Sir Knight Joseph A. McMahon, Master for the Northern District of Illinois, are now under way and promise in their culmination to be the most interesting ever sponsored here. Master McMahon announces as the guest of honor Chicago's great Churchman Archbishop Samuel A. Stritch to whom this year's class is respectfully dedicated.

You are urged and invited to embrace this opportunity to associate with your brother knights in this great Patriotic Degree Sunday, February 23, and receive the highest honors of Knighthood in the class dedicated to our beloved Archbishop. Our Worthy Grand Knight Tom Mulroy urges all Third degree members to make every effort to attend. See Fin. Sec. Earl Edgeworth NOW.

COUNCIL NOTES

Bro. John J. Feeney, 7356 So. Harvard Ave., who was injured in an automobile accident a short time ago, is at home after a stretch in the hospital and will be in bed for a few days more. He will be glad to see members of our council any time. Sunday he had a visit from that swell guy, Fred Berta; you may tie Freddie but you will never beat him.

Bro. Jack O'Connell, who is certainly hitting the ball on the membership drive, turned in three applications at last meeting, and has many more on line. I know that the chairman does appreciate your co-operation. The slogan "every member get a member" is as good today as it was years ago.

Here are a couple of meetings that you don't want to miss: Ladies' Nite, February 18th, with sound movie, "Batting Around the American League," and other attractions. March 4th we will have a sound picture on bowling called "In the Pocket." This picture is highly recommended by the Brunswick Balke-Collender Co. Your lecturer feels that this picture will serve to give our bowlers their final instructions, before departing for the National Tournament March 15th. This will be an open meeting, so that you may bring a prospective member or any of your friends. The McHale Bowlers are at the Woodlawn alleys every Monday night. Next week we will have the standings of the teams right up to date. Englewood 5151—"The Voice of McHale."

Auburn Park's Bowling Chairman in Appeal for Enlarged League

2-4 Thurs. . . . . 7740 S. Emerald Ave.

Our Deputy Grand Knight John H. Coughlin, chairman of the bowling activities in Auburn Park Council, makes an appeal for more bowlers among the members. We have a team in the Club House League, but lack sufficient reserves. There are no doubt many of our members who enjoy this sport, and are not signed up in any league. There are still several months to go to complete the schedule, and if you are interested please communicate with Brother John Coughlin. The alleys at the club are in excellent condition and there is an opportunity for all to compete for the annual prizes at the close of the season.

To those of you who had the pleasure of hearing Past Grand Knight William Collins of McHale Council at the last meeting will recall he outlined the advantages of bowling in councils. He stressed the activities in the council among the bowlers, and recommended that Auburn Park endeavor to organize their own bowling league.

The combined societies of St. Carthage parish are sponsoring their third annual card party and dance at St. Sabina's new community center, 78th St. and Racine Ave. on Saturday evening, February 15.

There will be many attractive door and table prizes for cards and a very popular dance orchestra engaged for the dancing. The price of admission is 75c per person, and the proceeds to be used for reducing the financial obligation on the parish.

IMPORTANT MEETING FEB. 13

The by-laws which have been completed by the committee will be read for the third time and voted upon at next meeting. Please be in attendance.

Our good neighbors from McHale Council are celebrating their birthday with another of their popular dinner dances at the Shoreland Hotel, 55th St. and the lake, on Saturday evening, February 8th. Price per plate $2.50, and dinner to be served at eight-thirty o'clock.

Our State Secretary Leo M. Flynn is endeavoring to make up a table for this party among Auburn Park's members, and if you want to be in on a grand evening get in touch with Leo and he will include you in his party.

FLASH

One of our soft ball players for the past two years, Brother Joseph Porter, is about ready to report to Uncle Sam under the selective service act, and expects to leave within the month. We wish Brother Porter all the possible success, and hope he has an opportunity of attending another council meeting before leaving.

Any of you who know of any brothers who are about to enter the government service, please contact your council officers or the scribe, so that due publicity may be given.

Brother Tom Cole extends a cordial invitation to each and every member of the council and their friends to attend the card and bunco party on Tuesday evening, Feb. 11, at 8 p. m. at Father Perez clubhouse, 6710 S. May St., for the benefit of the Reverend John F. Ryan's new parish, the Holy Name of Mary. Donation is fifty cents.

As there are members from three other south side councils on the committee Brother Cole would like to have a large group from the council attend the party. There will be door prizes and a very useful gift for the winner at each table.

Garcia Moreno Honors Polish Members Next Meet Night, Feb. 14th

2-4 Tues. . 155th St. & Lexington Ave.

Tuesday evening, Feb. 11th, our council will hold its Annual Polish Night All members are invited to come to this meeting to do honor to our Polish members. These fine members have indeed done their share to help our Council's growth, and have cooperated at all times for the advancement of our affairs. They know the best service one can give his council is loyal cooperation and attendance at meetings. Their constant desire has been the fulfillment of that council trust.

The council officers and various chairmen hold the warmest affection and the most enduring sentiment of gratitude for our Polish members. The membership wholeheartedly shares these sentiments also. Lecturer Clyde White and his committee have arranged an excellent program. There is no cost, only your time. Our sincere congratulations to our Polish members. May their membership always be an inspiration to them, and may they always enjoy the fraternal spirit of Garcia Morena Council.

BOWLING NEWS

Eagle Coal Co. won three games and took the lead in the league. Frank Ring Boosters were on the wrong end. Rossman's 594, Gorski's 532 and John Mech were the three coal heavers who put over the wins. Matt Walenga's 502 was tops for the Ring boys. Ed Shea and his Korner Gang put over two wins, and a 939 game for high team of the season. Very good bowling, for Knoll 540, Kammert 513, Shea 506. Jack's 506, so Lemons was dog with 452. For Home Liquors, John Kerkhoven was the lone star with 516.

Goletz Boosters won two games from Anton Sterker's Tailors. Paul Malito's 529 and Joe Reardon's 489 were tops for the Boosters, while Johnnie Obernesser was the lone pin getter with 528 for the Tailors. Wonder Bar won two games from Bill O'Hara's Boosters. Clyde White's 607 and Pop White's 584 supplied the fireworks for the winners, while De Mayo's 553, Wisell's 528 and Bruce's 525 put over the heavy work for the O'Hara gang. Tough luck to lose on such good bowling. Other good games of the night were: Rossman 215, Gorski 235, Malito 213, Shea 206, McGee 200, DeMayo, 213, Sheehan 219, Bruce 216, Clyde White 230, Pop White 217. Moral: Hit the pocket.

BIT O' NEWS

Brief notes of last meeting: Reported on sick list were John Kline, home with an infected foot. Albert Berner still at Ingall's hospital, and Joe Dehnert is ill from an infection. Thirty-six members have done their bit for Christmas Cheer, according to Andy Klaczynski. This is not a very good report, but we hope all of our members will see him soon to do their share. He also reported an enjoyable evening at Marty Hough's testimonial. No reports on membership and picnic grounds. The Grand Knight read two applications for membership. He was the sponsor. Annual Communion Sunday is May 4th.

Lecturer Clyde White and his committee reported progress on the dance. First ticket returns and patron sponsor honors go to Tom Gerlach. Dance sponsorship to this writing are: Anton Sterker and William E. Powers. Tickets: Wm. D. O'Hara. Tickets are in circulation and we hope each and every member will use at least two of them. The patrons list is in the hands of all council officers. On Jan. 28th a large number of friends surprised Bro. Andrew Wujastyk and wife. The event—their 24th wedding anniversary. We add our belated congratulations. Leo Cerewiski and wife enjoying a vacation in Hot Springs. To Mr. and Mrs. E. Lunn, of Blue Island, the scribe says thanks for your kind remembrance of his birthday. Cheerio.

St. Paul Urges Members to Get Reservations in for Next Fourth Degree

1-3 Tues. . . . . 6713 Olmsted Ave.

There isn't much time left for the candidates for the Fourth degree to affix their "John Henry" to that application and to make the necessary arrangements to participate in the exemplification Sunday, Feb. 23rd. Chairman Ellwanger is expecting a good representation from St. Paul of the Cross and, as always, the candidates will be flanked by a goodly number of Fourth degree men from the council.

The fact that the classes for each annual exemplification number in the hundreds testifies to the intense interest shown generally by Knights in the affairs of their country and good government. We think that every Third degree member should complete the curriculum of knighthood. There is no better time than now to join up with the class dedicated to our Archbishop Samuel A. Stritch.

FISHERMEN'S STORY

The other night we were handed an envelope that looked very much like one of those "gimme" notes; name and address printed, etc. We were mighty happy to find enclosed only a note informing us that Wendell A. Sebastian and his two brothers, Frank and William, left for Miami to indulge in a month's deep sea fishing in the Gulf stream. It seems that these brothers go in for "big game" in a large way as we understand that they fine-combed the gulf of Mexico along about this time last year. We hope that they have exceptional luck this trip as it goes without saying that they will have plenty of fish stories to tell. (We like to pay "ransom" for notes like this every week.)

WE HEAR THAT

Bro. Ralph Bilodeau's wife, Inez, has been seriously ill at home; later reports are to the effect that she is on the recovery road. . . . Gene Sass, our next Grand Knight, is attending a movers' convention at St. Louis. . . . O boy! does the D.G.K. get around! . . . Henry Blim is polishing up his sticks in anticipation of—well, you know P.G.K. Blim. . . . Dick Stretch was waiting for an invitation to join the council keglers in the state K. of C. tournament—as if Dick needs an invite. . . . When Neuman-Ziegler's bowlers were individually polled on their prospects as to their chances on repeating in the council league this year, they all answered as if with one voice "we ain't talking."

If Eddie Kasper has had that house warming we heard something about a while back, no one seems to have been invited. . . . Matt Perz, council advocate, is too busy to throw that party for the mid-nite oil burners; even though you are an advocate. Matt, maybe someone could get across to you the fact that "you can't take it with you." . . . Milt Kuehn's son, Milt, Jr., is making a real hit with the boys; maybe you don't think he'll be heard from in bowling circles in a few years. Well, wait and see.

The Immaculate Conception church in Norwood are having their mid-winter bazaar a week from next Sunday. You'll be assured a swell dinner and an enjoyable evening—why not plan to take the family out for the evening including dinner?

2-4 Tues. . . . . 17 W. Harris Ave La Grange, Ill.

One thing we wish to stress in thi issue is the matter of Catholic litera ture. You have seen this subject men tioned before but we call it to your at tention at this time because this i Catholic Press Month. Some noted ma once said: "Let me know what you rea and I will tell you what you think. Maybe we are taking some liberti with the quotation but it is essentiall true nevertheless.

It is surprising sometimes to see th kind of publications that you find i some Catholic homes. Some of thes so called picture magazines togethe with the type of magazine that pride itself on devoting its pages to the so called raw facts of life are the one which, surprisingly enough, we some times find in the otherwise good Cath olic home. Why not protect thos youngsters by refusing admission t these publications. To your writer' mind it is all so unnecessary, there be ing so much other good reading matte available. For instance how many o you regularly take the New World o that other fine paper Our Sunday Vis itor. These are among many reall worthwhile papers available to th Catholic family. Why expose yoursel and those in your family to the rotte influences of pagan inspired literatur Start right now in the true Catholi spirit and bar the way to bad literatur

Leo Kriz pulled an impossible one In the third game he started out wit five strikes then blew. In the sixt frame his first ball took the 1-2-4-5- pins. Picture that if you can. Wit the 3-6-7-8-10 standing, Leo took care ful aim with his second ball and whe the smoke cleared away they were al in the pit!

San Salvador Priests Will Be Honor Guests at Monday's Meeting

2-4 Mon. . . . . 24 E. 114th Pl.

The meeting of next Monday night should prove to be both interesting and pleasant, for on that occasion we shall have the honor of welcoming to our council Father F. L. Kalveledge, assistant pastor at St. Nicholas Church. Having met and heard Father Kalveledge, we know it will be a distinct pleasure for the rest of San Salvador to bid him a hearty welcome. The meeting should prove to be somewhat of a minor clergy night, for of course our faithful Chaplain, Father Chiminello, will be on hand and we hope our new member, Father Grinis.

Fr. Grinis received his First and Second Degrees recently at Blue Island. San Salvador Council is proud of its record of having the support and assistance of so many members of the clergy, so we sincerely hope that the council chamber will be filled to capacity for the occasion.

BOWLING NOTES

Just in case you should happen to think that San Salvador's entry in the State Bowling Tournament was snowed under, let us hasten to assure you that San Salvador should finish in the money. After last Saturday's and Sunday's results we still stand just a shade past tenth place, which still is in the money.

As far as our own league is concerned more upsets are being recorded every week. St. Anthony's Richards, who might have felt somewhat secure in their first place berth, were met but vanquished by the stalwarts of St. Nicholas, who took them for two games.

MEMBERSHIP

Did you stop to think that Palm Sunday is not so very far away, and if you want to be certain that your candidate is in that class, you'd better get started pronto? Just think, the initiation fee now is only five dollars, so for that amount there shouldn't be any trouble at all in bringing in a whole flock of applications. We should and will have a good representation as usual at this annual exemplification, but we need your help. How about it? If you are uncertain as to the new insurance arrangements, Fin. Sec. Jim Burke will be glad to assist you. Let's make it a big class from San Salvador.

Feb. 23 is the date of the next Fourth Degree class. If you're a Third join up — if you're a Fourth — attend the banquet.

DE LA SALLE STRESSES K. C. INSURANCE VALUE

1-3 Tues. . . . . 1105 E. 47th St.

The grand knight reports good will and everlasting friendship dovetailed with the recent presentation of $1,000 to the bereaved members of the family of one of our late members. This K. of C. insurance, as on so many former occasions, brought relief and satisfaction to the relatives of a brother knight who had protected his loved ones with K. of C. insurance, so they are forever grateful.

This is but a typical case, proving the benefit of valuable low cost insurance. Such cases are duplicated daily in hundreds of families over the length and breadth of this land. Since the old step rate form of insurance has proven so beneficial to relatives of deceased members, think how much more protection the young men of today have in availing themselves of the five new forms of K. of C. insurance.

If you are not aware of these new forms of K. of C. insurance or are not familiar with its advantages, then call at the council office and pick up the pamphlets describing this insurance, then advertise it among your Catholic friends.

ORGANIST IN LIMELIGHT

When the choirs of St. Clara's Church, 65th and Woodlawn, recently presented "The Bells of Barcelona," a musical comedy, who did we find as one of the principal characters but our faithful brother, Organist Oscar Grieb, cast as Pedro, manager of De Montero's plantation. Oscar proved possessed of talent and won fame overnight. Oscar has been fooling us by concealing his hidden talents.

A SMILE AND A GOOD WORD

The visitng committee called on Program Chairman Joseph W. O'Brien, who lies ill in St. George Hospital, 449 W. Winneconna, and found our good brother recovering very nicely from a stomach operation. Joe has gone through a tough siege and has suffered a lot. Grand Knight Husung and Warden Young in calling on Joe last Sunday extended the council's hope of quick recovery and received thanks from Joe for the flowers sent by the council.

Bros. Sullivan, Brennan and Bardon have called and gave cheer as will many of the other boys. Not many of us knew that Joe had returned to the hospital and it was only recently that Bro. Brennan informed us that Joe had gone back to the hospital. A smile and a good word will do much for Joe.

CONDOLENCE

The council was grieved to learn of the death of Mrs. McAuliffe, beloved wife of our good brother, Edward T. McAuliffe, and sent its delegation consisting of Grand Knight Husung, John Sullivan, William Bardon, James Young, Michael Troy, Alex MacDonald and Howard Brennan to the wake last Sunday night to pay respects and offer prayers at the bier of this gracious and loving mother.

The funeral was held Monday, Feb. 3, from the late residence, 7158 Vernon Ave., to St. Columbanus Church with interment at Holy Sepulchre. The council will remember the soul of this dear departed mother and offer its prayers for eternal peace and life.

MEETING FEB. 18

The second meeting for the month is always a short business meeting followed by entertainment. The program committee has asked the chaplain, Father Tom Riordan, to discuss "Catholicity in the News" at the next meeting, Feb. 18. This subject touches on vital current topics and should offer food for thought. We will try to have a musical act following the evening's discussion and have coffee as the curtain closer.

Sherman Asks Fourth Degree Candidates to Arrange Last Details

1-3 Tues. . . . . 4300 W. North Ave.

Fourth Degree candidates please get in touch with Ray Groh, Berk. 0052. If all of your membership dues are not paid in full send them to John Barth, Jr., 2330 N. Springfield Ave. as the time is very short. Marty McLaughlin, we are waiting for your Fourth Degree application. Don't wait too long and then be sorry. Very glad to hear from Joseph J. Burke and just found out he celebrated his 51st year of married life.

BOWLING BY BERNIE

Due to some misunderstanding the date for Aurora was published as February 9th, but the correct date is February 16th and that is official. There is a city tournament in Aurora which means that we must start bowling at 2 o'clock sharp and have to be off the alleys at four. Make arrangements to be on time.

Special Notice: There will be a general bowlers' meeting for all bowlers next Wednesday evening at Bert Welker's home, 1645 N Latrobe Ave., at 7:30 sharp. It is important that all bowlers attend as matters of interest to all of us will be discussed, such as our bowlers' banquet and next year's schedule, etc. Please be there.

You men who are going to Indianapolis please let Bert know. All entries must be in very soon, as hotel reservations must be made NOW so we can all be together at the same hotel. Then there is the little item of entertainment which must be arranged.

The results of our bowling on Sunday evening at the CYO alleys will be found in the bowling section of this issue. No records were broken and no one starred, but everyone had a good time. Boots Johnston, one of our sponsors, was present to cheer his boys on and I believe his team really made a fairly decent showing. The boys, captained by Charlie Koscal, I think are in the money. The officers' team will form a sewing circle.

Feehan Host to Class of First and Second Initiates Next Tuesday

2-4 Tues. . . . . Hamlin and Madison

Tuesday, Feb. 11, is the date of the next regular meeting. At this meeting Feehan Council will sponsor a first and second degree. In addition to our own class there will be classes from several other west side councils. For this reason you should make a special effort to attend. We must not fail to make a respectable showing. In anticipation of a large turnout the degree team is practicing up and they intend to put these degrees on in something more than their usual style. We can show them that their efforts are appreciated by turning out in large numbers on Tuesday night.

LAST MEETING

At the meeting of Jan. 28 the final report on the bingo party was made. The council showed a substantial profit on the affair and consideration will be given to running a similar party at some future date.

Mr. Murray attended the meeting and gave us the low-down on the new forms of insurance being offered by the order. As he discoursed on one after another of these types it became evident that one can get just about any kind of protection he may desire in the Knights of Columbus under this new set-up, with the added advantage of the lower rates afforded by the group system. This point was stressed as an aid in bringing new members into the order.

Anent this "new members" business, the membership committee, under the co-chairmanship of Bill Fitzsimmons and Ed Julius, is about to launch a campaign. Plans are afoot to stage some kind of a contest, the details of which should be available soon. The special committee appointed to revise the rules and draw up a new set of by-laws reported that its task has been completed and that the report will be submitted for approval at the meeting of Feb. 25.

BOWLING

Illinois Laundry continues to capitalize upon the overwhelming handicap built up in the first half to coast along for the present and is now in front with 10 wins and 2 losses. Harmon Electrics and N. Preib Cleaners are tied for second with 8-4. J. J. Collins have 7-5; Baer Bros. & Prodie and the Lemon King Senators are batting 500 with 6-6. All knotted up with 5-7 are Judge Hackett's Pioneers, Quinn's Inn, Malee's Fighting Irish, Harold Crotty Boosters and Edw. F. Moore Boosters. The Ed Kaindl Boosters are the cellar tenants with 2-10.

In the individual race Pat Riley continues in the lead with 178 average. Frank McQuillan has 177, Jimmy Collins 174, Joe Collins 174 and Pop Edler 172.

The honor roll is well crowded this week and is led by Joe Collins with 224, 210, Turk Fogarty 222, Walter Brouder 220, Frank McQuillan 215, Jimmy Collins 214, George Gleason 209, Pat Riley 203 and Em Gorman 200.

Augie Tamburrino is lining things up for the national trek to Indianapolis. Better get your name on the list and not get left out in the cold.

Congratulations to Bros. M. F. Mullen, George W. Witzgall, Bud Tatton, Joe Chvosta and Joe Tunney, who celebrate birthdays this week.

In the matter of detecting noxious gases, the tomato plant is said to be two hundred times as sensitive as the canary; and fully fifty times as sensitive as the best chemical test.

"PROTESTANTS MISS CONFESSIONAL," MINISTER SAYS

Indianapolis.—"Protestants have lost quite a bit in not having a confessional," Dr. John Rustin, Pastor of the Mt. Vernon Place Methodist Church here, told a meeting of pastors held in connection with the Greater Indianapolis National Christian Mission.

"We may call it that (confession)," Dr. Rustin said, "but we certainly do need to have some place where our people can find their minister ready and willing to listen to the heartaches, problems, despairs and disappointments of his congregation."

FR. O'CONNOR PLANS SURPRISE FOR MAR. 15

1-3 Thursdays - - 4660 N. Kedzie Ave.

In the aftermath of the Marty Hough testimonial, activities of the Council have tapered off somewhat. Brother Joe O'Brien warns, however, to hold open the night of March 15th. Things are building up to a tremendous pitch for the occasion. Just a tip, brothers.

Lecturer George McLoughlin also promises some entertainment evenings at the forthcoming meetings. Following the taste and compare contest put on by one of the local liquid laughing-gas dispensaries, there will be movies, contests and other diversified programs in the near future.

Applications for the Archbishop Stritch Fourth Degree Class and reservations for the testimonial banquet on February 23 must be in by February 15. Pasteboards retail at five bucks per copy, and may be obtained from Jack Raupp, Johnny Metzen, or Bill Cunningham.

BITS ABOUT 'EM

Johnny Golden is looking over the local night spots these days in search of members for his "Fat and Over Fifty Club." . . . The M. J. Hough committee has asked me to again thank Chief Touhy for the use of his basement as a meeting hall during the six or seven weeks preceding the party. . . . Just what went on there, boys? . . . Paul Borck is spending the week in St. Louis. . . . Something must be brewing—eh, Paul? . . . And how, sir!

Ed O'Connor of International Harvester denies that he is leading the strike at the farm implement plant, but, having seen him take the third degree, we don't believe him. . . . Many of the Chicago night club proprietors are complaining that George McLoughlin hasn't been around in a long time. . . . C'mon, George, even the groundhog shows himself once a year.

Here's news. . . . Harry Browne (that name always gets me) says he didn't do a thing last week. . . . Brother Dick Savage is now managing the Mohawk Recreation bowling lanes at 518 W. North avenue. . . . When in the neighborhood give the place a try. . . . Phil Doyle made a sleeper-jump to Homewood one night last week just to have dinner. . . . He's probably used to it, though. . . . That's about the time his hot tips usually finish out there.

BOWLING NOTES

Most of the news this week centers around the ten-pin game. On next Sunday afternoon, February 9, the Father O'Connor five-man teams will roll in the state K. of C. tournament at the CYO alleys. . . . Fans and hecklers are invited to see their favorites perform. . . . Phil Doyle and Joe O'Brien are accepting reservations for the national tourney to be held in Indianapolis on March 29 and 30. . . . Closing date is February 15. . . . Whether you bowl or not, this is a trip well worth taking for the sights alone.

Brother George Fitzmaurice is now bowling in Earl Gannon's spot while Earl is "making hay." . . . The keglers are looking for your quick return to the alleys, Earl. . . . The towel wasn't large enough for Walter Kelly last week when the Gold Coast ace crashed the pins for a sparkling 398 series. . . . Despite an attack of the flu, Frank Cronin rolled a 500 score. . . . We'd like to see this boy when he's in the prime of health. . . . Even the top-flight maple-spliters can have an off-nite, as witness scores of 485, 493 and 461 for Father Rausch, Joe O'Brien and Eddie Droske, respectively.

The Furman Funerals have culminated their drive of recent weeks by dislodging the Shamrocks from first place. Two victories over Gannons while the Irish were dropping three to the Cristos accomplished the purpose. Widtmans and Cristos are further threatening the Shamrocks by tieing them for second place in the league race. This isn't news, but Navin's Inn is still in last place.

High individual score for the week was O'Shea's 609 series. Bob (The Angel) Nierman had an excellent opportunity to win top honors when he bowled his first two games well over 200, but a disastrous 138 held him under the 600 mark.

Team and individual standings:

Furman Fun.	30	24	Ross B'sters.	27	27
Shamrocks..	28	26	O.K. Exter..	26	28
Widtmans ..	28	26	Gannon's Inn	26	28
Cristo Print.	28	26	Nolan's Ins..	26	28
King Coals.	27	27	Navin's Inn.	24	30

Big Ten: O'Shea, 609; Nierman, 594; King, 583; Fleischauer, 568; C. Clancy, 559; Cummings, 538; Raupp, 532; Fialkowski, 520; Metzen, 519; Coleman, 517.

Neri Begins Planning for Its Twenty-fifth Jubilee Celebration

1-3 Tues. . . . . 7515 Yates Ave.

A pretty good turnout of members and past officers attended the meeting at the Caravel Club last Tuesday night to take part in discussing some business matters of considerable weight. The most important topic, of course, has to do with the formulation of plans for the forthcoming jubilee celebration scheduled for next June.

At that time St. Philip Neri Council will mark the completion of its first quarter of a century. Grand Knight William T. O'Neill asks the cooperation of all members in helping to make this occasion a really memorable one. If you would like to take an active part in arranging the program please communicate.

OFFICERS' MEETING

All officers of the council are asked to converge on the premises of John P. Quigley's place of business tonight (Friday) at half past eight. Some business of importance demands your immediate attention.

JOHN NUSSBAUM

We are very sorry to announce that John Nussbaum suffered a leg amputation a few days ago. John has been ailing for a long time and is confined to the Alexian Brothers Hospital on the north side. He is doing a little better now and can have visitors. Next time you're up that way be sure to drop in for a chat.

R.I.P.

Mrs. Mary McDonald, mother of Emmett, passed away last Saturday morning. A number of Neri members attended the wake in a body on Sunday evening to offer prayers for her eternal peace. Funeral services were held from her late residenc on Jeffery Ave. to St. Philip Neri Church.

Englewood Meetings Bring Out Points of Interest to Members

2-4 Mon. . . . . 150 W. 69th St.

We have always said, that if you don't attend the council meetings you are bound to miss something worth while.

It need not always be something in the social or entertainment line, but it can be a matter that has been confounding you, or puzzling you for a long time, and you were afraid to bring it up for discussion.

At our last meeting the question of reinstatements, suspensions, and A.A.L. was brought up for discussion and views of these subjects were discussed pro and con by Fin. Sec'y Huguelet, P.G.K. P. J. O'Connor, 324th President Charles O'Brien, G.K. John P. Loughnane, Membership Chairman Andrew Stoecker and Lecturer Joseph Smith.

We thought we had a good idea of what was covered in these three topics, but we sure found out that they are items that should be brought up oftener. It isn't often that we have the authorities to speak on these matters and though quite lengthy are so interesting that one does not notice the time fly.

If there are any questions that are not quite clear to you come up to the meeting and bring them up for discussion. You will always find someone willing and ready to help you out.

E—ETTES

After welcoming new arrivals to other members of the Council for the past few years, the one-legged bird caught up with me and left a bundle with Mary at St. Bernard's hospital, Thursday, Jan. 30, 1941. It was a 6-lb. 15½-oz. baby girl, and will, in the future, answer to the name of Rosemary Barbara. Mother and baby doing well. The depression is still on, so it'll be cigarettes at the meeting next Monday. Only one to a person. Thank you.

The "Three-to-Four Club" under the leadership of President Charles J. O'Brien, is making plans to act as host to all Fourth Degree members at the Palmer House on February 23rd. We are looking for candidates, if interested please call yours truly at Canal 4400, Local 441 or in the evening at Aberdeen 5044.

We regret to advise that our worthy keeper of the funds, Adolph Minster, is still convalescing at home, and in order to get him in good condition so that he might attend the affair with us on February 23rd, we are handling his work for him. Please give us the same support you would have given Adolph, and I am sure it will aid materially in bringing him back with us much sooner than expected.

Also, attention, Fourth Degree members. There will be a meeting of the "Three-to-Four Club" on Wednesday evening, February 19, 1941, at the home of President O'Brien at 8:30 p. m. to make final arrangements for Sunday, February 23rd.

Blue Island Prepares Special Program for Prospective Members

1-3 Tues. . . . Gregory & New, Blue Island

The first month of 1941 is now passed history but ahead of us lie many important dates. First comes our prospective member night, which is slated for the second meeting in February. This has always proved to be one of our most popular meetings of the year.

The lecturer announces that there will be something special to eat, some fine entertainment and a speaker of renown. So the thing to do is to set aside that night right now as a special date to be with us—and don't forget to bring that prospect along with you.

The next event to take place is old-timers' night, at which time the council will be honored to bestow honorary membership upon six brother knights. This date will be held during the month of March.

There have been some rumors heard about a party on St. Patrick's Day, so you see there is plenty in store for us during the next few months. Watch The Columbian closely in the near future for additional dates of interest.

YEAR-IN-ADVANCE CLUB

Bro. Edward Duffy of Chicago kept this honorary club in action by being the only brother this week to pay his dues and assessments a year in advance. Bro. Duffy also inclosed a letter and informed us that he was leaving for Teutopolis, Ill., where he is entering the Franciscan monastary to study for the priesthood. To Bro. Duffy we wish every success in the new life he is entering upon.

Also heard from some of our old friends —Ted Scott of Peoria, Ill., George Bleege, of Chicago, Tony Cistaro, Frank Gerdes, Joe Chudzinski, Ed and Tony Watrobka and Chas Hawker of Blue Island. Good to hear from you boys and we hope to see you at one of our meetings in the near future.

DEATH

The mother of Bro. Joe Martin passed away last week. To Joe and his bereaved family we send our deepest sympathy.

BOWLING

The Wednesday night maple maulers are really getting serious with each other at this stage of the race with six teams still very much in the fight for the coveted championship and the other four still with a chance, putting the pressure on the boys in the upper bracket. The standings to date are as follows:

	W.	L.		W.	L.
Ryans	31	20	Landgrafs	24	27
Gerdes	31	20	Einhorns	23	28
Haas	30	21	Music Box	23	28
Komadas	28	23	Marks	21	30
Hickeys	25	26	Hallinans	19	32

The bowling league wishes to thank everyone who helped make its party such a huge success.

St. Pat's Members to Turn Out Full Force for Benefit

1-3 Tues. . . . . Madison & Hamlin

If you like your good times and still care to have them, then don't miss the annual homecoming card party and dance sponsored by old St. Pat's Church, Adams and Desplaines Sts., Saturday, Feb. 22. Besides the music of Augie Shea and his brilliant orchestra, extra entertainment will be provided, all for the price of six bits (75 cents to you highbrows).

There will be hundreds of door and table prizes. Refreshments will be available at the usual rock-bottom prices that always prevail at these gala affairs. Make your plans now. Don't miss this great opportunity to meet old acquaintances. It's a thrill that comes but once in a lifetime.

BOWLING MEET

Call it the Charge of the St. Pat's Brigade. These mighty warriors will meet the enemy, and we do hope they shall be ours. In this case, however, the foe will be the ever-stubborn Maples, Two of our worthy combatants, Dan Miller and W. O'Connell, will be out to defend last year's laurels in the doubles competition.

Until the white flag has been waved these boys will not cease firing on Generals Joe Sinke and R. Leich, who have a current mark of 1,317 casualties accredited to them. If this duo fails to haul down our secondary composed of R. McCarron, J. Clune, W. Chappell, J. Failla, J. Koerner, G. Hansen, Jos. De Frank, R. De Frank, J. Stumpo, M. Vertucci, W. Latourette, R. Catalano, James Hartford, G. Latelle, J. Farrell, W. Farrell, J. Cullinan, G. Burns, C. McFarland, R. Holmes, R. Latelle, T. Cregan, W. Mulcahy, F. Bordegon, F. Fitz, C. Galena, Jerry Bousk, F. Damato, E. Taglia, M. Zingarelli, H. Piovose, F. Garvey and John Schmitt, W. Kelly will be ready to augment them with heavier firing (we hope).

Fans, if you want to enjoy a good sham battle, then fly down to the C. Y. O. airport, Congress and Wabash, Sunday night, Feb. 9, and watch a blitzkreig of maples go up in ruins. The switch will be pulled at 7 p. m.

ABOUT THE MEMBERS

Reported "as fit as ever" are those two ham-and-egg twins, Jas. Cullinan and D. Miller. Both men are back on the job, and are we happy to learn this! G. Burns appeared a bit frail last Monday night but reports that a few steaks will rebuild what the flue has broken down.

The appearance of John Burke and Dan Herlahy at the bowling alleys signalized that it won't be very long before these two gentlemen will be back on the firing line. Dan has returned to his chores but a new cast has been put on his back to strengthen the injured member. A speedy recovery, old boy! Maurice Kavanaugh is recuperating from his recent operation and it is presumed that it won't be very long before he is up and around again.

Bro. John Mitchell is resting comfortably in a local hospital following a series of four transfusions by his fellow knights, Chas. Basile, Augie Darks, M. Demma and Anthony Palotta. Our good friend, Cornelius Murphy, also had time to rush to the Illinois Research Hospital to give a transfusion to one Mrs. Brandt, wife of a member of General Sherman Council. Congratulations! You have proven your caliber as real Christian men.

BOWLING NOTES

In a special match game the McGinty Black Rocks, champions of 1939-40, came from behind to defeat the Damato Taps, 2,513 to 2,509, after the latter apparently had the championship of the first half virtually tucked away. The scores released by J. Stumpa and the official scorer of Illinois State Bowling League, T. Burke, showed that for the winners Vertucci garnered 575; Garvey, 531; Bordegon, 468; Koerner, 485, and W. Farrell, 455, while for the losers R. Latelle had 586; Damato, 517; McFarland, 453; Hansen, 442; R. Holmes, 451. The highlights were Rox's 228, Damato's 202 and Garvey's 200. Vertucci at one time clustered seven strikes in succession. Congratulations, boys!

At our regular bowling night the Rex Paints slowed down the Emergency Radios by beating them 2-3. The McGintys swept three from the Weiland Florals, while the Moriarty Indians just managed to eke out 2-3 from the lowly Deir Morticians. The Cahill Printers lost the odd game to the Barry Boosters. S. Freda's meat hounds took the measure of the alphabet squad, the ABC's, 2-3.

Once more the Allegretti Grill team demonstrated its superiority over the Damato Taps, winning all three games. The high men were: Mulcahy, 485; Basile, 541 (212); Burns, 552 (202); R. Latelle, 539 (197); R. Bennish, 507 (192); Montedore, 583 (203-200); J. De Frank, 502 (233 and 33); Hartford, 530 (189); Spero, 538 (199); Chappell, 549 (200); O'Connell, 505; J. Bousk, 540 (201); Nolan, (500); J. Eisa, 497; Garvey, 545 (211); Vertucci, (502), and Finn, 453.

Are you a Fourth? Attend the exemplification banquet, Feb. 23.

Members and officers of St. James attended the wake Sunday evening in a group to pay their last respects.

Bro. Donoghue had been ill for several weeks and was confined to a hospital for the last month, and then turned for the worse. Although Bro. The entire membership herewith express their deepest sympathies to the Donoghue family and extend their heartfelt condolences.

La Rabida Mourns at Death of Old Council Friend, Mrs. M. Curley

2-4 Tues. . . . . 6236 Princeton

Mrs. Margaret Curley, widow of the late Daniel F. Curley, Sr.,, and mother of Daniel F. Curley, Jr., both of whom served La Rabida as its Grand Knight, passed away at St. Bernard's Hospital on Jan. 28. Her death resulted from a fall in her home. Besides having seen her huband and a son serve this council as Grand Knight, Mrs. Curley was likewise the mother of other members of the council, namely, Bro. Ed Curley, who survives her, and the late Bro. Peter Curley, who died about ten years ago. A large number of La Rabidians attended the wake and funeral. The officers and members extend their sympathy to the bereaved family and pray that God may have mercy on her soul.

FOURTH DEGREE

The annual exemplification of the Fourth Degree, as you know, will take place on Sunday, Feb. 23, at the Palmer House. Any members of La Rabida who may contemplate taking the degree should get in touch with Fin. Sec. Andrew Bulger at once.

McHALE DINNER DANCE

On Saturday evening, Feb. 8, McHale Council will hold its 34th Anniversary Dinner Dance at the Shoreland Hotel, 55th street and the lake. McHale makes this annual affair a gala occasion and I can assure you that any member who attends will have a good time.

The next meeting of La Rabida Council will be held on Tuesday, Feb. 11. The evening will be devoted to a business session. The usual social hour will follow the meeting.

Columbus Notes Rapid Gains in Membership and Other Activities

2-4 Tues. . . . . 6932 N. Clark St.

Everything seems to be going great in our council these days. Eddie Kelly reports that five new applications and three new transfer applications are to be voted on at our next meeting, with more promised. My appeal for fourth degree applications last week had some effect and now Doc Schuler telephoned to say that he has a little surprise in store for the members at our next meeting.

One of the big treats of the evening will be a speaker of national reputation, who will endeavor to tell us "Just What Is Wrong Over in Europe," and it would be well for the younger members to put in their appearance on that evening so that they, too, may be informed. Doc has gone to a great deal of trouble to get this speaker for our meeting Feb. 11, and if we want more like them we will have to show Doc that we appreciate his efforts toward making meetings interesting.

This talk will not have to pass the censor and it will be a golden opportunity to get away from the radio for a night and listen to some real facts. Oh yes, I almost forgot, Doc also told me to invite all of your friends whether they be members of our order or not. He will have rom for everybody and you will have to make no apology for the program offered. Also let me tell you a big secret: Doc promises plenty of refreshments and eats, so plan now to be with us next Tuesday evening, Feb. 11.

OUR LAST MEET

With Buzzer Roche trying to keep pace with his Hibernian pal, trying to be everywhere at the same time, our members were given a real surprise at the way our deputy grand knight, Al Irving, conducted our last meeting. The meeting was short and snappy with the floor leaders like Owens and Sextro having little to say. Walter Nietschmann talked, only fifteen minutes on how you could bring some of our older members back to our Round-Table Guild.

Claude Dollahan promised to give skating instructions to Borchardt and Hamer if they would only bring in about five applications from St. Jerome's, while Tony, the lady killer, gave the younger members his system in ducking marriage. Frank Coffey reported that Eddie Kelly, Charley Owens and the financial secretary went up to Waukegan last Sunday to witness the third degree and they were guests of that lively council in Waukegan at a banquet later on in the evening. Borchardt seemed to enjoy the day more than anyone. I wonder why.

DINNER-DANCE FEB 20

Mark this date down and make plans to be with your fellow members on Thursday evening, Feb. 20, at the Edgewater Beach Hotel Marine Dining Room. Doc Schuler has arranged for a very wonderful evening in this, the world's most beautiful dining room, at a very reasonable charge and he would like to see as many members as possible join a merry crowd. The charge will be $1.50 a plate, which includes a wonderful dinner, the entire floor show presented by the Edgewater Beach and dancing for the entire evening.

This is the one chance during the year for the wives to get away from cooking for an evening; for the sweethearts to give their girl friends a real treat, all for a very moderate price. Doc would like to have you call him during the day at Sheldrake 8175 or in the evening at Briargate 8194 and he will make the necessary arrangements. Get a crowd together and be with us for the evening, but be sure and call Doc to get the advantage of the special rate.

FOURTH DEGREE

In our eagerness to interest all of you in joining the fourth degree class of next Feb. 23 we covered too much ground in last week's explanation of the provisions of the initiation fee. The $25 assessment does cover the initate's baldric and sword, in addition to a fourth-degree emblem and a reservation for the evening banquet at which His Excellency Archbishop Samuel A. Stritch will be guest of honor. We hope we're correct this time and that you'll swamp the GK with your applications.

Century-Old Vestments Are Found in Home of Georgia Mountaineers

Charleston, S. Car.—The efforts of many Irish Catholic mountaineers in this region to preserve the faith of their fathers rival the fidelity and heroism of Ireland itself, says Father James J. Devery, C.S.P., one of the Paulist Fathers who have taken charge of the scattered faithful in Oconee and Pickens counties. Many descendants of the early Irish settlers have lost their faith, but others, in the face of isolation from priests and active bigotry among their neighbors, have preserved their religion.

When Father Devery visited the home of one aged mountaineer, he found that a set of vestments left there nearly a century ago by a missionary named Father O'Connell had been carefully preserved as symbols of the true faith. Through the trying times of the Civil War and the reconstruction period, the vestments had been concealed from roving marauders.

"On every mountain side and at every crossroad you are greeted by the blue-eyed Celt and entertained by his Gaelic wit," says Father Devery. Within 50 feet of the church at Clemson live the McHughs on one side and the O'Rourkes on the other. South Carolina's first governor was a Burke, and its most celebrated statesman Calhoun, was an Irishman. The Dillions, the Rogers, and the Collins have become numerous clans, and near the Paulists mission territory is a school whose trustees, teacher, and students all bear the name of Collins.

Many of the Protestant Irish are descendants of non-Catholic pioneers. Others have lost the faith through generations of isolation. Most of today's Catholics are descendants of a colony of several hundred Irish stonecutters who came here in the early 1850's to build a tunnel in the Blue Ridge mountains. The project was abandoned for lack of funds and because of the Civil War, and most of the original members of the band left this region.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Amen.

CHINESE LAY BROTHERS TORTURED BY BANDITS

Vatican City.—A story of extraordinary tortures suffered by native Catholic missionaries in China has been brought to light here. Last year, Chinese bandits captured 19 native lay brothers, members of the Congregation of St. John the Baptist founded by Father Lebbe, a Jesuit. Seven of the lay brothers were released after being held hostages in a prison for seven months. The other 12 brothers were liberated only after considerable ransom had been paid. As soon as the brothers left the camp, however, they were set upon again by the bandits. They were severely beaten, and some were killed.

Dearborn Urges 'All Out' Support for Feb. 9th Party

1-3 Thurs. . . . . 820 W. Garfield Blvd.

Being as how the Dance (Dearborn's Annual Pre-Lenten and Valentine Party) is just one week away (February 15), at the Stock Yards Inn, 41st and Halsted Sts., your ticket chairman went into conference with your scribe and discussed ways and means to bring about another successful Deaborn event. The meeting ended in a stalemate because the ticket chairman kept hammering at ticket distribution as the real means to success, and the scribe insists that publicity brings about ticket sales and ultimate success. However, it appears that the opposing forces will be brought together through the mediation of Dance Chairman, P.G.K. DuMais, whereby a compromise will be effected and ticket distribution will be merged with publicity. Thus the scribe will let go of the ticket chairman's throat and harmony will reign supreme.

If one guy, the ticket chairman, can raise all this fuss to sell Dearborn's tickets, we'll wager that all Dearbornites are carrying out a furious battle for "All Out" aid to this dance. Our sympathy goes to the ticket chairman in this last week prior to the affair. He'll probably be snowed under the heavy demands of the brothers for additional ducats. But, as your humble scribe I would suggest that you take all the tickets he has on hand and spend the last week in swamping him with receipts. At least that way we can keep him still!

Even though the ticket chairman might be a little nervous about his so-called unequal distribution, your scribe is not, because he has recorded many successful past performances for Dearborn. Thus he has a complete confidence in your abilities, is certain that the dance will be a complete success.

So with all the emphasis possible, this column urges you to get behind Chairman DuMais and his committee, particularly that pesky T. C. and give them your fullest cooperation. Call Mike Mercury at Fair. 3797 to make early reservations. For additional tickets (and we hope you keep his wires busy) phone Dave Kerwin at Bou. 2070. In addition contact, if necessary for tickets or information, Bob Du Mais, Vic. 8780; John Downes, Bev. 7475; Joe Nix, Ste. 2692; G. K. Devereaux, Hay. 3891; and Steve Ruff, Har. 1250. Final plans and details will be discussed next Tuesday night at the entertainment meeting at 5818 So. Peoria St. We trust the whole council will be present.

"ODE TO A TICKET CHAIRMAN"

Just to show that we buried the hatchet with the T. C. and are keeping our promise to combine ticket distribution with publicity, we attempt below to convey his thoughts in verse typical of the old time nursery rhyme. So without applying for a poet's license, here goes:

T is for Tickets to dance, one buck each;
I is for Ideal distribution to you we beseech;
C stands for Crowd, the Inn to overflow;
K exemplifies Knighthood, real sponsor of the show;
E reveals Energy of members expended;
T is for Thrills in store unended;
S means Success in which Dearborn exceeds.

MEMBERS AND MEMBERSHIP

APPLICATIONS: The drive for new men is now being intensified. The G.K. and Chairman Joe Nix resolve that they won't let the members relax a precious second. To illustrate this determination, permit me to cite Dearborn's most recent case. Charley Read took the 3rd in the John Richert class on the afternoon of Jan. 26th, that evening he signed a new prospect. Now that's fast work, brothers, and exhibits a genuine Dearborn spirit. Congratulations, Bro. Read, you've set a right smart pace but better keep working because the rest of us surely will.

The Maneys maintained their pace by winning two from the Premiers. The Bradys kept abreast of the leaders, taking two from the R-Ks (woe again). The Feilens continue an improved game with two wins over the Manhattans. Incidentally, John Feilen broke his strikeless series of six games by garnering a strike on the very first ball of the 7th. The league has entered a team in the State Tournament and will bowl Sunday, February 9th, at C.Y.O. at 4:00 p. m. Let's go down and lend moral support.

Setters Dads and Lads Agree Unanimously: Their Party Was 'Tops'

2-4 Thurs. . . . . 6710 S. May

Seven hundred dads and lads, members of Father Setters Council and their youthful guests, were magnificently entertained at the annual Fathers' and Sons' Night, Thursday evening, January 30, and every one of the seven hundred enthusiastically pronounced the party a complete success.

The program opened with three boxing bouts presented by members of the athletic club of Presentation parish. Immediately afterward the Catholic Youth Organization, under the direction of Tom Purcell, presented six fast bouts between leading members of the C.Y.O. stable of fighters. All of the battlers were in tip-top trim and the contests were fast and furious.

After the bouts, novelty entertainment features were offered. The climax came as Billy Webb of the White Sox staff and Grand Knight Maurice J. Kissane and Lecturer J. Edmund Dwyer distributed the seventy-two door prizes, which consisted of baseballs, gloves, bats, footballs and training shirts. Included among the awards was a three-month membership in the Madison Athletic Club, presented by the management of that organization.

DEGREES FEB. 27

Father Setters Council will play host to seven neighboring councils in a joint exemplification of the First and Second Degrees at the clubhouse on Thursday evening, February 27. All of the affiliated groups report substantial numbers of candidates and the successful administration of the degrees is therefore assured.

Grand Knight Kissane and the Membership Committee have issued a last minute call to those Settersites who have candidates for the above exemplification, asking that applications be forwarded at once in order that participation in the ceremonies may be assured.

FOURTH DEGREE FEB. 23

Joseph A. McMahon, Master of the Fourth Degree, calls attention to the approaching exemplification of the patriotic degree on Sunday, February 23, at the Palmer House. The ceremonies will be in the form of a testimonial to His Excellency, the Most Reverend Samuel A. Stritch, Archbishop of Chicago.

Members of Father Setters Council who wish to take the degree or attend the banquet are requested to communicate with John F. Hickey, 5104 W. Monroe street (Austin 3112) at once, so that a group reservation can be placed for all.

CONGRATULATIONS

Mr. and Mrs. Roy P. Bedore were the guests of honor at a surprise party held last Saturday evening, in commemoration of their twenty-fifth wedding anniversary, which occurred February 5. Among those present were State Secretary Leo Flynn and Mrs. Flynn; James Carney, secretary of the Chicago Chapter; Ray Gerber, P. G. K. of Dowling Council; Jim Curran, G. K. of Barry Council; P. G. K.'s Al Thompson and Roy Bennesh of St. Patrick's Council; Joe DeFillipe of Auburn Park Council; Joe and Al DeCalluwe of De Soto Council, and Hank Iding, Jack Brady and Bill McLean of Setters.

The entire membership of Father Setters Council join in expressing best wishes to Mr. and Mrs. Bedore on this happy occasion and in tendering to them our sincere hopes for many more years of happy wedded life.

Hughes Doubles Squad Takes Lead in State Tourney

1-3 Tues. . . . . 4711 W. Madison

The principal contingent of Hughes Council bowlers made their bid in the Illinois K. of C. State Bowling Tournament at the CYO Center over the last week-end. None of the teams displaced the leaders, but in the doubles event Jack Pender and Stanley Para took command with the imposing total of 1,360. Stanley (Murph) Para contributed a phenomenal 730, opening with a 267 count, following with 244 and 219. Jack Pender had 630. In the team event, Hughes' Majors got 2,976, made up of: Slanina, 657; Pender, 514; Kaminski, 591; O'Brien, 648, and Kaminski, 566.

In the singles, Bro. Elmo L. Ward came through with a brilliant 676 count. P. G. K. Harold F. Enright got 650 and Dr. Louis Postilion, present G. K., totaled 640.

Frank Kaminski came through with a 712 count in the doubles, but partner Al Kowalski could contribute only 515, for a 1,212 total. However, Bro. Kaminski is well up in the all events with an 1,908 total, while P.G.K. Elmer J. O'Brien boasts 1,892 in the all events, including a 607 total in the singles and 1,195 with Slanina in the doubles.

Other doubles scores included D. Brown and M. Heneghan, 1,225; Tom Dailey and Erve Lauterbach, 1,214; Joe Postilion and Al Korbel, 1,210; George Daly, Jr., and Raymond O'Brien, 1,194. In the singles, the following had good series: George Daly, Jr., 655; Thad Dietz, 615; Raymond O'Brien, 607, matching his dad's total; Charles Votava, Jr., 631; Bill Kane, 624; and Dan Brown, 623.

COUNCIL NEWS

The State Bowling Tournament comes to a close over the next week-end, February 8 and 9. More of Hughes' members will roll on these squads.

Sir Knight Frank J. Soukal, Jr., recently transferred into Hughes from St. Joseph Council of Argo, Ill. He is a florist located at 3237 W. 26th Street. Active in Fourth Degree affairs, we anticipate that Frank will take a major role in Hughes Council's activities. Note that Soukal Floral Co., telephone Rockwell 0176, is able to furnish "Flowers for All Occasions."

Advocate Art Kreutzer left Monday via United Air Lines for Los Angeles. Art was disappointed when in checking baggage he discovered that his golf bag and clubs were excess. He certainly should have known that, according to his friends, especially after hauling them around local courses.

After bowling last Saturday night, some of the kegelers went to various parties made up in impromptu fashion. Quite a sizable group gathered at Flaherty Tavern, Menard and Division, while another rested, wined, dined and danced at Wallace's, Harrison and Lockwood. Young Raymond O'Brien rendered several numbers and clearly demonstrated the value of training he has been undergoing. A recitation he delivered was topnotch professional performance.

HUGHES' DANCE, FEBRUARY 15

Saturday, February 15, is to be the red letter day. Hughes Council's annual dance, Madison Athletic Club, 4715 W. Madison Street, with a top ranking orchestra, Bill Rother and his music. D. G. K. George N. Daly, general chairman, reports that tickets are going well, but facilities are ample for a tremendous throng, so get busy and induce all your friends and acquaintances to enjoy this evening with you and Hughes Council.

Tickets are only 40c. A bargain. There will be music, singing, entertainment, refreshments. A big time for young and old. The dance committee urges that returns for tickets be made promptly to offset early promotional expenditures. Be sure that the number of tickets paid for is noted and turned in, as collection will otherwise be made at the door.

There will be a dance ad program if everybody gets busy and helps Chairman John F. Korbel. All the business people in the council—indeed, all on the west side—should be induced to be represented in this booklet. Get going and give John some valuable assistance.

FOURTH DEGREE

Contract Sir Knight Charles Votava, Sr., for all details about the next exemplification of the Fourth Degree. Hughes wants to have a representative class. If you are a Third Degree member and have been in good standing for two or more years, you are eligible. Applications from Chairman Votava, G. K. Postilion or Financial Secretary Harper.

We expected Bob Monahan to s record in the State Bowling Tou ment. The guy must have let down a his succession of big series in the C cil League.

Stanley Para and Frank Kami were sensations, both with over series in the tournament. That's be than classic league bowling.

Chick O'Malley is doing some mas minding to get the Votava Auto-Fi in first place in the Council League, if the other members of the squad a leaf from P. G. K. John Bann book and start to mow the ma down as he has been, the Votavas make it.

Understand that the George Daly, Miss Helen Butler nuptials will b May, and George's sister is set to dle-aisle it about a month later.

State Deputy Cites Lessons of Fourth Degree as Inspiration to All Patriots

Ritual Affords Great Force for Awakening New Love of Country: Bolton

BY JUDGE JOHN F. BOLTON
State Deputy Knights of Columbus in Illinois

The Fourth Degree exemplification to be held February 23 at the Palmer House affords every Knight of Columbus an opportunity to take part in one of the finest patriotic exercises ever devised by the mind of man. In the trying times abroad in the world today, an occasion such as this, which emphasizes the contribution of the Catholic men and women of America to the growth and glory of our nation, should call forth the highest interest of the members of our Order for participation therein.

No Knight of Columbus can become a member of the Fourth Degree without thereby increasing his fervor and love for our nation, for the lessons taught in this ceremony indicate the heritage that is his from the brave, loyal and devoted citizens of our faith, who so ably participated in the founding and establishing of the nation to which we swear allegiance. The part played by the clergy of our religion in the pioneer days of the nation and their devotion to the cause of free government in the establishment of the nation is also accurately portrayed.

It is fitting that this exemplification and banquet should be dedicated as a testimonial to one of the great Apostles of our Church, His Excellency the Most Reverend Samuel A. Stritch, as our Archbishop, he has, in the short time that he has presided over the destiny of the Chicago Archdiocese, won the affection, admiration and esteem of all citizens, regardless of their thought or creed.

This splendid leadership will be further felt in the days to come, when trying situations, arising out of world-wide developments, may cause the mind of man to be confused and uncertain as to which is the true road to travel. Then indeed will the reputation of Archbishop Stritch, as a leader in civic and religious problems, be a signpost for those who desire the way of life that the citizens of our land have enjoyed since the foundation of our government.

Is Bulwark to Democracy

Our Democratic forms of government can best be perpetuated by those who know and understand them, and the words of wisdom that will be spoken by His Excellency, as the guest speaker of the day at this banquet, will afford an opportunity for every Knight of Columbus in the Archdiocese to hear and learn a lesson of inestimable value. They will act as a tremendous force in providing every Fourth Degree member with renewed patriotic fervor to strengthen and uplift the national morale and to stand shoulder to shoulder with their fellow Americans for the preservation of the constitution of this free land.

It is my desire as State Deputy that every member of the Order in the Northern District of Illinois, eligible to take his Fourth Degree, or to be present at the banquet, should miss the extraordinary opportunity.

Councils Accept Challenge

Answering the State Deputy's challenge to enroll in the cause of the Fourth Degree, councils throughout the city are now bending every effort to list some percentage of their membership in the coming exemplification.

Among the distinguished candidates who will assume the final rank of Order honors at the exemplification February 23rd will be the Rt. Rev. Msgr. C. F. Conley, P.H.D., pastor of St. Mary's Church at Freeport, Illinois, and a member of that local council.

Bishop Hoban to Be Guest

Master Joseph A. McMahon also made known Tuesday that the Most Reverend E. F. Hoban, Bishop of Rockford, will be among the distinguished guests at the banquet Sunday evening.

State Deputy Judge John F. Bolton today called upon all Third Degree Knights to advance to the final rank of Order honors in the exemplification of the Fourth Degree at the Palmer House here on Sunday, Feb. 23.

The Most Rev. E. F. Hoban, right above, will be one of the many distinguished guests attending the exemplification banquet that evening.

CHICAGO COUNCIL WILL HOLD VALENTINE PARTY AT HAMILTON HOTEL SAT.

Chicago Council No. 182 will entertain the ladies and prospective candidates at a Valentine Party tomorrow evening, Saturday, February 15, at the Hamilton Hotel, Dearborn and Madison Streets.

The party is an annual event, sponsored by a group of the younger members of the council, to provide opportunity outside of the council chamber for new members and prospective candiates to become acquainted with the old-timers.

There will be dancing to the music of a fine orchestra with plenty of room for social discourse. The tickets, priced at one dollar each, include refreshments. Members of other councils are invited.

ST. PATRIC'K PARISH TO SPONSOR BENEFIT PARTY AT LA SALLE HOTEL HERE

The Reverend Thomas J. Hayes, pastor of St. Patrick's Church, Desplaines and Adams Streets announces the annual homecoming Card Party and Dance to be held on Saturday evening February 22, at 8 p. m. in the Grand Ballroom and the Red Room of the Hotel La Salle. Dancing to the music of Augie Schaid will be featured from 9 p. m. in the Red Room. An invitation is extended to all the old parishioners and many friends of this old parish to participate in this worthy affair.

Several prominent organizations under the general chairmanship of C. A. Leary, 722 Clinton St., Oak Park, are combining their efforts to provide fine table prizes and many door prizes, in addition to a souvenir "ad" program of which a patron's page is a feature. Tickets are at seventy-five cents (.75) and may be obtained together with additional information from the Rectory, 718 W. Adams St., Monroe 4532.

St. Patrick's Church is the oldest church of any denomination in Chicago and is one of the very few buildings to have survived the great Chicago fire. It was built in 1856, ten years after the founding of St. Patrick's parish. At one time the parish embraced all Chicago west of the Chicago river. Now its parishioners are scattered across the length and breadth of the city.

K. C.'s Active on Committee

Many Knights of Columbus but especially members of St. Patrick's Council here are represented on the committee in charge of the program. Past Grand Knight Al Thompson and Ray Bennish among others have an active part in the party arrangements.

Councils Continue Membership Work for New Records

One Thousand Members Added to Order During Six Weeks of Campaign

Councils of the Chicago area despite full and well-rounded programs of other activities continue to uphold the remarkable pace set for the current membership drive during the early weeks of this year.

Two first and second degree exemplifications were held Tuesday evening for the units of North Division No. 2, and West Division No. 2. Chicago Council was host to the members of the north section and Feehan to those from the west side. Both classes were reported as unusually large and as having had representation from almost every council in the separate sections.

Supreme office bulletins indicate that since the first of January nearly one thousand new or reinstated members have been inducted into order membership in Illinois. The majority of these are represented in the gains of the local councils.

During the six weeks since the first of the year the Illinois jurisdiction has moved steadily ahead in the listing of all membership gains for the separate state councils so that now it stands only two positions out of first place.

The next big objective in the membership field is the admission of new members in Founder's Week, March 23-30. Every council is asked to work on a First Degree for that observance as a mark of esteem for Reverend Michael J. McGivney and his co-workers who established the Order in 1882.

Prompt action is now required for lining up team workers to visit prospective candidates and procure their signed applications for the Founder's Week Degrees. Determined effort in this regard now can place each council on the Honor Roll, which will be issued early in April to recognize the new winners of that distinction during Founder's Week.

LA SALLE ASSEMBLY WILL OFFER MOVIE, VAUDEVILLE ON WEDNESDAY'S PROGRAM

"All-American Way," the currently popular sport motion picture sponsored by *The Chicago Tribune*, will be the featured attraction at the regular February meeting of La Salle Assembly, Fourth Degree, to be held in the Red Lacquer Room of the Palmer House on Wednesday evening, February 19.

The film, recently released, brings its audience high-lights of famous events in the world of sport—baseball, football, boxing, skating. It has been most enthusiastically received wherever shown, and the Sir Knights of the Assembly are certain to enjoy it. Several excellent vaudeville acts will precede the showing of the picture.

During the evening, the Assembly's Membership Committee will meet in another room in the hotel to pass upon the qualifications of all applicants for membership in the Fourth Degree, the exemplification of which will take place on Sunday, February 23. This work will in no way interfere with the program of the evening.

BY FRANKLIN J. HASSMER, Chairman,
Nocturnal Adoration Society, Notre Dame Church, Chicago

Who is there that has not at some period of life succumbed to the charm, personality or character of an individual whom it is chosen to call "hero." From childhood through middle years and into old age, the record of the average life is replete with intervals that have been definitely infiuenced by the "hero" idea.

Whether patriot, politician, poet, musician, actor, athlete or dozens of other personalities, each one has an unseen army of devotees whose prime objective is to make of itself a counterpart of the "hero." Not only is this true in the positive sense for it is frequently recorded that small boys would give a right arm to be the reincarnation of a Jesse James.

And what of Christ? Need Catholics be reminded that in this Divine Person is to be found the complete personification of all qualities so vainly sought after in the frail human "hero." De men give to the Loving Christ the enthusiastic voluntary devotion which they accord a personal "hero?" Too frequently service to Him who is Father and Brother to all receives only routined service rather than that which springs from a loyal heart.

If you have been cold and matter of fact to your God, it has been the result of a lack of a closeness with Him. Worship thrives on a deep understanding and appreciation of a person or thing. So, too, with God, He must be known to be loved enthusiastically. As to the approach to this better understanding, it is suggested that you associate yourself with the Nocturnal Adoration Society. This organization, exclusively for men, meets on the last Saturday night of each month in Notre Dame Church, 1335 W. Harrison Street, to spend an hour in adoration at the Eucharistic Throne.

This is "hero" worship in a high degree where love and service of God is learned at the feet of the Savior. All Catholic men are urged to join in this inspiring Eucharistic exercise which demands of the individual nothing but a devoted heart that is willing to return love for love. His voice has echoed from the beginning of the Christian era, "Learn of Me, for I am meek and humble of heart."

Santa Maria Reminds Sir Knights to Place Banquet Reservations

2-4 Thurs. . . . . 9120 Commercial

The 23rd of February isn't far away, but there is still time for all the Fourth Degree members of our Council to make reservations for the annual Fourth Degree banquet following the exemplification for new Sir Knights. This year's banquet promises to be the most impressive one in years. It's to be in honor of Chicago's own Archbishop Stritch, and many prominent K. of C and Chicago dignitaries will be in attendance. The banquet will be held in the Grand ballroom of the Palmer House.

Preceding the banquet, which is to begin at 7 o'clock, and following it, Santa Maria will have its own private party in one of the suites of rooms. So far we have two candidates for the degree, our veteran member Bro. John Morrin and Bro. William Jakse. Unfortunately, Bro. Jakse is in the South Chicago Hospital recovering from an appendectomy, but we are all hoping he will be well enough to attend the ceremonies.

The following Sir Knights have promised to be in attendance: G.K. Albert Schott, P.G.K. Michael McParland, P.G.K. James Brown, P.G.K. George Rooney, P.G.K. William Rosenbach, Emil Klawitter, Anton Jakse, Jr., Jim Malloy, P.G.K. Gordon Nash, Martin Hollieran, Bill Cullen, Trustee Joseph Gerlich, Frank Quillen and of course, D.P.M. Call or see G.K. Al Schott for your reservations.

ABOUT THE BROTHERS

Our new Bro. Czesny is sure burning up the local alleys in the bowling leagues. Almost every night we read of his new exploits in the tourneys. Bro. Dr. Thos. Carlos has been selected as one of the officials in the coming Golden Gloves Tourney. The Council wishes to extend its sympathy to Bro. William Henry upon the death of his beloved mtoher. May her soul rest in peace. Don't forget St. Patrick's Home coming on Monday, Feb. 24th, at the South Chicago Masonic Temple. Co-chairmen Bros. James Brown and George Rooney promise a full evening of the best best fun and frolic.

Our very accomplished Chaplain, Fr. Terlecke, is not only preparing his speeches for his series of lectures on things Catholic at his church on Feb. 16th to the 20th, but has been writing a most enlightening series of columns for the Daily Calumet.

All of the Nash boys and members of our council, Gordon, Elmer, James, Tom and Dan, and their wives turned out at the North Western station last Sunday evening to see their mother and sister off for a month's vacation in California. Bro. Dan Carroll must like it very much out in Evergreen Park. We haven't seen him at meetings since he moved out there. And what has become of our very good friend Bro. Mike Fagan. We haven't seen him lately either. Bro. John Nash is again working in town after a year of employment in nearby towns.

Catholics Increase

St. Columbans, Neb.—The Catholic population of Hanyang City, China, has multiplied 50 times over a period of 20 years, according to the annual report just issued by Bishop Edward J. Galvin. Hanyang is the chief city of the territory staffed by priests of St. Columban's Foreign Mission Society, under Bishop Galvin as Vicar Apostolic.

Chicago Expects Everyone at Its Party Saturday

2-4 Tues. . . . . 64 E. Lake St.

This Saturday is the "BIG PARTY" night for Chicago Council. Hamilton Hotel, Dearborn south of Madison, is the place—up in the grand ballroom. Chairman Sam Mercurio and his committee are the hosts. Your presence is all that is required to make this annual affair a big success. Tickets, at one dollar a throw, have been going like hot-cakes and it begins to appear that if you are looking Saturday night for any members of Chicago Council, the first place to look is at our party. There will be dancing (good music) and refreshments a-plenty. Come down and meet "everybody."

THE DEGREES

Chicago Council's exemplification of the first and second degrees at last Tuesday's meeting was by far one of the most impressive in many a day. The class was large and included candidates from DeSoto, St. Cyr, and Daniel O'Connell Councils. Grand Knights Joseph Maggiore of St. Cyr and Eugene P. Scanlan of DeSoto occupied seats with our own Grand Knight Henry L. Phoenix.

After the meeting a lunch was served and the initiants had an opportunity to become acquainted with the older members, the old-timers, the war-horses, the watch-dogs of the treasuries, and the hour was getting quite late when this scribe grabbed the old owl car for his lodgings on the north side. Consequently, these notes must be brief and, of necessity, miss mention of some names—for which we beg pardon.

FOURTH DEGREE

Applications are still coming in for the Fourth Degree exemplification which occurs on Sunday, February 23, at the Palmer House. Chairman Frank J. Casey announced the names of a couple of old-time members who have signed up. He also asked Fourth Degree members who plan to attend the banquet to hurry their reservations to Henry J. Lynch who, as secretary to the master, is in charge of arrangements.

Carroll Cooks Up a 'Meaty' Program for Next Meeting

Next Meeting Feb. 18 . . . 6 N. Hamlin.

As a pre-Lenten gesture, the members of Charles Carroll council will be entertained by partaking of that "famous beef" by Hank Evert at our next regular meeting, Tuesday, February 18. This will be a fine occasion for the members to "fill up" with beef so that there will be "less beefing." COME ONE, COME ALL! This is the evening especially set aside for the members to get-together and exchange their "bits of news." Some of the boys haven't seen each other in a month of Sundays. Take advantage of this "very special" invitation from your Grand Knight James J. Crosby and come up to the Council hall to pay your social obligation, and to mingle with the boys in a jolly "free-for-all." DON'T FORGET THE DATE — TUESDAY EVENING, FEBRUARY 18, YOU ARE WANTED!

FOURTH DEGREE EXEMPLIFICATION

One of the first men of Carroll council to apply for Fourth Degree membership in the forthcoming exemplification at the Palmer House here on February 23, is none other than our genial Grand Knight James J. Crosby. Others who have expressed their desire to be a part of this patriotic example of true Americanism, and to qualify as Sir Knights-to be are Gordon J. Kickels, William E. McNamara, Edward L. Baker, Joseph Schuck, and Harold Crosby.

With the final preparations now being made to accommodate a record class of Fourth Degree candidates in this annual event which is slated to make Order history, another plea goes out to the membership. If you have the necessary qualifications, do not hesitate to be among these choice men.

Fourth Degree Chairman George J. Hunt announces that Council rooms will be available on the seventh floor of the Palmer House from two in the afternoon of February 23 until. Members who wish to have a "real good time" may come up to the rooms and meet with the other members in an evening of fun, frolic, and all-around good time. Those wishing to attend the banquet given in honor of the new Fourth Degree initiates may do so for five dollars per plate. Wearing apparel is strictly formal.

THE WINNAH

Chancellor Johnny Golden of Father O'Connor council was the bearer of the good news that your Scribe (Ken Torgeson) was the lucky winner of a door prize offered at the Marty Hough Cabaret and Testimonial Dance given at Queen of Angel's hall on January 25. The result of the drawing was a beautiful RCA Victor radio. . According to John, the winning number was picked sometime between 1:30 a. m. and 1:45 a. m., which was, incidentally, during the exact time of your Scribe's birth twenty-eight years ago. Thanks for the dual-reward.

CARROLLITES

Carroll Council regrets to report the passing of Irene Ryan Kidd, late of 1439 North Mayfield avenue, beloved wife of the late George Kidd, and daughter of the late John B. Ryan, a charter member of Carroll council. Burial took place on Wednesday, February 12, from John A. McMahon funeral home at 5321 Madison street to Saint Angela's Church. To the relatives of the deceased, the officers and members of Carroll council extend their deepest sympathy. . . . Tom O'Brien has been reported hospitalized but no details are known of the seriousness of his illness as yet. . . . Correction, please! D. D. and P. G. K. John McNamara has not left the Edward Hines hospital and no definite time of his discharge has been made. . . . Dan Cupid has been at work, while we have missed seeing our good friend Martin P. Gallagher at the meetings. Understand that he contemplates marriage. Well, can't say that we blame any young lady for sweeping him off his feet, but we do miss seeing him.

Phil Sheridan Holds Pre-Lenten Party at Hall Next Wednesday

1-3 Thurs. . . . . 446 N. Parkside

Phil Sheridan Council, which on the completion of two score years in November last, adopted the slogan, "Life Begins at Forty," believes in the efficiency of combination. Therefore on Wednesday, Feb. 19, it will stage a combination Valentine's Day and pre-Lenten party at Parkside Community Hall, 446 N. Parkside avenue, Austin. Even the name of the party, "Kay-Cee-No," is a combination of—you guess what.

Accommodation for 300 guests will be provided for this initial party, but Chairman Ray de St. Aubin was given a blank check at the meeting last Thursday evening to furnish the council's public as many of these parties as the trade will stand at one dollar per guest. Grand Knight Edward F. Bachner is cutting his vacation in Florida short to be home for the party and its preparations, in which Chairman St. Aubin has the help of Lecturer C. B. Jackson and a committee including all the other officers and a dozen or more of the members.

Of course, all Knights of Columbus, their families and guests are invited, and will be admitted without the current password.

The trusteeship, vacant since the death of the veteran Michael J. O'Leary several months ago, was filled Thursday evening by the unanimous election of Ray de St. Aubin, P. G. K. . . . The council was gratified by the action of the Chicago Chapter recently in making P. G. K. William J. Clark an honorary member of that body in which he has represented this council for nearly a quarter of a century. . . . While the council bowlers may have some reservations on how Bro. Ray Gleason treats its bowlers Friday nights at Cascade Alleys, it thanks him for making the motion that honored Bro. Clark at the chapter meeting.

Those who know Chancellor Frank J. Weaver only as a stalwart bowler for Phil Sheridan in the West Side Majors got an entirely new perspective of that Chesterfieldian gentleman as acting grand knight at the last several meetings in the absence of G. K. Bachner and D. G. K. John F. Gleason. Gleason says while Weaver may be a good substitute in the chair, he can't class him on the alleys. Is that a challenge?

Drivers must have vehicle licenses, and so Trustee Frank A. O'Neil has been absent from the meetings lately, working nights to take care of the rush at the city hall. With the deadline past, Frank will be able to resume his council-old habit of regular attendance.

A lot more could be written about young Phil Sheridan, but space must be left for the other councils. If you want to get the real McCoy on the order's first suburban council, come to the party Feb. 19. It will be a pleasant, and perhaps profitable, evening.

Auburn Pk. Completes Preparations for Large Fourth Degree Group

2-4 Thurs. . . 7740 S. Emerald Ave.

A concerted effort is being made by the members of the Fourth Degree Club under the leadership of Past Grand Knight John H. Clausen, and the council officers, to prevail upon the third degree membership to fill their applications for the fourth degree exemplification, to be held on Sunday, afternoon, Feb. 23, at the Palmer House.

Up to the present writing two applicants have turned in signed applications. They are Bro. Donald McCurdy, a member of Auburn Park Council for many years, and Past Grand Knight John W. Corcoran. The Fourth Degree Club has several other prospects including Bros. Charles Donat, Charles Belikan and Rev. Leo A. Smith, our council chaplain. If they are successful in securing signatures on these applications this will be a very creditable showing.

Bro. John Clausen is to have a headquarters at the Palmer House on that day, and up to the present has thirteen reservations for the dinner. We would like to increase this number if at all possible. The price of the dinner is $5 per plate, and you will be assured a very enjoyable afternoon and evening. The Fourth Degree Club is also planning several social events to take place in the next several months. This organization within our council has been most active and is worthy of your support.

ST. CARTHAGE PARISH PARTY

An invitation is extended to the members and their ladies to attend the third annual card party and dance to be held tomorrow, Saturday evening, Feb. 15, at St. Sabina's New Community Center, 78th and Racine avenue. This is the only social activity of this parish during the year, and a special effort has been made to have this one of the outstanding social events of the season. A very attractive set of table and door prizes has been obtained as well as a popular dance orchestra. The price of admission is 75c per person.

FLASH

Just have a report that our good friend and brother, Tom Crown, has been laid up with a sick spell, but is now back at work and feeling much better.

Bro. Tom Crown is the sole owner of the Crown Carpet Company, located at 910 S. Michigan avenue, and handles a complete line of rugs, carpets and linoleums, and should any of you be in the market during the spring house cleaning, don't forget to drop in and look over Bro. Crown's line. He has been a member of Auburn Park Council for many years and active in the Fourth Degree Club, always in attendance each year at the fourth degree banquet. He never fails when called upon to donate a door prize for any of the council card parties. Hope he is sufficiently improved to be in attendance this year.

FORT DEARBORN PARTY

Fort Dearborn Council, our neighbor to the north, announces its annual card party and dance to be held tomorrow, Saturday evening, Feb. 15, at the Stock Yards Inn, located at 41st and Halsted streets. Price of admission is $1 and their Grand Knight John Devereaux states they will have some very attractive prizes. These council officers are always in attendance at Auburn Park's affairs, and let's reciprocate by being present tomorrow evening.

Fr. Setters to Confer Degrees on Initiates of West Division No. 1

2-4 Thurs. . . . . 4711 W. Madison

On Thursday evening, Feb. 27, Father Setters Council will act as host to seven affiliated councils, comprised in West Division No. 1, and to a large gathering of candidates who will take their First and Second Degrees. Exemplification ceremonies will be held at the Madison Athletic Club, 4711 Madison St., and are scheduled to start at approximately 8:30. It is suggested to members of Setters and other participating councils that they and their candidates arrange to be present at that time, in order that the degrees may commence on time.

These exemplification ceremonies are a part of the new system arranged by State Deputy, the Hon. John F. Bolton, whereby all units of the Order, after being arranged into districts, are co-operating by holding joint initiations at regular intervals. This permits a more prompt induction of candidates into their respective councils than has hitherto prevailed.

The plan has already produced highly gratifying results and has aided materially in the successful operation of the membership drive now in progress.

Father Setters Council is indeed happy to participate in the movement which works splendidly in conjunction with our own plans for increasing the roster of the organization.

FOURTH DEGREE FEB. 23

This year's Fourth Degree exemplification ceremonies, which will be held as a testimonial to His Excellency, the Most Rev. Samuel A. Stritch, Archbishop of Chicago, will take place on Sunday, Feb. 23, at the Palmer House, at 1:30. This will be followed by the banquet which will start at about 6:30 in the evening.

Members of Father Setters Council who plan to attend the dinner or who are to take the degree are asked to communicate with John F. Hickey, 5104 W. Monroe St. (Phone Austin 3112) in order that reservations may be made with the committee in charge.

NEWS

Brother Edward S. Rye is back in town for a short vacation from his business activities on the West Coast. Fellow council members were pleased indeed to meet Ed at our recent Fathers' and Sons' party and all join in hoping he can manage to attend another meeting or two before his return to California.

Are you a Fourth? Attend the exemplification banquet, Feb. 23.

TONTI ORGANIZING ITS DONOR GROUP THURS.

1-3 Thurs. . . . . 4221 W. Irving Park Rd.

At our last regular meeting we had the pleasure of hearing P. G. K. Robert Du Mais, state chairman of the K. of C. blood donors' group, and Bro. Wm. Lenz, chairman of the blood donors' group of Archbishop Quigley Council, address the members of our council. Bro. Du Mais gave a very interesting and enlightening talk on the good work being done by the groups of the various councils throughout the state.

His appeal for our council to join the ranks of other councils having blood donor groups did not go unanswered. Enough men volunteered so that at our next regular meeting on Feb. 20 we will have Miss Maza, a technician, at our council chambers to type the blood of all volunteers.

Our W. G. K., Gene Raith, wishes to take this opportunity to thank P. G. K.'s John Olsta and Charles Ruzkowski for their fine cooperation and successful way in which they provided refreshments for the brothers at the last meeting. P. G. K. John Olsta prepared one of the finest batches of chili con carne that we had the pleasure of eating in a long, long time, while Charlie saw to it that there was enough liquid refreshment on hand to quench the burning of the chili. Thanks are also due to Bros. Joseph Weidemann, who did the hauling of the pots and pans and chili, and Alois Zelazny and Andy Eichhorn, who are artists at drawing the amber fluid.

At our last regular meeting we were happy to have with us P. G. K. Frank Kennedy and Bros. H. A. Hageman and G. Heldman, all of De Soto Council. Noticed along the sidelines were Charter Member Charles Stevenson, Bros. Kenneth Graves, Frank Mayday, John O'Connell, Bill Stevenson, F. Bambula, Sr., E. Arendt, F. Siers, and long lost Ray Gort.

TONTI TIPS

Only a short time is left to turn in your application for the Fourth Degree, which will be given on Sunday, Feb. 23, in the Palmer House. Applications may be had from any Fourth Degree member or Fin. Secy. Frank Ruzkowski.

Congratulations to Bro. Wm. Nichols on his appointment to branch manager at Kansas City, Mo., for the National Bond & Investment Co.

Bro. Joe Wiedemann's most embarrassing question was asked by his oldest son, who said, "Daddy, why can't we trade in brother Johnny for a St. Bernard dog?" What's the answer, Joe?

The Tonti Council K. of C. bowlers' card party and smoker held last week was a success. Many beautiful door prizes were won during the course of the evening. The committee wishes to take this opportunity to thank everyone who helped make this party the success it was.

Bros. Wm. Suchomski, Rubin Manjarrez and Frank Valenziano all have the flu. Our Worthy Lecturer, Gus Warnesson, also is at home with a severe cold.

We are sorry to learn of the death of the mother of Bro. James Currey, who was our former Financial Secretary and also Lecturer. The officers and members of Tonti Council wish to extend their heartfelt sympathies to Jim in his hour of bereavement.

HEN.-SHIELDS BEGINS WORK ON 'IRISH BALL'

Feb. 26, Mar. 12 . . 446 N. Parkside Ave.

In four weeks' time, the annual St. Patrick's Day dinner dance and party given by Hennepin-Shields Council will be held at the Oak Park Arms Hotel, Washington and Oak Park Boulevards, Oak Park on Saturday, March 15.

Both the lecturer, Frank Cash, and G. K. Charles Costello, Jr., have been giving careful thought and consideration to this party with the result that it cannot help being an unusually grand affair.

On the committee assisting towards the success of this annual tribute to the patron saint of Ireland are Brothers Jim Oakey, chairman, Mike Hussey, William Orth, Mike Gibbons, Ray Foley, Tom Butler, Pete Murphy, Jack Shealey, Ed Mulholland, Ed Riley and Gene Daudelin. These gentlemen have tickets, so if you are planning a party for the occasion, call on any of the above members who will be glad to arrange the proper accommodations. The ticket tax is three dollars per person. For this you will be assured of an excellent dinner, grand music and a wonderful time. The party is informal, so if the "tux" is too tight in certain places, don't bother with it.

BOWLING

The Gallagher Plumbers, with anchor man, Jack Shealy, marking up 565 for the evening, including one for 218, took all three games from M. C. Fogarty's Men's Wear.

McGillivray with 201, Ford 204 and Gould 213, overtook the Frank Hayes Barbecues and their handicap to the tune of three games. Fountain's 218 for the Barbecues made the last game close.

The handicap allowed the Ray Foley Grill was too much for Ed Riley's Insurance Writers, with the result they dropped two games to the Grills. Donnelly's 209 and Felix Kroll's 213 were high.

The Costello & Son Boosters dropped their first game by twelve pins, however they had no difficulty in taking the following two from the John J. Hayes Stores for Men by good margins.

Tim Fleming asks that the bowlers keep in mind the trip to Indianapolis for the National K. C. Bowling tournament on April 5. As the cost of making this trip is not excessive, Tim is hoping to have a good representation of teams from the council. The trip is always enjoyable (and do we know it) whether you bowl good or bad.

THE SOUNDING BOARD

For the Fourth Degree exemplification at the Palmer House on Feb. 23, three members, so far, are scheduled to receive the honors of this degree. Edward J. Hughes, Secretary of State of Illinois; George Lynch, retired captain of Austin police station, and the Rev. Father James Doherty, assistant pastor of St. Catherine parish and our chaplain. Fourth Degree members of the council who wish to attend the banquet following the degree, should notify F. S. Joe Hannon, who will make the necessary arrangements for this as well as those who may wish to receive the degree.

P. G. K. Frank Daley had a small sized bout with the "flu" the last week which kept him home for several days and likewise made him miss his evening with the bowlers. Missing his bowling might hurt the most, as he has of late, been steadily improving his average.

P. G. K. Jerry Donovan was recently elected president of the Holy Name Society of St. Bernadine's parish. That's fine, Jerry, and congratulations.

Armand St. Aubin and his missus, Maude, will celebrate their twenty-second wedding anniversary come Feb. 22. Twenty-two years on the twenty-second should call for something special like twenty-two orchids or twenty-two pearls or something similar. Congratulations folks, and best wishes for the next fifty or more.

Monday of this week P. G. K. Frank Hayes and his family entertained his uncle and aunt, Mr. and Mrs. George Craig, with an extra special gala dinner at the Hayes Restaurant, the good reason being the celebration of the golden wedding anniversary of Mr. and Mrs. Craig. There's a record that speaks for itself.

The controversy over the lease-lend bill and its possible results, if passed, remind us of that old charitable remark about some people, who, unfortunately, for themselves and others, die broke. You remember the saying. "He was a good fellow when he had it." G'Bye.

Chicago Heights Asks Membership to Focus Attention on 4th Class

2-4 Mon. . . . . 1527 Otto Blvd.

Brothers, your attention is called to Sunday, Feb. 23rd. On this day the Fourth Degree Knights throughout the city will hold the annual exemplification of the Patriotic Degree, in honor of His Excellency, Archbishop Samuel A. Stritch. Each Council in our district has pledged representation in this class, and now is the time to think about your application and share in one of the most beautiful and impressive events of this kind ever held in Chicago.

Any of our members interested in becoming a Fourth Degree Knight should deposit their initiation fee with the Financial Secretary, Ed J. Lux, immediately.

All Fourth Degree Knights may enjoy the privilege of membership in General Assembly, which is recognized as the largest and most active assembly in the Order. Its welfare service, its social affairs and monthly meetings all combine to insure interest and satisfaction to all of its members.

NEXT MEETING

Our next meeting is scheduled for Monday, Feb. 24th, and we particularly extend a cordial invitation to our older members to participate in this meeting as we expect a very large attendance. Plans will be discussed for our annual St. Patrick's Day Dance, so we urge all of you to attend and assist the Lecturer and officers in making arrangements.

We want this dance to be a grand success, therefore we solicit the cooperation of the entire membership. You understand, of course, that the entire membership is included as a committee of the whole to work with the elective and appointed officers. With the proper cooperation it is a foregone conclusion that the dance will be a success. How can we miss?

A BIT OF NEWS

Bro. Norman Toll, not to be outdone, has decided to share his paycheck with someone else. The name and date will be announced later. Our congratulations to Bro. Norman. (We hope he didn't do it in self-defense.) Congratulations too, to Dr. F. J. and Mrs. Armbruster who are the proud parents of a baby girl, Mauretta, who arrived Monday, Feb. 3rd. It's a cinch Bro. F. J. will have something else besides his profession to keep him awake nights.

Because we don't hear anything from the bowling department, we surmise that the boys are in a slump. However, we hear that they are leading all other teams from the bottom upward. How about it, Wally?

San Salvador Begins Planning for Several Events in Near Future

2-4 Mon. . . . . 24 E. 114th Pl.

After a short lull of just a few weeks, the council is again functioning with several rather important activities to claim the attention of the membership. At the meeting last Monday evening, the council again decided upon the resumption of an active part in the forthcoming Committee for the Observance of Good Friday.

The representatives of the council will meet with the representatives of other organizations on Feb. 19th to perfect plans for a general observance of this solemn three hour period. In due time we shall acquaint you with the detailed plans as they have been worked out by the Community Committee.

Again, as in the past several years, San Salvador has been called upon to participate in the Barbecue sponsored by the State Council to raise funds for the Bishop Sheil Underprivileged Youth Fund. Bro. John Kristin has been named council chairman for this worthy cause, and we urge you to give your utmost cooperation in the matter of tickets for this affair.

BOWLING

The bowling league still commands a great deal of interest, with the ever-changing first place berth still being a hotly contested spot. Last week's results brought St. Salomea to the fore, but they are to take on the challenging St. Anthony's Richards, who are one game away from the coveted No. 1 position, so anything can happen. St. Louis is but two games out of first place, and they are taking on the tough gang of St. Willbrord's, so just hang onto your hats. The league standing at present is:

	W.	L.
St. Salomea	42	24
St. Anthony's Richards	41	25
St. Louis	40	26
St. Willibrord	37	29
St. Anthony Pen-Lors	34	32
All Saints	32	34
St. Catherine	32	34
SS. Peter and Paul	31	35
Holy Rosary Gaels	30	36
Holy Rosary Slovak	29	37
Holy Rosary Irish	25	41
St. Nicholas	23	43

CONDOLENCES

We regret to announce the death of the mother of Bro. John Udelhofen, who passed away last week-end and was buried from St. Nicholas Church on Monday morning. She was preceded in death by our late brother, Hubert Udelhofen. To the bereaved family the council extends its heartfelt sympathy. May her soul rest in peace.

We were honored last meeting by having with us Father F. Kalveledge, assistant pastor of St. Nicholas Church. His scholarly and interesting remarks were indeed a pleasure to hear, and we trust that we will see him again in the near future. Our Grand Knight, Joseph Du Bois, was the winner of the one dollar attendance award, but the second drawing for five dollars went unclaimed when Bro. J. E. Schieve's name was drawn and he was not present. Six dollars is the prize for the next meet. Be sure to attend.

Dearborn's Party Is Tomorrow Night at Stock Yard Inn

1-3 Thurs. . . . 820 W. Garfield Blvd.

The zero hour is at hand. The stage is set. The work of the committee is completed and Dearborn is rarin' to go. Just one day elapses before the band leader raises his baton to bring forth the melodious strains to which each Dearbornite will swing his partner. Sounds inviting, doesn't it? Well, this pleasure is all yours. The only requisite being your attendance at Stock Yards Inn, 41st and Halsted streets, tomorrow night, Feb. 15. The occasion will inaugurate another Dearborn pre-Lenten Valentine party and the gang will be clamoring to get going.

As a word to the wise, we suggest that you be on hand early. There will be ample parking facilities for motorists, but the main theme is to insure proper reservations to those so-called laggards. In line with this, we also suggest to those not having done so to phone Mike Mercury on receipt of this column at Fair. 3797 and acquire last minute reservations. Even though it might inconvenience Mike, we are certain that he will be happy to accommodate any late callers.

With these plans disposed of there is only one item remaining to assure success. That item is attendance. We trust that all Dearbornites will gather their friends and test the capacity of the inn. After all, each member owes this much to the council because Dearborn individually and collectively belongs to each brother. Thus its success means your success and the work done by each of you in affairs of this nature benefits our council and not any particular person. G. K. Devereaux and his staff, together with the dance committee, have worked to make this Dearborn's greatest event. Their work, therefore, is for you and your council. They deserve your co-operation, which can be best shown by attendance.

Late ticket salesmen may satisfy their demands by calling Dave Kerwin (at any hour) Bou. 2070.

Dave will get tickets to you anywhere and at any time right to the instant the jitterbugs start action. For any other information or details phone Chairman DuMais, Vic. 8780; G. K. Devereaux, Abe. 3882; Joe Nix, Abe. 2967; John Downes, Bev. 7475; Steve Ruff. Har. 1250. As far as we can determine all necessary information is in your hands. The dance now belongs to the members to do with what they will. We are certain that their added work, mainly attendance, will provide a real affair for the council and will spell success with capital letters.

MEMBER AND MEMBERSHIP

APPLICATIONS: Dearborn's drive for new men continues with renewed vigor. Last week we reported that Bro. Chas. Read signed a new prospect a few hours after his initiation. Now we are happy to add that Bro. Charles Lyons, also initiated the same time as Read, did not wait very long but snared an application two days later. This is a splendid spirit to find in our new brothers and illustrates that the old Dearborn spirit permeates rapidly. Some of the older brothers, we are sure, will take cognizance of these feats and act immediately so as not to be outclassed. And we warn both Charleys to keep driving because all of us will strive to catch up to you.

Just such a spirit will insure not only the council attaining its regular quota but undoubtedly will cause Dearborn to exceed it. In this Dearborn will maintain its place in the sun and the membership as a whole will be fulfilling an essential duty, namely giving full support and co-operation to the G. K. and his staff as well as to Membership Chairman Nix. Speaking of new members, let me remind you that South Division No. 1 will hold a first and second degree exemplification sponsored by St. Augustine on Tuesday night, Feb. 17. Also the division will conduct a first and second sponsored by Dearborn on March 20. So get the candidates lined up now.

FOURTH DEGREE: On Feb. 23 the fourth degree will be exemplified at the Palmer House. The degree this year will be a testimonial class to Archbishop Samuel Stritch.

For such an occasion, Dearborn should have a large class of candidates and a large delegation to the banquet. Those wishing to take this degree will kindly consult Fin. Sec. John Feilen and he will attend to all details. Also fourth degree members desiring to join the banquet, contact Feilen for reservations. We can readily recommend this degree and the affair in general. It promises to be a splendid event and those attending are certain of an enjoyable day.

Another fourth degree spectacle will be the annual St. Patrick's dinner sponsored by the Silk Hat Club. The affair will be held this year at the Hayes Hotel on Saturday, March 15. The price is $1.50 per plate and the serving will commence at 7 p. m. We urge your attendance because each year has brought a more enjoyable occasion. For reservations contact Chairman Oscar Heilmann or the following members of his committee: Sir Knights Tom Linklater, Jim Reilly, John Logan, Dick Kerwin or Pres. Jim Ivers.

SICK AND VISITING: Jim Ivers, Ray Flynn and Shorty Hanus are now home convalescing. We regret, however, to report that the father of Bro. Al Riley is very ill. We pray for his speedy recovery.

TRAPPERS: $15 event begging at the last meeting due to the absence of the following brothers: Joe Slovik, Ed Frett (now he has something to fret about), Wm. J. Dunn, P. G. K. Tom O'Connell, and Ed Coughlin; $20 next meeting and better luck. Special prizes were taken by Jack Welsh, Frank LaPorte, John McHugh, Bill Schulok, Mike O'Connell.

CURRENT EVENTS: Feb. 15—Annual dance.

Feb. 17—St. Augustine first and second degrees.

Feb. 23—Fourth degree.

Mar. 15.—Silk Hat dinner.

Mar. 20—Dearborn first and second degrees.

TENPINS

One of the last few bowling sessions indicates that the Maney Indians still retain first place. At this particular session the Indians took three to continue their swift pace. The Bradys closely follow, having won two. The R-K's are coming fast, having taken three to take a firmer grip on third place and creep up on the Bradys. Standings:

	W.	L.	Avg.
Maney Indians	38	16	792
Brady Morticians	34	20	759
Ruff-Kerwins	29	25	757
Manhattan Bevs.	21	33	740
Feilen Ins.	20	34	700
Premier Cartage	20	34	664

HIGH SERIES: M. Mullee, 577; P. McLaughlin, 526; John Logan, 514; Jim Brynda, 510.

HIGH GAME: M. Mullee, 225; John Logan, 205. N. B. John "Grandpa" Logan thus broke into the 500 series and 200 game class for the first time, with friend wife, Mrs. L., rooting from the sidelines.

More bowling news concerns Dearborn's two teams to the state tournament at C. Y. O. The council's two representatives were the Maney Indians and the Ruff-Kerwins. They did very well. The teams bowled each other and the R-K's took two from the Indians. Both, however, rolled swell team scores. The R-K's totaled 2,797 and the Indians 2,727. For individual scores, Chris Buckberg had a series of 619, Hank Langbauer 561, and Bill Sullivan 505. There was a very large delegation of Dearbornites who hollered themselves hoarse at Dearborn's splendid showing. We congratulate the bowlers for their great work and thank them for their kind efforts in Dearborn's behalf.

BOWLING

The Furman Funerals continue to hold a precarious lead in the Tuesday Knighters' bowling league, at present writing being a game ahead of the Widtman quintet. King Coals and Ald. Ross Boosters are very much in the picture too, only two games out of first place. The Shamrocks are rapidly fading from title contention, having now dropped into a sixth place tie. Guess who's still in last place.

Nobody hit the charmed 600 mark last week, but Bill O'Shea was only three pins off, at 597. Other good scores were rolled by Ternes, Hagg, Cronin, and Nierman.

ST. CYR'S OPEN HOUSE NEXT MONDAY EVENING

1-3 Mon. . . . . 1609 N. Halsted St.

On Monday night, February 17, St. Cyr Council will hold its annual open house night. All brother members are urged to invite their prospective members.

Ask that good Catholic friend of yours to come to open house, and it's a two to one bet that if he had an idea of joining, after meeting some of the boys he'll want to become a member. Our big drive ends in June. If we're going to make the century club we'll have to step on it. So let's get going, fellows.

At this writing fifty-seven games have been played in the bowling tournament which is currently being conducted at the Monte Carlo alleys. Competition is at a high pitch, with your money being wisely placed on any one of the four teams which are bunched up in the first five positions. The dark horse Strano's, given only a slight chance at the beginning of the season of being anything but basement contenders, have won sixteen of their last eighteen games, to make them a threat for any team.

The Cancilla's have gradually edged their way to the top, and with the number of classy bowlers on their roster, they will be the team to beat. The long famed Maniscalco's, who lost three games to the Strano's last week, are now in fourth position, and two games out of first place, and the Cheer Up boys tied with the printers for second place. In fifth position we find the Lucania Undertakers only four games out of first place. Thus from the top Cancilla's, to fifth place Lucania's, we find the pennant contenders with only four games apart.

At the last session Lucania's took three from Maniscalco's, Strano's three from Archer Glass, Rago's two from Continental, Mohawk Cartage two from Rubinelli's, Cheer Up two from Bond Clothes, Cancilla's two from Granata, and Decola's two from Morreale. The high games bowled to date are as follows, 287 for Champ Sam Greco, 255 for Tony Brancato and a 246 for Sam Costa. Tony Airdo has rolled the high individual series with a 661. Saro La-Russo with a 652 and Vic Rizzo with a 634.

At the last session Morreale's rolled a 2543, Cheer Up 2531, and the DeCola's a 2488. In the team high single game series, the Cancilla's rolled an 897, Cheer Up 887 and DeCola's an 858. The individual high three-game series was taken by Domonick Donile with a 611, Dr. Patti with a 594 and Joe Murglin with a 567. Joe Cannizzo rolled a high game of 223, Sam Strano a 219, and Dr. Patti a 218.

ST. CYRIOUSLY SPEAKING

On February 23, the Archbishop Stritch class will be initiated at the Palmer House. This fourth degree class will be one of the largest in the history of the order in Illinois, and will be dedicated to our new archbishop, Samuel A. Stritch. Those interested in joining should see Sir Knight James Giambrone, or Sir Knight Lawrence LaRocco, or any of the other fourth degree members. Those of you who have already turned in your applications should make arrangements to pay your initiation fee immediately. See our treasurer, Charley Micucci.

Anthony Gebbia, now confined in the Grant Hospital, is coming along splendidly. . . . The blood transfusions which our brothers gave him, helped a great deal. . . . Brother Frank Lopes, whose name was not mentioned in this column, due to the fact that it came to the attention of your scribe a bit too late, was also a donor, in addition to the others previously mentioned. . . . Joe Murglin is back with us after a long confinement. Back, hale and hearty, he was seen last Wednesday night, bowling the pins to smithers. . . . Joe Ferina is popular with the girls. . . . At a party last Saturday night, Joe was the gigolo of the evening dominating the entire scene, when it came to the feminine side of things. . . . The boys want to know what you've got, or should we ask the girls? . . . Where is Joe Carava? . . . Harold DuChateau, Columbian editor, is going to be St. Cyr's guest at our open house night. . . . This Barbaro fellow is certainly a whiz, isn't he? . . . I don't mean at bowling, either.

Joe Madonia almost cried one night, when the new bowling ball which his wife has presented to him at Christmas time was chipped. . . . And who wouldn't? . . . Mike Cavaretta says that he would come to more meetings, but he's tied up. . . . Refereeing high school and college basketball games keeps Mike pretty busy. . . . But soon the basketball season will be over. . . . George Croaks, our organist,' is ever faithful. . . . Remember our big open house meeting this coming Monday night, at our regular council chambers. . . . Invite your prospective members to this affair. . . . Lecturer Anthony Scarpinato, promises an entertaining evening for you and your guests.

Illinois Members to Celebrate St. Pat Day with Party at Ivanhoe

1-3 Mondays . . . . . 64 E. Lake St.

After much serious thought and investigation, comparisons and consultations, your committee has decided that you and I will celebrate St. Patrick's evening, Monday, March 17, at the Ivanhoe.

It is not easy for an amateur to describe such a place. Suffice it to say that it is located at 3000 North Clark St., and from our personal observations as well as from information gained, it is worthy of an invitation to our members and their friends to spend an evening there and be entertained in a dignified and satisfying manner. Our overhead in the place is definite and you may be assured of a pleasant evening. Arrange now to make your reservation with the committee, of which William J. Groden is chairman.

We have been asked to mention the winners of the door prizes at our card party. Here they are — Adolph C. Stecher, R. Stukel, Geo. J. Garding, Elmer D. Martin, Mrs. Bowyer, James W. Tyrrell, Mrs. Eleanor McGee, Bill Newman and E. L. Moorehead.

We should have told you before now that P. G. K. Edmund Butler was present with his wife, mother and three sisters, plus some friends. No so bad. Edmund.

It is with regret that we announce the death of the wife of our brother, James P. McParland. She was buried last Saturday morning from St. Edmund's church to Mt. Carmel cemetery. The council was represented at the wake and at the funeral. Our prayers and sympathy go to Brother McParland and the children.

Next Monday is your meeting night, brothers. You know the place is 64 East Lake St. Our meetings have been well attended and, we believe, on the whole, have been interesting. To those of you who have not yet attended any meetings during the current year—Why not come down?

We are hopeful of bringing a speaker who will tell a lot of true stories as great, we believe, as you will find in "Believe it or not." If we are successful, you will have a notice along this line.

ADVANCE DOPE

We are holding the manuscripts from two of our past grand knights, both of whom are long distances from Chicago. You know Cyril Deen is in Albany, N. Y., with his company, and Dr. Fred Zaffee is in the Philippine Islands looking after the medical college situation at the invitation of the Philippine government, and so we are withholding their contributions to the column until an opportunity arises, which will be very soon. Two of our past grand knights will have failed to answer roll call. Brother Edmund M. Sinnott, who is truly a very, very busy lawyer, and our old reliable William E. Fleming, whose health has been none too good for several months.

We have been pleased at the keen interest taken in council affairs by our younger members. It is heartening for those of us who have been treated liberally by Father Time. So, to the other young members of the council, why not throw off your shyness and just think that your voice and vote is, oh, so very welcome.

McHALE TO ENTERTAIN LADIES TUES. EVENING

1-3 Tues. . . . . 150 W. 69th

Next Tuesday night, Feb. 18th, at our regular meeting, McHale Council will welcome to its council chambers the wives and sweethearts of our members. Their sons and daughters are also invited to bring along the girl and boy friends. Your Lecturer has plans that I am sure will be very entertaining for the ladies. After watching, for the past few years, the popularity of Ladies' Day at all ball parks, we are going to keep in step with this trend, and show the new sound picture titled "Batting Around the American League."

In the cast are such stars as Taft Wright, Lou Boudreau, Joe Cronin, Luke Appling, Jimmy Dykes, Bob Feller, Ted Lyons, Jimmy Foxx, Joe DiMaggio and others. We hope this picture will give the ladies a better knowledge of many inside plays of the game and help them to enjoy and understand baseball. This is a four reel sound picture, running time forty minutes, and it will be shown at 9:30 p. m. After this, we will serve delicious refreshments.

The Rev. John C. Keenan of St. Brendan's parish has been invited to attend. It will be a pleasure to have Father Keenan as our guest, and many of our members will remember him for giving that wonderful talk at our Communion breakfast at St. Brendan's last May. All members are urged to attend this meet, and if possible to bring along another member with him, particularly a member who has been lax in attendance. This may start him attending regularly and taking an active part in the operation of our council.

DANCE A SUCCESS

I am on the spot in writing about the Dinner Dance, as I was chairman. However, last Saturday night our council really and truly had a dinner dance. From the re-action of the members and their friends, it will go down in McHale history as being one of the liveliest and friendliest dinner dances that we have ever sponsored. Bro. Con Hogan really meant it when he said Chas. Montgomery would be tops in music. Miss Helen Scheel, radio star from W.C.F.L., was his charming soloist. Some of the highlights of the evening: Mrs. Con Hogan came with her arm in a cast. She and Con had a party of eighteen. That is real council support. Larry and Mrs. Frank came in from Ft. Wayne and P.G.K. Bill and Mrs. Collins came in from Wheaton. Mrs. John Rodi, wife of Bro. John, favored us with a solo. She sang beautifully, and you may be as surprised as I was to hear that she is a former radio star.

Frank McClellan, brother-in-law of Tom Garvin, sang a beautiful Irish number. Large parties were headed by Con Hogan, Frank Trunk, Tom Garvin, John Rodi, Earl Edgeworth, Jerry Sheehan, Eldon McGuire, G.K. Tom Mulroy, D.G.K. Berleman and Ed McGuire. Mark Stokes, charter McHale member, was present for the thirty-fourth time. P.G.K.'s Perona and Webber and Bros. Tom Hackett, Claude Beal, Dick Desmond, Fred Cramsie, Jack Steffens, Jim Kinnane were present, along with many more. I sincerely thank the members for their very fine cooperation in making this affair such a success.

CONDOLENCES

Mrs. O'Brien, wife of Bro. Bill O'Brien, passed away very suddenly Saturday morning. A group of McHale bowlers attended the wake Sunday afternoon. Her death was entirely unexpected and was a great shock to her family and friends. We just learned that the mother of Bro. John Rotroff, and also his brother-in-law, passed away recently. We regret that the news came too late to attend their wakes. Our sincere sympathy is extended to Bros. O'Brien and Rotroff.

SICK

Mrs. Manning, wife of Bro. Dan, former Chancellor and Lecturer, is in a critical condition at St. George's Hospital. The wife of Bro. John Gordon has also been reported ill. We send our wishes for their speedy and complete recovery.

COUNCIL NEWS

Bro. George Perona, son of P. G. K. Barney Perona, leaves for camp on Feb. 18th. He is one of the first of our council to go. Let us hear from you, George. Sunday's Trib informed us that Bro. Steve Owns bowled 224, 257, 244 (725), which with his previous week's total gives him a 730 average for the two series. Nice going, Steve. Bro. P. J. Davis has changed his address from Albany, California, to 1339 Seminary Ave., Oakland, Calif.

The latest bowling results: Mahers lost two to the Cramsies. Moningers won three from the American Tailors, Mack Boilers won two from the Cronins. Because of the death of Bill O'Brien's wife, the O'Briens did not bowl. They will bowl tonight against the scores made by the Kellys. Here are the high games: Jack O'Connell 201, Leo Kareiva 212, Jimmy Diament 206, Barney Perona 232, Fred Berta 200, 242. If you have news, call Eng. 5151.

University Holds Degree Class in New Home Feb. 25

2-4 Tues. . . . St. Ignatius Auditorium

University Council will hold exemplification of the first and second degrees for our own candidates and those of other North Side councils at our next meeting, Tuesday, Feb. 25. A large turnout is desired by our officers, especially as we are entertaining the members of our neighboring councils. You may be sure that the exemplification will be up to the usual high standard set by our council under the direction of District Deputy Jules Altenhofen. Those members who were unable to attend the first meeting in our new clubrooms will also have the opportunity of seeing how comfortably we are now housed.

FOURTH DEGREE CLUB

Look for a new spirit in the council meeting. The Fourth Degree Club awoke with a bang from its Rip Van Winkle sleep, elected officers and initiated a program for the year's activities which promises to eclipse the good old days of "U-4-C." The officers are: President, John B. McGuire, Trustee of University and Marshal of La Salle General Assembly; Secretary, Joseph J. Newhouse; Treasurer, James Moylan; Marshal, Richard Lenihan; Chaplain, Fr. Joseph Lannon, S. J.

Father Lannon, who was Chaplain of the Detroit General Assembly for a number of years, has transferred to La Salle and is happy to be active again in the work of the Patriotic Degree.

ST. PATRICK PARTY

The first bomb in the propaganda campaign for our party March 15 spread its green paper leaflets among the membership last week. Chalk up the date on your calendar now, Saturday, March 15. The place—Lake Shore Club, 850 Lake Shore Drive, with its beautiful large ballroom and its acres of free parking space. The guest of honor—Past Grand Knight Barth S. Quigley, whose two-year effort brought the council to its present flourishing condition.

General Chairman James A. Brown, that scintillating member of the State's Attorney's staff, is so certain of the success of the party that he is willing to promise a refund to anyone who comes to him at night on the 15th and proves he hasn't had double his money's worth of food and fun.

LAYMEN'S RETREATS

The bulletin of St. Francis Lay Retreat League brings us the news that Brother Roy O'Brien led a class of 36 to the Jan. 10 retreat. Roy has sponsored a retreat every year since 1925, gathering most of his retreatants from the Board of Trade (of which, by the way, Brother O'Brien was recently elected president). There's a suggestion to some of our other members who are associated with large organizations.

Noted also in the current bulletin is the fact that Brother Daniel E. Morrissey was elected vice president of the League, and Brother G. J. Gaul a member of the Executive Committee.

The bulletin also carried the good news that the Director of the League, our good brother, Father Oliver, O. F. M., has left St. Anthony's Hospital and is back on the job. Here's hoping you can find time to come out to a meeting soon, Father.

D. D. JAMES P. MOYNIHAN

Word has just been received that Brother Jim Moynihan died on Tuesday, Feb. 11. Jim was a charter member of University Council and a former Grand Knight. For many years he served as District Deputy in charge of Newman Council, Evanston; Ouilmette Council, Wilmette, and Waukegan Council. May he rest in peace.

Loyola-H. P. Writes of Valued Fellowship in Fraternal Groups

2-4 Thurs. . 7435 Cottage Grove Ave.

This is bargain week, and every one of you can get in on it. You may have friends who can buy everything wholesale, or so they say, but the bargain we have to offer can't even be had at a discount, because it is a commodity which is really priceless. We're talking of the fraternity of men as you enjoy it within the ranks of our great order.

In our order you can enjoy the fellowship of men interested in attaining our true purpose in life. Here you can receive counsel on matters concerning our religion, indulge in the many social and athletic programs which are planned to make the world a gayer place in which to live. Here for a number of hours each month you can forget the worries of the workaday world in the pleasure of visiting with your old friends and cronies. Friendships formed in our council will last as long as life itself. It should be a comforting thought to everyone to realize that in case of trouble the brothers of the order are standing by to lend their helping hands whenever they may be needed.

In view of the brief inventory above of the advantages to be gained by your membership in our council, it is hard to understand why our worthy financial secretary, John Joyce, should have to ask your scribe to remind some of you that you are in arrears in your dues. Surely the small sum assessed is but one fraction of the value of belonging to this great order. Maybe you haven't looked at the situation in the way we have tried to present it, but we hope you will from now on. Evidence your faith and confidence in the future of Loyola-Hyde Park by sending your check to John Joyce at 7953 Vernon Ave., or better yet bring it to our next meeting, Thursday, Feb. 27. Thank you.

ALLEY CLATTER

On the alleys last week the boys really rolled 'em! The results found the Korkers lapping the Martin Playboys in two out of three games; the Joyce-Hagan Coals clipped the Bernard Thompson petunias in three out of three; the Reliable Packers ground out a three out of three triumph over the Kodakers; Dr. Heinz's dentists drilled out a two out of three victory over the Tigers. The boys are really getting in stride and if you are inclined to do a little kibitzing, drop around tonight to the Crocombe alleys, 6225 Cottage Grove Ave. We guarantee a good show.

You are all cordially invited to attend the Valentine dance being given tomorrow night by Fort Dearborn Council at the Stockyards Inn. The admission price is only $1 per person, and you will enjoy the music of one of the finest dance bands.

Here'a there: Bro. Robert E. Reilly, better known to the social world as Scotty, announces his association with the real estate firm of Gerald P. Hanlon, located at 7910 Cottage Grove Ave. If you want to buy or rent anything from a one-room kitchenette to a palatial mansion, Scotty is your man. Best accommodations at bargain prices. One association that Scotty didn't mention but which we all watch with envy is his more frequent dates with that lovely colleen, Margaret McNamara, she of the charming smile. Everyone is waiting for the forthcoming ladies' night.

Bro. Tom Strasser and his lovely frau, Eleanor, glimpsed strolling around the local business district window shopping. Dr. John Heinz and his Missus stealing a glimpse of the movies between fillings. John is busier than ever these days at his office, located at 753 E. 79th St. If any of your bicuspids need attention you might make a note of the above.

Genoa to Hear Staff Member of Boys' Town Speak at Next Meeting

1-3 Mon. . . . . 7439 Cottage Grove Ave.

The next meeting of Genoa Council will prove an interesting one for all those men that are interested in Boys' Town, which Father Flanagan brought to world fame. Dr. Hugh McDonnell of the Boys' Town staff will be our guest speaker. Bro. John Higgins who is one of the chairmen for a dental convention being attended by Dr. McDonnell and who is an intimate friend of the Dr. was instrumental in securing his presence at the meeting.

Since this is an opportunity never before given Genoa or any council in the city it is hoped that a very large attendance will be on hand. G.K. James F. Riley, Jr., and the officers of the council are more than anxious that every individual member in the council who can possibly make this meeting should arrange to do so. Every one attending will be amply repaid for their interest by enjoying an evening of real entertainment.

4TH DEGREE

This will be about the last call for 3rd degree members to make use of the opportunity of becoming a fourth degree knight. P.G.K. Harry Dorigan is chairman of the Fourth Degree Committee and is receiving applications at this time. Make yours at the meeting Monday night. If you are already a Fourth degree, you will want to make the Fourth degree banquet, which is being given in honor of Archbishop Stritch.

COLLECTOR

Bro. Walter Kramer, who is in charge of the work of collecting dues is anxious to get acquainted with a few members that for the last few months have been rather derelict in their duty of keeping their premiums, etc., paid up. This is a duty that every member must assume himself. His failure to watch this important detail oftentimes causes a hardship which can not be remedied. Is yours up to date? If not talk to Bro. Kramer Monday evening.

ST. RITA URGES PROMPT ACTION ON 4TH DEGREE

1-3 Thurs. . . . . 6048 S. Fairfield Ave

Tonight is the deadline for turning in applications for the annual exemplifications of the Fourth Degree to be held Sunday, Feb. 23, at the Palmer House. Chairman Frank Small and John McGowan, president of the 2034 Club, will be at the Western Recreation, 63rd and Western, at 9 p. m., to receive applications.

Among those who have already submitted applications are Joseph Philbin, Pete Salvatori, Francis Peppard, Ray Bernoski, Joseph Shanahan and William Balswick. Our Fourth Degree committee is expecting to hear from Jerry Jayson, Joseph Obirek, Edward Dauksa, Ray Sullivan, John Bracken, John Robinson, Dr. Jun, Frank Karbowski and John McNally.

The 2034 Club will hold a special meeting Monday night, Feb. 17, at 8:30, to make final arrangements for the exemplification. President John McGowan urges all members to attend. He also asks that all those who intend to make reservations for the banquet do so in person at the meeting or call the Club house, Prospect 3235.

THE CABARET PARTY

May now be history but the memory lingers on . . . especially the return of tickets. Chairman Charlie Clarke requests that Fourth Degree members having returns to make should do so at the meeting next Monday.

Among members who did yeoman work in making the party a success were John McGowan, Charlie Nash, Gus Hilbert, Ted Lee, Pete Salvatori, George Kucharski, George Osborne, Herman Kurent, Ray Bernoski, Dr. Hoffman, Frank Zavrel, Matt Kaminskas, Chris Orsinger, Connie O'Sullivan, Tom Doyle, Pete Serone, Harry P. Sullivan, Fran Small, John Vonch, Ed Kundrat, Fran Holek, Joe Clerkin and John Dorner. Additional names have been omitted by request of certain individuals who told the little missus they were not going to attend. For a nominal sum we might be willing to divulge the names.

A MAN'S MAN

Bro. Edward Gronko needs no introduction to this column or to the members of St. Rita Council. For several months we have all followed his fight against injuries suffered last summer while at work. What we have to report about Ed this week would be quite a blow to more than a few of us, but Ed as of old, has taken it in stride.

Ed has had his leg amputated in German Deaconess hospital, where he has been confined since his injury. But the operation did not affect his smile, his spirit, his faith in God or his enthusiasm for St. Rita Council and his fellow members. Ed expects to leave the hospital in a few more weeks and return to his home at 3022 S. Keeler Ave. Keep him in mind and when he is able to have visitors we will let you know.

Another well known and well liked member of St. Rita—namely, "Jumpin' Joe" Zavrel—is confined to his home at 5930 S. Albany Ave., recovering from a broken leg.

Adolph Leverenz and his wife, Minnie, celebrated their twenty-fifth wedding anniversary last Saturday.

CONDOLENCE

During the past few weeks members of St. Rita Council have attended the wakes of the mother of Warden Pete Marvin, mother of Frank Moynihan, father of Walter Jurkiewicz and Brother Charles Tucker. They were led in prayer at all wakes by Jack Bracken.

STRIKES TO "SPARE"

Ray Bernoski and Herman Kurent rolled in the State K. of C. doubles tournament last Sunday and did a little bit of all right. They won with a rollocking total of 1,366. Kurent had a high game of 252 and Bernoski 222. Connie O'Sullivan placed fifth in the singles with a 708 series.

It looks like Dutch Lehner won't be the only one with a medal from now on.

De Soto Barbecue Drive to Be Led by C. J. Strehlow

2-4 Fri. . . . . Clark and Belmont

The fourth annual Knights of Columbus barbecue is about to barge its way into existence. Without going into the various aspects of this great undertaking, your grand knight, Gene Scanlan, wishes to announce the appointment of our warden, Candy Strehlow, as chairman of the barbecue committee.

You've heard of that big, forceful and aggressive fellow, who always does things in a big way. Knowing of his able and competent leadership, we feel confident that a better choice could not have been made. Candy has not, as yet, appointed his committee, but as soon as things start popping I know he will provide me with all the necessaries to keep you advised. The grand drawing will take place at Riverview Park on June 18 and between now and that time we ask you to aid with your effort to assure the success of this enterprise.

FOURTH DEGREE

On Sunday, Feb. 23, at the Palmer House a large group of Knights will advance to the apex of knighthood by receiving the fourth degree, the patriotic degree, of our order. In such times as these, when subversive elements are in our midst, every red-blooded American and practical Catholic eligible for membership in the fourth degree should avail himself of the opportunity to join a unit of the Knights of Columbus whose one of many purposes is the maintenance of our birthright of freedom and liberty. We urge every third degree member in good standing who is desirous of membership to contact Bros. Tom Mulcahy, George Schuster or Inno Weidner immediately.

All fourth degree members who expect to attend the banquet or who intend being present in DeSoto's room on the above date are requested to immediately make reservations with any one of the above-mentioned brothers.

BALDRIC AND SWORD

On next Monday, Feb. 17, the Baldric and Sword Club of DeSoto Council will hold its regular monthly meeting at Gross Park Hall, 2125 W. Roscoe St., at 8 p. m. Bro. Jim Kennedy, president, informs me that immediately after the completion of the regular meeting a very attractive and interesting program will be presented including the attendance of Mr. Wheeler Wadsworth of the Zenith Radio Corporation, who will present in an illustrative and descriptive manner the operation of the latest and most recent developments in the radio field. Accompanying him will be an expert technician who will explain the new frequency modulation receiver.

We might also mention that the Fourth Degree Club plans to present a ladies' night at its regular meeting on March 17, where all members and their lady folk will join together for a splendid evening. The features of the program have not been arranged as yet, but Bro. Jim promises to have them for publication within the next couple of weeks.

STATE TOURNAMENT

On last Saturday and Sunday more than 150 kegelers from DeSoto fumed, puffed and grunted in their efforts to go places in the state K. of C. tournament. In the team event Ricketts copped third place with 3,048 and the Konitzer Ambulance snatched fourth with 3,044 while the Wetterling Packers did right well for themselves with 3,042, which was good for sixth place. These scores include the team handicaps.

Leading the Ricketts was Ray Horn with 588 followed by Herb Becker with 67. Andy Konitzer picked up 550 as Harry Bauler garnered 539 to lead the Konitzers. All scores of teams and individuals will be found on page 12 of this issue. (Just like downtown!)

CLUBHOUSE PROPERTY

Speaking about property, you'd think we were a part of the upper-crust. Well, we're not exactly on the county agent's list, for it is not so long ago that DeSoto Council effected a sale of a portion of its clubhouse property located at Belmont Ave. and the drive. Upon being provided with a likely lead by our worthy chaplain, Monsignor John Casey, the clubhouse committee, under the direction of Bro. Al Birren, contacted the trustees of the Chicago Public Library, who were looking for a site for a branch library. Through Al's persistent efforts and the assistance of Bros. Joe Gill and Jimmy Young a proposal was made by the clubhouse committee which was later accepted by the Chicago Public Library. From there on Bro. Tony Cremerius took up the lengthy and laborious task of effecting a legal transfer of our title.

The sale price of the property was $8,000, and after liquidating the $2,000 mortgage on the balance of the property retained and the payments of taxes, title charges, etc., DeSoto's treasury is supplemented by the very handsome sum of $5,200. These proceeds, however, are not to be expected for operating requirements but are to be invested and stored away for that proverbial rainy day.

To Bros. Al Birren, Tony Cremerius and all those instrumental in effecting the sale we offer our deepest appreciation. It was a big job well done and, incidentally, at no cost to the council. In fact, Tony was so tied up with it in addition to his legal and insurance brokerage business at 1553 W. Madison St., that he was unable to take his annual trip to Florida!

Grandpap Charlie McGonigle, Sr., was buying drinks for the house on last Tuesday evening at the bowling alleys on the birth of an eight-pound baby boy to Charlie, Jr., and his wife, Mary. Baby and mother both doing fine, and we take this opportunity of extending them our congratulations.

Oak Park Members Go to Work for Success of Anniversary Party

2-4 Mon. . . . . 641 Scoville, Oak Park

All of the efforts of Oak Park Council members will be directed toward the success of the great Thirtieth Anniversary party that will be held at the Carleton Hotel on Saturday night, March 15. The party will be a dinner dance, with dinner served promptly at 7:00. There will also be several acts and dancing. The price of this wonderful entertainment will be $1.50.

We ask that you do not confuse this affair with so many of the dinner dances that are run for profit. The dinner that you will be served will not be a "bargain" lunch or a blue plate special, but will be the Hotel's regular $1.50 dinner.

In order that the council can give you this excellent dinner and entertainment at such a reasonable cost it is necessary that they recover a part of the excess by means of the excellent souvenir program. Here is an opportunity for the business man to bring his wares to the attention of a receptive group of readers. This affair will be somewhat of an epoch making event in the history of the council and the program will therefore be something to be kept, thus making the advertising space especially valuable. To those interested the price of the full page will be $10.00, the half page $6.00, the quarter page $3.50.

Every member of the council is asked to do what he can toward securing the ads necessary to make this program large and impressive. Get in touch with Joe Cagney, program chairman, who will give you any further information you may need.

OAK PARK FOURS

An election of officers of the Oak Park Fours resulted in the following officers assuming the leadership of the unit: Lee O'Donnell, President; Ed. McGorry, Vice-President; John Ensweiler, Treasurer; Ray Block, Secretary. The Fours are actively attempting to instill into the third degree members the advantage of the Fourth. The exemplification of the Fourth will take place on February 23 at the Palmer House.

Incidentally, the bowling ball given away by the Fours finally landed in the possession of the new president-elect, Lee O'Donnell.

William Carraher, son of Brother Bob Carraher, is in Loretto Hospital following an appendicitis operation. At last reports he was getting along fine and expected to be home in a few days.

The council extends its sympathy to Brother and Mrs. Ed. Bonk in their recent bereavement. Mrs. Holloway, mother of Mrs. Bonk, passed away on February 6 and was buried from Ascension Church. May her soul rest in peace.

BELATED THANKS

Brother Joe Kamin who did such valiant work on the membership committee, particularly on Sunday, January 26th, at the third degree exemplification deserves a round of sincere thanks for his efforts. Thanks also to Mrs. Joe Kamin for her kindness and generosity in preparing an excellent dinner for the candidates and all members attending the third at St. Phillips.

At the last card party sponsored by the council, the table prizes were towels donated by Brother Dick Powers of the Western Linen Supply Co. This was a noble gesture on the part of Dick and his daughter spent considerable time tastefully wrapping them. Our belated thanks, Dick, and the oversight in not mentioning this before was accidental.

According to The Lamp, fifty-one Protestant ministers made a three-day retreat recently at St. Norbert's monastery, Vancouver, B. C. They observed rigidly the rule of the Trappist monks, even rising at two in the morning to be present at the chanting of the Divine Office. After it was all over, they decided to make the three-day retreat a yearly event.

CALUMET IN VALENTINE PARTY THIS EVENING

2-4 Mon. . . . 6646 Stony Island Ave.

Tonight, Friday, Feb. 14, Calumet celebrates St. Valentine's Day with a big party. Lecturer Frank J. Walsh, in co-operation with Bro. George Harrington, are ready with an evening of the finest entertainment that the ladies most enjoy—cards and bingo. Not only the ladies, but from the requests for a repeat performance from the many men who were here at the last party, we are sure that this affair will be a sell-out. We have prepared for a large crowd. We know we can depend on you right now to put aside the pipe, get the little woman and come on over. The prizes are to be well worth trying for, so we know you'll have a good time.

FOURTH DEGREE EXEMPLIFICATION

As usual Calumet will be well represented at the Fourth Degress Class, Feb. 23, known as the "Archbishop Stritch Class." It is an honor to be a member of this class and be identified with our beloved Archbishop, who is an ardent knight himself. Too, it is the patriotic degree of our order, and we know of no time like the present for a Catholic to assist the church in building up a strong lay army.

P. G. K. Jim Grant and Jack Roach have applications both for the degree and the banquet to follow. The cost for the degree is $25.00, which includes your sword and baldric, Fourth Degree emblem and banquet ticket. A number of our Fourth Degree members will attend the banquet, and we ask that your reservations be made through Fin. Secy. Popjoy, or through either of the co-chairmen. We want all Calumet members at our council table, so make it a point to get your reservation in not later than Feb. 19.

MT. CARMEL WINS

Our basketball classic was really a wow. It was evident that the members of Calumet and their friends, who numbered well over three hundred, inspired this team of Mt. Carmel, for the caravan was sure on the move. Those boys from DuSable, considered the sure thing for the chaimpionship, could not cope with the spirit and speed of this team from Carmel.

Coach Jordan deserves much credit for building up a fine team, and to the players — Wilson, McGowan, Kemfer, Hacker, Cosgrove and Delaney—may we say you played a splendid game and may you all continue to be as hot as you were that night? To our Chaplain, Father Terrance, and Trustee Murphy and Comm. Jim Shinners our thanks for a good boost for Calumet.

Among the spectators we noted, who were in the main accompanied by their wives or friends, were Herb Deaney, Doc and Tom Gilroy, Joe Lamh, Terry Scully, Wilf Byrne, Jr., Bill Boyd, Leo Conry, Harry LaMassey, Bill McNicholl, Jr., Edward Popjoy, Bob Ward, P. G. K.s Jim Lynch, Jim Grant, Jim Danaher and Wilf D. Byrne, G. K. Birmingham, Frank Walsh, Tom Gibbons, Mike Murphy, Jr., Bill and Joe Quinn, Jim Shinners and Mike P. A. Murphy, Walter Popjoy, Jack Tierney, Walter McDermott, Jim O'Malley, Bernie Hensgen, Joe O'Connor, Maurice T. Smith, John Grace, Tom Hartnett, John Scannell, Ed Brady, Edward Swiess and Jim Higgins. Many others that we did not spot, but to all of you, thanks for your co-operation and we did not overrate that game, did we?

ST. PATRICK'S DANCE

Arrangements are fast being completed for the revival of this great attraction of Calumet's, a real St. Patrick's Party! The site selected we believe is one that will meet with universal approval. Centrally located and beautifully appointed is the Casino Moderne, 63rd St. and Ingleside Ave. Our music maestro for the evening will be Frank "Tweet" Hogan, that young and popular Irishman of National, Columbia and Mutual Network fame. We believe this combination will click 100 per cent and we ask the members to assist to make this the success it should be. Tickets will be mailed very shortly. Please use them or sell them to your friends.

BOWLING LEAGUE

The leaders, McNichol's Standard Service, were knocked off for three games last week by Bill Hearne and his Ray's Boosters. The O'Hanley Morticians won three from Murphy & Son's Furnitures. The Wilson and Rafferty Florals with a good series of 3080, won two from the Crocombe Korkers. The Cummings Morticians, now that their popular sponsor is back home and looking in the pink, came back in good form to win two from the James M. Whalen Boosters. The boys are all in good form and are anxious to get going in the National. O'Malley, Gibbons, Ty Hyland, M. Murphy, Carey, Heaton, Egan, Moloney and O'Connor all shooting two hundred games.

SUNDAY EVENING CLUB

If the last three meetings are any criterion of the growth of the Sunday Evening Club, we shall have to meet in one of the larger halls. Mike Cleary conducted a very interesting and entertaining evening and Bro. George Harrington gave away the largest amount in prizes that we have had to date. Mr. Hanifin and the Davis family seemed to have most of the luck. Wilf Byrne, Jr., will be the next guest chairman on Feb. 16th, with a fine program.

St. Joseph's Bowlers Will Represent Council in Coming Tourney

1-3 Thurs. . . . . 57th and Archer

It looked last Thursday as though some of our members had a change of heart, for we had the most gratifying attendance we have seen for some time. Two brothers recently initiated to the first and second degrees were presented to the council, Bros. Tony Bruno and Donald Leahy. To both of them we extend a hearty welcome and the wish for them that they may soon realize the advantages of being members of our great order.

Bro. "Jiggs" Czekala, speaking for the good bowlers of our council, advised that two teams had been selected to represent the council at the Indianapolis Tournament, March 21-23. The council voted to pay the entrance fee for both teams. We wish them lots of luck and hope that they will capture one or more prizes.

After some discussion it was decided to hold the Annual St. Patrick's Day Ball. The exact date will be announced later. This decision had been held in abeyance, but the discussion brought out many reasons why it should not be discontinued after twenty-nine years. The St. Joseph's "St. Patrick's Day Ball" is one of the oldest events in our community and we don't want it said that we had to give it up.

Inasmuch as Bro. Dom. Spadoni volunteered to accept the chairmanship, we appeal to every one of you to get behind him and let us show that we can put it over. Bro. Spadoni cannot do this alone, but if every member disposes of at least one ticket, the success of the Ball will be assured.

Next meeting, Feb. 20th, Lecturer Kalkowski promises another of those enjoyable social evenings for members and their ladies, so plan to come up.

Bowling Sundays are now an institution every first and third Sunday. The next is Feb. 16 at the Chevrons. (Bro. J. Markham's place on Joliet Rd., Route 66). The council recently decided that we would receive Communion quarterly instead of semi-annually and we will therefore attend St. Joseph's Church at 8:00 o'clock Mass on Sunday, Feb. 23.

The council extends its deepest sympathy to Bro. and Mrs. Wesolowski in the loss of their son, Norbert, who lost his valiant fight against a serious illness and passed away last week.

We were honored at the last meeting by the presence of our D. D., Bro. Ed Martens and Bro. Cushing, a field agent from the Supreme Office. Bro. Martens, in his welcome remarks, announced that there would be a first and second degree at Pinta Council on Thursday, Feb. 20th.

Received too late for prior publication, but not too late for congratulations is the news of the marriage of Bro. Stanley Sierzega to Miss Helen Stee on Feb. 1st. Stanley is that brother who so often furnished good music for our socials. We wish him and his bride every happiness.

Feb. 23 is the date of the next Fourth Degree class. If you're a Third join up — if you're a Fourth — attend the banquet.

Brownson Urges Early Return of 4th Degree Bids

2-4 Friday.....4754 N. Western Ave.

Our anticipated class of eight or ten candidates for the forth coming exemplification of the Fourth Degree at the Palmer House on Sunday, Feb. 23, has been reduced to four, but what we lack in quantity we make up for in quality. Our small but distinguished class consists of Grand Knight Thomas V. Casey, Past Grand Knights Francis A. Kohler, John J. Brennan and Bro. Al. Long. All our present Fourth Degree members planning to attend are urged—if they have not already done so—to make reservations as soon as possible.

RECUPERATING

We are mighty glad to announce that Bro. Charlie Dowd, who has for some time been in the hospital with a very serious illness, is now home and getting along fine. Charlie, who is superintendent of the Irving Park branch of the post office, lives at 4836 N. Ashland Ave., and while not able to return to his duties would greatly appreciate visits from his brother knights.

MEMBERSHIP

During the next five months when we will be bending every effort to secure our quota of forty new members, our members will hear prospective members say, yes, and former members, too: "What do I get out of the Knights of Columbus?" We have but to remember the God-given principal upon which our Order is founded to give them the answer—Charity. None of us give too much to charity, and most of us do too little.

Membership in the Knights of Columbus enables us to fulfill one of our Catholic obligations. Some of the great charitable works done by the Knights of Columbus in Chicago and in the State of Illinois, and all done out of the per capita that is included in our dues of $10.00 a year are: the maintenance of the Catholic Home Finding Association, that has since its institution placed thousands of orphan children in Catholic homes; the awarding of scholarships to fifty-eight Catholic High Schools in the state, to children that otherwise would in all probability not receive a high school education; the maintenance of a chaplain and his assistant at the University of Illinois, the maintenance of the K. of C. employment bureau, helps annually hundreds of brother knights stranded in our city; the placing of Catholic literature in hotels and railroad depots, and one of the most important of all the offering of a Requiem High Mass every month for the Repose of the Souls of all our deceased members. If no member received anything else out of the Knights of Columbus these Charitable works alone should be enough to make every Catholic man want to be a member.

BOWLING

Just think! Nine strikes in a row and then to draw the fence posts, the 4 and 6 pins. That was Gene Virnick's luck in our Council's bowling league last Tuesday. Gene did, however, tie G. K. Tom Casey's high season game of 266. This score enabled the Northbrook C. C. to roll second high team game of 980 and to win two games from the Gartner Tailors. This put the Tailors in a tie for first place with Alderman Grealis' team, who were taking two games from the Best Furniture Company. (Note to sponsor, Nick Buriegi: The best team shot their high series and dropped two because league leader, Bill O'Neill, rolled 615. There ain't no justice.)

The Cullom Club, with the help of Doug. Pons' 229 game, and 549 total, won two from the McPhee's Undertakers. John Donlan with 555, and John Paulus with 549 were high for the Cullom team. Alex (the great skier) Ciecinski's 514 helped the Sunnyside Inn to take the odd game from the Doose Studio five. Frank (Pop) Laske's 537 was high for the photographers, but was a long way from the 676 series he rolled in the North Side league the night before.

The bowlers wish to thank all the other Council members and their friends for helping them to make their dance on last Saturday a great success. From the proceeds some 35 or 40 bowlers will be able to represent Brownson at the K. of C. National Tournament in Indianapolis next month.

Arch. Weber to Honor Donor Group Members Next Monday Evening

1-3 Mon. . . . . 4758 S. Pulaski Rd.

Next Monday night we will honor the blood donors of our council. For their courage and sacrifice we highly praise them. May their pride be due to the confidence we have in them. They will be presented with a blood donor's emblem, which will signify that they are heroes in our council. Also on that night our chairman has made arrangements to type the blood of those members who have not yet availed themselves of the opportunity to join this group.

February is the "Catholic press month." We are urged to procure subscribers for our Catholic papers and also to pass on whatever Catholic literature we have available so that others may also read it. Bro. Frank Estis of Ketteler Council will gather all the Catholic papers, magazines, prayer books and rosaries we bring for him at our next meeting. These will be forwarded to hospitals and institutions by Bro. Estis.

EASTER DUTY

The newly appointed Catholic Action chairman, Bro. J. Swientek, has set a date for our Easter duty. It is March 9, at 10:00 mass at St. Turebius Church. 56th and Karlov Ave. During that week we will be celebrating our third anniversary, and 100 per cent attendance is expected.

WEBER FOURS

This is your last opportunity to join the Weber Fours. All reservations and applications for the Feb. 23 exemplification must be in by Saturday, Feb. 15. Phone Sir Knight Jos. Nowakowski, Lafayette 8716, at once. All Sir Knights are expected to be present at the Palmer House on that afternoon to act as escorts for our candidates.

Today, Feb. 14, Bro. Joseph Zdziarski is celebrating his birthday. Congratulations, Joe.

COUNCIL BRIEFS

The dance chairman, Bro. Steve Jas, wishes to render a complete report by the end of this month, and he cannot do so unless all returns for tickets and well-wishers are on hand. Don't forget to attend our next social night on Tuesday, Feb. 25, at 8:30 in the council chambers. Bingo will be played.

The president of our bowling league, Bro. Frank Wegzyn, is collecting phonograph records as a hobby. Our PGK, Stanley Jaworski, will guarantee any member a good haircut. Just drop in at Joe's Barber Shop and ask for Stanley. Sir Knight John Rostocki finally retired after holding the office of president for three years in St. Cecelia's choir at St. Bruno's Church.

MAPLE MASHERS

Last Wednesday the last-place team, Wegzyn Realtors, after losing twelve successive games to the K. of C. Boosters, broke the ice by taking two victories. This was done with the help of a new bowler and member, M. Zagorski. The Realtors rolled a 583-591-534 against 569-590-538. Dr. Dziubski's team hied themselves back to a first-place tie with the pep talk, courage and confidence given by their sponsor, who pinch-hit that night. They took three hard games from Krafts Boosters.

SHERMAN LAYS PLANS NOW FOR APRIL PARTY

1-3 Tues. . . . . 4300 W. North Ave.

Once again General Sherman will hold its annual Frolic and Dance at the Lions Building, Friday evening, April 18. This being the major event of the year in our council, all help and suggestions will be greatly appreciated. Starting this Friday, February 14, at 8 o'clock, and every Friday until the dance there will be meetings at our Grand Knight's office, 4207 W. North Avenue.

Brothers, can you spare a little time for good old General Sherman? Sure you can. Let all of us get behind this dance and make it one of the biggest affairs we ever had. Your Grand Knight and Lecturer have made fine plans and with your cooperation it will be a grand success.

SHERMANEWS

Received a short letter from Walter F. Amiot from Robinson, Ill. Still in the oil business. Hopes to be back here around May 1st. The boys say hello, Walter.

General Sherman's date for Mayslake Retreat will be on July 11th. Red Hogan will lead our humble brotherhood. Last year twenty men pledged themselves to go but only three showed up. We have little to be proud of if that is our show of faith. To spend a few minutes out of a year with our God would do us all good.

On February 23rd, The Knighthood of Illinois, eight from General Sherman Council, will dedicate their 1941 Fourth Degree Class to our able Archbishop, His Excellency, The Most Reverend Samuel A. Stritch. It is still not too late to join. If you are a third degree member in good standing see Ray Groh or call your Grand Knight, Joe Schmitz.

BOWLING BY BERNIE

Just eight more Thursdays to go, boys, and here's how we stand:

	W.	L.
Boyda Dairy	34	20
Glen Realty	31	23
Tremko Judges	30	24
Collins Undertakers	29	25
Klinnerts Hoff Brau	28	26
Boots Johnstons Tavern	27	27
Schmitz Printers	26	28
Roche Ellgass Funeral Dir.	25	29
Cesar's Tavern	23	31
Cirone Barbers	17	37

The straight-shooting, hard-hitting Tremko Crime Busters put on a little effort and took all three games from Glen Real Estaters. Boots Johnston's boys showed Roche-Ellgass Undertakers how to bowl by taking all three.

Aurora, here we come. Next Sunday, February 16th, is the date when General Sherman Council will invade your fair city. Please remember we start bowling at two o'clock sharp. Make arrangements to be at the alleys by one thirty.

Aurora will pay us a return visit two weeks later, March 2. We will bowl in our own back yard at the Lions Club. It will be our turn to beat, dine and entertain them in the truly congenial General Sherman way. Keep this date open, folks. The reception will be held in the Old Point Hall, 5105 W. Grand Ave. See you all in Aurora Sunday.

Last Thursday, after bowling, John Fieri and several of the boys upon leaving the club received a little shock, at least John did. He said, "Fellows, look!" Everyone looked and saw nothing, just an empty space. That space was where John parked his car, but it wasn't there any more, someone borrowed it. Frank Grady, the man with the perfect form (not shape), looks just like Venus at the pump. When he bowls he wears such pretty bow ties, but that boiler he has in his mouth all the time, which he fills with Plow Boy tobacco, sort of puts a crimp in his charms. Tony Cirone is getting up in the world. He passed up both Trott and Pops Antlsperger and is now in 48th place. If you want any fine points on bowling, see Thomas D. Tierney.

Fellows, you should see Max Thiel in tails. With his rosy cheeks, dimples and evening clothes, he really looks like Robert Taylor's butler. Jimmy Groh, the human phonograph, when he has no one to talk to talks to himself.

TRUE CROSS RELIC IN LONDON TOWER SAVED

London.—Among the relics removed for safety from the now bombed Tower of London was a St. Edward's staff—a sceptre of gold, four feet, seven inches in length, surmounted by an orb and said to contain a relic of the True Cross. . . . Some 200 inmates of a home for aged poor in the Midlands escaped unhurt when incendiary bombs set fire to the roof of the building in a raid, it is reported in London. . . . With the approval of Cardinal Hinsley, the Tyburn convent chapel in London has been reopened to the public. . . . Husbands whose wives have been evacuated are getting their mid-day meal at St. Vincent's convent, Westminster, close to the Cathedral.

K. of C.'s Conduct Forty-Six Military Huts for Canadian Service Men

Ottawa.—"All Soldiers Welcome—K. of C. Canadian Army Hut—Everybody Welcome!"

This sign or a variation carrying the same joyous greeting is to be found across Canada or in England in 46 military centers.

Veterans of the first Great War have spread the fame of these recreational and restful centers, and there is not a man in the Canadian Army but knows that he is welcome there, be he white or black, Catholic, Protestant or Jew, or whatever be his tongue.

There are at present 32 Huts in Canada and overseas for the Canadian Active Service Force, including eight in the permanent military camps in the Dominion besides Huts in the larger urban centers such as Halifax, Quebec, Montreal, Ottawa, Toronto, Winnipeg and Vancouver.

In addition to these 32 Huts the Knights of Columbus have 14 of the total 39 Huts in the Non-Permanent Militia camps, where obligatory part-time training is carried out. Of these Huts eight are in Quebec, four in Ontario, one in New Brunswick, and one in Saskatchewan.

Hand-picked and trained personnel, many of them figures prominent in various parts of Canada, are in charge of these Huts. There are 14 men in England working under the direct supervision of Lieut. Colonel Dr. Claude Brown, of London, Ont., Canadian Supreme Director of the Knights of Columbus.

The K. of C. supplies writing paper, cigarettes and athletic equipment free of charge for the troops overseas. Just one of many items, 150,000 cigarettes are sent overseas each month.

In Canada camp canteens are operated on a non-profit basis. That is to say costs are at a minimum, and whatever slight profit is made is turned over every two months to the Dominion Government.

Since the Huts were established, the Knights of Columbus have shipped overseas some 12 tons of reading material in French and English. A shipment of two or three tons goes forward about every two months. This material is collected through the various K. of C. Councils in Canada.

We find that Charles Svoma, captain and anchorman for Cunningham's Insurance, is the winner. Charley shot series of 598, 568, 626, 566, and with his handicap of 180 or 15 pins each game, gave him a total score of 2548. Clarence Sheehan was runnerlup with a 2476 score. Congratulations, boys.

Recorder Kaindls won two from Mid-West Auto Service with Frank Lahey getting high score with 200 and John Foley had high for Mid-West with a 193 score. Little Jack's Restaurant won two from Faucher Brothers with Lou Rosenmayer getting a 543 series with a 243 high score. A. Naples had high score for Fauchers with 191.

In order to have this big showing we will have to get those books sold and come back for more. The more books we sell the more bowlers we will be able to line up for this wonderful trip. If you would like to go along on the Barry Special get in touch with John Tamburrino and he will give you all the necessary information.

Ouilmette Bowlers in Happy Victory March After Trouncing Pals

2-4 Mon. . . . . 1215 Wilmette Ave.

Ah, yes, we've seen quite a lot of each other lately, haven't we? In just the past week there has been bowling on Thursday night, and "Ladies Night" which was held on Saturday and incidentally proved to be well worth waiting for. We give our sincerest thanks to our worthy trustees (the two active ones) for the fine party they promoted. Everyone enjoyed the dancing, games and eats.

Continuing our parade of events we met again on Sunday afternoon to accept the bowling challenge of Newman Council of Evanston. We gave them a severe trouncing which was just as had been anticipated. Our five teams, superior skill, and greater experience unpressure proved far too much for Newman's valiant keglers.

In all fairness, I'll admit we won with a handicap, but, we took only the bowlers who volunteered to go while Newman practically forced all its better bowlers to go under threat of suspension. Therefore our mediocre teams who were put against Newman bowlers, were slightly the supposed underdogs, and so a handicap was arranged to even it up. Our teams won by such a large score however, that we did not need a handicap at all and could have given it to Newman instead and the victors and vanquished would still have been the same teams.

Just imagine what a terrific beating we would have given them had some of our better bowlers gone along. Do you believe it possible for them to have beaten such an invincible team as Phil Bleser, Geo. Bleser, Carl Schwall, Chubby Leis and Moopsey Bauer? none of who were there, or a team like Jim Hoffman? Yet they want a return match. Of course we'll give them another exhibition if they want it. I could say more but Newman's bowling secretary, Bro. John Wiltger is my postman and he may accidentally drop a bomb in my mailbox.

Next in line came our regular meeting on Monday night. Highlights of this might include the splendidly presented monologue by Bro. Leo Hassenauer in the ante-chamber after the meeting. We also wish to applaud Lecturer Geo. Steiner upon the very effective smoke screen he produced while frying those hamburgers. We recommand him in case you care to have a thorough black-out. Welcome faces were those of Bros. Bert O'Connell and Al Rodenkirk who haven't been around much of late.

I also wish to extend thanks to Bro. Al Schaefer who so ably executed the duties of Recorder during my absence at this meeting and to Bro. Jack Miller who did the same at the previous meeting. At this time I'd like to refresh your memory of the fact that there will be no meeting Feb. 24, instead there will be the "Bowlers Dance" at Bungalow Tavern. Those in charge promise a swell time and guarantee the finest and hottest band on the North Shore. Don't miss it.

The next time we met we did so to pay homage to the remains of our beloved district deputy, James P. Moynihan, and to offer prayers for the peaceful repose of his soul. "Jim" as he was affectionately known, passed away Tuesday morning at 11 a. m. His death was not entirely unexpected as he had been quite ill for some time.

To eulogize Bro. Jim in the name of the council is quite difficult to one as new as I. As I understand it Bro. Jim's activities in the K. of C. began before I was born. He knew all the old-timers by their first names and asked for each in turn when a member of our council visited him. I'm sure all his old friends and the new ones who knew he was our champion join me in an offer of sympathy to all those he held near and dear to him, and pray that his soul may "Requiescat in Pace."

Columbus Dance Next Thursday Evening at Edgewater Beach Hotel

2-4 Tues. . . . . 6932 No. Clark St.

Final preparations are being made by our Lecturer Doc Schuler for taking care of the members of Columbus Council who are desirous of spending a most enjoyable evening with their wives and sweethearts at the Edgewater Beach Marine Dining Room on the night of Thursday, February 20th. This is one night that you owe the girls a treat and you can rest assured that if you call Doc Schuler at Sheldrake 8175 he will see that you enjoy yourself that evening. Remember we have all of the privileges of the Marine Dining Room, which include their entire floor show and dancing all evening for the small sum of one dollar and a half per person. You cannot beat this and Doc is to be congratulated on these arrangements.

There will be plenty of dancing for the oldtimers, and if you are unable to dance the wonderful floor show presented by the Edgewater Beach will serve the purpose. We expect to see Frank Murphy, Enos Hamer, Tom Madden, Judge Griffin, Doug Moore, Joe Ostrander, Charley Finley, Denny Malloy, Tony the Lady Killer, and all of the lads and lassies on the job on Thursday evening, February 20th, at seven o'clock.

MEMBERSHIP

How about that application that you promised Eddie Kelly? We are to initiate a large class within a short time and we would like to have you sign up that prospect. Better bring him around to the Edgewater Beach party and have him meet some real people.

Our next meeting will be Tuesday, February 25th, and Eddie Roche promises to have some interesting news to give you on that evening. Eddie and the Pride of Belfast have been making quite a few Hibernian affairs lately, the latest one being the A.O.H. Ball at the Swedish Viking Temple.

The Holy Name Society at St. Jerome's had a large turnout last Wednesday evening. Our chaplain, Father John Hayes, is also director of that organization. St. Timothy's parish where quite a few members of our council reside are holding a card party in the school hall, February 18 (Tuesday). You all know that St. Timothy's have a wide reputation for fine card parties and they invite all to attend. Admission 50 cents.

No word from the oldtimer for quite some time, I wonder if the floods have been bothering him. John Coffey commutes from New York to Chicago quite often to say hello to the folks. Maybe he will try making a meeting the next time in. His brother-in-law Clarence (Chop) Herdrich promises to be at the Edgewater Beach Thursday evening with his wife, the former Merryland Frolic Star, Catherine. Would be nice to see those two Skeezix Twins of long ago. Clarence McNulty and Don Murnhy, at the party Thursday evening. Well, the telephone has been quiet during the week so I will have to ring off now. See you at the Edgewater Beach Thursday evening.

St. Francis Party Success Affords Reasons for Pride

2-4 Thurs. . . . 4711 W. Madison St.

Members of St. Francis Xavier Council have reason to be proud. Their 23rd annual ball, held last Saturday night, was the biggest social and financial success in the history of the council. All previous souvenir book, goodfellowship and attendance records were broken. As soon as the hundreds upon hundreds of friends of St. Francis streamed into the spacious Ashland Auditorium they were assured of a good time. An hour after the dance was under way the ballroom was filled to capacity. State Deputy John F. Bolton and other K. of C. luminaries honored us with their presence. They came, they saw and they were convinced that St. Francis Xavier Council leads the field.

Every member of the dance committee should be highly complimented in accomplishing such a grand and successful affair. A whole column would not be sufficient to praise the work of General Chairman "Sheik" Pintozzi and the chairmen of the various committees. Included are Grand Knight Baptiste Mele, P. G. K. Frank R. Vitullo, Sir Knights Frank Pasquale, Nick Masse, Anthony Raciti and Earnest Marcantonio; Bros. Charles Principe, Carmen Trimarco and Albert Caruso. Those members who volunteered their time to serve as bartenders, wardrobe checkers, sandwich makers, ticket sellers and those members who did their share in any way deserve the praise of all the rest of the members.

The big job now ahead of us is the returns of all money for tickets and ads. Please make them as soon as possible so that the final report will not be unnecessarily delayed. Returns can be made at the dance committee meetings held every Tuesday night at Bro. "Babe" Criola's home, 3024 W. Flournoy street, or at the next council meeting.

FOURTH DEGREE

You have one more week to sign your application for the fourth degree. The exemplification will take place Sunday, Feb. 23, in the Palmer House. The class is being dedicated as a testimonial to His Excellency Archbishop Samuel A. Stritch. Get in touch with P. G. K. Frank R. Vitullo, Fran-Four president and he will be glad to give you any information or assistance.

About the dance: P. G. K. and Mrs. John Blase Meccia returned from their Florida vacation in time to attend the dance. . . . Lillian Pane-Gasser, niece of Sir Knight John Pane-Gasser, seemed to be having a good time. . . . Some of the general comments we heard were that Bro. Torry Muro's orchestra was "tops." . . . The sandwiches were extra specially delicious and the accordion player "knew his stuff." His name is Frank Rago and he is a DePaul University law student. . . . Bro. Anthony LaRose's wife celebrated her birthday at the dance.

We are sorry to hear that the wife of Dr. R. Nigro is confined in Mother Cabrini Hospital. . . . Here's one for Ripley: A Knight radio, awarded by the Knights of Peoria, was won by a member of the Knights of Columbus. The lucky winner was Bro. Dan Laurino.

This column is being written by Louis A. Giampa. My address is 1012 Grenshaw street and the phone number is Haymarket 5429. If you have any news about yourself or a brother member, don't fail to call me or mail a card.

BOWLING

Pacellis lost two games to the Mele Plumbers.

The latter series featured by the spectacular pick up of two railroads by Joe Crist.

All Records Down as State Bowling Tournament Closes

A. Nestroy Takes All-Events Title With Nine Game Total of 2,007 Pins

The curtain was rung down on the 10th Annual State Bowling Tournament last Sunday evening, but not before records were smashed and pins spilled in all directions.

A. Nestroy of Cardinal Council took the top spot in the All Events division with a grand nine game total of 2007, counting 702 in team event, 711 in doubles, and 594 in the singles.

R. Bernoski and H. Kurent of St. Rita Council bowled themselves into first place in the doubles with a record total of 1366. J. Hartnett and G. Love, Dowling Council were next in order with 1305, H. Lorden and E. Blythe, also from Dowling, 1289.

H. Lubben of Perez was the top bowler in the singles for the weekend with 715, followed by C. O'Sullivan of St. Rita, with 708, M. Dietrick, Dowling, 698, A. Booz, De Soto, 687, J. Hayes of Perez, 686, and J. Riley of Dowling, 684.

DE SOTO ENTRY IS LARGEST

Another record was smashed in the team event, not by superior bowling, but by actual participation. De Soto Councils entry of 30 teams is by far and wide the largest Council delegation ever to compete in a State Tournament. Irv. Schultz, the President of De Soto 36 team Council bowling league, is surely to be congratulated on this fine entry. Gene Scanlon, G. K. of De Soto, who cooperated with Irv in every way possible, declares they would top that mark next year.

The high weekend scores in the team event were turned in by Ricketts with 3048; Konitzer Ambulance, 3044; Wetterlings Packers, 3043; and Birren and Sons Undertakers, 3006, all of De Soto Council.

Feehan Council was well up in the top score class with three of their entries. Malee's Fighting Irish counting 3027, J. J. Collins and Sons, 3027, and Hackett Pioneers, 3015.

The investigating committee of the State Assn. have a severe task to perform. It is their duty to pass on all participants in the tournament, as to their membership in the Order, and the legitimacy of their handicap allowance. All prize winners are thoroughly checked, and until the committee reports, all standings are unofficial.

Roger Jones, also at-ded the last meeting and in his lit-talk, which is always looked for-d to with keenest interest, he ssed the need of participating in holic Press Month, and emphasized efits likely to accrue from increas-membership in our own order and he Holy Name Society.

Another speaker was P. G. K. Patrick Barrett, who had been absent from council chambers for too long. He ed that all members resume the it of wearing their K. of C. Insig-s as lapel buttons and said that a ed front would be an impregnable ification against the isms now as-ing the country and Catholicism.

A delightful feature of the last meet-in was when the initiates, Bros. Rob-Bergeron, Erve Lauterbach, Jr., and nk Kemper, gave their impressions he recent third degree exemplifica-ti .

Regret to learn that Bro. William Mek was recently taken to Edward es Hospital. Bill is a world war ran. Any of the brothers in the ity of Hines Hospital are urged to all on Bro. Marek.

A usually authoritative source of in-ation slipped us that about young mond O'Brien and his entertaining ts . We always thought Ray tops a long time. The item should have that it was young Elmer O'Brien, Jr who is upholding the high tradi-s of his talented family as enter-ers par excellence. Elmer is the fa-haired boy in more ways than on Congratulations to Bro. Frank Li key, coach of Chicago Bruins pro ba etball team, for we understand Frank has presented a beautiful dia-mond solitaire engagement ring to his transcendentally beautiful girl friend.

YEAR-IN-ADVANCE MEMBERS

Fin. Sec. Daniel L. Harper proudly presents the first group of members on the Year-In-Advance Club. Membership is accorded those brothers who remit their dues for 1941 now. How about joining? Following have paid all assessments for the year: Alf B. McDonough, James W. O'Connor, James D. Ryan, Dr. F. E. Dostal, William Ryan, Rev. Francis W. Jedlicka, Elmo L. Ward, Joseph Kucera, Frank J. Malone, James T. Nemeck, Judge Frank H. Bicek, James C. Beranek, John H. McKeown, Edward A. Hustoles, Stanley Hrupek, Rudolph Hajicek, Emanuel Touzinsky, Martin Svaglic, Henry Macek, Charles Votava, Sr., Charles Votava, Jr., and Louis Lepore.

STATE TOURNAMENT BOWLING

Hughes Council's Howell Restaurant team opened its bid on Saturday, Feb. 9, with a 1,024 game and hopes were high Hughes would retain the championship, but the team finished with 2,905. Young George LaRocca, nephew of the G. K., Dr. Louis Postilion, Gerald Traynor and Ed (Midge) Gorman featured for the Howells. In doubles and singles competition, Tom McDonnell starred, with good games by John Bannon, Bill Benes, and Dr. H. Ganey and his son.

Last week we neglected to state that Roy Murphy proved one of the better Hughes bowlers in the tournament. Roy contributed a big share of the Ward-Murphy a total of 1,234 in the doubles and got 629 in the singles.

Unfortunately, Hughes Council's pair of Para and Pender lost the doubles' crown in the final squad when a two-some from St. Rita Council got 1,366 to top the Hughes champs' total of 1,360.

COUNCIL LEAGUE BOWLING

The Ward Builder "Golds" took all three games in a hard fought series with the league-leading Malone & Clancy Undertakers. Ed Hustoles featured with a 257 game and a 640 series. The first game ended in apparent deadlock with each team totaling 1,105, but a re-audit found the "Golds" with 1,108.

The Howell Restaurant team vanquished Votava Auto-Fixers all three when Rollie Howlett pounded out a brilliant 618 total, that could have been much more. The Toomey Tavern maple maulers took a single game from the Ward Builder "Blues," while the John H. McKeown Cartage squad was sweeping its series with Flaherty Tavern. No dope on the other four teams, but the Lauterbach Coal Company representatives have a chance to move into a tie with Malone & Clancy. The McKeown team, by the way, had a 3,330 series with young Charlie Reilly, Jr., hot as the proverbial firecracker.

P. G. K. Elmer J. O'Brien announces that Hughes Council's dates for the National K. of C. Bowling Tournament will be Apr. 26 and 27 at Indianapolis, Ind. Hughes leaves Central Station, 12th and Michigan, at 8 a. m., on Saturday, Apr. 26, via New York Central and Big Four, with a parlor car for the ladies. Round trip fare only $4.65. There will be refreshments served on the train. This will be the Hughes-Barry Special.

FOURTH DEGREE EXEMPLIFICATION

Don't forget to check with Chairman Sir Knight Charles Votava, Sr., about the Feb. 23 exemplification and banquet. This will be in honor of Archbishop Samuel A. Stritch. Master Joseph A. McMahon wants a distinguished class and large attendance at the banquet. Hughes Council applicants and sir knights are requested to get in touch with Chairman Votava at once.

St. Augustine's Team Scores Fifth Place in the State Bowling Finals

1-3 Mon. . . . . 5209 S. Justine

Final standings in the Illinois State K. of C. bowling tournament will be found elsewhere in this issue. Of special interest to our members is, of course, the final standings of our teams. At this writing the Ted Kloeckner Florals are in fifth place with a score of 3027. High individual series in team competition was Nick Schaefer, Jr., with 704, and high game was John Thelen, 280.

Financial Secretary Al Labuhn makes an urgent request that ticket money from our recent "Snowball Party" be forwarded to him at once. This outstanding money holds back the final tabulation unnecessarily and we suggest that you see Al soon. This might also be a good time to mention something about dues, or shall we just pass on now that you have been reminded?

BLOOD DONORS

All members present at our last meeting willingly had their blood typed by the technicians present. For the benefit of those who couldn't be there we might say that our arrangement with Little Company of Mary Hospital is still in force. Any brother wishing to have his blood typed need only tell the good nuns and they will type your blood at no expense to you.

Lecturer Joe Ossowski is sitting by his 'phone awaiting word that your son or daughter will display his or her talent at our "Home Talent" show.

Paced by Jim Burke, 588, and F. Putz, 549, the McCabe Boosters won the odd game from Schaefer Barbers, who were led by Kurtz, 527, and Dr. F. N. Werner, 505.

With the entire Dutchman Tavern team getting wood, the Puetz Meat Market could do no better than salvage one game. LaPrise and Weingart paced the losers.

Horan showed the way as the Heinen Morticians took two games from Bonthron Service. Mittler was the best Bonthron.

The Ted Kloeckner Florals turned on the steam as they swept three games from Mack Brothers. Holloway was best for Mack Brothers. Incidentally Ted Kloeckner says that if his team finishes in the money in the State Tournament he is going to furnish roses for all the rose bowls in the neighborhood. Thanks a lot, Ted; save a red one.

DEGREES

Next Monday, February 17th, our council will be host to South Division No. 1 and will have the honor to confer the First and Second Degrees on their combined candidates. This would be an opportune time for you once-in-awhile members to pay us a visit. The regular standbys will be present as usual but we do want our hall filled to capacity.

Conferring of degrees is always a worthwhile evening and we urge you to be present. Meeting will be called to order at 8 p. m. sharp, and at the rap of the gavel look up to see that big smile on the face of Grand Knight Phil Kushenbach (providing the hall is filled). If that doesn't bring 'em down there, Phil, then all we can do is to let 'em know that refreshments will be served.

O'Connell Asks Only Members' Co-operation for Success of the Party

2-4 Tues. . . . 1100 N Franklin St.

Tuesday evening, Feb. 11, the entire committee on our gala dance met in a unique pre-meeting session, the outcome of which leaves nothing to be desired, but the wholehearted co-operation of every member. For this end I urge each and every O'Connell man to get behind the dance and O'Connell Co. The place, the beautiful Lake View Center Hall, 3212 N. Broadway. Music by "Bill Alexander's Rag Time Band." (There was a slight mistake on the tickets, they should read Bill Alexander's Ragtime Band.) The time, any time after 8 p. m. on Saturday, Feb. 22.

Bring all your friends, because this time we've got a plenty big hall. There will be no turnaways. Tickets only 50 cents, including wardrobe, and may be procured from Bro. Joseph Santillo, Edw. Manley, Joseph Marino and Leonard Bondi. Our smiling officers, Bros. McAuliff and Van Deman, have prepared several varieties of refreshments for your tastes, and if I know my P's and Q's their selections will meet with everyone's approval.

I might mention, too, that the book audit held last Thursday evening at the home of our financial secretary shows the council in a very healthy condition. The audit showed, however, that there is a slowing up of our getting new members, and let this be only a temporary lull. Let's make the next fiscal period show a 25 per cent increase.

BOWLERS IN UPSWING

Our bowlers are really going to town. Remember I told you they were getting the bad breaks. Well, Lady Luck turned toward our keglers and they turned in a 1,018 game, which is an average of 203 per man, and that's some maple mauling.

The boys were led by Bro. Dinger Maloney with a 245, Ed Hughes contributing 212 and Harry Bauch 210, followed by Erkies 177 and Joe Meier 174. So I'll say they're O. K. for my money. Incidentally, the boys are toting new bowling shirts. As you know, they were supplied by the team's sponsor, Bro. Louis Glunz.

Our sick and relief committee had nothing to report, so I take it the council is in very sound health, and that is the only report we like to hear from this committee.

We have one new application which was read at the last meeting. Our new applicant is John Cassato, 3536 N. Bell avenue, and his proposer is none other than Victor LaPorte. Congratulations.

Quigley Will Treat Members to a Party on the House Tues.

1-3 Tues. . . . . 1035 W. 31st St.

Following the regular council meeting of February 18, the members will be treated to an interesting card party on the house, with many outstanding gifts to be given away to lucky Knights. There will be no charge, and the council chambers should be filled to capacity.

BUT A WEEK LEFT

Get your name on the dotted line. Be a member of the Quigley's fourth degree unit. This degree, the order's highest rank offers you advantages thousandfold. Complete details will be explained to you by Fin. Secretary John J. Jankowski, or any Fourth Degree member.

February 23rd is the day set aside for the exemplification which will pay tribute to His Excellency Archbishop Samuel R. Stritch. The degree class and banquet to follow are being offered to His Excellency as a testimonial by the Knights of Columbus of Chicago in whole-hearted admiration and esteem for the man the explication is to honor.

On February 25th, the House committee will hold the drawing for the Beautiful Console Radio at the clubhouse. Chairman John Berny anticipates a last minute drive to bring this activity to his contemplated estimate All receipts will be expended to properly install pool tables, ping pong tables, card rooms, reading and library facilities. Books are available. See to it at the next meeting or drop around the clubhouse on any evening and pick one up. The six ball in the side, what say?

On Easter Sunday, April 13th, the Home Bowling League will sponsor their annual dance at the American Legion Hall, 44th and Western Ave. Tickets will sell at forty cents. Music will be furnished by Mike Sullivan's orchestra which features Ben Purnell, formerly with Buddy Rogers and Billy Rose.

NEWMAN ATTENDANCE MAINTAINS UPSWING

1-3 Thurs., St. Mary's Hall, Evanston

When our last meeting was called to order by G. K. Lawson there was not a vacant chair left in the hall. Approximately 40 per cent of our membership was present. Consequently we expect to use the school auditorium for the next two meetings.

This session on Feb. 20 will feature as our guests the Rev. Father Gorman, chaplain Chicago Fire Department; Chief Mullaney of the Chicago Fire Department, and Chief Hofhstetter of the Evanston Fire Department.

This notice then should suffice to assure a very large attendance. Father Gorman has had many experiences as chaplain for fire fighters and is a very interesting speaker. Chief Mullaney will accompany Father Gorman. Our own Evanston fire chief, whom you all know, will also be heard.

BISHOP F. J. MAGNER NIGHT

Your officers have every right to expect 100 per cent attendance at Bishop Magner night on March 25. P. G. K. Judge James Corcoran is in charge for this occasion. State Deputy Judge John F. Bolton, State Secretary Leo Flynn, Master of the Fourth Degree Jos. A. McMahon and many Grand Knights and other officers of the order will attend.

We received a note from Bro. John Weis's daughter reporting that while Bro. Joe Schaefer was visiting their home in Los Angeles there was a slight earth tremor. Bro. Joe did not wait to open the door but crashed straight through.

Past G. K. Frank Sammons is visiting in San Francisco. P. G. K. Martin J. Vose has been visiting in the south.

St. Anthony Appoints Barbecue Committee to Aid in Affair's Success

1-3 Thurs. . . . Schiller & Gustave

The best way to do a job well is to get a good start. The officers of St. Anthony de Padua Council are aware of this fact, and so as to insure success of our council's part in the forthcoming annual Knights of Columbus barbecue, they have already appointed our own barbecue committee, namely: Kenneth Lazier, chairman; J. W. Deignan, co-chairman; Richard Maley, Dominic Palmere, Al Belz and Ed Schutter, who will act as treasurer of the committee. We of the rank and file should assist this committee by obtaining our books and working on them as soon as they are available.

It is very encouraging to our officers to see that more members are taking an interest in the meetings. They are always glad to see you. At our last meeting, Bro. Ben Kline was present after a long absence, and Bro. Ralph Gohrsch. Come more often. We were just wondering what has become of some of the old stand-bys, such as Dan Gillen, Pete Simon, Chester Reardon, Adam Roulo and Frank Shannon. Be at the next meeting and really enjoy yourselves.

There is a real treat in store for all of us at our next meeting which falls on Thursday, February 20. Bro. Pete Caputa, expert in preparing that delicious Italian concoction commonly known as spaghetti, will demonstrate, to all present at this meeting, that he has no equal.

James Drury, who received his third degree last December, has just returned from a six-week trip visiting relatives and friends in the state of Ohio. See you Thursday, Jim.

A remark on a post card (I could kick off down here and be satisfied).

The four Jans brothers, Pete, Matt, Tim and Joe were present at the last meeting. Bro. John Wiltgen received a trophy from the state bowling tournament as the most efficient council secretary.

Newman's basketball team plays every Monday night. Give your team your support. Be there.

Bros. Louis McNally and Vin Ratcliffe are new fathers, a boy for Lou and a girl for Vin.

Sick list report: Bro. Robt. Abernathy at Alexian Bros. Hospital. Bro. Steve Doyle at St. Francis Hospital, and P. G. K. Julie Alter at home.

Blue Island Offers Stellar Program for Open Meeting Tues.

1-3 Tues. . . . . Gregory and New

Once again Blue Island is planning a gala evening for her prospective members. On next Tuesday evening, Feb. 18, Lecturers Joe Weiland and Lowell Frasor announce that they have gone the limit to make the evening a social success. To begin with we are going to see the Chicago Tribune's new moving picture ALL AMERICAN scenes from the All Star baseball, football and hockey games plus all the great sporting events of the year will be shown.

This is to be augmented by the appearance of Don Kolloway, second baseman for the Chicago White Sox. Don has promised to bring several other members of the club along with him. Add to this a little entertainment, plus some of Joe Weiland's fine food and your evening is quite complete.

Brothers, you can see by this that next Tuesday is going to be a gala evening and one you cannot afford to miss. The meeting itself will start at 8:15 sharp and will be over by 9:00 o'clock so that the entertainment can get underway. Don't forget this is an open meeting so invite every Catholic young man you know!

BOWLING

On last Sunday afternoon thirty bowlers from Blue Island Council, led by G. K. Dan Boyd, bowled in the state tourney at the C.Y.O. alleys in Chicago. Although none of the teams captured the coveted first place some of the boys shot some very fine scores. The scores of all the teams will be found on page twelve of this paper.

Just received a flash that Bro. John Grandchamp has volunteered to serve a year with Uncle Sam's forces. Good luck to you, John, and hope you enjoy yourself.

YEAR-IN-ADVANCE CLUB

After a week's standstill the Year-in-Advance Club resumed its growth and its membership now totals 46. Two insurance and four associate members were added to its list. In the former group were George Krizik, Sr., who was recently transferred by his company to Worcester, Massachusetts, and Walter Kysiak. The latter group consisted of Charles E. Krizik, also in Worcester with his father, Joe Firebaugh a perennial member of the Club, Officer Frank St. Aubin and Judge Richard B. Seyfarth.

To these Brothers and the following who were heard from recently we extend our sincerest greetings: Joe Meehan with Pure Oil in Olney, Frank and Ed. Jankowski of Posen, Bill Kay of Columbus, Ohio, Eldon Juby of Chicago, John Peddicord, Jim Cannon, Steve Sofiak, Amos Mear, Adolph Wozny, Ralph Cistaro, Geo. ST. PAUL'S CARD PARTY DECKED FOR NEXT FRI.

1-3 Tues. . . . 6713 Olmsted Ave.

We received the "go ahead" signal on two important happenings which will take place shortly. The first of these is the long contemplated card party, under the chairmanship of H. S. Happ, which will take place Friday night, Feb. 21, at St. Paul of the Cross school hall in Park Ridge. This will be the biggest thing in card parties undertaken by the council since the days when "Hector" was a pup.

The boys described it at the last meeting with such words as huge, mammoth, colossal, gigantic. If that doesn't describe it, then the fact that the committee is headed by H. S. Happ should be sufficient to satisfy even the mose skeptical that nothing will be left undone to make it the party of all time. The effort required and which is being put behind this affair to have it measure up to expectations deserves tremendous support from every member of the council.

That kind of support is asked and required which will result in the hall being filled to overflowing which means that everyone must do his share in the way of disposing of tickets. It goes without saying that there will be door prizes and refreshments; all of which is included in the nominal admission price of 50 cents per person. You can't afford to miss this party.

"Advertisers" in the council as well as local go-getters are afforded an opportunity to "plug their wares" during this party with an appropriate donation or two. Members are requested to remind their business friends of this opportunity so that they may participate if they are so inclined. Contact H. S. Happ, 314 S. Cumberland Ave., Park Ridge (Phone P. R. 272-J) who will be happy to receive the "ads."

The other important invent will occur at the first meeting in March when, through the influence of our own brother, Joe McDowell, Captain Jack L. Sullivan of the detective bureau of the Chicago police will give an interesting talk on the workings of that department. Joe has been working on this for the past two years that I know of; so you should realize that we will have with us a man who knows the ins and outs of his profession and who, therefore, is in much demand as a speaker. Two years is a long time to wait to hear a speaker but we are assured that, when you have come and heard, you will agree he was well worth waiting for. So be sure to attend this meeting and learn something that is sure to be interesting and educational.

Another event that will make history for St. Paul of the Cross is the National K. of C. bowling tournament taking place this year at Indianapolis. We are scheduled to bowl the last weekend in March. The time will be here before you realize it, so we caution you to make your plans and arrangements now. Contact P.G.K. Geo. Harbert for reservations; tell him to put your name on the list now so you won't forget it later.

WE HEAR THAT—

Last Thursday night the Newman-Ziegler's were hot; so hot that they set a new high in team average for three games. All this was done sans Don Ellwood which set the team to wondering if they couldn't always do better with Don's average then with Don . . . When you hear sounds like a policeman's whistle halting a traffic violator (those short staccato ones) in the bowling alleys, then you know Fr. Kiley just "blew a spare" . . . Ravenswood Plans a Fine Program for Its Open Meeting on Wed.

1-3 Wed. . . . . 1521 Wilson Ave.

The next meeting for Ravenswood Council will fall on the evening of February 19. No definite time has been set as yet, but this meeting will convene at an earlier than usual hour, due to the party which will follow. A meeting notice card will be mailed to each member and on it the time will be given.

In previous issues we have told you that this party will give you an excellent opportunity to entertain some of your friends that might be interested in the Knights of Columbus. This party will also afford you the opportunity to give your wife or sweetheart, whichever the case may be, a belated Valentine present. You married fellows can either get, or remain (whichever suits your particular case) on the good side of your in-laws by bringing them along to enjoy the party, too.

The main attraction will be two movies shown through the courtesy of the Chicago Tribune. One is "From Trees to Tribunes" and the other "The All-American Way." Some of you may have seen the first, but I doubt if any of our members have seen "The All-American Way." This film has some of the best sport shots of the past few years from most of the big sporting events. Numbered among them are "The Golden Gloves," "The All-Star Football Game," "Silver Skates," and "The All-Star Baseball Game."

COUNCIL NEWS

The results of the audit of our council's books were given at the last meeting by Trustee Farrow and Financial Secretary Blesius. The gist of the report was that Ravenswood has improved her financial condition considerably and, as last year, is in a very favorable position. Doubtlessly the council would not be in such sound condition if it were not for the ceaseless vigilance of G. K. Morgan, Sec. Blesius, Treas. Egert and Trustees Beaton, Farrow and Arend.

The question of whether or not Ravenswood will retain the customary ten dollars initiation fee was voted on and it was decided to go along for the present with the traditional charge. This is in accordance with the desires of the state officers.

The blood donor question was quite thoroughly discussed, several decisions were reached and other points of procedure were cleared up, so that there will be less delay in operation and less chance of any misunderstandings.

THE BOYS

Your scribe apologizes to D. G. K. Mike Citti and P. G. K. Hub Beaton for failing to inform the members of their bowling prowess. The dope had been duly reported in time for last week's publication, but the writer failed to include it. Two weeks ago at the bowling league's regular Monday night stand, Mike with a 665 series and Hub with a 655 took first and second places respectively in the evening's standings, consequently winning prizes of a ten-pound turkey for Mike and two pounds of coffee to Hub. Grocer Jon Claessens, 1840 Wilson Ave., was the donor. Congratulations boys.

The fellows have a swell time Monday evenings at the Lawrence Bowl under the watchful eye of Bro. Charlie Sutton, league secretary. I'm sure that all who drop up to cheer them on will have a fine time, too. In fact the boys guarantee it.

Disillusionment: To hear Joe Grady, Sr., say that he has given up playing cards and then find him over in a corner trying to pick up the needed Jack to make double pinochle!

OUR SICK ONES

Mrs. Stewart, wife of Advocate Earl Stewart is still confined to a hospital bed. Her condition remains about the same as it has been the past few weeks.

Bro. Ben Sullivan is convalescing at his home, 4406 N. Ashland Ave. Ben has passed on the word that he will be happy to have the entire council visit him, but not all at the same time.

Bro. Peter Kranz is still confined at his home. Everyone should avail himself of the opportunity to visit Peter and lend him a few cheery words. Bro. Kranz is a charter member of Ravenswood Council.

Of all possible customers, sales girls ordinarily prefer men who are shopping alone and for themselves. They are easy to please and, as a rule, buy something worth-while. Newly married couples shopping together are nearly always agreeable. So also are young girls when shopping alone, but mothers and daughters together make a risky combination.

Englewood Renews Efforts to Build Its Blood Donor Unit

2-4 Mon. . . . . 150 W. 69th St.

At our meeting held last Monday, we were pleasantly surprised with a visit by P. G. K. Robert Du Mais of Fort Dearborn Council, who is State Chairman of the Blood Donors' Group, who stressed the importance of every council taking part in this activity. He emphasized the humiliation a council might encounter would it be necessary to ask another council to help out one of their brothers or a member or friend of his family should they be in need of a transfusion.

Incidentally, Bob gave his ninth transfusion last Saturday. Maybe that is why his initials are appropriately "B. D.," standing for "Blood Donors."

A few figures were quoted in connection with this activity, a few of which I will give you now. On May 1, 1940, 48 councils in the order enrolled in the Blood Donors' Group, with a membership of 994 Knights, who gave 611 transfusions, at a savings of $15,275. Three and one-half months later, Aug. 15, 1940, 600 councils were enrolled, with a membership of 13,000 donors, who gave 6,000 pints of blood at a savings of $160,000. The savings estimated are only the actual cost of the transfusions and does not include the cost of shortening the stay in hospitals, saving of lives, etc.

Does not these figures give you the urge to also participate? If it does, then join Englewood Council's group by going over to St. Bernard's Hospital, ask for Sister Loughlin, and tell her you want to be typed so you can become a member of the Blood Donors' Group of Englewood Council. There is no charge of any kind and it will only take about 3 or 4 minutes of your time.

Our Chaplain, Rev. F. J. Geheb, S. J., stated that it is the duty of every Catholic "To Love God . . . and to Love Thy Neighbor as Thyself. And how can we love our neighbor? By practicing charity. The manner in which Mr. Du Mais pleaded was a natural charity. But we should put our charity on a supernatural basis. They say charity covers a multitude of sins. Charity is brought out very strongly in the story of the Last Judgment, when the Lord says, 'When you did it to the least of my brethren, you did it to Me.' Base our actions on the love of God and we have a motive to carry us through. Put this work on a supernatural basis and we will reap many blessings, not only temporal, but eternal."

E-XCEEDINGLY

Happy were we also to extend a welcome to G. K. John Devereaux and Trustee Jim Kittrick, also of Fort Dearborn Council, as well as to several old-timers of our own council, they being P. G. K. John S. Ryan with his two sons, Leonard and Kenneth, Wm. J. Mulhall, Lawr. Berleman and Justin McGowan. Let's see you oftener.

Entertainment for the meeting was again furnished by Lecturer Joseph C. Smith in the form of "Lucky Buck" and refreshments. While the latter was thoroughly enjoyed, the former was disappointing, especially to those in attendance for the absence of B. English of Mundelein, Ill., Charles H. Huguelet, Jr., and Wm. Gaffney meant that the lid was closed for the evening, making the award next meeting $5.

E-FOURS

It is not yet too late for those third degree members contemplting taking the fourth degree to secure their applications. All that is necessary is to call Aberdeen 5044 and you will receive one pronto.

The exemplification will take place on Sunday, Feb. 23, at the Palmer House, and the "Three-to-Four Club" will act as hosts to all fourth degree members of the council, neighboring and visiting councils, and friends. Reservations for the banquet at $5 per plate can be made by calling President O'Brien at Central 2726.

In order to make complete arrangements for this day, there will be a special meeting of the "324 Club" on Wednesday, Feb. 19, at the home of President O'Brien. Be sure to attend, for several items of the utmost importance at this time will be discussed, among them being the May Party and Dance to be held on Saturday, May 17.

E-VENTS

Fort Dearborn Council, through its G. K., Jack Devereaux, extends a cordial invitation to the members of Englewood Council to attend their annual Valentine Party at the Stock Yards Inn, 42nd and Halsted Streets, Saturday evening, Feb. 15.

Worthy of consideration is the visiting of the following members who have been reported ill and convalescing: Adolph Minster at home, 6730 S. Wabash Ave.; Jos. Twomey at home, 6654 S. Parnell Ave.; Frank Beaud at home, 6601 S. Wentworth Ave.; John Hurley, Room 230, Mercy Hospital; Emil Huguelet at Chicago Evangelical Hospital, 54th and Morgan Sts.

E-PITAPHS

Our sincere and deepest sympathies are extended to Andrew G. and George Stocker upon the loss of their sister. May her soul and the souls of all the faithful departed rest in peace.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Madonna Lacking Only an Ace (Wow) for a Full House

2d Thurs., 4th Fri. (We wouldn't know)

We could hardly believe our eyes last Monday night. The clubhouse WAS packed—and how! Previous to the regular Sunday evening party, the bowling league held a mixed doubles, and Secy. Howie Flanigan is still walking in a daze. With plenty of notice, Howie made reservations at Schalk's Bowling Alleys for just the people who indicated they were going to participate. In true Madonna fashion, exactly THREE times that many appeared, so Flanigan gracefully tore up the schedule, tossed in the towel and ate a bottle of aspirin.

That wasn't so bad, it was when they started to pour into the club like hungry relatives, and the walls started to bulge that we began to marvel. The old days were never like this and we'll bet five bu—no we won't, either—we'll just bet it was the largest Sunday night party we've ever had. There was only one sore spot. Howie flew from the bowling alleys, his taste buds screaming for a crack at that roast beef, he raced into the club panting, and did he get it? You said it—liver sausage. The gang had beaten him to it.

We did note one glaring omission. A certain lad from Oak Park, who occasionally messes up our notes to him (i. e. this col.) with his feet didn't show up. Guess we've got him buffaloed. (And don't pull that "who in the hall do you think that was) business.

NOT BUFFALOED—"STEERED"

Well, Brother Donegan, after the directions you gave me last week, you didn't really think I'd end up at the clubhouse, did you? I turned right at that corner you mentioned and fell right in step with what in the darkness I thought was a file of Madonna rugcutters lined up to show their paste boards. Mrs. Ed mentioned that their soft murmurings reminded her of Observatory Hill at Madison.

"Look at that couple ahead of us," she said, "isn't it cute the way that fellow has his head nestled on his girl's shoulder. Why can't you——." "Sh-h," I cut in fast, "that's Donegan and his wife or else the Grand Knight and his." I could still only make out the outline of his shadows in front of us, but I figured no other two guys in the country could have shapes like these so it had to be you or Noonan.

Well, about that time we hit an incline, and I began to hear dull thumps, but no sound of the revelry I had promised Mrs. Ed.

"Dutch," she said, "isn't this afunny way to get into a clubhouse? Feel the railing they got over here. It's just like a fence, isn't it?" Just then someone said, "You hit the next couple, Joe, I've got to see about those lights. First thing we know one of these babies will fall on us."

That sounded funny, but not as funny as the clomp that punctuated his remark.

I got the answer just about the time Mrs. E. D. screamed: These ain't people! They're cows!" she yelped. "We're in the stock yards, kiddo," I said, and I sure wish Donegan were here." Then Joe hit me.

All I've got to say is that it was a darn dirty trick, Donegan. When you get me nosing around after your club house again, we'll both be a lot older—and at least one of us will be a lot smarter. And I bet five bucks it won't be you.—Ed.

SEVENTY-FIFTH

Let's see, that's the diamond wedding anniversary, it's the age men should stop doing the Boogie Woogie (watinnell is that) it's the time when woman stop reading Movie Romances, take out their store teeth and decide maybe that hat does look a little silly. It's also the total of the Year-in-Advance Club membership (it takes a little while for us to get down to busienss—it's the gypsy in us). Seven more knights in shining armor drove up with the folding, which leaves just twenty-five more to hit the century mark.

Rev. Charles A. Burke, P.G.K. Jim Gilbride, Ed Hanley from way down in Maplewood, N. J.; Tom Keenan, John J. Riordan, Jim "The Bowler" McGrenera, and Frank McNicholas are the sturdy boys in blue who came through, woo, woo!

ORCHIDS TO

Duke McGrath and Ed Barry who pounded their way into second place in the State K. of C. doubles with 673-663 for 1336. Jim McGrenera, off to a slow start in the doubles, came back with 683 in the singles to menace the leaders. Duke should also be in the dough with his 641 singles, but Barry, with a chance to score high on the All-Events ran into wood that stuck like it was part of the building, in the singles.

IN THE LOCAL

Tilts, all ties were finally broken, and the Hermes went back into first place as they took all three games from the O'Connells. The Boyles gave up top spot starting with 793, losing the first to the Doodys but coming back with 921 and their high game of the season, 1039. Duke McGrath's 213-545 and Joe Du Bray's 505 led the Boyles while Ed Lee paced the Doodys. The luckless Millers rolled their third consecutive series of better than 2700 but salvaged only one game from the Duffys. Jess Folks with 207-581 had second high series for the season. Dr. Frank Fiore and Ed Barry, each with 501 led the Duffys.

THE HERMES

Had an easy time with the O'Connells who rolled their worst series this year. Tom (2-game) Byrnes (the council's new poet-lariat—he knows the ropes) arrived in time to add 227 to his teams total. His total was for the last two games. Explaining that poet business (this is Flanigan's)—during the bowling party on Feb. 1st. Tom's poem, which would have done credit to his namesake Robert, appeared on the clubhouse bulletin board.

On investigation we discovered that the inspiration came in the dead of night, and Thomas, nightcap and all leaped out of bed to record his thoughts for posterity. Copies may be had by mailing a Bull Durham seal (or reasonable facsimile) together with ten dollars for handling and mailing. You'll come to the same conclusion we did.—He shoulda stood in bed.

THE WALLACE CARDINALS

Is group of talented young gents from "the front of the yards" or, as some would have it, West Kenwood. A fine organization of Catholic men, headed by our own Bro. Tom Carmody, the Cardinals will hold their annual dance and reunion party on Friday evening, February 21st at Perez ballroom, 67th and May Sts. Music will be supplied by The Aristocrats and the cost is forty cents per person. Incidentally Bro. "Red" Cassidy will do the M. C.-ing. Are you going?

WE'VE HELD THIS

Till we got the official dope (we're still leery of these half-way reports, after what happened a couple of years ago). However, we're happy to announce that John and Margie Noonan are the extremely proud parents of eight-pound Margaret Winifred. Incidentally, John, who has been in New Orleans the past two or three years has transferred to Marquette Council of that city. With the letter we sent to Marquette last week goes our blessings and best wishes to John, Margie, and the little queen.

AUSTIE O'MALLEY

Is again gravely ill in Little Company of Mary Hospital. To afford his family and the hospital staff a little respite from phone calls, we haven't published his illness till now. Last week Jim Ryan, Wally O'Keefe and Howie Flanigan were called upon for transfusions and we'd like all Type 2 Donors of the Council to stand by. Please remember him each day in your prayers.

Pinta Host at Degree Ceremonies of South Div. No. 4 Thursday

1-3 Thurs. . . . St. Mary's Church

According to our schedule of events, Pinta Council will put on a first and second degree at our next meeting on Feb. 20 for our new initiates and also those of other south side councils in our section. Fellows, let's turn out a big crowd and really give these new boys something to remember.

All award books must be in by Feb. 20, as the award will take place the following day. At our last meeting, Bro. Joseph Cole walked home with the grand prize for Valentine's Day. (I hope his wife liked it.) Bro. Anthony Michalski's name was drawn for bank night, but due to his not being present, five dollars cold cash will be given at the next. The membership application of Frank Burda, Jr., was read at the last meet, and here's hoping it will be followed by many more.

Our annual communion Sunday will be May 4, at 8:30 mass. We have three members ready to take the patriotic degree on Feb. 23. Let's have some more. See your financial secretary now for application. Our quota for new members is just thirteen. Each member should bring a new member in.

After our last meeting ten brothers went bowling, and were there gutter balls thrown! But all joking aside, a bunch are going bowling after next meeting. How about joining us? Perhaps we'll get a team together.

Bro. Gallegos, otherwise known as Dr. Gallegos, was stricken with severe indigestion and hemorrhage. He is at St. Francis Hospital in Blue Island, Room 312. Pay him a visit to cheer him up.

Damen Cites Need for Strong Fourth Deg. Membership

Feb. 20, Open Meeting . . . 6 N. Hamlin

In the columns of a daily newspaper we read that "fifteen million youth are pagan—fifteen million young pagans afford the nation's most fertile field for anti-American doctrines."

What a sad commentary on the American way of life. But what place does such an extract have in a K. of C. paper? Chiefly this, that the youth of today are the men and women of tomorrow. That you, gentle reader, are part and parcel of this paganistic trend if you do not do all in your power to draw these people to Him Who was the way and the life. How? By rededicating yourself to the principles of Church and reasserting your belief in the principles and ideals of the Order. A splendid opportunity for Third Degree members of good standing in the past two years awaits them Sunday, February 23, in the exemplification of the Fourth Degree at the Palmer House.

Worthy Master Joseph A. McMahon, District Deputy and Past Grand Knight of Damen Council, invites you to participate in this class named in honor of our beloved Archbishop Stritch, who will address the gathering at the banquet in the evening.

Chairman of the Fourth Degree, Thomas F. Brown, reports his five nephews, Joseph Creighton, Lawrence Creighton, James Creighton, William Sloan and Tom Sloan are candidates as well as Homer Shaver, Patrick Stack, Steve Berg, Thomas Reithal and Father Joseph Donohue. There is likelihood that Bert Lannon, Chancellor; Lawrence Dowd, chairman of Membership, and Herb O'Connell, Advocate, will advance to the highest step in knighthood.

Candidates and members are requested to communicate with Tom Brown at 318 S. Jefferson street; Jim Crowley at 4339 Wilcox street, or William G. Hopkins at 3618 N. Luna avenue.

OPEN MEETING

Lecturer George Reithal and Membership Chairman Lawrence Dowd have planned an invitational meeting on February 20 to which you may bring your friends and prospective candidates. The American League baseball picture is to be shown and notables of the sport world may be present through the good offices of Frank Mastro. Thomas Hay, noted orator, will speak to the candidates.

DINNER DANCE

And they didn't want to go home. That in a nutshell tells how successful was the Damen Dinner Dance last Saturday. Most enjoyable features were the impromptu offerings of our guests who staged a home talent show of rare ability.

A big hand was given William Taylor and Miss Judy Kusma, who announced their engagement just before the party; they had met just three years ago at another Damen birthday party. Tom Dunne, Chief Ranger, Harmony Court Catholic Order of Foresters, brought a party of fourteen, with the help of Jim Cleary, Charley Brougham, Bill Sauerlin, Hubert O'Connell and Will Taylor.

The Creightons and Sloans and their young crowd were all there, as were the Georges family and in-laws. George Reithal, Sr., danced for the first time in twenty years. Understand he did not like the way Lecturer George Reithal, Jr., neglected Kay Hastings. Then George, Sr., announced the engagement of George, Jr., and Kay. That's one way of taking out dancing insurance.

We saw G. K. Maurice Kissane of Setters Council and his wife, Lecturer and Mrs. Ed. Dwyer of Setters, Mr. and Mrs. David Kissane, John Dooley of Feehan and his wife, the Nolans, the Meyers and the Cicero cutups. State Representative John J. Gorman and worthy Master of the Fourth Degree Joseph A. McMahon with their wives.

THE MERRY MEN

Those league leading Cassidy Tires continued their maple crashing to win two games from the John Gormans. The Stack Typewriters continued their lucky streak to win two games from the Reliable Credit, who were driven to sheer madness and won the last game by a large margin.

The Brown Plumbers, refusing to give ground in their quest for the league leadership, took the McEnery Realtors for two games, winning the first by a mere 13 pins and lost a heartbreaker to climax the evening when the McEnery's won by only nine pins.

The Kelly Couplers paced by the "Mad Russian" Joe Kulisky won two games from the McMahon Undertakers and missed a grand slam by losing one game by only two pins.

Supermen of the evening: C. Kuhter, 495; M. McGinnis, 495; W. Page, 505; K. Phelan, 489; F. Marnell, 486; T. Brown, 486; M. George, 461; J. McMahon, 495; J. Kulisky, 561.

Damen Council will be represented at the National K. of C. Tournament at Indianapolis, Ind., by four teams on April 5 and 6

Testimonial Exemplification Sunday

All Councils to Have Part in Class in Honor of New Archbishop

SUPREME MASTER TO SPEAK

A near perfect representation of the sixty-five Knights of Columbus Councils in the Chicago jurisdiction will assemble at the Palmer House here Sunday afternoon, Feb. 23, to participate in the annual exemplification of the Fourth and Patriotic Degree of the Order.

One of the largest classes in recent years, an expected total of two hundred and fifty candidates, will be presented for advancement to the highest rank of K. of C. membership in the afternoon ceremonials.

An additional assemblage of some 1,200 guests, representatives of every council in the State as well as from neighboring jurisdictions will be on hand to attend the banquet Sunday evening following the ritualistic degree work of the afternoon.

Will Start at 1:45 P. M.

The ceremonials, scheduled to begin promptly at 1:45 o'clock Sunday afternoon, will be under the capable direction of Joseph A. McMahon, Master of the Fourth Degree in Northern Illinois, Marquette Province, and will be dedicated as a testimonial to His Excellency, The Most Reverend Samuel A. Stritch, Archbishop of Chicago.

In keeping with the high purpose of the day's activity, Master McMahon, has planned one of the most elaborate, and outstanding programs of Fourth Degree history.

Highlighting the evening's banquet program will be the personal and principal address delivered by His Excellency, Archbishop Stritch, himself an active member of Memphis Council, at Memphis, Tenn., the locale of his early church activity.

State Chaplain to Speak

Another feature of the banquet program will be the address delivered by the Most Rev. James A. Griffin, D.D., Bishop of Springfield and State Chaplain of the Knights of Columbus in Illinois. Bishop Griffin, a member of Madonna Council here, is well known for the abundant Irish humor with which he sprinkles his masterful orations.

The newly appointed Supreme Master of the Fourth Degree, Timothy P. Galvin will be heard in an address on "Our Country." Galvin, a graduate of Notre Dame University, served his country in the last World War as a member of the A.E.F. He is a charter member and first commander of the American Legion Post at Valparaiso, Indiana.

At the present time, and in addition to his activities as an active lawyer, the Supreme Master is a member of the Selective Service Board in his home district at Hammond, Indiana.

Lauds Patriotic Work of Knights

At his election to the office of Supreme Master, Bro. Galvin said: "The Fourth Degree of the Knights of Columbus is the degree of the Order which has as its particular object the promotion of the virtue of patriotism. To head this body would be a high honor at any time, but I deem it a special distinction in these disturbed times when the virtue of patriotism has such tremendous significance and appeal.

"The Knights of Columbus of our country and of Canada and of Newfoundland, and of the other countries where our international organization exists, have established an enviable record for patriotic activities in the past. It is my hope that the Fourth Degree may be useful to inspire our membership, and others whom we may be able to influence, to great future contributions of patriotic activities of worth-while character everywhere to the end that the blessings of liberty may be preserved to us and to our posterity."

"Impressions of the Day" will this year be delivered by the Hon. Edward J. Hughes, Secretary of State in Illinois. Mr. Hughes is a member of Hennepin-Shields Council in Chicago and has served with distinction in the various activities of the west side units.

His Excellency, the Most Rev. Samuel A. Stritch, Archbishop of Chicago, will be the guest of honor at the Fourth Degree banquet and exemplification to be held this Sunday at the Palmer House. Planned by Joseph A. McMahon, Master of the Fourth Degree in Northern Illinois, as a testimonial to His Excellency, Archbishop Stritch, the degree and banquet ceremonials will be one of the most elaborate ever held in this jurisdiction.

All candidates must report at the Palmer House, Fourth Floor, at 1:45 P. M. SHARP.

Full dress attire, as specified in official instructions must be worn by all candidates.

Candidates in presenting themselves for admission to the Degree must possess the Current Pass Word of the Third Degree, and the properly completed Communion Certificates supplied at the time of application.

The banquet will start at 6:30. Admission to the banquet hall will be by reservation cards only.

Many Famous Figures Listed Among Candidates for Patriotic Honors

SEC'Y OF STATE IN CLASS

Listed among the distinguished candidates who will be advanced to the final rank of Knights of Columbus membership in exemplification of the Fourth Degree at the Palmer House, Sunday afternoon, Feb. 23, are leaders from almost every field of civic and ecclesiastical activity.

Among the extra-ordinary class of over two hundred and fifty candidates will be the Rt. Rev. Msgr. C. F. Conley, P.H.D., pastor of St. Mary's Church at Freeport, Illinois. Msgr. Conley, an active member of the local council in his home city, will accompany several other leading churchmen from the downstate area who will be in attendance at the exemplification banquet Sunday evening.

Secretary of State

Secretary of State, Edward J. Hughes, also listed as one the 1941 candidates, will assume the honors of the Patriotic Degree with his fellow council members, Captain George Lynch, retired, former commander of the Austin police district. The Secretary of State, whose application was presented by Supreme Director, Michael J. Howlett, is to deliver the special oration "Impressions of the Day" at the banquet Sunday evening. Both Hughes and Captain Lynch are from Hennepin-Shields Council.

Among the half-dozen candidates expected from Commodore Barry Council will be Alderman George Kells, Chairman of the Committee on Traffic and Safety, and a member of the City Finance Committee.

Assembly Membership Open

Upon initiation all candidates will be eligible for membership in La Salle Assembly, generally recognized as the leading Fourth Degree unit in the nation. Certainly the largest Assembly in the Order, it is recognized for its many important activities, its welfare service and its delightful monthly meetings.

Several of the social gatherings planned by the Assembly each year are for the pleasure of the families of its members. One of the most popular of these is the theatre and dinner party scheduled for sometime next month.

Excellent Degree Team

The excellence of the degree work as it is conducted for the Chicago jurisdiction is also a matter of national Order acclaim. Under the supervision this year of Master Joseph A. McMahon, the entire team has attained a perfection of delivery and action that will admit of no equal.

Members of the Master's assisting staff who will act in the exemplification this Sunday are: John M. Lee of General Sherman Council; Edward J. Sullivan of De Soto; James Murphy of Calumet; Partick Woods of St. Philip Neri; Edward J. Molyneux of Father Perez; the Rev. Wm. J. Gorman of Commodore Barry and John B. McGuire of University Council. Each of these men are veterans in

their respective posts and will, in the discharge of their individual duties Sunday afternoon, evidence the precision of their long experience as members of the degree team.

Expect Many Guests

A host of ecclesiastical dignitaries, friends of His Excellency, Archbishop Samuel A. Stritch, in whose honor the testimonial class and banquet have been planned, will be in attendance at the banquet following the rituals.

Outstanding among these guests and a particular friend of the Knights of Columbus in this State, will be the Most Rev. Edward F. Hoban, Bishop of Rockford, who was initiated in the Patriotic Degree of the La Salle Assembly here in the exemplification of 1933. Several members of the present degree staff were also members of that early team.

Other speakers will include State Deputy, Judge John F. Bolton and Supreme Director, Michael J. Howlett. Master Joseph A. McMahon will act as toastmaster.

Several entertainment numbers are also listed for presentation during the evening. These will include the rendition by John Pane Gasser, K.C.H.S., of "The Star Spangled Banner." Other appropriate musical numbers will be presented by the St. Vincent's Junior choristers under the direction of Bro. Frank V. O'Connor of Chicago Council.

The banquet ceremonials are scheduled to begin promptly at 6:30 P. M. after a short intermission following the rituals of the degree exemplification. Candidates to be presented for initiation must be on hand not later than 1:45 o'clock Sunday afternoon.

Reservations for accommodations may still be placed with Henry J. Lynch, Secretary to the Master at 155 N. Clark St., Randolph 6070.

Blue Island Bowlers Start Packing Bags for Trip to National

1-3 Tues. . . . . Gregory and New.

The lull before the storm, with tomorrow night the zero hour—in other words, our huge prospective members' night. News is as scarce as a quiet night in England. Thus your column this week is going to be short and sweet.

The bowling league comes forth with the biggest news flash of the week. Bros. Bill Creighton and Tom Parsons announce that all arrangements have been made for the trip to the National Bowling Tourney at Indianapolis. Blue Island is to leave over the Big Four R. R. at 10 a. m. Saturday morning, March 15, on the K. of C. Special.

The boys announce that Blue Island will conduct an all-expense trip which includes your train fare, your meals coming and going on the train, your hotel bill, all the amber fluid you can consume on your trip up and back, all your set-ups and a huge headquarters at the hotel. This, brothers, is offered for the small sum of thirteen dollars. So all I can say is start packing that bag now. You don't have to be a bowler. Just get in touch with either Creighton or Parsons now; don't put it off. I assure you one of the most enjoyable week-ends you ever spent, with a real bunch of fellows.

You wives, mothers and sweethearts who may read the column, if you would like to have your male friend in good humor for the next year, insist that he make this trip and you will be surprised at the change in his disposition. Incidentally, the boys will return home Sunday night at about 9:30 o'clock.

YEAR-IN-ADVANCE CLUB

Only Bros. John Grandchamp and Herman Tragnitz assumed the honors of the Year-in-Advance Club this week. The membership of the club now totals 47.

News of our scattered brothers is also scarce but we are happy to hear from Bros. William Annen, tax collertor of Wheeling township, living in Arlington Heights; Leland Bond of Kankakee, Ad. Blouin of Chicago, and Ed. Klimek, Harold Blouin, Frank Long, Nick Hopman, Ned Miazga, Gabrielle Ruffalo and Mark Nelson of Blue Island. Our greetings and best wishes to all of you.

NAZARETH POINTS OUT WAYS FOR CATH. ACTION

2-4 Tues. . . . 17 W. Harris, La Grange

Just a few stray thoughts your scribe happened to snare as they floated by. Subject matter? Catholic Action. This field has so many ramifications that it would take more space than there are books in the library to set them down. We can't help but touch on a few however. They are so simple. For instance your daily life. It is so easy to say or do the wrong thing and thereby give your non-Catholic friends and acquaintances the wrong impression. It is just as easy to give them the right impression.

Your conduct and your speech, for example. Are you as careful of these things as you could be? That so-called funny story that someone tries to tell you is oftentimes not quite so funny when analyzed coldly. When someone comes up to you and starts the conversation in a low voice so that no one around can hear and says, "Did you ever hear the story, bla-bla-bla," etc. What do you do under such circumstances? Are you big enough man to come out in the open and challenge it with the statement, "If this is a dirty story I don't care to hear it," and mean it when you say it?

It is not very long before that person is no longer coming to you with those things, much to your betterment. Those kind of people soon realize that you are one Catholic who lives up to his religious teachings, and will think highly of you for it. That is a form of Catholic Action, one which anyone can put into action without any cost to himself.

Another easy thing to do is wear the emblem of our order. This shows the world that you are a Catholic and a member of the finest organization in the world and not ashamed of it. It is sad to note how few of our brothers carry that emblem in the coat lapel. Just supposing every knight wore his emblem, what an impression that would make on the non-Catholic population of this country. There are approximately 400,000 knights in the U. S., and you never know where or when you might meet a brother knight, and the wearing of the emblem might be the means of making a lasting friendship among our own kind.

MAYSLAKE RETREAT

How about that retreat? Yes, we are at it again. The subject is of such great importance. Did you ever attend one? We mean you! Did you? Why not, and what excuse have you to offer? You get so much for so little at a retreat that it will simply amaze you. Join the other boys from the council this year. The date is Friday, March 21. This will give you plenty of time to set your plans for it.

Looking over the calendar for the future we find that it might pay you financially to attend the meeting of Feb. 25. The lecturer is going to give away some of that pretty green paper that is used as medium of exchange all over the country. Want some? Well, come in and get it. The following meeting is one everybody should attend. This is the meeting of March 11. Our annual commemorative exercises for our departed brothers will be held. You'll be there, won't you?

BOWLING LEAGUE

In the west section bowling league the teams in the first three spots are still battling. That first place can belong to any one of the three with a little consistent bowling. Last Monday the Mahrs took the league-leading Watkins two out of three. This leaves the leaders with only a two-game lead. Pretty slim the way the Mahrs have been going lately. Young Papa Watkins had better take his boys out to the woodshed and give them a little pep talk. Other scores were: Triangles 2, Tivoli 1; D. G. Motors 2, Dieters 1; Western Tires 2, Brittans 1.

Standings to date: Watkins won 40, lost 20; Mahrs won 38, lost 22; Triangles won 34, lost 26; D. G. Motors won 29, lost 28; Dieters won 28, lost 32; Brittans won 23, lost 34; Tivoli won 24, lost 36; Western Tires won 21, lost 39. Between the Watkins, Mahrs and Triangles it is still possible for any one of the three to end up as league champs. (Spell it with an "a" please.)

No news from the east end this week. Sorry. We hear that a picked team from the east will meet a team from the west end on the first Sunday in March at the Grove Alleys in Downers Grove. This ought to be hot. Let's turn out and see them.

Next Sunday a picked team from the west end will meet a team from the Rouse Dairy Co. at the West Town Alleys at Harlem and Ogden Aves. Let's form a cheering section and root for our boys to take those milk-bottle rattlers. It has been suggested that George Handley be given a broom instead of a bowling ball to sweep the gutters. He transgressed on this score twice last week.

The two points farthest apart in the United States are Cape Flattery, Washington, and a point on the Florida coast south of Miami, an airline distance of 2,835 miles.

Dowling to Honor Past Chaplain at Meeting Tuesday

2-4 Tues. . . . . 3625 S. Hoyne Ave.

Next Tuesday evening, Feb. 25, we will pay homage to our past chaplain, Father M. J. Kilbride, at St. Maurice Hall, 3625 S. Hoyne Ave. The meeting will start promptly at 8 p. m. and our grand knight will endeavor to finish the business of the meeting in short order so that the festivities of the evening can proceed.

Rev. M. J. Kilbride

The committee working with the chairman of the month, Geo. Connelly, Sr., and Lecturer Dr. Laibe have arranged a program with plenty of entertainment and refreshments.

FATHER KILBRIDE

Father Kilbride came to St. Agnes Parish with our late pastor, Father Gilmartin. They both transferred to our council and became very active knights. Father Kilbride served the people of St. Agnes Parish for seven years and when his transfer to a far north side parish came it was quite a blow to his many friends.

At the time he came into our council, the grand knight was Jas. O'Dowd, who asked Father to become chaplain of our council. After deliberation he finally agreed and then served continously under the regime of P. G. K.'s Dick Kelly, Earl Dunne and Ray Gerber for the period of seven years from 1933 to 1940.

All who knew Father Kilbride cherished his friendship. He is always willing and ready to help when called upon. He is a follower of most sports and when he was our chaplain he bowled with our council league. He is especially interested in baseball and golf and is a real supporter for our golf tournaments. He is also a member of the La Salle General Assembly and of our Patriotic Club.

Your Grand Knight and the committee are planning on giving him the honor that is due him and they solicit your support. They ask that all members who possibly can to attend and exend that real Dowling welcome to our honored guest, Rev. Michael J. Kilbride.

HONORARY DEGREE

At the regular meeting Tuesday evening our Grand Knight Frank Barker will confer the honorary degree on four of our members, Frank Bruen, Henry Boyd, John Frey and James Flynn.

This is an honor to be very proud of and these brothers are to be congratulated.

CORRECTION

Due to misinformation we recently mentioned that Dr. Robt. E. Lee had enlisted in the army. This was not true and I apologize to Dr. Lee.

Dr. Robert E. Lee has not enlisted in the army and he continues in the practice of medicine at 3515 Archer Ave. Dr. Lee is an officer in the Medical Reserve Corps and was on active duty for one week in November at Maywood, Ill., and for two weeks during January at the 184th Field Artillery Armory. This duty was for the purpose of conducting examination of National Guardsmen who were being inducted into the army. His absence during these short periods probably gave rise to the rumor that he had entered the army for extended service.

Friday evening, Feb. 21, the Young Peoples Club of St. Agnes Parish will hold a pre lenten dance at St. Agnes Hall. Tickets, 35c per person including wardrobe. Father Jordan is spiritual director and invites all our members to attend.

FOURTH DEGREE CLASS

On next Sunday afternoon, Feb. 23, at the Palmer House, the honors of the fourth degree will be conferred upon a large group of candidates. The class will be known as the Archbishop Samuel A. Stritch class.

We have ten candidates from our council and only hope we could have had twenty to present to Master Joe McMahon. Credit for this year's class is due to the hard work of Bro. August Trapp and a few others and is appreciated by our officers.

The following third degree members will advance to the fourth degree Sunday: Geo. Coleman, Eugene Connelly, John Cunningham, John O'Rourke, Vincent Potocki, Jas. Riley, B. T. Sobel, Edward Tapor, Louis Trapp, Jos. Ziggumintowicz.

The Patriotic Club will be host to these brothers at its next meeting, Sunday evening at approximately 6 P. M. in the Palmer House when our new officers will be installed.

PIN TUMBLERS

While the league is going along nicely "Playboy" Lorden is getting more mischievous but it will be too bad if everyone tries to get even with Harry at the same time.

Charlie Juric is going in as instructor at Marzano's for the A. M. classes (from 1 A. M. to 3 A. M.). He teaches lady bowlers only!

Our secretary, John Francis Hartnett, displayed a little of his Irish last week, but after counting ten, he showed that real congenial smile again. I guess we had too many fire crackers.

Brother John Conway of Western Ave. was a visitor last week also Tom McGeehan, our police officer.

Last week's results were as follows: Daliege's took 3 games from Dr. Michels, Hartnett's took 2 games from Zintaks, Gormley's took 2 games from Beam's, Dunne's took 2 games from Dr. Laibe's.

Bowlers in the 500 bracket were: Riley, 591; Deterick, 573; Christin, 562; Labuda, 541; W. Lorden, 539; Mulholland, 538; Coogan, 534; Lepenske, 527; Geo. Connelly, Jr., 521; L. Fortier, 518; Nowak, 510; Wollschlager, 508; Green, 504, and last but not least Bridal Shower Spencer, 504.

Bowlers in the 200 class (individual) were: Riley, 226; Dederick, 221; Mulholland, 210; Christin, 203; L. Fortier, 202; Nowak, Coogan and Roubie with 200 each.

Last week President Lorden held the drawing on the bowling ball to help defray the expense for 3 teams to go to the National Tournament at Indianapolis, Ind., and the lucky winner was Marion Krusas of 4730 S. Komensky Ave. She purchased the chance from Louis Smith. We congratulate this lucky lady and hope she has good scores with the new ball.

G. K. Curran, Barry Co., to Be Feted at Party

A Farewell Party will be tendered James T. Curran, Grand Knight of Commodore Barry Council, Saturday night, March 1, at Commodore Barry Clubhouse, 2856 Washington Blvd.

Grand Knight Curran will leave with the 33d Division National Guard of the U. S. for a year of active duty in Tullahoma, Tennessee, March 5. Brother Curran is completing his second term as Grand Knight of the great west side council and is one of the youngest men in age holding that important office.

Arrangements are being handled by D.G.K. Bernard Cunningham of Barry Council and P.G.K. Alexander Thompson of St. Patrick's Council. The party is cabaret style with refreshments, dancing and entertainment throughout the evening.

O'Connell's Dance Is Tomorrow Evening at Lakeview Center Hall

2-4 Tues. . . . 1100 N. Franklin St.

Ah! yes, brothers, Saturday's the big night. Remember, Feb. 22nd O'Connell's big dance, card and bunco at the Lake View Center hall, 3212 N. Broadway. If you were just about to forget, you'd better start shaving now and better brush off those shoes too. Oh, yes, don't forget to call up Bill and ask him if he'll stop by and pick you up. Yep, gents, you can't afford to miss this affair. The committee has prepared a special series of entertainment which you are sure to enjoy.

The ladies will like the dancing and song. Bring them along, let them meet the rest of us brothers. They'll know just whom you're with on meeting nites and chances are 2 to 1 they'll be reminding you it's meeting nite every 2nd and 4th Tuesday. Once we get the women folks interested in our council, we'll go forward faster. All you have to do is bring the lady folks along tonight and show 'em a good time.

So much for that—now then, we are in receipt of an expression of gratitude from our chaplain, Rev. Paul Schlimm, for the splendid cooperation the members of the council displayed at the St. Joseph's annual homecoming. From what I hear the boys had a dandy time and are waiting for the next edition to roll around.

Best wishes for a speedy recovery to our pal and brother, Joseph Tantillo, who is recuperating rapidly from a recent illness.

A complete report on the audit will be forth-coming at the next meeting, Feb. 25th. We will also receive a report on the dance at that time. Your interest in the affairs of the council should be such as to bring you to our next meeting and all the meetings from then on.

Just a little note to let you know that Bro. Frank Marino's dad is coming along nicely. Incidentally, Frank took his First and Second on Tuesday, Feb. 11th.

The eyes of a starfish are on its arms; those of a snail on the ends of its horns.

Dearborn Pledges Large Attendance at Fourth Degree

1-3 Thur. . . . . 820 Garfield Blvd.

Next Sunday, Feb. 23, the Fourth and highest degree attainable in the Order will be exemplified at the Palmer House, as a testimonial to His Excellency, Samuel A. Stritch, Archbishop of Chicago. This feature as well as the patriotic character of the degree should bring out a very large class of candidates.

In the words of the State Deputy, Judge Bolton, there is no more appropriate time than the present for this exemplification to bring home to American men the love of country. Its lesson will, undoubtedly, motivate a stronger bond of patriotic loyalty among men and cultivate real Americanism.

We anticipate a large turnout of candidates and, of course, a greater group of Fourth degree Dearbornites to witness the ceremonies and attend the testimonial banquet. If you have not placed your reservations, there is still time to contact Fin. Sec. John Feilen and arrange this detail. Remember, Dearborn expects to have the largest delegation at this auspicious event, so we anticipate greeting each of you on Sunday.

Speaking of Fourth degree reminds us that the Silk Hat Club composed solely of members of that degree is sponsoring a St. Patrick's dinner on Saturday evening, Mar. 15, at the Hayes Hotel. The entree is $1.50 per plate and will include a delectable meal and dancing to the melodius strains of Field's orchestra. Make reservations early. Oscar Heilmann is in charge of the affair.

DANCE

Dearborn clicked again last Saturday night with one of the grandest parties ever witnessed. An immense crowd, full of pep and hilarity, created a real Valentine atmosphere and stimulated a real enjoyable party. It was pleasant to feel that such an enjoyable spectacle was a fitting tribute to G.K. Devereaux and his staff, as well as full reward for the efforts expended by the Dance Chairman P.G.K.. DuMais and his committee.

Some of the details of the gathering reveal that the music by the Melody Stylists and the work of their strolling troubadors was very good. It kept the folks constantly on their feet, swinging to rythmic strains, and the strollers entertained in good measure during intermissions.

We mustn't forget to issue our thanks to the many friends of Dearborn who attended and aided the Council in this enterprise. Neither can we forget the visiting councils and their G.K.'s for their unstinting support and co-operation. To our own G.K. John Devereaux, we say thanks for picking a splendid committee and lending full aid of the council facilities to them. We add thanks and plaudits to the men of Dearborn who so loyally gave up their time to work and served our guests during the dance. Orchids to Mike Mercury for his efficient arrangements on reservations and tables. We also want to extend our thanks to Elsie Quattrocki, Sam Jarmula and Genevieve Freeman for their melodious songs, and to Charles Jacobs for his contortionist exhibition. And last but not least, to the committee composed of Chairman Bob DuMais, Oscar Heilmann, Tom Linklater, John Downes, Joe Nix, Steve Ruff and Tony Wilhelm, we offer our congratulations for a job well done.

MEMBERS AND MEMBERSHIPS

APPLICATIONS: Dearborn's membership drive is getting hotter than a town Marshall's pistol. Our newly initiated brothers are hitting the ball hard and really delivering. They are developing a competitive race and setting a pace stiff enough to assure Dearborn's going over the top insofar as the quota is concerned. It seems that Chas. Read kicked off, then Charley Lyons took over gaining one application and then delivering another shortly afterward. Now Brother Golden has the ball and recorded the signing of two prospects, to be closely followed by John O'Neill who has submitted one. This is splendid work from men so new to the council and sets a fine example of Dearborn's driving spirit.

BLOOD DONORS: Since the last report was issued by Chairman DuMais, new transfusions were given. We are happy to advise that the following Dearbornites gave their blood to insure life and health to their fellowmen: P.G.K. Bob DuMais (this must be his seventh), Bro. Joe Fitzgerald (his third), Bro. Sal Iasco and Chancellor Steve Ruff. Congratulations, brothers.

We regret to announce the deaths of the mother of Bros. Geo. and Chas. Hellman and the father of Bro. John Carden. May they rest in peace.

CURRENT EVENTS: Feb. 23, Fourth degree exemplification.

Feb. 23, Turkey dinner sponsored by the Christian Mothers of Sacred Heart Parish at the parish hall, 70th and May . Dinner will be served between 5:00 and 8:30 p. m. The price is $.50 and will include dancing, entertainment and a lovely meal. Mrs. Frank Werr, wife of Bro. Werr, is in charge of the affair and invites all wives of Fourth degree members.

Mar. 15, Silk Hat party.

Mar. 20, Dearborn First and Second degrees.

TEN PINS

The last reported bowling session reveals that the Indians took it on the chin, losing three to the Bradys. Thus although they hold first place, the Bradys are in second only one game behind. The R-K's hold third place, having won two of three. It seems therefore that the race is tightening to a great degree and promises to be a fight to the finish from here to the closing session.

Next meeting, Mar. 6th, Dearborn will be host to G.K. John Hesse, Marquette Bro. Hesse, who is a past president of the Mayslake Retreat League and Chairman of the Retreat Committee of the Chicago Chapter, will discuss the retreat movement. Suggest that all members be on hand to hear some very enlightening details.

Rec. Secy. John Downes has been elected President of St. Ethelreda's Holy Name Society for the ensuing year. Best wishes from Dearborn, John, for a successful administration.

Cummings of the Atchison, Topeka, and Santa Fe Railroad, we will have a technicolor movie describing the Santa Fe Southwest, New Mexico, Dude Ranch and 'round about in the Indian Pueblos. Also various scenes from Southern Arizona resorts and Palm Springs, Calif. It will be worth your while to attend, as the lecturer's committee has arranged an all-around fine program. The time 8:30 p. m., Monday evening.

The Testimonial Degree in honor of His Excellency Archbishop Stritch on next Sunday, Feb. 23rd, at the Palmer House will be one of the finest ever exemplified. Pres. Thos. Groark reports that five members of St. James Council will be among the candidates. They are Bros. Raymond Socha, Wm. Burke, Thos. Butler, Michael Connelly and Robert E. Lee.

The Fourth Degree Club will have a large attendance at the banquet. Those who have made reservations are: G.K. Pete O'Connell, Dr. Clarence Strobel, Jerry Loughlin, Henry Woodmaster, Martin Quinn, Thos. Kelly, John Gallagher, Leo Parker, John Hand, John Greene, Clarence Phillips, Thos. The official club photographers, Bros. Ambrose Burke and Gregory Strobel will immediately take a group picture following the degree.

AROUND THE CHAMBER

Softball announcements will be made at Monday's meeting. We welcome the following two new transfers from Leo Council, who were admitted in unanimous consent. They are Joe McGreal and Joseph A. Ferraro. Our dance committee will have the latest information to announce for Monday evening.

Bowling: The boys are hitting the maples every Wednesday evening at nine o'clock at Legion Alleys. Joe Schneider and Bud Corrigan are still holding their own. Remember that only six more are needed to hold that First and Second Degree. Let's make every effort to cooperate with Bro. Ambrose Burke, chairman of the membership committee, and help him to accomplish his objective within the next month. See you soon.

DE LA SALLE COMMITTEE BECOMES STREAMLINED

1-3 Tues. . . . . 1105 E. 47th St.

To facilitate action we have decided to reorganize the committee calling on the sick and distressed so that notice will be spread immediately upon learning of a member who is sick or afflicted. Here is the plan as outlined and each member is requested to co-ordinate it so we can determine the results. This system consists of five co-chairmen, Emmett Markey, Howard Brennan, William Meehan, Alex MacDonald and John Husung.

In the order named, each is to call the succeeding co-chairman upon notification of a member in case of emergency. Each chairman after phoning his colleague and advising him of the emergency will in turn phone five members assigned to him for notification. The team personnel for each of the above chairmen are as follows: Emmett Markey to contact Fred Henning, John Engel, Michael Troy, Anthony Hansen and James Moriarity. Howard Brennan to contact Joseph O'Brien, Phillip Rotundo, Dr. James Dunn, Edward C. McAuliffe and Rev. Thomas Riordan. William Meehan to contact John Wideman, Thomas Riordan, Edward Oehler, Edward Murray and Eugene Kenny. Alex MacDonald is to contact James Crowe, Patrick Clarke, John Goss, John R. McCarty and Thomas Dee, Jr. John Husung is to contact Richard Zellar, John Sullivan, William Bardon, George Niederst and James Young.

Each of the co-chairmen have been supplied with a written list of the men they will be held responsible to contact, and this list shows the address and phone number of each member on his list, When the individual member receives word of the emergency call he is to respond and to notify another member if at all possible. With this arrangement, it is possible to get a good sized group of Knights together on short notice and without any great burden on the part of any individual. It is hoped that this plan is understood and that those connected with its functioning will cooperate and lend their full suppprt.

K. OF C. BARBECUE

Announcement of the annual barbecue given by the Chicago Knights of Columbus for the benefit of Bishop Sheil's fund for under privileged youths was made to the District Deputies and Grand Knights who gathered with the State Deputy at a dinner given on January 30. The barbecue will be held again at Riverview Park on June 18, and it is expected to be even more successful than any preceding barbecues. Practically all councils in this vicinity will participate in the barbecue and it was decided at our last meeting that De La Salle council would again join the other councils in presenting the annual event which means so much to the under privileged youth and to the councils that participate.

Last year the fund raised by the K. of C. members helped Bishop Sheil give relief and comfort to 14,570 children besides the many hot meals and clothes and shoes furnished to the unfortunate. In acquainting ourselves with these facts and realizing the great and noble acts accomplished through this barbecue, we have resolved to lend our support and ask that our members view the cause and effect as we do. This year we will not ask our active and over worked brothers to rally to the cause and deliver these barbecue books in person; but will have them delivered in a business-like efficient and effective manner.

We will ask, however, that as many of our members as possible, come to the meetings, and when the books will be available to take them, thus saving the council the expense of delivering them. The work and worry we expend in this campaign will be repaid a hundred fold in the spirit of charity, heartfelt satisfaction and direct remuneration. We will announce the chairman and co-chairman and treasurer of De La Salle for this year's barbecue in the next issue of this column. The stationery announcing the barbecue will likewise carry the names of our brothers who serve us in this event and you are thus assured that the fund is administered honestly, effectively and sincerely.

WHO KNOWS

Brother John MacDonald expects to supplement our growing list of candidates for membership by at least two or three. We anticipate having John's two sons, James and Thomas, join us through the efforts of Pop MacDonald and the third candidate through a transfer.

We are jubilant in learning that Bro. Joseph O'Brien has recovered sufficiently from his recent operation to allow him to return home with his family to recuperate. We are hoping and praying for Joe.

Trustees Dr. James Dunn, James Crowe and Howard Brennan have announced the completion of the semi-annual audit for the period ending December 31, 1940. This audit, read at the last meeting, was received with great satisfaction by the officers and members. This audit is comprehensive and very encouraging. It shows a decrease in members in arrears, and a much sounder financial condition.

The season of Lent will soon be here, and in this time of penance and recession from outside worldly pleasures. Come up and see your brothers, renew your acquaintances and know what your council is doing and hopes to do. Every member is needed, there is work for all and something of interest if you will allow yourself to become actively engaged with affairs of the council.

Setters Degree Class Next Thursday Night Includes West Div. 1

2-4 Thurs. . . . . 4711 W. Madison St.

Grand Knight Maurice J. Kissane of Father Setters Council wishes to again announce the joint exemplification of the first and second degrees to candidates for membership in the eight councils included in West Division No. 1. The ceremonies will be held under the auspices of Father Setters Council on its regular meeting night, Thursday, Feb. 27, at 8:30 at the Madison Athletic Club, 4711 W. Madison St.

As heretofore pointed out, a new plan has been set up by State Deputy Judge John F. Bolton whereby all councils have been placed into groups for joint participation in presenting degrees. This permits the more prompt initiation of all candidates into their respective councils, and the arrangement has already proven to be highly successful as well as a definite aid to the work of the membership committee.

Captain George A. Wiltrakis, M. D., until recently superintendent of the Peoria State Hospital, has just been called into active military service and for the time being will be on duty at the station hospital, Camp Grant. Bro. Wiltrakis, as you know, has been a most loyal and active member of Father Setters Council for several years, and notwithstanding the many severe demands on his time, he has always participated to the fullest extent in the activities of the council. His host of friends and admirers in the organization take this opportunity of congratulating him upon his new assignment which he is certain to fulfill with honor and distinction.

Robert Blondin, son of Bro. LeRoy Blondin, recently entered the United States Army Air Corps. He is now stationed at Chanute Field at Rantoul, Ill., and will shortly be transferred to Randolph Field in Texas for advanced training.

Among those present at the last council meeting were: Roy P. Bedore, Ed Fitzgerald, Denis O'Leary, Geo. D. O'Brien, James J. Adam, W. J. Hassett, Harry Pribyl, F. W. Long, Carl Schuett, Ed J. Kouba and many other celebrities. Winners of the door prizes were: Joe Doyle, Harry G. Sidley, Thomas A. Lavin, F. W. Long and S. J. Campbell.

Bro. Adam Podkrivacky of 8721 S. Wood St. is still traveling his round-the-country circuit on business for the First Catholic Slovak Union, of which he is president. At present he is in Boston. His itinerary has thus far included such eastern cities as New York, Washington (where he interviewed President Roosevelt), Cleveland, Columbus and other equally divergent points.

It is interesting to know, but difficult to understand how, that Bro. Podkrivacky, with all his traveling, still has time to act as professor of the Slovak language at St. Procopius College, run a successful insurance agency at 1947 W. 47th St., take a leading part in Slovak-American affairs, lead a Boy Scout troop, actively support his pastor in all the undertakings of St. Ethelreda Parish, spend some time with his family and occasionally attend one of the affairs of Father Setters Council.

CHICAGO, FEBRUARY 21, 1941 100

The Patriotic Degree

In these days of hypocrisy and of self-deceit, when the "Fifth Columnists" and the "Quislings" of the world seem to be the men most favored with the wealth and prestige of their countries, we are reminded of a statement of one of our, indeed one of the world's greatest citizens. That statement was one of the many happy and simple truths laid down by America's first president, who said:

"Associate yourself with men of good quality if you esteem your reputation. There is but one straight course and that is to seek truth and pursue it steadily."

On this coming Sunday afternoon, all of our local Councils will be united in the exemplification of a patriotic ritual, particularly dedicated, as is the whole existence of the Knights of Columbus, to the furtherance of God and Country.

The occasion will afford upwards of two hundred and fifty candidates, the opportunity to align themselves with other "men of good quality" and to add their individual strength to a cause dedicated to truth and good citizenship.

Religion and morality, as the Father of Our Country often proclaimed, are inseperable elements of true Americanism. No Catholic can be false to his religion and true to his country. The exemplary Catholic, must of necessity, be an exemplary citizen.

Those privileged to receive the Fourth Degree are reminded of this fact in a manner that will indelibly impress it upon them for life for the Fourth Degree, as exemplified in Chicago, is unsurpassed anywhere. It is conferred with dignity, charm and impressiveness. It is staturated with American spirit—true American spirit and idealism which is completely expressed in the life of George Washington.

It is peculiarly fitting, therefore, that this exemplification, usually is given but once a year—upon the birthday of Washington, or within the octave thereof. No other American, embodied so completely within himself, or revealed so fully by his life and actions, the true meaning of Americanism. Recognizing Washington as the ideal of American citizenship, his memory has been honored from year to year by the Knights of Columbus, as it will be throughout the years to come, as long as the Order exists.

Washington's respect for religion, his high regard for education, and his recognition of the fact that the nation could endure only so long as its people conformed to the inspiration of religion and morality, puts him in accord with the Catholic idea of Patriotism and Patriotic action.

It is doubly significant then, that this year's exemplification of the Patriotic Degree is extended as a testimonial in triubte to another great citizen and outstanding churchman, His Excellency, the Most Rev. Samuel A. Stritch, Archbishop of Chicago.

That the lessons of the beautiful and impressive ceremonials will leave each candidate with his heart filled with love of country and his soul stirred by the thought of his individual responsibility to God, is a foregone conclusion, proved by the experience of other exemplifications.

That these lessons, will be driven further home by the head of the Archdiocese himself, will make Sunday's exemplification, an outstanding event in the memory of every new Sir Knight in Chicago.

Wholesale Deportations of Poles to Siberia Is Charged by Embassy Here

Washington.—Wholesale deportations of Poles to Siberia from that section of their country seized by Soviet Russia is continuing, the Polish Embassy here declares. Thousands of Poles, including the aged and infirm as well as children, are being forcibly taken from their homes, the embassy statement says, to regions where the winter is certain to bring a mounting death toll.

Residents of Soviet Russia are replacing the Poles in their stripped cities, the statement says. From Lwow, largest city in southeastern Poland, where the pre-war population was 300,000, the statement said, 100,000 poles have been deported. In many cases, it was stated, not more than 15 minutes' notice was given. The exiles were packed into trucks, taken to railway stations and placed on trains bound for an unannounced destination to the east, it was stated.

"There is little information available regarding travel conditions," the statement said. "From reliable sources it is reported that the deportees were piled in freight cars, deprived of contact with the outside world, forced to depend upon such food supplies as they were able to carry with them, and without the most elementary sanitary and hygienic facilities. The journeys lasted for weeks. Many of them were taken to the steppes of Kazakstan, Siberia. Some of them are 70 miles from the nearest town. Many are without habitations and are obliged to sleep on the ground.

"Others live in shacks in the middle of a forest. They lack medical attention. They are compelled to perform manual labor, such as the clearing of the woods and the building of roads."

From German-occupied Poland, the embassy states, it has been informed that 12,247 German peasant families have been settled in the region of Poznan and that 7,000 German children are soon to be sent to Poznan from Berlin.

La Rabida to Sponsor Degree Class Tuesday in Council Chambers

2-4 Tues. . . . . 6236 Princeton Ave.

On Tuesday evening, Feb. 25, La Rabida Council will be host to Auburn Park, Englewood, McHale, Ridge, Perez and St. Rita Councils at a joint First and Second Degree to be held at our meeting hall, 6236 Princeton Ave.

The regular meeting will start promptly at 8 and will be restricted to only necessary business, after which a short recess will be taken and the council chambers made ready for the degree work.

La Rabida on this occasion will be honored by the officers and members of many South Side councils and it is the wish of our worthy Grand Knight, Cornelius Driscoll and his committee, that no stone be left unturned in order that this occasion be one that will long be remembered.

The inspiring degree work should be sufficient incentive for a splendid turnout of La Rabidians at this meeting. La Rabida has established a reputation for being a genial host. Let us by our attendance continue to further our reputation in this regard.

IT'S ROOM 734

At the Palmer House. All roads will lead to the Palmer House on Sunday, Feb. 23rd, on the occasion of the annual exemplification of the Fourth Degree and banquet. Twenty-five members of our council are expected to be present on this occasion, which is the high point of social activity in the Order in this jurisdiction. Three members of the council, namely, Bros. Bernard Hartnady, L. V. Krause and J. Follis will receive the honors of this degree and thus take the final step in Knighthood.

For the convenience of those present, the council will have room facilities and will gather in Room 734 where we may assemble and thus be together at all times. Bro. Bernard Giaretta, president of the Fourth Degree Club, reports that all is in readiness for the day, and that nothing has been left undone for the complete enjoyment of all present.

BROTHER INJURED

Bro. James J. Cleary, the first La Rabidian to be called for a year's military training in the army, is reported near death as the result of a skull fracture suffered February 13th at Camp Livingston, Alexandria, La., where he was kicked in the head by a horse.

Bro. Cleary, who is known at Lieut. Cleary in the army, is a member of the famous Blackhorse Troop, was a member of our softball team and received his Master's Degree at the University of Wisconsin last August.

We are profoundly shocked at this sad news, and pray that if it be God's will, Bro. Cleary be quickly restored to health.

FRANK HEALEY HONORED

Bro. Frank J. Healey, Past Grand Knight and popular member of our council, was elected a member of the Executive Board of the Municipal Employes' Society. This organization has a membership of over 7,000, and is active in promoting and protecting the civil service employes of Chicago. Congratulations, Bro. Healey.

	W.	L.
Evans Pullets	46	20

Feehan Council played host to the National Football Champions of 1929, the Fighting Irish of Notre Dame, in a gala open meeting held December 9, 1929, at the old West Side K. of C. Clubhouse. The entire Notre Dame squad was on hand for the full program and had been met at the depot by Art Harmon of Feehan who entertained the team with a banquet at his home preceding the meeting celebrations.

The committee in charge of the program included: G.K. Tom F. Collins. Harold Crotty, Wm. Kerns, John Dooley and Art Harmon. Dancing and card games were also provided following the introduction of the Notre Dame team.

DeSoto's Minstrel Show of 1917 at the Arcadia brought over 3,000 people into the old Auditorium to watch a cast of half a hundred De Sotoans and their ladies go through one of the finest minstrel performances of Chicago stage history. Jerome J. Crowley was interlocutor and nearly stole the show with his fine display of wit.

The seventh Annual K. of C. National Bowling Tournament was held in Chicago from February 22 to April 8, 1929, at the Queen Alleys, 6236 S. Ashland Ave. Twenty-five hundred members competed in the seven-week tourney that finally ended with Commodore Barry's major team on top with a score of 3200 pins. The individual scores for that total were: Joe Russell 702, Joe Burke 633, Sam Murry 629, Ted Svoma 632, and Bill Dernbock 604.

Can you recall anything significent about the date December 2, 1927? You should for on that date was unveiled, in New York City, a product that changed the living habits of everyone of us. It was the date of the first appearance of Henry Ford's Model A!

For a time during 1906 and 1907 the Chicago Chapter maintained and encouraged a dramatic club. The greatest success of this organiaztion was a comedy, "The Wonderful Woman," which was presented on several occasions. A performance was staged at Oakland Music Hall, April 25, 1907, and another at Fort Dearborn Club on May 3rd. The performances of the Dramatic Club were staged in different parts of the city and under the auspices of the local councils in the various districts. The funds realized were used for the relief and employment work of the Chapter.

Tom Harmon, Michigan's greatest halfback and winner of the 1940 Chicago Tribune's annual award to the player voted most valuable in the Western conference, may have beaten Red Grange's scoring record at Illinois back in 1924, but Grange seems still to have the upper hand in light of the following post-college awards: an offer (unaccepted) from the New York Giants of $40,000 for appearing in three games; another bid (also unaccepted) of $120,000 a year from a real-estate firm; a check (accepted) for $12,000 from the Chicago Bears for his first professional game; $30,000 (also accepted) for his first New York game; a $300,000 movie contract with Arrow Pictures and finally, an introduction to the President of the United States!

In the latter part of the year 1908 the Chicago Chapter completed and published a Catholic reading list, with an introduction by Most Rev. James Edward Quigley, D.D., then Archbishop of Chicago. The list included the names and library numbers of books by Catholic authors, or that were Catholic in their tone, to be found in the Chicago Public Library. It contained 3,000 titles, and was distributed practically free.

In 1919 there were only 6,771,000 passenger cars in the United States. In 1929, two years after the unveiling of the first Model A Ford there were 23,121,000 cars on U. S. highways. Maybe a good problem for economists today would be to figure out if the Model A caused "Coolidge Prosperity" or if Coolidge Prosperity caused the phenominal sale of Model A's.

Tommy Cunningham was the individual star of the championship squad. It was Tommy's first appearance in the K. of C. league finals. St. Pat's Council Well Represented in Sunday's Class

1-3 Tues. . . . . Madison and Hamlin

One of the finest patriotic ceremonies ever conceived by man will be partaken by hundreds of Fourth Degree candidates on Sunday, Feb. 23rd, at the Palmer House. It is very fitting therefore, that such an exemplification and banquet be dedicated to a well loved man, His Excellency, Most Reverend Samuel A. Stritch, Archbishop of Chicago.

Since his induction here a year ago, this Worthy Apostle of Church has won the esteem and admiration of all. It is no small wonder then that a record breaking crowd will be on hand to witness this, the Patriotic Degree of our Order. Joseph A. McMahon, Master, has invited Most Reverend E. F. Hoban, Archbishop of Rockford, and also numerous dignitaries from all over the state.

Worthy Candidates of St. Pat's Council will exemplify the spirit of real able-bodied Christian soldiers. There is no greater time to manifest this than on Sunday when you will receive the highest degree of the Knights of Columbus. Good luck, brother knights.

HOMECOMING PARTY

If you have made arrangements to attend this gala homecoming party Saturday, February 22nd, at the Hotel LaSalle, consider yourself very fortunate indeed. Reverend Thomas Hayes of Old St. Patrick's Church, has intimated that hundreds of old "grads" and parishioners have signified their intention to be present on this memorable night. Many civic as well as industrial leaders have expressed similar inclinations to attend this great get together party.

There will be many door as well as table prizes so get there early. Promptly at 9 P. M. Augie Schaid and his orchestra will give their version of swing rhythm so bring along your dancing partners. Refreshments will be in order throughout the entire evening. You'll sing the praises of the entire committee when you leave the famous hostelry on early Sunday morning.

ABOUT THE MEMBERS

Our good friend and neighbor, Ed Taglia, took time out to go to Mary Thompson Hospital Monday, Feb. 10th, to submit to a blood transfusion for Mrs. Ponik, wife of a friend of one of our members. Jerry Bousk and Joseph De Frank also acted as donors to Mrs. Sarah Vinci, kin to the latter, at Mother Cabrini Hospital, on Saturday, Feb. 15th. As far as could be ascertained, both patients are holding up fairly well.

It was very pleasing to see handsome young John McAuliffe, Jr., at our last meeting. The old-timers remember his illustrious dad, Past Grand Knight of our Council.

Have you heard of the two individuals who walked into a pub for "just one drink"? They were still there when the proprietor politely asked them to leave so he could get some sleep. Then there was the reformer who drank six cups of coffee, while his friends imbibed the hard stuff. It's a good thing the latter stopped when they did.

REQUIEM IN PACE

The officers and members wish to condole the members of the Chas. McFarland family upon the recent loss of Dorothy, daughter and sister. May her soul find a place in Almighty God's Paradise.

BOWLING NOTES

The manner in which the McGentry Black Rocks are going about their business in the second round, makes one believe there will be no dispute over who will be the real champion when the season closes. The Allegretti Grills, pro tem, seem to be the dark horses and the way they are clicking, don't be surprised if they should overhaul "Bill" Farrell's quintet. On Monday, Feb. 17th, the McGintys whipped the ABC's three times, Garvey finally having one of his good nights—for a change.

The Rex Paints still continue to flounder around. They dropped the odd game to the Cahills. The Weiland Florals continued their winning spurt by winning 2 out of 3 from the Freda Meats. Once more the Damato Taps ran the gamut, this time, however, they finally managed to win a game. Their conquerors were the Deir Morticians. The Barry Boosters halted the march of the Moriarty Indians by winning the rubber game by a handsome margin.

Those pesty Allegretti Grills made life miserable for the Emergency Radios. The latter dropped 2-3, but looked good even in defeat. The high men who deserve a word of praise were: Garvey, 598 (215-191-192); Bondegon, 519 (194); Vertucci, 514 (198); Fitz, 469; Failla, 495; Cullinan, 491; Hartford, 486; Burns, 510; D. Miller, 563; F. Damato, 546 (224-174-148); R. Latelle, 541 (225); E. Taglia, 492; W. Spero, 517 (199); Galena, 512; Bennish, 523 (186-189); Montedore, 535 (200); and J. De Frank, 501.

San Salvador Will Try to Attain New Record for Palm Sunday Class

2-4 Mon. . . . . 24 E. 114th Place

A glance at the calendar shows that next Wednesday, Feb. 26, is Ash Wednesday and the beginning of the Lenten season. This means that the time is growing short for San Salvador Council to increase the number of candidates to a new high for the Palm Sunday degrees. It won't be long now before the trek to Blue Island begins for that important third degree.

In view of the ever-diminishing time, it becomes quite clear that we had best get busy immediately and bring in those applications. Remember, it still takes two meetings to have an application balloted upon, therefore the sooner they are brought in the better it is for all concerned. No doubt most of you will be making some kind of sacrifice for Lent, so as a suggestion may we submit the idea to you of sacrificing possibly one or two evenings by calling upon that prospective member?

The founders of the council laid well the ground-work for the organization as it exists today, and we of the present generation should carry on their good work by building up our membership for the future.

The necessity of an organization such as is our order is becoming more and more apparent every day. We need the man-power our Catholic brethren represent, and they, in turn, need us to direct our energies in that one great cause, namely, the preservation of our Catholic ideals.

COUNCIL NOTES

This particular section of our weekly endeavor is suffering from that same old ailment, lack of news. Of course, we could mention a lot of little items of various descriptions, but then this is really not a gossip column. At any rate we would welcome any and all items of interest to the membership, for after all this is your column. So we invite your contributions.

Just in case you might have overlooked it, next Monday evening is the regular council meeting. Needless to say, we hope you can arrange to attend. Incidentally, our faithful chaplain, Father Chiminello, will bless the new officers' insignia which were recently purchased. We hope a good crowd will be on hand. Don't forget also the drawing for the six dollars. See you at the Monday meeting.

The various languages used by the Church in the official public services of certain rites are Greek, Arabic, Slavonic, Georgian, Rumanian, Syriac, Armenian, Coptic, and, of course, Latin.

Englewood Scribe Really Gets Out a Fine One Today

2-4 Mon. . . . . 150 W. 69th St.

Here I sit, with a pencil in my mouth,
Chewing its end, figuring what to write about.
Starting at the ceiling for ideas and views,
For in the last few weeks I received no news.

Last week I covered the Blood Donors Group
And thought that I really covered a "scoop"
When lo and behold last Sunday's New World
On a whole page this activity unfurled.

Thoroughly indeed was their dissertation
They are worthy of every congratulation.
And I am sure that it will do much good
To build the group from Englewood.

And though I have read many a volume
I'm still without a theme for this column.
So I wish you members would help out your
Scribe by calling Aberdeen Five-O-Four-Four.

And give any news, whether good or bad,
Whether long or short, whether glad or sad.
So you can rest assured this is the last time
You will read any attempt of mine to rhyme.

Boy, how did I ever get into that. . . . And how did I ever get out of it. But that is what happens when you have one of those weeks when you don't know what to write.

Of course, there are many members about whom we could write column after column for the good work they have done for Englewood Council, but that would only be repeating what most of you already know. What we are attempting to do is to write something that is different. In this day and age you must be ahead of the times and give something that is new.

E-FOURS

The "Three-to-Four Club" will furnish "that something that is new" to the fourth degree members of the council who will attend the exemplification of the fourth degree next Sunday, February 23 at the Palmer House.

The Club will act as host to all members of the fourth degree in Room 782, headquarters of Englewood Council. All who attend will be assured of the best time they have ever had. There will be more than plenty of the usual refreshments and entertainment. All visitors will be royally received. Our slogan will be "Hospitality . . . PLUS."

(Aside to Editor DuChateau: This means you . . . don't fail to pay us a visit. There are other councils expecting your presence besides Madonna Council . . . or maybe Scribe Donegan has draft rights on you. I'll send you an ACCURATE map to Room 782.) [O. K., Hank, but I'll need the map to find my way home I'm thinking! Ed.]

E-NGLEWOOD

Next regular meeting night is Monday, February 24, at 8:30 P. M. All members are urgently requested to attend. Lecturer Smith's protege, "Old Lucky Buck" has a Five Dollar Bill in his hand for the award. Who will get it? Will it be you? Well, it can be if you are present.

E-PITAPH

With sadness we announce the passing away of Neal McErlean, father of Bro. John McErlean. May his soul rest in peace. Remember him in your prayers.

E-XEMPLIFICATION

The first and second degrees will be conferred on all eligible candidates in South Division No. 2, of which Englewood Council is a member, at LaRabida Council, 6236 S. Princeton Avenue, next Tuesday, February 25. Any member having candidates eligible for these degrees is urged to bring them to LaRabida council on that date.

This is a good time to start the publicity for the big May Party and Dance to be given by the "Three-to-Four Club" on Saturday, May 17. The site has not as yet been selected but you can bet that it will be the tops, for the field has been narrowed to three: Shoreland, Windermere East, and Del Prado. Sounds ritzy, eh? But it won't be, for the price of admission will remain as in the past . . . yep . . . One Buck a head. Start making up your party now.

Quigley Asks Special Efforts Be Given to Aid the Clubhouse Drive

1-3 Tues. . . . . 1035 W. 31st St.

The busy House Committee urges a concentrated drive on behalf of the membership of Quigley Council, in the last few days left, to boost the mark already established, and to assure many facilities to adorn the clubhouse.

The beautiful Console Radio will be given away to the lucky ticket holder on Feb. 25th at eight P. M. at the Quigley clubhouse. Tickets sell at five cents apiece, with twenty tickets to a book. Quigleyites who can't sell a complete book are urged to take part of one. The chairman, John Berny, has already sold over fifty books himself.

The entire proceeds will be used to purchase equipment to make the clubhouse the center of attraction, not only on meeting nights, but on every evening of the week.

MEMBERSHIP DRIVE

To become a member of the century class is a rare distinction; only — councils in Chicago reached this goal last year. Quigley Council will devote its entire efforts to be a member of the Century Class between now and the time of the next degrees, April 15.

On February 24th, the membership committee and all officers of the council will hold a meeting and plan its outline, not to make this an idle boast, but to make this objective a reality. Any member of Quigley is invited to take an active part in this drive, and is invited to partake of the February 24th meeting.

Illinois Interest Is Centered in March 17 Party, Ivanhoe Club

1-3 Mon. . . . . 64 E. Lake St.

The chief item of interest this week is, of course, our dinner Monday, March 17, at the Ivanhoe, 3000 N. Clark St. Lest you forget, tickets are now available from the chairman, William J. Gorden, from Financial Secretary H. B. Ericksen or your grand knight. The price is $2.25 per person. We wish you would make inquiries about the Ivanhoe. We do want you there. You will have a great time. Food—excellent. Entertainment—second to none. Privacy—just the kind that you desire. Make your reservations now. Bring your friends.

The last meeting was another success. Chicago's great chief of detectives, Captain John L. Sullivan, was guest speaker —and what a speaker! He spoke with directness and with a frankness that was most becoming. It was labeled one of the greatest talks that Illinois Council has enjoyed for many moons. He is the nephew of that other John L. Sullivan, commonly known as the "Boston Strong Boy," but more properly "The World's Heavyweight Boxing Champion," and one of the greatest that ever lived. We regret that every member could not have been present. As it was, considering the severity of the weather, we had a nice turnout.

R. I. P.

We regret to announce the death of Albert A. Luthmers, who was buried last Wednesday, Feb. 19. To his wife and children our prayers and sympathy are extended.

And so, dear friends, this is the eighth member of the council visited by death during the current year. Eight long-term members. May their souls rest in peace.

CATHOLIC PRESS

Chancellor Upington gave a nice dissertation on the advisability of supporting the Catholic press. In this connection you have, no doubt, noticed that our "New World," the diocesan weekly, has taken on a new face with a more varied assortment of news, a splendid corps of correspondents and an editorial spirit in keeping with the great traditions of Catholic teaching. If you are not a subscriber invest 5 cents next Sunday at the church or at many newsstands in the loop. Read the New World!

We received a telegram from our chaplain, Father Belanger, expressing his regrets at being unable to attend our last meeting and his inability to listen to Chief of Detectives Sullivan.

Thanks for your thoughtfulness, Father; we will see you Sunday at the Palmer House, both during the degree and at the banquet which follows.

Damen Turns Out Large Class for Patriotic Degree

1-3 Thursday . . . . . 6. N. Hamlin

Ten Fourth Degree candidates constitute the largest class of Damenites to take the Fourth Degree in many years. Twenty-nine reservations for the banquet in the evening give Damen still another record-breaking attendance.

Worthy Master Joseph A. McMahon and P.G.K. Thomas Brown, chairman of Fourth Degree, are especially pleased. Grand Knight William G. Hopkins avers the splendid turn out is a tribute to our Archbishop, Samuel A. Stritch, in whose honor the class is named and who will be the principal speaker of the evening, as well as a token of good will towards our fellow Damenite, P.G.K. Joseph A. McMahon, Master of the Fourth Degree.

Fourth Degree members who have not made banquet reservations may phone F. S. James Crowley at Mansfield 7096 or Thomas Brown at Haymarket 4112.

DAMENEWS

We are sorry to hear that Mrs. Mary Gallivan, mother of John Gallivan of our Council died two weeks ago. May God grant eternal rest to her soul and may the Perpetual Light shine upon her.

Joe Carberry is still confined to his home. He would appreciate visits from Damenites, as well as the old-time Holy Family baseball players. He's got a lot of baseball pictures in his collection. Drop in and have a chat with Joe.

Warden Bob McBride passed up the doings of the old-time baseball players on February 6 to be in his accustomed place in Damen Council. This is loyalty.

The application of James Kelly, father of Oak Park John T. Kelly, was read and approved at last session.

Under the chairmanship of P.G.K. Thomas Hoy, Founders' Week will be observed in March.

K. of C. Barbecue comes June 18. Chairman John Caulfield has for co-chairman Homer Shaver, treasurer James Crowley and members Harold Prince, Frank Marnell, Tom Cullen.

MERRY MEN

Those league-leading Cassidy Tires ran into a load of punctures last Tuesday evening and blew themselves right out of first place by losing all three games to Reliable Credit.

Brown Plumbers, although out-rolled in total pins by some 140, managed to win two games from McMahon Undertakers and to slide into first place while the back door was open.

Kelly Couplers won two from McEnery Realtors, taking the first by only two pins. The McEnerys have lost ten games this season by five pins or less—a tough luck team if ever there was one.

John J. Gormans and Stack Typewriters had a ripsnorting battle with both squads having the same total pins at the end of the night's work. But the Gormans snatched two games to the Stacks' one.

Limelight bowlers of the week were: "Tuffy" McGuff, E. O'Toole, K. Phelan, Wm. Page, Curly Cullen, H. O'Connell, those Big Booming Brown Brothers, Matt "Downey" George, and Lecturer De Luxe George Reithal, Jr., whose engagement to Kay Hastings was announced in this column last week. Well, there goes our feminine rooting section now that George is on the shelf.

Brownson Books All-American Sport Movie for Open Meeting Fri.

2-4 Fri. . . . 4754 N. Western Ave.

The next meeting of the Council to be held Friday, Feb. 28, will be an open meeting at which the currently popular sport motion picture "The All American Way" sponsored by The Chicago Tribune will be reeled off.

The recently released film should satisfy the appetite of all sport fans as it covers hightlights of famous sport events throughout the calendar year such as skating, baseball, casting, boxing and football.

This film has been enthusiastically received wherever shown and we should like to have a large audience in attendance so bring your candidates, friends and you fathers, bring your sons.

In addition to the above an educational film will be shown "Trees to Tribunes" depicting the making of a newspaper.

MEMBERSHIP

That our membership drive will get results was evidenced at our last meeting when four applications were read, this makes a total of seven candidates thus far who will be initiated at our First and Second Degree Exemplification to be held at our March 14 meeting.

If you have any candidates bring them to the open meeting Feb. 28, let them meet the members of the Council who are in attendance (all of them we hope) and let them see for themselves why membership in Brownson Council is desirable. Each and everyone of you should make an effort to enlist members of our faith into our ranks and to you, captains of the various membership teams, why not contact the members of your team and have a get together at the open meeting and make future plans for this campaign.

AN INVITATION

On Sunday, Feb. 23, Our Lady of Perpetual Help Council, Ladies of Isabella will hold their annual installation of officers at 2:30 p. m. at Green Briar Fieldhouse, 2650 Peterson Ave. They extend an invitation to the members of the Council, their ladies and friends to be present.

LAST MEETING

At our last meeting the long looked for trustees report for the first six months of last year was read by P.G.K. Edward J. Kane. While the report showed the Council was in a very good financial condition on July 1st, it also showed that a large number of members particularly the insurance members are a quarter or two behind in their payment of insurance assessments and dues. Regarding this condition F.S. Wm. J. Erwin gave forceful expression of his opinions regarding laggards in the payment of dues. Declaring that many, without necessity, meet their obligations only on the last day of grace, letting the loyal and willing carry the Council burdens in the meantime. He further stated that it is embarrassing to the officers to hold back payment on our just bills and no Council or corporation can operate very long if there is no income. It is very costly to the Council to send out additional bills to the members who through carelessless or neglect fails to respond to the first notice. The efficiency of the Council, or the respect in which it is held by others, is measured by the promptness in which it meets its obligations. We have had a splendid record and want to keep it so.

FOURTH DEGREE

Bro. Bill Herdegan has joined our group of candidates, consisting of G.K. T. V. Casey, P.G.K.s F. A. Kohler and J. J. Brennan and Bro. Al Long, who will receive the honors of the Fourth Degree at the Palmer House next Sunday. Our chaplain, the Rev. M. M. Ries, and Bro. Norman McPhee, both members of the 4th will also be in attendance at the banquet in the evening. For the information of our Fourth Degree members who wish to be present to welcome our newly initiated brothers, our reception room at the Palmer House will be No. 765, and will be open from 1:30 p. m. until???

BLOOD DONOR

Another fine example of the charity as practiced by the Knights of Columbus was demonstrated last Sunday afternoon when Grand Knight Thomas V. Casey, in response to a call from the State chairman of the Blood Donors, went to the Grant hospital and gave a blood transfusion to the wife of a former member of Tonti Council. The patient showed great improvement and was very grateful for the help given her.

BOWLING

The Cullom Club boys celebrated the return of their sponsor and team mate, Bro. Bill Fergus, from his resent automobile injury, by taking three games and second place from the Ald. John J. Grealis team. G.K. Tom Casey's 558 and John Nieman's 504 outdone anything the Grealis five had to offer. "You better hurry back, John, your team sure needs you." The Best Furniture Store took two (hooray) from Norman J. McPhees. John Mooney of McPhees was high in this set with 561 and a 234 game. Gartner Tailors won the odd game from the Doose Studio to remain in the lead by one game. L. Virnick 586 and 232, Ben Baucaro 520 and rooting tooting Erwin 483 were the Tailor stars. O'Bryne 531, F. Laske 526 and Al Lang 519 were high for Doose. The Sunnyside Inn with Capt. Charlie Lannon back in the lineup won two from the Northbrook C. C. Bro. Ben Baucaro, one of our star bowlers has opened a grocery and delicatessen store at 3442 Milwaukee Ave. Ben specializes in milk and fresh eggs, so when in the neighborhood stop in and see Benny.

YOUNG CATHOLIC NEGRO AUTHORS' POPULAR SONG HIT

New Orleans.—"When the Swallows Come Back to Capistrano," current song hit, is known to many, but not many know much about the author of the music and lyrics.

He is Leon Rene, a young Negro, a former member of Corpus Christi Parish here, and a former student at Xavier University, the great Catholic institution for Negroes in this city. He, his wife and their two children now live in Los Angeles. He is the author of "Sleepy Time Down South" which was popular several years ago.

Over 80 per cent of all foot troubles, according to one authority, originate with poorly fitted shoes.

Madonna Votes on Important Measure at Next Session

2 Thurs.-4 Fri. . . . 4624 Emerald Ave.

At the next regular meeting of Madonna Council to be held at our clubhouse, 4624 Emerald Ave., a discussion will be held relative to the suspending the associate dues of members who are drafted under the Selective Service Act. This meeting will convene on Friday night, Feb. 28, at 8:15 P. M. All members are invited to attend and express their views.

WHAT HAPPENED

To the Year in Advance Club? Pollick called us the other night and we sat with poised pencil waiting for the list and what do we get? Two names. Yep, Jim Hines and Bill O'Neill were the only men this week who came marching to glory. We've got quite a few of those Skunkskin cases left down in the basement and the neighbors won't talk to us any more. Of course, come spring those things will get a little potent, but we're hoping you lads will come through. Naturally we dehydrate them before they're sent out so they look (and smell) just like leather. Try one.

MARCH 9TH

Is the date for the next Sunday night social, taffy pull and what-all at the clubhouse. Get your best bib and tucker on, date the g. f. and hie away to the club. By that time we hope to have the third floor game room completed—finally.

A phone flash from Lecturer Marty Morrison anent the St. Patrick's Dance reveals it will be held at the Hyde Park Hotel, 53rd and Lake Park, and we presume it will be on Saturday night, March 15. Marty was phoning from the Southtown Theatre and O'Keefe was bawling that the feature was just starting, so-o-o, that's all.

WELL, THE BOWLERS

Are still rolling, and it looks like the Hermes' are going to stay on top for a while. They won the odd game from the Dody's while the Boyles were losing to the Duffys. (What quaint Hungarian names.) They lost their first two by close scores and then got mad and won the third by 206 pins, rolling 997 for a 2,749 series, high for the night. The Millers continued their fierce attack on the wood and fared better than they have in some time, winning two from the O'Connell's. Joe DuBray with 220 and Ed Barry with 210 were the top individuals.

FLANIGAN

Cut his bowling news this week in order to put pressure on the next Mixed Doubles bowling party which will coincide with the Sunday nite party. His hair is now red but, like Jeanie with the light etc., etc.; it can turn to gray from overwork so give him a break by putting in your reservation EARLY.

He promises you a party you'll really enjoy if you'll just call Vincennes 5134 now, so he can enjoy it too. March 9th is the date, and we think Schalk's Alleys will again be the spot.

Also due is the "On to Indianapolis" Party Tuesday evening, Feb. 25. Call the clubhouse or any of the bowlers for particulars.

DUKE McGRATH

And Joe Dubray gave transfusions to P. G. K. Austie O'Malley who is still seriously ill in Little Company of Mary Hospital. Austie is still holding his own, but it's going to be a long, uphill fight, so keep remembering him in your prayers.

WE FOUND

Our "column" last week all bloated up. The cause was some extra heavy beefing about a wrong steer we had supposedly given to the boy from the Golden West (Oak Park). He may know his pi's and em's, but he doesn't know that in the "yards" they DON'T load cattle on Sunday night. And to try to pass that wishy washy alibi to a Council that was born and raised with the "Eau De Stockyards" in its hair is just too—too, dammuch.

We know for certain that Mrs. Ed is a kindly soul after that stuff about Observatory Hill at Wis. U. and that "Why can't you" stuff, and we cordially invite her to inspect Blueberry Hill at 4624 Emerald Ave.

AND ANOTHER THING

That stuff about us and Geo. Noonan lookin' like cows wasn't so good. For our part, we don't care, it's the only name we haven't been called. But to call the G. K. a cow! Not so good—especially when he autographs checks. (Well I said it was kinda dark didn't I?—Ed.)

A woman salesman sold the steel which went into three of Chicago's largest buildings: The Merchandise Mart, the Board of Trade Building, and the Marshall Field Building.

FR. O'CONNOR CHARITY BALL TO BE MARCH 15

1-3 Thur. . . . . 4660 N. Kedzie Ave.

The Lions' Hall at 4306 W. North avenue has been the scene of many gala affairs in its several years of existence, but come next March 15 it will surpass all previous parties when Father O'Connor Council stages its annual Charity Ball on the premises. The dance this year promises to set a new high in attendance, fun, and frivolity, and we're looking for a 100 per cent turnout of members.

Plans for the Charity Ball are progressing in grand fashion under the able direction of general chairman Joe O'Brien and honorary chairman Bill Cunningham. Entertainment for the evening has been entrusted to Johnny Golden and George McLoughlin, and the reception committee consists of John Touhy, Gus Smith and George Fitzmaurice. In the refreshment department Father Rausch and Jack Grice are arranging things for a capacity crowd. Publicity is in the hands of Walter Kelly and your scribe.

Because St. Patrick's Day falls on a Monday this year, the dance will be held on the preceding Saturday, with the usual abrogation of Lenten observations in effect. This fact, as well as the underlying purpose of the party, charity, should serve to attract every member of the council.

IMPORTANT DATES

Two other dates to circle on your social calendar are February 23 and March 6. Next Sunday the exemplification of the Fourth degree and banquet will be held at the Palmer House, and as has been the custom in former years, Father O'Connor will have a suite of rooms for Fourth degree members. Bishops throughout the state will attend the affair, at which the principal address will be delivered by Archbishop Stritch. Fourth degree knights and applicants for the degree are assured an entertaining day.

On March 6 the Tuesday Knighters' bowling league will hold a smoker to help raise funds for the trip to the national tournament in Indianapolis March 29 and 30. Entertainment and refreshments will be served. Pasteboards retail at one buck and may be purchased from any of the keglers.

Regarding the Indianapolis trip, fifty-seven men have already signified their intention of representing the council at the tournament, and several others are expected to go. Everybody is welcome to join the party, whether they bowl or not. There will be a special train for the council, and hotel reservations are being arranged for everybody. Here's a trip that promises real fun.

BOWLING

Continuing their steady rise in the weekly bowling matches, the Widtman Meat quintet last week rolled themselves into first place by whipping the Furman Funerals three times. Two games out, the Furmans are now tied for second place with the oncoming Cristo Printers. Gannon's Inn is waging a terrific battle with Navin's Inn for cellar honors, both teams being mired there at present. Looking at these last two teams, we wouldn't know whether there's a moral to be learned here or not.

Several familiar names are missing from the select Big Ten group this week. Three scores topped the 600 mark, Doc MacDonald's 624 being the best, followed by Kotnaur's 619 and King's 606. We're still looking for Phil Doyle's name. Season's getting short, Phil.

Team and individual standings:

	W.	L.
Widtman Meats	34	26
Furman Funerals	32	28
Cristo Printers	32	28
Ald. Ross Boosters	30	30
King Coals	30	30
Nolan Insurance	30	30
Shamrocks	29	31
O.K. Exterminators	29	31
Gannon's Inn	27	33
Navin's Inn	27	33

The Big Ten: Dr. MacDonald, 624; Kotnaur, 619; King, 606; Fr. Rausch, 587; J. O'Brien, 553; Jautz, 545; Nierman, 544; L. O'Shea, 534; G. O'Brien, 534; C. Clancy, 523.

Hughes Supplies Seven Candidates for Degree Sunday

1-3 Tues. . . . . 4711 W. Madison

The following brothers will be advanced to the honors of the Fourth Degree this Sunday: Erv Lauterbach, Sr., Thomas Dailey, Lecturer Joseph Ryan, Frank Van Heuel, James Kenison, Art Carroll and Art Kreutzer.

Our Council has reserved a special room for the party to be held before and immediately after the banquet, honoring our candidates. For full particulars call Chairman Charles Votava, Sr., at Lawndale 5547.

THANK YOU

Thanks to all who contributed to the success of our dance and party last Saturday evening. It was at least a social success, and it was gratifying to see the many friends of Hughes Council who came to spend their time with us.

The various committees worked hard, and General Chairman D.G.K. George Daly wishes to thank co-Chairman P.G.K. John Bannon, Bro. John Korbel and P.G.K. Elmer O'Brien for their unselfish efforts. He is also grateful to those others who worked so hard and long that the affair might be a success. The financial report will be available next March 4, while the highlights from a social standpoint will be published in the next edition of The Columbian.

CATHOLIC PRESS MONTH

The month of February has been designated as Catholic Press Month. If you have not already subscribed to some Catholic publication, please do so at once. Novena Notes of last week, republished the Columbia February cover, by special permission of the Supreme office. All Catholic papers carry worthwhile reading material. Support your Catholic Press.

At our last meeting a complete report covering the Knights of Columbus reception to the visiting nuns during the National Conference of Catholic Charities, was read. A check, refunding the equivalent of 45 per cent of the amount donated, was given our Council.

ATTENTION DRAFTEES

If you are in the army now don't forget your brother knights would like to know about you. It is also our plan to keep you informed about the happenings while you are away. Any little notes of interest concerning life in our army and navy will be sincerely appreciated. Send same to Scribe William Brown, 1425 North LeClaire avenue. [The Columbian would also like to hear from all selectees. Letters will be published as received and any services we can supply will be quickly offered.—Ed.]

Bro. John "Shadow" McDonald, our first volunteer, is reported camping at Company B-14th Coast Artillery, Fort Casey, Washington, D. C. Jot this address down and drop a line to Bro. McDonald.

Did you know that Ralph "The Barber," located at 4715 West Madison street, displayed for many months the trophy won by Hughes for second place, and since last November he has displayed our championship cup, from the K. C. Softball League. To show our appreciation, brothers, do drop in and see Ralph when in need of tonsorial treatment.

BOWLING LEAGUE

The Council League is going along nicely. They are in the old familiar homestretch. Every team is within striking distance of the top rung. A pretty battle is assured. Last Friday, Malone & Clancy tied for the lead with Lauterbach Coals, dropped odd while Coals won three, leaving Lauterbachs in undisputed possession of first place. By the way, I saw "Whitey" Malone at our dance. He came early and stayed late.

Put a ring around your Friday nights, so that you will remember to come and root for your favorites. Remember, too, that our Major Team rolls at Madison Arcade, Hamlin and Madison. Give them moral support.

SYMPATHY

To the members of the family of the late Bro. James J. Brennan, who died Feb. 12, goes our heartfelt sympathy. James was one of the old guards and for over twenty years was an active social member of Hughes. His faithfulness was an example of true Knighthood. G.K. Dr. L. Postilion led a delegation to his wake, where they offered prayers for his soul.

Our Sick Committee reports the illness of Bro. Fred Jennings. He has just returned to his home after a stay at the hospital. While recuperating he would welcome visits from his Brother Knights. If you care to phone, his number is Palisades 9650. The wife of Bro. Joseph Postilion is reported seriously ill. We pray for an early return to health.

MEMBERSHIP

The membership campaign has been sadly neglected. Your committee has worked hard, but no material aid comes from our members. What is wrong? There are plenty of Catholic gentlemen who would join our Order if asked. If you need help to convince them, just call on any of your officers. They will be glad to help. Do your part and turn in a signed application soon.

Special: Word has just come that Harold Horton did well by himself in the recent Chicago Bowling Tournament. His scores were 617-608-612. See you at Indianapolis, Harold, on April 26th.

Auburn Park's Grand Knight Heads List of Active Council Donors

2-4 Thurs. . . . . 740 S. Emerald Ave.

During the week our council was called upon by Robert Du Mais, State Chairman of the Blood Donors Committee, to furnish a blood donor for a Mrs. McCotter, seriously ill in St. Bernard's Hospital. Having the thought in mind that Fort Dearborn Council came to our rescue on a number of similar occasions before our group was completely organized, Grand Knight Cox called a number of members who are typed as No. 4 and was able to get the ever reliable and willing Warden Neil Houtsma. The two of them went down to St. Bernard's Hospital, and after being re-typed they discovered that Neil Houtsma was type No. 2 instead of type No. 4, but your Grand Knight fortunately was able to give the transfusion. This, by the way, is the third transfusion Brother Cox has given during the past year and is now informed by the doctors at the hospital that he has to take a vacation as far as transfusions are concerned for some time.

Brothers, this is a most noble work and one of the outstanding forms of Catholic Action. Please remember, when you are called upon to give one of these transfusions, respond at once, as sometimes speed is required in order to save a life.

We are very pleased to at least partially pay Fort Dearborn Council for their generosity, and we hope to again be able to serve in an efficient manner. The family of Mrs. McCotter were most extremely grateful to Auburn Park Council and its Grand Knight for their action in this worthy cause.

LAST MEETING WELL ATTENDED

On last Thursday evening a very good attendance was present at the council meeting to assist in the transaction of the important business on the docket. Most important of this was the adoption of the new set of by-laws. We are therefore now well organized to carry on for years to come, and with the progress that has been made both from a financial standpoint as well as in regard to the increased attendance at meetings, we should accomplish great things from now on.

We had another visit from Brother John L. Cushing, insurance representative, who talked on the Fifty-ninth Anniversary and Founders Week, a celebration planned in the entire order to commemorate the institution of this great organization. He also went into detail on our new insurance features.

Among those present at our council meeting was the ever faithful Brother Edward P. Morrissey, who has been an active member of the Fourth Degree Club for many years and never fails in his attendance at Fourth Degree celebrations. He promises to be on hand again this year.

4TH DEGREE EXEMPLIFICATION

Auburn Park has added two more candidates to its list for the Fourth Degree next Sunday. These are Rev. Leo A. Smith, our council Chaplain, and Brother Charles Belikan, who has been the champion in attendance at wakes of council members for many years. These, in addition to Brothers McCurdy and Corcoran, give us a total of four this year. Brothers John Dillon and Charles Donat were prospective candidates but find it impossible to attend this year.

Any of you Fourth Degree members who have not as yet made your reservation for the banquet call Brother John Clausen at once and he will take the best of care of you. We will also have a headquarters room the same as last year at the Palmer House.

A. D. GREGORY OPENS NEW SHOP

Our Inside Guard, Brother Angelo Gregory, who has operated a barber shop at 79th and Halsted Streets for many years, has opened up a very modern shop at 1916 West 95th Street, and extends an invitation to any of the members who find it convenient to drop in and see him. Brother Gregory also has been a very faithful member for many years and is well deserving of your patronage. Good luck, Brother Gregory, in your new business venture.

SICK AND WAKE REPORT

We have just been informed of the death of Brother Tom Purtell's father, who was laid to rest from Jim Quinlan's Chapel at 79th and Halsted Streets. We regret we were not notified in order that the members could pay their respects in the usual manner, but to Brother Tom Purtell and the bereaved members of his family we extend our deepest sympathy. May his soul rest in peace.

University Opens New Quarters with Outstanding Party

2-4 Tues. . . . St. Ignatius Auditorium

Under the able management of John McGuire, the meeting sponsored by the Fourth Degree Club served to bring a large crowd of members and their ladies to open the new quarters of the council.

Pluggers for the A.S.C.A.P. and B.M.I. handed out their respective songbooks, but our new organist, Bro. Stanley Anstett, and our Lecturer, Jack Curtin, fooled the rivals by calling for songs which were not in either book. The songs were enthusiastically rendered by the crowd under the inspiration of the voices of Mrs. Lederman, F. S. Ed. Dillon, Charley O'Connor and D. G. K. Jimmie Brown (of Paulist Choir fame in days gone by).

Grand Knight Murtaugh opened the meeting by introducing our new host, Father Dinneen, who expressed his pleasure in having University Council back to the old neighborhood. Welcome guests also were Father Lannon, Chaplain, and Father Wagner, our brother from the Cathedral and the Society for the Propagation of the Faith.

McMAHON IS GUEST SPEAKER

The speaker of the evening, Master Joseph McMahon, stressed the fact that the Fourth was the Patriotic Degree of the Order and urged the ladies present to encourage the men to seek this final step in knighthood at the coming exemplification Master McMahon was ably seconded by his companion, Henry Lynch, Past State Deputy and Past President of the Chicago Chapter.

Making full use of the facilities of our new quarters, the audience after the speechmaking was wafted to the gymnasium where Chairman McGuire had a terpsichorean treat. The young artists from the Beety Jones School of Dancing on Howard street, Evanston, under the direction of Miss Mary English, entertained and astonished us all with their grace and agility.

The finale of the evening's entertainment was a most pleasant surprise—the appearance of our old friend, Sir Knight Parnell Egan, in a group of Irish songs, accompanied by Mr. Chute. So enthusiastically received was Parnell that Jimmie Brown signed him up immediately as the stellar attraction at our St. Patrick's Dinner Dance.

A few of those seen at the meeting were Bros. John Rohr, Frank Schmit and Will Ford and their wives; Bro. Jim McKenna and a galaxy of Past Grand Knights including John Garrity, Fred Rondeau, Bart Quigley, Ed Jeffers, Judge Joe McGarry and Ray Hayes.

ST. PATRICK'S PARTY

Reservations for our St. Patrick's Party are already rolling in. Tied for the honor of first requests are Ray Healy and Jack Donahoe. Chairman Jim Brown is cracking the whip over his willing assistants and their activity will result in the best party University has had in many years—and as Jim says, that's a lot to expect when you consider the successful parties put on the past three years.

HOLY NAME SOCIETY CAMPAIGN

University Council is showing great activity in the organization work of the Holy Name Society which is aiming at an increase in membership in the Archdiocese to 250,000 by Easter Sunday. The chairman of the Speakers' Bureau is Bro. William F. Clarke, Dean of De Paul U. College of Law. On the Organization Committee which is conducting schools for officers and committee chairmen are Father Oliver, George Lane, Dan Morrissey, Emmett McHugh and the Scribe.

At the school held at Loyola University on Saturday, February 15, those present from University Council in addition to the above-named "professors" were Bros. Ed. Jeffers, Fred Rondeau, G. J. Gaul, Bob Eiden, John Moran and Father Dinneen. The campaign for new members which will get under way soon will undoubtedly see all of our members actively assisting in their various parishes.

The revival and extension of the Holy Name Society as the spiritual and Catholic Action unit for the men in each parish, will undoubtedly bring out a number of men who will be good candidates for the Knights of Columbus, so that the unselfish efforts of our members in building up the Holy Name Society will eventually react to the benefit of the council.

Don't fail to attend the exemplification at the new council rooms in St. Ignatius Auditorium next Tuesday, February 25. Remember, we are inducting candidates of the other neighboring councils as well as our own.

The National defense program of the American Legion, to which so many of our members belong, aims to make available every world war veteran to the country in the activity for which he is best fitted in case of national emergency. The registration, which took place this week, will supply information as to each member's past military and civil experience and his availability for civilian or military service.

St. Paul Sends Final Reminder of Tonite's Party to All Friends

1-3 Tues. . . . . 6713 Olmsted Ave.

In the hopes that it may not be too late (especially for those who receive the Columbian on Friday) we remind you of the Council's card party being held at St. Paul of the Cross School hall, Park Ridge, Friday the 21st. There is still time for those to get in a last lick in helping the cause along by calling your friends and acquaintances, urging them to attend the party. We are sure the committee is doing all it can to remind every member to support this effort of the council to have a real successful party; we hope that you do not fail them.

Bill Brunkhorst, secretary of the council bowling league came in with the standings as of Feb. 6, but because we had used all the space allotted last week we are tardy with the information. However it's better late than never and so here it is.

WE HEAR THAT—

Joe McDowall has been down with the flu for a few days. Glad to know that he is on his feet again . . . Gil Birren has again joined the ranks of the regular attendants at council meetings . . . Jack Barry is still a convalescent at home and would appreciate a visit from some of the brothers . . . John Behmiller and George Burger get a lot of satisfaction out of the council and show it by attending the meetings regularly . . . The bureau of missing persons is trying to locate Tony J. Dittmer, Lester L. De Rome, Alfred C. Ehlman, Ellis H. Elms, Frank Fugent, Phillip J. Kelley, and John K. Orzolek. Anyone knowing the whereabouts of these "missing" brothers should bring them to a meeting soon . . . Dan McCabe will soon be taking unto himself a bride—we have no further details . . . Advocate Matt Perz still continues to storm the heights and carries everything away with him—a lot of fellows would like to know Matt's secret for success.

Oak Park Expects Banner Crowd for 30th Birthday Ball

2-4 Mon. . . 641 S. Scoville Ave., Oak Pk.

Next Monday, the 24th, will be meeting night and we hope to see a large number of the members with us on that night. The meeting will start promptly at 8:30. Lecturer Frank Holub didn't say what he had in store for the members but he usually pulls something from the bag of tricks. The moving pictures he showed at the last meeting with their presentation of Mexico and of South America struck a favorable note. Then there is the mystery barrel that is filled with interesting names. If you haven't seen this barrel you should come up to the meeting.

ANNIVERSARY DANCE

Deputy Grand Knight Joe Cagney, Chairman of the Program Committee for the 30th Anniversary, reports that the ads for the program are going along in fine style. There is a deadline for ads on the 24th so all members are urged to get their ads in to the chairman on or before that date. If you know anyone who will place an ad with us don't hesitate to ask him, we do not pester business people at any time with tickets, ads, etc., as do so many organizations. This is a rare occasion and as such the program and its contents are more valuable and will be kept, and read.

Please get in your reservations for the night of March 15th. The hotel has a limit and there are many who want to go to this excellent affair. A thirtieth anniversary comes only once, and this dinner dance at the Carleton Hotel will be the outstanding event of the season. An excellent dinner, the regular hotel $1.50 one, dancing to a fine orchestra, at least 5 excellent acts, and an evening of good cheer and happiness for the sum of $1.50 per person. Round up a party of your friends and get your reservations in early.

FOURTH DEGREE

Lee O'Donnell, the new president of the Fours, is anxious to know who is planning on attending the Fourth degree exemplification at the Palmer House on Sunday the 23rd. If you are please phone him at Euclid 3988-J or Andy Pusateri at Village 8198. Incidentally, Lee says those valentines hinting that there might be some defects in his golf are not funny.

At the time this will be printed many of the members will be at Mayslake on retreat. This is the big retreat sponsored by Fred Hansen and many of the members of the Council and of Ascension Parish. If you get this on Friday and want to go, just wheel out the car and ride out. You'll get home for work on Monday.

MEMBER NEWS

Bob Carraher's son is coming along fine and probably will be home by the time that this is out. We met Ed Faltysek the other day and found out that he has a traveling family. His son, Ed., Jr., is out on the Pacific coast with the Naval Reserves. Another son, Bud, is a married man living in Washington. With the Naval Reserve is part of the family of another member, Brother Tom Murray. He has two sons with the same outfit, only one being with Ed. Faltysek, however. The other is down "New Orleans Way."

Grand Knight John F. Gearen is back at work after a rather bad cold which kept him confined to his bed for several days. He struts around with a rather proud air, too, and we wondered why, until he came out with the news that he was a grandpa, again. A son, Patrick, came to grace the home of his daughter and her husband, Mr. and Mrs. Woods. We extend our congratulations to the parents, and of course to grandpa. We hope it doesn't affect his bowling.

Tonti's Tournament Is Going Strong with All Eyes on Major Awards

1-3 Thurs. . . . . 4221 W. Irving Park Rd.

The pinochle tournament now in progress at Tonti Council is in full swing and a good number of the brothers are competing for the beautiful prizes on display in our council chambers. The three major prizes consist of a bathroom scale, a bridge table, and a sports bag. The holder of the highest score will have his choice of the major prizes, and so on down the line.

Besides the major prizes there will be ten lesser prizes for the ten next highest scores. Everyone finishing the contest will receive a deck of cards as a souvenir. Following is a list of the brothers who completed two rounds of play and their scores:

Walter Babowski, 3970; John M. Bieschke, 3940; Tom Berk, 2880; H. Le Beau, 2790; Leo Sliwinski, 2790; Julius Krol, 2720; Ed Deka, 2710; Stanley Banas, 2710; Frank Janckowski, 2670; Ed. Totzke, 2500; Len Kriessel, 2360; Ed. Sobey, 2190; Steve Sobey, 2170; Frank Ruzkowski, 2080; Lambert Jankowski, 1840; Andrew Mauczak, 1730; Clarence Holzer, 1600; Al. Zelazny, 1460; Charles Kadolph, 1400; John Lussem, 1200; Ray Haar, 720; Paul Totzke, 670.

Are you doing your bit to build up the membership of Tonti Council? With the new type of K. of C. insurance now in operation it is possible to give your prospect the type of insurance he wants at the lowest price.

Congratulations to D. G. K. Louis T. Buettner. Last Sunday Louis became the proud daddy of a fine baby boy. Mother and baby are doing well in the Swedish Covenant Hospital. Louis is still walking around with his head up in the clouds, but it won't be long and he'll be back to normal.

I wonder if those certain brothers will be charged for all those broken electric light bulbs, and if they will break any more midget radios when they move furniture.

BOWLING

Bro. Ed. Deka got a 637 series a week ago, which made him third high man in his bracket in the Tribune's league of leagues' bowling contest.

Last Tuesday evening Mrs. Roy Brewer and her girl friends dropped in at the bowling alleys to give the Roy's Tap Room boys a little moral support. Every time one of the boys made a strike Mrs. Brewer would ring her cow bell and her girl friends would toot on their whistles. If a member of the opposing team made a strike, all he got was the razzberries. It was one of the liveliest evenings we've had in the rooting section for a long time and we are looking forward to a visit from the girls in the very near future.

Mayfair Liquors' team took the honors last week. They won their series of three games from the Lambrecht Jewelers with a total of 2635 pins and are now in second place. Spencer Coals won two games from Mayer's Tailor and are now tied for third place.

Mrs. Roy Brewer's presence helped the Roy's Tap Room team win three games from Bob's Trailer Service. Wiedemann Insurance took two games from Doc Groskie and is still in first place. The high game of the evening was 234, bowled by Enger. The high series of the evening was 599, bowled by Al Zelazny. Other high games were: P. Black, 223; Bob Beaugureau, 222; W. Ginsley, 220; Lester Jankowski, 216; Al Richter, 215; Leo Sliwinski, 204, and John Francis, 203. The team standings to date are:

	W.	L.
Wiedemann Insurance	44	25
Mayfair Liquors	39	30
Lambrecht Jewelers	38	31
Spencer Coals	38	31
Roy's Tap Room.....	35	34
Bob's Trailer Service.....	31	38
Mayer Tailor	26	43
Doc Groskie	25	44

Feehan's Party Next Tues. at Mid-West Is Command Program

2-4 Tues. . . . . Hamlin and Madison

Tuesday night, Feb. 25, at Midwest A. C., third floor; admission 50 cents. That's all you need to know about our next bingo party, but we'll tell you more. At the risk of being repetitious we'll say that this is a command performance, having been called for by so many of those who attended our last affair that we expect to play host to some 700 or 800 guests and that we expect you to do your part in seeing that news of this party is carried to all of your friends and acquaintances. That is all that is required to insure its success.

The party chairman requests all those members who acted on committees at the last party to taken over their same posts on the coming occasion. We don't believe your performance can be improved upon, so we are asking you to sign up again—only kindly arrange to get to the hall a little earlier in the evening this time. About 7:30 will be fine, thank you. And now back to your high-pressure selling.

BOWLING

In the council league the Illinois Laundry team continues to dominate the field with a 14-4 record. Harmon Electrics are second with 12-6, and N. Preib Cleaners third, 11-7. J. J. Collins Sons and Malee's fighting Irish each have 10-8. Baer Bros. & Prodie and Lemon King Senators are tied 9-9. Quinn's P.D.Q. Inn have 8 wins and 10 losses. Three teams with a 7-11 standing are Judge Hackett's Pioneers, Harold Crotty Boosters and Edw. F. Moore Boosters. Ed Kaindl Boosters are holding up the league with 4-14.

In the individual scramble Pat Riley still heads the list with a 178 pin average. Frank McQuillan is second, 176, and Joe Collins third, 174. Jimmy Collins has 173 and Pop Edler 170. All the established "highs" stood up except the third high game which was taken over by Quinn's Inn with 908. In this game, three of the boys got 200 or better. The Quinns had dropped the previous two games to the Harmons, but this one was important. Something about a quarter on total pins or such, a quarter of a barrel. Just goes to show you the value of a little incentive.

Honor-rollers: Jimmy Shea, 223; Joe Collins, 214; Dinny Malone, 212; Ed Riley, 210; Jim McQuillan, 203; Harry Barrett, 202; Paul Noonan, 201; Senator Wingfield, 77 (and you can read that again). The omission of the two in the latter score is no typographical error. The Senator has a brother-in-law known as "Old 111" Fogarty. And that's not his age either. Just almost. Actually, it's the score of a game he rolled Friday night.

INDIANAPOLIS—

for the benefit of Bro. Paul Becker, is the site of the national tournament. The aforementioned Fogarty asked us to mention it as he is too busy (lazy) to write. And Bowling Secretary Augie Tamburrino has ten teams lined up for the trip with 19 doubles and 38 singles entries. Looks like a big week-end.

Lucky Ed Morrissey is vacationing in Florida on the dough he raked in when he captured second high series in the Trib's League of Leagies" last week.

CONDOLENCES

We are sorry to learn through Bro. John L. McDonald of the recent death of his father-in-law and the father of Bro. Fred Cuchna, Mr. Albert J. Cuchna, who died Feb. 4. He was buried Feb. 7 from Blessed Sacrament Church. To his grieving family Feehan Council extends its sincere sympathy.

We are likewise shocked to be advised of the death of the young son of an old Feehan member, Jim Mulgrew. To him and to Mrs. Mulgrew and their daughter may we add our deep compassion.

CONGRATULATIONS

to the following new members who took their first and second degrees in Feehan Council last meeting: Kenneth Waindle, Edward Lopina, Dr. Stanley Kucharski, Edwin A. Imhof, James McMahon and Joe Motto.

And to Feehan Council in securing as its new chaplain the Rev. Father C. J. Lynch, Father Lynch's transfer having just come in from Lemont Council, whose loss is indeed our gain. Welcome, Father Lynch.

And finally, birthday congratulations to Bros. Bob Gill, Joe Gargonetti, J. Patrick Dowling, John Joseph O'Connor, Jos. L. Polacek, John Corboy and George Roubik, all of whom celebrate this coming week.

Santa Maria Requests Banquet Reservations Be Made Immediately

2-4 Thurs. . . . . 9120 Commercial Ave.

It's the last call for our Sir Knights to attend the fourth degree banquet in honor of Archbishop Stritch and the new Sir Knights following the annual fourth degree exemplification. The banquet and degree will be held this coming Sunday, Feb. 23, at the Palmer House and all of our Sir Knights are urged to attend. Reservations may be secured from GK Albert Schott and the cost is $5 per person. All knights attending will have to appear in the customary dinner jacket and black tie for the banquet. Need we urge you to attend?

The committees in charge are most anxious to make this year's affair the most outstanding in years and they have the promise of attendance of many important people you will enjoy seeing and hearing. This is the first real opportunity of the Fourth Degree Club to really show our Archbishop what the Knights of Columbus of Chicago are like, so let's turn out in the biggest numbers ever. Santa Maria will have its usual private party before and after the ceremonies.

MEMBERSHIP

Time has a way of moving rapidly ahead so before we know it it will be time for that big exemplification of the first and second degrees that Santa Maria is putting on the 23rd of March. This special class of candidates is named the "Father Terlecke class" in honor of our beloved chaplain. So far the applications have been slow in coming in, but we all feel certain the number will increase greatly before long.

Chairman of the membership committee, PGK James Brown, has been rehearsing a new degree team for this special class and he tells us everyone has been doing a fine job. He expects also to have several new ideas to make the ceremony more impressive, and knowing Bro. Brown's ability to do things we can say the occasion will be long remembered.

After all the preparations, we must realize that candidates are badly needed. Get out after those prospective members.

NOTES

Bro. William Jakse, who was to have been a fourth degree candidate, is still in the South Chicago Hospital, but he bravely says he will be all right for the degree. Here's hoping, and we're all plugging for a speedy recovery. PGK James Connors is coming along nicely from his serious illness. He is now well enough to receive visitors and would like to have them. His address is 7530 Essex Ave. Someone made the suggestion that we sponsor some sort of "Keep America Out of War" drive. Father Terlecke reminded us that it isn't the spectacular that will do the trick, but that we should all have faith in the efficiency of prayer.

We suppose our members would never think themselves so romantic as to observe Valentine Day, but they did just the same. The following received suitable valentines at the last meet: Emil Klawetter, James Mullen, Harold Rosenbach, John Nash, Francis Winkler, Joseph Burke, Frank Paulik, William Rosenbach, Maurice Crotty, Clement Donarski, Michael McParland, John Crowe, William Henry and James Malloy. We'll bet Bro. Vincent Kraus would be surprised if we told him what happened to him on Feb. 17, 1931. Well, his car was stolen. Surprised?

Columbus Summarizes the Lecturer's Plans for Active Months Ahead

2-4 Tues. . . . . 6932 No. Clark St.

With Grand Knight Eddie Roche hibernating in the southlands in quest of beauties for his St. Patrick Day contest, Lecturer Doc Schuler has taken it upon himself to furnish me with the coming activities that he is contemplating on presenting to the members of our council in the very near future. He has arranged with the officials of the National League to present their picture "Winning Baseball" to our members at the first meeting in April and if the Cubs are home at that time he will invite a few of them up.

He has also arranged to have one of the Blackhawk Hockey team address one of our meetings, who will bring some moving pictures along to show why hockey has become such a popular sport throughout the country. In addition to this Doc is arranging for another Ladies' Night but he might hold this off until after Lent to let the ladies show their new hats and gowns.

Doc was quite enthused over the turnout of last Tuesday evening to hear Dean John C. Fitzgeralds talk on "Lost a Tradition." He was both instructive and pleasing and he held the members spellbound for over fifty minutes telling them about the makeup of our American Constitution and how some of its principal parts were taken from the teachings and writings of some of our great Catholic priests. We hope that Doc can arrange to have Dean Fitzgeralds with us again in the very near future so that he can invite a much larger crowd to hear this eloquent speaker.

We should show Doc that we appreciate his efforts by attending the affairs that he goes to so much trouble to prepare for our benefit. Start getting the meeting habit by attending our next on Tuesday, February 25th. There are always some real activities at our meeting.

WITHOUT THE HELP

of Eddy, I have learned that the Fred Sextro Juniors have an addition to their family. A nice little baby girl paid them a visit last week and decided to stay for a long, long while. Congratulations to the mother and dad and I suppose that grandma and grandpa are carrying extra smiles these days also. . . . Tom Ward went to town last Saturday evening when he put on a big party for his son who leaves for Tennessee this week to join his National Guard outfit. Tom gets his experience taking care of the handouts when Doc Schuler advertises eats for the members. . . . By the way, wasn't that delicious ham that Doc served at our last meeting? So was Tom Ward's coffee. You sure miss a treat when you stay at home. . . . Noticed that the New World gave the Knights of Columbus Blood Donors' Division a wonderful sendoff in their last week's issue. This work has become one of the outstanding charitable works of our Order and you who would like to assist in this great cause, should get in touch with our Grand Knight who will arrange a blood test for you. . . . Already two of our own members have been saved by this wonderful work. . . . We hope that the members will keep up the good work that they started the first of the year. Continue to come to meetings—continue to bring in applications and continue to keep on an even footing with the fiancial secretary and I know that when the end of 1941 will come around, Columbus will have regained its front rank rating. . . . Keep your eyes on this year's barbecue. . . . Still no word from Eddie. . . . Will see you at the meeting next Tuesday evening.

With this writing, brother members, wind up our job as Scribe for Barry uncil. The work was never difficult. It was ob. Nothing is too trying when you a kick out of your work. And we get a real bang out of writing the ekly column.

CONGRATULATIONS

Best wishes to Brother Jim and Mrs. Conley on the recent birth of a fine baby daughter. Now Jim Senior and Jimmy Junior will have a new toy to play with.

The organization meeting of the Commodore Barry Unit of the National Home Defense was a grand affair. Brother Paul Branks in his own superb way conducted the meeting and explained the purposes of this great voluntary organization . . . a message was read from Grand Knight Jim Curran and Deputy Grand Knight Barney Cunningham addressed those present. There was entertainment provided by the junior fife and drum corps of the NHD, and a demonstration by Company "A," in military drill.

Following the program refreshments were served . . . a thorough explanation of the purposes of the new organization was explained by various representatives of the NHD . . . so that the members attending got a clear picture of the situation and readily joined the Barry Unit. . . . Drill night has been set for every Monday evening at the clubhouse . . . and for those who did not attend the organization meeting . . . you may have the opportunity of seeing our boys in action on any of these nights.

Oh, and by the way, we told you we would try and locate Brother Jim Mariga's contribution to the column . . . well, we did . . . it seems that in the Oak Leaves a short time back, the picture of the entire Santa Clara University basketball team was displayed, enjoying themselves at the home of Brother Frank Morrisey. The occasion was their being in Chicago to play a game against De Paul. Among those pictured was Dick Morrisey, Frank's son, who is a member of that touring unit. . . . For those members who cannot recall, Brother Frank was the battery mate of Brother Frank Halas in the days of Andy Greeley's "Sweet Cookies" . . . also in regard to Santa Clara University, Father Georgen, S.J., former president and uncle of Brother Bill, was in River Forest visiting some time ago.

And so this brings us to the announcement of your new scribe, Brother Paul Branks, who will succeed your present scrivener. Brother Paul has been a member of Barry for a number of years and will give you a new and fresh outlook on the happenings in Barry. Please cooperate with him by contributing any news items you may have. Just send them to the clubhouse any Friday or Saturday, so they will appear in following issues. Do not send any matter on Monday; it will be too late.

And again we say thanks for your interest, thanks to those who contributed to the support of the column, and oceans of gratitude to the Columbian editor, Brother Harold Du Chateau, a real newspaper man, to his able assistant, Miss Lillian O'Malley, and the entire staff; to Brother Frank Owens, the veteran Barry sports writer, and Brother Arch McGowan for his faithful service in sending his contributions to our column . . . may they all give to the new scribe the same sterling cooperation as they did to yours truly.

St. Joseph's Members to Receive Quarterly Communion Sunday

1-3 Thurs. . . . . 57th and Archer

Sunday last, the date of the semi-monthly "Bowlers" saw another large turnout. We met Bro. Charlie Busch, Jr., over at the Chevrons and he told us that the crowd was sufficiently large to necessitate the use of five alleys and that despite the fact of it being a bad afternoon.

Sunday next (Feb. 23) is the date for the quarterly Communion of the Council. Mass will be at 8 a. m. at St. Joseph's church and we hope to see a large number of Brothers gathered at the School hall at 7:45. Please make an effort to be present..

St. Patrick's dance chairman, Dom Spadoni, advises us that all arrangements are made for March 17. The dance will be on Monday evening, the exact date, at St. Blase hall and as this is the only social event during Lent, you can allow yourself this one night of relaxation.

Inasmuch as St. Patrick's Day falls on a Monday, we were lucky in securing the music of Charles Hess, who is in such demand that he is contracted at Agnes ballroom for sixteen weeks, right after Easter. Tickets are either in your hands now, or will be very shortly and for the good of your Council we ask that you get behind this affair and let's get out of the rut. If other organizations can do it, so can we.

You have an opoprtunity of a good time if you attend the party given by St. Joseph's Auxiliary at the School hall tonight (Friday). This is for the parish and Fr. Fuerst assures you a hearty welcome and a good time.

The First and Second Degrees will be exemplified February 27th under the sponsorship of Father Setters Council at the Madison Athletic Club. The West Division Councils will sponsor an exemplification of the Third Degree in the St. Philip High School Gym on March 23rd. ABOUT THE DANCE

Grand Knight Baptiste Mele, through the medium of this column, wishes to thank, from the bottom of his heart, every member who helped in any way to make the dance the success that it turned out to be and he also joins Chairman "Sheik" Pintozzi in requesting the members to make returns for the ads and tickets as soon as possible so that the final report can be made without any unnecessary delays. Returns can be made at the dance committee meeting Tuesday night at Bro. "Babe" Criola's home, 3024 W. Flournoy street, at the next council meeting, February 27th, or at the bowling alleys.

Bro. Charlie Principe is receiving the money for the ads, and the ticket money is being handled by Bro. Albert Caruso. So again we repeat, make those returns early.

St. Cyr Council was well represented at our dance by Grand Knight Joseph Maggiore, P. G. K. Joseph LaRocco, P. G. K. and District Deputy Marco DeStefano. Our own esteemed District Deputy Philip Nilles also honored us with his presence.

STAR DUST

Dr. Carl Madda, our brother dentist, was host to thirty-five guests at the annual party of the Arcolian Dental Arts Society held February 8th at the Palmer House. "Doc" Madda is a past president of the society and a member of the board of directors for five years. The society is composed of dentists of Italian extraction . . . At the last council meeting Bro. Carmen Trimarco proved to the boys that he would give you the shirt off his back by actually doing it —piece by piece! . . . That loop blast last week affected Bro. Dan Laurino so much that he was still shaking three days later. It even affected his bowling . . . Bro. Albert Bucciere, the eminent lawyer, is a regular visitor at the bowling alleys to spur the Giugliano Florists to greater heights. P. S.: The Florists lost three games last week . . .

TENPINS

The Underdoogs came to life at the last bowling session to give the three leaders a thumping. Led by Frank Pasquale's individual high series of 656, the Ald. Pacellis routed the Marks Motors in three games. The league leading Izzo Undertakers were humbled twice by Paterno's Pizzeria and Mele Plumbers did likewise to Dot Pies. The match between the Coletta and Bacigalupo Morticians proved to be far from a dead one with the former having the edge when all the scores were totaled. The Senate Electricians, aided by Mike Mele, Jr.'s individual high game of 243. were able to hand the Giugliano Florists a triple wallopping.

Highest bowlers were: J. Consoli, 519; N. Pintozzi, 529; C. Criola, 509; M. Mele, Jr., 606; A. Vitallo, 515; J. Mauro, 507; F. Pasquale, 656; F. Arito, 519, and J. Defily, 500.

Last Sunday morning Grand Knight Baptiste Mele, Angelo Vitallo, Scotty Frusolone and Frank Pasquale invaded the Gold Coast Recreation to participate in the singles and doubles events of the C. B. A. tournament. In the doubles event, "Bap" and Angelo teamed up to roll a 1015 series and Frank and Scotty totaled 1121. In the singles event Bap and Angelo were high men with games of 607 and 599, respectively.

ANNOUNCEMENTS

On next Monday night the council will strive to do honor to one of our revered and respected brothers, the Rev. Edward J. Saunders, assistant priest at Blessed Sacrament church. Father Saunders has been appointed an army chaplain and commissioned a captain by the War Department. He will be assigned to the 108th Engineers at Camp Forrest, Tennessee. On the eve of his departure, he will come to the council meeting, there to meet his many friends and well-wishers and bid them goodby.

After a long and lingering illness the mother of Bro. Walter Lapkiewicz passed to her eternal reward last Sunday night. Her passing of course will bring grief to her stricken family, but the high place of honor she must have attained among the saints of God will be a source of much consolation to her bereaved ones. Eternal rest give unto her, O Lord, and may she rest in peace.

Bro. Walter Jed has been confined to the Chicago hospital at Drexel Blvd. and 49th St. Walter underwent a spinal operation. Any brothers residing in that section of the city might pay him a visit and somewhat break the monotony of his confinement.

The daughter of Bro. Frank Jurjovec has also been taken to the hospital for treatment. We extend to Frank, our best wishes for a speedy recovery for his daughter.

MAYSLAKE

Bro. Frank Bohler, retreat chairman, is earnestly working to complete a class of retreatants for March 21st. To date his efforts have not been too amply rewarded. A movement of this kind should receive sincere and serious consideration. Arrange your affairs so that you will have that week-end free to make that retreat with Bro. Frank Bohler. As long as you live you will thank Frank for inducing you to go to Mayslake. Sixty Golden Hours spent at Mayslake may be the means of spending sixty million endless years in eternity with Almighty God, as your reward for faithful and loyal service to your Sovereign.

Loyola-Hyde Park Is Delighted Over Return of Popular Chaplain

2-4 Thursday....7435 Cottage Grove Ave.

We are the bearers of good tidings this week. It is our pleasure to announce the return to the South Side of our very worthy Chaplain, Reverend Father Scanlan. Father Scanlan has been appointed assistant pastor at Saint Killian's Church, 87th and May St. We have missed Father Scanlan's guiding hand and very inspiring messages these last few months. Father has promised to be present at our meetings as regularly as possible from now on.

We have been talking to all the brothers lately about attending the meetings more regularly, we hope all will be on hand this next Thursday, Feb. 27th, to welcome back Father Scanlan. He is ready and willing to offer us the benefits of his Spiritual guiding, so please attend Thursday and let him know you appreciate his efforts. The meeting will get under way promptly at 8:30 p. m. We have a very interesting and entertaining evening planned.

We of Loyola-Hyde Park have set aside the first meeting of March to be hereinafter known as Charles Lawler Nite. On this evening we will gather at the clubrooms to pay honor to our P. G. K. who has served us faithfully and well. We are issuing invitations to all of Charlie's friends to be with us on this date, March 13th. We know all of the brothers are anxious to show Charlie that they are cognizant of his great work as leader of our Council.

In his regime we made the greatest strides in our history. We want the older members, in whose welfare Charlie always took such great interest, to be sure and be with us on this night. We will keep you informed of plans for this evening as they are formulated, and we will call on each and every one of the members of our Council to make this a night Charlie will remember through the years of his life.

No bowling news outside of the fact that our worthy Recorder Ed Joyce was not present as he found the necessity of delivering his valentine out Little Company of Mary Hospital way, much, oh, so much more important. Incidentally, if you know two good names for a pair of finch (commonly known as "love birds") Ed would be interested in your submitting same to him, just mail them to him at 8023 Rhodes Ave. He will then let Mary know what to call the two new house guests Ed sent her on her birthday last week. Happy birthday, Corky!

When the phonograph was invented by Edison, the first words spoken into the new instrument were "Mary had a little lamb," etc.

De Soto Revamps Meeting Program for Next Friday

2-4 Fri. . . . . Clark & Belmont

It was previously announced in a recent issue of this column that on next Friday evening, February 28, Blood Donors' Night would be the subject of the entertainment for the members of De Soto. We were just informed by Lecturer Joe Cella that due to the sudden and unexpected appearance of several disturbing factors on the horizon, the program planned had to be postponed.

One of the most important reasons necessitating the change was the inability of Mr. E. W. Erikson, renowned technician, around whom the entire program evolved, to be present on this particular date. This unfortunate turn of events required some hasty and rapid hustling and rearranging by your Lecturer to provide another program suitable to the delicate tastes of our De Sotoans, and from the information received by your scribbler, a splendid feature has been engaged for next Friday, February 28, in the scheduled appearance of

MISS MILA BAKER

and her SEEING-EYE DOG, a beautiful, intelligent and intensively trained German Shepherd, whose highly perfected instincts and unselfish servitude mean life itself to her master. What do you know about the thoughts, hopes and aspirations of the blind? What is being done for the welfare of this most unfortunate class of humans and what has been accomplished to make the burden of their existence lighter? Do you know the significance of the white cane and the story connected with it? How do the blind see and read, and how are they able to perform their daily tasks and pursue gainful and difficult occupations and vocations in a manner and with an ability unsurpassed by those of us more fitted?

What do you know about the recent developments to enable the blind to see and the breeding, educating and training of the Seeing-Eye Dog, that scrupulously trained creature who has all but brought sight to many unfortunate blind persons and who has guided them from the dismal darkness of despair and hopelessness down the path of hope, encouragement and confidence.

All these questions and many more will be answered by the attractive and personable Miss Mila Baker, noted blind lecturer, who will not only present us with a very informative discussion about the matters above stated, but will actually demonstrate how she performs all the routine and necessary tasks of life with her invaluable canine aid.

She will also tell of the arduous training and disciplinary study the Seeing-Eye Dog must experience before he can engage in his most important occupation and the intensive training which the individual must submit to in order to acquire the necessary ability to function with the dog. Ed. Cremerius, who has seen Miss Baker perform, tells me that because of the unusual nature of this presentation and the background which develops this inseparable combination, the program is one of the most interesting and attractive ever to be offered to De Soto.

An added feature will be the presentation of the Passion Play, which has been adapted to the screen. The film was obtained through the efforts of Brother Doc. H. R. Casolary and is abounding in interest and entertainment and quite appropriate to the season. We assure you that this double feature program is one you will regret missing. See you there at eight.

BLOOD DONORS' NIGHT

As mentioned, the Blood Donors' Night although being postponed is nevertheless not to be discarded, as it is definitely scheduled for Friday, March 28. Your Lecturer and his committee, in conjunction with Bro. Frank Wohlleber, chairman of the Blood Donors' Group, are working together to present an attractive program for the occasion.

Among many other features, the services of Mr. E. W. Erikson, famous technician and adviser on blood transfusions and intravenous feedings, has been engaged and will furnish you with many moments of interest with his many experiences in this great work. He is a forceful and dynamic speaker and a recognized authority in this particular field of medicine. ST. SEBASTIAN'S DANCE

On next Tuesday evening, February 25, St. Sebastian's Church is presenting a Pre-Lenten Card Party and Dance in its Parish Auditorium, 810 West Wellington Street. There will be cards, bunco, games, dancing, refreshments and many beautiful prizes. That grand fellow, swell sport and active member of our Bowling League (incidentally, a pretty sweet bowler—so his teammates tell me) Bro. Rev. Bourchard, is the General Chairman and is aided by many DeSotoans among whom are Art Cummings, Walter Pip Dan Moriarity, Bob and Al Weissko The price of admission is nominal and at all possible show Father Bourcha we're for him by attending the party.

Our best wishes and prayers are e tended to Bro. Joe Blume who submitt to an appendectomy at Illinois Maso Hospital a few days ago. His brot John informs me that he is doing qu well and we hope his progress back health continues unabated.

We just learned that Brother Joe Gr formerly a very faithful member of bowling league, was just blessed with first youngster, Linda Rose, a seve pound baby girl. Wife Catherine a baby doing splendidly—and our congra lations to them.

Yes, we understand that Joe Merki c tured himself the tremendous sum of pins at the bowling session last we Must be getting his hits; but that wo keep him quiet, he'll still be sounding as usual, about what God only kno but we won't mind, as a matter of f we like it. Stay in there, Joe.

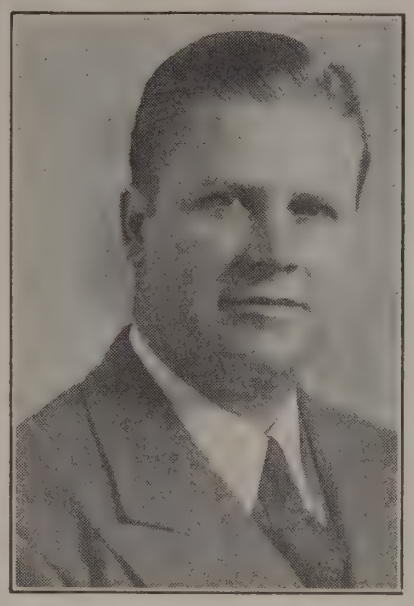
Charts Testimonial



1-3 Thurs. . . . St. Mary's Hall, Evanston

Newman Council's lecturer, Pat Craig, with P.G.K. Judge James Corcoran, will be in charge of the testimonial to our beloved chaplain, Bishop Francis J. Magner, on the evening of March 6.

Brothers please set this date aside and grace the council chambers with your presence, so we may do honor to our chaplain, who will be consecrated Bishop of Marquette, Mich., on Feb. 27 at Holy Name Cathedral, by His Excellency the Most Reverend Samuel A. Stritch.

The committee suggests the membership show their love and esteem by making a contribution, according to their share of this world's goods to a fund to be presented to the newly made Bishop at this meeting. P.G.K. Thos. Hayes has been appointed treasurer and will be happy to see you at his office, 800 Davis St.

NEWMANITEMS

P.G.K. Joe Mahoney will write this column next week. The next issue of Newman News will be out next week.

Twelve members of Newman who are also members of St. Mary's Ushers' Club will seat the guests at the Cathedral the morning of the 27th.

Dep. Grand Knight Wally Gehant is in charge of the barbecue this year. Last week being Boy Scout Week we note three members of our council who are greatly interested in this movement. Bro. Newton is in charge of the four Catholic troops in Evanston and Bros. Jim McNair and Eddie Atchison, Jr., Scout Master and assistant of St. Mary's troop.

JAMES P. MOYNIHAN

News that Bro. James P. Moynihan had passed to his eternal reward was received after last week's column had gone to press.

Jim, to me who had know him for over 25 years, exemplified the very best in Knighthood. One who was ever ready and willing to give of his time and effort for his fellow man. One who never seeked the spotlight, but reflected the light of Catholic truth to all who came in contact with him. The council will offer their prayers for the repose of his soul, and to his brothers and sister we offer our heartfelt sympathy.

BOWLING REPORT FEB. 11

Grand Knight K. Lawson became quite disgusted seeing his team lose 2 games every Tuesday night so he stepped right out the first game and rolled a game of 256. This was high game for the season but it only stood for half an hour. F. Mickeletti decided if the Grand Knight could do it he could too so he rolled a game of 264 which is now high single game for the season. He kept right on and rolled games of 215 and 160 for high series of the season. Nice going, Frank.

Other 200 or better games were rolled by J. Zera 223, W. Connors 216, J. Barrett 214, A. Waterloo 214 and 200, P. Craig 207, R. Watson 202, E. Hebson and R. Decker 200.

Results of last week show Schaefer's Undertakers won 3 from Menke's Westmore; Geo. C. Weiland won 3 from Hebson's Boosters; Fitzgerald's Boosters won 2 from Davies' Candies; Alten's Mortuary won 2 from Corcoran's Lawyers; Zicco's Clippers won 2 from Smith's Excavators; Frank and Harry won 2 from Ridge Cleaners; Evanston Beverage won 2 from Bell's Insurers.

March 29 is only six weeks off, and as you know, our train for Indianapolis leaves on that date. All arrangements and reservations must be made in advance or we will be left in the lurch. In other words the secretary must have the name of every man who intends to make the trip by next council night.

Calumet Sponsors Merchandise Nite Next Monday Eve.

2-4 Mon. . . . . 6646 Stony Island

For next meeting Monday, February 24, Lecturer Frank J. Walsh and his committee have arranged a "Merchandise Night." There will be an abundance of merchandise for all who attend. Just to give you an idea of what to expect, there will be a fine big ham, slab of bacon, cans of coffee, beautiful neckties and shirts—make up your mind right now that you cannot afford to miss this opportunity. The program will be in charge of assistant lecturer, Joe Sullivan, and you know that Joe always does things up proper.

We suggest that you telephone one of your neighbor members of Calumet Council and bring him along.

Admission will be 50c a person. The lecturer promises that every effort will be expended in making this affair a grand one for you. Michael Cleary is in charge of the publicity and will need the help of all you good members in putting this dance in its proper niche in the hall of memorable events undertaken by the council.

O'Malley, Bernard Hensgen, Walter McDermott, Thomas Hartnett are in charge of special entertainment. Tweet has played over the National, Mutual and Columbia Broadcasting systems and has a host of friends throughout the middle west.

GET A MEMBER

Calumet Council still has a long way to go to obtain its quota of new members for this year. If you are proud of your membership in Calumet Council and if you enjoy yourself as a member, why not bring in an application from that eligible friend? Your candidate may be in your home—if not how about your neighbor or the fellow you work or lunch with? Tom Walsh needs a lot of help in this work—you can encourage him with an application.

MEMBER ITEMS

Announcement for examination for the Knights of Columbus Scholarships at the Catholic University of America has been made. Applications must be made by March 1. See Brother John Tierney, Chairman of the Catholic Activities Committee.

A card has been received from Frank McCahill who is wintering in Florida and Havana, Cuba—wish I saved my dough when I was young—it's now four below outside.

We also had one of the members of the old house league J. Fitzgerald filling in for Jack Flaherty who is on the sick list. He traded puns, etc., with some of his teammates of former days, Eckie O'Malley, Tom Gibbons, Jim Shinners, Jim Murphy, Bill Hearne, Doc Gilroy, Lou O'Hanley, Bob Ward and others remarking that this league must be the fountain of youth. Marquette Members in Friendly Atmosphere at Saturday's Dance

1-3 Thurs. . . . . 1928 Devon Ave.

Our dance and party of last Saturday night was not the success it might have been, nevertheless those present enjoyed themselves. Ray Thau's orchestra played fine music, and the refreshments hit the spot. Among those present were P.G.K. Loderbauer, with his wife and sister-in-law, Warden Walter Pettis and wife, Joe Meyer with his wife, the mother of Doc Ed Meyer, the Doc himself and his wife, Walter Sheehan and wife, Henry Wilhelm and wife, Jerry Heffernan and wife, John Henrics and Tom Carroll with their wives, Ed Kempf and wife, Pat Driscoll and Earl Gallagher with their sweethearts. Chas. Schmal with a party of four. The hottest card table was used by P.G.K. and D.D. Art Donoghue, Lecturer Tom Loftus, Carl Larney and Robert Carmody. Also present was Bro. Dennis Scanlan, whom some of the members have not seen for several years. Clarence O'Hara was seen dancing with his girl friend. Grand Knight Hesse was kept busy looking out for and introducing every one. John O'Hara and Jim Buckley had charge of ticket collection. P.G.K. Johnny Hayes of Columbus Council escorted Dorothea Rass. The Council gratefully acknowledges its thanks to all those who helped by purchasing a ticket and attending.

MEMBERSHIP

The membership committee asks for cooperation and requests all members of Marquette Council to bring in an application of a new member. Our duty to Catholic men outside the Order is to acquaint them with the benefits derived from K. C. membership and work in Catholic Action. While we are on Catholic Action, please remember the Holy Name Society drive is now in full swing. All of our members should join.

BOWLING

The bowling league still commands a great deal of interest with the ever changing first place position still being a hotly contested spot. Last week's results keeps the McGuires in first place, but just by two games. Also noticed is that the Griffins pushed the Delanas from second place, while the fourth place Donoghues are now just two games from third place, so I guess anything can happen in the next few weeks.

In the latest encounter the Griffins took two out of three from the McGuires. Old reliable Tom Carroll continues leading the Griffins. This time his score was 526, while Walter Bergen continued his lead with the McGuires this week. He bowled 501.

On the other alley, Bro. Erickson's score of 516 helped the Donoghues take all three from the Delanas. Bro. Cronin's high of 488 failed to the losing Delanas. Standings are:

	W.	L.
McGuire Wildcats	31	26
Griffin Tigers	29	28
Delana Demons	28	29
Donoghue Tricks	26	31

Attention of the members is called to the forthcoming holidays and holydays. If flowers are needed for any occasion, please call Bro. Tom Murray at Sup. 6042. Should you need coal or oil, don't forget Bro. Pat O'Donnell. Pat is in charge of the fuel department of the Consumers Co. His number is Franklin 6400.

U. S. Constitution Has Only One Reference to Religious Freedom

Washington, D. C.—"In the entire Constitution there is only one direct reference to religious liberty," states Dr. Herbert Wright, professor of international law at the Catholic University of America, Washington, D. C., in an article on "Religious Liberty Under the Constitution of the United States" in a recent issue of the "Virginia Law Review." This, he says, is true despite the fact that "many of the English colonies along the Atlantic coast had been established primarily or in a large measure for this very purpose."

The only reference "is contained in the third paragraph of Article VI, which provides that 'no religious test shall ever be required as a qualification to any office or public trust under the United States,'" Dr. Wright continues, and points out also that "it will be noted that this prohibition is directed against the national government." There is no attempt in the national constitution to regulate the states in this respect," he reminds.

"This provision has seldom been called into question," Dr. Wright states. "In 1930, an appointee to the Treasury Department of the national government at Washington was requested to sign the legally prescribed oath of office, whcih concludes with the invocation, 'so help me, God.' Before affixing his signature, he crossed out these four words, and at once the question arose as to whether or not he had satisfied the requirements of his appointment. The authorities, however, hesitated to force the issue on the ground that it might be alleged that the address to the Deity constituted a religious test. As a matter of fact, these words are not found in the oath prescribed by the Constitution for the President-elect, but most of the latter have voluntarily added them. However, in February, 1940, Secretary of the Navy Edison held that the oath to defend the Constitution cannot be waived in cases of applicants for civil positions whose religions prevent them from taking arms for their country."

Dr. Wright reviews the many religious tests in the several states which originally disqualified members of particular groups from holding office and, in other instances, disfranchised Catholics and Jews. "In some states," he points out, "acknowledgment of the existence of God and belief in a future state of rewards and punishments was required of all voters, apparently on the theory that fear of eternal damnation would serve as a check on wrongdoing in politics."

BOWLING

The last bowling evening was featured by the shooting of Bob Comyn, who rolled 200, 244 and 244 for total of 688 which with his handicap gave him 739 to capture high three game individual score for the season to date. However that score did not prevent his team, the Fogarty's Men's Wear from dropping two games to the John J. Hayes Stores for Men. Mollitor with 201, Hussfield, 212, and Gould, 201, kept the Hatters on top.

Frank M. Hayes Barbecues had a good night against the Foley Grills, taking all three games. Fountain with 203, Quilley, 206, and Gleason, 202, held up the Barbecues and Foley's 200 for his team kept the losing margin of his team to three pins.

You can't tell a plumber without his Stillson wrench, so they say, but Costello & Son Boosters dropped three games by good margins. Jack Shealey's 210 was high on the Plumbers.

The odd games between the Harwood Florals and Ed Riley Insurance Writers went to the Policy Makers, both teams being a little off in their marksmanship.

THE SOUNDING BOARD

A gratifying number of nearly two hundred people attended the bingo party last Wednesday. The officers are pleased at the results and wish to sincerely thank all those who assisted in making the affair a success. Among those especially are Ray Coriss of St. Mel's Parish and Frank Brogan of Barry Council, the Ladies of the Hostess Committee, Brothers Jim Woodward, Bill Ryan and Ray Burns, P. G. K. Bill Orth for his kindness in securing the door awards and other Committee Members.

The results show what a little effort on the part of our members will produce. There is a good possibility that the party will be repeated sometime after the Le ten season.

Miss Kay Boyle, Mary Jane Coriss a Alice Weitzel were the ladies who to home the useful door awards. Miss C Daley, Miss Hanson, G. K. Costello a Mrs. Wm. Orth were among the ma who found their numbers in the ri place.

G. K. Costello is expecting quite number of Fourth Degree Members to tend the Fourth Degree Exemplificat at the Palmer House this coming Sund and with that in mind a room has b reserved as headquarters for Hennep Shields Council members. Our three c didates, Edward J. Hughes, George Ly and Rev. Father James Doherty scheduled to receive the degree.

Ticket sales for the Annual Barbe at Riverview Park will get under about April 1st. Our Barbecue Comm tee consists of James Woodward, Cha man; Ray Byrnes, Co-Chairman; Hannon, Treasurer; William Ryan, Jar Grace and Ed. George Green.

Our annual debate between two Cat lic high schools will take place in very near future. Our hardworking L turer is busy lining up the contesta so keep this future event in mind.

George Washington must be amazed the events taking place in the nation so ably helped to establish. His ad and philosophy are as sound now as was then, but it seems he is someti better remembered for chopping down cherry tree than for his valiant and selfish service to his country.

Let's all go out and chop down ch trees tomorrow. G'BYE.

Cath. Medical Institute Develops New Ointment

Cincinnati.—An ointment said to minimize remarkably the probability of scars from wounds; a new form of fluorescent lighting, which is "instantaneous"; and improved local anesthetics are among achievements of the Institute Divi Thomae Graduate School of Science Research founded here by the Most Rev. John T. McNicholas, O.P., Archbishop of Cincinnati.

These developments are reported by Helen Detzel in the Cincinnati Times-Star in an article describing the work and purpose of the Institutum under the direction of Dr. George Speri Sperti.

The ointment developed by the Institutum, the article explains, is the result of researches being made regarding cell structure of living organisms. It is pointed out that ordinarily germicides used to kill infection in wounds actually prevent normal cells from breathing. The Institutum's ointment is said to contain a stimulant for cell respiration and also enables cells to reproduce themselves in forming new tissue. It is claimed it promotes quick and thorough healing, lessens pain immediately without the use of anesthetics, and reduces the likelihood of scars. The ointment is in use in many hospitals.

Dr. Sperti's investigations in the field of ultra-violet light have brought the discovery of a new form of fluorescent lighting. Producing light through the action of ultraviolet rays on fluorescent powders, the device does not need "warming up."

Research at the Institutum, Miss Detzel says, also involves the synthesis of new local anesthetics. Many improved anesthetics are reported to have been prepared.

McHale Bowlers to Leave for National Tourney March 15

1-3 Tues. . . . . 1365 W. 31st St.

In less than a month Archbishop McHale Council's bowling league will entrain for Indianapolis to bowl in the K. C. National tournament. Under the guidance of Chairman P. G. K. Bill Collins, President Charles Cotuna, Vice President Tom Garvin, arrangements are being made to take care of the members who are to participate in this event. President Charles Cotuno has openings for several bowlers. If there are any members of our council that would like to make this trip, please get in touch with Charlie at Stewart 0357.

Pack up your troubles in your old bowling bag; let's go to Indianapolis. You are assured a wonderful trip and you will enjoy the close association of your fellow members. The undertaking of these arrangements is quite a responsibility. We urge the bowlers to please cooperate with the chairman and officers in every respect.

We were unable to make the Monday night bowling this week, but we will pick up the standing for next issue. This league is now going down the home stretch and the race is very close. If you would like to see some real bowling, drop in to the Crocombe's Alleys, 6225 Cottage Grove Ave., any Monday night.

HOW TO KILL YOUR COUNCIL

Do not attend meetings regularly. When you do atend, arrive late.

Be sure to leave before the meeting is over.

When a question is being considered, refrain from expressing an opinion; wait until you get home and then discuss matters over the phone.

Be sure to sit where you can talk in an undertone with someone nearby while the meeting is in progress; that always helps to stimulate interest in proceedings.

Don't vote. Later you can brag about it if things do not turn out well.

When things go wrong, blame it on the officers; threaten to withdraw from the council.

If asked to serve on a committee, plead that you haven't time.

If you consent to serve on a committee, forget about it. Give as little as possible of your time to work for your council.

Never accept an office, as it is always easier to criticize than to do things yourself.

Never volunteer any service, and when other members willingly and unselfishly give their time and ability for the good of the council, complain that the council is run by a "clique."

Don't pay your dues on time, and then, if reminded, get mad.

When you mention your council to outsiders, tell about all of its shortcomings.

COUNCIL NEWS

Little Marie McCabe, age 9, daughter of Bro. McCabe, who bowls with the Mack Boilers, entered a shop last Thursday to buy some valentines, and found herself blocking the flight of two youthful bandits who had just robbed the owner of $55.

One of the bandits struck Marie on the forehead with his gun, knocking her to the sidewalk. The robbers then dragged her into the place and forced her into the washroom with the woman manager. Later she was taken to a nearby doctor's office and treated for abrasions on her forehead. Leaving the doctor's office, Marie hastened back to the shop. The robers hadn't taken her money so she purchased her valentines!

P. G. K. Bob Darcey had a fall a few weeks ago and finds it hard to get around. Bro. John Fellens, one of McHale's top bowlers, went to town a week ago Saturday night, bowling in the Bowman Dairy League. He won first prize (cup) and $12 in good old U. S. money. His high game was 278; for the series, 661. Nice going, John. Don't forget March 4. A fine program has been arranged for this meeting night. If you have any news, call J. J. Kelly, Englewood 5151, any time.

BOWLING BY BERNIE

As the knights of old we went forth and conquered for the glory of General Sherman. Yes, we did it folks, sixty-eight Sherman bowlers, their wives, sweethearts and friends spent a pleasant day with our neighbors in Aurora. Everything went our way, the score: General Sherman 11,959; Aurora 11,634—we won by 325 pins.

Some worth while scores: Al Gerlach 596, Phil Leis 564, Bill Heitz 551, Ken Buckley 540, Thiel and Geary 533 each, Frank Grady 531, Mr. President 381, and Vice President 371. All money bowlers.

After the bowling we all went to their beautiful clubhouse. It sure is a honey. We ate everything in sight, took extra good care of the liquid refreshments and then danced. Two of our happy Irishmen, Wild Bill Hanrahan, and just as wild, Jack Ryan, hit the jackpot.

Frank Mortz was very popular. Mike Marine was sure happy, any place you looked you could see Pabst Blue Ribbon. Our most worthy president, Matt Ellgass, introduced all the men who were out there for the first time and gave a general outline of each one; with help of Max Thiel it sure was some outline.

Our little women sure had a good time (the dear angels). Mrs. Turzinski beat Wallie at pool. Mrs. Hoelterhoff had Eddie on the dance floor before the orchestra started. Mrs. Ellgass wants a bun warmer for her birthday. Mrs. Turner is quite a dancer, isn't she, George?

Who was the cute little girl with Sam Governile? Mrs. Jim Groh and Mrs. Free bowled and can they hit 'em. Mrs. Jack Ryan, Welker, B. Janco, Tierney, Koscal and Grady are going to organize a sewing circle, and did you hear club meeting to be held on Thursday evenings???

Folks, don't forget Aurora is coming to Chicago, Sunday, March 2nd. Let's give them everything they gave us and then some. You folks who could not make the party in Aurora please be on hand March 2nd. Thanks, Bert, for the wonderful party. It was a grand success.

Only seven weeks to go, now is the time to tighten up boys. The big four are:

	W	L
Boyda Dairy	36	21
Glen Reality	33	24
Tremko Judges	32	25
Collins Undertakers	30	27

The bowlers have pledged to sell 500 tickets for our Council dance, that is ten tickets to a man. It does sound like a lot but it's not. Figure it this way: keep a set for yourself and then make four sales. Dance tickets are sold in pairs. We all have at least four pair of friends we can sell a good time to. Our Council has been very good to us bowlers so let's reciprocate and make this affair a success.

Chicago Heights Votes Meet Attendance Most Valued Asset to Order

2-4 Mon. . . . . 1527 Otto Blvd.

Because of the present national emergency, and because of the increasing attacks being made upon us, it is incumbent upon every member of the order of the K.C.'s to know just what part we play in the economic scheme of things as we go along. Every member of the order should make it his business to know of our contribution to the nation's welfare.

Such knowledge of the facts are most important, therefore we, as members of Chicago Heights Council, should be interested enough to participate in our meetings more frequently. It will give us all a greater sense of pride in our council and will enable us to combat the many accusations that are constantly being hurled at Mother Church. Our defense must be speeded up, and therefore we members of the greatest fraternal organization in the world should become more closely welded together in a unified effort so that we may perpetuate the privileges that we now enjoy.

Sunday evening, Feb. 23, an excellent roast beef supper will be served from 5 till 9 o'clock at St. Ann's parish auditorium. It will be sponsored by the Ladies' Social Club. Members of Chicago Heights Council and their friends are cordially invited. A fine program of entertainment will immediately follow the supper.

Your prayers are requested for a speedy recovery of our chaplain, Father Celestine, who was taken suddenly ill last Saturday. He was taken to St. James Hospital. We are happy to announce that Bro. Bernard Mackler, who, due to a serious accident some time ago, was confined in the hospital, has fully recovered and is up and around again. Your brother knights will be glad to share any news you may have. Please forward same to your scribe, either by phoning 1505 or mailing it to 1906 Circle Court.

Church Undergoes Bitter Persecution in Alsace-Lorraine

VATICAN CITY.—Constituting three-fourths of the population of the two occupied provinces, "Catholics of Alsace-Lorraine are being tried in the fire of a cruel persecution," it has been revealed in a broadcast over the Vatican City radio station.

The Nazi rulers of the occupied area, the speaker said, "are using every means to indoctrinate" the Catholics "with the pernicious aberrations of their party's philosophy of life." He outlined the following as some of the oppressive measures:

Catholic schools have been closed.

Sisters have been excluded from teaching work.

Hitler youth organizations have been set up everywhere, and many young boys and girls have been sent into Germany.

Diocesan missionary schools have been abolished.

The Most Rev. Carl Ruch, Bishop of Strasbourg, is not permitted to re-enter his See.

"Today," said the commentator, "Catholics of Alsace-Lorraine are being tried in the fire of a cruel persecution.

"There are about two million people in these two provinces, and more than three-fourth of them are Catholics. Today they are under the heavy rule of Nazis, who are using every means to indoctrinate them with the pernicious aberrations of their party's philosophy of life.

"The State schools have been reorganized along the lines of these false, immoral principles. Catholic schools have been suppressed, and thus religion and hundreds of religious women have been excluded from the field of education.

"Hitler youth organizations for boys and girls have been established everywhere, while many young boys and girls are being sent into Germany to be instructed and formed according to the Nazi ideology.

"The diocesan missionary schools are no more, alas! The Bishop of Strasbourg now residing in the unoccupied area of France is not permitted to return to his episcopal See. Also, the Bishop of Metz has been driven from his See and forbidden to exercise his office."

It may not be so pleasant on English pride but, in proportion to population, twice as many children attend school in the Philippines as in England.

Chicago Members to Enjoy Monthly Social Next Tues.

2-4 Tues. . . . . 64 E. Lake St.

Chicago Council's meeting on Tuesday, February 25, will be the monthly "social" gathering. If there is any business demanding attention, it will be taken care of expeditiously; after which, our Lecturer Bill Pellicore will take charge. Further than that, this Scribe sayeth nothing except that the monthly "Pot of Gold" which was not dug up at our last meeting will be explored next Tuesday night and somebody perhaps will hear his name called for a ticket to our Golden Jubilee banquet.

In the meantime, members aspiring to a place on the honorary committee for that occasion should be looking in with their applications. Another exemplification of the first two degrees is soon to take place at one of the councils allied with us and as a matter of pride might we not suggest that Chicago Council should be well represented in the class.

Many of your friends plan to become Knights of Columbus some day. Why not with Chicago Council?

MAYSLAKE RETREAT

Chairman Joseph N. Schmitz, assisted by Co-chairman Bill Pellicore and Sam Mercurio, are commencing the organization of Chicago Council's group for the annual Mayslake Retreat which begins on the evening of Friday, March 21st, and continues through Saturday and Sunday to close with the Thanksgiving Mass on Monday morning.

To our new members we extend the invitation to join us in this Retreat. The representation from Chicago Council is always impressive and this year, augmented by enlistment of our new members, the class should be a record-breaker.

The idea of making a retreat is like having an audit made of your business affairs. An expert accountant goes over your books and, in addition to striking off a balance sheet, goes thoroughly into the method of operating your business to point out where money could be saved or production stepped up. At Mayslake, the Retreat-Master is your "auditor." Each retreatant, under the guidance of this Franciscan Father, digs into his own spiritual accounts and sets up his own "balance sheet" which, in Confession, he submits for the expert "audit."

The business man never lets a year go by without a check-up. What more important business is there than saving your immortal soul? Is once-a-year too frequent to check up on your spiritual well-being?

THE PARTY

Chairman Sam Mercurio and his hard-working committee may well be quite pleased with the big party last Saturday night. The Scribe had no opportunity to ascertain the number in attendance but there appeared to be considerably more than at last year's party. And from all appearances, everybody was having a good time.

Chicago Council plans to hold Memorial Exercises for deceased members at the meeting of March 25th. "As we loved them in life, let us not forget them in death. It is a holy and wholesome thought to pray for the dead that they may be loosed from their sins."

THE BOWLERS

We were plumb worried last week about that meeting with the bowlers of Hughes Council; but it's ancient history now and our boys took two out of three. Brownson with the invincible Joe Sinke and then Phil Sheridan; two more tough assignments to keep our team from becoming too cocky. However, you will notice that our team has improved grealy during the past month and will give a good account of themselves for the rest of the campaign.

In the Council league, our Cole Recorders mowed down the Vallee Boosters two out of three, with Herb Le Resche featuring with a series of 521.

MUNDELEIN CO-ED FINDS FIFTEEN-YEAR-OLD ERROR IN PROFESSOR'S TEXTBOOK

More alert than hundreds of college professors who have been using the book for years is 17-year-old Charlotte Safranski, freshman at Mundelein College, who discovered a 15-year-old error in Composition for College Students, by Thomas, Manchester, and Scott, wrote the publisher about it, and this week received a letter of congratulation from one of the authors, Professor Joseph M. Thomas of the University of Minnesota.

Miss Safranski, who spends two hours a day on the bus going to and from her home to Mundelein, skyscraper college for women in Chicago, lists essays as her "favorite type of literature." Consequently, when she observed on Page 171 of the Fourth Edition of Thomas, Manchester, and Scott's highly reputable textbook a quotation credited to Max Eastman, she knew at once that Max Beerbohm had written it. The quotation reads:

"Let us try to find some unifying principle, or principles among the variegated items—Max Eastman, 'The Humor of the Public,' from Yet Again, Alfred A. Knopf. Reprinted by permission."

Professor Thomas wrote Miss Safranski as follows:

"I find that you are absolutely correct and that the name of the writer . . . is Max Beerbohm, and not Max Eastman. I am very grateful, indeed, to you for calling this error to my attention, and I wish to take this opportunity to congratulate you on being the only person to discover it although it goes back to the second edition of the text which was published fifteen years ago."

Interested in economics, French, and English (she has three original poems and one translation from the French in Mundelein's anthology of student verse), Miss Safranski, pretty, curly-haired member of the College Verse-Speaking Choir, won a medal in a fencing meet last week.

ST. COLUMBAN SOCIETY COMPLETES 20 YEARS IN CHINA MISSION FIELD

Hanyang.—With the close of this mission year the Society of St. Columban completed its first 20 years in the field. The first band of missionaries of the society arrived in Hanyang, June 26, 1920. The district assigned to them was erected as a Prefecture Apostolic in 1923 and raised to the status of a Vicariate Apostolic in 1927 with the Most Rev. Edward J. Galvin as Vicar Apostolic.

The early years of the Vicariate's existence were filled with severe trials. Floods, famine, civil war and communist rule prevented widespread mission activity and progress was slow. In the autumn of 1932 comparative peace came to the district and with it a wave of conversions. The movement toward the church which began that year has continued ever since and, though the Vicariate has been afflicted periodically and the war has worked its own havoc, the Columban Fathers in this Vicariate have succeeded in bringing into the Church nearly 40,000 adult converts in eight years.

This year there were 7,085 baptisms, of which 4,130 were adult converts, 1,797 children of Catholic parents, and 1,158 pagans in danger of death. The present Catholic population of the Vicariate is 55,338.

The Vicariate of Hanyang is staffed by 42 Columban Fathers, four Chinese secular priests, three Brothers of St. Columban, seven Sisters of St. Columban; seven Sisters of Loretto, and twelve Sisters of the Blessed Virgin Mary.

Home and School Are First 'Defense Lines,' Famous Jesuit Warns

Cincinnati, O.—The Rev. James F. Maguire, S.J., president of St. Xavier High School, in a public address recently said: "America's first line of defense is not the military forces of the country; they are only the last line of defense. The first line of defense is the home and the school."

"Where the home and the school are not mobilized in the nation's defense, arms alone are utterly useless," he said. "Where the nursery and the classrooms are conducted along unnatural lines the expenditure of billions for bombs, bullets, tanks and planes avails not at all. Only today is America awakening to the alarmed realization that in banning religion from her schools she has nurtured millions of men and women who may easily desert democracy and form a vast fifth column that will assist an invading enemy.

"Dr. Louis Mercier of the Harvard University faculty said some days ago in St. Louis that 'the Jesuit contribution to education in America will help to keep us free men in a free nation.' For as the professor stated, the principles upon which our American democracy is founded are the principles of the Jesuit—Robert Bellarmine. And from their earliest days in America, the Jesuits have constantly taught and defended those democratic principles.

"Democracy is rule by the people—by the individual citizens. Hence, if democracy is to survive, faith in the right and the ability of the individual to rule must be maintained."

Aquinas Forum Series Will Present Brilliant Speaker on March 2nd

1-3 Tues. . . . . 5441 S. Ashland Ave.

On March 2, at 8:30 p. m., Thomas Aquinas Forum will meet in the auditorium of Mercy High School, 8100 S. Indiana Ave., to hear an address, "Peace for America," delivered by Rev. Dr. John A. O'Brien of the philosophy department of Notre Dame University. Father O'Brien was formerly chaplain at the University of Illinios and director of the Newman Foundation there, and has recently returned from Oxford University in England. He is a well-known writer and orator, and we promise you a most interesting evening.

This is the largest forum undertaking of the council and we look to all of the members to act as a committee of one to make it the success of the year. We have prospects of getting a choir of forty voices, under the direction of Mr. Robert Gaderer, to furnish music for the evening. A more complete account of the details will appear in these columns next week. The meeting will be free to the public and everyone is invited to attend.

LAST MEETING

Our meeting of last Tuesday evening was a huge success. The movie "Tobaccoland" was shown and also "Pleasure Time," featuring Fred Waring and his Pennsylvanians. Then we were served refreshments and sandwiches, and adpourned to the various games that were in progress. We owe a vote of thanks to Lecturer Dr. Bialecke for such an enjoyable evening, complete even to music supplied by Ed Fennell and his accordian. He certainly wowed the audience.

Last Monday evening we attended the exemplification of the first and second degrees at St. Augustine Council, and we compliment them for the inspiring manner in which the degrees were conducted. Aquinas' new member, Patrick Renehan, was in the class. Welcome to the council, Pat, and we hope to see you at many of the forthcoming meetings.

Bro. Dinnie Sullivan has been on the sick list for the past few weeks but is now up and about as are Jimmie Sweeney, Frank O'Hern and Fred Beatty. Glad your health is back boys, and hope you keep well from now on.

It has come to my attention that many of our members have not changed the beneficiary of their K. of C. insurance where the case warrants it. This causes much confusion and delay when a claim is placed against the council. To be on the safe side of the ledger get out your old policies and check up and see whether the beneficiary listed is correct. See our financial secretary, Ed Fennell, for particulars on this matter at the council meetings or at his home, 6537 S. Campbell Ave., Republic 4427.

The Thomas Aquinas Bowling League is certainly tightening up as the standings remain the same after a hectic r of pin busting. Last Friday night s for the evening and winners were: leckes, two for three with 809-801, 841, and the Barsleys taking the 720-714. The Konraths beat the McN aras best out of three by scores of 816, 892-874, and "Mac" gang took last one, 854-802.

The Grinnings also got the best o three but the last game jinxed them as they dropped it by a very close gin, 808-804. The other two games 812-746 and 815-789. High games we Tim McNamara, Tom Harney and Keoppe. High series were taken by C tens, Harney and McNamara. Ton same place, same time, the maple will be flying in all directions. Good men.

Holy Father Sets Forth Essentials of Cath. Action in Vatican Audience

Vatican City.—The discourse which Pope Pius XII pronounced to 9,000 representatives of Italian Catholic Action, while it was intended primarily for the faithful of Italy, is regarded as a program that may well serve as a guide for the lay apostolate throughout the world. The discourse was published in full by the "Osservatore Romano" and lengthy excerpts have appeared in the Italian press.

Herewith are presented some excerpts from the discourse:

"The present hour is the hour of the temptation of souls. Where may the soul of man, naturally Christian, find peace?

"Pastors and parish-priests find the need of faithful collaborators among the laity so urgent that they pray for those who will assist them in their arduous task of watching over and caring for the ever-increasing multitude of their flocks.

"We see in our time the cohorts of Catholic Action; the fervent bands of men and women, of boys and girls, of students, who make up an auxiliary phalanx obedient to the voice of the Supreme Pastor and to the direction of the Bishops in the diffusion of the Faith and of Christian morals to the multitudes. To you, beloved sons and daughters of Catholic Action, to you are due Our thanks and Our praise.

"You have deserved well of the Church and of civil society; yes, of civil society, because, diffusing and actuating in individual, family and social life the Catholic principles of authority, of obedience, of order, of justice, of equality and of charity, you have cooperated to make shine forth again, to revive and to reinvigorate, those things which are the most solid bases of society.

"We repose in you Our hopes for the future. In this grave hour in which human passion's dormant in peace are aroused, burst forth inflamed, and strive in a duel of blood and injury that makes Our heart shudder at the fierce conflict among sons dear to Us. We fix Our glance on Catholic Action and We comfort Our soul. Yours is a highly Christian undertaking that raises the zealous sons of the militant Church to the merit and honor of crusaders fighting for the defense and the consolidation of the Kingdom of Christ in the midst of humanity.

"Belonging to Catholic Action implies a generous surrender which does not shrink at the offer of the sacrifice of one's self. It imposes a preparation and formation, acquired or to be acquired, according to the nature of the particular group to which one belongs.

PRAYER ABOVE ALL

"Above every other thing, We recommend prayer. Pray, pray, pray; prayer is the key to the treasures of God. It is the weapon of victory in every struggle for good and against evil. What cannot prayer, adoring, propitiating, supplicating, thanking prayer, do?

"Belonging to Catholic Action does not place its members in a position of privilege or superiority; but infuses in them a dutiful impulse to make themselves, with the spirit of humility, of abnegation and of charity, all things to all men.

"Prepared, formed and united, members of Catholic Action will launch themselves as apostles in the various fields of society in all directions wherever there are souls to be gained to Christ. In their discomforts, in their fatigues, in their sorrows, in their solitude, they may feel close to the brother who weeps for them, who fraternizes with them in their misfortune and misery, who is their friend in adversity, who has a hand that sustains them, a world that mitigates discomfort and points out to them, besides the fleeting appearance of time, the unchangeable wealth of eternity.

"Go to the youth. The young are the hope of the family and the country. In the midst of the young you shall make yourselves the leaders. Make yourselves young with the young, children with the children to draw them all to Christ.

"Go to the adults, educated in an atmosphere of agnosticism in which man, proud of his discoveries and dreams, pretends to be against God.

"Go into the midst of the world. Trust in Christ, Who has conquered the world. Your weapons are the apostolate of prayer, of example, of pen and word; humility and benevolence, suffering and meekness, prudence and discretion, wise charity, descending to the wandering but not to error, because every human soul desires nothing more and with greater ardor than the truth.

"It is the soul of the mystic body of the Church that shines and triumphs in a special manner in Catholic Action; souls of faith, of hope, of charity, diffused in our hearts by the Holy Ghost."

Cleveland's House of Hospitality Aids in Care of City's Needy

Cleveland.—Right now, at the base of a statue of Blessed Martin de Porres, lie two stacks of bills that must be paid. They worry William Gauchat, but there is no despair in his shining eyes. He knows how the Blessed Martin de Porres House of Hospitality in this city operates. Ever since Cleveland went through its relief crisis last November, Blessed Martin has been working overtime keeping the tiny Franklin boulevard house open to the poor.

Clothing, feeding, and sheltering a daily average of 55 men, feeding 100 others in its "daily line," and passing out food to about 21 neighborhood children, the house is gradually mending broken lives and instilling a new Christian spirit into all its visitors.

Mr. Gauchat, the director, will tell you that the aim of the house is "to feed the hungry, clothe the naked, and shelter the homeless as a start toward the reconstruction of society. We try to live in a Catholic group life and to illustrate our program by the force of example, rather than to use a mission technique. Anybody can get men to sing hymns in exchange for bed and meals."

The program of the house is rigid and yet kind. A transient may hear of the house and timidly wander through the door. If he is in need of pants, they are given him if the correct size is handy. Lights go out at 10 p. m. and the inmates sleep on cots in the refectory, kitchen, and front room or in any of the 11 sleeping rooms rented in adjoining houses.

The men rise at 6 a. m. and eat breakfast at 7. Many attend Mass at St. Mary's church. The "line" is fed at 7:30. Usually the menu calls for soup, bread and coffee.

Throughout the morning, various guilds are at work building articles to be sold for the upkeep of the house. One guild, dedicated to St. Joseph, makes and repairs furniture and fashions religious articles such as Christmas cribs and ornate crucifixes.

The kitchen guild prepares food for the next meal. Others scrub the house and saw wood for the eight old-fashioned stoves. Still others take the old car out to scour the neighborhood in search of food, clothing, and what not.

Meat soup is the closest the men come to a meat meal. The men solicit bushels of bones for the soup, which constitutes the largest single item of the diet. Returned goods are donated by baking concerns, vegetables and fruit are procured in second-class condition, and macaroni and spaghetti are substituted for potatoes.

One distinctive activity at the house is the Matt Talbot Wagon Club, a temperance group intended to help men overcome the drinking habit. The club began a year ago, and today a drunk is a curiosity at the house. The members sign a pledge card and keep a daily record, checking off squares on the card. To have a perfect score the men must perform not only a negative act but a positive act as well, refraining from liquor and urging others to do the same.

Most of the men are unskilled laborers, farm and factory hands, but occasionally a skilled worker appears at the house.

ETERNAL REST GIVE UNTO THESE THY SERVANTS, OH GOD

Oh, God, the Creator and Redeemer of all the faithful, give to the souls of Thy departed servants the remission of all their sins, that by the aid of pious prayer they may obtain that pardon which they have always desired through Christ, our Lord, who liveth and regaineth with Thee in the Unity of the Holy Ghost. Amen.

Carroll's Fourth Degree Class Led by Grand Knight

Next Meet March 4 . . 6 No. Hamlin Ave.

Headed by Grand Knight James J. Crosby, Charles Carroll council will be represented at the 38th annual exemplification of the Fourth Degree in this district on Sunday, February 23, at the Palmer House, with a fine class of men in the most brilliant display of patriotic Order achievement for many years.

The ceremonials this year are justly dedicated to His Excellency Archbishop Samuel A. Stritch, a genuine great leader of our archdiocese, who has many times expressed a deep concern and interest in the welfare of the Knights of Columbus, and who stands soundly on his pledge to forward the activities of the Order.

As a fitting tribute to our beloved Archbishop, every third degree member of our Order should be prompted to enroll in the cause of patriotic Catholic activity as no finer example of these principles exist than in our own Fourth Degree.

An exceptional attendance of Carroll Fourth Degree members is looked for at the banquet to follow the initiation. Archbishop Stritch will deliver the principal address and will be followed by other eminent figures in ecclesiastical and civic life, including the Most Rev. James A. Griffin, D.D., Bishop of Springfield; Most Rev. E. F. Hoban, Bishop of Rockford, and others.

An appropriate program of music and similar entertainment will also be offered as a part of the evening festivities. An elaborate decorative scheme for the main banquet hall, where both the initiation and degree work will be held, has also been provided.

SEVERAL CARROLL CANDIDATES

Among the first Carrollites to sign application forms for this year's patriotic degree, besides Grand Knight Crosby, include William E. McNamara, Edward L. Baker, Joseph Schuck, and Harold Crosby.

Chairman of the Fourth Degree, George J. Hunt, has been hard at work on preparations for the suite of rooms that Carroll council has engaged for the members after 2 P. M., next Sunday at the Palmer House, where refreshments will be served at a nominal cost. Those members who have attended similar affairs at this annual event. know what pleasure there is in store for them. If you can't possibly make the banquet, do not miss visiting with the "boys" in our suite of rooms on the seventh floor. It is a treat that one rarely misses.

Assisting Master of the Fourth Degree Joseph A. McMahon in the exemplification ceremonials will be the same degree team that has so capably assisted the master for the last several years. It is composed of John M. Lee of General Sherman council, Edward J. Sullivan of DeSoto, James Murphy of Calumet, Patrick Woods of St. Philip Neri, Edmond J. Molyneux of Father Perez, Rev. William J. Gorman of Commodore Barry, and John B. McGuire of University council. From Charles Carroll council, acting as Aides to the Marshal, are Martin J. Landthalder and Kenneth L. Torgeson, who was recently appointed by Master McMahon.

MEMORIAM

With deep sorrow we announce the death of John Welch, late of 4335 Lexington street. A delegation of officers and members of Carroll council attended the wake on Sunday, February 16, to pay respects to John and to offer sympathy to the bereaved family. May he forever walk in the path of his Maker and find eternal peace and happiness.

Gar. Moreno's Dance and Party at Bel-Ayr Club Tomorrow Night

2-4 Tues. . . . 155th and Lexington Ave.

Next Saturday all Americans will celebrate the birthday of George Washington. Because it is a holiday and a day of relaxation, many of us will take advantage of the celebrations scheduled for this day. Saturday evening will be an opportunity for our members and friends to join with us in our dancing party. We look forward to this occasion because for several hours all of us will gather to really enjoy ourselves and forget the sorrow that has clouded the world in the past months, and join with the rest of America in celebrating Washington's birthday.

A cordial invitation is extended to all Knights of Columbus and their families. The young men of the council have expressed a special wish, it being that the parents of all of our members attend this party. It will be a real get-together and one that will long be remembered. Don't forget, it's the Bel-Ayr Club, one block east of the Illinois Central Railroad on 147th St. Dancing from nine 'til ? Refreshments will be served. Dave Simpson and his orchestra will furnish the music.

BOWLING DOPE

Shea's Korner dropped two games to Frank Ring's Boosters. Well, that's nothing unusual, but the tough part of it is that the Shea gang bowled 2,745 for the three high games of the season and 1,008 for high single game. Sheas also bowled 245 for high game of the season. Jack's 580, Knoll 542, Kammert 519, and Lemons 490, were his other helpers. Matt Walenga's 539 and Mekena's 530 were top men for Ring Boosters. Eagle Coal Co., league leaders, won two games from Home Liquor. Vic Walenga's 507 and John Kerkhoven's 502 were the Liquor team's best, while Rossman's 605 and Gorski's 520 were the best for the coal bin boys.

Walter Goletz Bowlers won two from the Bill O'Hara Boosters. Joe Reardon, bowler de luxe, was tops with 505 for the winners, while Chas. Wissel's 517 topped the O'Hara gang. Anton Sterker Tailors won two from third place Wonder Bar. Fr. Renklewski's 541 and Iron Man Grady's 506 were the bowlers' best scores. Clyde White's 520 and Hilgendorf's 499 were tops for Wonder Bar. So come on, gang, let's break more records. It can be done.

THIS AND THAT

Polish Night was celebrated at our last meeting. Present were Field Agent Bro. Cusing, D. D. Ed Martens, Rev. Fr. Renklewski, Rev. Fr. Cousineau, P. G. K. James Weekes, Chicago, and Brothers Horn and Price from Pinta Council. The remarks of the above speakers carried much food for thought, and our thanks to them. Rev. Fr. Renklewski furnished the entertainment. Twelve youngsters from St. Susanna parish, in the native costumes of Poland, presented the National Dance. Six boys and six girls comprised the group, but after removing the blonde curls that adorned their serene brows—they were all boys. Our thanks to the splendid youngsters. Mike Kabaj was the go-getter for the application read at the meeting.

Reported on the sick or injured list are Hector Vachon, Mike Ryan, who is in Mercy Hospital in Chicago recovering from an eye operation, Mrs. Arthur Mathiew, James Scully, Ray Scully of Chicago, Dr. D. C. Altier and Al Binette, who at this writing is at Ingall Hospital. He was injured at work. Frank Calpeno is now off of the sick list. To our sick and injured, our sincere wishes go for a speedy recovery.

To John Jorog and bride, and to John Rogers who will say "I Do" this Saturday, our congratulations. May you ever be happy. Holders of dance tickets can make returns at the dance to Al St. Aubin or Louis Beaupre. Visited Al Binette at the hospital and we have hopes he will be at his home the end of this week. So in closing, don't forget I'll be seeing you at our dancing party this Saturday night, so until next week, cheerio.

Liturgy Congress

Chicago.—With a Solemn Votive Mass for Peace, at which the sermon was delivered by the Most Rev. Samuel A. Stritch, Archbishop of Chicago, the First National Liturgical Congress ever held in the United States came to a close at the Cathedral of the Holy Name.

AMERICUS TO SPONSOR LADIES' NITE TUESDAY

2nd & 4th Tues. . . 3350 W. Jackson Blvd.

Good Morning Mr. and Mrs. Americus: Well here's your old Ex-Scribe back again in the harness pinchhitting, but not for keeps, because we are trying something new—"Guest Writers" (Apologies to Dan Foster). I hope it is a success and my apologies to the many members who phoned me and sent me letters about our missing columns lately. We will try hard not to disappoint you again.

LADIES NIGHT

First of all I wish to remind you of the Open Meeting (Ladies Night) scheduled for next Tuesday, February 25. A very excellent program has been arranged by our Worthy Lecturer, Past Grand Knight Jim Mooney; sound movies of Fred Waring and his Pennsylvanians in "Pleasure Time." No doubt but you have heard him many times on the radio but this picture will give you a good idea of the amount of work required to arrange for a broadcast. You will see Waring really at work, giving details to his script writers, music arrangers, dancers, singers, etc. In fact you will see a complete rehearsal, and finally see and hear a complete broadcast. This is a real opportunity and one you should not miss.

In addition to this picture we will also have a comedy short. Remember the ladies are invited, and the usual refreshments will be served.

BLOOD DONOR'S CLUB

Our Chairman of the Blood Donors, Past Grand Knight Leo J. Joyce, has made arrangements for a nurse from St. Anthony's Hospital to be present on the above evening. We have a very splendid Donors' Club at present, but we do want to increase its membership, so those who wish to enroll on Tuesday evening can do so. The ladies are invited to enroll if they wish. How can you tell—tomorrow it might be you—or today it might be you who could save a life. Chairman Joyce will give emblems to the Donors.

We were indeed happy to see Jim Nolan at our last meeting. Jim had a long drive in from Beverly Hills, and we surely did appreciate his visit. Come often Jim!

We are more than happy to announce that Mrs. Gert McSweeney, wife of Brother John, is really on the road to a complete recovery after a very serious illness. We were all pulling for you Gert.

Our heartiest congratulations to John Mooney, Jr., He was the first member of our Council to enlist in the U. S. Army for National Defense, and will leave for Camp Forest, Tennessee, about March 3rd. Atta boy John, and we hope you will come back a general.

Congratulations to our Treasurer, The Honorable William A. J. Ryan, on his nomination for constable in Berwyn. Keep on going Bill until you reach the mayor's chair.

4TH DEGREE EXEMPLIFICATION

Next Sunday, February 23, the LaSalle Assembly will have the exemplification of the Fourth Degree, which is dedicated as a testimonial to one of the greatest apostles of our church, His Excellency the Most Reverend Samuel A. Stritch, our Archbishop. Americus will be well represented at the banquet and any Sir Knight wishing to attend should get in touch with Secretary John J. Powers at once—Kedzie 0597.

Has anyone seen our Beau Brummel—"Two Pants Walter Elliott"? He used to be a regular visitor, but we have not seen him lately. I suppose he is too busy selling those Two Pants Suits out at BONDS in Oak Park. (That ought to be good for one suit for Ned.) Well, if he don't come up soon I'll have to get in touch with his charming wife and see if she can get him up here.

One of the busiest men around the City Hall is Brother Jay O'Rourke. He covers all departments, and the elevator operators call him Jay.

MEMBERSHIP DRIVE

Membership Chairman George Howlett made a very fine report at the last meeting. We are really set for a drive for membership. Why don't you get behind George and help him in this drive? Surely you must know some Catholic man who is not a Knight; all we ask you for is one new member.

Be a booster of the council—not a knocker. If there is anything in the world I hate it's a knocker, and especially the guy who makes the ball and gives it to the other fellow to fire. Look out for that guy, because there's poison in that ball. Let's have a slogan "BE A BOOSTER—NOT A KNOCKER."

I regret that I did not get the scores for the bowling for last week. I would appreciate it if Bill Costello would give Leo Joyce the next scores. Leo will be our guest writer next week, and I know his writeup will be a good one.

"IN MEMORIAM"

The Angel of Death has again visited our membership and taken from our midst one of our old time members, the late M. T. Dunigan. I was pleased to see such a large delegation from our cou at the wake.

This council extends deepest symp to the family, and his brother, past G Knight Eddie Dunigan. Please remen him in your prayers!

In the future when a member of council dies, the weekly Columbian be sent to the wife, mother or sister the regular mailing list. Americus that the surviving relative would still to know what activities are going o the council and very often there are in the family who some day will bec members of the council.

Don't forget Tuesday, February Ladies Night. Bring some of your frie

That's about all for today and Joyce will be back next week wit flash.

Archbishop Stritch Charges Sir Knights With Need to Labor for 'God in Country'

Fifteen Hundred Members of Fourth Degree Hear Stirring Message of Chicago's Great Spiritual Director

Charging the Knights of Columbus with the necessity of bringing God into government that the new social order to be formed in the aftermath of the present world conflict might properly represent the spiritual factors of human existence, His Excellency, the Most Rev. Samuel A. Stritch, Archbishop of Chicago, entreated the fifteen hundred Sir Knights assembled at the 38th Annual Banquet following Sunday's exemplification of the Patriotic Degree here, to live the principals of Catholic citizenship for the preservation of American democracy.

Some two dozen members of the Catholic hierarchy in America were present along with the two hundred and sixty-seven newly initiated Sir Knights and the twelve hundred Fourth Degree guests, to hear the Archbishop, honor guest of the evening, beg the Knights to expand the slogan "For God and Country" to "For God *in* Country."

"It is apparent," the Archbishop said, "from the rise of totalitarianism over the world, that it is not enough that God have a part in the scheme of our political philosophy; we must work and labor to make God the energizing light in our country and its government.

"It is proper, too, that in the midst of these dark times, when war plagues so many of our nations, we think of the days to come when peace may again be restored and all mankind may live in the assurance of its divine heritage.

"Only in the encyclical letters of our Holy Father," His Excellency continued, "can we find the holy vision of a tomorrow worth working for."

Then quoting from the first encyclical of Pope Pius XII, "Summi Pontificatus," Archbishop Stritch said:

"The sword cannot bring peace. It can only impose the terms of peace. The forces, the implements that are to renew the face of the earth must come from men's hearts and they must rest upon natural law and divine revelation."

Totalitarians Ignore Divine Word

Pointing to the plight of the peoples of the totalitarian countries, the Archbishop explained their lot as the result of "men and nations of people having exiled Christ from their council chambers."

"Men have come to think," he said, "that they can ignore absolute truth and can build life of mere human conventions or worse on an attitude of universal doubt.

"If our liberties are to be preserved, if our life is to become fuller, we must bring Christ into our social institutions. We must stand "Pro Deo in patria" as well as "Pro Deo et patria." Our duty as priests is to teach you the principles of Christian existence but your part, and perhaps the greater, is to build a Christian society upon these tenets.

"The Christian social order can only be the achievement of the sons of the Church. The need for an army of such active laymen, who will practice the principals of their Christian religion as a part of their daily lives, is greater today than ever before. If we are to stamp out the thought that God can only be a name in our social order we must all actually live the principle we profess to believe as our religion. It is a consolation and an assurance to know that the Knights of Columbus are eager to go forward in this cause.

"Let us all work together," Archbishop Stritch concluded, "not under the dual slogan of 'God and Country' but under the single and unifying banner of 'God *in* Country.'"

State Chaplain in Response

Most Rev. James A. Griffin, Bishop of Springfield and State Chaplain of the Order, responded to the Archbishop's stirring address with a moving tribute to the character and ability of Chicago's great spiritual director.

Other members of the American hierarchy who were seated at the speakers' table were Most Rev. Moses E. Kiley, archbishop of Milwaukee and first chaplain of La Salle Assembly of the Fourth Degree here; Most Rev. Edward F. Hoban, bishop of Rockford; Most Rev. James A. Griffin, bishop of Springfield; Most Rev. Henry P. Rohlmann, bishop of Davenport; Most Rev. Richard O. Gerow, bishop of Natchez, Miss., and Most Rev. Henry Althoff, bishop of Belleville, Ill.

The Rt. Rev. Msgr. C. F. Conley, Msgr. R. C. McGuire and Msgr. Abrahams were also among these distinguished guests.

Secretary of State Edward J. Hughes of Hennepin-Shields Council, who was one of the two hundred and sixty-seven candidates to take the degree during the afternoon, spoke on "Impressions of the Day."

Special Programs Will Mark Order's 59th Anniversary

Founders' Week Will Be Celebrated March 23-30 by Councils Throughout Nation

The 59th Anniversary of the origin of the Knights of Columbus will be observed in Founders' Week, March 23-30.

In January, 1882, Father Michael Joseph McGivney, curate of St. Mary's Church, New Haven, Connecticut, called together a small band of Catholic laymen who were to be the original founders of the Order.

Two months later, on March 29, the Connecticut General Assembly approved the petition of these incorporators for a charter. That occasion is now annually observed as the official birthday of the Order.

The Knights of Columbus grew out of a need, manifestly evident to Catholic laymen of two generations ago, for an organization to practice the Catholic aspects of Charity, Unity and Fraternity. That need is just as impelling today as it was in 1882, but today an answer is found in this continental Columbian fraternity.

Supreme Knight Outlines Program

In announcing the program for 1941, Supreme Knight Francis P. Matthews has stated:

"It is most fitting that we should commemorate the spiritual and material accomplishments of Father McGivney and his associates, who labored so valiantly for their own and future generations in building this united fraternal body dedicated to charity and patriotism. Buoyed by the expectation that each Council and member will earnestly support this program, I am pleased to propose this project in honor of the founders of the Knights of Columbus."

The plan released for the observance calls for five major activities to be coordinated with the 5-Point Program of Action. Each Council is asked to sponsor a Corporate Communion, if possible followed by a breakfast, on either Sunday, March 23, or Sunday, March 30. A special Founders' Meeting, an insurance promotional meeting, and degree exemplifications are suggested among the special activities for that week.

ALL SCRIBES URGED TO SUBMIT COPY IN TIME FOR TUESDAY DEADLINE

During the last several weeks an increasing number of Council stories have arrived late at The Columbian office. Such copy imposes many difficulties, not only on your editorial staff, but on through to the printing and linotype departments where a rigid schedule will not permit the composition of material received after our regular press deadline.

All scribes are asked to co-operate in submitting their articles each week, as far in advance of the regular Tuesday evening deadline as is possible. This co-operation, besides being sincerely appreciated, is very necessary in order to insure regular week-end delivery.

Chapter Meeting Wednesday

The regular monthly session of the delegates to the Chicago Chapter will be held at 8:15 o'clock, Wednesday evening at the Elks Clubrooms, 153 W. Monroe.

State Deputy Judge John F. Bolton will be the principal speaker in a message on Order activity here.

All delegates are urged to attend.

Fourth Degree—

(Continued from page 1)

Michael J. Howlett, Supreme Director, were among the others who spoke.

Joseph A. McMahon, Master of the Fourth Degree for Northern Illinois, under whose direction the huge class was inducted Sunday afternoon, acted as toastmaster during the evening banquet.

Several vocal selections were given by Sir Knight John Pane-Gasser, perennial favorite at such Knights of Columbus gatherings, during the course of the evening. Maestro Alexander Aster, Assistant Conductor of the Chicago Opera Company, assisted Bro. Pane-Gasser at the piano.

St. Vincent's Junior Choristers, a group of youthful male voices, under the direction of Frank O'Connor, Chicago Council, performed notable throughout the evening. Their selections were particularly suited to the occasion and their capable delivery, stamped at times with professional modulations, drew a warm response from the audience.

ning may, of necessity, be held over for the succeeding issue. Such occasions are as distasteful to your Columbian staff as they are unpleasant for the offending scribe.

On those occasions when it is apparent that copy may be late, it is suggested that the material be mailed by Special Delivery or delivered in person so that no undue delay will ensue.

Marquette Notes New Council Enthusiasm for Future Program

1-3 Thurs. . . . . 1928 Devon Ave.

A fair attendance was present at our last meeting, and much enthusiasm was created by the members in regard to future activity for the Council. Many suggestions were made for speakers at some of our meetings, so our worthy Grand Knight, John E. Hesse has promised a good speaker for the meeting next Thursday night. Another matter of changing our meeting night with a thought of having larger attendance is pending. It was discussed pro and con at last meeting and will continue in discussion for two or three more meetings, at which time a fair vote will be had on this matter.

SICK

The members are asked to remember in their prayers Mrs. Agnes Wilhelm, wife of our good brother, Frank E. Wilhelm. Mrs. Wilhelm underwent a serious operation recently and will be confined in St. Joseph's Hospital for some time. The council hopes and prays for the speedy recovery of Mrs. Wilhelm as well as our District Deputy Edw. D. O'Connor.

ABOUT THE MEMBERS

Rumor has it that Bro. Earl Gallagher is to give his sweetheart an engagement ring before he leaves for his year of military training. Bro. Gallagher's girl friend is Marie Messinger, a sister of Bro. Charley Messinger of our council. Earl is volunteering and Marquette's temporary loss is Uncle Sam's gain. The council should feel proud of this splendid Knight. Our G. K. celebrated his birthday last Tuesday. We hasten our congratulations.

Bros. Walter and William Pettis, Tom Murray, Bob Bagley, John Hanley and their wives, together with Clarence O'Hara and girl friend enjoyed themselves wholeheartedly last Saturday at the Sky Line Club where the Consumers Post of the Legion promoted a night of splendid entertainment. Some of the singing was done by our own Tom Loftus. A good time was had by all. Bro. Gerald Heiman advises his little two-months-old Carol Ann, is coming along nicely and makes no trouble for him and Virginia. P.G.K. Walter Simon is still confined to his home at 646 Roscoe St. Visitors are welcome to drop in and spend an hour with this former hardworking officer of our council.

BOWLING

Bro. Walter Pettis, captain of the McGuires, is still in the lead, but by only one game. Phil Wetter, captain of the Griffins, threatens to move up to first place. Latest scores shows the Donoghue's taking two of the three from the McGuires. High for the Donoghues was Tom Murray with 505 and high for the McGuires was Bro. Fellows with a score of 510. On the other alley, Bro. Wetter, captain of the Griffin Tigers, helped his team take two of the three from the Delanas with a high score of 537, while Bro. Cronin led the Delanas with 504. Standings are:

	Won	Lost
McGuire Wildcats	32	28
Griffin Tigers	31	29
Delana Demons	29	31
Donoghue Tricks	28	32

Members are invited to drop in the C.Y.O. Alleys any Tuesday evening at 8:30, on the third floor and watch our boys in action.

Hildebrand to Sample Sauerkraut Dinner at St. Agatha's Parish

1-3 Thurs. . . . . 5711 W. Chicago Ave.

Invitation is extended to all our members and friends to attend St. Agatha's Holy Name Society Sauerkraut Dinner next Saturday night at the church hall. It will be worth the attendance of everyone. Tickets $1.50 per couple. We owe much to this parish and many of our members are active in the Holy Name Society, so a helping hand will be appreciated. . . . Congratulations to John Kerins on his entry into the Fourth Degree last Sunday. Our felicitations to the Worthy Master and his staff on such a wonderful demonstration as we witnessed at the degree and banquet. . . . Next meeting of the council, Thursday, March 6th. Interesting program of events on the schedule.

The annual Barbecue is about to get under way, and Grand Knight Harry Leddy is anxious that the council again make a successful campaign. Only a little work and big returns in satisfaction that we have done something for a wonderful cause. . . . Keep those applications rolling along. . . . Hello to Bill Thompson; hope to see you soon. . . . Understand George Lennon is on his annual trek to Florida and points south.

Newman to Honor Bishop Magner at Meeting Thursday

1-3 Thurs. . . . . St. Mary's Hall

Amidst all the pomp, glory and ceremonies of the Catholic Church, our well known and beloved Chaplain, Bishop Francis J. Magner, was consecrated Bishop for the Marquette diocese by Archbishop Samuel A. Stritch, Monday.

The impressive ceremony was witnessed by over fifty members of the hierarchy, hundreds of Monsignori, Priests and Nuns. The many hundreds of Bishop Magner's admirers filled to capacity the huge Cathedral, and among these were very many of Bishop Magner's staunchest friends of Newman Council. This was a very happy occasion for Bishop Magner, and we of Newman Council are happy to share in this great honor which the Lord has showered upon our beloved chaplain.

Bishop Magner has been the best chaplain that any council might have, and we shall indeed miss his smiling countenance and spiritual admonitions and joyfulness as a regular attendant of our meetings. However, we wish him an abundance of happiness and hope God will give him a long life to labor in His vineyard.

On Thursday evening, March 6th, Bishop Magner has kindly and graciously consented to be the guest of honor at our meeting. For the past thirteen years, Bishop Magner has labored untiringly for the welfare of our Council and has made invaluable contributions to the development and advancement of our Council and Order, and so there has appeared a unanimous desire to give some tangible expression of our affection and esteem to this exemplary knight.

We hope that every member of our Council will partake in the testimonial which we are to present to our beloved chaplain, and we further hope that each and every member of Newman Council will be present on the evening of March 6th to pay our respects to Bishop Magner. We are fortunate that Bishop Magner has seen fit to honor us by his presence, and he will be present with all his regal robes and Bishopric paraphernalia.

APPROPRITE PROGRAM

A program and ceremonies appropriate for the occasion are being arranged. Fathers Mockenhaupt, Witmanski, Hartke and other members of the clergy in Evanston have promised to attend. State Deputy, John F. Bolton; Master Joseph McMahon of the Fourth Degree, and many other prominent knights will also be present.

Ouilmette Council is joining with us, and we hope that we shall be honored by the presence of members from all of our neighboring Councils. P.G.K.s James Corcoran and Daniel McCann are working in conjunction with Grand Knight Lawson and Lecturer Craig to make this night a historic event.

FOURTH DEGREE

Newman Council had the honor of having the largest number of candidates at the very fine exemplification of the Fourth Degree held on Sunday afternoon under the excellent guidance of our good friend and brother, Joseph McMahon, Master of the Fourth Degree.

The following is a list of the candidates who were advanced to the honors of the Fourth Degree: George F. Amidon, Edward J. Atchison, Ray D. Baldner, Felix J. Breden, John C. Craig, Dr. Lawrence J. Crowley, Lawrence M. Dupre, James J. Feeley, Joseph H. Flinn, Thomas L. Foley, Dominic Frugoli, Joseph J. Giannini, Thomas P. Hayes, Rev. Thomas J. Holbrook, Boleslaus F. Hojnacki, Walter D. Hynes, Gregory W. Konold, Kenneth Lawson, Ernest C. McGill, Rev. Cornelius McGillicuddy, Chester McNamara, Louis R. McNally, Thomas J. McIllwee, Frank Micheletti, Jr., F. J. Moran, Edmond N. Muldoon, Bernard J. Nellessen, Peter Pennacchia, George E. Ritzo, George C. Schmidt, Cesare Segneri, Thomas F. Steigelman, Thomas L. Sullivan, Andrea Virgili, Arthur F. Weiland, John P. Wiltjer, Rev. Peter P. Witmanski, Francis C. Yeazel and Dr. Roy M. Zulauf.

In addition to the above mentioned candidates, the Newman attendance at the banquet following the degree was augmented by some twenty-five previously inducted Fourth Degree members.

It was a most successful degree, and we extend our congratulations to Archbishop Stritch, to whom this degree was dedicated, to the officers and members of the Fourth Degree team, and to our newly inducted candidates.

The following Fourth Degree Knights attended the banquet: P.G.K. Frank Sammons, Dr. Rudersdorf, P.G.K.s Bell, Nilles, Martin Corcoran, James Corcoran, John J. Corcoran, Dr. Hynes, Bisson, Arnold, John Vose, Martin Vose, Brothers Dymar, Schaeffer, Finley, Eiden, Hopkins, Gehant, Whipple, and Miller.

Credit for this wonderful record goes to Dr. Hynes, whose efforts made this class possible.

12 WORKERS NEEDED FOR ONE SOLDIER

Chicago. — Dr. Irvin Abell, noted Catholic physician of Louisville, Ky., pointed out at the third annual Congress on Industrial Health here that 12 healthy industrial workers are needed for every man in the armed forces, if the nation is to have an effective defense. Only by assumption of greater responsibility on the part of the medical profession will such an ideal be attained, Dr. Abell declared.

Secretary of State and Opera Star on Banquet Program

Secretary of State, Edward J. Hughes, right above, is congratulated upon his advancement to the rank of Sir Knight by old-time member, Philip J. Sharkey of Illinois Council.

The Secretary of State delivered the special "Impressions of the Day" oration at the banquet Sunday evening.

Maestro Alexander Aster, left, assistant conductor of the Chicago Opera Company and Sir Knight John Pane-Gasser, look over one of the selections they offered at the Fourth Degree banquet Sunday evening.

The banquet ceremonials were opened with Bro. Pane-Gasser's famous interpretation of "The Star Spangled Banner."

COLUMBUS KNIGHTS IN VERY CONGENIAL PARTY

2-4 Tues. . . . . 6932 N. Clark St.

When Wayne King and the members of his orchestra put away their musical instruments at the Edgewater Beach Hotel last Thursday evening, a moan went up from the crowd from Columbus Council, for we were willing and ready to carry on all night with the same enthusiasm that had prevailed all evening. It seems that not one, young or old, wanted to call a halt to the marvelous time, although some of them knew that they would wake up the next day quite tired and with aching feet. A surprisingly nice crowd turned out for the event and I am sure everyone went home with the hope that Doc Schuler would arrange another night like it in the very near future. All promised to go in training, both from the table and dancing standpoint.

The Doc was there in his glory with the congenial and likable Marie. Marie having a slight hunch on this chorus girl idea thought it would be well to bring her mother along with her, and right she was, for there was old Doc joining the chorus the first chance he had. We were very pleased to have with us Mrs. A. A. Flick, wife of that grand old veteran, Doc Flick, and mother of Marie. Al Weimeskirch did not leave Doc beat his time for he not only joined the chorus girls, but danced with them in one of their numbers. Charley Owens and his boy friend, Tony, were becoming jealous by this time, and if it were not for the fact that Al and Doc were taking over the show, they would have joined the chorus.

It was very pleasing indeed to see another grand old vet, although he hates to be called a vet, Enos Hamer and his wife, greeting all their friends at their table. Al Irving had a nice crowd present, while Harold K. MacShane, the Wabash Avenue florist, had a party of eight. Included in the Schuler party was Mr. and Mrs. Cremerius, who are always regulars at our affairs. The grand knight was playing a solo for the evening, although he had a busy time helping Mrs. Claude Dollahan keep Claude from taking away Wayne King's job during his broadcast, as he had a few friends in Kokomo he wanted to say "hello" to. Ed. Holden, the dry goods man from North Clark street, was present with his wife, while the Fitzgerald family was also well represented.

Our recording secretary seemed to enjoy himself watching Schuler and Weimeskirch go round and round with the dancing girls, while Joe Maginot and his wife seemed to like the waltzes Wayne King played. A couple of lady killers from the west side in the person of Gene Conley from Carroll Council and Eddie Phelan from Barry Council were trying to keep beautiful Josephine and Ethel satisfied in teaching them the rhumba. The fixer, Miss Florence Kealy, was busy seeing that every one was enjoying himself after being quite hospitable earlier in the evening.

We were sorry that the Coffey family and their party could not be with us due to Peg being a flu victim. We missed them and we hope by this time Peg is up and at 'em again. There are quite a few that I missed talking to Thursday evening and I have overlooked them here, but I hope that somebody will freshen my mind and I will tell you about them next week. Keeping a couple of young men in tow as well as taking care of Eddie Roche when he is alone, is a man-sized job for an evening, so to the many that I have missed, please excuse.

IN MEMORIAM

It is my sad duty to announce the death of Mrs. Frank Geimer, mother of Phil and Frank, who used to play on our baseball teams. The old time fans will remember her as she used to attend all of our games with her late husband. She was a real Catholic mother and she raised a fine Catholic family. We ask that you remember her in your prayers and to you, Phil and Frank, we extend our sympathy.

St. Paul's Card Party So Good It Promises to Become Annual Affair

-3 Tues. . . . . 6713 Olmsted Ave.

H. S. Happ, chairman of the card party committee didn't have much time to make arrangements but we knew all the time that it would be a successful affair. That it was; both socially and financially. There were some 300 folks who spent a thoroughly enjoyable evening at cards with refreshments being served; some of whom were fortunate in being lucky to take a prize home to make the day complete in every way. Each of the ladies was presented with a gardenia upon entering the hall with the compliments of Joe Wiltgen and we heard many a compliment about that, too. The coffee was served with the compliments of the Franklin MacVeagh Co., wholesale grocers in our fine and fair city and we know many of the ladies were interested in knowing the source of the supply so that they could stock some of their products for "when company comes."

This is the first public card party sponsored by the council since (as we said before) "when Hector was a pup." There is a feeling that this might be repeated as an annual affair and we know that "experience is a good teacher"; therefore—and we invite mental notes by the next G.K.—in the hands of the same committee, the next one will be bigger and better than the last one. Incidentally, an automatic pencil was found after the party; owner can have same by contacting H. S. Happ and identifying the property.

FOURTH DEGREE

St. Paul's class for the Fourth Degree wasn't the largest it has had for this final step to Knighthood but the class we did have, well represented the council. We are happy to welcome Edwin G. Frank, Charles McCormick and Don Scanlon into the realm of the Fourth and greet them as Sir Knights. Those worthy sirs deported themselves in a manner in keeping with the tradition of St. Paul-of-the-Cross and made it possible to keep unbroken the chain of successive candidates for this all inspiring degree.

Remember next Tuesday is meeting day and don't forget that we will be honored with the presence of Captain John L. Sullivan, chief of detectives of the city police, who will give an interesting talk on the workings of his department. Discourses of the kind to be given by that great police officer are instructive as well as interesting for most of us know too little about the duties and responsibilities of those to whom are intrusted the safety of the community.

WE HEAR THAT

Val Ziegler boasts that Geo. Washington had his birthday on the same day as Val's—we didn't know that Val was that old. . . . Jack Lynch takes the credit, after eight long years, for bringing Edwin Frank into the Fourth. . . . Charlie Masters belongs to the "annual club"; those who are seen only at the Fourth degree installations . . . he has a close companion in the good Dr. H. H. Conley who, they say, never misses a Fourth degree exemplification. . . . Geo. Ellwanger was re-elected general chairman of the council's Fourth Degree club—the mythical society of Sir Knights.

Henry Mackin, of Venetian blind fame and a prince of a gentleman, came in from Kankakee to be with the boys at the Palmer House. We were happy indeed to make the acquaintance of the man we've heard so much about and can put our seal of approval on all the good things that were said abut him. . . . Smiling Carl Faerber was on deck but had to leave early. . . . All in all, there were about thirty members who witnessed the exemplification.

Ravenswood Enjoys Party Program Altho Weather Slims Crowd

1-3 Wed. . . . . 1521 Wilson Ave.

The visions of a large throng at our party last Wednesday evening were somewhat amiss. The situation was in no part caused by lack of interest in the entertainment or failure to advertise; general opinion blames the slimness of the crowd wholly to the weather. The writer spoke to several of our members that had definitely planned to be there with their families and friends only to decide to stay by the fire and not risk a long walk in the cold or a stubborn motor that might refuse to start.

Many of the regulars who seldom miss a meeting stayed away last time. Fellows like Doc McCambridge, George Shilling, Dick Kenney, Dan Burns, Frank Engel, Pop Walters, Clem Morgan, Dave Heelon and several others who escape my mind, weren't there. Many fellows were there without their mates, which in the past has been uncustomary for them on party nights. P.G.K. Beaton, Recorder Barr, Fin. Sec'y Blesius, Treas. Egert, P.G.K. Farrow, Joe Grady, Jim O'Reilly, D.G.K. Mike Citti, Frank Fortmann, and Warden Weidman and among those that were there alone.

George Schaeffer was present for the first time in many a moon, at least as far as your scribe can remember. It was a genuine pleasure to see George again. Well I remember the first night George, the late Ted Schmidt, and myself were among those to receive the Knights of Columbus first degree. George is now a Fourth Degree applicant. Congratulations and luck.

Bill Tobin was at the party in company with the borthers Collins and two charming young ladies. Don't know whether it was an unusual case or not, but Lecturer Art was "loneing" it. Maybe he's waiting for Brother Bill to be off to the southland with the Illinois National Guard, March 5th. Surely someone will be wanting to look after the blond cutie that was with Bill and it might just as well be Art. And while we're on The Three Musketeers from Bryn Mawr Ave., mention should be made that Bill Tobin also makes a good impression with the gals, especially if outward signs can be relied upon. Bill has the good old Ravenswood technique!

So far a lot of paper has been covered without any mention of the entertainment given us by The Chicago Tribune. Mr. Grandstaff, Tribune representative, gave a very good short talk preceding the showing of the films. He explained the Tribunes' purpose in presenting the films to the public and stressed the fact that "The All-American Way" was produced to show the sporting way of life with emphasis on individual life and attainments, whether it be solo or teamwork, not the subjugation of the individual to the state. Mr. Grandstaff extended an invitation from the Tribune management for any of us to pay a visit to their Michigan Ave. plant to see how the daily editions are produced.

Both "From Trees to Tribune" and "Tree All-American Way" were very interesting and instructive. They are well worth the time to see them. The first may be seen down at Tribune Tower and the latter is now showing at a few theatres about the city. See them if you have the opportunity.

Next Ravenswood meeting is March 5th. Ye Scribe is in no position to report on last week's busienss meeting, for by time Mrs. Scribe and he arrived at the clubrooms, the business meeting was about finished.

Bro. Ben Sullivan's condition continues to be improved, but Bro. Peter Kranz and Mrs. tSewart remain about the same. Ben Sullivan and Peter Kranz would enjoy a visit with a Ravenswooder, so why not pay them a call.

Loyola-H. P. Honors P.G.K. Chas. Lawler Thursday, March 13

2-4 Thurs. . . . . 7435 Cottage Grove Ave.

Give credit where credit is due. This is a very old and true saying which we of Loyola-H. P. really believe, and to prove it, on Thursday, Mar. 13, we will pay tribute to our past G. K. Lawler. For three years he stood at the helm of our council, and that he steered a true course, is proved by the great strides made by our council in that time.

Charlie gave us three of the greatest years that any council in our Order ever enjoyed. We were on both the Honor Roll and on the Star Council list. After working hard for this length of time, Charlie retired from this position and became Trustee of our council. In this capacity he has continued to lend us the benefit of his guiding hand and counsel. We are proud of Charlie and we respect him wholeheartedly as a gentleman and companion. He is a sterling example of what a true knight is, he personifies the finest teachings of the Church and our Order.

Knowing that all of Charlie's friends among the membership of our Order, feel the same way, we felt we should give Charlie some idea of our appreciation of his fine work. We hereby extend to all knights who desire to pay tribute to our P. G. K. to join with us on this gala night, Thursday, Mar. 13, at our clubrooms, 7435 Cottage Grove Ave. The time is 8:30 p. m.

It is with the deepest regret we report the loss of one of our most beloved brothers, whom our council will miss for all the years to come. Bro. Henry Hamill, who was called to his eternal reward a few days ago. May his soul and all of the souls of the faithful departed, rest in peace. To his bereaved family and relatives, go our heartfelt sympathies.

The exemplification of the Fourth Degree, from Loyola-H. P. well represented. We extend to new Sir Knight, Bill Herriott, our congratulations. Among some of the brothers upholding our council's hospitality were Bentley Baker and George Birmingham. Also present were G. K. Hermanns, P. G. K. Charles Lawler, P. G. K. Dick Judge, Bros. Dick and Tom Fay, Bernie Thompson, Joe Gonzales, Patrick Costigan, and Walter Ochs.

Church Dignitaries at Fourth Degree

Seven of the outstanding churchmen who were present for the 38th annual Fourth Degree banquet at the Palmer House, Sunday, were, from left: Bishop Richard O. Gerow of Natchez, Miss., Msgr. Charles Conley, who was one of the candidates Sunday afternoon, Bishop James A. Griffin, Bishop Edward F. Hoban, Archbishop Samuel A. Stritch, Archbishop Moses E. Kiley and Bishop Henry P. Rohlmann.

Archbishop Kiley was the first Chaplain of the La Salle Assembly Fourth Degree here.

Are You Just an Ordinary Catholic?

We were reading an old church calendar a few days ago, one published by the Paulist Fathers of St. Mary's Church here, and we came across the following very interesting article which we now take liberty to pass on to you:

To insult a man to the top of your bent (the article said) tell him he is just ordinary. That one word sinks him into a hopeless quagmire of nothingness. It levels him to the commonness of the mob, brands him with the curse of mediocrity, puts him in the herd, denies him any distinction by which his contemporaries can recognize him or posterity remember him.

"What sort of chap is he?" the new acquaintance asks.

"Oh, just very ordinary," the man who knows him replies; and there is nothing further to say.

"He's just an ordinary doctor." "Yes?" "Then he's not good enough for my wife." "He's a lawyer, but very ordinary." "Well, my case needs a superior lawyer." "She sings, but her voice is decidedly ordinary." "Then she doesn't sing if I can stop her."

Terribly contemptuous word, "ordinary." We are furious if it is used ("just an ordinary-looking person with ordinary manners and an ordinary mind") in our connection.

To be superlatively fine in anything is glorious. To rise above the merely commonplace is the ambition of every real man or woman. We remember only those who stand out because they are not ordinary or common or mediocre.

History even has its places for those who are extraordinarily bad. Not heaven knows, that one advocates such distinction; but the fact is that a great tyrant, an outstanding despot, a notorious traitor, a distinguished robber baron or a famous racketeer (in any age; and every age has had them) not only steals from the men of his day, but steals a place in world history. Ordinary sinners, like the rest of the ordinary herd, carry their nonentity with them into the future.

And yet there are millions who are satisfied with being called just ordinary Catholics. They probably will save their souls. They probably will never do anyone any great harm. They are at low mass on Sunday, at communion three or four times a year, they put a nickel in the collection box, are without many great sins to confess or any virtues to make the world happier.

They are just ordinary Catholics. We say it and pass them by. For what we need in the world today is not just ordinary Catholics. We need extraordinarily fine ones. We need Catholics whose lives stand out, in the startling comparison of Jesus Christ, like cities seated on a mountain top. We need Catholics who are intelligent, alert, leaders, devout, notably good. We need saints.

Genoa Plans Unusual Patriotic Program for Meeting of March 17

1-3 Mon. . . . 7439 Cottage Grove Ave.

With the cheers still ringing in the council's ears from Dr. McDonnell's very interesting and instructive talk and picturization of Boy's Town, Genoa Council, under the able leadership of G. K. James F. Riley, Jr., and Lecturer James Hynan and Warden Jim Large plans another unusual program for the month of March.

The second meeting of the month will present this program that has captured the spirit and imagination of every true blooded American in the country. Through Warden Jim Large and his connection with the American Legion and the Standard Oil Choral Club this program has been made possible. The date is March 17 and the time will be 8:00 o'clock.

Before going any further it is time that we take our hats off to Bro. Dr. Higgins who was responsible for securing Dr. McDonnell of Boy's Town to present his lecture and pictures at the last meeting. The evening was one of the most enjoyable the council or its membership has witnessed in many a meeting. Every minute of the entertainment was received with enthusiasm and awe. Congratulations Dr. McDonnell and Dr. Higgins. The council is indebted to both of you.

CABARET DANCE

The cabaret dance under the able leadership of Bro. Wm. Condon is reaching a full stage now. The last detail was handled just last week when Chairman Condon secured the famous Johnny Marlowe and his orchestra, of the Edgewater Beach Sunday night dance fame, to be the maestro of music for the famous evening of May 3 in the Southmoor Venetian room. The committee and members of the council are all planning on this big dance. Your duty now is to do your part in making it a huge success.

Another incident just recently arose to bring merit and honor to the council on the part of the blood donors group. This time the honor falls on LeRoy McMahon who, when called upon to give a blood transfusion by D. G. K. Robert Stadler, chairman of the blood donors group, unhesitatingly did so. Chairman Robert Stadler recently performed the same service to one of the council's own members, Bro. Dick Moran. The two of you deserve credit.

Bro. Frank Sapiensa is now at home at 7639 S. Park Ave., and would be glad to have any of the members of the council call on him.

Nazareth's Meeting Programs Keep the Boys on Their Toes

2-4 Tues. . . . . 17 W. Harris, La Grange

We just have to hand it to that lecturer of ours. Something doing every meeting. Last meeting he stole a program from the radio. We had a Pot of Gold program. Those who hit the jack pot for financial reward were Stan Hegberg, Jos. Woods, Frank Polivka, Joe Halm and Ben Poff, the lucky stiffs.

We had quite a nice turnout and we saw several brothers we had given up for lost, Joe Tee and Mike Weis of Westmont, Jim Robinson of Hinsdale, Carmen Tenuta of Berwyn and his brother George of Downers Grove, and believe it or not Ben Martin of Western Springs. During the evening Ben decided he wanted to smoke so he pulls out one of those muslin bags filled with something that passes for tobacco, a package of papers and proceeded to roll his own. Some wag nearby asked where he tied his horse. Don't mind them, Ben. Those people are just jealous because they haven't learned the trick of rolling a cigarette. From our observation you haven't either.

Glad to see Tom Kelly around again and looking quite O.K. Frank White is still in the hospital and would welcome having someone call on him. Emmett Walsh is still on the sick list also and we understand is not permitted visitors. We haven't heard anything as to the condition of Brothers Bayer and Rotterman who were on the sick list. Hope they are well and about again.

MEMBERSHIP CAMPAIGN

What about that membership campaign, men? This is your council and it will be what you make it, so why not get going now on those friends of yours who are eligible and get their names on the dotted line. If you need help just call on the officers of the council. Any one of them will be only too glad to assist you.

We hereby take back everything we might have said about certain people now residing in Florida. The reason for this? Well, at the last meeting we opened up and distributed a crate of fine Florida oranges and grape fruit. We have been looking forward to this for some time and therefore now convey the thanks of the boys of Nazareth to Bob Dignan down in that sunny clime for his generosity.

MAYSLAKE RETREAT

More about the retreat. Are you going? Why not? Do you know what a retreat is and what it does to you and for you? If you have never attended one you don't know the answers to these questions. You put money in the bank against a rainy day, then why is it not logical to put something in the spiritual bank against the day when you are going to need it? Notify Joe Halm or Paul Simmons that you are going to attend this retreat which opens Friday evening, Mar. 21st. Plan on it now.

Our G.K. seems to have the knack of knowing who will be a good man for any specific job, and he is partial to young men. We are referring specifically to his choice of Bob Lester for job of Inside Guard. We are not much for making predictions but we go overboard right now in predicting that two young men are going far in our council, Lecturer Jim Robinson and Bob Lester. Incidentally, congratulations to Jim and his wife who celebrated their third wedding anniversary last Tuesday.

That annual Bishop Sheil Barbecue is coming up again. Get set for it. The books will be in your hands before long. More about it later.

NEXT MEETING MAR. 11

The next meeting, Mar. 11, you should not miss. Better put it on your must list. Every year we hold commemorative exercises for our departed brothers. It is but a small act of charity toward them. Mar. 11 is the date this year so plan for it now.

G. K. Himpler, with your scribe and Bob Lester recently visited St. Anthony De Padua Council in Franklin Park and to say we were welcomed royally is putting it mildly. Those boys certainly know how to play host. We were the recipients of a fine dinner consisting of spaghetti Italienne with vin rouge. All we can say is that any time those boys want to invite us back again they just have to whisper it. We'll hear it clear over in Downers Grove, and come 'arunnin'

BOWLING STANDINGS

The bowling standings in the west end are: Watkins won 40, lost 20; Mahrs won 38, lost 22; Triangles won 34, lost 26; D. G. Motors won 29, lost 38; Dieters won 28, lost 32; Brittans won 24, lost 34; Tivoli won 24, lost 36; Western Tire won 21, lost 39. In the match game between the picked team of the west end against the Rouse Dairy our boys took them by 17 pins. Standings in the east end; Paden's won 45, lost 21; Doc's Atnonians won 34, lost 32; Kartjes won 28, lost 38; Peabody's won 25 lost 41.

Last Monday the Kartjes went to pieces. Frank Thuma bowled a beautiful 96 game and without the help of the pin boy, too. If the whole team stayed at home and just stood on their averages they would have won. Possibly Thuma's game was due to the fact that he didn't have his pop corn. We hear that 28 men are eligible for prize money from the state tournament so step up and get your money, boys. The picked teams, four from the east against four from the west, will bowl next Sunday at the Grove alleys, Downers Grove, at 2:30 p. m.

Neri Celebrates Home Parish Nite at Meeting Tues

1-3 Tues. . . . . 7515 Yates Ave

It's open house next Tuesday night a Neri Council. The occasion is St. Philip Neri parish night with the esteemed William P. Carroll in charge of the program This annual tribute to the "home" parish of Neri Council has always presented a line-up of talent well worth your time and Chairman Carroll promises you this one is not to be the exception. Invite the ladies over. After the entertainment refreshments will be served. Be there by nine. A business meeting will convene at 8:15.

Working diligently with Chairman Carroll are Gerald P. Caraher, James J. Trant, E. F. Burke, William Carney, Dan Hansen, T. J. McGuire, Fred Downey, J. J. Moriarity, John Kenna, W. J. Delaney, Jos. R. Bohnen, Thomas R. Kehoe, Gene Sauer, J. M. Roche and William P. Donavan.

FIVE FOURTHS

Five Neri men were in the class that received the Patriotic Degree of the Order last Sunday afternoon at the Palmer House. They were G. K. William T. O'Neill, Warden George O'Donnell, Paul Hazard Jr., John Leo Rach and Recorder John Miner. A larger group from Neri had been anticipated but a number of prospective candidates had to forego the exemplification in the light of other developments.

However, the five new Fourths made handsome representation from the council and they were further augmented at the banquet by the following gentlemen of dignity and note: Chaplain Father P. A. Bird, Harry Bitter, R. Patrick Duffy, John P. Quigley, Joseph Rooney, Theodore Gregalunis, Frank Shea, Jim O'Connor, William P. Carroll, Edgar Bourke and Dan Hansen.

In the important role as Narrator was, of course, Pat Woods, whose work in the Degree was highly complimented. At the conclusion of the ceremony our five Fourths sat for a group picture, a copy of which you may see gracing the fireplace in the Caravel Club at the meeting next Tuesday night.

ST. PATRICK DANCE

Chairman Jim O'Connor announces that arrangements have been completed for the dancing party to be held at the Caravel Club on March 15. The 15th of March isn't the 17th of March but it is a Saturday and, after all, it's the principle that counts. Tickets are now circulating and if you get yours now you won't be likely to forget later. Only fifty cents a copy.

LIFE'S SWEETER MOMENTS

The world might be on the brink of disaster but you couldn't prove it by Harry Zeger and Joe Rooney. They are down in Hot Springs for a little relaxation, sunshine, golfing, etc. . . . Ed Bourke is also looking for a change as he has "lit" out for Florida where his family has been for some time. Maybe he'll run into Augie Green down there a-sipping in the sunshine.

THEY SAY

Francis Duffy, whose draft number has already led him through the local examining board, will be leaving one of these days for his year's "vacation" on the reservation. Francis is currently employed in a ship construction company on the East Side. Another Duffy, Ray, Jr., has anounced his intention of enlisting in matrimony some time this year and the young lady involved is Miss Marie Elaine Aamondt, daughter of Joseph Buckley Aamondt, 8243 Chappell Ave.

Incidentally, congratulations to Ray, who looks like a movie star since he stopped shaving his upper lip, must echo for he has just finished the required apprenticeship in his work and is about to become a full-fledged mortician.

John P. Nussbaum, way up at Alexian Brothers Hospital, is reported to be showing steady improvement in his campaign back to health. . . . John Rach's mother has been taken ill and is at St. Bernard's Hospital. . . . Bill Drew's wife is improving after a long siege of illness. . . . Bill Schroeder's father is still confined to his home.

An important meeting for officers will be held tonight (Friday) at the office of John P. Quigley on 71st Street.

In a previous publication we published approximately 100 names and this list will have more added in the next issue.

MEMBERSHIP COMMITTEE

Our drive for new members is on in full swing but I am advised by our chairman, D. G. K. John Deschner, that we are lagging in our percentage. John is making a special appeal to the brothers to put on an extra effort in order that our quota may be reached.

I am sure that certain young men in our neighborhood, work or an acquaintance is just waiting for an initation to join our order, and if he is approached in a proper manner he will consent.

We have many points of distinction that you can use for your sales talk, such as the State Deputy is a member of our council and many other men of important offices and from all walks of life belong with us.

We also hold the record for the reinstat movement, also we have one of the largest rosters of clergymen in our council. These alone—accomplishments we can and do boast of proudly.

CUFF NOTES

Alderman Bryan Hartnett is vacationing in Florida on a much needed and deserving rest.

Every meeting night our lecturer awards an attendance prize split up to the three prizes. Come up; you may be lucky.

Orchids to Bro. Geo. Spencer for the good job he performed as chairman of our fourth degree George always does things up right when appointed on any committee.

We must also give our warden, Austin J. Haley, a mention for his wonderful performance as our sick chairman and will say he is the best in Chicago.

Our retreat chairman, Tom Gallagher, is very proud of our record at Mayske and would enjoy holding that record in our council. Due to conscription it is going to be very hard to obtain a large class for our next visit on Apr. 25 unless you brothers get behind him and attend this retreat. Invite your friends regardless if they are members or not, further yet, Catholic or non-Catholic. As time progresses I will keep you informed as to details. For applications phone Tom Gallagher at Laf. 8081.

At the fourth degree exemplification in the Palmer House last Sunday our council was very much in evidence both in the degree and also as host to all councils. Chairman Geo. Spencer and D. G. K. Earl Dunne handled the affair in fine style, as they had an accordion player and plenty of home talent singing melodies of all nationalities.

CONDOLENCES

One of our honorary members and a former spark plug of the council, J. Frank Connelly, passed away Monday morning. He had been ill for the past few months and put up a very good fight to regain his health but could not ward off the angel of death.

Frank was a brother of George, Sr., and Joseph H. and an uncle of Joseph, Jr., Eugene, George, Jr., William and Tom Connelly, all members of our council. He is the father of Raymond of our council and Mrs. James Rhan.

We turned out in a large body at the wake Wednesday night. Burial was Thursday morning from his home at 7113 S. Western avenue. We extend our sincere sympathy to his family and pray for the repose of his soul. May he rest in peace.

PIN TUMBLERS

The Dunne Tires are still setting a hot pace for the boys; they took two from Dalaeges. Holly Dunlap, their captain, shot a 547 series.

The Hartnetts took two from the Gormleys and their captain, "Baby" Dieterick, was the hero with a 598 series.

Believe it or not, the Dr. Laibes took two from the Dr. Michels, and their captain, J. Riley, was the hero with a 550 series. Dr. Laibe is going to send "G-Man" Riley out after Gerber, who has deserted his team.

The Zintaks took two from the Beams, and their captain, Harry Lepenske, was the hero with a 565 series; also Jim Coogan, the captain of the losers, had a 527 series. It should be known as captains' lucky night.

Play Boy Lorden should bring some TNT instead of firecrackers and place it under his gang, as they are in a trance.

Play Boy Lorden wonders about the identity of a certain wife of one of our popular bowlers who, after watching the teams bowl in the state touraament, put on a real burlesque of how a certain bowler bowls.

I guess all the wives are kind of checking up as our mortician, John Kelly, and "G-Man" Riley both had to let the better halves listen to the pins fall. To all the other wives, if your hubby won't take you to watch him, Harry Lorden invites you to come up alone.

The 500 class bowlers are Dieterick 598, Lepenske 565, Riley 550, Dunlap 547, Wollschlager 542, Christin 528, Coogan 527, Blythe 514, H. Lorden 509, Mulholland 504.

The 200 class bowlers were Dieterick 234, Lepenske 227, Riley 209, Coogan 204, Mulholland 204.

Feehan Congratulates New Sir Knights of Last Sunday's Class

2-4 Tues. . . . Hamlin and Madison

Bros. Ray F. Collins and Leo W. Early took the fourth degree with last Sunday's class. With so large and distinguished a group, we can very well imagine what a grand and thrilling event it must have been. Congratulations, fellows. Among the fourth degree members of Feehan Council who attended the banquet were the following:

Geo. Lyon, Judge LeRoy Hackett, Howard Edler, Tom Collins, Bill Ward, Bill Collins, Jimmy Collins and Jimmy Opelka.

AUDIT

Financial Secretary Howie Edler tells us that the council books are due for an auditing in the near future, and we are passing the information on to you just in case you may be near the danger line and want to dash right down and fatten up the council kitty.

BOWLING

Illinois Laundry continues to lead the Council League with 17 wins and 4 losses. Harmon Electrics have 14 and 7. J. J. Collins Sons are in third place with 13-8 and Baer Bros. & Prodie fourth with 12-9. Malee's Fighting Irish, N. Prieb Cleaners and the Lemon King Senators are tied with 11 and 10. Judge Hackett's Pioneers have 9-12. Quinn's Inn and Harold Crotty Boosters have 8-13, Edw. F. Moores have 7 wins and 14 losses, while Edw. Kaindl Boosters are at the bottom with 5-16.

The individual picture hasn't changed during the past week. Pat Riley still leads with an average of 178; Frank McQuillan, 176; Joe Collins, 173; Jimmy Collins, 172, and Howard Edler, 170. Honor rollers last week: Ed Condon, 215; Frank Wheeler, 214; Joe Malley, 214; Frank McQuillan, 213; Bill Barrett, 209; Turk Fogarty, 205; Ed Kelly, 203; Ed Ryan, 203, and Joe Collins, 202.

Well, "der tag" has at last arrived. Feehan Majors finally came through. Last Friday night they succeeded in sweeping a series from Carroll Council. It's quite a story. Intrigue and stuff. Boiled down, what happened is this: The Majors, at a cost of something less than $300, succeeded in bribing Harold Crotty to invite Turk Fogarty to his house for a poker session. With Fogarty out of the picture, it was a mortal cinch for the boys to go to town, which they did. Following the victory the boys called Fogarty and told him that all was forgiven, "Please stay away."

Birthday congratulations to Bros. Warter T. Harty, Thomas McElroy, Lee Downey and Joseph A. Malloy, who celebrate this week.

MADONNA'S Y.I.A. CLUB NEARS CENTURY MARK

2 Thurs.-4 Fri. . . . 4522 Wallace St.

We see our bellowing about the Year In Advance brought a little better result this week. Six more of the landed gentry came in boosting the total to eighty-six members, which we say is still pretty good for two months.

Rev. E. B. McNally, George T.Reinert, Tom Griffin, John T. Miller, B. J. McGrath, and Hughie Mulligan helped to raise the ante to eighty-six. Seems like Hugh was one of the first of the Y. I. A. C. men but we slipped up on listing him.

All we want to know is—who'se gonna be the thirteen men to round out that hundred? Thirteen more and us will make a century, so if you'd like to try an' break us down, come on in—with both feet and your dues.

WELL, TONITE

We have a Council meeting at the Club. One of the things to be chewed on is the proposition of providing for members called under the Selective Service Act. Another will be the St. Patrick's party to be held at the Hyde Park Hotel, Saturday, March 15.

Still another will be the proposed segregation of funds. And pretty soon Communion Sunday will be here, and softball time! Looks like busy days are ahead, hey?

And speaking about the Clubhouse, we haven't heard nothing from F. D. R. of W. W. about the trees that were supposed to go in front of the place. Oh well, the election is over.

BUT BOWLING ISN'T

The Millers continued as the hottest team in the League and were finally rewarded by taking two games from the leading Hermes. Hal Storie led the team to wins in the first two games but they dropped the third by 13 pins in spite of a 220 game by Jesse Folks. That game, however, enabled Jesse to go into a tie with Barry for the individual honors. The Boyles got off to a bad start, rolling their worst game so far to lose the first game to the O'Connells, but recovered to take the next two and gain a game on the leaders.

Howie Meagher led the Duffys as they won two games from the Doodys who were paced by Marty Hoare.

The individual battle between Hoare and Raleigh Keane has reached the point where Marty is doubting the secretary's accuracy. Seems Raleigh and Marty have a little wager on each game, and Marty gets the nickels, but Raleigh still leads in total pins. Flanigan publicly states that the score is Keane, 5228; Hoare, 5157, and from now on they can keep their own books.

About the mixed doubles. They'll be held again at Schalk's Alley, March 9, at 5 p. m. Reservations close March 2, with absolute no extension. We have ten alleys reserved and almost all filled, so in justice to those who have made early reservations, late comers cannot be guaranteed accommodation.

Our team goes to Indianapolis April 26 in the National K. of C. Tournament, and the "On to Indianapolis" party will be held on Tuesday, March 4, instead of Feb. 25, as originally announced. Call Howie at Vin, 5134 or at the Club; Bou. 4099, it'll be worth it.

MADONNA'S MUMBLING

That P.G.K. Jim Doody and the missus are just back from absorbing some California sunshine. (Didn't it rain, at all, Jim?)

That Paddy O'Kane slipped and broke a wrist. Lucky he wasn't holding a glass, might've cut himself.

That the column was pretty quiet last week—and we don't know the "woman salesman" who sold steel. We allus thought those critters were "salesladies." Will someone come clean?

BLOOD DONORS

We're still in need of Type 2 donors for Asutie O'Malley. If you haven't been typed yet, drop in at Little Company of Mary Hospital where they'll be glad to do it, or call F. S. Pollick at the club tonight, Friday, Feb. 28th. Bros. Ed Daly, John Grant, Jim Casey and John Morrissey were donors for Asutie this week.

R. I. P.

We sincerely regret to announce the death of Bro. John Bowen last Thursday after a short illness. Council members paid their respects to the bereaved family Thursday evening and acted as pallbearers at the funeral. Please remember him in your prayers.

Chicago Hts. Members Giving the St. Patrick's Dance Full Attention

2-4 Mon. . . . . 1527 Otto Blvd.

Our next meeting scheduled for Mar. 10 should be interesting enough to attract every member, and we are looking forward to a very large crowd. Our attention will be focused upon the big coming attraction, the annual St. Patrick's dance, sponsored by Chicago Heights Council and to be held on Mar. 15. The time is growing short and to make this annual affair a greater success than any in the past, we ask you to be there to get full particulars and to do your bit in helping the committee to put this dance over in a big way.

Now that the Lenten season is started, the time is fast approaching when we will have to fulfill our membership quota. In view of this fact it becomes quite clear that everyone of us should get busy at once and bring in new applications. For applications to be balloted on, it requires two meetings, making it very important to bring them in on time.

Why not sacrifice a little of your time during Lent by calling on prospects at once. Don't delay. Each and every member of our council should get behind this membership movement and see if we cannot have a first and second degree in time for Palm Sunday's initiation. Get in touch with those members who, for some reason or another, had to drop their membership but who are now anxious to join our order again.

COUNCIL NEWS

The officers and members of Chicago Heights Council extend their congratulations to Bro. Robert E. Connolly upon his promotion to vice president of the Illinois Central Railroad. Bro. Connolly, a native of New York, entered service in the company as a clerk in 1902, was advanced to assistant treasurer in 1916 and to treasurer in 1918. During 1936 he was transferred to Chicago with the removal of headquarters of the board of directors from New York. His promotion to vice president goes into effect Mar. 1.

When young folks have a birthday, they generally give a party, but when a man grows older he starts throwing parties. Our genial Bro. Matt Wallwer (not to be outdone) with mine host Willie Mac as toastmaster to a bunch of jolly good fellows, staged a celebration in honor of Matt's birthday recently. Congratulations, Matt, and we hope you will be abel to throw many, many more parties.

Just to remind you that our pin busters are not being snowed under entirely—they are coming out of their slump and creeping up and up. For the past three weeks they were tops, defeating the Mackler Service boys three games, the E. & K. Grocers three games and the Cook Typewriters two games.

Bro. Chuck Kirgis and family started vacation early by motoring to Florida and through the sunny south. They expect to be gone for several weeks, and we hope they have an enjoyable trip.

We regret to announce the death of James H. Johnson, father of Bro. John F. Johnson, who passed away Feb. 14 at Waterbury, Conn. The officers and members extend to Bro. John their deep and sincere sympathy.

We are sorry to announce that Bro. Robert Bergin is confined to St. James Hospital due to a severe case of flu. We ask the brothers to call and see Bob. A smile and a cheery word will do him good.

CARROLL HAS LARGE CLASS AT TESTIMONIAL

Next Meeting Mar. 4 . . 6 N. Hamlin Ave.

Five militant Carrollites were presented for advancement to the highest rank of Knights of Columbus membership last Sunday, Feb. 23, at the Palmer House, in one of the most elaborate and outstanding ritualistic programs in the exemplification of the Fourth and Patriotic Degree of the Order. Sixty-five Knights of Columbus Councils in the Chicago jurisdiction were assembled in one of the largest classes in recent years, with a total of 267 candidates.

Many leaders from almost every field of civic and ecclesiastical activity were listed among the distinguished candidates who were advanced to this patriotic degree. Among the candidates from Charles Carroll of Carrollton Council were Grand Knight James J. Crosby, Harold T. Crosby, Edward L. Baker, William E. McNamara and Joseph Shuck. To these "fellow Catholic American citizens," we salute you. Your achievement to the final rank of Knights of Columbus membership was a special distinction bestowed upon you with the virtue of patriotism. Let the teachings taught there forever guide you to inspire the blessings of liberty and to unite Catholic men upon a common plane of devotion to religion and country.

CARROLL MEN ON TEAM

Master of the Fourth Degree Joseph A. McMahon and his able degree team are to be congratulated for their remarkable finesse and perfection of delivery and action. Marshalls from Carroll Council participating in the honor guard for Archbishop Samuel A. Stritch were Martin J. Landthalder and K. L. Torgeson.

As a source of recognition upon initiation in the Fourth Degree of our Order, all candidates are eligible for entry in La Salle General Assembly, which is the envy of every Fourth Degree unit in the nation. Its monthly meetings, special activities, social functions and welfare service are ably planned and executed. Each new Fourth Degree member will be contacted through the mail within the next two weeks by Comptroller Theodore E. Cornell of La Salle General Assembly, Fourth Degree, K. of C., at which time membership in the assembly may be made. Dues are $3 per year.

Chairman of the Fourth Degree, George J. Hunt, is to be complimented for his able work in preparation and arrangement for our suite of rooms and the banquet reservations. He was instrumental in obtaining tables in one of the "choicest spots." Thanks, George, your efforts have not gone unnoticed.

Others worthy of "merit" for their assistance are Chaplain Rev. John S. Kennedy, Past Grand Knight Dan O'Connell, Past Grand Knight Charles "Two-Pants" Murphy, Recorder George F. Rauh, Treasurer Frank O. Hubbard, Martin Moriarity, Michael O'Connell, Lambert Porod, Al Camparini, Dan Ryan, Sr., Bill Condon, Ed McGrath, Past Grand Knight P. J. Murphy, Charles H. Torgeson and Joe Mate.

St. Augustine's Home Talent Program Means Open House Monday

1-3 Mon. . . . . 5209 S. Justine

Something novel in entertainment will be presented after our next meeting, Monday, March 3rd. Lecturer Joe Ossowski has arranged a Home Talent Show, the personnel being the sons and daughters of our members. Some 15 or 20 future stars will perform for us after a short business meeting.

For this attraction it was decided to declare "open house," meaning, of course, that your guests will be welcome. Bring the ladies along by all means. After the show, refreshments will be served. What a program—what a night! If you don't attend this meeting you are going to miss one of the finest programs ever presented. Remember, it's next Monday, March 3rd, and bring the ladies.

WELCOME

After our last meeting we were privileged to witness the conferring of the First and Second degrees on some 16 candidates from this division. Of this number exactly half joined our own council. They were Lamont Critchett, John Gerge, Leo Haselberger, Thomas Haran, Roman Kuminski, and Arnold Osborn, and then there were Kaspar Thielman and Andrew Sarna, who had already taken the First and only needed to take the Second degree. We welcome the entire class into our Order and the aforementioned into our council.

May we take this opportunity to thank the members of the degree team who so capably inducted the candidates. Let us also pause to thank all the visitors and guests in attendance. It was a fine evening.

HONORED

On last Wednesday a testimonial party was given in honor of Bro. Sgt. Al. Heinen. This was a fine opportunity for Al's many friends to congratulate him on his recent promotion. As evidence to Al's popularity, the hall was filled to capacity.

On Monday, March 17th, the official American League baseball motion picture will be shown in our Clubhouse. Reserve this date.

De La Salle Chaplain Discusses Pertinent Topics at Last Meet

1-3 Tues. . . . . 1105 E. 47th St.

At our last meeting we were privileged to hear our Chaplain Father Thomas Riordan, discuss several timely subjects vital to every home and of interest to all. One point Father Riordan particularly impressed upon his listeners was the need for all Catholic men to be proud of the parochial schools, of our teachers in these schools, and the accomplishments and records attained there.

Father Tom Riordan has also entered into the realm of the Fourth Degree Knighthood. We offer congratulations and trust that he finds his patriotic degree meritorious and inspirational.

We enjoyed Father Riordan's discourse and eagerly await his next visit.

BARBECUE COMMITTEE

Appointments to fill De La Salle's Committee for the 1941 K. of C. barbecue are complete with G.K. Husung's following selections: Emmett Markey, chairman, assisted by co-chairmen, T. Howard Brennan, William Bardon, John Sullivan, Alexander MacDonald and Treasurer William J. Meehan.

In the event any of these brothers are unable to serve, please make this fact known to the Grand Knight and the appointment will be changed before the literature with these names are printed. With an outline of some of the accomplishments gained in prior years through this council's affiliation with The Knights of Columbus Underprivileged Youth Fund we are all happy to again renew our efforts to further the aims of this worthy charity.

POWERS PASSES AWAY

Brother Harry J. Powers, an honorary member of De La Salle Council for forty years, passed to his eternal reward February 21 in Morristown, N. J. He had just passed his 81st year and was looking forward to reaching the century mark when God in His mercy called him home. Funeral Mass was held at Our Lady of Mount Carmel church, with burial at Calvary cemetery.

Harry Powers is survived by two daughters, Josephine M. Powers and Mrs. E. F. Dunne and one son, Harry J. Powers, Jr., of Miami, Fla. We regret that our council delegation could not attend the wake, as the body was taken from the train to the church. The council has requested a month's Mind Mass and extends sincere sympathy to the members of the bereaved family. We will offer our prayers for the repose of his soul.

SICK CALL

John Wideman reports that Brother Francis E. Croarkin is confined to Mercy hospital where he has been suffering for some time with a leg injury.

John Sullivan and William Bardon visited Brother James B. McGinnis who is also confined to Mercy hospital and report that Jim has suffered a relapse. We are indeed sorry to learn of the misfortunes befalling these good brothers and will send flowers with best wishes, and offer prayers for their speedy recovery.

We are glad to learn that Brother Joe O'Brien is convalescing satisfactorily at home and gaining strength and an optimistic outlook. Good luck, Joe!

BE ADVISED

A resolution was adopted at the last meeting that De La Salle Council adopt at $5.00 initiation fee for all new members. This means that we were forced into this action by other councils in order to compete for attracting new men into our ranks.

This new and low initiation fee will help us in the race to meet our quota. It is up to every member of our Council to go out and get a new member. You can do it. With Lent a time for serious thought and our withdrawal from outside social activities, we must strengthen our band of Knighthood by attending meetings and reacquainting ourselves with our brothers and identifying ourselves with council work.

O'Connell's Dance to Be Long Remembered as Pleasant Evening

2-4 Tues. . . . . 1100 N. Franklin

O'Connell's dance and card party has become history, and I might add, a pleasant chapter in the annals of our council. While the crowd was not quite as large as we had last year, it was a more congenial and friendly bunch; perhaps this was due to the atmosphere of our hall. You can take it from me, the committee in charge of choosing the location made an excellent choice.

All those who missed the party have themselves to blame. The prizes were very well received by the winners. They were beautiful compacts. The orchestra was very good. I might say far above the type of orchestra one would anticipate at an affair where the admission price was only 50 cents. The refreshments were excellent, and from what I could gather, to the taste of all present.

MANY THANKS

From the officers of Daniel O'Connell Council to the following men who devoted almost the entire evening to the comforts of our guests: Brothers Frank McAuliff, Harry Klein and Henry Meier, who served behind the bar, and who were relieved by Brothers John Stubing, John Hotaling, Joseph De Ricco and Ben Nathan. To Brothers Edward Manley, Edward Gauna, Timothy Clifford and Victor Bonano, who served faithfully at the door.

To Brothers Erhenswich, Van Deman and Joseph H. Meier, who spent the evening at the ticket cage. To Brother Joseph C. Meier, who cared for the players, with the assistance of Brother Clifford. And lastly to all the brothers who assisted Brothers Joseph Pago and Timothy Clifford in receiving our guests and making the evening a pleasant one.

We had quite a few brothers present (I mean blood brothers): the Stornellos, Joseph and Guissippi; the Viverittos, Oscar and Frank; the Marinos, Joseph and Frank; the Meiers, Henry, Joseph and Charles; the Stubings, father, son and brother-in-law, Harry Klein, and all the others.

Brother Marco De Steffano, our D. D., was present, as was our old friend, Joseph La Rocco. The expressions of gladness on their faces made us feel they enjoyed our party and our company, and we were glad to have them with us. We were also glad to have the other visiting knights present. Space does not permit mentioning of all the names and councils represented, but we are indeed grateful.

Lest I forget, our next meeting will be held March 11th, at which time Brother Tushous, special agent of the Knights of Columbus, will be our guest. We want all members to attend this meeting, as he will explain all the new forms of insurance in the Knights of Columbus. If you have the interest of your council at heart, you will be present at the next meeting, March 11th.

JUSTICE FAILS WITHOUT GOD

Poughkeepsie, N. Y.—History shows that "justice falls short of rendering man his due whenever human authority fails to invoke the Divine law as sanction for its decrees," said the Rev. Quitman F. Buckley, O.P., chaplain at Princeton university, speaking at Vassar college.

Hen.-Shields Set for Banner Crowd at Party March 15

Mar. 12, 26 . . . . . 446 N. Parkside Ave.

Come now the Ides of March, and to the members and friends of Hennepin-Shields Council it will mean gathering at the Oak Park Arms Hotel on the evening of March 15, to honor with feast and music, the patron Saint of Ireland, Patrick, the peaceful conqueror, whose memory, to this day and for all time will be revered throughout the length and breadth of the Green Isle.

In return for the precious gift of Faith brought to them by St. Patrick, it is no wonder that the Irish, throughout the world, wherever they may be, will pause to render grateful homage to the patron Saint of their homeland.

However, it is in the lighter vein of good fellowship that the clans and tribes from Ulster, Munster, Leinster and Connaught will gather at the festive table come next March 15. If your name should be Peterson, Czarnecki, Filletti, Jablonski, Schmidt, or Francois DeGrave you will be equally welcome as Sullivan, O'Brien and Hannigan for this is our country, now and forevermore.

Make up your parties and place your reservations early for the rule is first come, first choice. Chairman Jim Oakey and his helpful committee of Mike Hussey, William Orth, Mike Gibons, Ray Foley, Tom Butler, Peter Murphy, Jack Shealey, Ed Mulholland, Ed Riley, Gene Daudelin, will be glad to fill your request, any one of them.

Or you may phone Lecturer Frank Cash at Central 3575, or Mansfield 10483, evenings; or G. K. Charles Costello, Jr., at Columbus 6300 daytimes; or if you live in Oak Park, Euclid 8571 evenings. Good food, good music, dancing, the quality of which depends on you and your partner, good fellowship in a gala atmosphere is the assured promise of the evening. Tickets, $3.00 per person, per plate.

BOWLING

The merry sound of falling pins greet the visitor every Tuesday evening at the Cinderella alleys when the council gets into action. Not all the pins fall, but that worries not our stalwart heroes. They just say something and wait for the next frame. Last Tuesday, Ray Foley's Grill team broiled up a special dish and smothered the John J. Hayes Stores for three games.

The boys representing Frank M. Hayes Barbeque managed to win two games from the M. C. Fogarty Mens Wear. The Gallagher Plumbers, dear boys, succumbed to the soothing influence of the lotus flowers brought by the Harwood Florals and dropped two games to the Harwoods. Costello & Son Boosters took two games away from the Riley Insurance Writers. Skittles players with good scores were: R. Gould, 209; Tim Fleming with 203 and 203; Marty Moylan, 221 Conroy, 207; Tom Butler, 223; Ed Mulholland, 207, and Ron McGillivray, 200. Last week we overlooked noting that the Gallagher Plumbers shot high three game for the season with a total of 2699. Which now puts it up to the others.

THE SOUNDING BOARD

Sunday, at the Palmer House, Rev. Father James Doherty, Secretary of State of Illinois Edward J. Hughes, Captain George Lynch of the Austin Police District, retired, and William Ryan received the Fourth Degree.

Some two dozen other Fourth Degree members of the council had their headquarters room in the Palmer House. The ones who attended this year all say that never before have they appreciated and enjoyed a Fourth Degree so thoroughly and as a result have already started campaign for a larger crowd to join them next year. For further details of degree see first page.

ILLINOIS COMPLETES MAR. 17 PARTY PLANS

1-3 Mon. . . . . 64 E. Lake St.

All automobiles, street cars, elevated lines and buses point to the Ivanhoe, 3000 North Clark Street, where you and we will keep a dinner engagement with the other members of the council and their friends. St. Patrick's Night, on which this will be held, has been looked upon by the church as being a day in which a little pleasure may be indulged in, and so again, dear reader, we say to you and yours, that two weeks from next Monday we promise you a most enjoyable evening from 8 o'clock, at which time dinner is served.

The Ivanhoe is noted for good food, refined entertainment and an opportunity to explore what are often referred to as the catacombs (300 feet under the ground).

Our next meeting is scheduled for Monday, March 3. We hope you will be there. There are many things to be talked over.

CONGRATULATIONS

Our neighbor, Henry Lynch, and Master McMahon deserve great credit for the most successful Fourth Degree banquet that we have remembered for many years. Our Archbishop made a magnificent impression, as did Supreme Master Brother Timothy Galvin, our neighbor from Hammond, Ind. Illinois Council was reasonably well represented.

Father Berlanger, our esteemed Chaplain, and Bro. Frank J. Kelly received the highest degree of the Order. Both were impressed, as well they may.

CONDOLENCES

It is with regret that we announce the death of our Bro. William J. Stanton, who, as we go to press, is being buried from St. Giles in Oak Park. He leaves surviving him, Winifred, his wife, and two children. He was an insurance member of the Order, and while his visits to the council were far apart, nevertheless he was well and favorably known. For many years he was sales manager for Kellogg Switchboard Company.

COUNCIL ITEMS

Reporting the death of our members is becoming almost a weekly custom and we are forced to take stock of the new members who are coming into the fold to take the places of those brothers who have been called to their eternal reward. We are glad to announce that we now have three new applications for memberships and one former member returning to the fold. That is encouraging.

We learned that Bro. Gerald J. Haley has been promoted to the position of assistant principal of the Parker High School, and for you we hasten to say to the City of Chicago, "Congratulations," and to Gerald J., "Continued and deserved success."

After March 17 we are going to hear a great deal of the annual barbecue, which will be held this year at Riverview Park, June 18. It has been the greatest medium for raising much needed revenue both for the C. Y. O. as well as other charitable efforts of the individual councils. There is enough of the element of chance in which to make it whet the appetite of sportsmen. And so, shortly after we have dined together at the Ivanhoe, we shall have more to say about this annual event.

In the meantime, please remember we want to see you at the next meeting, Monday, March 3, De Paul Hall, 64 E. Lake Street.

McHale's Bowlers Get Bundles Packed for Trip to Indianapolis

1-3 Tues. . . . . 150 West 69th

Saturday morning, March 15th, at 10 a. m., Archbishop McHale Council's bowling league will "sail" for Indianapolis on the Big Four Streamline Special chartered by our council. There will be two dining cars and de luxe coaches, with all the comforts of home. This should be very pleasing to the ladies. All members of our council and their friends are invited to make the trip. Blue Island and Dowling Councils are coming along.

P. G. K. Bill Collins, as always, is doing a grand job as is Bro. Pete Holm, who is in charge of transportation. Pres. Chas. Cotuno, and Vice Pres. Tom Garvin are leaving nothing undone to insure the success of this trip. Make your reservations NOW; call Charlie Cotuno at Stewart 0857. You are assured a very fine week-end.

The "McHale Special" will leave the I. C. Station at 10 a. m. and return Sunday night at 9 p. m.

"IN THE POCKET"

For next meeting night, Mar. 4, your lecturer has arranged the showing of the sound picture, "In the Pocket." It's crammed with all the "little things that make NON-Bowlers WANT to get out and try their luck at laying 'em "IN THE POCKET." It dramatically illustrates just how easy it is to bowl whether old or young, stout or lean; it teaches the novice correct grip, stance, approach, delivery, etc., and illustrates the simple DO's and DON'Ts of bowling.

LAST MEETING

Last meeting was set aside for the "Ladies" and we must take off our hats to them as they came in great numbers. It was truly a Ladies' Night at the "Ball Game," for they applauded and cheered as their favorite baseball player appeared on the screen. For our guest of the evening, we had the proud father and mother of the sensational young third-baseman of the Chicago White Sox, "Bob" Kennedy, who is now in California getting in shape for the 1941 season. We are grateful to Mr. and Mrs. Kennedy for braving the cold (and it was cold) to be with us.

In the dancing that followed the picture, Bro. Tom Hackett demonstrated some of the latest steps. I would like to thank P. G. K. Bill Mugg for the assistance he always gives me. Bill has helped me on many occasions, and I am very grateful to him, also to the members and to Fin. Sec. Edgeworth, who did a swell job in handling the roast beef and P. G. K. Perona, who dished out the refreshments.

McHALE BOWLING LEAGUE

As the curtain dropped on the State tournament, we found that McHale's Mack Boilers finished in the money as did the team of D. G. K. Ed Berleman and Inside Guard (Groom to Be) Frank Mulroy. Nice going, fellows, and we salute you. We had hoped that our Grand Knight could have held on because he did have a nice score in the singles that everyone hoped would bring home some bacon. The Grand Knight, by the way, is sporting a new car. I haven't seen it yet, but hope he get's around once in awhile because that 1930 Ford that I have is getting so old she is getting hard to live with!

Monday Night's results: Moniger's (2), S. S. O'Brien's (1), Mack Boiler's (3), Cramsie's (0), Cronin's (2), Amer. Tailors (1), Maher's (3), Kelley's (0).

High games: Jim O'Connell (202), Jack O'Connell (217), G. K. T. Mulroy (209), Jahr (209), Ed. Coleman (202), Eldon McGuire (211), Frank Trunk (218).

The Maher's are still out in front, but the race is tightening up, and it will be a real exciting finish. A large crowd is attending these Monday night matches. If you would like to bowl in this league come up any Monday night. That's all for now. Any news? Call J. J. Kelly, Englewood 5151.

St. James Hears Many Satisfactory Reports by Various Committees

2-4 Mon. . . . . 64th and University

Last Monday evening we were well entertained through the courtesy of Mr. C. E. Cummings of the Santa Fe Railroad. Colored moving pictures of the Santa Fe Southwest were shown. He was aided by his co-worker, Miss Hughes, who commented on the views and the scenery. Refreshments were served to complete the evening's enjoyment. Our sincere thanks to Mr. Cummings for his efforts.

During the course of the meeting many reports were made: Bro. Tom Groark announced a wonderful showing at the Fourth Degree with five candidates; Bro. Ambrose Burke announced three new candidates and two transfers on hand for our membership committee; Bro. Frank Mayer reported on activities of the Chicago Chapter. The Athletic and Lecturer's committee reports are listed below.

We thank the many Brothers and guests who attended and we cordially invite them to future meetings. Among the visiting members were: Bros. John Gallagher and Paul Sink of Calumet, Bro. Jack Beemster of San Salvador, Bro. O'Day of Leo, Bro. Ray Earhart and others. Our next meeting will be Ladies' Night and a special program of entertainment will be arranged. Dr. Clarence J. Strobel will be acting Lecturer for that evening.

ATHLETICS

For the coming softball season, Bro. Mike Connolly has been appointed softball manager and we anticipate a fine team as Mike is well acquainted in this sport. More announcements later on this.

Entertainment: A cabaret dance and party will be given at the Hayes Hotel on Saturday evening, April 19, with everything included for $2.50 a couple!

The 38th Exemplification and Banquet are now history and it adds to the membership list of the Fourth Degree Club four new members. They are Sir Knights Michael A. Connolly, Thomas V. Butler, Robert E. Lee and Raymond A. Socha. The officers and members extend their congratulations to these men and invite them to attend the next Fourth Degree Club meeting to be announced later.

The following members of our Fourth Degree Club attended: G. K. O'Connell, P.G.K.s. McFadden and Laughlin, D.G.K. McGillivray, Thomas Groark, Ambrose Burke, John McBride, Henry Steffens, Dr. Clarence Strobel, John Gallagher, Henry Woodmaster, Thomas Kelly, Martin Quinn, Leo Parker, John Hand, Clarence Phillips, Joseph McGivern, John Greene, James Reilly and Edward Bryar. Also enjoying the activities of the day were Bros. James McCabe, Raymond Erhart, Chris Davis and Peter Wehle.

We were happy to see Bro. John Green with us last Monday after his stay at South Shore Hospital. Also Bro. Steffens was up and around again and looked fine.

IN MEMORIAM

It is with sad regrets that we announce the death of Bro. Tom Donnelly, who passed away last week. Members and officers, led by our worthy chaplain, Fr. O'Donoghue, attended and paid their respects last Thursday. John McKean and James Sweeney acted as pallbearers for the funeral procession. Although Bro. Tom was not active in late years, he was well remembered and well liked by all of us.

Chicago Enlists All Members to Join Group in Retreat, March 21

1-3 Tues. . . . . 64 E. Lake St.

Of prime importance is the organization of our council group to attend the Retreat at Mayslake on the week-end commencing Friday, March 21st. Since most of us are not working on Saturday there is no time lost. By pre-arrangement with members who have cars, we can all ride out to Mayslake on Friday evening right after work. We then have all day Saturday and all day Sunday to give to the Retreat and we return to town on Monday morning after attending Mass.

This, of course, is simply the plain statement of time-elapsed. The experience of making the retreat at Mayslake is open to you. The matter of expense need not worry you as a chat with Chairman Joe Schmitz or his aides, Bill Pelicore and Sam Mercurio, will give reassuring information on such things.

And, while on the kindred subject we might mention that Tuesday, March 25, has been set as the date of Chicago Council's annual "Memorial Services."

MUSIC HATH CHARMS

In our several mentionings of our Valentine party (which now is such a pleasant memory) we dwelt upon the matter of music—high class music by a high-class orchestra, but we never mentioned any names—for which we deserve censure. Brother Leo Mazurkiewicz is the leader of that tootsie-agitating ensemble of melody-makers and we have jus learned that Leo and his brother Dick are somewhere between Chicago and California, west-bound on a six weeks' vacation. Safe journey—and we wish we were with you.

THE BOWLERS

Well, Brownson took a hard-earned two-to-one victory last week for which they can thank the classy, remarkable shooting of their Joe Sinke and the absence of breaks for our team. We had been doing so well until that night, we naturally had hopes. But class versus hopes is rather lop-sided competition unless the hopes are loaded with horseshoes.

Our next opponent is Phil Sheridan (this week) and then comes St. Paul-of-the-Cross next Friday.

In our "home-town" circuit, the Franz Guards again proved their superiority by taking two games from the fast-stepping Cole Recorders:

Franz Guards	811	688	743—2242
Cole Recorders	667	762	718—2147

The Ryan Coals took two from the Vallee Boosters through the epic efforts of Mike Anglesano, who shot a sweet 224 game and 548 series.

Ryan Coals	752	808	788—2348
Vallee Boosters	760	783	655—2198
Franz Guards	42	21	728
Cole Recorders	30	33	717
Ryan Coals	27	36	734
Vallee Boosters	27	36	732

AND LAST

It is the misfortune of Chicago Council to meet on the night which also marks the dead-line for articles in our COLUMBIAN. Until now, Editor DuChateau has been rather lenient, permitting this scribe to hold out until Wednesday morning so the news can be right up to date. But this "grace" was taken advantage of by too many councils and must be held accountable for the paper arriving late now and then.

Chicago Council's Scribe is called upon with all others to abide by a more stringent ruling which sets the deadline "definitely" at six of the clock on Tuesday night. This means, of course, that news of last Tuesday's meeting will not appear in The Columbian until next week. If you cannot wait for this news, come down to the meeting and get it first hand. (Thanks, indeed, Frank, for your quick and kindly offer of co-operation.—ED.)

Leo XIII Member Drive Keeps On at Steady Pace

1-3 Tues. . . 820 W. Garfield Blvd.

The last meeting of Leo XIII Council held on Feb. 18 demonstrated the keen interest being shown in the membership drive for the James J. McDermott class of 1941. This well-represented session was called to order by Deputy Grand Knight James Grannon promptly at 8.30 p. m. and all business was rapidly transacted. Insurance Field Agent Bro. Joseph M. O'Dea was on hand to explain the various classes of new order insurance and to compare the rates of other companies.

The first reading of six new applications, of which Bro. Ed Peterson is the proposer of three, and Bro. Frank Watson the proposer of two, now brings our quota total to twenty. Chairman John J. Ruberry has announced that the following members be added to his committee: P. G. K. John McVady, P. G. K. Thomas J. Sheehan, Advocate John Mortimer, Bros. Tom Sinon, Charles Mullins, John O'Connor, Frank O'Connor, Roy McMahon, Patrick Sullivan, William Lynch, James Rabbitt, William O'Callaghan, Don O'Brien and John J. Leahy. These and the other appointees are working earnestly, but they ask that the entire membersip cooperate with them in this drive. The new class of candidates will receive their third degree on Apr. 20, Sunday.

The testimonial degree and banquet held in honor of His Excellency the Most Rev. Samuel A. Stritch at the Palmer House Sunday was one of the most outstanding affairs in fourth degree history.

Leo XIII Council presented to this class six candidates. The newly elected Sir Knights are Stephen Garbaciak, Charles Mateski, Felix A. Frankowski, Richard Gleason, Donald O'Brien and John G. Leahy. Other Leo Sir Knights who celebrated with their friends were William O' Callaghan, Thomas J. Sheehan, John Delehant, Joe Winiarski, Frank Gajawicz, Joseph P. McNamara, William J. Dempsey, George Balling, Art O'Neill, James Grannon, Karl J. Kiepura, John J. McVady, Thomas Higgins, Thomas Conway, John Kelly, Dr. Miles Gallagher, Charles Guldan, Michael Higgins, Tim Ryan, Tom McMullen, J. Madden and Bill Cullina.

R. I. P.

With our sincere sympathy we report the death of Mrs. M. O'Shea, beloved mother of P. G. K. William O'Shea. The officers and members of Leo XIII Council extend to Bro. Bill and the bereaved family their heartfelt condolence in their hour of grief. May perpetual light shine upon her.

BLUE ISLAND PACKS HALL AT OPEN MEET

1-3 Tues. . . . . Gregory and New

Close to two hundred members and their prospects jammed our council chambers last Tuesday in what proved to be one of the most enjoyable meetings Blue Island Council has had in many years. G. K. Dan Boyd welcomed the many prospective members and in turn introduced District Deputies Ed. Martens, Henry Hilgendorf and Chaplain Father Gross, who spoke to the prospects on the Order and its benefits.

Our own insurance wizard, Financial Sec'y Paul Paetch, explained the different types of Insurance. After this array of speakers I'm sure it will be a simple matter for you boys to go out and get their signatures on those applications.

This closed the business end of the meeting and our Lecturer immediately went into action and presented the movie, "The All-American Way," through the courtesy of the Chicago Tribune, which was indeed a great success and was enjoyed by everyone present.

The next feature was one that everyone had anxiously awaited. Radio announcer Harry Creighton of Station WAAF was introduced and immediately went to work on the sport celebrities who were our guests. These included Jack Stackpoole, fullback of the Washington Huskies; Bob Kennedy, Orval Grove and Blue Island's own Don Kolloway, all of the Chicago White Sox.

In closing, Blue Island Council presented Don Kolloway with a very fine travel kit. From this point on our well-known Chef, Joe Weiland, took over and the boys did away with some few hundred hamburgers, four pots of coffee and a barrel of amber pop. Brothers, if you were there you know what a swell evening it was; if you were not, well, we feel sorry to think you had to miss it.

FOURTH DEGREE

Four of Blue Island's well-known brothers took the final step in knighthood Sunday. Those taking this great degree were: Bros. Louis De George, Harold Schwartz, Dr. F. A. Vincenntti and Fin. Sec'y Paul Paetch. Attending the banquet were: G. K. Dan Boyd, D. D. Ed. Martens, D. G. K. Ed. Hanson, and Joe McQuade. To the new members we send our congratulations. To the boys in the room upstairs we send our sympathy.

BOWLING

FLASH! The price on that trip to Indianapolis National Tourney has been cut to $12.00. Just think! Train fare, two meals on the train, your hotel room and all the amber fluid you can drink for the above mentioned price. You can't afford to miss it. Make your reservations now with Bros. Bill Creighton or Tom Parsons. We already have fifty men going—let's make it a hundred.

G. K. Boyd announces that we can get on our marks and get ready to go on our annual race to capture the coveted title of champs for the South Section in sales for Barbecue books. Full details next week.

YEAR IN ADVANCE

A new high in membership was attained by the Year-in-Advance Club when entries were brought to 54 in the past week. Two insurance and four associate members swelled the total. Bill Creighton and Steve Zabrzenski were the former and Tony Ryczek, Tom Hannon, Bob Duboise and Elliott Tucker the latter.

A few of the other brothers heard from in the past week include Dick McGuire, Otto Parsons, Trustee Dick Walsh, Joe Hahn (who leaves for camp for sure next week), Tom O'Neill (honorary member from Chicago), Jake Mislich, Officer Bill LaMore and Ignatius Komada.

At the meeting: Mike Weraniak, Steve Chistock, Carl Groskopf, Guido Pucci, Dan Neary, Postmaster Tony Lagod, Stanley Kaliski, Ed Kirsch, Stack Hannauer, John Gabor, Jr., Tom Keehan, Bob Duboise, Tom Hannon, Tony Ryczek, and Tom Phelan.

Tonti Volunteers Are Typed at Meeting to Initiate Donor Group

1-3 Thrs. . 4221 W. Irving Park Rd.

The response to the call for volunteer blood donors was most gratifying. A large number of brothers were on hand at our last meeting and were typed by Miss Smaza, a technician at St. Joseph's Hospital. The first man typed was P. G. K. John Olsta, who volunteered and asked for this favor a few months ago.

Tonti is now one of the many councils throughout the state which has an active blood donors' group amongst its membership. We can now take our place in the ranks of the councils serving humanity in this great cause.

FORTONTI NEWS

At the last party of the Fortonti Club, Pres. John Olsta was presented a beautiful gavel. The past president received a bill fold. Bro. Stanley Paszynski was presented the pinochle "chump" medal.

Bro. Stanley J. Michalek received the honors of the fourth degree last Sunday at the Palmer House. Present at the banquet were Rev. L. Jasinski, G. K. Eugene Raith, P. G. K. Bob Anderson, Judge Peter Schwaba, George Traub, Joe Wiedemann, Joe Sears and Joe Mayer. Other brothers who dropped in were Ray Demski, Frank Jackowski, Stanley Banas, Ed Deka, Tom and Frank Paszynski, Joe Casimer, Len Kriessl, Ed Cissau and Ed Larkowski.

TONTI TIPS

Congratulations to Bro. John Francis and Mrs. Francis on their 24th wedding anniversary. Bro. Francis surprised the family by coming home with a new Oldsmobile.

During our last meeting cigars were passed around by "Daddy" D.G.K. Louis T. Buettner, in honor of the new boss of the Buettner household, none other than little Thomas Anthony. The brothers gave Lou a nice shiny rattler to take home for the youngster, and a lot of advice.

This little poem written by the Chinese poet Sun Tung-p'o (A. W. 1036-1101) is well worth pondering.

Families, when a child is born
Want it to be intelligent.
I, through intelligence,
Having wrecked my whole life,
Only hope the baby will prove
Ignorant and stupid.
Then he will crown a tranquil life
By becoming a Cabinet Minister.

RUE DES-INVALIDES

Lecturer Gus Warnesson is still confined at home with a severe cold.

Bro. "Casey" Gryzevinski is at St. Elizabeth's hospital. Bro. Joe Havlik is at St. Anne's hospital. Bro. Albert Menkicki is at St. Mary of Nazareth hospital.

OBITUARIES

The father of Bro. Walter C. Shambleu and the mother of Bro. "Casey" Gryzevinski died last week. A delegation of knights attended the wake of Bro. John Sebald last week. The officers and members of Tonti Council offer their sympathies to the members of the bereaved families. May the souls of the departed, through the mercy of God rest in peace.

BOWLING

Captain Ray Ruzkowski is crying, in desperate need, for his former all-star bowler who is now in Kansas City, Mo., to come back and help his team.

The high game and high series of the evening was bowled by Ed Ciessau, with scores of 201-161-239 for a 601 series. Other high games were A. Eichhorn, 219; F. Miller, 212; G. Lipinski, 211; L. Postelanczyk, 210; L. Schmitz, 201; S. Cwik, 201, and Lambert Jankowski, 200. The team standings to date are:

Faces in the News

Among the guests at Sunday's exemplification of the Fourth Degree and the banquet that followed were veteran Knights, Wm. P. Lowery, Joliet, Jacob A. Mueller, president of the Chicago Chapter, Daniel J. O'Connell and R. J. Murphy. Sir Knights O'Connell and Murphy are Past Grand Knights of Charles Carroll Council. Mr. Murphy is also the father of the former Grand Knight of the University Council of the Knights of Columbus at Notre Dame.

THEN

Just to prove that the Order is never too busy with one activity to forego another, we picture a group of blood donors from Tonti Council as they were typed by Nurse Smaza of St. Joseph's Hospital last week.

Seated from left to right are: D. G. K. Louis Buettner, Donor Chairman; Chan. Andrew Eichhorn, and, "under Miss Smaza's needle," P. G. K. John Olsta. Standing are: Scribe George Schordje, Dr. Thos. Phelan and G. K. Eugene Raith.

IN THE THIRD PICTURE

Judge Peter H. Schwaba, J. J. O'Connor, D.D., Joseph T. O'Neal and T. J. Riordan are pictured in a quiet moment during Sunday's exemplification festivities.

IN THE LAST FRAME

Master singers all are the members of the group pictured here who supplied the choral work during the Fourth Degree ceremonials Sunday. They are, rear from left: Michael F. Croake, Peter J. Wilkin, Henry L. Phoenix, Joseph J. Janda, Jr., and Maurice T. Smith. Front row: Philip C. Nilles, Jr., Wilfred D. Byrne, Wm. S. Van Driska, and pianist, Joseph Cognac.

To Thomas F. Brown, chairman of Fourth Degree, we doff our hat and say, "A big job well done, Tom, in your own effective way."

FOUNDERS' MEETING

P.G.K. Thomas Hoy, chairman of Founders Week Program on Thursday, March 20, is developing an unusual offering to commemorate the establishment of our Order and to honor the charter members, past officers and members of Damen Council. Damenites are strongly urged to attend this meeting.

Henry Forster, dean of trustees, has been seriously ill with influenze for the past five weeks. His devoted wife has been his private and special nurse during this trying siege. Henry just can't help himself, he should get well. He missed first Fourth Degree in 35 years.

John Monahan has applied for re-admission to Damen Council. Welcome home, John.

MERRY MEN

"The last shall be first."—In eighth place, a baker's dozen games behind are the McEnery Indians, truly called the tough luck team because of their consistent habit of losing close games. The team may be losers but they are winners with us. They are game sports and take these games with a smile.

Brown Plumbers lead the parade by virtue of a twin killing over Stack Typewriters. One game behind are Cassidy Tires, holding the road with a double victory over Kelly Couplers who are in third, only three games behind.

By trimming McEnerys twice, Reliable-Credit strengthened their fourth place hold, seven sets behind. Their credit is still good.

Last year's runner up, John J. Gormans are in fifth spot shy eight wins. They took two sets from McMahon Undertakers. Maybe the Gormans will come to life and be a contender.

Stack Typewriters, handicapped by enforcement fo the doctors orders sending league prexy Ray McJohn to the sidelines, are in sixth place, eight games out. Stacks promise to make the race tough for everybody facing them.

A good natured team that seems to enjoy a loss as well as a win, McMahon Undertakers, is in seventh place. Are they downhearted? Not a bit. They say they're only twelve games back and are going to win all the rest on schedule.

We are indebted to Frank Mastro for bringing middleweight contender Steve Mamakos and his manager Matt Twomey of Washington to our last meeting.

San Salvador's Donor Group Answers Rush Call of Bro. Knight

2-4 Mon. . . . . 24 E. 114th Pl.

Among the most important of this week's news items is one in which we take pride in giving you the details. Last week Bro. "Stacey" Rimkus, one of our newer members, called upon the council's blood donor group for transfusions for his mother, who was dangerously ill. In immediate response, Bros. Louis Blocker, Cliff Heffron and Tim Griffin sped to the hospital where Bro. Griffin's blood was found to most nearly match, and the transfusion was given.

The following day Bro. Rimkus gave another transfusion for his mother and at this writing she apparently is progressing favorably. In expressing his fervent thanks, Bro. Rimkus made a statement that should cause all of us to pause and think. He said, "Now I realize the true meaning and purpose of an organization such as the Knights of Columbus."

Although of late we have not said a great deal about the blood donors' group, nevertheless there are some thirty men enrolled, ready and willing at all times to render their invaluable services in times of great emergency. Basing our appeals on such human dramas as this, may we again urge any of you who can possibly do so to contact Bro. Tim Griffin and make the necessary arrangements to have your blood typed? We should certainly be able, out of our large membership, to enroll a group of at least one hundred men.

GOOD FRIDAY

The Good Friday Observance Committee held its initial meeting of the year on Wednesday of last week. It is composed of representatives from all the Catholic parishes and the various non-Catholic denominations of the cmomunity. Again this year all business houses will be contacted to ask their cooperation in observing the Three Holy Hours of Good Friday by closing their establishments during that period. We recommend to all of you to remember this movement and refrain from making any purchases during these three hours.

CONDOLENCES

We regret to inform you of the death of the sister of Bro. John and William O'Hara. In their hour of sadness we extend to our good brothers and their family our deepest sympathy in the loss of their beloved sister. May her soul rest in peace.

BOWLING

After the final rounds were finished in the K. of C. State Bowling Meet, San Salvador's entry apparently still is going to be in the money. Nice work, men; too bad it wasn't first or second place. Incidentally, the council's Parish League has again bounced into a three-way tie for first with St. Louis, St. Silomea and St. Anthony Richards having top honors. The farther the season advances the tighter the race becomes. Drop around some Thursday evening and root for your parish team.

COUNCIL NOTES

Our Chaplain, Father Chiminello, announces a mission to be conducted in English by Father Gervase, O.F.M., at St. Anthony's Church, beginning Sunday, March 9, to March 16. Evening services start at 7:30 and a cordial invitation is extended to all of you to attend.

Congratulations to our new Sir Knight Bryan Finerty, who was San Salvador's candidate in the large Fourth Degree class of last Sunday. Bro. Harvey Bernien's name was drawn at the meeting for the six dollar award, but not being present the award will be seven dollars next meeting. After blessing the officers' insignia at the meeting last Monday, Father Chiminello gave a splendid talk to the council. By the way, Irish Night will be held at the first meeting in March, the 10th, to be exact. Keep that night open and join the fellows.

Washington in Degree Ceremonies Welcomed Far West Side Class

1-3 Tues. . . . . 503 Main St.

Washington Council's last meeting is one which will be remembered for some time. We were host to the Far West Side Councils in the conferring of the First and Second degrees. Seven more new Knights of Columbus were received into the ranks of the Order, three of them our own. We welcome Brothers Vincent F. O'Leary, J. A. Morrison, and J. A. Shannon to our ranks, and trust they will become active members.
